

MIGHTY SK 421

Chapter 421

"You have a big clock, has the final say?" Wang Fan sneered, "well, since you don't throw it, I'll throw it!"

Wang Fan said, suddenly flashed to the disabled security guard of the Zhong family, and threw it to the corridor not far away.

"No!"

"You dare!"

Zhong Daliang and others screamed, but it was too late.

Hula, the security guard directly cut through the air, fell to the edge of the corridor, made a loud noise, and then rolled down the stairs.

The sound of Kuang Dang makes people tremble.

Looking at this scene, Zhong Daliang, Zhong Lili, and a group of Zhong's security guards were angry, and their eyes were congested.

Those employees who were watching were sweating. They didn't expect that Wang Fan was so cruel. He said he would throw it away, and he didn't give Zhong Daliang any face.

Most of these employees are new people. They don't know Wang Fan at all. They only know Zhong Daliang.

Zhong Daliang is famous for his strong iron blood. After two months in office, he used his strong strength and iron hand to clean up many unruly security guards.

Now, Wang fan is such a slap in the face, where come the confidence?

Wang fan is not afraid, as if to do a trivial thing, understatement, clapping hands, looking at Zhong Daliang.

"Zhong Daliang, you fired so many of my employees without my consent. I didn't ask you to settle the accounts. Unexpectedly, you openly provoked me."

"I, Wang Fan, am the Minister of the Security Department of Yindi. You are only a deputy department. What qualifications do you have to challenge me? This is the following offence

Speaking of this, Wang Fan's voice rose in vain, "I'll inform you now that you are fired. I'll give you an hour to pack up and get out of the silver field, or I'll do it myself. "

Domineering!

Publicity!

When Zhong Daliang listened to this, he laughed angrily. He pointed to his nose, "what do you say, you say you want to fire me? Do you want me to get out of the silver field? "

His eyes suddenly fierce: "what are you? I won't go away. What can you do with me? "

"Do you want to do it yourself? You don't have to do it. I'll abandon you now and throw you out like a dog! "

"I'd like to see if you can be so arrogant after I throw you out like a dog!"

Zhong Daliang roars and rushes towards Wang Fan, murderous.

In front of so many employees, Wang Fan openly hit his Zhong family in the face and threw the Zhong family security guard down the corridor as a dead dog.

This is a challenge to the authority of their Zhong family. This is a shame!

Zhong Daliang is furious and murderous.

That look, that momentum, it's frightening to look at.

"There is no tiger in the silver field. Monkeys are king." Wang Fan disdained to look at the rush to the clock, right foot on the ground, with a more crazy attitude to meet up.

When Zhong Daliang saw Wang Fan coming, his eyes twinkled with a grim smile. His right arm, which had already gathered strength, flashed out in an instant, and his iron fist spewed out.

If you don't do it, you can do it.

He wants to overthrow Wang Fan with the most violent posture to consolidate the status of the Zhong family in Yindi.

Wang Fan had no fear at all. When Zhong Daliang was about to blow his fist on him, his left hand flashed out and pulled on one side.

Zhong Daliang's right fist was instantly pulled a few centimeters to the side and rubbed against Wang Fan's left rib. His body, which was carrying inertia and rushing forward, couldn't stop and ran into Wang Fan.

The corner of Wang Fan's mouth passed a touch of sarcasm, his right elbow suddenly raised, and he banged on Zhong Daliang's chest.

The two forces collided wildly. With a click, Zhong Daliang's ribs were smashed in an instant. Under the intensity of the fury and the sharp pain, his face changed and his mouth was about to gush blood.

However, before the blood in his mouth could be spewed out, Wang Fan's right hand suddenly turned into a palm and slapped him in the face.

Pop, pop, pop.

The clear and crisp voice suddenly rang out, which not only fanned back Zhong Daliang's blood, but also stunned those Zhong family members around him.

No one thought that Zhong Daliang, who had been arrogant before, became a lamb to be slaughtered in an instant and was slapped in the face by Wang Fan.

Pop, pop, pop.

The clear voice is still ringing. Wang fan is beating Zhong Daliang's face like a machine. His expression has not changed at all.

Wang fan can solve the battle in the simplest way, or he can abolish Zhong Daliang in the most violent way.

But he didn't.

He just wanted to humiliate Zhong Daliang and his family in this way.

Only in this way, the Zhong family's authority in Yindi will be reduced, and he can better kick the Zhong family out of Yindi one by one.

"Zhong Daliang, you are a bit tough to be a vice minister because of your strength. I really don't know where you come from to be a minister."

Wang Fan finished slapping Zhong Da Liang, but he did not forget the verbal humiliation. "You said you were such a waste. Where did you come from to challenge me? Where does the confidence come from not paying attention to me? ""If you don't have the strength, you don't want to be a man. You have to make it so public. Do you want to die?"

Zhong Daliang fell to the ground, coughing blood, his eyes full of resentment, but also full of fear.

He didn't expect that he would lose so quickly and thoroughly.

Wang Fan's strength is far beyond his expectation.

Feeling the burning pain on his face, he really wanted to stab Wang Fan to death, but unfortunately, he couldn't get up at all.

Face down.

Wang Fan ignored Zhong Daliang, but looked at the security guards of the Zhong family,

"I don't care if you are the Zhong family. Now, as the security minister, I order you to throw this guy out to me."

"If you don't obey orders, I'll throw you out and deprive you of your identity as security guards."

Wang Fan's words fell in the ears of those Zhong family security guards, no less than a slap.

Shame, it's shame!

Wang Fan slapped Zhong Daliang in the face of them. Now he wants them to throw Zhong Daliang out. What's the shame?

Originally, some of them were afraid of Wang Fan's strength. They suddenly became crazy, and their anger could not stop expanding.

"Son of a bitch, dare to move my clock family and seek death!"

"I'm going to kill you and get justice for brother Daliang!"

"We Zhong's family, we want you to pay the price of bleeding!"

The Zhong family's security guards are in a fierce mood and rush towards Wang Fan.

Looking at this scene, everyone's face changed greatly, and they scattered and fled one after another.

Even Huang Tingting and Dai Yuying's two daughters are nervous and hiding in the distance.

Zhong Daliang's face is even more ugly. How can he not see that Wang fan is deliberately provoking these security guards in order to find an excuse to abolish them?

It's just that he didn't have time to speak, let alone stop.

How he hates it!

Arrogant, he didn't take the master of Zhong Shao's arrangement with him.

"It seems that you are going to rebel! As a security guard, if you don't listen to the order of the security minister, you dare to attack me. Well, today, I'll clean up the security department! "

Wang Fan sneered and rushed to the Zhong family security guards like lightning.

Let's start with the security department!

Chapter 422

Click.

A rush to the Zhong family security has not had time to attack, was hit by Wang Fan, bone fracture, the whole person upside down.

The corridor was so narrow that it was impossible for more than 20 security guards of the Zhong family to rush up in a row. They were hit by the upside down security guard, and at least ten people fell down, making a scream.

Wang Fan's momentum was like a rainbow. His left and right hands came out and blasted hard on them. They also vomited blood and retreated. Their faces were full of sadness. They were not rivals at all.

A security guard holds a mace in his hand and seizes the opportunity to hurl it at Wang Fan. The strong wind is harsh and makes the person's scalp numb.

Wang Fan grinned and grasped the sharp mace with his right hand. He pulled it hard and grabbed it in his hand.

Then he went back without any pause. The security guard was hit in the head, his head was broken and his ears were half pulled.

"You want me to pay for the bleeding? You deserve it, too? As a security guard in the silver area, if you don't obey the minister's orders, you still dare to attack me. Who gives you the courage? "

Wang Fan grinned and continued to rush forward.

The bloodstained clothes set off his whole life like a demon.

Powerful and murderous.

Click, click, click.

There was another series of noises. The security guards of the Zhong family who were knocked down on the ground and had not yet got up. Wang Fan directly stepped on, either hand or leg broken, issued a scream of no one.

The sound is harsh and the scalp is numb.

"Kill

"Kill

Wang Fan's brutal crush, not only did not cause the fear of those Zhong family security, but made them more crazy.

They roared and rushed to Wang Fan bravely, trying to crush Wang Fan with sea of people tactics.

Just in front of the huge strength gap, everything is in vain.

Wang Fan grinned and fought bravely.

A security guard was directly grabbed by Wang Fan's arm and twisted. At the same time, the whole person was also lifted by Wang Fan, and then smashed at the more than ten people.

Boom, boom.

The security guard was like a human bomb. He hit more than ten people and turned them upside down. Most of them were broken.

It's very violent.

Wang Fan didn't stop or keep his hand. He turned his arms and continued to attack.

In a burst of harsh wailing, only a few Zhong family security guards were also madly hit, broken hands and feet fell to the ground.

In less than a minute, all the 20 Zhong family security guards fell down, and the scene was dead.

Zhong Lili covered her mouth and turned pale.

She never thought it would be like this.

"Wang Fan, if you touch my Zhong family, you will regret it. The Zhong family will make you live worse than death!" Zhong Daliang roared wildly, his eyes full of anger.

Although these Zhong's security forces are not the most powerful, they are all the Zhong's family, and they are also the people Zhong Shao arranged for him.

Now Wang Fan has abandoned most of them. How can Zhong Daliang tell Zhong Shao when he goes

back?

He can't vent his anger!

"Regret?" Wang Fan sneered, "I have never regretted these two words in Wang Fan's dictionary. I'm waiting for you to live rather than die."

"You have no company system, no leadership, and you have committed the following crimes. Now, as the Minister of security, I declare that you are all dismissed."

"Within an hour, get out of the silver field immediately, otherwise, I'll waste one for one and a pair for two!"

"From now on, the Security Department of Yindi group can only have Wang Fan's voice. Anyone who dares not to follow will go away."

"Tell you the rest of the Zhong family, if you want to continue to be a security guard in Yindi, you should be a man with your tail between your legs. Otherwise, don't blame me for not being polite."

"Go away!"

When Wang Fan said this, the audience was still.

Several security guards of the Zhong family, who were not seriously injured, got up in great pain and helped those who were seriously injured to leave. They didn't dare to talk nonsense any more.

"You, you." Zhong Lili pointed to Wang Fan, pale face do not know what to say.

Their Zhong family was trampled on the silver floor, and they trampled so miserably, which she had never thought of.

"Zhong Lili, for the sake of you being a woman, I don't care with you today. I'll pack up and go now."

"By the way, I'd like to tell you the Zhong family that Yindi group belongs to President song, not the Zhong family. If you want to work here, just pinch my tail and be a man. "

"If you dare to challenge Mr. song or me, Zhong Daliang is your end."

Wang Fan pointed to Zhong Lili and said, to Huang Tingting brought a few young acupuncture, then took them to leave the tenth floor.

"You are so handsome, van. Those bastards are so arrogant that they make a mess of the whole company. "

After she was far away from the crowd, Huang Tingting held Wang Fan and offered a kiss in an excited tone "Zhong Lili, in particular, is too impersonal to throw away sister Ying's things. In her theory, she slapped sister Ying directly. That kind of woman deserves beating."

"I'm sorry to have wronged you." Wang Fan apologized and looked at Dai Yuying:

"sister Ying, are you ok? Don't worry. I'll clean up the Zhong family and get back the bad breath for you."

Dai Yuying's pretty face can still see the scars, Wang Fan some heartache, "this kind of thing happened, why don't you call me. If Tingting hadn't told me, I wouldn't have known about it. "

"I'm fine, thank you." When Dai Yuying heard Wang Fan's concern, she felt sweet.

Can think of just now Huang Tingting and Wang fan that intimate appearance, her in the heart again some lost.

Although she thinks she is pretty, she is not as young as Huang Tingting.

Maybe Huang Tingting is Wang Fan's dish.

"Sister Ying, what's the relationship between us? It's very polite to say thank you. I'm going to the security department. Would you like to come with me or go back first? "

Several people soon came to a face, Wang Fan looked at the two girls asked.

He plans to go to the security department for a tour to see if there are any Zhong family.

If the rest of the Zhong family know interest, it's all right. If they don't know interest, they will kick out of the silver field.

"We won't go, van. Be careful." Huang Tingting shook her head. She was still an ordinary girl and didn't want to see the bloody scene.

Dai Yuying also said, "be careful. Call us when you're done."

The two girls all know that song Rumei is in Yindi group, Wang fan can't leave Yindi, and it's inevitable to have a conflict with the Zhong family, so they didn't stop her. They just warned Wang Fan to be careful.

"I have a sense of propriety." Wang Fan nodded, watched the two girls leave, and then went to the security department.

The security department has changed a lot compared with three months ago.

Not only the luxurious atmosphere of decoration, but also the training room where the security guards

trained before was separated into two parts.

On the left side, there are some security training, on the right side, there are several tables, playing mahjong, playing poker.

There are even a few young people sitting on the legs of the flamboyant girl, while up and down their hands, while playing cards, can be described as extreme.

Wang Fan looked at this scene, and he was almost furious.

This NIMA is like a company. People who don't know think it's a chess room.

He didn't pay attention to the group of sweat training security, but went directly to the mahjong room, took a deep breath, and then kicked out.

Chapter 423

Boom!

A loud noise, the door was kicked off, the whole door toward the group is passion to play guys.

Wood debris was shot everywhere, splashed on the guys who couldn't dodge, and made a scream.

Those girls were even more embarrassed. They jumped up when they were hit by the wood debris, and they were in a cold sweat.

Some bad luck, but also shaved face, extremely embarrassed.

The security guard's face suddenly changed when they listened to the sudden scene.

Looking at the roaring anti-theft door, one of them suddenly stares, stands up in an instant and blows out.

The broken security door was blasted out of a hole by him, and then fell to the ground.

"Who are you? Why did you break into our security department? "

"If you run wild in our security department, are you looking for death?"

Several arrogant and domineering security guards pushed the woman out of their arms, stood up in anger, and burst into a bone chilling.

They are playing very well when someone kicks their door and hurts their woman. It's like looking for death.

The security guard who smashed the security door was even more arrogant, "boy, are you impatient?"

"I'll give you a chance to kneel down and apologize, keep another 100000 yuan, and then go away. I'll take it as if it didn't happen, otherwise, I'll let you lie down and leave the security department!"

This degree of arrogance is better than that of Zhong Daliang.

At the same time, the movement on this side also alerted the security guards who were training. They all stopped training one after another and looked over.

They want to see, which is not a long brain water, dare to provoke Zhongjia security in Yindi group.

Isn't that the rhythm of death?

"Kneel down and apologize? One hundred thousand? Or let me lie down and leave security? I want to ask, are you really the security guards of Yindi group? How do I feel like you're more like bandits? "

Wang Fan said calmly, took out his mobile phone, click click click is a burst of photography, and then click open the video, revealing the camera hole in the jacket pocket.

"As a security guard, you play mahjong, play cards and pick up girls at work. Do you have the appearance of a security guard? Did you pay attention to the company system? "

"Who gave you the right and the courage to make you so arrogant and disorderly in the security department?"

"I'm not in the company these few months, the system has changed, the privilege that song Zong gives you?"

Wang Fan asked in a series of questions.

He thought with his toes and knew that these guys were the Zhong family.

Nima's, the Zhong family is so awesome. It's not like an employee. It's like an uncle.

"Ha ha, tell me about the system. What are you? What's wrong with me picking up girls and playing mahjong at work? Are you in charge of it? "

The young man, Zhong Xiaoming, who smashed the security door with one blow, burst out laughing, "this is my territory. I'll do whatever I want. You don't want to bite me?"

"Listen to your tone, you are also an employee of Yindi. Do you believe that I can let you go immediately? Take song Zong to oppress us, I bah, you are not qualified enough! "

Zhong Xiaoming's tone is very arrogant. He doesn't pay attention to Wang Fan at all. Listen to his meaning, as if he is the president of Yindi, who wants to be fired.

"I'm nothing. I'm wang fan, Minister of security." Wang Fan voice is very calm, "other people I can't manage, you, I really can manage."

"I don't know if you can let me go at once, but I know. I can let you go now."

"In my capacity as Minister of security, I now announce that you are all dismissed. If you are not convinced, you can go and Sue. "

"I'll give you three minutes to pack up and go away, or I'll do it myself."

"Security minister Wang Fan?" Zhong Xiaoming sneered, "we only know our minister's name is Zhong Daliang, but we don't know what Wang Fan and Zhang fan are!"

Said here, he suddenly became violent, "Damn, dare to call us dogs, do you want to die?"

Both voice and color are fierce!

At the same time, the rest of the security guards are clamoring.

"Where's the dog coming out? How dare you say it's our security minister and want to fire us? Are you out of your mind?"

"Son of a bitch, dare you call us dogs? We'll turn you into a dog and get out of here! "

With the clamor, several Zhong family security angry, but jumped up to Wang Fan rushed past.

Wang Fan eyes a stare, instant rage, "dare to challenge my minister authority? How dare you do it? Get out of here

He roared, suddenly two slaps out, the two guys who rushed up had been fanned out and fell outside the door.

As soon as Wang Fan changed his previous calmness, he seemed to have changed into a different person, and the whole person became violent. If you don't obey the management and dare to do something to your boss, what's your use? "

He said, rushing into the crowd like a jackal is a fierce fan. Crackling a series of sound, the group of security guards were directly fanned out, all fell outside the training room, piled up into a hill.

In the blink of an eye, more than a dozen security guards of the Zhong family were thrown out. In addition to a few girls, only Zhong Xiaoming was left in the training room.

Wang Fan pointed to Zhong Xiaoming's nose, his eyebrows condensed into a line, fierce, "you say you only recognize Zhong Daliang, don't recognize me Wang Fan?"

"Damn, Zhong Daliang has been beaten and thrown out by me. What are you?"

Wang Fan said, Pa Pa Pa Pa is a few slaps in the face.

Zhong Xiaoming's face is swollen and his teeth are flying.

Besides Zhong Daliang's strength, the others are cannon fodder. They are only better than ordinary gangsters. They are not good enough to see Wang Fan.

After all, even Zhong Daliang was trampled by Wang Fan. What did they count?

Wang Fan patted Zhong Xiaoming's face, "challenge me? Disobey me? What are you? "

Zhong Xiaoming's face turned pale.

"Take your people away. I'm from the Security Department of Yindi group. You Zhong family are not welcome." Wang Fan said, the eagle grabs the chicken to pick up Zhong Xiaoming and throws him out.

"From now on, the security department can only have Wang Fan's voice. If you don't obey my orders, go away!"

The security guard of the Zhong family was very angry, but he could only bear it.

Zhong Daliang has been beaten and thrown out by Wang Fan. They are not qualified to challenge Wang Fan at all.

Just when Wang Fan was teaching Zhong Xiaoming a lesson, outside Yindi group, a black car was just like a fierce tiger, coming madly.

Close to the door, accompanied by harsh brake sound, arrogant stop at the main entrance.

When the car door opened, a fierce bald youth ran down from the car. Without closing the door, he rushed into Yindi group and went straight to the security department.

Fierce and aggressive.

This person is the master Zhong Shao sent to Zhong Daliang, Zhong San.

He came only after hearing that Zhong Daliang and others had been beaten and maimed. His only purpose was to abolish Wang Fan.

Chapter 424

When Wang Fan finished teaching Zhong Xiaoming and his party, he was about to call the rest of the security guards for a meeting. His eyes suddenly looked out.

I saw an arrogant, murderous bald youth rushed here, the evil spirit on his body was like a wild beast.

Zhong Xiaoming's group of people felt the evil spirit, and their faces turned pale in an instant. They just felt like a mountain was coming, and they were all out of breath.

But there was excitement in their eyes.

Zhong San.

This is one of several masters of the Zhong family in Jinzhou. If Zhong San comes out, Wang Fan will surely die.

Zhong San stopped about three meters in front of Wang Fan, and his evil spirit receded like the tide.

He looked at Wang Fan and grinned: "you beat them, you beat Zhong Daliang?"

Wang Fan nodded, "that's right."

Zhong Xiaoming and others, who have calmed down, also said:

"third brother, he is too arrogant. You must get justice for us."

"Kill him, kill him!"

"To provoke our Zhong family is to hit them in the face. We must not let them go."

He was filled with righteous indignation.

Zhong San listened to Zhong Xiaoming's angry shouts, frowned and said, "waste, shut up!"

Zhong Xiaoming and others turned pale in an instant, and they did not dare to make a sound any more.

"You are very kind. Originally, for Miss Song's sake, I didn't want to move you, but you have repeatedly provoked my Zhong family. No wonder I am."

Zhong San stares at Wang Fan, and his voice is like squeezing out of his teeth.

"Then do it quickly." Wang Fan almost choked Zhong San, "since you want to move me, why do you talk so much nonsense? Just let me know."

He said, but also took out the mobile phone, "if you feel uncertain, I can give you a mobile phone, you call some experts."

"It's too boring for you Zhong family to come here one by one. I'd better solve it once and for all."

Arrogant and domineering, they didn't pay attention to the Zhong family at all.

Zhong Xiaoming and others are about to explode when they listen to this.

Zhong San is also angry enough, "since you want to die, then I will help you."

He said, directly crazy toward Wang Fan rushed past.

The breath on the body, just like a wild beast, suddenly rushed out, surging, amazing momentum.

"You Zhong's family are really annoyed. They don't have much strength and their tone is not small."

Wang Fan was a little impatient and rushed to Zhong San.

Zhong San seems to be only about 30 years old, but his strength has reached the initial stage.

I have to say that this guy is a genius, and the Zhong family is by no means simple.

Just in the early days, Wang Fan didn't pay attention at all. He just played down all of Zhong San's offensives with a wave of his hand.

Then it was a slap, and Zhong San was pulled to the ground. His left face was swollen like a pig's head, and he vomited blood. He couldn't get up for a while.

"Kill him, kill him!"

"Third brother, Jia Er."

Zhong Xiaoming and others, who summon up their courage and can't help cheering for Zhong San, are roaring vigorously. Seeing this behind the scenes, it's like a rooster with a broken neck, and their voice suddenly stops.

They just feel the burning pain in their old faces.

"Is that all you have? If that's the case, don't come out and make a fool of yourself. "

Wang Fan stepped forward, stepped on Zhong San's face and said, "go back and tell the Zhong family, tell your master, when you see me, Wang Fan will make a detour and roll as far as possible."

"Next time you dare to provoke me, I don't mind killing your Zhong family and driving them out of

Jinzhou."

Wang fan is really angry with the Zhong family, and he is really impatient.

In the few days since he came back, the Zhong family has been bothering him for many times. Like a fly, he is almost bored to death.

Zhong San wants to find a ground crack to drill in. He didn't expect that Wang fan is so powerful. He is a congenital master who has been killed by seconds.

It's too terrible. How can such a person shrink in the silver field as a security guard? Is he also for the sake of liquid medicine?

Zhong San's mind turned suddenly, and his face became dignified while he felt humiliated.

"Go away, don't come back to me and make a fool of yourself." Wang Fan didn't give Zhong San a chance to think. He stepped on his feet and threw them out like garbage.

Zhong Xiaoming and other people's mouths are wide open, and their minds are blank.

That's Zhong San. He is one of several masters of Zhong family in Jinzhou. Now he is trampled by Wang fan like an ant, which makes them like a dream.

After returning to their senses, their faces turned pale and their breathing became cautious.

"Go." Zhong San didn't talk nonsense. He got up and took a look at Wang Fan. He turned around and left.

It's just that when I leave, I don't have the arrogance when I come here any more. Soon, the Zhong family was gone.

Wang Fan did not continue to trample on them, summoned other security guards to say a few words, announced that his minister's authority was inviolable, and left Yindi.

He almost just left, song Rumei called.

Half an hour later, Wang Fan appeared in Song Rumei villa.

There are only two people in the villa, song Rumei and a beautiful woman Wang fan doesn't know.

The beautiful woman looks like she is in her thirties. She is well maintained. She is neither overbearing nor arrogant.

Her dress is also very ordinary, not like other ladies like jewels, nor high above, nostrils.

When Wang Fan came to the villa, Song Rumei was cooking in an apron. She just knew that Wang Fan was coming, and she was excited to welcome him out.

Perhaps because she was at home, she was wearing a short home skirt, and her lower legs were exposed, giving out an attractive luster.

Above, also can see a small piece of slender white clavicle, delicate and tender, let a person palpitate.

Her whole person looks, is still so sexy, so charming, just a little less in the body of the past high and cold, a little more clever little woman atmosphere.

"Wang Fan, you are here. She is my mother Zhong LAN." Seeing that Wang Fan was very excited, Song Rumei rushed directly into Wang Fan's arms:

"I asked my mother that Zhong Pengcheng was her distant relative, and she didn't know Zhong Pengcheng's ambition."

"Yesterday, she went to find Zhong Pengcheng for this matter. Zhong Pengcheng not only didn't give her face, but also slapped her in the face."

"She doesn't know about those things. You can forgive her. You are all my closest people. I don't want you to have any conflicts."

"My mother asked me to ask you to make amends for this meal, so please give me face."

Song Rumei said, but also a side from the Jiao, and like a little woman on tiptoe in Wang Fan's face Baji twice.

"Xiao Wang, I'm sorry. I didn't expect to cause you so much trouble. Please forgive me. I kowtow to you."

Zhong Lan also apologizes, and even kneels down.

Wang Fan where can let Zhong LAN kneel down, quickly helped up, "aunt, you don't like this, I can't bear."

"I'm just a poor worker, and Yindi group is not mine. Flattery doesn't blame you. What qualifications do I have to blame you?"

He can see that Song Rumei cares about Zhong LAN, so he doesn't want to embarrass Song Rumei. What's more, Zhong LAN didn't offend him, and he didn't like to anger others.

However, Wang Fan in the moment of holding up Zhong LAN, the face is suddenly changed, but soon

returned to normal.

"You talk first, I'll cook for you."

Song Rumei is also very happy to hear Wang Fan's words. She hugs Wang Fan and kisses him. Then she jumps to cook.

Wang Fan looked at Song Rumei's rare little woman's expression and enchanting figure, and was a little stunned for a while.

I don't know what Zhong LAN has done. How can song Rumei be so dependent in a short time?

At the same time, he has seen that song Rumei doesn't know about the fact that he abandoned Zhong Daliang and kicked the Zhong family out of the security department today.

Song Rumei quickly enters the kitchen, Zhong Lan's face is also changing in an instant.

She stood up straight, changed the previous gentle and cowardly, cold eyes, condescending, domineering:

"Wang Fan, this is a million checks, take it and go away, never appear in front of my daughter in the future."

"You are a grassroots, don't think that toads eat swan meat, you don't deserve her, don't know the noble and humble, otherwise you don't know how to die."

She said in a voice that song Rumei couldn't hear. She took out a million dollar check and patted it in front of Wang Fan.

Wang Fan felt like a dog in the sun in an instant. The old lady was so angry.

Damn, life is like a play. It's all about acting!

Chapter 425

"Auntie, are you ok? Is it brain fever? Come on, let me show you. " Wang fan is scared a big jump, one side is murmuring, general stretched out a hand to face Zhong LAN forehead to probe past.

"It was fine just now, but now it's like a different person. You must be sick. But you don't have to worry. I'm a little miracle doctor in Jinzhou, who specializes in treating difficult and miscellaneous diseases. "

Wang Fan's expression is serious and serious.

Zhong LAN a face black line, also angry enough.

Pop.

She slapped Wang Fan's hand, "you're sick. You're brain sick. Don't touch me with your dirty hands."

She repressed her voice and said in a very angry tone, "a million dollars, you don't have to go now. Just go in three days."

"I tell you, don't think you can do whatever you want by relying on a few times. The world is very dangerous. There are so many people that you can be killed every minute."

"I would not have given you a million dollars if I hadn't seen you protect Meimei many times."

Zhong LAN stares at Wang Fan with his nostrils in the sky and his eyes full of contempt.

"You." Wang Fan opened his mouth wide, his face suddenly became ugly, "you are threatening me, aren't you afraid that I will tell Mei Mei?"

"Tell Mei Mei? You sue! I said you wanted to blackmail me. I see who Meimei believes

Zhong LAN has no fear, "what's more, Mei Mei is very concerned about me now. You have a conflict with me and pulled her out. Aren't you afraid of her suffering? Are you willing?"

Shameless!

What a shame!

Wang Fan really wanted to slap Zhong Lan's domineering face, but he finally held back.

He gritted his teeth angrily, took a look at the check and put it in his pocket.

Zhong LAN looked at this scene, eyes a bright, picked up a drink to drink, "how, agreed? I'll tell you that a person who knows current affairs is a hero. It seems that you are not so mentally disabled. "

"You are wrong." Wang Fan interrupts Zhong Lan's words, "I've taken a million, but I won't leave. You can find someone who can kill me every minute."

Having said that, Wang Fan sat on the sofa and cocked up his legs.

Hiss.

Zhong LAN a drink spurts out, the face of gas is red, "you, you play me?"

Open your teeth and dance your claws.

"Mei Mei, Mei Mei, your mother is going to hit me." Wang Fan jumped up in fright, but he didn't look at Zhong LAN at all. Instead, he yelled at Song Rumei in the kitchen.

"You." Zhong LAN is so angry that she quickly arranges her clothes and sits down.

As soon as she sat down, song Rumei ran out of the kitchen, "Wang Fan, Wang Fan, what's the matter with you? I didn't catch what you said."

"Nothing. Xiao Wang is playing with you." Wang Fan did not speak, Zhong LAN took over and said.

She has returned to the previous delicate, even the face has returned to normal, no longer a bit domineering.

Lie back!

Lie back!

Lie back!

Wang Fan stares at Zhong LAN, feeling like a dream.

This acting is really special. No one else.

Song Rumei hears Zhong Lan's words, white Wang Fan one eye, "you are hungry, you obediently wait a moment, immediately ready."

Then she turned to the kitchen.

But Wang Fan jumped up and said, "Meimei, let's do it together. I'm an Asian Kitchen God. I'm very skilled."

He said, but also seized the million checks, "aunt just gave me a million gifts, I must be nice to you, can't let you be wronged."

"I suddenly feel very ashamed, cooking this kind of thing, how can you do it yourself, everything with your fingers?"

"I'll do it. Just give me a hand. Just in time, we can also show my aunt the cooking skills of our young couple. "

Wang Fan said this, song Rumei suddenly Teng a red face.

Her mother's million dollar gift and Wang Fan's couple made her feel very sweet.

Zhong LAN is a little nauseous. Almost no old blood comes out.

This son of a bitch is really shameless. He's just pushing an inch.

"Let's go. Let's do it together. Let's have a taste of our cooking."

Wang Fan didn't pay attention to Zhong Lan's face, jumped up and ran to Song Rumei, and took her waist into the kitchen.

This old woman is really irritating. Wang fan doesn't want to be with her for a moment.

Although Wang fan doesn't want to tell the story, which makes Song Rumei feel uncomfortable, he is willing to disgust the old lady.

They entered the kitchen and slammed the door shut.

Zhong LAN is so angry that her face turns white. She didn't expect Wang Fan to be so ungrateful.

She wanted to call to withdraw the check, but she thought that the check had been put on the table, and was regarded as a gift by Song Rumei, so she gave up. Son of a bitch, even if she was disgusted, and swallowed her a million, it's just unreasonable.

Kitchen.

Song Rumei began to be busy.

Perhaps it is because of the sultry, the forehead appears fragrant sweat, charming pretty face also a little red.

She was wearing a short home skirt inside and an apron outside, which was very feminine like a housewife.

That look, that movement, that figure, have a special flavor.

Wang fan is used to seeing Song Rumei in uniform and Song Rumei above.

Now I suddenly see Song Rumei, a little woman at home. This kind of strong visual impact is beyond other people's imagination.

He was obsessed.

Song Rumei seems to be aware of Wang Fan's abnormality. She turns around and looks at Wang Fan. Her pretty face turns red.

"Don't you want to do it with me? What are you doing? Come here quickly She rolled her eyes and said angrily.

But the heart is sweet Zizi, Wang Fan this expression, that she is still charming.

"Together?" Wang Fan instant blood boiling, "I came."

With that, he ran to embrace song Rumei and put her on the kitchen table.

"Oh, what are you doing? My mother is still out there. Let go

Song Rumei is shocked. She holds the kitchen table in her hands, pouts her hips up, and starts to struggle. However, she is afraid that too much noise will attract her mother's attention outside. She does not dare to exert herself, which makes people want to refuse.

This expression, this action, let people see, must be misunderstood.

"Of course I will." Wang Fan was serious and embarrassed. "Mr. Song, you asked me to do it together, you asked me to do it, and you asked me to let you go. This posture is a little difficult."

"I Pooh, the dog mouth can't spit out ivory, you release me quickly." Song Rumei spat at Wang Fan and began to wriggle again.

Wang fan can't stand this twist.

He was just acting to scare song Rumei, but now he suddenly felt it.

"You are a rascal." Song Rumei also felt something wrong. Her face turned red and she didn't dare to move any more.

She felt Wang Fan's strange, heart and body have set off waves, there is shyness, but also stimulation.

"How can I be a hooligan? You are obviously seducing me." Wang fan depressed said, loosened song Rumei.

He felt that he couldn't play any more, or he would have gone off.

Just as Wang Fan just released song Rumei, song Rumei suddenly put her arms around Wang Fan's neck and pasted it up like an octopus.

"Wang Fan, I like you."

Chapter 426

The meal was quickly served and the three began to move their chopsticks.

Song Rumei's pretty face was flushed, and the eyes looking at Wang Fan were full of intoxication and happiness.

In the past few months since Wang Fan left, she has decided to face up to her feelings and not regret it.

Wang Fan naturally did not forget to show his love. He not only brought food to song Rumei, but also fed a few chopsticks from time to time.

This scene of watching Zhong LAN almost blew up.

But no matter how angry she is, she will not show up in front of song Rumei. On the contrary, she has to pretend to be happy, to bring food to them, to show her happiness as a "mother-in-law".

Wang Fan looked at the scene with a sneer in his heart.

This Zhong LAN is really a character.

The meal lasted more than an hour. It was a happy meal for Wang Fan and song Rumei, but it was a torment for Zhong LAN.

When song Rumei wanted to clean up the dishes and chopsticks, she was stopped by Wang Fan. "Meimei, come back to clean up. Let's go out for a walk and exchange one million dollars by the way."

"As you know, I've been short of money recently. Auntie, this million dollars is just a timely help. Thank you so much."

Zhong LAN listens to this words, almost all want to pick up the plate to smash ruthlessly on Wang Fan's head.

But song Rumei frowned, "that's not good. Don't ask for mother's million. I'll give it to you. I don't have much money, but I can still get a million. "

"How can I do that?" Wang Fan shook his head, "this is my aunt's intention. How can I refuse it?"

"What's more, there's no reason why I want to go back. Even if I give it to her, she can't want it."

Wang fan is serious, "Mei Mei, I know you are good to me, I also know that you spent a lot of money for such a long time."

"But I don't want to eat your soft food all my life. Now that I have money, I want to take you to be smart and buy you some gold and silver jewelry. Don't refuse."

Zhong LAN really wants to kill Wang Fan.

This son of a bitch's face is really thick. It's so aboveboard to eat soft food.

Your sister's, take mother-in-law's meeting gift to daughter flower, don't call eat soft rice? I really want to slap him to death.

"All right." Song Rumei did not think much, nodded and agreed.

After Song Rumei changed into a suit of clothes, they quickly left the villa and drove away in a Mercedes Benz.

As soon as Benz left, Zhong LAN couldn't help crashing the plate on the table.

She took out her cell phone and made a call. Not long after, a woman dressed as a nanny came in.

She went straight to Zhong LAN and knelt down on one knee, "madam, what's your instruction?"

"Tell Zhong Shao that I want Wang Fan to die in three days!" Zhong Lan's voice is freezing, as if the temperature of the whole villa has dropped a lot.

"Yes." Nanny promised to clean up the debris on the ground and leave quickly.

Wang fan doesn't know about the villa. After cashing the check, he takes song Rumei to Liding commercial building.

Song Rumei put on a very common white round neck sweater, outside is a black Plush coat.

Her slender legs were covered with black leggings, and a short skirt with buttocks between her hips.

The whole person seems to be less aloof and more mature.

She intimately around Wang Fan's arm, walking in the middle of the crowd, two people just like a pair of very ordinary lovers.

"What shall we buy?" Song Rumei feels very happy, very happy, and her face is full of the breath of happy little women.

"Clothes and jewelry, of course. I haven't bought anything for you for such a long time."

"Coat, underwear, gold and silver, jewelry, you choose, I want to dress you up, let you become the most beautiful bride in the world."

Wang fan is not stingy of flattery, blowing on the blow over the head.

But Song Rumei is more happy, bashful lowered his head, "hate, and make fun of me."

She said, then raised her head and blinked at Wang Fan. Her eyes were full of expectation. "Is what you said true? Do you want to marry me?"

"Of course that's true, don't you?" Wang Fan kisses on Song Rumei's forehead, "I'm not only going to marry you, but I'm going to marry you vigorously."

"Everyone else is Mercedes Benz and BMW. I use the same helicopter. If you don't have a wedding, it will be magnificent. Who makes you my favorite woman

"Cut." Song Rumei did not have good spirit, Wang Fan one eye, "you blow it, a look is not sincere."

She said, small hand suddenly in Wang Fan waist twist, "honest account, how many women have you said such words? How many ignorant girls have you cheated

Wang Fan pain grinning, quickly grasp Song Rumei small hand, move away, "not much, not much, just a dozen."

Dong.

Song Rumei kicks Wang Fan two meters. "Oh, I'm kidding. Let's go shopping together." Wang Fan quickly jumps back, brazenly hugs Song Rumei and drags her onto the walking ladder.

"Oh, isn't this Song Rumei, the famous iceberg general manager in Jinzhou City? It is said that you are not pure and clean, aloof, and despise men? "

"When did you wrap up a white face and sneak out to go shopping? What about your purity, your superiority, and your strangers

"Tut Tut, hand in hand, chest back, so close, so intimate, if this spread, how many Jinzhou dignitaries heart cold."

A sarcastic voice suddenly came, accompanied by the high-heeled shoes hitting the ground, a proud woman with a man and a woman appeared in front of them.

A woman is about 1.7 meters tall, slender and sexy.

She was wearing a red coat with a black sweater and black trousers.

The straight and round thigh is tightly wrapped by the straight trousers, which outlines an attractive arc. Chest bulge is towering, with her temperament, full of domineering.

This woman is very beautiful. She is not inferior to Song Rumei at all. But in addition to the cold and high, she is a little more proud and domineering than Song Rumei.

Nostrils facing the sky, proud as a peacock, say the words are hidden needles, tit for tat.

"Lin Ruoxue?" Song Rumei looked at the woman, and her face immediately became cold. "If I don't have a small white face, it's not up to you."

"What do I have to do with you, whether I'm pure and clean or superior? What's more, which eye of yours has seen us sneaking around. We are just going shopping

Song Rumei said, not only did not loosen Wang Fan, but also hugged more tightly, showing more intimate, "today I'm in a good mood, don't want to quarrel with you, get out of the way."

Then she would drag Wang Fan away.

Lin Ruoxue, the chief executive of Yuanbei pharmaceutical, is a golden flower that parachuted into Jinzhou three months ago. It is said that the background is very great.

It was impossible for Song Rumei and her to meet each other, but after entering Yindi group, the Zhong family launched a beauty medicine and robbed many customers of Yuanbei pharmaceutical, which led to the contradiction between them.

Lin Ruoxue is a woman who can't bear losses, has great courage and does things by all means.

She began to suppress Yindi crazily for the first time, and sent handsome men to seduce Song Rumei, trying to make Song Rumei and make Yindi lose her reputation.

However, her means are met with difficulties in Song Rumei.

She secretly used the means, not only by the Zhong family crazy blow, also was beaten black and white, a total defeat.

The handsome guy sent out is even more rejected by Song Rumei. Eight handsome men from different countries, with rich demeanor and talent, even Song Rumei didn't get close, so they left their armour and returned home.

This also calculate, still let Song Rumei know her mean means.

The conflict between the two ended, and neither of them liked each other.

Now, when Lin Ruoxue sees that Song Rumei, who is not allowed to enter, hugs Wang Fan who is not amazing, how can she not be angry?

How can this guy compare with the handsome guy she sent?

"Don't hurry to go. At least we met. Why don't you introduce this soft rice man?"

Lin Ruoxue not only didn't get out of the way, but stepped sideways to stop him, and raised his head to look at Wang Fan, high above.

Chapter 427

Lin Ruoxue's voice is not small, and the drama of "soft rice man with a white face" caused many people to watch.

Lin Ruoxue didn't care at all. She was still aggressive and high spirited. "It happened that I had a few sisters who were lonely and empty. They were looking for men to relieve their fatigue."

"Although he doesn't look very good, he is at least a little white face who has been wrapped up by song Rumei. It's estimated that my sisters will be interested in this title."

"It doesn't matter if you don't introduce them, but you can't delay them to do business. Maybe they want me to introduce more business to them."

"What do you say, brother Ruan fan?"

Lin Ruoxue said, still skin smile meat don't smile to look at Wang Fan, Mianli Cangzhen.

This woman's tone can not be described as not poison, not only song Rumei's loss is worthless, but also Wang Fan brought in.

Song Rumei trembled.

She can tolerate Lin Ruoxue's shamelessness and meanness, and she can tolerate her playing tricks on herself, but she can't tolerate Lin Ruoxue's humiliating Wang Fan.

Song Rumei looks at Lin Ruoxue coldly. She is about to get angry, but she is stopped by Wang Fan.

Wang Fan released song Rumei quickly and looked at Lin Ruoxue excitedly. "Elder sister, is what you said true? Do you really introduce some sisters to me?"

"I don't have any other skills. I like soft food best. By the way, do your sisters have any money and are you beautiful? "

"Although my price is not high, only 10 million a month, but my standard is very high. I don't accept orders without your beauty."

Wang Fan said excitedly. His eyes swept over Lin Ruoxue's face, chest, legs and mouth blatantly. He

almost drooled. "I think you're good. Why don't you wrap me? I'll give you a 50% discount and charge you half price."

"You can find me in the vast crowd, and you can see that I am a soft rice man with a white face. We must be friends. You must have done this kind of thing, but don't worry, I won't dislike you. "

"Although I have a little girl plot, who makes you so beautiful? No matter how many men you have ever hired, I will give you half price discount."

Wang Fan said, while walking to Lin Ruoxue, he held out his hand, "give the money, as long as the money is in place, I will be yours tonight."

Hiss.

Listen to Wang Fan's words, those people around hardly spit out their saliva.

Song Rumei is also choking. This son of a bitch never plays cards according to common sense.

However, hearing Wang Fan's sarcasm at Lin Ruoxue, and then looking at Lin Ruoxue's frosty face, she can't help feeling relieved.

Scum still need to be treated by scum!

Lin Ruoxue trembles and her apricot eyes open. She didn't expect that Wang Fan was demoted to be a little white faced man with soft food, not only not ashamed, but also proud.

She pointed to Wang Fan, and her delicate body trembled: "get out of my way! Which eye do you see that we are in the same way? When did I wrap a man again? "

"If you dare to talk nonsense again and attack me personally, I will sue you for slander! You are the kind of goods, but also 10 million, I bah! Song Rumei will see you. If I were Lin Ruoxue, I would not give you a dollar! "

"Deal!" Wang fan is fiercely nodded, "this character I like, I decided to accompany you for free!"

"I don't need you to pay, and I don't need you to help. You just have to pose and leave the rest to me."

Coax.

People around listen to Wang Fan's words, can't help laughing.

They subconsciously looked at Lin Ruoxue, imagining in their mind what this woman would look like when she put on various postures.

When they think about it, they feel thirsty and can't stand it.

"What thing, dare to insult me, Xiao Zhang, call the police, say someone harasses me, attack me personally."

Lin Ruoxue's face was completely frozen. With a wave of her hand, the man behind her immediately took out the phone and began to call the police.

"Call the police?" Wang Fan laughed, "just in time, I also want to call the police. I also recorded what I said just now. If you want to talk about personal attack, you also attacked me first."

Wang Fan said with a smile, "is it easy for me to go shopping? Is it easy to buy a dress? How can you attract all the bees and butterflies? "

"Ah, I'm so handsome that I don't even dare to go out. I suspect that you must be secretly in love with me. Seeing me with Mei Mei, you can't be angry. That's why you come to stir up the trouble. "

Wang fan is so angry that he is not worth his life. He is also very serious. "You say you love me secretly. You just say it directly. I didn't say that I won't give you a chance."

"As for my woman, do you harm me? You'll only make me more and more annoyed with you. "

"Do you want to use this method to attract my attention, and then make me deeply impressed with you and never forget you?"

Lin Ruoxue is about to explode, "what are you, you don't pee, look in the mirror, I Lin Ruoxue will see you?"

"Ridiculous! It's ridiculous! All over the place, it's less than 500 from head to toe. What qualifications do you have for me to fall in love with you secretly? "

Although Lin Ruoxue is very deep in the city, she is not angry easily. But I can't bear to meet Wang Fan. How can there be such a cheeky person in the world?"Exasperated, exasperated, exasperated?" But Wang Fan was not angry at all, and he was still smiling,

"I know that there are many people who like me, and they are all rich families. You are not competitive in front of them. "

"Only in this way can you let me remember you, and then you can have a chance. I'll tell you now, you made it. "

Wang Fan said, and took out a business card from his coat pocket. He said solemnly, "I'll give you a business card for the sake of your hard work."

"But I don't have time. Call me in three or five days. I'll make time for you."

"Good boy, I remember you. Let's go!" Lin Ruoxue is so angry that she doesn't bother to argue with Wang Fan any more. She waves off Wang Fan's business card and turns around.

As for the alarm call, when Wang Fan took out his mobile phone and said there was a recording, she stopped the man from calling again.

Lin Ruoxue is very angry.

Originally, she wanted to humiliate Song Rumei, but she didn't expect Wang Fan to be so sharp mouthed.

If she goes on like this, Lin Ruoxue will be in the headlines tomorrow. Now people are chasing the wind is the shadow, she does not want to let more and more people around, rumors abound.

"How did you go? I tell you, I give you a chance, but you don't cherish it. And next time you see me, don't use this method. I'll be angry. "

Wang Fan saw Lin Ruoxue knock off his business card, pointing to her back, very angry said.

Lin Ruoxue stumbled and almost fell to the ground.

In her heart, she scolded all the ancestors of Wang Fan's eighteen generations, walked faster, and soon disappeared in the shopping mall.

"Mei Mei, who is that?" After Lin Ruoxue left, Wang Fan couldn't help asking.

"A very mean woman." Song Rumei gritted her teeth and quickly told Lin Ruoxue's background and their enmity.

Wang Fan after listening, instant rage, "this woman, how so mean, even find a handsome man to seduce you? It's true that uncle can bear, aunt can not bear, aunt can bear, sister-in-law can not bear

Wang Fan said angrily, and suddenly asked weakly, "Mei Mei, do you think she will send eight beauties to seduce me?"

Song Rumei has a black face and almost can't help kicking Wang Fan downstairs.

Outside the shopping mall, on a limousine, Lin Ruoxue slaps her head high and takes a few breaths, then dials the phone with a frosty face.

"Teach me a lesson about these two people. Even if you can't ruin them, you'll disgust them."

Chapter 428

"Meimei, this underwear store is good. Go in and buy some underwear. I'll give you a reference."

Wang Fan pointed to a sexy lingerie shop, eyes shining, "with my master's eyes, I will be able to choose the most suitable lingerie for you, let you become the sexiest woman in the world."

"Not serious." Song Rumei blushed, but surprisingly did not refuse, "let's go in and have a look. I tell you, if I'm not satisfied, I'll snap you at night. "

In the past, she certainly would not go in, but after so much experience, she did not care about those.

What's more, the most sexy and beautiful side of a woman will only be shown to Wang Fan. Let Wang Fan reference, give her choose a few underwear, what can not?

Wang Fan just casually said that he didn't think song Rumei would agree. Song Rumei agreed, but he was embarrassed.

However, our brother fan's ability to cope with emergencies is also unique. He immediately laughs and drags song Rumei's hand and goes in. "Go, let's go in and have a look. You can rest assured that you will never be disappointed."

"Welcome." Just as the two talents entered, a tall, sexy, sharp eyed shopping guide came up.

However, after her eyes stayed on Wang Fan and song Rumei for a second, her smile disappeared instantly, followed by impatience.

Wang fan is dressed as a typical country bumpkin. Song Rumei has a superior temperament, but she doesn't dress like a rich man.

This is a world famous brand "plus" lingerie shop. Those lingerie that are on sale at a discount cost 18 thousand yuan, not to mention the rest.

In a word, they don't look like the owners they can afford.

"You don't have to worry about us. We can see for ourselves." Wang Fan didn't pay attention to the shopping guide at all, and her eyes were already shining to the underwear.

His eyes are shining and his expression is obscene. When he looks at those underwear, his mind still shows the picture that song Rumei puts on from time to time, which almost makes his mouth water.

Looking at this scene, the shopping guide's eyes were even more disdainful. She wanted to drink it back, but finally she didn't make a sound. She just stares at them from afar for fear that they will damage their underwear.

Song Rumei is a little shy.

Especially looking at Wang Fan's obscene expression, she would like to slap it.

What expression? It's a shame.

"This, this, and this, take it in and have a try. I believe my vision will suit you." Wang Fan quickly selected several underwear and said to Song Rumei.

Song Rumei looks at those sexy and unrestrained underwear. Although she is a little shy, she still whispers and plans to reach for it.

But it was stopped by the shopping guide, "don't touch, don't touch, dirty and damaged, can you afford to pay? Pay first and try again. "

With these words, not only Song Rumei's face became cold, but Wang Fan's face was also a little ugly.

Nima, I've met a dog's eye again.

He looked at the shopping guide and said, "pay first, then try it on. Is that the rule of your underwear store? Why haven't I heard of it? "

"I can't afford to pay for the mess? What's your attitude? Is that how you treat God? "

Although he didn't want to slap the shopping guide, since he met her, he didn't mind slapping her. Who let this shopping guide miss a word disturb his good interest?

"God?" Shopping guide Miss is disdainful, tone is also very overbearing, "money is God, no money is a fart."

"These underwear you ordered add up to more than 500000. You can afford it."

"Don't say I have a bad attitude. Do you look at the clothes you wear and the clothes you dress, like the people who can afford the underwear?"

"This is a 'plus' store. It's a world famous brand. It's not a high imitation or a stall. Please look at the price and say something else."

When the shopping guide said this, not only Wang Fan was angry, but Song Rumei was almost angry.

She was provoked by Lin Ruoxue just now. She was already angry. Now she is provoked by this shopping guide. How can she stand it?

Song Rumei is about to attack, but she is stopped by Wang Fan, "Miss, you can't look at people with a dog's eye. Haven't you ever heard of what is low-key and what is not showing wealth?"

Wang Fan says, PA, a business card throws out, "stare big your dog eye to see clearly, this little but company chairman, can't afford you this underwear?"

Shopping guide young lady domineering photography, Leng for a while, quickly picked up the business card.

It doesn't matter. She was furious, "security minister of Yindi group, Wang Fan? You're just a security minister. What kind of garlic are you putting here? "

"The Minister of security is also a security guard. Where can the salary be high? The annual salary of 200000 is the top. Can you afford this underwear?"

"It's ok if you want to buy it, but it's not these. The inferior discount underwear over there is your dish."

"It's not expensive. It's more than ten thousand. You can buy seventeen or eighteen of them with a year's salary."The shopping guide's saliva is flying all over her face.

It's disgusting to put on her head.

I thought it was a low-key big man. After a long time, he turned out to be a small security minister.

Wang Fan was a little depressed. He grabbed the business card and said, "I'm sorry, I took it wrong. I took it wrong. I'll stare at your dog's eyes and see clearly. I'm a little bit of an identity."

Wang Fan said, and from another pocket took out a business card, PA, left in the face of the shopping guide.

The shopping guide was so angry that she picked up her business card and said, "Wang Fan, chairman of Anbao company, Wang Fan."

She was even more disdainful, trembling with anger, "what kind of asshole Wang fan'anbao company? I've only heard of Huo's security and Zhang's security, but I haven't heard of Wang Fan's security. "

"I think you must be Goupi plaster company? Don't make a fool of yourself here. If you can afford it, you pay. If you can't afford it, you go out and turn left to enter the second shop. That shop's underwear suits you. "

Wang fan is about to explode, how can his company become a dogskin plaster?

He felt that he couldn't make a big move, so he took out a check and slapped it in front of the shopping guide.

"Open your eyes and see clearly. How much is it? Can Ben afford your underwear? "

From the top!

The shopping guide took the check and looked at the series of zeros at the back. She was just dumbfounded.

Ten million!

Where did you get this bumpkin?

She did not speak, but quickly called to check, five minutes later, her face pale up.

"Sorry, you try."

The check is real. Ten million is not fake.

"Really? Don't look at people in the dog's eyes in the future, or Ben will kill you with less money!" Wang Fan coaxed and asked the shopping guide to take down the underwear and take them to the fitting room.

Ten million cheques came from Li Wuji, and Wang Fan never cashed them. Because he didn't know if Li Wuji had called to cancel the check, but he didn't expect that he could still use it.

Song Rumei quickly enters the fitting room with her underwear in her arms.

Ten minutes later, the door of the fitting room suddenly opened a seam. She showed her head and blushed and cried, "Wang Fan, come here."

"What's the matter? I can't button it. It doesn't matter. I'm here." Wang Fan stood up excitedly and ran over like a rabbit.

He had been waiting for song Rumei to call him, but who ever thought that song Rumei had dawdled for ten minutes.

Song Rumei has a black face. She suddenly feels that the goods are intentional.

Chapter 429

"You can't go in!" Before Wang Fan ran to the fitting room, she was stopped by the shopping guide who was staring at Wang Fan.

Previously, she was beaten in the face by Wang Fan, and she was choking. Now that Wang Fan wanted to go into the fitting room, she naturally stopped.

She thought in her heart, this guy must want to go in and do some things that are not suitable for

children. She won't let Wang Fan succeed.

"Why, why can't I go in? My girlfriend can't put it on. I have to help Wang Fan was a little depressed, just like he was splashed with cold water.

"Anyway, you can't go in. If you can't put it on, you can't wear it or buy it. But if you want to go in, you can't do it."

The tone of the shopping guide became bad again. Even if she doesn't want a commission, she has to give it to Wang Fan. If you make me unhappy, I can't make you happy.

"Hey, you guy, how can you treat God like this?" Wang Fan's eyebrows instantly picked up, "if I don't go in, you can go in?"

"My girlfriend can't put on her underwear. She needs help. Why don't you go in and help her? Isn't that against the rules? "

Although Wang fan is not happy, he doesn't want to have the same opinion with this shopping guide. His pattern is not so low.

"I don't have time. I have to work." Shopping guide lady refused without hesitation, "if your girlfriend really can't put on, then don't buy, where to go."

Wang Fan was a little angry. He pointed to the shopping guide, "is this your work attitude? Do you want me to complain to your leaders? "

"Complaints?" Shopping guide Miss did not care, "you complain, ah, look, I'm afraid."

"Don't think I don't know what you're going in for. Hum, if you want to do those things in the fitting room of our store, don't dream. I will never let you succeed. "

"It's not only our store, I'll call all my friends in the mall and let them watch out for you."

The shopping guide is very aggressive.

Wang Fan's eyes suddenly cold down, "then you say, I want to go in to do what? It's ridiculous. I told you to go in and help. What else can I do? "

"As a shopping guide, you don't take the customer first as the tenet, but you just make a fuss and use your dirty thoughts to guess customers. Don't you blush?"

"First, I thought I had no money and looked down upon my poverty. Now I know I have money, and I insult my personality so wantonly. Do you really think I have no temper?"

Wang fan is really a little angry.

He just wanted to go in and help song Rumei put on her underwear. He really didn't have any other thoughts.

This shopping guide girl speculates that he doesn't care. How embarrassing is song Rumei?

If you really like what she said, give the photos of the two to other friends and watch out for the whole audience, how much influence will this have on Song Rumei? It's a shame.

Wang Fan felt that he could not get used to her.

Looking at Wang Fan's cold eyes, the shopping guide thought that Wang Fan was also rich. Although not as rich, but want to play dead her, or no problem.

Creak.

At this time, song Rumei opened the fitting room door with a frosty face and came out.

She condescending pointed to the shopping guide Miss, released a strong aura, "come on, I'll stand here to let you take photos, you can take a clear point, send to your friends."

"Just shoot, just send, whatever you want to say. By the way, I can also tell you my name. "

"My name is song Rumei, and my position is the president of Yindi group. In this way, your guard will be more thorough. "

At this moment, song Rumei is like a different person, and the image of Bingshan's female president is undoubtedly revealed.

Song Rumei?

President of Yindi group?

The shopping guide's face turned white in an instant.

She may not have heard of song Rumei, but she will never know about Yindi group.

This kind of person, she absolutely can't provoke.

Ten minutes later, Wang Fan took song Rumei out of the shop.

They just bought an underwear she tried to wear, and the underwear Wang Fan picked up, and left the underwear shop.

The shopping guide looked at the back of the two people leaving, disdaining at the same time, but also very bad taste.

Before, I bought only one underwear and one pair of underpants for a long time. It's so good.

"Hello, sir. Are you buying underwear for your girlfriend? We are also a world famous lingerie shop, which is no inferior to pltus."

"I can also tell you that if you enter the store, but the 50th guest enters the store today, we will give you a 60% discount."

Just as they walked out of the shop, a beautiful woman in uniform came over, smiling sweetly and inviting warmly.

Wang Fan didn't want to go in, but the girl's attitude was pretty good. Then he thought about the attitude of the previous shopping guide lady, and suddenly changed his mind. "Meimei, you can go in and choose whatever you want. You can choose whatever you want. It's not bad for money."

"Well." Song Rumei nodded and followed the shopping guide.

She just had a little bit of trouble and wanted to buy more. Moreover, she also wrote down the style Wang Fan had chosen earlier, as long as she bought a similar style.

Looking at this scene, the shopping guide of "pltus" almost vomited blood.

It's a slap in the face. She's already regretting her dog's eyes.

You know, every time she sells such expensive underwear, her sales are very considerable.

This time, Wang Fan did not follow in, but sat down outside.

He doesn't want any more oolong.

Wang Fan, who took out his cell phone to watch the news, didn't notice that as soon as he sat down, a man and a woman followed him into the underwear store.

After the two entered the underwear store, the woman stood by the door, while the man went inside.

The very polite shopping guide watched the man enter, her face changed, and she quickly stopped in front of him, "what are you doing?"

She knew this man, who was a dog of the chairman of Liding commercial building. She bullied men and women, and helped the owner over the years. She didn't know how many female customers she had

wasted.

"Shut up! Dare to talk more, dare to call the police, I'll strip your clothes and drag you outside to do you
The man showed a ferocious expression, pinched the chin of the shopping guide and said ferociously.

The shopping guide was startled, but she didn't dare to make any more noise.

She believes the man can do it.

At the same time, she looked at Wang Fan guilt outside, but Wang Fan has been playing mobile phone, did not look at her.

And the woman guarding at the door also glared at her. She was so scared that she didn't dare to look around any more.

The man whispered a threat to the shopping guide, quickly walked up to song Rumei, took out the towel that had been prepared and put it on the tip of song Rumei's nose. Song Rumei immediately fell down like a sheep.

The man didn't talk nonsense, quickly dragged song Rumei away from the back door.

The woman at the door didn't move. She was still at the door, facing Wang Fan in the distance and threatening the shopping guide.

Chapter 430

Wang Fan waited for a long time, but song Rumei didn't come out. He was a little impatient, so he planned to go in and have a look. But before he went in, he was stopped by the woman at the door.

"I'm sorry, sir. This is a lingerie shop. Men can't enter." The woman said with a smile, but her eyes were playful.

Wang Fan did not think much, "my girlfriend is in it, I want to go in and have a look, and help her choose some underwear by the way."

"I'm sorry, that's the rule." Women are very stubborn, and their eyes are more playful.

Wang Fan frowned, "if you don't let me in, I won't let my girlfriend buy your underwear. Let's buy it from another store."

The woman did not speak this time, but snorted with disdain.

Wang Fan finally feels that something is wrong, which is not the attitude that a shopping guide should have.

He frowned and looked inside the underwear store as he walked in.

But he didn't see Song Rumei, but he saw the former shopping guide who invited him.

The shopping guide met Wang Fan's eyes, her eyes twinkled with guilt, and she couldn't help lowering her head and didn't dare to look at each other.

Wang Fan's heart clapped for a while, and finally felt bad.

Something happened.

It's just that he doesn't know what can happen if he buys an underwear?

By this time, the woman at the door had yelled, "you can't go in, you can't go in."

"We are a lingerie shop. Men are not allowed to enter. If you break in like this, I'm going to shout

As she cried, she grabbed Wang Fan and refused to let him in.

"Get out of here!" In a rage, Wang Fan kicked the woman to the ground and ran into the underwear shop.

But he ran a circle, even tried the fitting room, but still did not see Song Rumei figure.

"You dare to break into our underwear shop, and you dare to hit people. You wait for me. You are finished."

The woman who was kicked down screamed, struggled to get up and waved to the outside. In an instant, four young people rushed over.

"Even if he broke into the underwear shop and started beating people, I'll break his leg!" A woman pointing at Wang Fan is just like a mad dog, barking sharply.

Wang Fan looked at this scene, immediately know, Song Rumei must have an accident, and 80% also have a relationship with these people.

His anger rose in an instant, and his eyes were frozen.

"Son of a bitch, dare to break into our underwear shop. Do you know whose field this is? If you dare to beat people, you will die! "

The four youths rushed to Wang Fan's side with fierce anger and arrogance, "which leg kicked my sister Yan, be honest with me, or I will break both your legs!"

Arrogant and domineering!

"Go away!" Where does Wang Fan have time to talk with these punks? He kicks them out, and the young man flies out immediately.

He covered his stomach and uttered a shrill scream. What he spat out was not blood, but foam.

Underwear shelf is in his upside down crash, row after row of fall, fancy underwear fell to the ground.

"Ah

The woman looked at the scene, could not help but cover her mouth and scream, subconsciously back. Even the rest of the three young people, eyes also filled with a little incredible.

But Wang Fan didn't give them time to react at all. A young man's nose and mouth were hit with one blow, and his momentum was heavy.

His whole face shriveled in an instant, fell into parallel, nose bone and face bone were all broken, his face was full of blood, completely disfigured.

He grinned and wanted to scream, but he couldn't make a sound at all. Life was not like death.

Cruel!

It's so cruel!

No one thought that Wang Fan's strength was so strong, even if he started so ruthlessly.

The chill rose.

The other two young people had fear in their eyes and subconsciously wanted to retreat.

Only after they stepped back two steps, Wang Fan had already bullied himself. With the speed they couldn't react to, he put his hands around their heads and smashed them together.

Bang!

The sound was loud and the blood was flying.

Two people's heads are like blood gourds, burst out of a group of blood fog, that flow out of the blood, how can not block.

The red blood is flowing on the ground, the ground is dyed red, the underwear is dyed red, and the whole underwear shop is silent.

The woman's legs softened and she flopped down on the ground, pale.

She didn't expect that Wang Fan, who didn't look burly or strong, should be so fierce and fierce.

It made her tremble from the bottom of her heart.

"Where's my girlfriend?" Wang Fan walked slowly to the woman's side, condescending, cold eyes.

His voice, just like from the bottom of Jiuyou, has no emotion and makes people feel numb.

"I, I don't know." A woman's heart trembles and shakes. Wang Fan didn't talk much. He grabbed the woman's hair and instantly pulled her up. His feet were off the ground and his body was empty.

The hair bears the strength of the whole body, and the pain is unimaginable. The woman opened her teeth and claws, and began to flutter. Her mouth also gave out a miserable howl.

Wang Fan didn't have any pity at all. "I'll give you three seconds. If you don't tell me, I'll strip you and throw you out to do human flesh exhibition."

"I, I don't know." The woman cried, "she was taken away by Fage. I'm only responsible for monitoring you. I really don't know."

Wang Fan no nonsense, stab three times, then tear the woman's clothes, and then drag to the outside. Wang Fan didn't even look at the snow-white skin.

"Oh, please, no, I really don't know. Please forgive me. I don't dare to do it any more."

Women struggle madly, but Wang fan is indifferent at all.

He doesn't beat a woman easily, but she is too hateful.

If song Rumei has any problems, he doesn't even mind killing this woman.

"I, I know." Just as Wang Fan was about to drag the woman to the door, the shopping guide who invited Wang Fan summoned up her courage and said.

"You know?" Wang Fan turned and looked at the shopping guide, her eyes were still cold, "you'd better not think about deceiving me to delay, otherwise your end will be worse."

"I didn't clean you up. It's not that I dare to clean you up. Although you don't have much responsibility for this matter on the surface, in fact you have the most responsibility."

"My girlfriend has an accident in your underwear store. You know it, but you don't tell me. You have an

unshirkable responsibility."

Wang Fan's heart is song Rumei, and his speech is not so pleasant.

The shopping guide's face changed, but she gritted her teeth and said, "I know I'm responsible, and I'm willing to take it. I know where they are, and I'll take you now. "

She said carefully and went to the secret door behind the underwear shop.

Wang Fan's face softened slightly, and he didn't continue to talk. He gave the stripped woman a cold look, and then gave her a slap,

"call the people behind the scenes and tell them that my girlfriend is missing a hair, and I'll take his family's life! Go away

Wang Fan said, kicking the woman four or five meters away, and then followed the shopping guide to leave.

An underground warehouse in Liding commercial building.

It's a warehouse. In fact, it's more luxurious than the luxury suites in star hotels. Except for the lack of sunshine, it's not bad in other aspects.

Television, chandeliers, carpets, bathrooms, crystal tables, hot springs, everything, and even the walls are hung with simple calligraphy and paintings, luxurious atmosphere, elegant charm.
