

MIGHTY SK 481

Chapter 481

Lin Ruoxue takes Wang Fan to the mall to buy an Armani suit, and then goes straight to the flame club.

There are two famous powerful associations in Jinzhou, one is flame club, the other is Yalan club, one is south and one is north. Business is very hot.

"Mr. Lin, do you really want to take me with you when you have a dinner appointment with a friend? Why don't I just hang out and call me if you have something to do? "

"Don't worry, I'm in the club. Once you have something to do, make sure you show up at the first time, and you will never be in danger."

Wang Fan looked at a cold face of Lin Ruoxue, nuzui said.

He feels that things are not going well recently. He really doesn't want to participate in this kind of game and is afraid of offending others.

Lin Ruoxue took a look at Wang Fan, the corner of his mouth raised a sneer radian, "don't you mean to protect me? What, just talk about it? If you are a man, you should keep your word. Don't let me look down on you. "

Lin Ruoxue said, raised his head, and walked in front with a proud face.

Wang Fan choked a few times and had no choice but to keep up.

The girl talks so hard that there is no room for her.

Lin Ruoxue is obviously a frequent visitor here. She is very familiar with the way. She doesn't need to be called by the waitress at all. She goes straight to the appointed box.

The two slender jade legs swing rhythmically, and the high-heeled shoes step on the ground, making a sound of dada.

Proud, cool and full of air.

Wang Fan followed, looking at the slender legs, slender waist, slightly straight buttocks, can't help but think indignantly, really want to conquer this girl.

Lin Ruoxue's pace was so fast that she didn't even look back. She didn't go to see Wang Fan at all.

When she passed one of the boxes, the door of the box suddenly opened with a creak, and a gorgeous woman ran out.

Maybe she ran out in a hurry, and the gorgeous girl directly bumped into Lin Ruoxue. Alas, the whole person fell on his back.

Lin Ruoxue was bumped and staggered for a while, and soon stood firm. She took a cold look at the gorgeous girl, raised a touch of disdain in her eyes, and continued to move forward.

"Oh, beauty, are you ok? I'll help you up if I don't hurt you."

Wang Fan sees this, at the same time wonder Lin Ruoxue this Niang how can calm down, at the same time, quickly step forward, intend to lift the girl up.

Although it's not Lin Ruoxue's fault, it's all gorgeous girls who have been knocked down. Wang Fan thinks it's right to help others.

But who knows, his hands haven't touched the gorgeous girl, he was grabbed by the gorgeous girl, and then pushed away.

Not to mention that, the gorgeous girl pointed to Wang Fan and began to scream, "roll, what are you, dare to eat my mother's tofu?"

"Is it possible for you to touch me? If you dare to touch me again, I'll cut off your cheap hands! "

The gorgeous girl is very domineering, but Wang Fan's face is muddled.

Nima, you are so kind. No wonder no one dares to help the old lady cross the road.

However, Wang fan is too lazy to bother with the gorgeous girl. Just when he plans to ignore the bitch and quickly follow Lin Ruoxue, the gorgeous girl has already stood up and starts to shout at Lin Ruoxue in front of him.

"Lin Ruoxue, are you blind? Bumping into my mother, so I want to leave? " Gorgeous girl is very angry, "immediately roll back to my mother to apologize, otherwise, my mother let people tear your clothes."

Resentment in the eyes and malice in the tone.

Lin Ruoxue listened to the yelling of the gorgeous girl, stopped, turned her head, and came back daddada.

"Liu Yanyan, it's really nice to see you for three days. You have a lot of courage."

Lin Ruoxue said with a slight sneer, "if you hit me, I don't bother to care with you. You are so good that you dare to jump up and yell at me?"

"What? You're backstage? Are you ready? Dare you challenge me? Come on, I'm standing here. I'll see how you tear my clothes

Lin Ruoxue looked down at Liu Yanyan, only disdain in her eyes. That disdain is emanating from the bones, not deliberately revealed.

"It's worthy of being the well-known general manager Lin and the powerful woman from the capital. I haven't seen her for a few days. I'm still so domineering."

"Yes, Mr. Lin had the courage to slap me in public and expel me. There must be some courage."

Liu Yanyan said here, the tone suddenly became sharp, "just, do you think, now I'm still what I used to be? Do you think I'm still Liu Yanyan who was trampled on and beaten in the face by you and didn't dare to fight back? "

"You are wrong! I tell you, my backstage is the Black Wolf Gang. I'm not the one you trampled on at the beginning! "

"If you are wise, you should apologize to me and slap yourself three times, and then it will be over. Otherwise, I will not only tear your clothes, but also find ten or eight strong men to turn you

"More ruthless, I will never let you go out of Jinzhou, back to the capital, do you believe it? Believe it or not

Liu Yanyan pointed to Lin Ruoxue and cried sharply. She used to be the vice president of Yuanbei pharmaceutical industry. Because of corruption, she was found by Lin Ruoxue and kicked out of the company mercilessly.

Unconvinced, Liu Yanyan tries to find Lin Ruoxue and even threatens her social background. However, she is slapped impolitely by Lin Ruoxue and strongly calls the security guard to blow out.

This is the end of their enmity, which Liu Yanyan regards as a great shame.

"Oh?" Lin Ruoxue's face didn't change at all, and there was still a sneer in the corner of her mouth. "I thought you found something. It was just a gangster who didn't belong to the class."

She said, without hesitation came forward, Pa Pa Pa Pa is four slaps in the face, "but, chicken is chicken, clown is clown, no matter how jump, still can't on the table."

"In my eyes, you are always the fan Liu Yanyan. I, Lin Ruoxue, can step on you at any time."

Lin Ruoxue said, then raised her foot and kicked Liu Yanyan to the ground, her voice also became cold,

"remember, you are never qualified to challenge me. If you see me in the future, roll away as far as you

can. If you dare to challenge me next time, I will tear your mouth

"Let's go." Lin Ruoxue said, without looking at the shrieking Liu Yanyan, she walked directly to the distance.

Aggressive side leak.

"Lin Ruoxue, stop, I won't let you go, Bian Shao won't let you go!" Liu Yanyan fell to the ground and screamed, but Lin Ruoxue turned a deaf ear.

Liu Yanyan wants to step forward, but she can't get up. She wants to call people, but the backstage is not in the box at the moment.

It's killing me.

She didn't expect that Lin Ruoxue was so fierce and powerful that she didn't even pay attention to the Black Wolf Gang.

Wang Fan choked at the corner of his mouth and quickly followed.

He has a new understanding of Lin Ruoxue.

This woman is not only unscrupulous in her work, but also sharp in her hand.

Obviously, Lin Ruoxue is a master who is strong and overbearing to the extreme. He can't suffer losses at all, and his flaws must be reported.

Wang Fan even doubts whether Lin Ruoxue does it on purpose. The purpose is to offend the Black Wolf Gang, so that he can pull himself into the water and calculate himself.

After all, he is Lin Ruoxue's bodyguard these days. If the Black Wolf Gang seeks revenge, he must take action.

Chapter 482

"Yanyan, what's the matter with you? Are you ok? Who hit you?" As soon as Lin Ruoxue and Wang Fan left, several gorgeous women came out of the box.

Liu Yanyan covered her face, and her tone was full of bitterness. "Who else is there besides Lin Ruoxue, I'm going to find Bian Shao, and I'm going to kill her!"

"Yanyan, don't get excited. Now Bian Shao is talking about something important with master Huang of shark gang. We can't disturb him rashly."

"But don't worry, Bian Shao likes you so much. When he comes back to know about it, he will certainly

get justice for you."

Several women supported Liu Yanyan and comforted her.

Liu Yanyan was a little unwilling, but she finally nodded when she thought of Bian Shao's style.

She's been very popular recently, but she knows that she's just a plaything. Once it comes to business, Bian Shao will also deal with her.

There is another private room not far away, in which two men sit.

The man sitting on the left is Bian Shao in Liu Yanyan's mouth, whose full name is Bian Hui. The man sitting on the right is Huang biaoqiang, the leader of shark gang.

There is a man standing behind Huang biaoqiang. If Wang fan is here, he will be able to recognize that this man is Zhang Hu, the shark gang who threatened Ning Yao in the bar.

After being slapped in the face at the bar that day, Zhang Hu went crazy to find Ning Yao and Wang Fan, but there was no news.

In anger, he fulfilled his promise and began to retaliate.

He not only told his elder brother Huang biaoqiang about Ning Yao's betrayal of Dong Ben, but also pulled Wang Fan into the water, saying that Wang Fan was the direct murderer of Dong Ben.

Originally, Zhang Hu just wanted to kill people with a knife, but he didn't expect that Wang Fan was the murderer who killed him.

After Huang biaoqiang knew the news, his mind moved, and he immediately asked the Black Wolf Gang Bian Hui to meet here.

As a senior member of the Black Wolf Gang and a confidant brought by the leader of the gang from Japan, the Black Wolf Gang naturally attaches great importance to his death, but he has not found the murderer.

Now hear Huang biaoqiang murderer news, Bian Hui naturally won't neglect, immediately rushed over.

Bian Hui holds the photos of Wang Fan and Zhang Hu, and looks at the evidence that Zhang Hu secretly searched. His eyes are cold, but his heart is very excited.

If he can take care of this and avenge donamoto, his position in the Black Wolf Gang will be further enhanced and appreciated by the leader.

"Hall master Huang, I really thank you this time. As a senior member of our Black Wolf Gang, Mr.

dongben was killed secretly by the curfew. This is the shame of our Black Wolf Gang."

"Don't talk too much. You will be my brother. If you have something to say, you will never frown."

Bian Hui said, but also shuasha out of two million checks handed in the past, "this is my little brother a little mind, also please accept the Yellow hall."

Huang biaoqiang laughs, takes the check and puts it in his pocket, "brother Bian says that you'll be surprised. This is what brother should do."

"Although you and I are in charge of our own affairs, it is inevitable that there will be some small frictions on weekdays. No matter how we say it, we can't allow outsiders to show their power over us."

"What's more, there have been a lot of ups and downs in Jinzhou recently. The Zhong family was slaughtered overnight, and many other forces have sprung up, especially the dream Pavilion."

Speaking of Yuanmeng Pavilion, Huang biaoqiang's expression became dignified. "At this juncture, our two gangs should unite against the enemy instead of fighting inside."

This is also the second purpose of his appointment with Bian Hui to ease the relationship between the two gangs and temporarily unite with foreign countries.

Jinzhou is not peaceful recently. Not only is the Zhong family weak, but countless new forces have emerged.

In particular, a force called yuanmengge has incorporated numerous large and small gangs in just one month by means of thunder. It has a potential to compete with the Black Wolf Gang and the shark gang.

For the dream Pavilion, whether it's the shark gang or the Black Wolf Gang, they know little about it.

They sent countless people to search for the bottom and make trouble, but they didn't take advantage of it. On the contrary, they suffered a lot.

This is not the most terrible. The most terrible thing is that for such a long time, they didn't know who was the boss of the dream Pavilion.

There are no photos, no information, not even men or women.

They only know one code name, that is, the dreamer, and they don't know the rest.

The mystery of the dream Pavilion leader made the shark Gang afraid, so they had to plan to alliance temporarily.

"What Lord Huang said is, but I can't be the leader of the Alliance for the time being. I have to report

back. Don't worry, master Huang. I will try my best to persuade the leader to reach an alliance. "

"What's more, I also believe that the shark gang will agree to find out the real murderer of Dongbenjun."

Bian Hui didn't dare to nod his head. The alliance is a big event. He can't be the master, nor is he qualified to be the master. Once he dares to act as his own master, I'm afraid he will be killed by the leader.

"I'll wait for good news." Huang Biao forced a smile, touched the glass and drank it down.

Bian Hui didn't neglect him either. He was dry to the end.

After drinking, he looked at Huang Biao, with a smile in his eyes that men all know, "brother, I brought a lot of women to play with me today?" "It's rare for me to have a heart. It's better to be respectful than obedient." Huang Biao forced a smile. They got up and went to Liu Yanyan's box.

Zhang Hu is behind, like a pug, from beginning to end, there is no part of his speech.

Two people hook shoulder to shoulder, quickly came to Liu Yanyan's box, looking at the Yingying inside, Huang Biao's eyes are a little bright.

Although Liu Yanyan doesn't have Lin Ruoxue's temperament, she is also a high-grade gold collar, beautiful figure, needless to say.

Most of the women in the box are brought by her, either colleagues or friends. She can also get high marks for her beauty and temperament.

In addition, these women are all for the sake of gaining popularity and making friends with powerful people, and they are all able to let go, which naturally makes Huang Biao very excited.

"How are you, brother? Are you satisfied? Let's play later. I'll tell you which one I like, and I'll help you. " Bian Hui looked at Huang Biao and said with a smile.

"I have a heart." Huang Biao said with a strong smile, but his eyes turned to Liu Yanyan who was sitting in the middle.

This woman, bold in scale and coquettish in behavior, makes people feel impulsive.

Her coquettishness is not deliberately pretended, but emanated from her bones. This kind of woman has an irrepressible attraction to Huang Biao.

But Huang Biao didn't show it immediately. He didn't know whether Liu Yanyan was Bian Hui's woman.

If Liu Yanyan is a Bian Hui woman, he will endure even if he is moved. He can't destroy the good relationship between them because of women.

"The edge is less." Just when Huang biaoqiang was in a little mood, Liu Yanyan also saw them.

As soon as her eyes turned red, she stood up with a choking voice and ran to Bian Hui with a face full of grievances.

"Bian Shao, just now a bitch hit people in the face. You see, she hit people in the face and kicked them several times. You have to make decisions for them."

Liu Yanyan pursed her ruddy mouth with a pitiful expression and watery eyes, as if she was going to cry at any time.

While arousing Bian Hui's sympathy, it also aroused Bian Hui's anger.

This woman's expression is half true and half false. She is full of drama. She knows how to make use of women's advantages and is good at acting.

Chapter 483

Wang Fan followed Lin Ruoxue and soon came to box 17.

When they entered, there were many people in the box.

Most of them are women. It seems that they are either rich wives or young ladies. They are either rich or expensive.

There are still many muscular men standing behind them, who are bodyguards at first sight.

"If snow, you can come, everyone is waiting for you, come and sit down quickly." A woman in her twenties and twenties, who could score eight points in her beauty, immediately got up and welcomed her with a smile.

When she talks with Lin Ruoxue, her eyes sweep over Wang Fan. She is surprised for a moment, but it soon dissipates and smiles politely at Wang Fan.

Wang Fan also smiles at the woman and looks at the rest of the people sitting on the sofa.

The women were chatting together. When they saw Lin Ruoxue, except for one of the women in her 356 years old who didn't look up, all the others were smiling and showing friendliness.

Among them sat a man of two or seven or eight years old.

The man is wearing a famous brand, a dazzling Rolex gold watch in his hand, a sword eyebrow and a star

in his eyes. He is handsome with a little natural curly hair. He is handsome and full of masculinity.

He has a gentle smile on his face and keeps a close distance with many women. He does not make people feel alienated, unnatural or frivolous. He is elegant and elegant.

Seeing Lin Ruoxue, the man's eyes brightened and stood up with a polite smile. However, he did not come forward to meet, just showed the due demeanor.

Wang Fan sighed that the face slapping drama would be staged again. If he had known it would be like this, he should have paid more.

"Yunyun, you're joking. Everyone is here. How can I not come. What's more, Mr. Ma and I still have business to talk about. It's not good to break the appointment. "

A wisp of smile appeared on Lin Ruoxue's face for the first time. The girl called yunyun pulled her to the crowd.

"Yo Yo, Lin can really talk."

The only woman who didn't show her welcome to Lin Ruoxue in her thirties and sixties raised her head, and her sharp corners of her mouth rose slightly. "If you really valued this business, you wouldn't be so late."

She looked at Lin Ruoxue obliquely, showing an undisguised hostility, "let us all wait for you alone, Mr. Lin is really full of airs."

As soon as Wang Fan heard this, he knew that the woman was afraid of having a grudge against Lin Ruoxue. He could not help but secretly stepped back two steps and left the battlefield.

Lin Ruoxue is not angry, just a smile, "Ma always joked, I Lin Ruoxue again have airs, also can't put on airs in front of Ma, I punish a cup, apologize."

Lin Ruoxue said, without hesitation, he poured himself a glass of red wine.

Just as she was about to drink, a white hand that made women jealous stretched out and pressed it on the glass.

"Mr. Ma is joking. Mr. Lin must not mind. If you have to make amends, I'll drink this for you. "

Xie Yunqing said as she stepped forward. She was so graceful that she could kill a lot of young girls.

When talking, Xie Yunqing also glared at Ma Lingru discontentedly.

Although Ma Lingru was a little upset, she did not continue to make trouble.

"I'm sorry, I don't have the habit of having people drink for me. What's more, I'm not familiar with Xie Shao. Please respect yourself."

Lin Ruoxue didn't give Xie Yunqing face, light said, put Xie Yunqing's hand away, took the red wine and drank it.

"I'm sorry, I'm being rude." Xie Yunqing did not show anger, just said with a smile, and then sat back in his seat.

Ma Lingru was a little upset. She couldn't help saying, "Mr. Lin is really arrogant. He doesn't even give Xie Shao face. He deserves to be a golden flower from the capital."

With that, she looked at Xie Yunqing and said bitterly, "Xie Shao, the general manager of the forest is the capital's gold. I'm afraid you're going to waste your time. Why do you have to stick your face to others' cold butt?"

"After today, my sister will introduce you another one, which is ten times better than her Lin Ruoxue."

On hearing this, it is obvious that Xie Yunqing came to Lin Ruoxue, mostly to pursue.

Not only Lin Ruoxue frowned, but Xie Yunqing also frowned.

Xie Yunqing is very discontented stare Ma Lingru one eye, but did not attack.

Although he is a young man in Shencheng, he is not qualified to have an attack with Ma Lingru. Because Ma Lingru is only his best friend in bed, not his subordinate lover.

"Mr. Ma is joking. Xie Shao's status is outstanding and his demeanor is full. There must be too many pursuers. How can he take a fancy to Ruo Xue? What's more, if snow already has a sweetheart, she doesn't dare to play with Xie Shao's feelings. "

Lin Ruoxue's words are beautiful, but she directly refuses Xie Yunqing.

That means obviously that you don't want to waste your mind on me. I won't take a fancy to you.

"Sweetheart?" Ma Lingru's eyes brightened, and the corner of her mouth sneered even more, "isn't Lin always pretending to be high and despise men? When is there a sweetheart? Why don't we know?" Then she looked at Wang Fan, who was retreating quietly. "I almost forgot that Lin didn't come alone. By the way, he's not your sweetheart, is he? "

"But how do I think he looks like a bodyguard? It's not right. Aren't you surrounded by Yang Wu, the first bodyguard? When did you change people? "

Ma Lingru is really a little confused, and finally can't help adding, "is he your bodyguard or your sweetheart?"

Lin Ruoxue smiles and is about to speak. Unexpectedly, Wang Fan comes up all of a sudden and says with a flattering face, "if you go back to Mr. Ma, the little one is a bodyguard, a bodyguard."

Wang fan doesn't want to get involved in the core of this group of old women and young people's jealousy. It's better to pick himself out.

Lin Ruoxue almost didn't choke to death. NIMA, even a bodyguard, should have said it.

Wang Fan said that, is not that to be her sweetheart shame?

How unreasonable!

Ma Lingru is a Leng at first, and then sips her mouth and laughs instantly.

Wang fan is quite to her taste.

She directly threw out the olive branch, very impolite pry the corner, "young man vision is good, much stronger than that Yang Wu.". How much salary did Mr. Lin give you? I'll give you double. Why don't you follow me? "

"Hey, hey." Wang Fan sent out a smile like a dog leg. He was about to nod his head and take over the business ahead of time. Unexpectedly, Lin Ruoxue was cruel to him.

"What do you want? Don't forget, you are still my man, don't eat inside and outside Lin Ruoxue's face is bashful, her words are angry, and she hates that iron is not steel. "Go and stay with me. You are not allowed to speak without my command."

"Oh." Wang Fan answered and ran away like a rabbit. It's too much pressure to stay here. He really doesn't want to get involved in disputes.

However, Wang Fan's face soon became ugly again. NIMA was once again put on by this slut.

Chapter 484

Sure enough, Ma Lingru, Xie Yunqing, Jiang Yun and other people's eyes became shocked, as if they had seen a ghost alive.

Especially Xie Yunqing, the eyes that inadvertently swept Wang Fan's back, flashed a trace of obvious killing intention.

Lin Ruoxue, the president of Beijing, is as aloof as a peacock on weekdays. She is cold and arrogant, but also inhumane. When has she been so close to a man?

If Wang fan is just a bodyguard, will she show this kind of flirtation between lovers?

Let alone Wang Fan, the bodyguard of Yang Wu, who has been with Lin Ruoxue for so long, Lin Ruoxue has never been so close, and often scolds Yang Wu every minute as a dog.

It's obvious that Wang fan is not Lin Ruoxue's sweetheart, or Lin Ruoxue's little white face who can't bear the lonely bag. Anyway, he is definitely not a bodyguard.

After all, although Wang Fan's height is good, but he is not burly. Where can he have the appearance of a bodyguard?

After Ma Lingru recovered, she laughed in her heart.

At this moment, Xie Yunqing is afraid to die in pursuit of Lin Ruoxue.

If she can dig up Wang Fan again, she can beat Lin Ruoxue in the face.

Ma Lingru did not expect, she just casually said, casually asked, even forced out the relationship between the two.

It was a windfall.

Wang Fan secretly scolds Lin Ruoxue for her deep intention and pulls herself into the water, but he doesn't go back to explain. In this case, it will only become darker and darker.

He soon came to the group of waiters, chatting happily, and soon became one with the group of waiters, laughing and ambiguous.

"Lili, I see that you always hold your chest up and frown, but you still take out air conditioning. Is it because your chest is stuffy and painful, and sometimes you can't breathe well?"

Wang Fan grabbed a tall girl's tender white hand and asked with concern.

Lili was caught by Wang Fan's little hand. She was a little shy, but when she heard Wang Fan's words, she immediately opened her mouth and said, "brother fan, you know this, are you a doctor?"

"Of course." Wang fan is proud, "I'm a little miracle doctor in Jinzhou. I have headache, fever, infertility, chest pain, stuffy hair, irregular menstruation. There's no brother fan I can't cure."

"You can blow it. If you are so good, will you still be a bodyguard? They have been poached by big hospitals for a long time. " One of the waiters said sarcastically, turning her lips.

Where there are people, there are rivers and lakes. Although she is a Senior Waiter, she is also the one

who starts with an annual salary of 100000. She looks down on Wang Fan from the bottom of her heart.

"Honghong, how can you say that I'm bragging? To be honest, the president of the first people's Hospital cried and begged me to go to their hospital, but I didn't go. "

Wang Fan did not get angry, but said very seriously.

"Cut." Honghong gives Wang Fan a white eye and raises her head with pride, disdaining Wang Fan.

Although she can't squeeze into the powerful circle of Lin Ruoxue, she still has a sense of superiority in front of Wang Fan.

"Brother fan, can you really cure me? Don't lie to others." Lili did not believe it, but let Wang Fan grasp the small hand, red face said.

"How can I cheat you, brother fan? I'm not only a gold medal bodyguard with a monthly salary of 10 million, but also the first security minister of Yindi group. How can I cheat people

Wang fan made an unhappy appearance. Nowadays, some people believe lies, but no one believes the truth. Is this swelling?

"Blow, continue to blow, monthly salary ten million, also do security minister, you who believe that." Honghong spat again. She couldn't stand Wang Fan's boasting.

Wang fan is a little speechless. He says that his monthly salary is very modest. In fact, he made 10 million yuan from Lin Ruoxue in three days.

Wang Fan ignored Honghong, but looked at Lili, "Lili, do you want to know how it doesn't hurt?"

"Yes." Lili blushed and nodded.

"Come on, brother fan told you quietly, don't let that annoying red hear, don't think I don't know, she's like you."

Red red face immediately, in fact, she is similar to Lili, even more serious than Lili.

Originally, no matter whether Wang fan is bragging or not, she wanted to hear how Wang Fan was treated, but she didn't expect that Wang Fan was so cheap.

"Oh." Lili nodded, blushed and put her ears close to her.

Wang Fan said a few words, Lili's pretty face suddenly Teng red, but also can't help beating Wang Fan a few times, "hate."

Then she couldn't help asking, "is that true? Is it really that simple? "

"Of course, if you don't believe me, I'll give you a few massages when you come back. I'll make sure you get rid of the disease." Wang Fan said with pride.

Lili was stunned, looked around, said to her sisters, helped her hold for a few minutes, and then ran out of the box.

Five minutes later, Lili came back and sat down in front of Wang Fan with a red face.

Wang Fan took Lili to the corner.

Honghong's mouth is wide open. I don't know what these two people are going to do. How can they steal Qing? Honghong obviously sees that Wang fan reaches into Lili's chest and touches her through her clothes. Before long, she vaguely hears Lili's blushing voice.

"Son of a bitch, hooligan, only Lili can be fooled. A rotten bodyguard is really not a thing." Red red heart hate scold.

Over there, Lin Ruoxue, Ma Lingru and others naturally saw this scene, and they were stunned.

Wang fan is really powerful. In just a few minutes, he managed to deal with the waiters.

You know, the waiters here are all undergraduate students, who have experienced professional training, with an annual salary of at least 100000 yuan.

Although the identity is far worse than them, it is not easy for ordinary people to get it.

Lin Ruo Xue gritted her teeth angrily. This son of a bitch is obviously doing it for himself. It's really hateful.

She really wanted to slap Wang Fan.

Ten minutes later, Wang Fan returns with Lili. Wang Fan's face is happy, but Lili's face is with an unnatural blush.

But she felt a lot more comfortable, no pain, no depression, and even quite comfortable.

Although Wang Fan's treatment was a little shy just now, it really worked. She also admired Wang Fan from the bottom of her heart.

"Lili, you are a disgrace to us." Red red hate iron not into steel, said Lili a, and then looked at Wang Fan, "waste, I thought how powerful, did not expect only ten minutes."

Her eyes were full of disdain.

The trough.

Wang Fan widened his eyes, while Lili stamped her feet in shame, "Honghong, what are you talking about? What's the mess. Brother fan is treating me. It really works. Why don't you let brother fan also show you? "

"I'm not." Red red conditional reflex back to a, and then can't help asking, "really work, you really don't hurt, you can't cheat me?"

She knew Lili very well. Although she was simple and easy to be deceived, she never lied.

"How can I lie to you?" Lili said, and put her lips to her red ear to whisper.

After hearing this, Honghong blushed and ran out immediately. She came back five minutes later.

She went to Wang Fan, can't help but say, pull up Wang Fan to go to the previous corner, a pair of eager appearance.

Although Honghong doesn't want to take advantage of Wang Fan, she still plans to put down her so-called face and take advantage of this son of a bitch.

"What are you doing? I'm not that kind of person. " Wang fan is a little shy, but also some reluctant, "I know I'm young and golden, long and handsome, but I'm really not that kind of person."

"Besides, I only have ten minutes. It's too short. You'd better find someone else."

Red red listen to this, almost can't help a slap fan in the past.

Chapter 485

"What do you think? Who's going to do that with you? I want you to help me, just like lily Honghong said, head down and face red.

"No treatment." Wang Fan shook his head, "don't you believe me? You don't believe me. What else can you do?"

"You." Honghong cried quickly. She didn't expect that she would pull her face down and even secretly let Wang Fan take advantage of it. Wang Fan was still reluctant.

It's Wang Fan who takes advantage, but it's her who suffers.

Where can I find such a good thing?

"Brother fan, just show it to Honghong. I know Honghong shouldn't underestimate you just now. We'll invite you to dinner after work to make amends, OK?"

Lili hurried forward, grabbed Wang Fan and began to act coquettishly.

Although Honghong is a little mean, she is kind and takes care of her. She didn't want to see Honghong's chest pain every day.

"I'm sorry. I shouldn't look at people with a dog's eye. I'm wrong. Just help me." Hong Hong also said. In order to no longer endure the torture of chest pain, she also struggled.

"Well, since you have said that, I will try my best to help you. I'll tell you, you're taking a big advantage. "

"If you go to the hospital like this, you can't get down without one hundred and eighty thousand people. You may not be cured."

"Originally I wanted to collect some money, but for Lily's sake. You know, I charge a lot. I never do it without a million dollars. "

Wang Fan said.

He didn't mean to embarrass Honghong at all, but he just gave a little punishment to her contemptuous people.

Red red listen to this, almost want to say that Wang Fan boast, finally put it down, "then thank brother fan."

"That's good." Wang Fan, with a smile, went to the corner again.

Lin Ruoxue over there looked at this scene, and finally could not sit still any more. Teng stood up, "Wang Fan, you stop for me."

She yelled and walked to Wang Fan with long legs, "where are you going? Do you still have some professional ethics when you pick up girls in front of me

"You are very capable. You cheated two girls in just a few minutes. How shameless are you?"

"Get the hell out of here. You can't go anywhere without my permission." Lin Ruoxue grabs Wang Fan's ear and drags it behind him, then looks at Honghong.

"You are also a Senior Waiter in the club. Do the people who seduce me in front of me pay attention to me? Do you want me to complain? "

Lin Ruoxue angrily pointed to the red nose and scolded, but also raised a slap, it seems to fight down.

Red scared face is white.

Lin Ruoxue, the most respected customer of the club, is famous for being cool, arrogant and domineering. Even the boss is in awe of the existence of three points. How can she be a little waiter?

If this matter comes to the top, it's hard to say whether she can keep her red rice bowl, even her life.

She didn't expect that Lin Ruoxue attached so much importance to Wang fan that she was unlucky for Wang Fan to come to her.

You know, this is the first time.

Lili over there is also scared white face, even legs are shivering up.

She also didn't expect that Lin Ruoxue would attach so much importance to Wang Fan, because this little thing is angry.

It's not like a bodyguard. It's like the palace seizing the husband who stole food.

"Oh, Mr. Lin, calm down." When Wang fan saw the situation, he quickly hugged Lin Ruoxue from behind. "You said that you are the Grand President, but now you bully two waiters. Is that interesting?"

"Don't scare other girls. It's too cheap. What's more, it's all my fault. What do you do for others? "

Wang Fan quickly came out to make ends meet.

He was a little depressed. How could he be shameless and cheat other girls? I'm treating diseases and doing good deeds.

Just, for the sake of Lin Ruoxue not to embarrass the two little girls, he could only bear this tone and comfort them.

Nima Oh, I'm not a Lin Ruoxue man. Is this too wide?

Wang Fan was very upset.

Looking at Wang Fan holding Lin Ruoxue, but also dare to help themselves speak, red Lili is completely silly.

This is the rhythm of breaking the sky.

Can the powerful and domineering Lin Ruoxue listen to Wang Fan?

They are very worried about Wang Fan. According to Lin Ruoxue's character, the next second, they will definitely reprimand Wang Fan as a dog.

However, Lin Ruoxue's performance makes them stare big again.

"Let go and get out of here." Lin Ruoxue yelled directly, grabbed Wang Fan and left here. Although the tone is still domineering, but did not continue to challenge them.

"Mr. Ma, I agree to your request and compare with you. But you have to keep your word. If you lose, give me a list of 100 million yuan. "

Lin Ruoxue grabs Wang Fan, goes to Ma Lingru and others, and nods directly."OK, but if you lose, you should give me this handsome guy." Ma Lingru nodded.

"No problem." Lin Ruoxue nodded.

"Stop, stop." Wang Fan some inexplicable, "what are you talking about, what matters to me?"

He looked at Lin Ruoxue and raised his hand to protest, "Mr. Lin, I'm your bodyguard, not your goods. You're not qualified to bet on me, are you? Do you have my consent? "

Nima, it's too hard to be a bodyguard, isn't it?

"Wang Fan, I can only hurt you for business. I gave you face just now. If you don't hold them responsible, do you want to give me face as well? "

"If you don't want to be shameful, just show your strength. After it's done, I'll award you 10 million."

Lin Ruoxue looked at Wang Fan and said with a smile.

"What do you mean, I still don't understand." Wang Fan felt the deep pain, this girl, is really digging holes for herself everywhere.

"It's very simple. You compete with Mr. Ma's bodyguard. If you win, our business will be closed and you will complete the task. If you lose, you will be her person, and then you will follow her. "

Lin Ruoxue said with a smile.

Ma Lingru listens to Lin Ruoxue's words, also followed to smile, "little brother, you can rest assured, I will let my bodyguard start lightly."

"When you follow me, it will be more comfortable than following Mr. Lin. no one will scold you any more."

With Ma Lingru's words, the muscular bodyguard behind him grinned at Wang Fan, and clasped his fists and collided with each other in the air, making a heavy sound.

It's full of momentum.

Wang Fan choked at the corner of his mouth, "Mr. Lin, can I not compete? Can I not take my bet? I'm still young. I don't want to die. "

"Look at other people's muscles, and then look at me. I'm thin in arms and legs. Where can I be an opponent? Or you call Yang Wu. He's your first bodyguard. "

Listening to Wang Fan's words, Ma Lingru laughed, and the bodyguard also showed disdain in his eyes.

Lin Ruoxue frowned, "it's not that I don't call Yang Wu. It's Yang Wu who is not his opponent at all."

"This man is a mercenary hired by Ma Zong at a high price from abroad. He has strong strength. Yang Wu is in his hands and can only support 20 moves."

"Of course, if you really don't want to compete and make your own bets, you can, and I'm not reluctant. But I'm going to hold them to account. "

Red fruit threat.

"Well, I'm better than that!" Wang Fan, with a sad face, gritted his teeth and nodded.

"Well, let's go." Lin Ruoxue stood up and went out with Wang Fan.

Ma Lingru and others followed.

Chapter 486

Maybe life is too comfortable now, or maybe they want to seek stimulation. Today's rich women don't like mahjong any more, but they like hot-blooded and exciting programs.

For example, balling.

In order to meet the needs of rich women, flame Club built a small place of more than 200 square meters underground.

In the middle, a solid arena more than one meter high was built with cement, and the two sides were surrounded by iron chains.

Every day, the club will send people to fight at a fixed time to attract the support of those rich women.

Here, maybe it's not as bloody as underground black fist. It's easy to die. But for ordinary people, it is

still full of impact.

The dazzling blood, the roar of battle, the solid strong collision of every punch and foot can still stimulate the deepest violence in my heart.

Of course, the club does not use its own people in every competition. If a guest wants to send someone out, it's OK.

As long as you sign an agreement with the club and make it clear that life and death are not related to the club during the battle, and then pay the corresponding fees, you can send someone on the stage.

When Wang Fan entered the arena, there were two muscular men fighting.

You punch me a leg, all dance huohuoshengfeng, two people each fierce collision, will send out a deep explosion, occasionally mixed with blood gushing.

This exciting scene made the rich women scream, wave their fists and shout, and shake their heads.

There are even some crazy women who tear off their underwear, hold it in their hands and swing wildly.

All the rich women present here, at this moment, no longer have the noble reserve of the past, all reveal the most real side of their hearts.

Wang Fan looked at the scene, stunned.

His eyes were rolling wildly, admiring the bold women and sighing their madness.

"If you have time to appreciate them, you might as well think about how to face them later. That guy is not so easy to deal with. If you lose, you will be disgraced. "

Lin Ruoxue looks at Wang Fan, who is crazy about flowers. She hums coldly and says that she is not angry.

Wang fan is indifferent, "big deal, I'll follow Mr. Ma. Although Mr. Ma is a little older, he's still very charming. There's a saying. It's still charming. Anyway, I don't care. "

"Hum." Lin Ruoxue snorted and said, "do you think Ma Lingru really has a crush on you? Don't be naive. "

"The reason why she's nice to you is just to disgust me and give me eyedrops."

"If one day, she knows that I don't care about you at all, we don't even have much friendship. With her character, I'm sure she'll tie you up with a dog chain and treat you as a pet. "

Lin Ruoxue is very evil to say, but also to the point.

Wang Fan hit a spirit, subconsciously looked at Ma Lingru in the distance.

Ma Lingru seems to have a sense of it. She smiles at Wang Fan vaguely and blinks like an electric discharge. Then she deliberately twists her waist and buttocks to the management room in the distance.

That hip waist swaying, rippling out of the attractive arc, inexplicable some impulse, can't help but want to commit a crime.

It has to be said that although the girl is older and less beautiful than Lin Ruoxue, she is much stronger than Lin Ruoxue in some aspects.

Wang Fan choked at the corner of his mouth and quickly took back his sight. He did not dare to look again. This old woman is not his dish. He'd better save his energy to appreciate other beauties.

Lin Ruoxue looked at this scene, with a faint smile, took Wang Fan to a position to sit down, legs slowly staggered at the same time, asked, "what's your chance of winning?"

"There's no chance of winning." Wang Fan answers, but his eyes are involuntarily attracted by Lin Ruoxue.

This woman is learning from Ma Lingru.

Her previous interleaving, blooming a ray of exciting spring, people can't help but want to sink in.

But the irritating thing is that when you want to capture it carefully, you can't see anything, which makes your heart itch.

"It seems that you are determined that I will lose." Lin Ruoxue sighed a little, suddenly attractive red lips close to Wang Fan, the tone became sad, "do you really have the heart to lose? Do you really have the heart to be insulted and trampled by that old woman? "

Lin Ruoxue's dark eyes became watery, as if dripping tears at any time. She stretched out her tender white hand and drew a circle on Wang Fan's chest while saying, "I don't ask you to win, but you must do your best, OK? As long as you do your best, even if you lose, I won't blame you. I'll try my best to pay for it and not let you become her slave. "

Wang Fan was made by Lin Ruoxue some mind ripple, this woman's unscrupulous, he can really appreciate. In order to win, even at acting, at let oneself eat tofu.

"Good." Wang Fan grabbed Lin Ruoxue's little hand and put his arms around her slender waist. "For you, I'll do my best."

Lin Ruoxue's eyes flashed a touch of shame and anger. She wanted to struggle, but in the end she held back. But soon her pretty face turned red, her mouth widened, and the shame and anger in her beautiful eyes turned into anger.

She grabbed the hand sliding deep into her thigh and couldn't help asking, "what are you doing?"

This son of a bitch is so hateful. Even if the hand on his waist is not honest, this hand is even more dishonest.

Lin Ruoxue is very angry.

However, the tone of her questioning was a little weak. It was more like a shame to refuse and welcome.

"Nothing." Wang Fan blinked, some innocent, "I see Mr. Lin's legs are always moving, thinking about whether it's uncomfortable, so I'll give you a massage."

"Mr. Lin, I'm the best doctor in Jinzhou. I know how to massage. I'm sure you'll feel comfortable when you open your mouth."

Just when Lin Ruoxue wanted to capture Wang Fan with beauty and let Wang Fan go all out, Wang Fan was scheming and wanted to get back some interest first, the fight in the challenge arena was coming to an end.

With a loud bang, the muscular man in white punched the man in red. The man in red opened his mouth and spat out a long mouthful of blood. The whole man fell down the challenge arena like a kite.

The whole audience screamed instantly, and most of the young women and girls stood up excitedly, waving their underwear, which was crazy.

At the end of the battle, an enchanting girl in her twenties came to the stage and said with a microphone,

"Dear gentlemen and ladies, on behalf of flame club, I would like to thank you for your support. Then there will be a fight. "

"The two sides of the battle are the bodyguards of MS Ma Lingru and MS Lin Ruoxue. We will see."

The beauty presided over and left the challenge arena with graceful steps.

At the same time, Ma Lingru side that burly strong bodyguard, a face arrogantly mounted the challenge arena.

The audience was stunned at first and then screamed.

"Wow, death!"

"Death again!"

"He's my idol!"

"Isn't Lin Ruoxue shameful enough, and dare to challenge Ma Lingru? Although her background and strength are extraordinary, her bodyguards and Ma Lingru bodyguards are not at the same level at all. "

"Yes, yes. A few days ago, the bodyguard named Yang Wu claimed to be the first bodyguard under Lin Ruoxue. He came on stage in such a huff that he didn't beat like a dog in the end? "

"Is it difficult for Lin Ruoxue to invite another expert?"

There was a lot of discussion under the stage, and Ma Lingru's bodyguard, the God of death, pointed to Wang Fan with an arrogant face.

"Get the hell out of here!"

Boom!

It's going to explode.

Chapter 487

Wang Fan's mouth is curled. It's better than pretending. There's really no one else.

He reluctantly let go of Lin Ruoxue, leisurely finishing clothes, then got up and planned to walk to the challenge arena.

Just as he just got up, Lin Ruoxue suddenly grabbed his arm.

"Mr. Lin, you." Wang Fan frowned and was about to ask.

Lin Ruoxue has suddenly stood on tiptoe, like a dragonfly on Wang Fan's forehead, a smile, charming sentient beings, "go, I'm here, waiting for your triumphant return."

Wang Fan looked at Lin Ruoxue's appearance, with a short absence, but he soon regained consciousness.

This girl, in order to win, also really fight.

He raised his fingers, pinched Lin Ruoxue goose's white chin, showed a trace of ruffian smile, and said proudly, "wait, my king will come back soon."

With that, Wang Fan marched toward the challenge arena.

Lin Ruoxue's heart boom, there is a short empty.

Looking at Wang Fan's far away figure and recalling Wang Fan's previous ruffian smile, her mood rarely has waves.

Especially that silk ruffian smile, deeply fixed in her mind, unable to disperse.

"Ah? Is He Lin Ruoxue's bodyguard? "

"No, he doesn't look as good as Yang Wu."

"I'm sure he'll be knocked down by death."

"I don't think so. Since Lin Ruoxue dares to send him out, it means that he must be more powerful than Yang Wu."

Looking at Wang Fan, the audience began to talk again.

But Wang Fan did not pay any attention to it. He walked slowly to the front and back of the stage and climbed up in a very clumsy way.

All the people under the stage looked at the scene and burst into laughter, especially the women. They were all laughing, and they were about to laugh.

Death also showed contempt in his eyes. He looked down on Wang Fan and didn't want to fight with Wang Fan. It was a shame.

Just because of Ma Lingru's order and the conditions that made him excited, he had to fight again.

"Ready? I'm going to make a move! " As soon as Wang Fan had just stood up, the God of death made a good move and planned to give Wang Fan a fist first.

But Wang Fan called to stop, "wait a minute."

"What's the matter? Is there anything you want to say? If you want to beg for mercy, forget it. There's no begging for mercy here, there's no giving up. It's only when one side is knocked down from the challenge arena that it's over. "

"But don't worry, I won't let the fight end so soon. How can I show my strength if I don't trample you? "

Death disdains to stare at Wang Fan and says openly.

Although Ma Lingru is warm to Wang Fan on the surface, he even wants him to show mercy to Wang Fan. But Ma Lingru said behind his back that he must fight Wang Fan. His father and mother can't find the north.

Only in this way, she can beat Lin Ruoxue's face hard, and make Lin Ruoxue completely unable to lift her head.

"Who said I was going to beg for mercy?" Wang Fan snorted disdainfully, then raised his head and looked proud. "I'm the first champion of Jinzhou and the first escort king of Jinzhou. Will I beg for mercy?"

Wang Fan stretched out three fingers, "you are such a thing. I can handle it with three moves. Is it ridiculous to say I beg for mercy?"

Wang Fan hummed, and his tone was disdainful. "The first reason why I called to stop was that I wanted to understand the fighting rules. The second reason was that I wanted to say hello to the beauty under the stage. Don't be sentimental."

Death was almost angry and despised. It was contempt for him.

He didn't expect that Wang Fan, who looks so weak and explosive, would dare to look down on himself. This is a great shame!

"The rules of the game are very simple. As long as one side is beaten down, it will lose. As long as no weapons are used, any means can be used. Do you understand?"

The God of death roared at Wang Fan impatiently, clenched his fist again, and began to build up his strength, ready to send out a thunderbolt.

This son of a bitch is so hateful that he must trample it. Even if he can't kill Wang Fan, he should let him live rather than die.

"I see." Wang Fan nodded.

"Well, you can die." Death said, directly clenched his fist and rushed to Wang Fan again.

"Wait a minute." However, before he rushed to Wang Fan's side, he was stopped by Wang Fan again.

The God of death almost didn't have a mouthful of blood to gush out, and his anger couldn't be vented. "Are you still finished? Can you compare it?"

"Certainly." Wang Fan some innocent, "I just said, I also want to say hello to the beauty, wait for me to say hello, let's compare?"

"I said you're a bad tempered man. You don't seem to have good ears." Wang fan is very dissatisfied with the hum.

Looking at this scene, Ma Lingru's face is a little ugly, but Lin Ruoxue's eyes are bright.

Wang fan is playing psychological warfare.

He twice called to stop when the God of death was ready to go. Obviously, he wanted to disturb the mind of the God of death and enrage the God of death. In this way, Wang Fansheng's calculation was greatly increased. Similarly, the God of death has indeed been deceived, not only has his face turned red, but also he is on the verge of losing his mind.

In addition, the ancient adage of "working hard in one drum, declining again, and exhausting three times" means that the power of death will be greatly weakened when it accumulates its power for the third time.

Wang Fansheng will add another 20%.

"Stupid, stupid." Ma Lingru gas jump feet, but can't stand up to remind, in that case, will only backfire.

She can only secretly scold Wang Fan for being cunning, not a thing.

Fortunately, the strength of the God of death is good, even if angered, Ma Lingru still has a lot of confidence in the God of death. Otherwise, she would have left long ago and had no face to stay here.

Lin Ruoxue picked up a grape in one hand and slowly put it into her fragrant lips to chew. Her beautiful eyes were staring at Wang Fan without blinking, and her eyes were shining with appreciation.

Wang Fanke ignored them. Instead, he swaggered to the stage and waved to the crowd like a star. Then he began to introduce himself.

"Hello, everyone. I'm wang fan, chairman of Wang Fan Anbao company, nicknamed Shensi. I'm lucky enough to fight with death today. I won't let you down. "

Death almost vomited blood when he heard this.

Nima, he called death, but Wang Fan took a God to die. Is this the rhythm of face beating?

Lin Ruoxue's mouth also can't help choking. This son of a bitch, he doesn't forget to advertise everywhere.

"Well, it's time to start." Wang Fan said, immediately toward the death ran in the past.

Instead of punching or kicking, he spread out his arms and hugged death like a lover.

When the audience looked at this scene, they didn't know what Wang Fan was going to do.

They've seen so many fights, and they've never seen anything like Wang Fan before. Is that a Toby?

The God of death looked at Wang Fan's performance, and then roared like a wild animal, and then swung his iron fist to Wang Fan's head.

But when his fist was about to hit Wang Fan's head, Wang Fan was like tripping over a stone. He fell to the side, and then escaped death's fist.

Death was slightly puzzled.

Is that ok?

"Oh, dear." At this moment, alas, the fallen Wang Fan was like a drowning man who found a life-saving straw. He held the God of death like a dying man, and then twisted his body straight back.

Then death felt the piercing pain of his ten toes.

I saw that Wang Fan was holding him in his arms while he was "scared" and jumping around. However, every time his feet land, he will step on his toes.

Nima!

Death is going crazy. He never dreamed that his toes would be attacked.

He hissed and took a breath of cold air. Then he couldn't help jumping up with Wang Fan.

All the people were confused.

Nima, is this a fight or a dance?

It's unbelievable.

Chapter 488

"Ah, brother death, what's the matter with you? Why did you jump up?" Wang Fan and death distance, innocent blink asked.

Death is about to collapse. NIMA, is this grandson the monkey invited Toby?

He wanted to blow Wang Fan with one punch, but the pain of his toes made him have no energy for the time being, so he had to jump to relieve the pain first.

"Brother death, you are not dancing God. Ah, ah, you are too bad to use magic."

Wang Fan yelled, his hands began to dance, and he didn't forget to hum at the same time, "but do you think you can do magic, so can I. Roar, roar, roar"

As he roared, his palms slapped death with great speed.

Death was shot back and forth, trying to fight back with his fist, but I don't know whether it was intentional or coincidence. Wang Fan's palm can always hit his weak position, making him unable to lift his strength.

"Foshan shadowless foot." Wang Fan finished the 18 dragon subduing palms, and finally roared out Foshan shadowless feet, and then the big feet were imprinted on death's chest.

With a bang, the whole person of death was directly kicked up. The height just exceeded the guardrail, and he fell down on the stage.

Wang Fan was shocked by the strong force and almost fell on the challenge arena.

Looking at this scene, the people under the stage were stunned at first, and then died in an instant.

Nima, is that ok?

They all feel like a dog.

Wang Fan didn't pay attention to them. After stabilizing his figure, he excitedly returned to the middle of the challenge arena, raised his hand and waved it with a wild smile, "Wow, ha ha, I won, I won!"

The proud expression was like beating the world boxing champion.

Ma Lingru choked at the corner of her mouth, almost without a mouthful of old blood.

If Wang Fan worked hard to defeat the God of death, she could barely accept it. But now what's going on?

Even if the strength of Wang Fan's kick was a little smaller, death would not even fall down in the challenge arena.

Her mood can only be described in one word, that is, Japanese dog.

Hold back!

Ma Lingru was all bent, not to mention death. He wanted to stand up for justice, but he couldn't stand

up for a while.

He's dead, Wang Fan.

Lin Ruoxue's eyes are narrowed, this son of a bitch, is really as bad as ever.

She finally realized that Wang Fan's life was not simple.

Even if everyone under the stage thinks that Wang fan is lucky to win, but through the previous scene, she knows that Wang Fan has the strength to crush death.

Just when Wang Fan won, they were in the private room, and Bian Hui came in with the three men.

"Lin Ruoxue, get out of here! Damn, dare to hit my woman in the face, have you got my consent? Get out of here

Bian Hui opened the box door with one foot, and then began to roar.

Next to Liu Yanyan also opened her mouth, issued a vicious voice, "Lin Ruoxue, you are not very cow, have the seed to slap my mother again? Get out of here and see if I don't tear your face

"Damn, dare to slap me. I will not only tear your face, but also find ten eight people to turn you, bitch!"

Liu Yanyan is very arrogant, but soon silly, Lin Ruoxue is not at all.

This sudden voice made Xie Yunqing, Jiang Yun and other people who didn't go to see the boxing ring in a daze, and then frowned instantly.

As the only man in the box, Xie Yunqing naturally stood up, "who are you? Don't you think it's impolite to break into our box like this?"

"I'll give you three minutes, apologize immediately, and get out of here. I won't investigate, or I'll call the police."

Xie Yunqing said while walking to Bian Hui and others, his eyes full of cold.

"Sorry? Call the police? " Bian Hui listens to this, first is a Leng, then grins.

Without warning, he slapped Xie Yunqing in the face, fanned him to the ground, and then kicked him.

"Threatening Laozi? What the hell are you? " Bian Hui is very irritable and crazy.

Just a few times, Xie Yunqing was kicked out of style, full of embarrassment.

In particular, Wang Fan also used shameless means, opportunistic, he can not swallow this tone.

"I didn't lose, I'm going to tear you up!" Death roars, grabbing the edge of the challenge arena and going up.

Whoosh.

But before he turned over the challenge arena, Wang Fan ran to him like lightning and stepped on his finger without hesitation.

"What are you going to do, what are you going to do? It's said that whoever is knocked off the challenge arena will lose? You're still not a man. Why can't you afford to lose? Do you understand that

Wang fan is not happy at the same time calling, at the same time very impolitely stepping on the finger of the God of death.

Death suddenly tragedy, toes just feel no pain, finger tingling again let him draw air conditioning.

"Shameless!"

"What a shame

"How could that be?"

A group of supporters of death screamed one after another. If they didn't have eggs in their hands, they would have smashed eggs at Wang Fan.

"Ah, what's shameless? I didn't use my weapon to knock him off the stage. Is that against the rules?"

Wang Fan was a little depressed. He stepped on death and refused to let him come up. He couldn't help asking.

The group of people stopped talking.

They don't know what to say.

Death is also a face.

Boom!

At this time, with a loud noise, Bian Hui and Liu Yanyan burst in.

On both sides of Bianhui stood red and Lili with black nose and swollen face.

Obviously, the two women brought Bian Hui.

This sudden movement, instantly attracted everyone's attention.

Bian Hui doesn't care. He's about to ask Lin Ruoxue where she is, but Liu Yanyan screams at Wang Fan in the challenge arena,

"that's him, that's him, that's the bodyguard who wants to eat my tofu! With Lin Ruoxue! "

Bian Hui listens to these words, is a Leng at first, then suddenly looked at Wang Fan, in the eyes twinkled the crazy killing intention.

With Lin Ruoxue, he dares to eat Liu Yanyan's tofu. Wang fan is looking for death!

Wang Fan's eyes were cold, and his body released a strong sense of killing.

Especially looking at the red and Lili with bruises and bruises, the killing intention in his chest can't help expanding. It doesn't matter to seek revenge. Come at yourself or Lin Ruoxue. What is bullying two waiters?

Wang fan is furious!

"Who are you and what are you going to do?"

The thugs in the clubhouse earthquake field heard the news and rushed to them one after another. But before they rushed to Bian Hui, they had already been swept out by the two subordinates.

One beater after another was blasted up, the bones were cracked, not to mention, there were clusters of blood mist in his mouth.

The scene was a hundred times more wonderful than before.

Bian Hui's two subordinates are also a tough mess.

If you don't know it's not a fight, and Bian Hui is not good at it, I'm afraid those mentally handicapped women can't help waving their underwear.

Bian Hui stepped forward and stepped on the head thug. He was condescending. "Black wolf helps Bian Hui with his work. If you don't want to die, get away from me. Don't be unhappy!"

Listening to this, the whole audience was dead.

Then came a low voice.

"Bian Hui? Black wolf help Bian Hui? How did he come? "

"Oh, my God, is anyone going to die again today?"

"It's said that he killed three small and medium-sized gangs with one person's strength, and then he won the appreciation of the leader of the Wulang sect and became the cruel man of the leader of the Wulang sect."

"It's over. It seems that Lin Ruoxue is really over this time."

At the same time, they subconsciously stay away from Lin Ruoxue. In an instant, Lin Ruoxue is isolated.

Ma Lingru in the distance was stunned at first, then schadenfreude appeared in her eyes.

She is not happy to see Lin Ruoxue. She wants Lin Ruoxue to be cleaned up.

What's more, if Lin Ruoxue is cleaned up, she won't have to sign the list of 100 million. Why not?

She wants Bian Hui to trample Lin Ruoxue to death.

"Boy, you are very brave, dare to eat my Bian Hui woman tofu, do you want to die?" Bian Hui glances at Lin Ruoxue, and then looks at Wang Fan in the challenge arena, with a fierce light in his eyes.

Lin Ruoxue, a woman, is not in a hurry to clean up. He wants to step on Wang Fan, who dares to eat her tofu.

What's more, stepping on Wang fan can also bring pressure to Lin Ruoxue, and then stepping on Lin Ruoxue will be more fun.

"What did you say?" Wang Fan disdained sneer, and then very impolite face, "on her censer, I eat her tofu? Are you mistaken? Do you think I have the same taste as you? ""That kind of woman, I feel like vomiting, she gave me up for nothing. You are the only one who will pay attention to it. "

Hiss.

Listening to this, some big hearted people almost laughed.

Bian Hui was almost angry.

Liu Yanyan, even more pale and blue, pointed to Wang Fan and screamed, "son of a bitch, what do you say? Dare to insult my mother, are you looking for death?"

"Insult? When did I insult you? You are so ugly, I don't like you at all

Wang Fan was very disdainful, "you use so much hyaluronic acid, your face is deformed, put these aside, you still have body odor.". Although you use advanced perfume, you still can't stop the strong smell.

"You say, how can I like you for a woman like you? I don't have that strong taste! "

The whole room is dead again.

Then, Shua, everyone couldn't help looking at Liu Yanyan.

Plastic surgery and body odor are not a big deal, but it's interesting to be told in public.

Liu Yanyan was trembling with anger, and her face was even more blue and white. She wanted to refute, but she couldn't.

What Wang Fan said is true!

Bian Hui is Leng for a while, then become furious!

Liu Yanyan has body odor. How can he not know? Is this woman hiding deep enough?

But now is not the time to pursue Liu Yanyan. He should step on Wang Fan first.

"The thing of looking for death, today I Bian Hui don't frustrate you, I'll give you my mother's name!"
Bian Hui roared angrily at Wang Fan, and pointed to one of his subordinates, "you, give me up and waste him!"

How could Bian Hui not be angry when he was beaten in front of so many people? He wants to defeat Wang Fan!

At the same time, Bian Hui feels that Wang fan is a little familiar, but he is angry now, and can't remember where he is familiar.

"Yes." The subordinate heard Bian Hui's command and immediately flashed to the challenge arena.

Wang fan is not in a hurry, "don't worry, I have something to say."

He said, looking at the red and Lili, "you, come to my side."

Red red and Lili are one Leng at first, and then rush to Wang Fan's direction quickly.

Bian Hui's subordinates want to stop it, but they are stopped by Bian Hui.

His target is Wang Fanlin, Ruoxue, two service ladies, and he disdains to step on them.

He would not have slapped them if they had not been obedient and dallied with ink on the road.

"Less provocation, less offense. You are very brave. Today is the day of your death. If you have any last words, just say them. I'll make you happy. "

Bian Hui's subordinates looked at Wang Fan just like ants. He said disdainfully and twisted his neck.

Click bar, click bar,

it's like a TV special effect. While twisting his neck, he also made a click bar sound.

Master, absolute master!

Chapter 490

"Last words? Ha ha, you think too much. " Wang fan is very disdainful, "edge less count a ball, offended my Wang Shao, minute step on he can't find north."

Wang Fan said disdainfully, looking at Honghong and Lili, "are you ok? I ask you, has this scum ever touched you? Which one is manual? "

Red red and Lili Leng for a while, but before they could react, Bian Hui's subordinates on the stage were already laughing madly, "I've moved both hands, what can you do with me?"

He was very angry and disdainful. "See the slap marks on their faces? It's me! Damn, I not only slapped them. When I step on you, I'll go down and get on them. Are you going to hit me? Come on

"Here I am." Wang Fan grinned and rushed towards him.

It's very fast and powerful.

Bian Hui's face changed greatly, obviously did not expect that Wang Fan had such a fast speed.

As soon as an expert makes a move, he will know if he has. He suddenly realizes that he has underestimated Wang Fan.

But instead of flinching, he bit his teeth and rushed to Wang Fan with a hook.

Wang Fan disdained to sneer, even flash are lazy to flash, light floating out of the palm, he seized his blow to the fist. Next to one side of the body, the whole body hit Bian Hui's lower body.

Bang.

With a loud noise, Bian Hui's subordinates only felt that the five viscera were all misplaced, which made

them feel uncomfortable.

His face was even more turbulent.

How can Wang Fan, the role of soy sauce and the bodyguard of Lin Ruoxue, be so powerful?

Under the surging force, his whole body was thrown back, but before he took a few steps, Wang Fanna grabbed his fist and pulled it down.

Click.

Two forces recoil, his arm was immediately twisted, tibial dislocation.

Ah!

The shrill scream came from his mouth, and he could not help gushing out thick blood.

Wang Fan looked at him with a sneer, Pa Pa Pa Pa is a few slaps, "their slaps are you? You're going to fuck them? You are very good

Wang Fan's face is full of evil smile, and the whole person looks like a devil.

As he spoke coldly, he slapped his chin. The harsh voice made people feel numb.

"Both hands are moving. You are brave and honest." Wang Fan said, one hand suddenly grabbed his other arm, straightened, and then the other hand directly turned into a palm knife, cut down.

Click.

The piercing sound of bone fracture came out, his wrist splashed red blood, the whole hand soft shrugged down.

"Remember, don't be so arrogant in the future. Arrogance will be attacked by thunder."

"Go away!"

Wang Fan said, grabbing his arms with both hands and twisting them violently, smashing them thoroughly, then kicking them out.

Bang.

His whole body was kicked three or four meters high, and the blood from his mouth was like a fountain, and he fell down on the stage.

The people below screamed in fear to escape, and then the whole audience was dead.

No one thought that Wang Fan stepped on Bian Hui's subordinate like a dog, and no one thought that Wang Fan was so cruel and resolute that he didn't hesitate to abandon others.

They just feel chilly and unspeakable chill.

"Wang Ba Dan!" Bian Hui was so angry that he broke his teeth. The words that popped out of his mouth one by one seemed to be unable to bite Wang Fan inch by inch.

He glared at Wang Fan, with a fierce look like a beast in his eyes, "boy, you are crazy! Dare to abolish the people of my Black Wolf Gang, dare to move my subordinates, do you want to die? "

He pointed at Wang Fan angrily, trembling all over with anger, "eat my woman tofu, hit me in the face, and kill my bodyguard. Good, you are really good. I, Bian Hui, haven't met anyone as crazy as you for a long time! "

"Don't you meet now?" Wang Fan disdains, "the surname side, don't let loose the words there, really have the ability, come up to hit me?"

"Every year, there are not 100 or 80 people who threaten me like you, but I'm still alive. If you are really capable, you will come and destroy me. "

Arrogant and domineering!

In addition to a small number of people secretly scold Wang Fan for being mindless and seeking his own death, most people have stars in their eyes.

Especially those maidens who only keep empty rooms feel that they are too soft.

Why do you want such a man?

Don't mention them, even Lin Ruoxue, who is usually invincible, looks at Wang Fan with unique eyes.

Crazy words can be said by anyone, but temperament can't be copied.

Wang Fan has such an enchanting unique charm that people can't help but want to get into it and can't extricate themselves.

"You go and bind Lin Ruoxue to me, and I'll deal with him." Bian Hui trembles with anger! He said hello to another subordinate, and the whole person rushed to Wang Fan on the stage like a tank.

Since his debut, how ever had he suffered such bird spirit? If he doesn't get his face back, he won't have to mix up in the future.

Those people at the scene saw Bian Hui angry, subconsciously scattered to both sides, and covered his mouth.

Bian Hui is a lunatic. They are afraid of bringing disaster to the fish.

At the same time, Bian Hui's subordinates also rushed to Lin Ruoxue with extremely fast speed. It's obviously to win Lin Ruoxue.

In the middle of the way, a few people accidentally blocked the way, and they were all kicked out by him mercilessly. Their bones were broken and their shins were wrong, and they made a terrible scream.

Lin Ruoxue's face turned pale.

She didn't expect that Bian Hui's subordinates were so crazy that they wanted to attack her.

"Waste is really waste. It always takes out anger on innocent people." Wang Fan's face darkened.

He stomped his right foot on the stage with a thud. The hard concrete table cracked at the speed visible to the naked eye.

Wang Fan, as a whole, bombarded Bian Hui's subordinate like a shell.

Although Wang fan doesn't like Lin Ruoxue very much, Lin Ruoxue is his employer anyway. He takes money from others, so he won't allow Lin Ruoxue to have an accident.

When Bian Hui's subordinates see Wang Fan rushing in, their eyelids jump.

Wang Fan's strength he has seen before, he is not Wang Fan's opponent at all.

He never thought that Wang fan should put aside Bian Hui and pounce directly on him.

"Move my boss, do you want to die?" Cold voice spread out, bang a, Wang Fan whole person like a shell general hit on Bian Hui belong to the body.

Bian Hui's subordinates only felt a shock all over their body, spitting out a big mouthful of blood, and the whole person was directly hit and flew up.

His face changed a lot!

Strong, really strong, he can't match.

However, he just flew up, Wang Fan stepped on the ground, took advantage of the force to rush up, and pulled his legs hard.

"You're good, don't you? You love kicking people, right? Then I'll give you a taste of being kicked." Wang Fan said coldly, grabbing Bian Hui's subordinates and pulling them down.

His legs were immediately pulled apart and bleeding. The sharp stabbing pain made his scalp numb and his whole face turned pale as he grinned and screamed.

Wang fan is indifferent smile, a foot in his body.

Boom!

With a loud noise, his whole body was kicked up and shot to the side Hui who rushed to the stage.
