Chapter 1261

Although these Qiao elites are not as good as the top ten vicious dogs, they are also human beings and have their own ideas.

They can tolerate Wang Fan's killing them, because the two sides have different positions, either you die or I die, but they can't accept this kind of behavior.

This is simply not taking their lives seriously at all.

Qiao family dog also knows that their behavior is not right, but they have no way.

Wang fan is so powerful that they all feel numb. He is as powerful as Wu Dapeng. Shang Qingdiao died in Wang Fan's hands. How dare they rush ahead?

Their original intention is to let the cannon fodder die, consume Wang Fan as much as possible, and then they can finish well. However, they didn't expect that their behavior caused public anger.

"Pa Pa Pa"

Wang Fan's clapping voice sounded out of time, and his mouth began to TUT tut exclamation, "it's really worthy of Qiao family's vicious dog, it's really worthy of Qiao family's death, this division of labor is really clear."

He pointed to the remaining eight dogs, "are you going to use these cannon fodder as much as possible to consume me and hurt me, so as to increase the chance of winning?"

"Yes, yes, you really have brains. You can even think of this method, but it's chilling for you to do so."

Wang Fan with the help of breathing opportunity, began to sow discord.

Although he killed more than 100 people, the other side still had less than 400.

So many people together, let's not say whether they can be killed in his state. Even if they can be killed, they will be soft.

What's more, there are eight vicious dogs in the back.

It's not that Wang Fan didn't want to attack and kill the eight vicious dogs, but they were too cunning.

After Wang Fan killed the two vicious dogs, they had completely hid in a safe place and didn't give Wang Fan a chance at all.

Originally, those Qiao elite were a little uncomfortable. Now they are even more uncomfortable after hearing Wang Fan's words.

Even though they know that Wang fan is provoking dissension, they are still full of resentment against the eight evil dogs.

As soon as the dog Joe listened to Wang Fan's words, he felt hundreds of sharp resentments, and his eyelids jumped, he immediately felt bad.

He knew that he couldn't go on like this, otherwise people's hearts would be broken, and once people's hearts were broken, it would be difficult for them to kill Wang Fan again, and if they didn't do well, they would be killed by Wang Fan.

Thinking of this, he pointed to Wang Fan and drank directly, "Wang Fan, don't sow discord. We never wanted to let our brothers be cannon fodder, let alone ignore their lives."

"What Joe eight did before was only on behalf of himself, not us. We never wanted to let our brothers die!"

"Don't you say that we only dare to hide behind? I'll meet you as soon as Joe comes to see what you can do!"

Joe said, immediately jumped out of the crowd, and then frantically toward Wang Fan rushed past, and also reached out to the people, "give me together, kill him!"

Joe a heart is also very helpless, although he did not want to come out, but at this time, he must come out to show a state. And it's not enough just to make a statement. We have to charge once more.

Otherwise, even if he said again, those Qiao elite will not believe it.

In the rush out of the moment, Joe has been a crazy drum Dangqi.

He didn't want to kill Wang Fan, he just wanted to carry Wang Fan hard and immediately retreat, as long as he could gather Qiao family's elite morale and killing intention.

Those Qiao elite listen to Qiao one's words, and then look at Qiao one's performance, the inner resentment slightly reduced.

Just don't wait for them to follow Joe to rush to Wang Fan, Wang Fan has already got up, and wave shadow knife to chop to Qiao Yi.

"Well, since you want to know what I can do, I'll let my knife tell you." Wang fan is worried that he has no chance to kill these vicious dogs. Now when Joe comes out, where will he hesitate?

It doesn't matter whether the Qiao elite are killed or not. After all, they can't pose a threat to Liao Feng, Wei Jian and others. But these Qiao vicious dogs are really innate.

As long as they do not die, even if the Qiao family is destroyed, Wang fan does not dare to leave the city without scruple.

Whoosh!

The sharp light of the knife twinkled, and in an instant, it cut off Joe.

Joe a facial expression crazy change, at the same time more crazily stir up the inborn vigorous Qi to protect the body, at the same time crazily waved the steel knife in the hand.

When!

Click!

The knife collided and made two noises. The steel knife in Joe's hand was cut off in an instant, and then the shadow knife cut into Joe's chest like a rainbow.

Qiao Yi Biao's inborn vigorous Qi couldn't stop Wang Fan's shadow knife at all. In an instant, it was torn to pieces, and a petal like blood mist burst out of his chest. When the blood sprayed, the whole person fell out.

There was a strong fear in his eyes. It seemed that he could not bear Wang Fan's blow. His consciousness gradually dim, after falling to the ground, has no life.

There was a dead silence.

No one thought that, as strong as Qiao Yi, they were all killed by Wang Fan.

There was almost no sound at all.

Wang Fan didn't stop. After he killed Qiao, he jumped up in an instant and found a place to shoot the remaining seven dogs mercilessly.

Come on, come on.

Three shots, three dogs are still in shock, has been shot, completely killed.

Wang Fan kicks over six Qiao elite and kills the other two vicious dogs with a shadow knife.

"Stop him!"

"Stop him!"

The two dogs' faces changed greatly. They started to retreat as they screamed.

But their retreat has no effect at all. Wang Fan smiles coldly, and the tip of the knife has crossed their throat.

Cluster!

Another two dogs, dead!

In the end, the two dogs were completely stupid, and their hearts were filled with endless fear.

Seeing that Wang Fan turned his eyes to them, they didn't hesitate any more and began to run away.

Eight of the top ten dogs died, and the remaining two chose to run away. The hundreds of Qiao family's elite morale was instantly dispersed.

Without hesitation, they began to flee.

Wang Fan ignored them and did not chase the two dogs. Instead, he slowly raised his gun.

Come on!

After the two shots, the heads of the two dogs, just like the cracked watermelons, exploded.

There was a mist of blood.

So far, ten dogs, all dead!

Wang fan is rubbed rub some painful head, and then quickly left here.

Joe's family.

Qiao is a little restless. He doesn't know what happened to Qiao Yi and whether Wang Fan was killed.

If Wang fan is killed, he will not only avenge his son Qiao's domineering behavior, but also save Qiao's family from disaster. But if Wang fan is not killed, then his Qiao family will be finished.

It's about the life and death of Qiao's family. Qiao has to worry about it.

Boom!

A moment, is anxious Joe is suddenly heard a loud noise, followed by a flustered voice came in.

"Mr. Qiao, it's not good. Wang Fan, Wang Fan has come in!"

Chapter 1262

Wang Fansha came in?

Joe's heart sank as he listened.

How long has it been? Have ten dogs and five hundred elites been solved?

He's unbelievable.

He forced himself to calm down, "you don't panic, this is my Qiao family, important people, people, guns, Wang Fan kill in, what's to be afraid of?"

Qiao Zheng leisurely issued an order, "you immediately inform to go down, let all people out to kill Wang Fan, be sure to leave his life, I go to the study first, come right away."

Qiao Zheng knew that Qiao's family was over, and he had the idea of running away immediately.

But he can't show it, because once he shows it, the people below will be in chaos, and once the people below are in chaos, it will be more difficult for him to stop Wang Fan, and it will be more difficult for him to leave.

"Yes Seeing that Joe was so calm, the young man finally relaxed a little. He answered and immediately went down to make arrangements.

When Qiao Zheng saw that the young man had left, he rushed to the study immediately.

He needs to get out of here as soon as possible.

Outside Qiao's house, there was a complete mess.

Countless Qiao elite come forward one after another, but they can't stop Wang Fan's pace.

Wang fan made great progress all the way.

Qiao's family laid ambush on him twice, which had already aroused his anger, so he killed Qiao's family directly. Only in this way can we solve the problem once and for all.

Come on!

Wang Fan cut off, and eight Qiao elite body head division, blood will be the ground are stained red.

Wang fan is a step forward, and indifferent mouth, "I'm looking for Qiao Zheng, don't want to die on me get away, otherwise, kill no amnesty!"

"Ten vicious dogs, five hundred elite, have been slaughtered by me. Can you stop me?"

At the moment of speaking, Wang Fan's left hand suddenly shot at his side. A young man who wanted to shoot and attack Wang Fan was killed completely before the insurance was pulled.

Those Qiao elite looking at this scene, is simply pupil shrinkage, bursts of panic.

Powerful!

It's so powerful!

Pervert!

What a pervert!

Wang fan is not only powerful, but also has eyes all over his body. As long as anyone dares to try to shoot, he will solve the other party at the first time, which makes the shooters dare not continue to act rashly.

It's hard for them to believe that there are such powerful people in the world. Even if they have sharp skills, their shooting skills are appalling.

Looking at the fallen companions, they only felt the chill rising, and gradually had no courage to fight.

If there is not much difference in strength between the two sides, they can fight with knives and guns. But if there is such a big difference in strength between the two sides, they will die. How can they fight?

The crowd gradually dispersed out of a road, Wang Fan calmly walked in.

A young man hiding behind saw Wang Fan passing by, his eyes were cold, and he secretly picked up the gun in his hand.

Just as he pointed at Wang Fan, a sneer appeared in the corner of his mouth, and then he shot him without looking back.

Come on!

The gunfire resounded, the bullet accurately passed through the crowd gap, blasted into his eyebrows.

Plop!

The young man's gun fell to the ground and died.

Looking at this scene, those Qiao elite are more frightened, no longer have any idea of misconduct.

It's terrible. It's too terrible. They don't understand how Wang Fan knew the young man was going to attack.

You know, the young man was hiding behind the crowd, and Wang Fan was still facing him. Did Wang Fan have eyes behind him?

Wang Fan didn't go to see the dead young man. He was still moving forward slowly. At the same time, his spiritual power was scanning everyone.

Anyone who dares to do something wrong or try to shoot him in the cold will be killed immediately.

The scene of the terrible silence, for a time, only the sound of Wang Fan's footsteps.

At a certain moment, Wang Fan's face changed, his figure suddenly flashed, and he ran into the inner courtyard.

Because he noticed that a middle-aged man had entered the secret passage of a study. Wang Fan instantly realized that this man was mostly Qiao Zheng.

At this time, Qiao Zheng's heart is also extremely frightened. He even has no time to get the check and bond in the safe, so he directly enters the secret channel.

He only hopes that Qiao elite can block Wang Fan for ten minutes, as long as he can block Wang Fan for ten minutes, then he can leave Qiao's home calmly.

This secret road was built secretly by someone he had found at the beginning, and the whole Qiao family knew only two people. One is him, the other is Joe.

Even the people who built the cableway have been secretly dealt with by him.

He thought he would never use this secret way in his life, but he didn't expect that he would use it today. When Wang Fan enters the study, Qiao Zheng has already entered the secret way.

He did not follow, but ran out of the study, ran in a direction.

Because he was pleasantly surprised to find that even if he was outside, his mental power could sweep to the secret Road, and sweep to Qiao Zheng in the secret road. That is to say, all he has to do is follow Qiao Zheng outside.

As for why Wang Fan didn't enter the secret passage, it was because he was afraid of any mechanism or

bomb in the secret passage.

Although up to now, Wang Fan has not found a mechanism bomb in the secret passage, what if there is one? So he didn't dare to go in.

Ten minutes later, in a hidden corner on the back hill of Qiao's house, Qiao came out with a surprise.

Thank goodness, I finally escaped. It's safe here, isn't it?

He took a deep breath of the outside air, and then looked at the direction of Qiao's family viciously, "Wang Fan, today's revenge I Qiao just remember, you wait, one day, I Qiao will come back, find you wang fan to revenge this blood!"

His face was extremely ferocious, and his voice was filled with monstrous hatred.

Qiao family is his hard work. How can he be reconciled to being destroyed like this?

He vowed not to kill Wang Fan, not to avenge him, not to be a man!

Just, Qiao Zheng's voice just fell, a cold voice came over, "Oh, yeah, I'm sorry, I'm afraid you don't have a chance to revenge."

Joe is listening to this sudden voice, almost did not scare the coma past, he couldn't help but hit a smart, immediately see behind him don't know when a person appeared.

"Wang, Wang Fan?" Joe's face changed. "You, why are you here?"

Although he has not seen Wang Fan himself, he has seen Wang Fan's photos.

His heart is also set off a storm, he can't figure out why Wang Fan appears here, how does Wang Fan know that Qiao family has a secret passage, and the secret passage exit is still here?

"You can be here. Why can't I be here?"

Wang Fan sneered, "Qiao Zheng, originally I didn't want to trouble your Qiao family, but your Qiao family wanted to kill me twice, so no wonder I did."

Wang Fan said, raised the gun in the hand, "everything is over, remember next life don't provoke me again!"

Joe is facing the black muzzle, face crazy change, "don't kill me, I can give you money, I can give you."

"No need." Wang Fan cold spit out three words, and then did not hesitate to pull the trigger.

Come on!

Shot, a wisp of blood from Joe's head shot, Joe is dead!

Chapter 1263

As soon as Joe is dead, his family will be dead.

It spread all over the city in less than two hours and caused a great sensation.

No one thought, strong as Qiao family, strong as Qiao Zheng, even said to be destroyed.

But no one dares to come out and share Qiao's cake at this time.

Because we all know that Qiao's family was destroyed because Qiao's domineering behavior offended Wang fananbao, and Wang fananbao probably did it.

Now that Wang fan'anbao hasn't come forward to speak, they go to fight for Qiao's cake. Isn't it a death?

They don't want to be the second Qiao family.

Hospitals.

"Bitch, I asked you to take off your clothes. Can't you hear me? Do you dare not listen to me if I can't move? Do you want me to ask someone to come in and strip you of your clothes and force you? "

Joe is barking at a little nurse.

He's going crazy these days at the hospital.

Hands can't move, feet can't move, let alone looking for a woman, even eating and drinking Lasa is a problem. He was just fed up with this kind of day, even his character began to become a little distorted.

Over the past few days, he always takes these little nurses out and asks them to perform for him. Although these little nurses resented, they did not dare to resist. They had to be submissive.

But today, the little nurses who had never dared to resist all started to resist, which immediately made him a little unbearable. If he could not move his hand, I'm afraid he would have slapped him.

The little nurse listened to Joe's bossy words and gave him a cold smile. She slapped him in the face. "You beast, I've had enough of you."

"Do you think the current Qiao family is still the former Qiao family, and you are still the former you? I tell you, your father Joe is dead, and there's no Joe's family. "

"I estimate that you will be driven out of the hospital soon, and you will live worse than a beggar."

The little nurse said angrily, as if she couldn't get rid of her anger, and slapped Joe in the face for several times.

When Qiao's family was in power, she couldn't make Joe domineering. Even if Joe's domineering is just a waste, she will have to accept it. But now Qiao's family is gone. Qiao's domineering is a waste. What else is she afraid of?

If it wasn't for the fact that it would be illegal and cheap to kill Joe, she would have killed him with a knife.

"You, you dare to hit me?" Joe domineering rage, but he just called out five words, the little nurse has once again slapped him in the face.

"What's the matter with you? I'll fight you. What can you do to me? You're a waste. You're doomed to be a waste for the rest of your life

Whoa!

Joe is domineering gas of direct one mouthful old blood spurted out.

When did a nurse dare to beat him and humiliate him?

He just felt some Qi and blood attacking his heart.

But soon Joe's domineering spirit returned, "what do you say, my father died, Qiao's family was destroyed? How is that possible? Who did it? "

He can't accept the fact.

The little nurse didn't speak, just looked at him sarcastically.

Joe domineering aware of the little nurse's sarcastic eyes, directly can not help but a mouthful of blood, and then crazy called people, "come on, come on!"

He wants to see if Qiao's elite is still there. If he is, he will ask those elite to help clean up the little nurse, and then take him away.

If not, he didn't dare to think about it.

But soon, Joe despaired, there was no movement outside.

Little nurse is there sneer, "you don't shout, even if you shout broken throat, those people can't hear."

"Qiao's family has been destroyed. They have already run away. How dare they stay here? What's more, if they are here, do you think I dare to beat you? It seems that you are not only physically disabled, but also mentally disabled. "

The little nurse said, another big mouth on Joe's domineering face.

This devil like guy tortured her so much, but now she just slapped each other. It's nothing.

Qiao domineering did not roar this time, just looked at the ceiling without eyes.

He was desperate, he wanted to die, but he was sad to find that he could not even die.

Bite your tongue and commit suicide?

Are you kidding? I don't know if he can die after biting his tongue. Even if it's painful, he can't bear it.

"Ha ha, Qiao Shao, how are you? Long time no see. How are you?"

"Qiao Shao, when I heard you were in the hospital, my brother really missed you. Is that ok?"

"Qiao Shao, at the beginning, you were very kind to others. They still remember it clearly. How do you think they should repay you?"

At a certain moment, a few voices came from outside the ward, and then a group of young men and women pushed open the door and came in. The tone of these young men and women is sarcastic, the expression is joking, it is obvious that the comer is not good.

Looking at these people, the little nurse didn't dare to talk nonsense and left the ward with her head down.

She's just a little girl. She can't make a fuss.

"You, you?" Joe's domineering face was instantly ugly, these people were the guys he had stepped on, and one of the women was forced by him several times.

Now this group of people come here, obviously they are not good at it.

At last, he realized what it means to do evil by himself.

When the young men and women saw the little nurse go out, they locked the door and went step by step to Joe.

Ten minutes later, Joe fell overbearing from upstairs and died on the spot.

Wang Fan originally planned to go to the hospital to solve the problem of Qiao domineering, but he did not expect that Qiao domineering had died when he went.

He sighed in secret that good is rewarded and evil is rewarded, and then left the hospital.

Without the threat of the Qiao family, the next day, Dai Yuying and her party went back to the city. While rebuilding Wang fan'anbao, they encroached on the Qiao family's industry.

Although other families in Guocheng were jealous, they didn't dare to say anything more. On the contrary, they came one after another to make friends.

After the Qiao family incident, everyone has already known the strength of Wang fananbao. Naturally, they dare not offend him.

With a large amount of money, Wang Fan's security was rebuilt again in less than a month, and Qiao's industry was also eroded.

Land, bonds, stocks, gold, Qiao's more than 50 billion all fall into the name of Wang Fan group.

Wang Fan only received 70% of the Qiao family's property, and the remaining 30% he gave to other families in Guocheng.

There is no way to do this. If Wang Fan group wants to have a foothold in Guocheng, it can't do everything completely. What should be allowed is still to be allowed.

Otherwise, once it arouses resentment from other families in the city, and all families unite to resist, Wang fan'anbao will be unable to do anything.

Wang Fan stayed in the city for more than a month. On this day, he was eating when he suddenly received a call from the night. Ye Nantian asked him to enter Beijing.

Night did not say what it was, Wang Fan did not ask, simply cleaned up, that night boarded the plane to the capital.

He vaguely felt that there must be something important for ye Nantian to find him, but he didn't know what it was.

Chapter 1264

"Shiya! Poetry is elegant

"Goddess! Goddess

"I love you! I love you

As soon as Wang Fan walked out of the airport, he heard a sound like a tsunami. He looked up and saw that countless people were holding up signs or posters, looking at one of the directions roaring.

Wang Fan looked at the scene, could not help but look for a while, immediately turned to follow the past.

It's not that he pursues stars, it's really because he is too familiar with the woman on the poster. It's Lin Shiya.

Sure enough, when Wang Fan turned to look, he immediately saw that a woman in sunglasses and black clothes came out surrounded by a group of bodyguards.

The woman's black hair was draped over her shoulders, and her high-heeled shoes were trampling on the ground, full of air.

Maybe the sunglasses covered most of her face, which made her look very cold.

Wang Fan only needs to have a look to know that this woman is Lin Shiya.

He did not expect, just a short time, Lin Shiya had such a high popularity, and temperament has such a big change.

"Shiya, I'm your most loyal fan. Can you give me an autograph?"

"Shiya, I love you. I love you so much. Can you take a picture with me?"

"Shiya"

when those fans saw Lin Shiya approaching, they rushed up regardless.

Their eyes are very hot, as if to see the idol.

Lin Shiya smiles and waves to those fans, but he never speaks.

It's just that the bodyguards are a little overbearing.

"Get out of the way, get out of the way!"

They roared and pushed away the fans, as if they were afraid that the fans would get in the way of Lin Shiya.

Wang Fan looked at this scene, can not help but frown, these bodyguards attitude is too bad, right?

His mental power quickly swept on Lin Shiya's face, but he saw that there was a sense of helplessness on Lin Shiya's face.

Wang Fan immediately realized something was wrong. Why is Lin Shiya helpless? Is it difficult that these bodyguards have problems?

However, he did not have much to do, but slowly followed. In this case, it is obviously inappropriate for him to go to Lin Shiya. After all, there are too many people around him.

The bodyguard and his party soon walked out of the airport with Lin Shiya and came to a black Mercedes Benz.

A bodyguard respectfully opened the door, and then Lin Shiya was very helpless to sit on it.

Wang Fan swept the Mercedes Benz, and immediately found that in addition to the driver, there was a young man in the car. The young man had a tall eyebrow and a proud look. At first glance, he was a master with a rather complicated identity.

After Lin Shiya got on the bus, the young man looked at Lin Shiya with a smile and ordered the driver to drive.

Wang Fan didn't dare to neglect, so he took a taxi and followed quickly. At the same time, his mental strength was sweeping them all the time.

He wants to see what's going on. If Lin Shiya really likes this young man, he will be uncomfortable, but he won't say anything more. He will only wish Lin Shiya happiness. After all, the way he got Lin Shiya was not very glorious.

But if Lin Shiya has any difficulties, is threatened or threatened, then don't blame him Wang Fan.

Because Wang fan is really hard to accept, this just a short time, Lin Shiya betrayed him.

More than an hour later, the Mercedes Benz stopped at the door of a high-end club. The young man took Lin Shiya in, and the bodyguards followed respectfully.

Wang Fan looked at this scene and followed in without hesitation, but just as he got to the gate, he was stopped by the security guard.

"Hello, sir. Please show me your membership card." Although the guard's tone was respectful, his eyes were obviously alert.

Because Wang fan is not like the people who can go in and out of the club.

Wang Fan immediately some depressed, he can't help pointing to the front with Lin Shiya into the youth, "how can you only stop me not stop them ah, I didn't see them show their membership card."

The security guard listened to Wang Fan's words, and his voice immediately cooled down. "That's Wu Shao of the Wu family. He often goes in and out of here, so he doesn't need to show it."

In other words, people's faces can already be used as cards.

Wang Fan sighed helplessly, "then I want to ask, how much does a card cost?"

He doesn't want to embarrass the security guard or make trouble here for no reason, so he can only ask like this.

Because he had to go into the club. He wanted to see why Lin Shiya was with the young man, whether he was willing or in trouble.

"Ordinary card 1 million, silver card 2 million, gold card 5 million, diamond card 10 million." The security guard said calmly, but in the depth of his eyes, he was scornful.

He didn't believe that people like Wang Fan could afford the card.

"Well, take me in now, and I'll get a diamond card." Wang Fan did not want to say. From the security guard's attitude towards Wu Shao, he already knew that it was impossible for him to enter the floor of Wu Shao's office with an ordinary card, so he could only get a senior one.

Although the security guard didn't believe that Wang Fan could handle the diamond card, he didn't say anything more. Instead, he took Wang Fan in.

Ten minutes later, in the shocked eyes of the security guard, Wang Fan had already finished the diamond card with 10 million, and the beautiful and sexy lobby manager also welcomed him personally.

"Hello, sir. Congratulations on becoming a valuable diamond card user in our club. Are you alone? I'll take you up now."

The voice of the lobby manager is very sweet. When he speaks, his eyes are still flowing. The charming calming mind is just like an electric discharge, stirring up people's mind.

Wang Fan took a look at the hall manager and sighed that the club really knows how to use people, but he waved his hand and said, "thank you. No, I can go up by myself."

He said, and went straight to the elevator,

now he is worried about Lin Shiya's situation. Where can he have time to talk nonsense with manager fox?

Fox manager Leng for a while, obviously did not expect the first time to come, there is only one person Wang Fan, unexpectedly do not need people to take.

She couldn't help looking at Wang Fan doubtfully, and then looked at the security guard who came in with Wang Fan.

The security guard saw the manager looking at him and blushed. He quickly lowered his head and said, "he came in after Wu Shao. I suspect he followed Wu Shao."

As a club security guard, although he can earn \$18000 a month, compared with the manager who earns \$1 million a year, it's far worse, so he feels a little shorter.

"Follow Wu Shao to come in, also specially did a diamond card?" Foxy manager's eyes are more confused. Is it too big?

She quickly waved her hand. "Well, I see. Go ahead."

Said, she pinched out the mobile phone, quickly ran to the corner to dial a phone, "Hello, Meng Shao, I have something to report to you."

Wang Fan soon followed him to the ninth floor, but instead of going to the box where Lin Shiya and the youth were, he sat down in the adjacent box.

He wants to see what they say before he makes plans.

Although the sound insulation effect of this box is better, Wang fan can still hear what the two people are talking about because it is not far away.

Even if two people's voices are small, he can't hear them. He has mental power, and he can talk to each other.

Chapter 1265

Lin Shiya followed Mo Xiaogang to the box. Looking at the ambiguous atmosphere of the box, she could not help frowning.

"No less, I've come here with you. Can you let my sister go first. As a famous young man in Beijing, are you bullying our weak sisters now? Is that too much? "

Lin Shiya took off her sunglasses and looked at Mo Xiaogang. She said angrily.

Mo Xiaogang is the only son of the great director Mo Dagang. When he saw Lin Shiya at a banquet, he was shocked and launched a crazy pursuit.

Lin Shiya didn't like Mo Xiaogang. Naturally, she refused him completely, even ignored him directly.

But Mo Xiaogang is reluctant, not only secretly bribed and controlled Lin Shiya bodyguards, but also took Lin Shiya's sister began to threaten.

Lin Shiya once wanted to call Wang Fan for help, but she finally got rid of the idea.

She didn't want to rely on Wang Fan for everything, because that would make her very incompetent, and she would feel inferior.

"Don't worry. Let's have dinner first and finish it later. Don't worry, I said that as long as you accompany me to finish this meal, I will let your sister go, and I won't pester you any more. I'm Mo Xiaogang. I'll do what I say. "

Mo Xiaogang took the wine in front of him and drank it slowly.

When talking, his eyes are always sweeping on Lin Shiya.

Looking at Lin Shiya's proud body, pure and charming face, he only felt a touch of evil fire rising from the bottom of his heart.

Lin Shiya is a new rising star recently. Her two songs are popular all over the country, and her fame is close to that of the four little Huadan.

She is a pure and weak image in public, so she is very popular with fans.

Mo Xiaogang, after taking a fancy to Lin Shiya, used all means to get it, but unfortunately Lin Shiya was not moved, which made him angry, but also aroused the desire to conquer.

Tonight is his last appointment with Lin Shiya. If Lin Shiya doesn't compromise, don't blame him for being rude.

Lin Shiya listened to Mo Xiaogang's words, his eyes flashed a touch of impatience, but he didn't speak, so he could only sit there with patience.

"Lin Shiya, Mo Xiaogang is sincere to you. Don't you really think about it? As you know, my father is a famous director, and my family plays an important role in the film and television industry. "

"I promise you, as long as you follow me, I guarantee that you will be more than four little girls in one year and become the queen of film and song in three years."

"When you mix in the entertainment industry, you just want to be successful. Now that you have such a good opportunity, why don't you make good use of it?"

The more Mo Xiaogang saw Lin Shiya, the more he liked her. He tasted red wine slowly and followed the lure.

Lin Shiya didn't drink, but looked at Mo Xiaogang and said faintly, "Mo Shao, I have said countless times that I have a boyfriend, and I won't like other men any more. Why don't you believe it?"

"What's more, even if I want to be successful and prosperous, I just want to do it through my own efforts. If I'm allowed to sell my body, I'd rather quit the entertainment industry."

Lin Shiya's heart is very sad. Although she has worked hard and made some achievements, she did not expect that she was still a mole ant in front of these young people.

In the face of other people's threat, she is still helpless, helpless.

Listening to Lin Shiya's words, Mo Xiaogang couldn't help sneering, "do you have a boyfriend? Why don't I know?"

"How come I haven't seen your boyfriend in such a long time? Don't say he's too busy to see you."

He has been impatient, "I tell you, Mo Xiaogang see you, that's your persuasion, if you know interest, I can also get you, give you what you want."

"But if you don't know what's interesting, believe it or not, I can hide you in a month, and still get you?"

Although Mo Xiaogang wanted to persuade Lin Shiya to compromise, he was still impatient with Lin Shiya, who did not accept oil and salt.

Especially when he heard that Lin Shiya had a boyfriend, he had a nameless fire in his heart. If he refused, he would refuse. Is it interesting to make up a boyfriend? Is it hard for Mo Xiaogang to be so miserable?

Lin Shiya suddenly wants to cry.

She really wants to say that Wang fan is really busy, busy have no time to see her, but she can't say this.

She couldn't help but stand up. "It seems that we don't need to continue talking. I'll go first."

She pointed to Mo Xiaogang, "Mo Xiaogang, I've endured you for several months. I advise you that if you don't want something to happen to your Mo family, you'd better let my sister go and stop pestering me, otherwise you can't afford the consequences."

Lin Shiya finished, no longer lazy to continue nonsense, turned away.

She has made up her mind to tell Wang Fan about it when she goes back.

Although she doesn't want to rely on Wang Fan, who can she rely on if she doesn't?

"Ha ha, threaten me?" Mo Xiaogang laughs, "what ability do you have to threaten me as an actor?" He suddenly rushed out and grabbed Lin Shiya with one hand. At the same time, he roared, "if you want to go, it's so easy to come here. Do you think you can still go?"

"I won't let your sister go. What's the matter? Not only will I not let her go, but I will strengthen you here. I'll see what happens. "

Lin Shiya's heart sank as she listened to this, but she didn't panic at all.

When Mo Xiaogang grabs her back, she raises her right hand and presses it on Mo Xiaogang's wrist. Then she spins and twists!

"Ah Mo Xiaogang immediately issued a scream, arm was twisted pain, the whole person pain bow down.

The next second, Lin Shiya has suddenly turned back, right leg a pull a top, click, knee dead knock in Mo Xiaogang chin.

Mo Xiaogang fell to the ground like a dog and looked at Lin Shiya in surprise. His expression was like seeing a ghost.

How could Lin Shiya have such skill? Why didn't he know?

Lin Shiya took a cold look at Mo Xiaogang. Without any nonsense, she turned around and left.

She must leave here as soon as possible, otherwise, once Mo Xiaogang's bodyguard stops her, she will be in trouble.

Although she has practiced for several times, she can only deal with such dandies as Mo Xiaogang. If she fights with those bodyguards, she will still suffer.

"Bitch, if you dare to touch me, you're going to die!" Mo Xiaogang looked at Lin Shiya who strode away. His face suddenly became ferocious and began to roar madly, "come on, let's catch that bitch."

With his voice, hula, there were five bodyguards outside in an instant.

"Mo Shao, Mo Shao, are you all right?" After the five bodyguards came in, they ran to Mo Xiaogang who fell on the ground, while the remaining three were all pressed towards Lin Shiya.

Lin Shiya looked at the murderous three bodyguards, his heart only sank.

She didn't expect that Mo Xiaogang would be so crazy that she would be attacked tonight.

Thinking, a bodyguard has been close to Lin Shiya, a capture hand attack.

As soon as Lin Shiya's face changed, she stepped back two steps. Her right hand suddenly raised. While her wrist was aiming at the bodyguard, her left hand immediately pressed a small button.

Whoosh.

A small silver needle with ox hair flew out and directly penetrated into the bodyguard's chest. The bodyguard fell back three steps and then fell down.

Chapter 1266

The other two bodyguards looked at the scene, and their backs were chilly. They didn't expect that Lin Shiya, who was delicate and weak, had such means.

"What a cunning woman! She dares to use concealed weapons!" One of the bodyguards yelled, moved his steps, and immediately ran to Lin Shiya.

While he was running, he was still staring at Lin Shiya, especially at her wrist.

Lin Shiya didn't speak, but she kept retreating with a gloomy face, and her whole heart sank to the bottom.

She knew that she was really going to fail today. She really didn't expect that Mo Xiaogang would go crazy.

Her hidden weapon can hurt people by surprise, but now that the other party has noticed her hidden weapon, it is not so easy for her to hurt people again.

In the blink of an eye, the bodyguard was close to Lin Shiya, and then a sweeping leg kicked Lin Shiya in the waist.

As soon as Lin Shiya's face changed, she fell down. Her whole body was almost 90 degrees on the ground.

The bodyguard's right leg is close to Lin Shiya's head. The cold wind makes Lin Shiya sweat.

After dodging the bodyguard's right leg, Lin Shiya jumped up and kicked the bodyguard's chest.

Originally, it was impossible for Lin Shiya to kick the bodyguard, because the bodyguard didn't expect that his leg would fall, so he was a little stunned.

In this way, his reaction was a little slow, so that Lin Shiya's right foot was precisely on his chest.

But to Lin Shiya's horror, her foot not only didn't overturn the bodyguard, but also shocked her back three steps.

Her heart is deeper, the gap between the two sides is too big, how can she fight?

The bodyguard was kicked by Lin Shiya. Although he was not injured, he still felt a pain.

In particular, the thought of a petite little star even can kick himself, he is simply bursts of anger.

It's a shame!

"Little bitch, you want to die!" He roared wildly, and then rushed to Lin Shiya like a wolf.

Over there, Mo Xiaogang has already slowed down and started to roar, "take her for me, take her for me!"

"Today, benshao must teach her how to be a human being. Benshao must let her know and dare to fight benshao! Damn it, don't you dare to move Ben Shao. Ben Shao won't spare this bitch! "

It's all over the place.

Lin Shiya did not speak, but turned pale and retreated.

But no matter how fast she was, where was the bodyguard? Just in a moment, the bodyguard came close to Lin Shiya and shot out.

Looking at the fist like the shell, Lin Shiya can only try to resist with her arms, but where can she stop it?

Bang, the bodyguard's fists pressed her arms directly to her chest, and she felt a pain in her mouth, and she couldn't help spitting out a mouthful of blood.

Lin Shiya stepped back three steps, and then she could not help sitting down on the ground.

She stares at Mo Xiaogang, stares at the bodyguard, grits her teeth and says, "you will regret it, you will regret it. If you dare to move me, my boyfriend will never let you go."

She didn't despair, she didn't fear, she didn't scream, she didn't roar.

Her voice was calm, but there was a touch of ferocity in it.

"Your boyfriend? Regret? " Mo Xiaogang got up and couldn't help laughing, "others, you let him out, I want to see how he made me regret it!"

Mo Xiaogang points Lin Shiya crazily, "smelly bitch, dare to beat me, I'll make you regret it now!"

Mo Xiaogang said, reached out to pull to Lin Shiya clothes.

But before his hand touched Lin Shiya's clothes, suddenly, with a bang, the box door was kicked open, and then Wang Fan ran in with a look of Xiaosha.

This sudden scene makes Mo Xiaogang startled, can't help but turn to look at the past.

When he saw Wang Fan, he was stunned for a moment, and then roared crazily, "who the hell are you, who let you in? Do you want to die?"

Mo Xiaogang is almost crazy. Someone dares to break into his box. At this critical moment, it's unbearable.

"You're looking for me, so I'm here." Wang Fan's face is gloomy and terrible. As he says it, he walks slowly towards Mo Xiaogang.

This scum beast, even want to use Lin Shiya strong, it is to seek death!

Wang fan is a little angry!

"I'm looking for you?" Mo Xiaogang is more angry than Wang Fan, "do I know you? When do I want to see you? "

He pointed to Wang Fan crazily and gave an order to the other four bodyguards, "maim him for me!"

"Yes

Four bodyguards listen to this, without hesitation toward Wang Fan rushed past. Wang Fan looked at the four bodyguards, disdaining to sneer, his right hand suddenly grasp, directly grasp one of the arms, force to swing out!

Whoosh!

The man was blown out like a sandbag in an instant. While his arm was abruptly pulled off, his body hit the wall and then fell to the ground, spitting blood in his mouth and could not get up again.

Wang Fan overturned the bodyguard, did not even look at him, a blow, straight and another bodyguard's fist collided.

Bang!

Click!

With two loud noises, the bodyguard's arm was smashed in an instant and immediately fell off.

He flew six or seven meters and fell to the ground with a dead face.

"You're looking for her boyfriend. I'm her boyfriend." Wang Fan said indifferently and kicked out again.

The last two bodyguards couldn't even react, so they were kicked by Wang Fan and flew to the round table in the middle.

Wow.

The huge round table was smashed and they could not get up after falling to the ground.

Mo Xiaogang has been completely stupid. Who is this person and how can he be so powerful?

Wait, he said it was Lin Shiya's boyfriend. Is that true?

Mo Xiaogang set off a storm in his heart. He never thought that the four bodyguards hired at a high price would be so unbearable in front of Wang Fan. They are no different from paper men.

Wang Fan walked up to Mo Xiaogang, slapped him in the face and asked coldly, "come on, how do you want to die? Even my women dare to touch. Who gives you courage? "

Mo Xiaogang felt the burning pain on his face, and finally came back to himself, "dare you move me? I'm Mo Xiaogang, and my father is Mo Dagang. If you move me, you'll die! "

He is almost crazy, because he really can't accept being beaten in the face by Wang Fan.

"Threaten me?" Wang Fan's eyebrows picked up, slapped Mo Xiaogang's face again, then pinched out his mobile phone and handed it to him, "come on, call your dad, I want to see how he makes me die!"

Mo Xiaogang was shocked. Who is this? Is there such a crazy one?

"Good, good, you have seed, you wait for me!" He took a hard look at Wang Fan, there was no more nonsense, and immediately took the phone and dialed modagang.

Chapter 1267

Another top club in Beijing, a luxury box, more than a dozen people are eating and drinking around a round table.

If someone is here, you can definitely recognize that these dozen people, either first-line stars or big men in the entertainment industry, all play an important role in the entertainment industry.

Sitting on the throne is a bald man in his fifties. He has a square face and small eyes. He looks very

elegant.

On his left and right sides sat two red and purple actresses, but the two actresses in front of him were very formal and careful.

Their faces also show a flattering smile, contrary to the usual image of Gao Leng in front of the screen.

Not only the two actresses, but also more than a dozen big men in the entertainment industry are very respectful to the bald man.

Because this person is not others, it is the existence of Godfather level in the entertainment industry.

In this circle, Mo Dagang is the same as the emperor. He wants to win the favor and kill the one. That's a matter of one sentence.

Diddidi!

Just as they were talking and laughing, a sharp ring of mobile phone suddenly rang.

Then a actress sitting on the edge of the corner stood up in a hurry, pale pinched out the mobile phone, mouth also repeatedly apologized, "sorry, sorry, I didn't expect someone to call me."

She said in a flurry, while scrambling to shut down.

Although she is a first-line movie star, or even the existence of the film level, but here, she is really nothing.

As long as these bosses are upset, within three months, she will still be banned from snow hiding, with no drama to shoot, no advertising to answer and no endorsement to do, so she doesn't dare to answer the phone at all.

Mo da just looked at the actress and immediately frowned.

Just a frown in her eyes, the actress's heart is a click, the whole heart instantly sank to the bottom.

But before she could say anything, a middle-aged man sitting next to him had suddenly stood up and slapped her in the face.

Don't you know what occasion it is? Even if we have to turn off, how dare you turn it on? "

"Do you think that if you have a little fame and achievements recently, you can be proud, and you can not pay attention to Mo Lao and us here?"

The man said, while slapping a few more, which does not count, he also grabbed the actress mobile

phone, threw it on the ground, with his feet crushed.

The actress was knocked to the ground, almost desperate, tears mixed with blood left, instantly became miserable.

But she did not dare to refute, but quickly knelt to climb to the foot of Mo Dagang, hugged Mo Dagang's leg, "Mo Lao, I'm sorry, I'm wrong, you can bypass me this time."

"On your knees." Mo old light looked at the actress one eye, spit out two words in the mouth, ignore.

The actress didn't dare to retort, so she knelt there.

The rest of the movie stars looked at this scene, their hearts were also clattering, they quickly became more careful, and secretly checked their mobile phones.

Drop by drop.

But the actress knelt for less than three minutes, then suddenly a mobile phone ring again.

This time, without waiting for Mo Dagang to speak, the man who beat the actress just stood up and said, "which one doesn't have eyes and doesn't turn off the power?"

Moda just coldly looked at the man and slowly pinched out the mobile phone.

The man immediately came down in a cold sweat. He did not dare to talk nonsense any more and sat down on pins and needles.

With Mo Da Gang on the phone, the whole box suddenly became silent, and no one dared to talk, speak or even gasp.

"Dad, I was beaten." A shrill voice came out from the mobile phone, and stood up immediately.

His face suddenly became gloomy, his voice became cold, "what's the matter, you slowly say, and, where are you now?"

Three minutes later, Moda just hung up. Without saying a word, he left the box angrily.

The dozen people wanted to ask what happened and whether they wanted to help, but looking at Mo Dagang's angry expression, no one dared to ask more.

Moda just left, immediately toward the club where Wang Fan ran in the past.

He was so angry in his heart that he didn't expect anyone to touch his son Mo Xiaogang. What makes him most angry is that the man who beat his son Mo Xiaogang was a little star's boyfriend.

It's just a groundbreaking experience.

Doesn't that little star want to live?

In the entertainment industry, offending his family means self destruction?

Mo Dagang's anger can't be vented. His son has a crush on the little star, which is the conviction of the little star. Now the little star even dares to ask his boyfriend to beat his son, which makes him unbearable. He vowed in his heart that no matter who the other party was, he would let the other party be doomed.

When Mo da just rushed to Wang Fan's club, a Mercedes Benz slowly stopped at the door of the club.

Almost at the moment when the Benz stopped, all the security guards came respectfully. Except for one of them driving outside the door, the rest of them stood at attention.

Even the fox manager of the club came out with a respectful trot to meet Benz.

The door opened and a young man slowly stepped down from the car. All the security guards began to say hello respectfully.

"Meng Shao."

"Meng Shao."

Fox woman also came to the youth side, charming pretty face appeared obvious flattery, "Meng Shao, how did you come here in person?"

She was a little shocked. She was just afraid of something. She reported the situation of Wang Fan and Mo Xiaogang in advance, but she didn't expect that Meng Shaohui would come here in person.

You know, Meng Shao is not only the owner of the club, but also the helmsman of the Meng family, one of the eight.

Moreover, Meng Shao's relationship with Bai Zhao Dai's three families is still very strong. This kind of identity does not care about Mo Xiaogang at all.

She didn't expect Meng Shaohui to come.

"If I have nothing to do, I'll come and have a look." Meng Shao is very gentle and elegant, and has no airs.

With that, he couldn't help asking, "by the way, are they still in the club? Where are they, and who are

they? "

Fox manager respectfully facing Meng Shao, said, "they are all in the box, there are Mo Xiaogang, Lin Shiya, and Mo Xiaogang's five bodyguards."

Speaking of this, she seemed to think of something, "by the way, the young man who used to handle the diamond card with a large amount of money also went in. I think they have conflicts now."

"It's just that the sound insulation effect of the box is better, and they didn't disturb other guests outside, so I didn't send someone in."

Meng Shao listened to this, his eyelids couldn't help jumping, "who are you talking about? Lin Shiya? Who is Lin Shiya?"

He already had a bad feeling in his heart.

Fox manager, who is good at observing words and colors, also felt something was wrong and quickly said, "it's Lin Shiya, the newly rising movie star, who graduated from film and Television Academy not long ago."

"Lie back!" Meng Shao could not help but burst out a rude sentence, and his face changed greatly. "Mo Xiaogang of dog day dares to fight even Lin Shiya's idea. Is he looking for death? Where are they in the box? Take me there as soon as you can."

His heart has sunk to the bottom of the valley. Is it Wang Fan who is the great young man?

It's over. It's over. Lin Shiya has such a thing under his nose. He doesn't know if Wang Fan will blame him.

Chapter 1268

In the box, Wang Fan has already sat down with Lin Shiya, waiting for Mo Xiaogang.

Mo Xiaogang dares to bully Lin Shiya, and also tries to use strength, he will never let it go. Today, he is going to solve this problem once and for all, and trample Mo's father and son to death.

When Lin Shiya looks at Wang Fan, she feels that all this seems to be a dream.

She was afraid that it was just a dream, so she grabbed Wang Fan's hand and began to sob. As if only in this way, she could vent her grievances.

"I'm sorry, I didn't take care of you, so you were wronged." Wang Fan comforted Lin Shiya, "if you encounter this kind of thing in the future, you should call me as soon as possible. Why should you keep it from me?"

"What if I didn't happen to meet you at the airport and follow you here? You'll make me feel guilty for the rest of my life. "

Wang fan is really afraid. It can be said that if he did not meet Lin Shiya, the consequences would be unimaginable.

Once Lin Shiya is insulted, he will not have the courage to live.

"I'm sorry to worry you. I didn't expect that Mo Xiaogang would be so bold and dare to mess with me here. "

"And I also strengthened some Taekwondo, karate, Sanda and other exercises during this period of time. I don't think there will be any problem."

Lin Shiya sobbed and said in a helpless tone.

Wang Fan patted her fragrant shoulder, "well, don't cry. If you cry again, you won't be beautiful. Remember that if you encounter this kind of thing again in the future, call me in time."

"If you can't contact me, you can contact Meng Shaobai and them, and they will help you."

"Well." Lin Shiya sobbed and nodded.

Not far away Mo Xiaogang looked at the intimate action of the two people, and his eyes almost jumped out.

If he could, he would beat Wang Fan first, and then he would attack Lin Shiya in front of Wang Fan. He wanted to tell the two men and women the price of showing their love in front of Mo Xiaogang.

It's a pity that now, let alone going forward to do it, it's even a problem for him to stand up.

"Be proud, let you be proud first. When my father comes, you will suffer. I will make you die."

Mo Xiaogang angrily looked at the two, the bottom of his heart issued a vicious roar.

Wang Fan noticed Mo Xiaogang's venomous and angry eyes. He could not help but frown and slapped them down.

"you'd better not look at us like this, or I'll dig your eyes directly."

Wang Fan's heart is very upset, Mo Xiaogang so treat Lin Shiya, he has not under the ruthless hand, Mo Xiaogang even first angry up, this is what kind of truth?

Mo Xiaogang is simply trembling with anger. He didn't expect that he just looked at them viciously, and

Wang Fan came and slapped him two times. Is that too fuckin 'bullying?

"You, you." He stared at Wang Fan shaking, just say two words, can no longer help a mouthful of blood spray out.

It was infuriated.

Wang Fan frowned and clapped his hands again. Then he asked, "what are you doing? Call me again and ask your dead father how long he'll be here. "

"I'm very busy, but I don't have much time to wait for him. You tell him to hurry up. He has something to do after I step on it. "

Mo Xiaogang is really mad. He's never seen Wang fan so mad before.

It's clear that he didn't pay attention to his father at all.

But even if he was angry again, Mo Xiaogang still pinched out his mobile phone and dialed Mo Dagang.

He was afraid that if he didn't make the call, Wang Fan would slap him twice.

At the door of the club.

Sobbing.

With a screeching sound of the car engine, a black Bentley tire rubbed against the ground and stopped.

The door opened and Mo Dagang got out of the car with a gloomy face.

After he got off the car, without any nonsense, he ran straight into the club.

But before he went in, he received a call from Mo Xiaogang.

Listening to Mo Xiaogang's miserable voice and the tone of crying on the phone, he was so angry that he broke his cell phone into several parts.

"What an arrogant guy! I just want to see what you are. How dare you insult my father and son!"

Mo Dagang roared angrily and sped into the club.

When the security guards saw Mo Dagang, they didn't dare to stop him.

Although Mo Dagang is not a regular here, he has also been here. They all know the identity of Mo Dagang.

In the box.

Mo Xiaogang hung up the phone, did not look at Wang Fan, biting his teeth, whispered, "he has been outside the door, will be there soon."

His voice has recovered some confidence. When his father comes, his field can be found. If it wasn't for Wang Fan's ruthlessness, and without reason, he would have begun to threaten Wang Fan.

"That's good. I'll save him more time." Wang Fan said indifferently, and then sat down.

Mo Xiaogang looked at Wang fan that does not care about the appearance, some angry at the same time, the heart is also can not help but began to murmur.

Is it difficult for Wang Fan to rely on his father?

It's just that he has seen the young generation in the four or nine cities and all those dignified people. Why hasn't he heard of Wang Fan?

He couldn't help thinking about it. With a hula, the door of the box was pushed open. Then Meng Shao, manager Hu Mei and two bodyguards came in.

Mo Xiaogang see Meng Shao and that Fox manager, the facial expression is a change at first, then immediately ran to the past, "Meng Shao, you can make the decision for me."

He pointed to Wang Fan and began to accuse him fiercely, "as a diamond card member here, I'm spending well in the box. Someone broke in and beat me like this. You must punish such a person severely!"

Mo Xiaogang didn't know that Meng Shao came here because of Lin Shiya. He thought Meng Shao knew what happened in the box, so he came here in a hurry.

In Mo Xiaogang's opinion, whether his father can step on Wang fan or not, Meng Shao should be more than enough to step on Wang Fan, right?

The most important thing is that he is a diamond card member here. He has consumed at least 100 million yuan this year. Meng Shao should face him, not Wang Fan.

Wang Fan took a look at Mo Xiaogang like a clown, then gave Meng Shao a cold look and turned his head away.

This Meng Shao is no other than Meng Qingyang.

Originally, Wang Fan was not very angry with Meng Qingyang, but Mo Xiaogang said that this club was

actually opened by Meng Qingyang, and he immediately got a little angry.

Lin Shiya in Meng Qingyang site out of such a thing, Meng Qingyang but now just know, how can he not angry?

He can make Meng Qingyang rise again, also can let Meng Qingyang have nothing.

Fox manager aware of Wang Fan's eyes, heart thump, has realized that Wang fan is not simple.

In 49 cities, few people dare to treat Meng Qingyang with this kind of attitude.

If Wang Fan dares to do so, doesn't it mean that he is more powerful than Meng Qingyang?

Meng Qingyang's face is also slightly changed, he ignored Mo Xiaogang, but looked at Wang Fan and Lin Shiya.

At the moment when he saw them clearly, his heart thumped and his face turned white.

He didn't dare to talk nonsense at all. He ran to Wang Fan quickly. Without any hesitation, he knelt down and said, "Wang Shao, I'm sorry."

The whole box is dead in a moment!

Chapter 1269

No one thought that the noble and respected Meng Qingyang would kneel down to Wang Fan without even saying a word of nonsense.

Fox manager dead cover chest, face flushed looking at Wang Fan, shortness of breath, but even a word can't say.

In her heart, she congratulated herself that she didn't have a bad attitude to offend Wang Fan. Otherwise, if Wang Fan didn't clean her up, Meng Qingyang would not forgive her.

Mo Xiaogang's eyes are round, his mouth is open, and his face is shocked and incredible.

Why is Meng Qingyang kneeling down to Wang Fan in fear?

What's more, Meng Qingyang called Wang Fan Wang Shao. Why didn't he hear of which Wang Shao?

Wang Fan ignored everyone's shocked expression and stood up. "It's not your fault. You don't have to apologize to me."

He also looked at the magnificent box and said, "Meng Shao, you're doing well. How long has it taken to build such a big club? I should congratulate you."

Listening to Wang Fan's words, Meng Qingyang's heart sank. Without hesitation, he raised his hand and slapped him in the face. Then he said, "Wang Shao, you are hitting me in the face. I didn't take good care of Miss Lin. I didn't even know that this kind of thing happened to Miss Lin. it's my fault. I'm willing to be punished."

"As for this club, if you like, I can give it to you. I just hope you will forgive me this time. I swear that it will never happen again."

Meng Qingyang knew that he had to take a gesture, so he was very humble.

All that he has today is given to him by Wang Fan. It can be said that without Wang Fan, there would be no today for him.

If Wang fan is not happy with him, he doesn't need to do anything at all. I'm afraid it won't take him a month, and Meng Qingyang will be worse than a beggar.

At this time, Meng Qingyang hates Mo Xiaogang to death. He dares to attack Lin Shiya for his bad idea. Isn't he harming him?

A few months ago, Wang Fan killed all over the capital for Lin Shiya. Didn't Mo Xiaogang know that?

Wang Fan looked at the humble Meng Qingyang, just about to speak, but suddenly frowned, "you get up first, this matter will be discussed later."

"Ah?" Meng Qingyang opened his mouth and didn't understand what Wang Fan meant. He just looked at Wang Fan's fierce eyes and stood up.

Almost Meng Qingyang just stood up, an angry voice came in from the outside.

"Who dares to touch my son and challenge me? Stand up for me!"

With the roar, Mo Dagang ran in with anger on his face, followed by a bodyguard.

As soon as the roar of Mo Dagang fell, he saw Mo Xiaogang and Meng Qingyang standing in front of him.

"Meng Shao, you are also here. That's just right. I need you to give me an explanation." Mo Dagang's words are very sharp, "my son was beaten by you here. Do you want to give us justice when you are the boss?"

When Mo da just spoke, he already looked coldly at Wang Fan and Lin Shiya.

He didn't need to ask at all. He also knew that the arrogant guy was Wang Fan. The cause of the matter was Lin Shiya.

If the Meng family had no power, Mo Dagang would not dare to talk to Meng Qingyang like this, so he would speak directly.

But today's Meng family is no longer the former Meng family. Even if the present Meng family is still niucha, it can't be underestimated. He doesn't worry about Meng Qingyang any more.

Mo Dagang is also a man with a head and a face. He has a complicated relationship, and even has a good relationship with many young people. There is no need to be afraid of Meng Qingyang.

What's more, today's thing is that his son suffered a loss, and his son is the gold owner here.

As soon as you look at the clothes, you can see that Wang fan can't be a big man, and Lin Shiya is a star, which is even more out of fashion. Therefore, in his opinion, even if Meng Qingyang's brain is flooded, he can't stand on Wang Fan's side.

"Account?" Meng Qingyang was furious when he heard Mo Dagang's words. He almost killed himself. He even dared to ask himself what he wanted to explain?

He roared out two words, just about to go up and kick Mo Da Gang over, Wang Fan had already coldly said, "it's me who killed a thousand swords that moved your son, I've stood up."

"By the way, did your son tell you that I would not only move him, but also you? As for accountability, what kind of accountability do you want? "

Wang Fan said indifferently, had already walked to Mo Xiaogang side, ruthlessly stepped down.

Click!

Mo Xiaogang left arm was suddenly broken, in the intense pain stimulation, can not help but issued a shrill scream.

"You, you dare to touch my son?" Mo da just looked at this scene. He was so angry!

Arrogant, it is too arrogant, even dare to move his son in front of him, or directly ruthlessly abandoned his arm, he simply had the heart to kill Wang Fan.

"Move your son? What dare you do? Do you know why I haven't touched him for so long? Because I'm waiting for you. "Wang Fan said coldly and broke Mo Xiaogang's right arm.

For a beast like Mo Xiaogang, he won't be soft hearted at all.

Mo Xiaogang dares to be blind and put his idea on Wang Fan's woman. He even wants to be strong. Wang fan can't kill such a person too much.

"What an arrogant thing! If you dare to abolish my son, I'll kill you!" With a little finger, Wang Fan gave the order directly, "break his limbs for me!"

With his order, the bodyguard behind him immediately ran to Wang Fan.

Meng Qingyang looked at the scene, eyelid jump, "give me stop him!"

Even if he knew that the bodyguard was going to deliver food to Wang Fan, his posture still had to be made.

Meng Qingyang two bodyguards crazy save, but they haven't attacked the bodyguard, they have been hit on both sides.

Afterwards, the bodyguard of mogang pounced on Wang Fan again.

Looking at this scene, except for Wang Fan and Meng Qingyang, everyone was silly.

Fox manager mouth open boss, seems to be thinking about Wang Fan how to break.

Lin Shiyi's face was pale, and her body could not help shaking.

Although she knows that Wang fan is powerful, she still cares about Wang fan when she looks at the wolf like bodyguard. She is afraid that Wang Fan has something to do.

"Break my limbs? I'm afraid he can't do it yet! " But Wang Fan's face didn't change much. He said indifferently, and then kicked it.

The bodyguard's mouth opened instantly. Wang Fan's foot was obviously unhappy, but he didn't know why he couldn't hide. Not only that, his fist couldn't turn to resist.

With a bang, Wang Fan's toes hit the bodyguard's chest. He only felt a torrent of force. A blood arrow came out of his mouth, and the whole person flew out directly.

He fell to the ground with a bang and couldn't get up again. His face was dead.

Mo da just looked at this scene, it is silly, he did not expect that his invincible bodyguard, unexpectedly are not Wang Fan opponent.

Chapter 1270

Wang Fan kicked over the bodyguard and walked to Mo Dagang. "Mo Dagang is not convinced, is he?"

"I'll give you a chance. If you can step on me today, you can do it. But if you can't step on me, I'm sorry. Your father and son are going to die. "

Mo Dagang looked at Wang Fan, angry at the same time, only feel some trembling.

Who the hell is this? It's too loud, isn't it?

He wanted to slap Wang Fan hard, but he didn't dare to move at last.

He gasped deeply, then turned his head and looked at Meng Qingyang, "Meng Shao, what do you mean?"

"My son was beaten in your territory. Don't you, the boss, stand up and say something?"

Mo Dagang pointed to Meng Qingyang and said angrily, "if you don't help us speak, you should still help them. If you do this, who dares to come here to spend money?"

"Consumption? I'm your sister

Meng Qingyang is not so good-natured. Listening to Mo Dagang's words, he rushes over and kicks Mo Dagang to the ground. He pointed at Mo Dagang angrily, his voice was very hoarse,

"dog, your son intends to insult Miss Lin in my territory. I haven't settled with you yet. How dare you turn around and ask me what I want to explain? What are you?"

Mo Dagang covered his stomach and rolled on the ground, but his heart was even more angry. "Well, well, it seems that Meng Shao is determined to ignore this matter. Well, don't blame me, Mo Dagang doesn't care about it!"

"Although Meng Qingyang is the number one person in 49 cities, he is more powerful than you. There are many more than you. Wait for me!"

Mo Dagang is really mad. He stares at Meng Qingyang and turns to Wang Fan and Lin Shiya again.

"son of a bitch, you wait for me too. If I don't kill you or kill you, I will be raised by you."

As soon as the threat was over, Mo Da immediately grabbed another mobile phone and dialed.

Mo Dagang is a man with a head and a face in 49 cities, but now he is beaten, which makes him unable to accept.

Although Meng Qingyang has a strange attitude towards Wang Fan, he still doesn't pay attention to Wang Fan because he hasn't met Wang Fan.

He thought that Wang Fan and Meng Qingyang had better private religion, and Meng Qingyang turned to Wang Fan.

Of course, this is the scene that Meng Qingyang knelt down to Wang Fan before he saw it. If he saw it, he would not think so.

At least, even if he wants revenge, he will investigate Wang Fan's identity first.

Wang fan saw that Mo Da had just moved to rescue the soldiers, but he didn't care.

Today, he is here to stand out for Lin Shiya. If he wants to stand out, he must be vigorous.

He will not only trample Mo Dagang and his son to death, but also their pride and dependence. Only in this way can no one dare to give Lin Shiya any more ideas.

Otherwise, Wang Fan would have cut off Mo Dagang and his son. How could he have wasted so much time?

Meng Qingyang is also disdainful and playful.

In his opinion, Mo Dagang's death was his own. The bigger and more powerful the backstage he moves, the faster he will die. Maybe his backstage will be involved.

As time went by, the atmosphere in the box was slightly depressed. An hour later, a young man in luxurious clothes rushed in with a group of people.

"What's the matter? What's the matter? I said Meng Shao, Mo Dagang is my man. Now he's beaten in your territory. You're not only not facing him, but also helping outsiders. Isn't that reasonable?"

Before the young people had entered the box, the voice had come out first.

His voice is very arrogant, very casual, a pair of not how Meng Qingyang on the heart of the situation.

Meng Qingyang was a little stunned. He actually called a bull fork.

Zhao family, Zhao arrogant, the core of three generations, is second only to Zhao madman.

Without Wang Fan, Meng Qingyang would be afraid of Zhao's arrogance. But with Wang Fan, Zhao's arrogance is nothing.

"Zhao Shao, you must help our father and son make decisions. They are too arrogant. They not only don't give you face, but also directly maim my son's arms. I must make them pay the price!"

As soon as Mo Da saw Zhao's arrogance, he felt as if he had seen his father. He rushed over and complained with a runny nose and tears.

It's hard to wipe away tears like a child when I'm old.

"Oh, is there such a thing? When did the four or nine cities appear such arrogant characters? How can I not know about Zhao's arrogance? "

Zhao hubris jokingly said, has turned to look at Wang Fan.

At the same time, all the well-dressed men and women behind him looked at Wang Fan jokingly.

They all think that Wang fan is relying on Meng Qingyang to dare to be so arrogant. Now even Meng Qingyang doesn't make Zhao arrogant. Wang Fan must kneel down. Wang Fan didn't get up in his chair and looked at Zhao Huzhou with a smile, "Oh, Zhao Huzhou? I haven't been to Beijing for several months. When did you appear in Beijing? Why don't I know? "

He said in a cold voice, "are you here to show up for modagang and his son? I don't know what your status is compared with that of the Zhao Madman of the Zhao family. "

"Even Zhao madman dare not be presumptuous in front of me, but you dare to talk to me like this. I have to say that you are really arrogant."

Zhao arrogant at first saw Wang Fan dare to sit and talk to him, or some angry, but after hearing Wang Fan's words, his face immediately changed.

Although his status in the Zhao family is good, he is worse than Zhao madman. And the reason why he will be worse than Zhao madman is that Zhao madman knows Wang Fan.

At first, he didn't think of Wang Fan, and Zhao hubris didn't feel anything, but when he thought of Wang Fan, his heart was thumped, "how can this be so similar to the legendary Wang Fan?"

As soon as Zhao's face changed, a cold sweat came out. He quickly stepped forward and asked carefully, "you, are you wang Shao?"

Wang Fan sneered, "Wang Shao? Which Wang Shao? So what am I, so what am I not? "

He pointed a little to Mo Dagang, "you're not here to stand out for him. Tell me how you want to stand out for him. I'll follow you."

On hearing this, Zhao was already sure that the man in front of him was the legendary Wang Fan. Otherwise, he could not be so calm and confident.

He didn't dare to talk any more. He ran straight to Mo Dagang and kicked him down. "You son of a bitch, even Wang Shao dares to provoke him. Don't you want to live?"

He madly kicked Mo Dagang a few feet, and then carefully looked at Wang Fan, "Wang Shao, you

misunderstood, how can I stand out for him?"

"Their father and son are arrogant and domineering. I don't know how many shameful things they have done. I've long been unhappy with them. Now that they have offended you, that is to say, good and evil will be rewarded, and the blame will come from themselves. "

"You say, how do you want to deal with them, I Zhao arrogant absolutely do, do not frown!"

Zhao arrogant where dare to offend Wang Fan ah, directly changed the tone, patted the chest to make a gesture.

Mo Dagang is about to collapse. Who is this man? Why is Zhao arrogant so afraid of him?

Wang Shao, who is Wang Shao? Why didn't Mo Dagang hear of it at all?

Mo Dagang is very unyielding. His unyielding is not because he was beaten or trampled, but because he was trampled. He didn't even know who was trampling on him.

Wang Fan was a little dispirited. He couldn't help but stand up. He took Lin Shiya out and said, "three days, I want their father and son to be discredited and have no place to live."

With that, Wang Fan took Lin Shiya out of the box.

Mo Dagang and his son were as limp as mud on the ground, their faces as ashes, and could not say a word.
