

MIGHTY SK 501

Chapter 501

"Good." Qin Xue nodded and entered the bathroom with her pajamas.

She didn't have the same carefree attitude as other women, and she didn't suspect Wang Fan's bad intentions.

She can feel that Wang Fan really cares about her, and she is also greedy for this feeling.

In the bathroom soon came the sound of water, even if Wang Fan's heart was like water, at this moment, the whole heart could not help swinging.

His mind can not help but think of Qin Xue bath picture, that is a pair of how exciting scene?

"Bah bah, other people's snow elder sister trusts you so much. If you do that again, you will be a real beast."

Wang Fan quickly pinched his thigh to make him sober, forcing him not to think.

But he's not a saint. If he doesn't think at all, doesn't it mean that Qin Xue doesn't have any charm?

I don't know how long it took. Anyway, Wang Fan felt very miserable. Qin Xue came out of the bathroom in her pajamas.

Just bathed in her, the whole person is like a lotus, looks like that exciting.

White skin, smooth jade neck, white and slender legs, perfect can make any foot fetishism crazy jade feet, all hard to stir up Wang Fan's nerves.

Her hair curled up and coiled on the top of her head, set off the slender white clavicle, zhe zhe shining.

Delicate pretty face without any cosmetics, blowing can break, tender as if can pinch water.

The eyes like water are so charming that people can't help but want to get deep.

Further down, is the upper body proud outline, as well as the flat abdomen, all of these things are so hazy, is to attract infinite reverie.

Qin Xue looks at Wang Fan's demented eyes. She is shy and happy.

At least you can prove that you are not old and charming, right?

Knowing that the pajamas were transparent, she didn't dare to stay more. She ran to the bedside and

hid the devil like body in the quilt. She also said to Wang Fan angrily:

"have you seen enough, I tell you, don't be crooked, or you will be caught tomorrow."

Wang Fan hit smart, "how can see enough, snow sister so beautiful, even if see a lifetime, are not enough."

Wang Fan said, hands gently pinch on Qin Xue's head, "snow elder sister, close your eyes, I'll press you, you sleep, I'll go."

"Well." Qin Xueqiao blushed, obediently closed her eyes, but her mouth was humming, "you can't look around."

Wang Fan wry smile, you are so tightly wrapped, where can I look.

Under Wang Fan's massage, Qin Xue soon went to sleep. She was sleeping sweetly with a charming smile on her face.

Wang Fan originally intended to go, but after looking at the time, he still forget it. He lay down on the sofa opposite and soon fell asleep.

The next morning at eight o'clock, Qin Xue woke up from her deep sleep. She felt that she was full of energy. She had not slept so well for a long time.

She grabbed the mobile phone and looked at the time, which was even more shocked. It was already eight o'clock.

You know, her biological clock is more stable than her alarm clock. She usually wakes up at 6:30 every day. It's eight o'clock now, which shows how well she slept last night.

"Snow elder sister, wake up, just in time, come to eat some bean milk bun, don't be hungry." A warm voice came, Qin Xue found that Wang Fan did not go.

He was sitting on the sofa with hot bean milk buns on the table.

"Why are you here? Didn't you go back last night?" Qin Xue had a warm current in her heart and could not help asking.

She didn't doubt whether Wang Fan had done anything to herself. As a criminal policeman, she could feel it from the quilt, pajamas and her own feelings.

"No, it's so late. I've been on the sofa all night. Don't say it. Come and eat while it's hot. It's cold when it's late. "

Wang Fan urged.

"Good." Qin Xue suddenly feels that her eyes are sour and astringent. It's nice to be cared about.

She didn't avoid Wang Fan either. She directly sat down beside Wang Fan in her pajamas and ate slowly.

For the first time, she felt that soybean milk was so delicious and steamed stuffed bun was so delicious.

After breakfast, Wang Fan threw the bag and lunch box into the garbage can. "Sister Xue, I'll go first. Remember to take good care of my body and call me if you have anything."

"By the way, I've reserved this room for a month. If you are too busy later, come and have a rest."

Wang Fan said, smiling at Qin Xue and walking out.

Qin Xue listen to Wang Fan's words, tears can no longer stop, such as burst of the river burst out.

"Don't go." Regardless of her image, she ran forward, hugged Wang Fan from behind, and kissed him recklessly.

At this moment, Qin Xue is finally aware of her feelings. I don't know when to begin. She has Wang Fan's shadow in her heart. Especially looking at the wrinkles on the sofa, she felt her heart hurt.

So small, so soft sofa, Wang Fan even slept a night, how did he sleep over?

"Snow elder sister" Wang Fan five thunder thunderbolt top, only, Qin Xue has blocked his next voice with red lips.

And then it all happened.

Two hours later, Qin Xue nestles in Wang Fan's arms and looks at the messy sofa, tea table, window sill and bathroom. She quickly buries her head in Wang Fan's arms and doesn't dare to look up.

She didn't expect that she would be so impulsive and crazy.

Wang fan is depressed, and sleep a woman, looking at the scattered blood on the ground, his heart is very heavy.

Every sleep is a debt.

"Snow elder sister, you rest assured, I will be responsible." Wang Fan patted Qin Xue on the shoulder and said.

"I won't use you to be responsible, and you don't have to be under pressure. I know what you like is

song Rumei. I forced myself in. "

Said here, Qin Xue voice suddenly stopped, she suddenly thought of Wang Fan and song Rumei things.

She secretly scolded herself for not opening any pot.

Wang Fan's eyes twinkled with a touch of pain, and soon passed away, "sister Xue, don't go to work today, you have a good rest, I will."

Before Wang Fan finished, the phone rang suddenly.

"Wang Shao, Li Wuji appeared. At the Construction Bank of Xinjian Road in the Southern District, he was still carrying heavy troops and didn't know what to do."

As soon as the phone was put through, there was a sudden sound from the black brake.

Wang Fan Leng for a while, and then quickly turn down the volume, to prevent Qin Xue hear, eyes narrowed up.

"Well, I see. You can stare at him first. Don't act rashly. I'll be right there." Wang Fan finished and hung up directly.

"Are you going? Did something happen? " When Qin Xue saw Wang fan like this, she knew that something must have happened.

"Sister Xue, I'm sorry. I wanted to take care of you, but I have something to do. I can't help it. Don't worry. I'll come back to accompany you when it's over. You have a good rest. "

Wang Fan said apologetically.

"I understand. You should be careful. Now that you've offended so many people, they must want to kill you. Don't try to kill them. "

Qin Xue said with concern.

"Don't worry, I'll be fine." Wang Fan gives Qin Xue a comforting look and quickly dresses and leaves the hotel.

Chapter 502

Huang biaoqiang is very unyielding.

All the ridiculous things he thought would never happen in his life happened last night.

First, Wang Fan and Hei LuoCha entered the love bar, beat him in the face and left safely. Then, they met

the attack of the Black Wolf Gang.

But for Huang Biao's strong body and strong hand, I'm afraid he would have been folded in the bar last night. Even so, he was stabbed in the waist and tried his best to get out of the tight encirclement.

however, although he got out of the tight encirclement, his subordinates were all dead and never survived.

Love bar is also smashed in a mess, it is impossible to continue business in the short term.

Heavy losses.

This is not what makes him angry most. What makes him angry most is that he did not get comfort from the leader, but was severely reprimanded by the leader.

Huang biaoqiang knew that Bian Hui was dead, and he was framed.

Thinking of these, Huang biaoqiang was even more angry, and he wanted to find out the son of a bitch who was secretly harming himself and chop him to death.

Huang biaoqiang was sitting in an ordinary car opposite the Construction Bank, chewing betel nut in his mouth and holding a cigarette in his left hand. He didn't know what he was thinking, and he looked very gloomy.

He came here to cash the ten million checks. Huang has never felt secure about checks.

Only by converting the number on the check to his bank card can he feel at ease.

Huang biaoqiang did not come alone. He also brought more than ten diehard loyalists.

Although he didn't think that black wolf would be confused, he ambushed him at the bank gate in broad daylight. It was just years of character that made him used to be careful.

When Huang biaoqiang was thinking about which son of a bitch dared to frame himself, his phone rang.

"Brother Qiang, find out. The boy who came to the bar last night to give you a check is Wang Fan. He is the former security minister of Yindi group and now the chairman of Wang Fan'an insurance company. "

"He was the one who clashed with Bian Hui in the flame club yesterday, and Bian Hui was abandoned by him."

After the report, he hung up the phone and sent some photos to him.

Huang biaoqiang looked at the photos and his whole face became ferocious.

That grip the right hand of the mobile phone can not help but force, the mobile phone is pinched clack clack, directly deformed.

"Damn it, Wang Fan!" He gritted his teeth and murmured, with endless hatred in his eyes.

He has always been the only one to frame others. When did others dare to frame him? What's more, he was only a security minister who framed him. He was a falcon all year round and was pecked by the Falcon at last.

Just when Huang biaoqiang was angry, the door of China Construction Bank was opened and a young man came out quickly.

Seeing the youth come out, Huang biaoqiang's face softened slightly.

The young man was the one he sent to cash the check. Now, looking at the expression of his subordinates, it's obvious that the check has been cashed normally.

This is also the only comfort for Huang biaoqiang.

With an excited expression on his face, the young man quickly came to Huang biaoqiang's car and handed over the bank card in his hand. "Brother Qiang, the money is in the card."

"Xiao Wu, it's hard work. Don't worry, your 200000 will be less than you. Get in the car and get out of here. "

Huang biaoqiang took the bank card and finally showed a smile on his gloomy face.

"Well." The young man nodded and ran to the other side of the car.

Woo.

At this moment, suddenly, a crazy car engine sound came, and then Huang biaoqiang was shocked to find that a heavy truck with four front and eight back suddenly appeared from the front, and ran into them crazily.

The harsh voice cut across the sky, the pedestrians and vehicles around were frightened to give way, and there was a strong fear in their eyes.

"Get out of the car! Get out of the car! Damn, the ambush in broad daylight, don't the black wolf want to live? "

Huang biaoqiang's face changed wildly. He roared out. Without hesitation, he opened the door and ran out.

Boom!

A loud noise, crazy heavy truck in front of a few cars smashed, speed is not reduced, toward Huang biaoqiang's car hit over.

In a few seconds, he hit Huang biaoqiang's car with those cars. There was another loud noise. Huang biaoqiang's car was smashed into rags, completely deformed and turned into a pile of scrap iron.

Inside the car, the driver just had time to open the door. He only stepped out with one leg, which was crushed to pieces. He opened his mouth and uttered a shrill scream.

The people in the cars in front of us, not to mention, had already been completely crushed to death. Blood seeped out of the crushed car debris, dazzling and dazzling.

As for the subordinate named Huang biaoqiang who cashed the check, it was even worse. Before he could get on the bus, his whole body was crushed to pieces, the meat was blurred, the bones were gone, and there was only a pool of blood.

Fierce, crazy, bloody, hard to stimulate people's eyes, shudder. Not far away, Huang biaoqiang, who had just escaped a disaster, turned back to see this scene. His face also changed wildly, and he was also afraid.

It's killing him!

"Protect brother Qiang, protect brother Qiang."

At this time, Huang biaoqiang's subordinates in the following cars rushed down like crazy.

They quickly formed a wall of people around Huang biaoqiang, eyes full of vigilance.

These people are Huang biaoqiang's absolute loyalty. They are powerful and loyal enough. Otherwise, Huang biaoqiang would not bring them out under such circumstances.

Two diehard also through the crowd, quickly ran to the heavy truck, want to see who is so crazy.

Whoever dares to kill Huang biaoqiang must pay the price of bleeding.

However, they just ran to the heavy truck, their faces suddenly changed.

With a loud bang, the heavy truck exploded directly, and the manic heat wave threw them out. They were killed in the air.

Sobbing, sobbing.

At the same time, there was a rush of car engine noise, and several cars came madly.

Instead of crashing into crazy heavy trucks, these cars directly surrounded Huang biaoqiang and others, opened the door, and drilled down dozens of poor and ferocious murderers.

"Li Shao asked me to take you on the road. Remember to shine your eyes in the next life and kill you!" The first assailant gently spat out a word, and between the waves, the group of assailants frantically rushed to Huang biaoqiang and others.

"To die!" Huang biaoqiang's Diezhong is also very angry. With a roar, he grabs his weapon and pours madly at the villains.

In a flash, the two sides were frantically scuffling together.

Shouts, shouts, screams, all in a row, shrill and spectacular.

The scarlet blood is like a fountain breaking the levee. From time to time, it spurts out and sprinkles on the ground. It is dazzling red.

In a short time, it became a hell on earth. From time to time, some people fell down and some people climbed up.

Passers-by around dare not stop, or even dare not see more, as far as rolling.

The security guard in the bank was even more afraid to come near, so he could only shiver to call the police.

This kind of scene, rush up is to die, who dares to play?

Huang biaoqiang looks at this scene coldly, his heart is like a knife.

In two days, he was beaten in the face by three waves. This time, he almost died. How can he bear it?

Looking at the dead faithful who fell in a pool of blood, his body was filled with endless anger, and he didn't even bother to ask Li Shao who he was.

Chapter 503

One of Huang biaoqiang's diehards had just broken one of his outlaws' necks when another one jumped up from behind, hissed and stabbed him in the head.

Diezhong's head is split in two, blood and brain are overflowing, dazzling and bloody.

This is basically an unfair battle. Even though Huang biaoqiang's loyal strength is good, the gap in the

number of people still makes them rout.

In less than five minutes, at the cost of more than 30 people, more than 10 of Huang biaoqiang's diehards were all killed.

This bloody battle can be called the most ferocious battle under the sun in history. Human life is as cheap as ants at this moment.

"Ah Huang biaoqiang's eyes were red and he screamed bitterly.

He did not escape because he knew that he could not escape. There were enemies in all directions. How could he escape?

Huang biaoqiang roared angrily, just like an enraged Beast, frantically rushing towards those outlaws.

His body was filled with endless anger, but also with endless murders.

Hiss.

He was holding a sharp knife, one hand straight wave, an enemy has not rushed to the front of the body, has been sharp knife through the throat, covered with blood, throat gurgling to the ground.

Huang biaoqiang didn't go to see the enemy. He kicked out again, and two other outlaws were kicked out of their blood, and their ribs were all broken.

"Die, you all die!" Huang biaoqiang red eyes, roaring into the enemy crowd, killing frenzied.

He grasped the sharp knife in his hand and kept chopping. In a burst of hissing voice, one after another fugitives were knocked to the ground.

The scarlet blood spattered more than ten meters high, and the sky began to rain blood.

Huang Biao was also attacked by several attacks, but not fatal.

His whole body had been dyed red by blood, just like climbing out of the blood pool, full of violence.

"Kill

"Kill

The desperado didn't care at all. Instead of being frightened by Huang biaoqiang's fierce attack, they became more crazy.

The scarlet blood and the death of their companions stimulated their anger.

An outlaw rushed to Huang biaoqiang's side and kicked him in the waist with his right leg. But before he kicked Huang biaoqiang, Huang biaoqiang had already dodged. At the same time, the sharp knife in his hand was broken and pierced into his heart.

Come on.

Blood gushed, and the fugitives were not willing to fall to the ground.

Another two outlaws came from both sides, biting Huang biaoqiang like a vicious dog. Huang biaoqiang jumped to one side, and his whole body rushed up like a Tyrannosaurus Rex. His right leg swept their heads and lifted them out.

However, when he lifted the two, one of them threw a sharp knife into his chest, adding to the pain.

Huang biaoqiang, however, didn't care at all. He dashed forward, threw two outlaws away, and then went straight to a black car not far away.

He had seen that the main character was in the car.

Today, even if he can't get out of the siege, he will take the people inside to be buried with him.

Last night's defeat, today's ambush, gang leader's reprimand, Bian Hui's blame, all of these made Huang Biao Qiang feel angry.

He needs to vent!

In the black car, Li Wuji looks at Huang biaoqiang with cold eyes, no sorrow and no fear.

He came here after receiving the news that tens of millions of cheques had been cashed. His purpose was to kill the people who cashed cheques.

Because tens of millions of cheques were cheated by Wang Fan. In his eyes, no matter who cashed the cheques, this person has nothing to do with Wang Fan.

The death of five tigers and two dogs of Xiangyang in Hanzhong, the attack on the sea, and the abandonment of his legs made him feel angry.

Especially recently, he had to cower in the villa like a mouse and dare not go out, which makes him full of murders to Wang Fan.

He needs to vent, too.

Even if he can't kill Wang Fan, he will take it out on his friends.

He has regarded Huang biaoqiang as Wang Fan's man.

Ten meters.

Eight meters.

Six meters.

Huang biaoqiang is so fast that he approaches Li Wuji in the blink of an eye.

When he was only six meters away from Li Wuji, Li Wuji pulled down the window and a gun came out of the window.

Huang biaoqiang's face changed wildly and he was about to escape.

Li Wuji has already pressed the trigger.

"It's over."

Bang!

One shot in the head.

Huang Biao fell to the ground.

He never dreamed that he would be shot in the head in front of the bank.

It's just that the other party sends out the outlaws and still uses the gun. Is this the rhythm of seeking death?

Are you not afraid of the official thunder?

However, he could not think so much, his consciousness soon dissipated, and there was no life. "Wang Fan, this is just the beginning, but not the end. Let's go." Li Wuji murmured, the car started instantly and left quickly.

For those desperado, Li Wuji did not go to see more, these people, just cannon fodder.

In a coffee shop diagonally opposite the bank, Wang Fan took his last sip, dropped 100 yuan and walked out.

Whether it's Li Wuji or Huang biaoqiang, they are not good things. Wang fan doesn't mind letting their dog bite their dog.

His purpose here is to force out Li Wuji and then kill him.

Li Wuji lurks in the dark, just like a poisonous snake. He is immortal, and Wang fanru is stuck in his throat.

Today's scene also proves that Li Wuji's madness has no bottom line. Such people, especially Wang Fan's enemies, must die.

Li Wuji was very cautious. He changed three cars all the way and made countless turns in the urban area before walking towards the shrinking place.

Wang Fan hung behind him, not far or near the tracking, not worried about being found.

More than two hours later, Li Wuji's car finally entered a luxury manor.

Wang Fan's eyes brightened as he looked at the luxurious manor.

He didn't rush in immediately to kill Li Wuji, but remembered his position and left quietly.

This manor must be Li Wuji's stronghold. There are a lot of people. In broad daylight, Wang Fan rushes in, even if he is not killed, it is easy to expose.

He plans to come back in the evening.

Wang Fan sent a message to Hei Luocho. After he let Hei Luocho stare, he went to Yuanbei pharmaceutical.

He took Lin Ruoxue's money, after all, he had to do something.

"Wang Fan, do you still have my employer in your eyes? What time do you come now? Do you want me to complain about this attitude when you take my commission? "

In the president's office, Lin Ruoxue pointed to Wang Fan's nose and spat, "it's also lucky that I have nothing to do in the morning. If something happens, can you afford me and your commission?"

Wang Fan was reprimanded as a primary school student. He felt that the girl was hard to serve, but he couldn't talk back. After all, strictly speaking, it is his dereliction of duty.

"Mr. Lin, I'm wrong. I apologize. I promise I won't be late tomorrow. I'll come at 8:30 in the morning." Wang Fan's posture is very low and says quickly.

On the last day of tomorrow, after serving this girl, it's over.

"Eight thirty in the morning?" Lin Ruoxue is more angry, "is the agreement signed like this? Isn't it a good 24-hour personal protection? Do you still have some professionalism? "

Wang Fan opened his mouth and said, "well, I have something to do tonight. Would you like to give me two hours off?"

"What's the matter? Go to the lady again? "

Lin ruoxueteng stood up, slender legs very strong, "you are really a cow, even if you want to find a young lady, but also caught by the police, you don't think it's shameful, I think it's shameful!"

Wang Fan suddenly felt that his brain was not enough.

Chapter 504

"Mr. Lin, how do you say that?" Wang Fan was a little puzzled. He was caught by the police when he was looking for a young lady. Why didn't he know?

But soon Wang Fan came back, and it was probably Yang Wu who discredited himself.

Grandma is a bear.

"What do you say?" Lin Ruoxue slapped her mobile phone in front of Wang Fan, almost breaking it, "look for yourself."

Wang Fan sliding mobile phone to see a few eyes, immediately confirmed that this is the trick of Yang wushua.

He grabbed Lin Ruoxue's hand and said, "Mr. Lin, am I that kind of person? Is my taste that low? Frame up, frame up

Wang Fan side said, a hand also put on Lin Ruoxue's slippery thigh, "even if it's looking for a woman, put Lin always so delicate I don't look, looking for those residual branches and leaves, I have no brain."

Wang fan is filled with righteous indignation, but Lin Ruoxue feels very useful, and his anger makes him happy.

I don't know why, when she saw those photos, she was so angry.

She had thought about bailing Wang fan out last night, but later she thought about it and let Wang Fan suffer.

"Mr. Lin, I was jumped by immortal last night. Here is the recording evidence of the whole process. I don't believe you can listen to it." Wang Fan said, one hand out of the phone to open the recording, the other hand along her thigh touched up.

Lin Ruoxue holds Wang Fan's hand and is about to get angry. When she hears the recording, she immediately forgets it.

Ten minutes later, the water came out. Lin Ruoxue almost couldn't help calling Yang Wu in and patting him to death with a thunderclap.

Son of a bitch, even if he framed Wang Fan, he almost made himself own oolong.

"Well, I'm wrong about you, but can you take your hand away? Do you think you can eat my tofu like this? "

Although Lin Ruoxue feels embarrassed to blame Wang Fan, she can't stop her anger when she looks at Wang Fan's hand on her thigh.

"I'm your employer. Even if we are equal, you have to have a bottom line. Can you eat the tofu of your employer?"

No mercy.

Wang Fan Leng for a while, but it is not embarrassed at all, "the agreement is very clear, personal protection, warm bed at night, I just touch the thigh, it doesn't matter?"

Wang Fanli straight gas strong, "what's more, you press my hand on your thigh, say, or your thigh take advantage of my hand."

Lin Ruoxue was stunned and grabbed Wang Fan's arm, then turned his back to Wang Fan, and then fell over his shoulder.

"Ouch." Wang Fan screamed bitterly. She wanted to cry without tears. This girl is really hard to serve.

"Well, I won't argue with you. I heard that you play golf well. Follow me and help me step on someone." Lin Ruoxue stood up and said condescending.

"Golf? I won't! " Wang Fan shakes his head directly. How can NIMA do all the work that offends others?

Lin Ruoxue simply ignored this stubble, tall legs dada, three steps to Wang Fan's side, grabbed Wang Fan's ear and left the president's office.

"Pain, pain." Wang Fan wants to cry without tears, and quickly embraces Lin Ruoxue's snake like waist.

"Mr. Lin, where are you going?" Outside, Yang Wu sees two people come out, Leng for a while, hurried forward to say hello.

He was a little puzzled. Didn't Lin Ruoxue receive the photos? Why didn't he open Wang Fan? On the contrary, they were more intimate?

"Do I greet you anywhere?" Lin Ruoxue gave Yang Wu a cold look. "Don't think you're doing little things behind your back. I don't know. Next time, just go away."

Strong as always.

"Well, next time, go away." Wang fan is also proud of the pie mouth, more intimate embrace Lin Ruoxue waist, eyes up to the sky, full face demonstration.

The grandson is so bad that Wang Fan naturally doesn't mind beating his face hard and stimulating him.

Yang Wu's black face turned red and clenched his fist. He was about to explode, but he had nothing to do.

Soon, Wang Fan left the company with Lin Ruoxue and went to the golf course.

One of the venues, several men and women have been in place, Jiang Yun impressively in the list.

After seeing Lin Ruoxue, Jiang Yun's pretty face burst out with a bright smile and welcomed her like a flower.

"Ruoshue, here you are."

After she said hello to Lin Ruoxue, she gently said hello to Wang Fan, "Wang Shao, hello."

"Hello, hello." Wang Fan grabbed Jiang Yun's little hand with a smile and said, "are you better hurt? Don't those bastards bother you any more?"

"Drag Wang less blessing, Jiang Yun much better, they did not find Jiang Yun trouble." Jiang Yun inadvertently looked at Lin Ruoxue one eye, pretty face slightly red said.

Wang fan is so intimate with her that she is afraid that Lin Ruoxue will be angry. Because she can feel that the relationship between them is not as simple as that of the bodyguard employer.

"Oh, Miss Lin is here. Is this your legendary little white face? Although the height is good, but thin with the monkey, a look is rubbish, how can satisfy you miss Lin? Shall I introduce you to some big men?" A sarcastic voice came, and a tall woman stood up, full of gunpowder. With her voice, several people beside her also burst into laughter, with disdain in her eyes.

Obviously, this woman is quite different from Lin Ruoxue. As soon as we met, she tore it up and pulled Wang Fan in.

Wang Fan listens to this words, immediately displeased, don't wait for Lin Ruoxue to open a mouth, directly stepped forward and grasped tall woman small hand.

"Wow, my sister has a good eye. The little one is Ruo Xuebao's little white face, with a monthly salary of ten million yuan. The old and the young are not deceived. When they are free in a few days, does the elder sister want to take care of the younger brother's business? "

"Although I'm not big, I'm powerful. I'm thousands of times stronger than those big men behind you. If you want it, you still want it."

Wang Fan was holding a tall woman's small hand, and his eyes were aiming at her chest. He had never seen a woman before.

Ha ha ha ha.

Lin Ruoxue couldn't help laughing. She had a little stomachache.

This son of a bitch is still so shameless.

Jiang Yun is also dead cover mouth, feel some cramps.

"If you dare to tease me, don't be ignorant of your superiority and inferiority!" Tall woman's spirit trembles, suddenly drew out the small hand, then is a spray.

One of the men behind her also had a crooked nose.

"Boy, how do you talk to sister Rong? Do you want to die?"

As he snorted, he clenched his fists and smashed two on his chest, making a Tengteng Teng voice, showing his magnificence.

Wang Fan was scared and yelled, "Oh, brother, I didn't say you. What's your hurry? Look at your little friends. They are not in a hurry? Is it difficult that Wang Fan didn't say what you said to his sister, but everyone understood what he meant.

Everyone's eyes inexplicably looked at the fierce man and Lu Rong, and their eyes flashed playful.

Lu Rongqi gnashing her teeth, she did not expect, Wang fan so hateful. What's more, our bodyguards even jumped out.

She glared at Wang Fan with hatred, then looked at the fierce man, "beat him for me, let him know his superiority and inferiority!"

Chapter 505

"Ah, sister, how can you do this? We are all qualified people. How can we just do it?" Wang Fan screamed in fright and backed away quickly.

That fierce male is already full face arrogant rushed to come over, "son of a bitch, dare to tease Rong elder sister, this let you know that my fist is fierce."

He disdains of say, roar a, fiercely hurtle toward Wang Fan.

Wang Fan such goods, he simply did not put in the eye, a punch can be done.

Wang Fan jumped up and down in fright, and could only run to the golf course, while the fierce man pursued him.

Lin Ruoxue's eyes flashed a touch of sarcasm, not only did not persuade, but also took Jiang Yun to sit down, as if not worried about Wang Fan's life or death.

"Miss Lin is really calm. Little white face is going to be Ko, and she wants to eat cakes. If I were that little white face, I would die of grief. "

When Lu Rong saw that Lin Ruoxue did not worry or beg for mercy, he was very upset. But she was relieved to think of Lin Ruoxue's cool nature.

Lin Ruoxue snorted, ignored her, grabbed a piece of cake and slowly put it into her mouth.

Golf course.

Wang Fan was chased up and down by a fierce man, and he said, "brother, please forgive me, I dare not, you can't help me."

"Son of a bitch, stop for me. If you don't stop, I'll tear you up." He's so macho.

He did not expect that Wang Fan ran so fast. Does this son of a bitch belong to a rabbit?

So many people look at him. If he can't catch up with Wang Fan, he will lose his adult. When I go back at night, I don't think sister Rong will let him go to bed.

"Stop? You think I'm stupid, standing here waiting to be killed by you. " Wang Fan disdained, "you catch up with me."

The fierce male spirit of Wai Wai, nose almost crooked.

Wang fan is a bright eyes, rabbit like toward a position ran past.

Before long, he had several more golf balls in his hands.

"Shameless, not a thing!" Lu Rong is trembling with anger. She is not only angry with her subordinates, but also angry with Wang Fan's shamelessness.

"Sister, how do you know my name is shameless?" Wang fan is not angry at all, but also took out a famous film and handed it up, "I'm really not a thing."

"By the way, this is my business card, Jinzhou first gold medal little white face, monthly package ten million, the old and the young without deception, you take it."

Lu Rongqi's nose is crooked. She ignores Wang Fan, but looks at Lin Ruoxue,

"Lin Ruoxue, don't you always have strict grades? When is there such a disobedient dog around? If you can't discipline your dog well, I'll discipline it for you. "

"Sister, that's not true." Wang Fan jumped out again, "I'm most experienced in dealing with bitches. Before I became a little white face, I was a famous dog trainer, so sister Ruo Xue asked me to come out."

Wang Fan said very seriously.

"Bitches? Who do you call a bitch? " Lu Rong really can't bear it. This guy's words are too irritating. But she didn't think about how ugly she was.

"Well, Lu Rong, stop the ink. Didn't you call me to play golf today? He is the master I invited, just to step on you. "

Lin Ruoxue interrupts Lu Rong's tear ratio and goes straight to the theme, "how to compare? You row a way. I'm very busy. I'm still anxious to talk business after stepping on you." "He?" Lu Rong almost did not have the gas to explode, trembles pointed at Wang Fan, "is that him? Compare with me? Don't be a damn shame? "

"Oh, how can you speak? Who do you look down on? I'm like this. You can't find the north every minute! " Wang Fan was very upset, raised his head and said with pride.

"Well, I'll compare, but I'll bet more." Lu Rong looked directly at Lin Ruoxue, "I lost, climb out from here."

"He lost. How about kneeling down and licking my shoes and calling me grandma three times?"

Lu Rong obviously resents Wang Fan.

Lin Ruoxue frowned, just want to refuse, but Wang Fan agreed to come down, "I compare."

When Lu Rong saw Wang Fan's promise, a sinister smile appeared in her eyes.

Later, she must humiliate Wang Fan and take a bad breath.

Lin Ruoxue looked at Wang Fan and worried, "are you sure? Although she is disgusting, golf is of high standard. She is a retired professional player

"Professional players are bullshit. I'm the emperor looking for holes." Wang Fan said disdainfully.

Soon, the game had begun.

Lu Rong's level is really high, 20 shots, scored 19 goals, basically a hole, very tough.

This level is far better than that of Meng Bowen.

Don't mention caddies, even some customers around can't help coming up, screaming excitedly and admiring.

Lu Rong is also very proud, she did not expect to play so well, has exceeded the previous level.

In her opinion, stepping on Wang fan is more than enough.

Lin Ruoxue looks at this scene and is more worried. She catches Wang Fan, "or don't compare. I'll give you some money. You won't be insulted by her."

Lin Ruoxue is really worried, "no comparison, at most, it's just a shame that he doesn't dare to compare. That's self humiliation and ridicule. "

"After all, no one dares to compare her standard with everyone present."

Jiang Yun also echoed, "yes, yes, Wang Shao, it's better not to compare. It's a big deal that we are all despised."

Wang Fan didn't expect that Lin Ruoxue would care about himself. He pinched Lin Ruoxue's chin and said with disdain, "don't worry, how can I lose? Let's see how I find the hole."

Wang Fan said, niucha roared into the golf course.

Chapter 506

"Who is this man?"

"Oh, my God, he dares to compete. Is he crazy?"

"Shame on yourself, shame on yourself!"

Those audience around to understand the context of things, can not help pointing at Wang Fan.

Lu Rong scored 19 goals in 20 strokes, which is a professional level. Wang Fan even dares to compete. Is he flattering others or humiliating himself?

Wang Fan ignored the audience and waved to the distant caddie, "come on, put on 20 balls and see how I can find the hole."

The beautiful caddy listened to this, blushing at the same time, but also can not stop some silly eyes.

If she had not been a little caddie and knew that she could not provoke Wang Fan, she would have run as far as possible.

Lu Rong tightened his collar, sold cat's feet and went to Wang Fan. He made some dirt on his shoes and pointed to Wang Fan's disdain.

"Install, you continue to install for me, I want to see how you find the hole, oh no, how to get into the hole in one shot."

She was a little angry. She was taken into the ditch by Wang Fan. "I tell you, even if you pretend to be God, you can't change the fact that you lose. Just wait for me to lick my shoes."

"You can rest assured that I will take a complete picture of the details of your licking shoes, without revealing a detail, so that you can have a clearer memory in the future."

"Oh." Wang Fan looked at Lu Rong disdainfully, laughed and went straight to the set ball.

Hold your breath and concentrate.

In a flash, his whole body became solemn, and he had a palpitating momentum, which he did not dare to underestimate.

Whoosh!

Swing the club, the first ball flies out, accurate hole.

Whoosh!

And then there's the second ball.

Whoosh, whoosh.

Next, Wang Fan was just like performing special effects. One stroke after another, he didn't stop at all. In just ten seconds, all 20 balls were hit.

Lu Rong's mouth is a smoke, then become disdain.

Nima, you think you're playing yo yo.

However, soon she felt something was wrong, only to see people around, and even caddies, are shocked to open their mouths, face incredible.

"In, in again."

"My God, am I dazzled? How is that possible? "

"Twenty shots, all one shot into the hole, non-stop, this is open to hang it, this is still people?"

The whole audience was shocked, and Lu Rong's face turned gray.

"No, it's impossible." She whispered in disbelief, but she couldn't change the fact at all.

Lost, she lost!

It's unbearable.

As soon as Wang Fan lost his club, he strode up to Lu Rong and took out his mobile phone. "I'm willing to accept defeat. Come on, climb out. Do you want to get another dog chain for you?"

"You can rest assured that I will take a complete picture of the details you crawled out, without revealing a detail, so that you can have a clearer memory in the future."

Hit the face, hit the face hard.

Lu Rong is a Leng at first, then eyes Yi want to crack, "get to forgive people, and forgive people, you don't go too far."

"Too much? I'm the fuckin 'winner. Can I go too far? If I lose, will you let me go? Don't talk nonsense, climb quickly

Wang Fan disdains to sneer, "otherwise, there will be more onlookers later, and you will be even more shameful."

"You." Lu Rongqi's delicate body trembles.

She didn't expect that she would lose and be beaten in the face by Wang Fan.

She really can't climb out. Once she climbs, she will lose her adult and never look up again.

"Wang Fan, forget it, give me some face." Lin Ruoxue came over and said, "at least Miss Lu is also a daughter. It's not good to climb out like this. Why don't you make a price?"

Although Lin Ruoxue is not happy with Lu Rong, she also wants Lu Rong to climb out. It's just that Lu Rong is not so easy to be provoked, and she doesn't want Wang Fan and Lu Rong to tear their faces apart.

"Yes, yes, I'll give you ten million. How about ten million?" Lu Rong seemed to grasp the straw and said quickly.

What can be done with money is nothing. Compared with her climbing out, 10 million is nothing at all.

"Ten million?" Wang Fan sneered, "is Ben Shao like a person who is short of ten million? You're sending beggars. Don't talk nonsense. Hurry up

Be firm.

Lu Rong listened to this, not only did not get angry, but her eyes lit up.

She had recognized that the matter could be settled with money, but the price she offered was too low.

"Fifty million, I'll give you fifty million!" Lu Rong said, biting her teeth.

"Damn, it's said that Ben is short of money. You still beat me in the face with money. Don't you have a bad ear?"

Wang fan is very angry, straight out the next sentence, "don't talk nonsense, a hundred million, less than a son, you have to give me climb out." Lu Rongqi vomited blood, and finally gritted his teeth to write out a hundred million checks, and then left.

She remembers Wang Fan. If she doesn't get revenge, she is not Lu Rong.

"You really dare to ask for anyone's money." Lin Ruoxue didn't look at Wang Fan. She didn't know what to say.

"If there's anything I don't dare to ask for, as long as I dare to give it, I dare to ask for it." Wang fan is smiling, "a hundred million ah, and can bubble a lot of girls."

"Nothing." Lin Ruoxue knocked Wang Fan hard.

Not far away on the stage, sitting a group of beautiful men and women, these people are elegant, a look is upper class.

In the crowd, a man and a woman stare at Wang Fan, their eyes full of disbelief.

Especially the woman, looking at Wang Fan, it seems that she has seen a ghost.

"You come with me." The young man pointed to the woman and said, then got up and left.

The woman's face changed and she followed quickly.

They soon came to a deserted corner.

The young man pointed to the woman's nose and asked, "muqianxin, don't you say Wang fan is dead? How can you still live? Do you dare to cheat the young master?"

"I didn't, and I don't know why he's still alive." The curtain thousand heart quickly trembles explanation.

She would like to say that the man just looks like Wang Fan, not Wang Fan at all. But she knew that it was Wang Fan.

She is too familiar with Wang Fan.

"I don't know?" The young man grinned and slapped, "if you don't know, you can make up for your fault? Muqianxin, you are waiting to be skinned by the young master! "

Said the young man, leaving here in a huff.

The curtain thousand heart is the facial expression a gray.

The young man made a few phone calls and then walked towards one of them. Before long, he found Lu Rong with a gloomy face.

When Lu Rong saw the young man, his face changed and he quickly welcomed him, "Kang Shao, hello."

Kang Shao, whose full name is Kang Yangzhong, is not a top young man in Beijing. But because his master is very powerful, few people dare to offend him.

Although Lu Rong has a good identity, he is even more powerful than Kang YANGCHONG's background, but compared with Kang YANGCHONG's master, it's nothing. So she is very respectful to Kang Yangzhong.

"Miss Lu doesn't need to be polite. I've seen the scene just now. If Miss Lu is willing, Kang is willing to help you out."

Kang Yang smiles at Lu Rong again and tells him his intention.

When Lu Rong listened to this, he was stunned for a moment, and then excited.

Five minutes later, Kang Yangzhong embraces Lu Rong, takes a group of doglegs, and runs towards Wang Fan and others.

Chapter 507

There are two reasons why Kang Yangzhong is Lu Rong.

The first is that if Wang fan is on the blacklist of the young Lord, he must die. The second is his pursuit for a long time, but did not get the screen thousand heart, unexpectedly Wang Fan to sleep, how can not angry?

For a time, he thought that muqianxin killed Wang Fan at the cost of his body, and there was a shadow in his heart, so he never touched muqianxin. But today he knew that he had been played by muqianxin, and Wang Fan didn't die.

Muqian is not in a hurry to clean up. There will be plenty of time in the future. Today, he will take Wang fan out first.

Before long, Kang Yangzhong took a group of people to Wang Fan's site.

"Excuse me, sir." A service personnel want to come forward to ask, but Kang Yangzhong mercilessly fan fly, "roll, don't his mother look for trouble."

Kang Yang heavy fan flying service personnel, and then to Wang Fan and others in the direction of arrogant roar, "which son of a bitch bully Lu Rong, stand up for me.". Even the women of Kang Yangzhong dare to bully. You are blind! "

Arrogant and arrogant.

"Kang Yangzhong?" Lin Ruoxue listened to the name, Liu Mei frowned, obviously some fear.

Wang Fan a Leng, "do you know?"

"I don't know, but I've heard of it." Lin Ruoxue's face is dignified. "Kang Yangzhong is a mad dog of Bai Xiaoren. He is domineering and domineering. I didn't expect that he knew Lu Rong."

"Wang Fan, this person is not easy to provoke, or you'd better avoid it first." Lin said.

"White Owl? The white family? What does it have to do with Bai Qinghu? " Wang Fan's eyes narrowed and asked.

"Bai Qinghu's brother, how do you know Bai Qinghu?" Lin Ruoxue was puzzled that Wang Fan knew Bai Qinghu.

When she came to Jinzhou, Bai Qinghu and others had already returned to Beijing, so she didn't know the conflict between Wang Fan and Bai Qinghu.

"It's more than acquaintance. I'm quite familiar with it." Wang Fan's eyes twinkled with disdain.

As soon as Lin Ruoxue saw Wang Fan's expression, she knew that he had a conflict with Bai Qinghu. She quickly said, "Bai Xiaoren is Bai Qinghu's brother, but he is not the waste wood of Bai Qinghu."

"In terms of strength, status and courage, Bai Xiaoren is 100 times stronger than Bai Qinghu. They can be said to be one heaven and one underground."

"Kang Yangzhong is a mad dog under Bai Xiaoren. I suggest you avoid it and don't provoke him."

Lin Ruoxue said anxiously.

"Dodge?" Wang Fan looked at Kang Yangzhong and others who were getting closer and closer, and couldn't help laughing, "I'm afraid it's too late."

Wang Fan's words just finished, Kang Yangzhong several people have come to their side.

Kang Yangzhong pointed to Lin Ruoxue and others, arrogant and domineering, "Damn, when bullying my rong'er, one by one arrogant to death, when extorting my rong'er 100 million, one by one arrogant to death."

"Why, I'm afraid to speak now? Which grandson bullied my family, rong'er, come on, stand up for it. "

"I'd like to see if there are three heads or six arms. Even my women dare to bully me."

Spitting.

"Kang Yangzhong, no one bullies Lu Rong. It's him who wants to compete. He's willing to pay for it. Don't spit it out."

Wang Fangang wanted to speak, Lin Ruoxue first step out, she pointed to Lu Rong, "Lu Rong, willing to gamble, you don't let me look down on."

"I didn't let you climb out. I've already given you a lot of face. How come you're still unconvinced and turn to look for trouble?"

Lu Rong was stunned and didn't want to talk.

It's really a shame.

Kang Yangzhong's eyes narrowed, "are you?"

"I'm just a small businessman. Of course, I'm not in Kang Shao's eyes. Why, Kang Shao even wants to fight me?"

Lin Ruoxue has a needle in his pocket. It's obviously a sneer at Kang Yangzhong's shameless behavior towards other people's waiters.

Lu Rong also quickly said in Kang Yang Chong's ear, "Kang Shao, she is Lin Ruoxue, Lin family."

"Who am I? It turns out that I'm the daughter of the Lin family. No wonder I'm so competitive." Kang Yang laughed again, the next second, slapped on Lin Ruoxue's face.

"What the hell are you? How dare a girl of the Lin family brag in front of me? Don't say it's you. Even if your useless father comes, I'll beat him. Do you believe it? "

Kang Yang Chong suddenly became fierce and violent, "spit out blood, Lao Tzu is spit out blood, what's the matter? How dare rong'er climb out? Do you want to die? "

"People are afraid of you, Lin family, but I'm not afraid of you. Today, if you don't climb out for me, I'll skin you! "

It's all over the place!

Lin Ruoxue didn't expect that Kang Yang said he would do it and fight so hard.

That pretty face, instantly swelling up, red.

She didn't scream, didn't cry, didn't even tear like a shrew, just staring at Kang Yangzhong coldly, just like staring at a mad dog. Seeing this, the people around them all fled, fearing that they would be affected.

Only Jiang Yun shed tears in an instant and helped Lin Ruoxue, "Ruoxue, are you ok?"

Lin Ruoxue shook her head and did not speak.

Kang Yangzhong has already looked at Wang Fan, "boy, you are the one who bullies my rong'er, right?"

"Didn't Niu cajole and extort 100 million just now? How do you feel when you go into the hole? Why, now that I'm counselled, I don't dare to stand out? "

Kang Yangzhong points at Wang Fan with fierce voice and color.

The purpose of his coming is to clean up Wang Fan. Even if Wang fan is a turtle, he will not let it go.

Wang Fan touched his head, first lifted Lin Ruoxue up, and then stood up slowly.

He didn't expect that Lin Ruoxue was slapped because of his negligence. This is the fallacy of desolation!

"Huikang Shao, I'm wrong!" Wang Fan said, his right hand suddenly grabbed the solid glass ashtray on the table, and hit Kang Yangzhong's head with a click.

With a bang, the solid ashtray was smashed, and the glass debris was shot. Kang Yangzhong's whole head was also hit with a blood hole, and the red blood flew away.

"Ah Lu Rong screamed in an instant. He never thought that Wang Fan was so crazy and dared to attack Kang Yang again.

But Wang Fan didn't pay any attention at all. After an ashtray was smashed, he picked up Kang Yangzhong's head and blasted the stone pillar next to him.

Come on!

Come on!

Come on!

His face blew three times, Kang Yangzhong's whole head was smashed into a bloody gourd, red frightening.

This bloody scene, hard to stimulate the people around, the whole scene a dead silence!

Kang Yang's eyes are ready to crack, and his Qi is shaking!

He didn't expect that Wang Fan would dare to do it. He was still so sharp.

He did not expect that Wang Fan's strength should be so strong, he did not respond.

"Son of a bitch! Move him! Move him Kang Yang was in pain and roared with anger.

Several doglegs were ordered to rush towards Wang Fan.

"Go away!" Wang Fan gave a loud drink and kicked out several feet. With the sound of bone fracture, several dog legs kicked out one after another, making a scream of no one, and they were unable to get up again.

Wang Fan grabs Kang Yang's head and bangs it on the stone table. He grabs the bottle with his right hand and smashes it. Then it hits him in the throat.

"Kang Shao, I've always been so noisy. Why don't you believe me? Lin is always my employer. You slap Mr. Lin in front of me. You slap me in the face. What do you think of this? "

"I'm NIMA!" Kang Yangzhong roared angrily.

Wang Fan picks up the corner of his mouth, grabs his left hand and puts it on the table, then grabs the broken wine bottle with his right hand and stabs it down without hesitation.

"No, Wang Fan." Lin Ruoxue's eyelids jumped and let out a voice to stop her.

"You dare!" Kang and yang are fierce in both voice and color.

Whoa!

It's a dead silence!

Chapter 508

Kang Yangzhong's hand was blurred and turned into a pool of broken mud.

You know, it's a broken wine bottle. It's ten times more painful than a knife.

Red blood flowed out, red palm, red desktop, Kang Yangzhong could no longer help but open his mouth and let out a shrill howl.

He's here for revenge. He's here for the face. But he never thought that he was completely cleaned up by Wang Fan and trampled so hard.

"Son of a bitch, if you have seed, you will kill me. If you can't kill me, I will kill you one day! Young master will not let you go! The young master will not let you go! "

Kang Yang was gnashing his teeth and muttering. His dignity and ferocious expression were frightening.

"To kill you? Do you think I dare not? " Wang Fan sneers, grabs Kang Yangzhong's other hand, pulls it straight, and lifts his knee!

Click!

Harsh sound of bone fracture sounded, Kang Yang heavy arm completely declared broken!

"You have the guts to beat my employer and threaten me. Yes, you are tough. It's just that I meet a few tough people like you every year. Let's see today who kills who. "

Wang Fan said with a sneer that his right leg had been raised and stepped on Kang Yang's heavy leg.

Kang Yangzhong's face changed wildly. He didn't expect that he was mad enough. Wang Fan was even more mad than him.

If he goes on, he will be disabled for life.

He crazily raised his head and looked into Wang Fan's eyes.

However, what he saw was indifference and profundity.

"Kang Yangzhong, don't take your master to oppress me, I haven't paid attention to it! Beat my employer, don't talk about you, even if your master comes, you can't do it! "

Wang Fan said and stepped on his right leg.

With a click, Kang Yang's left leg was smashed.

Under the sharp stabbing pain, he could not help opening his mouth again and uttered a shrill scream.

Cruel, it's too cruel!

Lin Ruoxue, Jiang Yun and others are shaking in their hearts. No one thought that Wang Fan would be so terrible.

Compared with the domineering in the face of Bian Hui, Wang Fan's ruthlessness today is bloody.

Lin Ruoxue has an impulse to cry. She also didn't expect that Wang Fan would offend Bai Xiaoren for her sake.

It's the first time that she's grown up to be protected.

"Wang Fan, forget it. I'll be fine." Lin Ruoxue stands up and grabs Wang Fan's hand.

She didn't want to make it big.

"What is it?" Wang Fan curled his lips and looked at Kang Yangzhong, "I'm sorry, I'll give you a living."

Kang Yangzhong struggled for several times, but he finally softened down.

He looked at Lin Ruoxue, unwilling to lower his head, "sorry."

"Go away. Step on people with longer eyes in the future. Next time, you won't be so lucky." Wang Fan patted Kang Yangzhong's face and kicked him out.

Kang Yangzhong several bullshit do not dare to put a, quickly catch up to help up Kang Yangzhong, gray

left.

As for Lu Yun, he didn't dare to say anything. He looked at Wang Fan in fear and left quickly.

"Mr. Lin, is it still painful? Do you want to go to the hospital?" Wang Fan looked at Lin Ruoxue, very embarrassed, "I'm sorry, I can't protect you."

"I really didn't expect that Kang Yangzhong was so domineering. I'm really sorry that he said he would do it when he said he would."

Wang Fan was really angry, and even could not help trampling Kang Yang to death.

I don't know why. Wang Fan feels that he is impulsive and angry recently. He wasn't so impulsive before.

I don't know whether it is the recent successive events that have deeply stimulated him, or whether song Rumei's departure has affected him. He can't say.

"I'm fine. Let's go." Lin Ruoxue became tender. She said to Wang Fan and said hello to her friend, then left with Wang Fan in a hurry.

On the high platform, the curtain thousand heart looking at Wang Fan two people to leave of the back, dead of cover mouth, don't let oneself cry.

Wang Fan didn't die. She was very surprised and surprised, but she couldn't explain to the little Lord. There was only one way to go back.

She wants to seek Wang Fan's protection, but she has no face when she thinks of the night when she harmed Wang Fan.

The most important thing is that mu Qianxin doesn't think Wang fan can bear the pressure of the young master. She doesn't want to add frost to Wang Fanxue.

"I'm sorry." The curtain thousand heart looking at the direction that Wang fan leaves, murmured a, turn a head to leave quickly.

"I finally know why song Rumei likes you so much. Wang Fan, I like you too. Give me a chance to pursue you. "

Lincoln car, Lin Ruoxue seized Wang Fan's hand, is very sincere said.

Listening to her affectionate voice, the beautiful woman driver in front almost slipped the steering wheel and didn't hit the tree. Wang Fan was also startled. He quickly reached out and touched Lin Ruoxue's forehead, "Mr. Lin, don't you have a fever? Won't you be beaten in the head by Kang Yang? Don't you have to go to the hospital? "

He was worried.

"My brain is really broken, because I'm in love with you, you have to be responsible." Lin Ruoxue was not surprised, and she kept on saying, and nestled in Wang Fan's arms, "promise me that you will love me for the rest of your life, OK?"

Lin Ruoxue was deeply afraid that Wang Fan would not agree, and then said, "don't worry, I'm not such a pedantic woman, I won't say that you love me alone."

"I'm not so greedy, as long as you leave a place in your heart for me, OK? You are greedy and lustful. I have money and good looks, but I will pay to support you. "

Lin Ruoxue is very straightforward, just like her character, direct.

She is a woman who dares to love and hate. If she falls in love, she will confess.

Against the enemy, she can do anything, for love, she can be desperate.

Even if moths fly to the fire, they will die.

Wang fan is a little confused. The topic is so sudden and direct that he doesn't know how to answer it for a while.

He was a little depressed. He had been picking up girls all the year round. In the end, he was picked up by girls, which was unexpected.

"Mr. Lin, actually I'm not that good. I'm not handsome, I don't have money, and I'm still grass-roots. Now I've provoked so many enemies. I don't know when I'll be chopped to death. "

"If you follow me, you will only be displaced, not happy, but also worried. I can't afford this feeling."

Wang fan can only say this, and finally added, "what's more, you are the employer, I am the bodyguard, we are like this, really good?"

"What's wrong." Lin Ruoxue doesn't care so much at all. "You've pulled me into your life. You've made me fall in love with you. You're not responsible. Do you really have the heart?"

"Before I knew you, I had nothing. But since I hired you, I first offended the shark Gang, and now I offend Bai Xiaoren. "

"You can see his mad dog Kang Yangzhong. If you pat your ass and go away, what will Bai Xiaoren do when he comes to stab me? Do you have the heart? "

Wang Fan a face muddle than, "I that all is to save you."

Lin Ruoxue suddenly did not speak, but wiped her tears.

Wang Fan some depressed, "well, Mr. Lin, emotional things slowly say, you can rest assured, I will extend the escort period, do not let you be in danger."

"That's what you said. Don't go back on it." Lin Ruoxue broke her tears into a smile. As long as Wang Fan agrees to spend more time with her, she will have confidence to win Wang Fan.

"Well, I said it." Wang fan is about to cry. His monthly salary is estimated to be ten million yuan a year.

Chapter 509

Yaoge garden.

In such a large hot spring, a man in his twenties is getting tired of it, enjoying the comfort brought by the hot spring.

The man is twenty-five or six years old. He has a national character face, sword eyebrows and star eyes.

His body has a kind of upper breath in his bones. He is rebellious and arrogant.

Two enchanting girls are waiting by their side. Their slender hands lift up the water and gently wipe every part of the youth.

In their eyes, there are adoration, obsession and carefulness.

Young people are closed eyes, motionless, as if asleep in general.

Dada dada.

A burst of rapid footsteps came, and another capable and beautiful woman in plain clothes rushed into the garden and came quickly towards the direction of youth.

Where they passed, the house guards bowed their heads one after another, showing the extraordinary identity of women in plain clothes.

The woman in plain clothes soon came to the hot spring. When two enchanting girls saw the woman in plain clothes, they hurriedly bowed their heads and saluted, "Miss Su."

At the same time, the young people in the pool also slowly opened their eyes.

At the moment when he opened his eyes, it seemed as if the sky was bright. A sharp light burst out from his eyes, quickly disappeared, and turned deep.

The young man nodded to the two enchanting girls. Without a moment's hesitation, the two girls got up one after another to leave the hot spring and quickly left.

Their dripping skin, under the sunlight, is so white, so dazzling, so evocative.

But the young man didn't look at them. Instead, he looked at the woman in plain clothes. "Weiwei, what can I do for you at this time?"

The young man's voice is very gentle, but also full of magnetism, that slightly aggressive eyes sweep on Su Weiwei, Su Weiwei can't stop breathing and become short.

She looked at the young man, slightly bowed his head, "little Lord, Kang Yang was abandoned."

"Kang Yangzhong?" The young man's eyes narrowed for a moment, and did not show much anger, "what's the matter?"

Without waiting for Su Weiwei to open her mouth, he continued, "although Kang Yangzhong is a waste, he still has strength. What's more, the strength of all parties in Jinzhou knows that he is my man. Who dares to move him? "

Who dares to touch him?

The tone is flat, but it shows strong self-confidence!

"Wang Fan." Su Weiwei gritted her teeth, and then told what happened to the golf course, including the process of Kang Yangzhong being abandoned.

Finally, she added, "muqianxin cheated us. Wang Fan didn't die at all."

"Wang Fan?" The young man laughed inexplicably, "no wonder, I said, who dares not to give me face so much as to abolish Kang Yangzhong. If it's Wang Fan, it's understandable. "

"Even the Song family dares to make a big noise. It's nothing to abandon Kang Yangzhong. By the way, what about muqianxin? "

"Little Lord, what do you mean? Do you know that Wang fan is not dead? Are you not angry? " Su Weiwei was a little surprised.

"What are you angry with?" The young man asked, "although muqianxin is a bit of a Taoist, he wants to kill Wang Fan, but it's not enough."

"In fact, I never believed that muqianxin really killed Wang Fan. It's just that the disappearance of Dawu and Xiaowu makes me more sure. "

The young man said slowly, "the Song family didn't kill him, and Zhao Rongguang didn't kill him. Do you think muqianxin can kill such a person?"

Su Weiwei was even more surprised, "little Lord, I don't understand. Since you know muqianxin didn't kill Wang Fan, why did you keep her? She has deceived you

The young man laughed, "first of all, no matter how to say, muqianxin is also our person, who has made contributions to Hummer for us. I can't bear to kill her because of this, and I'll be chilling to my brothers. "

"Second, how do you know that muqianxin didn't have a hand? Who can be sure that what muqianxin gave to Li Wuji was everything in his hand? "

"If you kill her and her things come out, Li Lishan can't get out. I came to Jinzhou for the purpose of declaring bankruptcy. "

"Therefore, in the public and private, in the emotion and reason, the curtain thousand heart can't die."

The young man said here, his eyes suddenly deepened, "Li Lishan, it's really a big surprise for me. I didn't expect that the assets he reported to me were less than half of the actual assets. "

"Even the old fox saw through the flag of muqianxin that we buried beside him. Jiang, it's really hot. Fortunately, I also planted the seed of Li Wuji. Otherwise, he'll have to play with it. "

"Li Lishan can die, but not yet. If he doesn't come out, how can he really over give us his assets? "

The young man seemed to be very dissatisfied with Li Lishan. When he said the back, his eyes bloomed like a real murderer.

Su Weiwei didn't intervene in the messy affairs of the Li family. She was just a loyal thug of the little Lord, or a gun in her hand.

Where the little master points, she will hit. She won't care about those crooked plots, let alone worry about them. Su Weiwei and other young people said, and asked, "what should I do now? Do you want me to teach Wang Fan a lesson? Even if you can't kill him, it's good to move his women to warn him. "

"Also, muqianxin didn't follow Kang Yangzhong to the hospital, and didn't come back. According to the spy, she went to the high-speed railway station and seemed to want to escape. Shall I send someone to get her back? "

"No The young man waved his hand. "It's a troubled time. Our first goal is to get Li Lishan out first."

"Wang fan can let go of things there. As long as you don't touch the bottom line, you don't have to

worry about him first. We have a long way to go. We have plenty of opportunities to challenge. "

"Muqianxin, don't hurry to catch her. Just send someone to watch the airports and don't let her leave Jinzhou."

"Remember, put pressure on her, but don't really push her to death. She's in a desperate situation, and she's sure to shake out the rest of us. That's the best time to kill her. "

"Yes." Su Weiwei nodded and was about to leave, but she was stopped by the young man.

"Young master, what else do you have to say?" Su Weiwei asked respectfully.

"Our people don't move. Wang Fan, you can let the shark help and the wolf help move. In the morning, didn't Li Wuji fight with Huang biaoqiang? "

"You can do something about it. Besides, you can also poke out the death of taro tomato and Bian Hui to create pressure on Wang Fan."

"Li Wuji is such a fool that he can't help ah Dou. He was used by Wang Fan. Just in time, we also borrow these things, Yin Wang Fan

The young man said gently.

"Yes, young master." Su Weiwei's eyes twinkled with a light, and she went away.

Jinzhou high speed railway station.

Muqianxin with sunglasses and cap quickly entered the ticket office, she is not to buy tickets, but to get tickets.

Jinzhou station is not very big, can not directly use the ID card to swipe tickets into the station.

Mu Qianxin knew that she had cheated Bai Xiaoren and could not go back at all.

Today's plan is to leave Jinzhou as soon as possible, otherwise, she will definitely die without a burial place.

Bai Xiaoren is not as powerful as Li Wuji. If she offends Li Wuji, she can deal with it. But if she offends Bai Xiaoren, she will die.

Following Bai Xiaoren for so long, mu Qianxin deeply knows the latter's means.

There are many people waiting in line at each ticket machine. Mu Qianxin is helpless. She is going to get

in front of her. When she discusses with others to get tickets first, her eyelids jump and her face suddenly looks ugly.

Chapter 510

Two skinny men ran through the crowd and towards him.

The curtain thousand heart facial expression a change, can't take care of to get a ticket any more, quickly ran to another direction past.

She can feel these two people's not simple, that body's bloody breath, once saw is experienced the blood whets the character.

Mu Qianxin is sure that these people are coming for her. Even if not, she did not dare to gamble her life.

Muqianxin is very fast, but they are not slow. Without hesitation, they continue to pursue muqianxin.

Curtain thousand heart, the whole heart sink to the bottom.

She did not expect that White Owl benevolence reaction so fast, even in a short time to lock her, but also sent people to chase over.

Muqianxin didn't shout or call the police.

In this case, it's useless for her to shout and call the police. The only way is to get rid of the lock of the other party.

Soon, muqianxin ran out of the ticket office.

However, as soon as she sold the ticket hall, her face became ugly again.

Not far away from the stone pier, two men were sitting smoking, at the moment they saw her, they stood up and ran quickly.

The curtain thousand heart in the heart clap Deng for a while, didn't continue to evade, but suddenly with faster speed rushed past.

When she was about to get close to them, her right leg slashed 180 degrees, and the sharp tip of her high heel stabbed one of them under the chin.

With a hiss, the young man's chin was pierced directly, and at the same time, the red blood spurted out.

Screen thousand heart down a person, without hesitation, right leg again oblique row, split to another person's left face.

The young man's face changed wildly and stepped back quickly.

The soles of Mu Qianxin's shoes fluttered past his nose, and the sharp heels hit him hard on his face, and he fell to the ground in a panic.

Muqianxin didn't stop. He rushed forward two steps and stepped on them. Then he flew into the crowd and ran towards the distance.

Muqianxin is not a good man or a good woman. He will never wait to die, let alone give way.

She'll fight back, too.

She wants to fight back and tell these people that although she is a woman, she is not a vase.

This sudden scene shocked everyone around.

In a flash, the scene was in chaos.

Ah, the scream sounded, the flow of people quickly dispersed, at the same time, the nearby police also ran at full speed.

The two men who chased out of the ticket office looked at the scene and frowned. Then they locked the curtain and continued to chase.

For the fallen companions, they did not pay attention, not to check the injury.

They have to pursue hard to create a desperate atmosphere for muqianxin.

Screen thousand heart speed is extremely fast, constantly shuttle in the crowd, soon ran to the back of an alley.

This lane has thousands of heart, which crisscross with dozens of forks, like a labyrinth. She wants to use this environment to get rid of Bai Xiaoren's lock.

However, as soon as she stepped into the alley, a lame beggar stood up suddenly, grabbed the iron wrist on the ground and hit muqianxin's head.

Mu Qianxin's face changed again. She didn't expect that even the beggars were White Owl Ren's people, or White Owl Ren's people would disguise as beggars.

Curtain thousand heart crazy retreat, the beggar's iron hand hard bang on the wall, stone bricks were blown off half pull, this shows the hardness of the iron hand.

Muqian's eyelids beat fiercely. He suddenly took off the jade bracelet from his wrist and pulled it

fiercely. The jade bracelet turned into a sharp thorn, and then stabbed the beggar without hesitation.

As soon as the beggar's face changed, he began to step back and parry.

The sharp stab and the iron wrist make a sound of Ding Ding Ding.

The curtain thousand heart hit not, did not give up, but crazy attack up.

Before long, the beggar's body was pierced dozens of wounds, blood dripping.

At this time, mu Qianxin's eyelids jumped and found that the two men who were the first to pursue came. At the same time, he also found that several young people reading newspapers and drinking tea in the distance also stood up at the same time.

She did not dare to neglect, and quickly went through the alley.

Wang fan doesn't know what happened in muqianxin. After he sent Lin Ruoxue to the company, he stayed for a while and went to the bank.

He wants to cash the cheques that Lin Ruoxue rewarded, and then fill them in for the company.

With more and more urban life, more and more people are offended. Wang Fan also wants to cultivate his own power. Only in this way can he protect the people around him.

Wang Fan's journey was full of danger. He did not encounter any attack or bank robbery.

After cashing the check, he bought some food and drink and went straight to the hotel.

Qin xuechu was in charge of human affairs and stayed in the hotel alone. Wang Fan was a little upset after all.

He is not a person who is not responsible, let alone a person who doesn't recognize people with his pants on. In this case, how to open three degrees and unlock more postures?

However, to Wang Fan's dismay, when he arrived at the hotel, Qin Xue was no longer there.

Helpless, he had to call Qin Xue, "sister Xue, why didn't you have a good rest? Where are you?"

As soon as Qin Xue heard Wang Fan's words, she knew that Wang Fan had gone to the hotel. There was a warm current in her heart. "I'm handling a case. There was a murder in the morning, and I'm dealing with it."

"Wang Fan, do yourself a favor. I don't think I have much time to accompany you these days. By the way, you must be careful. Huang biaoqiang has been killed. I'm afraid the black wolf will help the dog

jump over the wall and kill you next. "

"Kill me?" Wang Fan curled his lips and disdained him, but he soon changed his expression, "sister Xue, why don't you listen to me and have a good rest?"

"You're not made of iron. How can you stand up to such trouble. So many cases happen every day, where can you handle them? "

"You are just a little criminal policeman. Don't regard yourself as the chief. If you go on like this, you can't stand it."

Qin Xue listened to Wang Fan's words, feeling very warm, she said gently, "I'm ok, you don't worry about me, OK, I have something to do, hang up first, bye."

With that, Qin Xue hung up directly.

Wang Fan was a little depressed, and he regretted Li Wuji.

No way, Wang fan can only leave.

He planned to visit the company, but soon his eyes became sharp.

The two cars were not far away from each other. They had been following for a long time. It was obviously aimed at him.

"Follow me? Still so bad? Who is it? Black Wolf Gang? Shark Gang? Or white owl

Wang Fan's eyes flashed, sent out a few messages, then turned around and drove to another direction.

Before long, there was a text message. Hei Luocho told Wang fan that it was the shark gang who was chasing after him, and the shark Gang's No. 3 general, blood ghost, was the leader.

Blood ghost is one of the trump cards of the shark gang. Its status and strength are stronger than that of the dead Huang Biao. His hands are full of blood.

It is said that before joining the shark Gang, the blood ghost was a well-known bandit. He liked to kill people out of his heart, and then dyed each other's blood all over his body. He was extremely abnormal.

Because of this, he was given the title of blood ghost.

After reading the text message, Wang Fan laughs playfully, turns out the google map, makes an address, and then speeds up.
