

MIGHTY SOLDIER KING

Chapter 26 Defeat Mac

Mac looked at Peter, who suddenly seemed to be a totally different man. For a moment, Mac was afraid.

He seemed tough, but he would fold.

'Elaine refused to have sex with me when she's my girlfriend, but she had sex with this man!' Mac thought angrily. As Lily was standing nearby, Mac plucked up his courage and shouted, "I'm gonna kill you. How dare you seduce my girlfried?"

"Your girlfriend? This woman is your friend! I'd rather find a whore than seducing her."

Peter said, looking at Lily with disgust. He didn't like Lilly because of how she treated Elaine before.

"What are you talking about?!" Lilly yelled, her face

red with anger. "You can't talk to me like that! Mac, get rid of him!"

'Saying those things to me is like asking for a death wish! Can't he see my white thighs and firm, full breasts? Only a blind man won't say I'm gorgeous!' thought Lily.

Lily's anger and Peter's arrogance stunned Mac before it infuriated him. Such disrespect, who did this guy think he was? "I will kill you!" Mac shouted, charging at Peter.

People surrounding them began to move away to avoid getting hurt from the skirmish.

Elaine couldn't move. She didn't know what to do.

Pak!

Peter's hand hit Mac squarely on the cheek. Blood filled Mac's mouth and he spat it out with a few broken teeth.

Before Mac could react, Peter grabbed Mac's head and slammed it towards the BMW parked beside him.

"What did you say? You said you wanted to kill me? Who do you want to kill, huh? Not so tough now, are you? Who do you want to kill?" Peter asked, mocking Mac. ! ! "No one does that to my woman. I'll teach you a lesson you will never forget. You messed with the wrong guy. You're the first one who challenged me like this in the Golden City."

Blood from Mac's head splattered all over the glass as the car window cracked with the impact.

Onlookers screamed at the shocking sight, while some found themselves wide-eyed and unable to

move their legs.

Lilly was very frightened. Her knees gave way and she fell on the ground.

She didn't expect this guy to be so violent.

Mac's remaining courage was drained by Peter's brutality. Frightened and in pain, he knelt with tears falling down his face. "I'm sorry, man. I was wrong. I won't do it again. Please forgive me. I'm sorry."

He's tough but he's also stupid. He messed with the wrong guy. It's okay for him to offend ordinary people , but how could he provoke a big hooligan like Peter?

Absolutely, he's crazy but Peter could be crazier.

Didn't he sense it when Peter started talking? With how he carried himself, it should have been obvious

that he wasn't the type Mac should cross.

"Wrong?!" Lifting his eyelid, Peter took out his phone.
"So you're admitting your mistakes now, huh, tough guy?"

Well, there's someone you need to talk to."

Let's see how confident this guy was.

"No!" Mac sobbed. "I can't!" He said as he cried more bitterly. "Peter I'm really sorry. I'll never do it again. Never! Never again! Forever! Please forgive me, man. Please forgive me, I beg you!"

"You'll never do it again?" Peter slapped him hard.
"You bet you won't. You can't do anything again. You can't even make this call! You're fucking useless. You'd better not do this again. If you do, I'm going to be sure I'll punish you, or I'm not Peter."

Peter said as he delivered four more slaps.

He knew how to deal with these kinds of people. You had to be more insane than they were. This was the only way to make them stop messing with you. If you didn't go hard on them, they would keep coming back. He couldn't watch over Elaine 24 hours a day, could he?

Mac didn't scream as he took the hits one after another. All he wanted was for Peter to let him go and to stay away for as long and as far as possible.

"What the fuck is that smell?" Peter turned to Lily.
"Did you just pee your pants?" Peter mocked. "Hah! What are you, an old woman?"

Lily flushed, lowered her head, and sobbed. She hoped that the ground would just open and eat her

up.

Taking advantage of the situation, Mac got up, grabbed Lilly and ran, without even taking their BMW car.

Peter smiled the moment the two were out of sight. He looked at the crowd and said, "Okay, everyone, show's over. You can go on your business now unless you want to throw me some money."

Peter was trying to crack a joke, but the onlookers thought he was going to stir up troubles. Immediately, they dispersed.

"That was so scary..." they whispered. Peter felt a hint of embarrassment, but he paid it no mind. He walked up to Elaine. "He won't be messing with you anymore."

"Thank you so much. I really didn't know what to do."
She said as she threw herself at Peter. Elaine had been terrified of Mac for such a long time.

"Don't be afraid. I'm here. If that guy bothers you again, just call me. I'd be happy to teach him a lesson again and again," Peter said patting his chest with confidence.

"Okay," Elaine replied softly. It felt good to be protected by a man. "I know you haven't eaten yet. Come, let me make some dishes for you."

"Alright, let's go!" Peter was relieved. He actually didn't know what to eat just now.

Elaine got out of her high heels the moment they entered her house, exposing her delicate feet to the smooth floor.

Peter's eyes widened and his heartbeat quickened. He had never seen Elaine act this casually.

Elaine, realizing what happened, blushed. "You can sit anywhere you like. I'll just change my clothes."

She said as she hurriedly ran to the bedroom. Suddenly she realized that she wasn't alone. 'Oh my...' she thought.

She was totally exposed. Running with nothing but stockings against the smooth floor, she felt her foot land awkwardly and she slipped, her whole body falling to the ground.

Elaine was dumbfounded. This was absolutely embarrassing.

Before she hit the floor, she felt someone pull her backwards with hands on her chest and inner thighs.

And here was a strong force behind her that pulled her backwards.

Boom!

Her body hit the floor.

"Ahhh!"

She screamed, feeling a sharp pain.

Then, there was silence.
