

## **MIGHTY SK 561**

### **Chapter 561**

"Manager, why don't you ask for their ID cards? What if they are some bad people?" The receptionist looked at the manager and asked.

"Bad man, have you ever seen such a bad man with brain damage? In my opinion, that boy must have stolen other people's women. He didn't dare to show his ID card because he didn't dare to publicize it. "

"Don't look at that boy, he is a upstart at most, and has no inside information. But that woman is not simple. She has a famous brand and a good temperament. Obviously, she is not from a simple family. "

"Well, let's not worry about so much. Just make money. Why do we care about so much?" The manager is very confident analysis, and then grabbed two thousand dollars into the money box.

The front desk lady didn't ask much when she saw what the manager said.

She's just a receptionist. She's the manager's boss.

Wang Fan quickly embraces Dai Shuangshuang and enters the room. As soon as he enters the room, he screams.

"What's the matter, are you all right?" Dai Shuangshuang is very concerned and quickly holds Wang Fan.

"How can it be all right? I'll shoot you twice. You can try." Wang Fan grinned and entered the bathroom.

Dai Shuangshuang blushed and quickly followed in.

An hour later, she came out with Wang Fan who had taken a bath. Her pretty face was already red.

"This day is really exciting. It scares me to death."

Wang Fan lay on the bed and couldn't help complaining, "frost, you have to tell me who those people are. And why they're after you. Otherwise, I don't even know how to die. "

Wang fan is very depressed, "originally thought it was just a date, is a happy thing, who can think of, unexpectedly was chased."

"Unconsciously, I have offended a powerful enemy. How can I live after that?"

"Wang Shao, I'm really sorry. I didn't expect such a thing to happen." Dai Shuangshuang was very embarrassed, "ah, anyway, you have been involved, then I'll tell you."

"They should be the subordinates of Bai Xiaoren, the third son of the white family. The purpose of this

evening is to kill me."

"In fact, I came to Jinzhou for Li Lishan's case. It's not only me, Kong shaomeng and them, but also for this case."

"Originally, we thought that this matter was very qualitative and not difficult. But I didn't expect that Li Lishan had something to do with Bai Xiaoren. "

"During this period, Bai Xiaoren and Li Wuji sent a large number of people, not only killed many witnesses under our control, but also destroyed a lot of evidence that could nail Li Lishan."

"We thought there was no hope of nailing Li Lishan, but we didn't expect that Li Wuji was killed a few days ago."

"The killing of Li Wuji has greatly reduced our pressure. In addition, we don't know who stabbed the fatal evidence later, which directly made us completely stare at Li Lishan."

"Now that Li Lishan is in charge, we plan to take him to Beijing for legal trial tomorrow. After all, Li Lishan is a cross-border drug lord with huge influence, and the capital attaches great importance to it. "

"But I didn't expect that, tonight, Bai Xiaoren made such a show. I think he's trying to kill me, delay our return to Beijing, so that we can deal with each other again. "

"Originally, I was not so easy to be assassinated, but I wanted to see you, so I gave them an opportunity."

"I'm sorry."

Dai Shuangshuang sorted out his thoughts and said the matter quickly.

But Wang Fan frowned.

It's really not easy. He was involuntarily involved in the family dispute in Beijing.

On the face of it, it's just a battle between Bai Xiaoren and the three families of Confucius, Mencius and Dai, but in fact, it's a game between the four families.

It's even possible that other families are involved. Otherwise, a White Owl benevolence, a white family, why fight with the three families?

Wang fan is very depressed and self mocking.

He first killed Li Wuji, then saved mu Qianxin, and now he saves Dai Shuangshuang from Su Weiwei.

If we let Bai Xiaoren know these things, they are likely to live forever.

In the past, Wang Fan didn't care, but now, his family has a big business, and he doesn't want to take revenge on people like Bai Xiaoren.

After all, even if he killed Bai Xiaoren, he couldn't destroy the Bai family, right?

"Oh, frost, it's terrible. Don't say that I saved you. I'm afraid that Bai Xiaoren will cut me."

"I've offended a song family and a dream Pavilion. If I offend the Bai family again, I'm afraid I don't know how to die."

"You must help me with this. If someone asks, you must not tell me."

Wang fan depressed said.

"Good." Dai Shuangshuang nodded, "don't worry, I will never tell you. Even Meng Shao and Kong Shao, I won't say

"But, even if I don't say it, you still have to be careful, because I'm afraid that the White Owl will find you. After all, he is very capable." Dai Shuangshuang obviously knew the seriousness of the matter and nodded his head.

Although Wang fan is powerful, he is a man after all. Without the protection of his family background, he can't fight too much.

The Song family is just an accident, or just the accomplishment of those who have a heart.

"Don't worry, he won't investigate me. I'll leave now. I'll leave Jinzhou now. It's just, I need you to do me a favor. "

Wang Fan said, also don't care with Dai Shuangshuang Wen from, quickly got up, while wearing clothes said.

"What's up?" Dai Shuangshuang asked.

"Of course, it's to restrain Bai Xiaoren. He's treating you this evening. Don't you give me a return?"

"Besides, only if you restrain him, he won't pay attention to my little role, and I can leave smoothly."

"Otherwise, what if he knows I'm leaving? After all, he also knows that we are very familiar with each other, so it's hard for him to guess my head. "

Wang Fan said.

When he said this, he felt guilty, because it was not his purpose. His purpose is to disrupt the deployment of White Owl benevolence, and then successfully send mu Qianxin away from Jinzhou.

Of course, Wang Fan did not say these words.

He is only guilty of not telling the truth to Dai Shuangshuang, which is far from being used.

After all, Dai Shuangshuang's attack is real, not instigated by Wang Fan. It's natural for Dai Shuangshuang to get back to the court.

"Well, I won't let Bai Xiaoren go." Dai Shuangshuang nodded and called soon.

Wang fan is quickly left the hotel, he did not leave through the main door, but jumped out of the window.

After Wang Fan left, he made a phone call to heiluocha and arranged a few sentences. Then he took muqianxin to the railway station. Before going to the railway station, I specially disguised my heart.

Two people came to the railway station, did not go in, but walked into the opposite KFC, chose a window seat to sit down.

They ordered some food and then looked at the entrance and exit of the railway station intentionally or unintentionally.

They stayed for about half an hour, a group of people suddenly came out of the railway station, and then quickly got on the train and left madly.

At the same time, many "passengers" who are resting, reading newspapers and chatting in the square suddenly stand up and leave with a dignified face.

Wang Fan's eyes brightened as he watched the scene.

He knows that Dai Shuangshuang and they have started to fight back, and the counterattack is quite fierce. Otherwise, Bai Xiaoren can't transfer these people back.

Wang Fan waited more than ten minutes before he wiped his mouth and left the coffee shop with muqianxin to enter the railway station.

## **Chapter 562**

Wang Fan has already bought the train ticket from his mobile phone, so naturally he doesn't have to wait in line to buy the ticket.

He gave muqianxin his ID card and asked muqianxin to pick up the ticket from the self-service ticket

machine. He stayed aside and scanned the people around him.

Although Bai Xiaoren withdrew a group of people, Wang Fan believed that he did not withdraw all of them.

Sure enough, when muqianxin was collecting the ticket, a young man frowned and soon ran towards muqianxin.

Obviously, although he didn't recognize muqianxin, his appearance aroused suspicion.

Because mu Qianxin is wearing sunglasses and a cap, he can't see his face clearly.

He rushed to muqianxin, mostly to confirm the identity of muqianxin.

Wang Fan looked at this scene, with a sly smile, and directly bowed his head to the direction of the youth.

The young man only looked at the curtain, but he didn't notice Wang Fan coming out from the side. With a bang, he ran into Wang Fan.

He exclaimed, and then he fell to the ground.

Wang Fan Leng for a moment, rushed to the youth, "Oh, I'm sorry, I'm just in a hurry to buy tickets, didn't see you, you don't mind, do you want to go to the hospital?"

Wang Fan a face of apology, while saying, but also went forward to help young people.

Wang Fan's voice is very loud, but also intentionally or unintentionally blocked the youth's sight, the purpose is to remind muqianxin, let muqianxin act quickly, get out early.

Sure enough, mu Qianxin heard Wang Fan's voice. He was stunned for a moment, and then quickly pushed to the front. After apologizing, he began to pick up the ticket.

The young man was a little annoyed when he was bumped by Wang Fan, but now he is even more annoyed when he is blocked by Wang Fan.

He suddenly stood up and directly pushed Wang Fan fiercely, "get out of the way, don't have long eyes, dare to get in the way again, be careful I cut you."

"Oh, brother, I apologize for that. By the way, you really don't have to go to the hospital, or I'll accompany you to the hospital for examination. I'm very responsible. I'm afraid I'll damage you. "

But Wang Fan was not angry. He ran to the young man again, grabbed his arm and said.

People around looked at the scene and looked sideways.

Obviously, it's the first time they've met Wang Fan. They don't run away when they bump into someone, but they also take the initiative to let them go to the hospital for examination.

"I'm fine. I don't have to go to the hospital. Get out of my way. " The young man was annoyed and impatient. He pulled Wang Fan aside and looked directly at the direction of the curtain.

However, there is no shadow in the sight.

"Well, you say it's OK. It's not that I'm not responsible. In that case, I'll go. "

Wang fan saw the curtain thousand heart smoothly get tickets to leave, there is no entanglement, quickly said a, then intend to turn away.

But at this time, the youth refused.

He suddenly turned around and grabbed Wang Fan's collar, "go? Where are you going? I tell you, just now you hit me. You can't go without one hundred and eighty thousand! "

He was very angry. If it wasn't for Wang Fan, how could he lose the trace of muqianxin.

Although he was not sure whether the man was muqianxin just now, what if he was?

This is an opportunity to make great achievements. You'd better kill the wrong person than let it go.

"Brother, didn't you say you were OK? I took the initiative to ask to go to the hospital to give you an examination. You said you didn't need to go and asked me to go. Everyone heard that. "

Wang Fan was seized by the young man, and his face was ugly. "Besides, even if you go to the hospital, it won't cost 180000 yuan. You are blackmail."

"Blackmail your sister!" The young man glared at Wang Fan fiercely, "just now is just now, now is now, just now I feel OK, but now I feel uncomfortable."

"I ask you, do you give money or not? If you don't give it, you can't leave. Let's find a place to talk about it. "

The young man said maliciously and took Wang Fan away.

There are too many people here. He wants to find a corner to clean up Wang Fan.

It's boring to stay here. I can have some fun with Wang Fan.

Around the passengers who wanted to say a few words for Wang Fan, when they saw the fierce look of the young man, they didn't dare to speak any more.

It's better for them to roll as far as they can. No one wants to stir up trouble.

"Brother, you can't do this. You're breaking the law." Wang Fan's face was bitter. He looked like he was about to cry.

"Breaking the law? I offended your sister! Go The young man roared fiercely. He grabbed Wang Fan in one hand, pulled out a dagger in the other hand, and grinned at Wang Fan, "and you should keep your voice down, or I will let you see the blood directly!"

"Ah Wang Fan screamed in fright, and then stepped on the youth's toes.

As soon as the young people draw their lips, they subconsciously let go.

Taking this opportunity, Wang Fan suddenly raised his knee and knocked the young man's abdomen, then turned his head and ran.

He ran and cried, "ah, murder, robbery, gangsters!" Listening to Wang Fan's words, the people around him were surprised at first, and then scattered in an instant. In an instant, the whole youth was isolated.

His face was twisted and his eyes were ferocious. He covered his abdomen with one hand and held a dagger with the other.

Obviously, he is the gangster.

Young people are about to die, if possible, he really wants to give Wang Fan a knife.

He never thought that Wang fan not only dared to shout, but also dared to fight him. What made him most angry was that Wang Fan also broke away from his control.

Unfortunately, he has no chance of revenge.

The police stationed at the railway station had arrived quickly, pointed at him and soon controlled him.

Through the chaos, Wang Fan has quickly and screen thousand heart joint, two people quickly through the security into the waiting room.

They enter the waiting room, Wang Fan clearly aware that there are a few people locked them, fast by.

The curtain thousand heart looking at this scene, in the heart clap Deng for a while, secretly cry bad.

If they make trouble in the waiting room, most of them will be taken away by the police, but they won't

be able to leave at that time.

"You sit over there and I'll take care of them." Wang Fan no nonsense, arranged the curtain thousand heart to find a place to sit down, and then quickly toward the youth who followed ran in the past.

There were five young people coming in, all of whom were in charge of watching.

Originally, they just doubted mu Qianxin, but they didn't confirm it.

You can see Wang Fan making trouble in the ticket office and using small tricks to get rid of their companions. You can also see that after Wang Fan joins up with mu Qianxin, he suddenly becomes confirmed.

They're sure there's something wrong with the two.

Five people see the curtain thousand heart sit down, and see Wang Fan ran to, in the eyes twinkled a grim smile.

Two of them jumped directly to the other two sides and ran roundly to muqianxin, while the other three rushed straight to Wang Fan.

Their method is very simple, that is to make a big noise in the waiting room and fight.

As soon as they fight, the police will show up and both sides will be taken away.

At that time, Wang Fan and mu Qianxin will not be able to catch the train.

As long as Wang Fan and mu Qianxin can't leave, and so on, they will never leave Jinzhou.

Wang Fan looked at the scene, grinning, eyes flashing fun.

These five people have some brains. Instead of dealing with them all, they chose to divide them into two groups.

If they were ordinary people, they would eat them to death. It's just a pity that they met Wang Fan.

### **Chapter 563**

Wang Fan grinned and sped to the three.

Three people see this, in the eyes twinkle a fierce ferocious, without the slightest fear, also met up.

Their purpose is to make trouble. Now Wang Fan takes the initiative to make trouble, which naturally means that they are willing to make trouble.

Wang Fan quickly ran to the three people, slightly wrong body shape, right hand holding the silver needle, hard stab in the three people.

Three people only feel a stabbing pain, and then they were frightened to find that they could not even make a sound, or even move.

"I've been following you for so long, and I've been staring at you for so many days. You all have a good rest. After a good rest, you will naturally return to normal."

"You don't have to thank me, let alone ask my name. If you really want to know, you can take me as Lei Feng."

Wang Fan said with a faint smile and patted it with his right hand.

Three people with evil general, side moved two steps, and then plop a sat on the seat. It's like I'm tired and want to sit down and have a rest.

Their scalp numb, it is incredible, but can not help but believe this fact.

This, what is the means?

Wang Fan put down three people, and then suddenly raised his hand.

Swish two, two silver needles instantly burst out of the air, toward the two men running to the screen thousand heart in the past.

Before they rushed to muqianxin's side, or even had time to make trouble, they felt a pain in their body, and then they settled in the same place as if they had been performed the technique of body immobilization. Then, with a plop, she fell on the seat beside her.

Everything is so sudden, and so natural, did not attract anyone's attention.

Wang Fan looked at the scene, patted his hands gently, called out to get it done, and then went to the position of the screen thousand heart.

Ten minutes later, muqianxin successfully passed the security check.

She stood behind the railings waving at Wang Fan, tears, "Wang Fan, thank you, I will come back to you, wait for me."

She was very reluctant, but had to leave.

Her heart is not a vase, and she can't make a vase.

She has a lot to do.

"Qianxin, have a good journey. Call me if you have something to do." Wang Fan waved and his smile was as warm as ever.

"Well, I will." My heart is full of tears.

She wiped tears from the corner of her eyes, and then looked at Wang Fan deeply. Then she turned back and followed the crowd to the platform.

"Another parting." Wang Fan's heart is also mixed feelings, he bowed his head and murmured, holding the ticket went to another security gate, entered the platform.

Jiangcheng, he's here. I don't know if Ning Yao's life is good.

Half an hour later, the train to Jiangcheng finally started, and Wang Fan also sat in his own position.

Jinzhou is more than 1000 kilometers away from Jiangcheng, and the high-speed railway takes more than four hours. Because Wang Fan decided to leave temporarily, he did not buy a business seat, but only a second-class seat.

Next to Wang Fan sat a woman of twenty-five or twenty-six.

The woman is very mature. She wears a black coat outside, a black sweater and panties inside, and a pair of black high heels on her feet.

She is also very good-looking, delicate face painted light makeup, 3000 black silk waterfall, lips painted with pink lip gloss, giving people a kind of enchanting feeling.

In a word, although she is young, she is extremely mature and full of attractive amorous feelings.

her body also sprayed perfume, not strong, but it gives people a throbbing feeling, so that her whole charm is even more to the extreme.

But the woman's face was cold and full of pride.

She just looked at Wang Fan and turned her head out of the window. She never looked at Wang Fan again.

Wang Fan looked at the woman, the mood is also a lot better.

Originally, he wanted to take a talk, chat, let the journey not be too lonely, just see the woman's expression, finally dispersed the idea.

Wang fan is not an obnoxious person. People are too lazy to take care of themselves. Why should he be so hot and cold.

Wang Fan took a mouthful of the tempting fragrance, then closed his eyes and began to fall asleep.

After several days of tossing and turning, he was also very tired. Before long, he fell asleep.

But soon, Wang Fan felt moved, and then opened his eyes.

He was depressed to find that the cool woman actually leaned on his shoulder and began to sleep.

This does not calculate, her two arms also hugged Wang Fan's arm, as if can sleep more fragrant like this.

Wang Fan wanted to wake up the woman, but in the end, it didn't work.

He took a gloomy look at the woman and went to sleep again.

At a certain moment, a loud voice came, and Wang Fan opened his eyes.

This time, the woman woke up and didn't lean on him.

But when the woman saw Wang Fan wake up, her cold face turned red, but she didn't speak. Wang Fan didn't speak either. He just moved his sore shoulder up and down, and then rubbed it with his hand.

But this rub, he was silly.

Shoulder unexpectedly wet, spread out palm to see, still have a touch of bright red.

Wang Fan took another look at his shoulder, and suddenly he felt ten thousand grass mud horses galloping in his heart.

His shoulder was wet, obviously saliva. That's all. The shoulders are still red with lipprints.

No, this woman is still drooling?

Wang fan is very strange to look at women, some incredible.

How much sleep is needed to make so much saliva?

"Sorry, I'll wipe it for you." The woman was looked at by Wang Fan, her face turned red again. She quickly drew out a tissue and planned to wipe it off for Wang Fan.

"No, no, it's an honor to leave a mark on the beauty." Wang Fan quickly waved to stop, but also can't

help laughing.

The woman's face flushed, and Wang Fan was in a hurry to stop her. She suddenly raised her foot and stepped on Wang Fan's instep with her high heel.

Wang Fan almost jumped up. She was about to scold her mother. Why don't you just make a joke? It's not so cruel, is it?

"Oh, I'm sorry. I'm sorry. I didn't mean to. Are you ok?" Women are in a hurry.

Bang, accidentally hit the coke on the table, crash, directly spilled Wang Fanyi pants.

Wang Fan looked at the wet crotch and was about to cry.

Is this God's retribution for him? But he didn't do anything hurtful.

"Oh, I'm sorry. I'll wipe it for you." The woman is more embarrassed, and then quickly bow, in a hurry to Wang Fan wipe up.

"I'm fine. I'm fine. I don't have to." Wang Fan quickly waved his hand, this is what and what ah, do not know people, still think that two people in that what.

The woman is very stubborn, fast in there wipe, but wipe wipe, her face is more red.

At a certain moment, she was dull and helpless.

Wang fan is to cry without tears, "I said don't wipe, you see."

In order to avoid embarrassment, he quickly stood up, grabbed the magazine to block his crotch, and then limped toward the bathroom.

The woman looked at Wang Fan's limping appearance. She intended to keep up with him, but she finally got rid of the idea.

Her face flushed, reminiscent of the previous embarrassing scene.

She wanted to scold Wang Fan for being a rascal, but she thought that it was her own cause and her own initiative, and she didn't scold him.

She knew that Wang Fan was not to blame.

## **Chapter 564**

Wang Fan went to the toilet, then took off his shoes and looked at the instep.

This time, his face turned green.

The instep is stepped on red. If it's more powerful, it's estimated that the blood vessels and meridians are crushed.

He treated himself quickly and left the toilet.

However, he did not immediately return to his seat and sat down. Instead, he stood at the window between the two carriages.

Once there was no one, he took the magazine mission and fanned his crotch, just like a fool, trying to do faster. There's no way. If he goes out, others think he's pissing his pants.

The car soon stopped by the station, and another group of people got on the car. Wang Fan also stopped quickly and took a magazine to block his crotch to get out of the station for a while.

Maybe it's because Wang Fan's position is empty. A big man with a big arm and a round waist looks at the woman and directly sits down in Wang Fan's position.

Although he looks very handsome, he has a lot of money.

He wore a big gold chain around his neck, five out of ten fingers with bright diamond rings, and a gold watch on his wrist.

As for his clothes, they are all famous brands and well-off upstarts, showing everyone that I am rich.

The woman frowned when she saw the man sitting beside her. She wanted to say that there was someone in this position, but she didn't know if Wang Fan got off at this stop, so she didn't say.

Seeing the woman's expression, the strong man immediately realized that either there was no one in this position, or the person in this position was not familiar with the woman. Anyway, they were definitely not together.

He confirmed these and sat down calmly.

The woman once again used the trick to deal with Wang Fan and turned her head out of the window, showing her consistent pride and coldness.

The young man didn't care. He glanced at the woman, took a breath of the fragrance, and then leaned back on the seat and closed his eyes.

But his hand is not honest, under the obscure touch to the woman's leg.

The woman felt the man's action. Her face changed and she moved in, but she didn't speak.

The young man felt this scene, his heart was more determined, and then he felt it, and he was more unscrupulous.

He has realized that this woman is also a timid person, mostly related to the face and reputation issues, dare not make public.

However, the woman's next reaction was far beyond his expectation. I saw her Teng stand up, pointing to the big man began to scold.

"Be honest with me and don't touch me. I'll tell you, I'm not a timid woman. If you touch me again, I'll call the police."

The woman is very angry, how did she not think that this big man is such a wretch.

Although she is a woman, she is not used to this kind of person.

With a woman's voice, whoosh, the eyes of the whole carriage all looked at the two people, eyes full of surprise, obviously do not know what happened.

In the face of many gaze, the big man is not nervous, but more angry.

Teng ground for a while, he also stood up, angrily pointed at the woman, fierce voice.

"What the hell are you talking about? Who took advantage of you? You bitch, don't you think I have money and want to hook up with me? "

"Hold my hand and touch your leg, but you don't look. What the hell are you? Can I see you?"

"Why, I refused, interrupted, and became angry? I'll tell you, I've seen a lot of bitches like you, so I won't get used to you. "

"If you want to hook up with Lao Tzu, you can't do it. You don't have to look at your own goods. You dare to do something wrong."

The big man was very angry. As he said this, he pulled out the big gold chain around his neck and revealed the diamond ring on his finger. It seemed that he wanted people to see it more truly and make sure that what he said was not watery.

At the same time, the light from the corner of his eyes also swept the pride of the woman's chest, shortness of breath, full of desire.

It's just that he covered it up so well that others didn't see it.

The woman listened to this, almost all angry some shiver.

She never dreamed that she would meet such a shameless fellow.

It seems that this guy is definitely not the first time to do this kind of thing, otherwise he will not be so calm and so bold, and he will bite back one by one.

"You are shameless!" The woman angrily scolded, want to give the big man a slap, can see the big man that size, and that arrogant look, finally did not dare to fight.

"I'm shameless? You're so damn shameless, bitch, bitch! I've seen a lot of money worshippers like you. What do you pretend to be? "

The big man is not afraid, "you don't call here, even if the police come, it's you, not me!"

Women are about to die of anger, but helpless, she trembled at the man, "you get out of the way, I want to go out."

She did not dare to sit in this position, otherwise she would not be taken advantage of by a big man. The man snorted and pulled back, his nostrils turned to the sky, and his eyes twinkled with disdain.

The woman Hu Sanzhi is targeting has never escaped from the clutches. He remembered this woman. After today, he must find her out and ravage her thousands of times.

Yun Lanlan has never seen such a shameless man as Hu Sanzhi, but she has nothing to do.

Hu Sanzhi made such a fuss that even if the police came, she couldn't make it clear, so she had to leave.

Now she is a little Miss Wang Fan, relatively speaking, Wang Fan simply do not know how many times stronger than Hu San Zhi.

Yunlan angrily looks at Hu Sanzhi, and then goes out. It's just the moment when she and Hu Sanzhi are wrong, Hu Sanzhi secretly reaches out a salty pig's hand and grabs her.

Cloud orchid Oh, indignation, want to attack, but there is no evidence, finally or endure.

However, just when she endured it, an angry voice suddenly came.

"NIMA, take advantage of my woman, have you got my consent? You dare to be so arrogant in public. Do you still pay attention to me? "

Under the shocked eyes of Yunlan, Wang Fan rushed to Hu Sanzhi with a furious face and slapped Hu Sanzhi several times.

"I'm still in the car. I'm not dead yet. You dare to take advantage of my woman. Do you want to die?"

"Scum! Beast! Asshole

Wang Fan screamed angrily, slapping his backhand several times.

After a few slaps, Hu Sanzhi was beaten.

His face swelled quickly. In the blink of an eye, it became a pig's head. The corners of his mouth bled and his front teeth were knocked off.

In any case, he didn't expect to kill Wang Fan on the way. He not only claimed to be Yunlan's boyfriend, but also dared to beat him in the face so recklessly.

What a shame!

"Who the hell are you? Do you agree with this cheap woman to touch porcelain together to get my money? "

Hu Sanzhi's eyes are ready to crack. He struggles to stand up and swings his fist at the same time. He blows hard at Wang Fan.

### **Chapter 565**

"Touch China? What's your money? You think too much of yourself With a cold smile, Wang Fan thrust out his left hand, grabbed Hu Sanzhi's fist, and slapped his right hand.

With a slap, Hu Sanzhi was silly again.

He was beaten again.

Hu Sanzhi's eyes are ready to crack, and he tugs at Wang Fan's clenched fist, but he can't pull it out because of his efforts.

He finally knew that he had encountered a hard stubble.

At this time, Wang Fan had already grabbed the ticket and flung it in front of Hu Sanzhi. "Open your eyes and see clearly. This position is mine."

"You take advantage of my toilet time, sit in my position, take advantage of my woman, you still have reason?"

"Also said I touch porcelain, how, is it I take a knife to force you to sit in my position, and then touch porcelain you ah?"

Hu Sanzhi listened to this, with a dead face.

He never thought that Wang Fan was in this position, and he dared to stand out.

According to his conjecture, even if there are people in this position, it has nothing to do with Yunlan.

In this case, when it comes to this kind of thing, most of them dare not stand out.

After all, Hu Sanzhi is not only big and rough, but also a nouveau riche. Who dares to provoke in this era of sweeping snow in front of the door?

However, Wang fan is out of the way, and still so sharp.

"Then you can't beat people, let alone say that I take advantage of your woman. Can't I sit in the wrong seat? If I sit in the wrong seat, you can frame me up and beat me? "

Hu San Zhi was biting his teeth and defending himself. At the same time, he was pumping his fist hard and shouting, "let go, let go!"

At this time, because there was too much noise, the police had been alerted, and several policemen came to this side.

Seeing the police, Yun Lanlan was afraid of making a big deal. He grabbed Wang Fan's arm and said, "forget it, forget it. Anyway, it didn't take much advantage."

Wang fan saw Yunlan open his mouth, and his face softened a lot. He let go of Hu Sanzhi and said impatiently, "go away, don't let me see you again, or I'll fight again and again."

"What's the matter, what's the matter?" By this time, the police had stepped forward and began to ask questions.

Before Wang Fan spoke, Hu Sanzhi had already taken the lead in exporting, and hit me upside down, "Comrade police, he hit me."

"I'm Hu Sanzhi, the manager of the Infrastructure Department of Hengyang real estate in Jiangcheng. Because I accidentally took his seat, he hit people. You have to decide for me."

Hu Sanzhi pointed to his face and began to complain. He also pointed out his background. Obviously, Hengyang real estate is a giant.

"Comrade police, it's not like that. He took advantage of me just now. He was discovered by my boyfriend, so he hit him."

Cloud orchid see Hu Sanzhi upside down, also put aside the key, immediately said.

"I'm sorry, comrade police. My boyfriend is really impulsive, but I can't blame him. It's Hu Sanzhi who ate my tofu first. He's definitely not a good thing. "

"Nonsense." Hu Sanzhi became angry,

"what woman have I never met, what woman have I never been to? I'm not afraid to tell you, I just go out and wave, a lot of women throw their arms, I use to take advantage of you? "

He looked at the policeman. "Comrade policeman, this bitch is slandering me. I guess most of them are looking at my money and trying to blackmail me! "

This guy is very angry, very subdued, people who don't know, I'm afraid they really believe him.

The cloud orchid spirit of don't work, "I say you this person how so shameless."

"You're shameless." Hu Sanzhi was not polite and said, "well, you say I take advantage of you and eat your tofu. Do you have any evidence? If there is no evidence, it is slander. I will sue you for slander and insult. "

Yunlan Qi's breathing is short, up and down ups and downs, I don't know how to say it.

She is really aware of what is called a hooligan is not terrible, afraid of the hooligan culture.

"Well, don't quarrel here. That's all you have to do. Don't affect the rest of the passengers. If you dare to make trouble again, take it all away. "

The police know that this kind of thing is not clear and easy to handle, so they say so.

They didn't change their attitude towards Hu Sanzhi because of the four words of Hengyang real estate. Obviously, they still have their own bottom line.

"What did you say?" Hu Sanzhi is quit, angrily pointed to the police, "according to you so say, I this fight for nothing? There is no natural law, there is no royal law

Several police officers who wanted to leave looked ugly.

Hu Sanzhi is so outrageous that he is still clinging to things. However, if Hu Sanzhi, the party concerned, has to be investigated, they have no way.

Wang Fan laughed, "Hu Sanzhi, you are really shameless. Are you qualified to say Wang fa?" "Why am I not qualified to say that?" Hu Sanzhi was furious, "I said Wang FA, so what, you beat me?"

He is very angry provocation, "you just not very arrogant, slap slap hit me, hit me very cool, have the

kind to try again?"

This guy, obviously relying on the police at the side, has no fear of provocation Wang Fan. Even he rubbed his hands and fists and seemed to want to beat Wang Fan.

"I've seen such a mean person. I've never seen such a mean person like you. I asked you to beat me."

Wang Fan curled his lips and looked at the police, "you all heard me, but he asked me to fight. No wonder I did."

"Yes, I asked for it. If you have the guts, hit me. Come on." Hu Sanzhi is very arrogant, but also pointed to his face, close to Wang Fan, a look of beating.

"Good." Wang Fan nodded and slapped in the face.

It's a slap.

Yunlan is confused.

The police were confused.

The passengers were confused.

Hu Sanzhi was also confused.

In his heart, ten thousand grass mud horses gallop.

This son of a bitch, how dare you really do it?

"Hissing" Wang Fan ignored people's dull eyes, shaking hands and pumping air-conditioner, "Oh, it hurts me, it hurts me."

"You have a thick face. My hands hurt when I slap you. Ah, but I can't help it. Who makes me happy to help? "

"You can't do this next time. Thanks to me, I've practiced iron sand palm. Otherwise, if you were an ordinary person, your hands might be swollen by your face."

Hiss.

Listening to this, the passengers around almost laughed.

Hu Sanzhi is angry and despondent, "you, you really dare to hit me?"

He roared at Wang Fan and looked at the police angrily, "police comrades, you can see that he hit me, but you still don't catch him, what are you doing in a daze?"

"Didn't you let me?" Wang Fan turned his lips and became impatient,

"you took advantage of my woman. I didn't step on you. I've already given you face. Don't be shameless. Don't you dare to make trouble again, believe it or not? "

"No Hu Sanzhi yelled, "if you say I take advantage of your woman, I will take advantage of your woman. You have the kind to show evidence!"

"It seems that you are not willing to die in the Yellow River." Wang Fan hummed coldly, took out his mobile phone directly and opened the video.

The video clearly shows that when Yunlan comes out, Hu Sanzhi takes advantage of Yunlan intentionally.

Originally, Wang Fan was afraid that Yunlan's face was not good-looking and didn't want to take it out, but this guy was aggressive, so he couldn't help it.

Hu Sanzhi looked at the video, his eyes staring at the boss, his neck as if he had been strangled, and he couldn't say a word any more.

How could this be recorded?

Wang fan saw Hu Sanzhi's picture, grabbed his mobile phone, slapped it on his face three times and asked, "don't you accept it?"

## **Chapter 566**

Hu Sanzhi's face is like ashes.

In front of Wang Fan's powerful strength and hard evidence, he was finally taken away by the police.

The car calmed down.

After the previous event, Yunlan's attitude to Wang fan is much better, and they talk and laugh.

Delicate voice, greasy language, ambiguous.

Under Wang Fan's amazing eloquence, Yunlan giggles and beats Wang Fan from time to time.

Wang Fan also took advantage of it and had a good time.

The car soon arrived in Jiangcheng. They left their contact information and waved goodbye.

After seeing Yunlan off in a taxi, Wang Fan turned on the mobile navigation and went to the nearest hotel.

The next day, Wang Fan got up early and went to the clothing store where Ning Yao was.

Ningyao's clothing store is a bottom shop. It looks like more than 30 square meters. Through the doors and windows, you can see that most of the clothes in it are mainly women's clothes with bright colors.

However, on both sides of the clothing store, it was full of garbage. At the front door, it was splashed with blood like things, red and greasy.

When the stench comes out, it seems to be so abrupt and different. A few passers-by are far away, not to mention buying clothes in the shop.

Wang Fan looked at this scene, his anger could not help expanding, and he even had the heart to kill.

At a glance, he could see that this was definitely done on purpose, otherwise it was impossible to pile so much garbage and blood.

Wang Fan with anger, is going to go in to have a look, a figure that makes his heart tremble came out.

Ning Yao is wearing a white sweater on her upper body, a short skirt and silk stockings on her lower body, and beautiful high heels on her feet.

Her hair also dish up, face light makeup, the whole person looks very bright, very clean, very beautiful.

Obviously, she wants to face every customer in good condition. After all, if the shopkeepers are all sloppy, how can they sell the clothes?

But what makes Wang Fan sad is that her face is full of fatigue and her eyes are still dispirited.

She had a broom in her left hand and a dustpan in her right, obviously to clean up the rubbish.

Wang Fan looked at the scene, eyes can not stop a acid, rushed to the past.

He grabbed the dustpan and said, "I'll do it."

Ning Yao was startled by the sudden appearance of Wang Fan, and then became pleasantly surprised, "how did you come?"

"I know you're here, so I'm here." Wang Fan looked at Ning Yao with a serious expression,

"originally, I wanted to ask you whether you had a good life. Can see this scene, I know, you certainly not good. Ning Yao, I like you. I want to pursue you. Can you give me a chance? "

Wang Fan did not say that the shop should not be opened and that he would go to Jinzhou with him.

Because since Ning Yao disappeared that night, Wang Fan has been clear that Ning Yao is a very strong and self-respecting girl.

She will not accept Wang Fan's pity and sympathy.

Wang Fan can only move Ning Yao in this way.

"You like me?" Ning Yao suddenly laughed, "Wang Fan, do you feel guilty, so you come to me and want to make up for me?"

"You really don't have to. I volunteered that night. I don't need you to be responsible or make up for it."

"Wang Fan, let's go. We are destined to be people of two worlds. We can't be together. What's more, I don't like you either. "

Ning Yao refused very directly, did not give Wang Fan left the slightest retreat.

She was very surprised to see Wang Fan. After all, Wang Fan is her first man and her only one so far.

But she knows, two people are not a world of people, doomed to no results.

Her lowliness is not worthy of Wang Fan's height. From Wang Fan's ability to find her here, she has seen Wang Fan's ability.

What's more, even though she is humble, she has self-esteem. She doesn't need pity, let alone sympathy.

"Guilty? Make up for it?" Wang Fan laughed, "do you think that I come here all the way to find you, just feel guilty, just want to make up?"

"You are wrong. If that's the case, I don't have to come in person. I just need to ask someone to give you a sum of money and find some friends to take care of you secretly. Why do I have to do more? "

Wang Fan's expression became serious again, "believe it or not, anyway, I really like you."

"I've been thinking about you all this time, so when I got your information, I came right away."

"I, Wang Fan, always follow my heart. Like is like, don't like is don't like. I don't have to cheat you, let alone myself."

"Besides, whether you agree or not, I like you anyway. I just want to chase you, whether you agree or

not. You have no right to stop me, because it's my right. "

Wang fan is very overbearing.

Ning Yao listens to this words, the mind trembles, tears almost came down, fortunately in time to hold back. She shook her head. "You are too overbearing. I don't like you. Please don't waste your time. Well, I'm going to pack up for work. Please leave

Ning Yao's heart is confused.

She doesn't know if what Wang Fan said is true or false, but she knows that she must refuse Wang Fan, and she must refuse thoroughly.

"Leave?" Wang Fan smiles and tears down the recruitment notice on the door, "boss Ning, I'm here to apply. Give me a chance."

"I'm not demanding much. I don't want a salary or a commission. I'm just in charge of food. Well, can you think about it? "

"Apply for a job?" Ning Yao weak smile, "Wang Fan, you don't joke, OK? Don't do this, OK? I said I don't like you, why do you force me? "

She said weakly, and suddenly looked at the distance. Then her face suddenly changed, and her tone became sharp. "You go quickly, go now, don't let me hate you, go!"

She is exhausted to hiss the bottom of roar, at the same time ruthlessly push Wang Fan, "roll, I don't like you, don't pester me again!"

Wang Fan obviously noticed the change of Ning Yao's face. He took a casual look at the distance and saw the flowing man of seven or eight celebrities strode over.

His eyes flashed a touch of cold, but did not roll, but looked at Ning Yao, "I said, the pursuit of you is my right, you are not qualified to let me roll, I will not roll."

"How can you do that?" Ning Yao is about to be crazy. She starts pushing Wang Fan and kicking him, "go away, I don't like you. I don't welcome you here. Go away now!"

"Go away? He can't get out of here! " A sadistic voice came, seven or eight men have strode to two people in front, and also surrounded.

One of them held a cigarette in the corner of his mouth and looked askance at Wang Fan. He asked, "boy, I'm very brave. Even this woman dares to chase me. Do you want to die?"

He took a look at the broom in Wang Fan's hand and spit on the ground. "You're a dustman. Don't you

know I'm responsible for the garbage?"

"Since you like cleaning, well, clean the phlegm on the ground for me, and remember to use your mouth. If it's a little unclean, I'll break your hand. "

"Hurry up!"

Arrogant and domineering.

## **Chapter 567**

"Big brother, I don't know him, and he is not my pursuer. Please let him go."

Seeing this, Ning Yao quickly stood up in front of Wang Fan and said, "if you deal with me, deal with me. I can't bear it, but can you not implicate the innocent?"

Her voice was very sad, and there was anger and helplessness in her eyes.

These people are scum in scum, she can't stir up, can only endure.

Although Wang fan is powerful, Jiangcheng is not Wang Fan's territory after all. Strong dragon doesn't oppress local leaders. She doesn't want Wang Fan involved.

"Oh, you care about him. Let him go. You can lick it for him. As long as you lick it clean, I'll let him go, OK? "

The first man grabbed the cigarette and took a hard breath, spitting at Ning Yao, "I've never seen a woman kneel down to lick phlegm. Can you open my eyes?"

He is very evil spirit of smile, "either you lick, or he licks, in short, you have to have a person lick, otherwise, his hand can be broken."

"That's it. Just lick it and stop the bullshit."

"If you delay any more, I will do it."

"Damn it, where's the silly boy coming out? Don't you know who we are? Even if we dare to clean the rubbish we take out, we are looking for death."

Other people also followed suit, pointing to Wang Fan and yelling.

Ning Yao's face turns white and tears flow down.

She underestimated the bottom line of these people, without humanity.

Wang Fan ignored those people, but looked at Ning Yao, "you really don't like me, really don't give me a chance?"

"No, no, get out of here, get out of here!" Ning Yao cried angrily and pushed Wang Fan hard.

"Good." Wang Fan nodded, then looked at the man, stretched out his right hand, "you break my hand."

"What did you say?" The man's face suddenly changed, angry, "do you think I'm joking, dare not interrupt your hand?"

"I tell you, I've been in Jiangcheng for so many years, and every year there are not 50 people who are interrupted by me, and there are 49. If you think I dare not, you are wrong."

"Lao Tzu finally asked, do you lick it or not?"

The first man arrogantly said, also took a baseball bat from the next little brother's hand, and weighed it in his hand.

That fierce expression, as if as long as Wang Fan dare to say no, he will mercilessly wave out, interrupt Wang Fan's hand.

"I don't think you dare." Wang Fan weak mouth, "just, she did not like me, she did not want me, I live what meaning."

"Don't break my hand, just kill me. It's over. Anyway, the people I love don't love me."

Wang Fan's voice is very indifferent, as if no feelings in general, eyes are also full of death. It's as if I'm really desperate, I have nothing to love in my life, and I'm determined to die.

"Ah, I'm a fuckin 'lover. Since you want to die, I'll help you. Damn, I dare not touch you. "

With a cold smile, the first man suddenly raised his baseball bat and smashed it at Wang Fan's head.

No one would doubt that he was acting like that. He was extremely cruel.

Looking at this scene, not to mention Ning Yao's pale face, even the men's younger brothers were trembling.

If Wang Fan goes down with this stick, he will not die.

"No, no!" Ning Yao looks at this scene and screams. She can't help but pounce on Wang Fan.

She can't watch Wang fan being beaten and maimed, and can't tolerate Wang fan being beaten and maimed. From the night Wang Fan occupied her, she had Wang Fan's seed in her heart.

Although she did not know whether it was love or not, she knew that Wang Fan was very important to him.

Ning Yao gives Wang Fan a hard push. She wants to block the baseball bat with her body, but what makes her heart tremble is that she doesn't push Wang Fan at all.

Wang fan is like a stake nailed to the ground, even if she rushed to push it, she did not move.

Bang.

A loud noise, in Wang Fan slightly sideways moment, baseball bat hard hit Wang Fan shoulder, Wang Fan directly ejected a mouthful of blood, fell down.

"No, No." Ning Yao exhausted the bottom of the cry, squatted in Wang Fan's side, tears, "you're OK, you're OK, how can you be so stupid?"

She cried, looked at the man, "I lick, I lick is not good, you don't hit him, I beg you."

"Well, in your face, I won't move him first, and lick him immediately, otherwise, I'll hit him in the head with the next stick." The man said fiercely.

He is also a little puzzled, he obviously hit the head of Wang Fan, how hit on the shoulder? He didn't think much when he saw that Wang Fan had vomited blood and fell down.

Ning Yao tears, just want to stand up, humiliating to lick the sputum, but Wang Fan seized the hand, "you love me, right?" Wang Fan's voice is very weak, "my ribs are all broken, I feel like I'm going to die."

"Ning Yao, I'm dying. Can you tell me the true voice in your heart, do you like me, do you love me, and do you give me a chance?"

"Cough."

Wang Fan said, as if to prove that he is going to die, and spit out two mouthfuls of blood.

"I like you, I love you, I promise you everything, you must hold on, I'll ask them to beat us, so that I can send you to the hospital."

"You're going to be OK. You're going to be OK. Believe me, you have to hold on."

Ning Yao said with tears and rain, looking at the man, "brother, I will do it according to your requirements, but can you please, give us a way to live, let me send her to the hospital, I beg you."

"You don't ask him." Wang Fan seized Ning Yao's hand. "This kind of scum is not worth asking for."

"I just want to ask you whether what you just said is true or not. Are you lying to me? Ning Yao, can you give me a kiss so that I can believe what you said and die in peace? "

"What I said is true. I didn't cheat you. I didn't cheat you. You must hold on." Ning Yao cried and without hesitation leaned over to kiss Wang Fan.

Wang Fan holding a woman, feeling that warm, happy smile.

Men, as well as doglegs, are somewhat silly.

Especially the head man, is his stick so terrible? Is this kid going to die?

He is very difficult to understand.

But, very soon, his incomprehension faded, and he became angry, "Damn, kiss in front of us, do you pay attention to us? Lick it up for me, quick

He's a little angry. He's here to fork, smash the field, and step on people.

Now these two people make a pair of life and death parting appearance, also as if no one else kiss, really when he a Feng elder brother is decoration.

Wang Fan listened to this, finally greedy kiss, and then release Ning Yao, not only not slow to stand up.

In the eyes of Ning Yao and a group of people, he patted the dust on his body and looked at the man, "lick clean? Are you talking to me? "

## **Chapter 568**

"I've been doing this for a long time. Are you pretending to me? I think you are looking for death! " A Feng elder brother looked at Wang fan that as if nothing had happened, suddenly furious.

The baseball bat in his hand flew up, and then blasted down at Wang Fan again.

Wang Fan, the grandson, even dared to act in front of him and pretended to be half dead. This is a shame to him.

"It's with you, and you're with it?" Wang Fan disdained a smile, suddenly hand, a snap to grasp the baseball bat, a pull.

Thorn.

Brother a Feng only felt a sharp pain in his palm, and the baseball bat came to Wang Fan's hand.

"It was a good smash, wasn't it? Now it's my turn." Wang Fan gave a cold smile, and then without hesitation, he blasted at brother a Feng's head.

Brother a Feng's face changed and he suddenly became frightened. He ran away in a hurry, but he was still half a beat slower.

With a thump, the baseball bat hit him hard on the back. With a loud click, he only felt the stabbing pain of a broken femur. Oh, he fell to the ground with a shrill scream.

"Don't you want me to lick it? Come on, I'll give you a chance to eat your own sputum, and I'll give you a way to live. "

Wang Fan went to brother a Feng, looked at him from a high position and said calmly.

"Lying trough, how dare you touch me? Do you know who I am? " Brother a Feng was so angry that his eyes were almost ready to crack. Even if someone dares to move him, even if he is so ruthless, he is looking for death.

At this time, a wind elder brother that group of dogleg also return to God, not fatally toward Wang Fan rushed over.

"Damn, dare to move brother Feng. I'm tired of living."

"Fuck him!"

Their faces were ferocious and murderous.

"Fuck me? Courage is commendable, but I don't know if I have strength. " Wang Fan gave a cold smile, suddenly stepped forward, and the baseball bat waved out.

With a thump, the dog's leg in front of him was smashed and flew out. He hit the wall and fell to the ground, with his head broken and blood flowing.

A dogleg from the side of a kick, Wang Fan eyes a cold, not hesitant to his right leg is once.

With a slap, his right leg was directly broken, and the whole person jumped up and gave a shrill scream.

Wang Fan overturned the man, turned his body around, and put his shoulder on another man. The man's mouth sprayed blood directly, and he was pushed out, losing his fighting power instantly.

It's a tough and sharp move to defeat the enemy.

Looking at this scene, the other four were all dumbfounded. They were in the same place for a moment, and they didn't dare to move any more.

"Waste, it's a group of waste. Come on, don't you want to do me? I'll give you a chance."

Wang Fan looked at them and sneered scornfully. The baseball bat dropped directly on the ground.

Four people still dare not have the slightest movement, stare at Wang Fan, throat rolling, pour out air conditioning.

"Why, no seed? Since you have no seed, don't you kneel down? " Wang Fan's voice is still emotionless.

He can tolerate the scum's provocation, but he can't tolerate the scum's humiliation of Ning Yao.

Taking out garbage, sprinkling blood and licking phlegm, these people have successfully angered Wang Fan.

Plop, plop, plop.

The four fell on their knees.

Wang Fan returned to brother a Feng, wiped his face with the soleplate of his foot, pointed to the sputum and asked, "do you want to eat?"

"Leave everything on the line so that we can see each other in the future. I tell you, don't deceive people too much." Brother a Feng is biting his teeth and glares at Wang Fan. He is full of bitterness.

"Too much deception?" Wang Fan smiles. He suddenly lowers his head, grabs brother a Feng's head and smashes it on the ground.

Bang!

With a loud noise, brother a Feng's head broke.

With his head and the ground contact point as the center, red blood Mi Mi outflow, spider web spread around, soon dyed the ground red.

Wang Fan pulled up his head and his eyes were cold. "When you take out the garbage at the door of my woman's store, why don't you say that you're cheating too much?"

"When you sprinkle blood at the door, why don't you say that you are too deceiving? When you started beating me just now and made me and my woman lick phlegm and humiliate me, why didn't you say that you bullied people too much? "

Wang Fan rips brother a Feng's hair, which makes brother a Feng want to suffocate. "How come the situation has turned around now? Do you know how to deceive others? For the last time, lick? Or not

"Shi Ke Sha Bu Ke" a Feng Ge also wants to support strongly. With a bang, Wang Fan has pressed his head and hit the ground hard again.

Brother a Feng is about to faint from the pain. He just feels dizzy.

He looked at Wang Fan's sneer and finally felt the chill.

This guy is so cruel.

His dog legs were also numb, and Wang Fan's ruthlessness exceeded their expectations.

"Wang Fan, forget it." After returning to her senses, Ning Yao rushed over.

She has already known that Wang Fan was acting in the past when he pretended to be injured, and that is to say that he was cheating her. But now this kind of situation, she is not angry, after all, Wang fan is for her."Forget it? How do you calculate it? " Wang Fan looked at Ning Yao, "they bully me. I can bear it, but I can bully you. I just can't do it."

"You are my woman and my villain. I don't allow anyone to bully you. Anyone who dares to bully you will pay the price! "

Wang Fan's voice is firm and overbearing.

Ning Yao looks at the man who defends herself and the man who stands up to heaven. Her tears can't stop flowing.

Wang Fan's words, like a sharp arrow, pierced her heart and the softness in her heart.

What's the fear of death for such a man?

"For the last time, I don't have so much patience to lick. Although I dare not kill you, I dare to waste your limbs."

Wang Fan looked back at brother a Feng and picked up the baseball bat.

Brother a Feng shivered. He didn't dare to talk nonsense any more. He directly lay on the ground, spat out his sputum in his mouth and swallowed it.

Wang Fan looked at this scene, a nausea, quickly turned his head, but also covered Ning Yao's eyes.

"Now that I've eaten, can I go?" After eating the phlegm, brother a Feng looked up at Wang Fan and asked, biting his teeth.

His eyes are full of ferocious, he vowed, today this scene, must find back.

"Go? Don't worry, let the four trash to clean up the garbage at the door. Tell me, what's the matter? Why are you targeting my woman? "

Wang Fan waved to the four kneeling doglegs, then looked at brother a Feng and asked.

"Why against her? It's very simple, because she robbed our red sister business. " A Feng elder brother said maliciously, "originally this piece, we red elder sister a clothing store, business is also very prosperous."

"But she had to come out and get a piece of it. Since she opened this shabby clothing store, we have no business there. Do you think we hate her? "

Wang Fan some speechless, "you are really enough shameless ah, business is not good, you do not want to marketing strategy, but use this kind of crooked hair evil way, or not people?"

"Do you guys have to face a woman in this way?"

Wang fan is indignant, "go back to tell you that what red elder sister, later give me honest, dare to use this kind of means again, I go directly to smash her shop, roll."

Brother a Feng takes a look at Wang Fan and leaves with dogleg.

Of course, the garbage at the door has almost been cleaned up.

Wang Fan bombarded away those scum, looked at ningyao and said, "ningyao, you can rest assured that with me, no one will dare to bully you in the future."

"Although the garbage outside is cleaned up now, the smell is not so easy to eliminate. I don't think there will be any business today."

"Why don't we go out of business for a day, hang out, relax and open tomorrow?"

"Well." Ning Yao nodded without hesitation, immediately began to lock the door, then pulled up Wang Fan and left.

Her eyebrows are a little worried. Wang fan doesn't know the identity of brother a Feng, but she knows it.

That is Hengyang real estate people, Jiangcheng famous nail hob meat, Wang Fan hit them in the face, they are absolutely not willing to give up.

Of course, Ning Yao didn't tell Wang fan that she didn't want Wang Fan to worry.

Wang Fan also saw the worry between Ning Yao's eyebrows, but he didn't pay attention to it. He thought it was just the thing that scared her.

## Chapter 569

Ning Yao pulls Wang Fan to walk very fast, a pair of anxious appearance, in the eyes is also full of worry.

Wang Fan looked at this scene, finally could not help but frown, "what's the matter with you, where are we going?"

"Railway station." Ning Yao answers quickly.

Wang Fan almost didn't have a mouthful of old blood, "what are we going to do at the railway station? Do you want to go back to Jinzhou with me?"

"I'm glad you'll come back with me. It's just that I just came here and didn't have much rest. Now I'm really tired. Will it be too much trouble? "

Ning Yao listened to Wang Fan's words and looked at Wang Fan seriously. "Wang Fan, I'll ask you whether you like me or not and whether you want to take me away."

"Of course I would, but there's no need to be in such a hurry when I go back to Jinzhou. At least let me have a rest for one night. Do those people have backgrounds that scare you? "

Wang Fan caught the key, it must be those guys are not ordinary bastards, let ningyao feel afraid, she will be so anxious.

"You don't care so much. If you really like me, you'll listen to me now and take me away." Ning Yao said very frankly.

Wang Fan opens his mouth and tries to persuade Ning Yao not to be so afraid. He can handle it. But the words to the mouth, or did not say, can only reluctantly nod.

Although escape is not his style, he prefers to solve problems once and for all, but Ning Yao is so firm, he has no way.

Ning Yao quickly took Wang Fan into a taxi and ran to the railway station.

Ning Yao in order to avoid unnecessary trouble, in order to avoid Wang fan not into danger, decided to leave with Wang Fan.

She didn't even want the shop.

No way, although she is an orphan, she grew up in Jiangcheng and has a certain understanding of

Hengyang real estate.

In recent years, Hengyang real estate almost monopolized all the real estate business of Jiangcheng. If other small real estate companies want to get a share, they have to go to Hengyang real estate to worship the wharf, and they have to get the consent of Hengyang real estate.

Moreover, the background of Hengyang real estate is also terrible. No matter how hard the nail households are, they can use means to make them yield.

The most domineering one was the direct bulldozer crushing and killing more than a dozen Aboriginal "Diao Min", which caused an uproar in Jiangcheng.

After the event, although the person involved in the case was in trouble, the foundation of Hengyang real estate was not affected at all, and it was still the only one. This shows how deeply rooted his background is.

Hengyang real estate also has a famous saying, that is, there is no nail that cannot be pulled out, there is no land that cannot be taken down. Hengyang real estate does not nod, who do not want to Jiangcheng "groundbreaking".

It can be seen from this that Hengyang real estate is so wonderful. In the current fashionable words, that is, all the cattle are going to heaven.

Ning Yao, a native of Jiangcheng, knew this and fled with Wang Fan.

Although brother a Feng is only a minor role in Hengyang real estate, he is also the dog of Hengyang real estate.

Hengyang real estate has been going smoothly for so many years. Now the dog is disabled. How can it swallow this breath?

It's only bad for Wang Fan, but not good.

Ning Yao doesn't want to make trouble for Wang Fan because of herself.

In this way, Wang Fan was very depressed and was pulled into a taxi by ningyao, and then went straight to the railway station.

At the same time, a Feng Ge and several other injured dog legs were also sent to the hospital.

"Son of a bitch, dare to hit me in the face, let me eat phlegm, I won't let you live! Die, you must die Brother a Feng roared angrily in the ward.

Scared those little nurses ran out of the ward like rabbits, they didn't dare to stay even one second.

These people are not good at first sight. They dare not provoke.

Creak.

At the moment of brother a Feng's angry roar, a woman with heavy makeup came in.

The woman is about thirty years old. Her appearance is not the best, but she is very coquettish.

A red body will be wrapped incisively and vividly, the lower collar of the upper body can not cover that part of the spring, showing a piece of, let a person shortness of breath.

However, her face is a little ugly, it can be said that it is difficult to see the extreme.

"Ah Feng, what's the matter? I don't want you to stop doing it. Just let her not open. How can you get yourself to the hospital?"

Seeing the woman, a Feng's anger abated slightly. He pretended to glance at the white of the woman's chest unintentionally, and then quickly bowed his head and became short of breath.

"Sister Hong, we are following your instructions, and we don't want to do it. But the woman even found a little white face to support us and humiliate us. "

"We are forced helpless, want to teach that boy a meal, but who knows that boy is a stubble, put us all over."

"I think that woman is deliberately to give us down, red sister rest assured, I have told brother Zhi about it."

"Zhige said that he has something to deal with now and will come to help us out later. We're not going to make that guy feel better. ""Hu Sanzhi?" Red sister frowned, "is he back? When did you come back? What can he do for you? "

Red sister is obviously very dissatisfied with Hu Sanzhi, "in my opinion, most of his business is to soak women.". This son of a bitch forgets his old love when he has a new one. I'm blind because I used to love him so much. "

"But if he comes out, that boy will probably fall. It's just a pity. It's a pity for Ning Yao. In this way, she will never compromise with me, let alone work for me. "

It turns out that the reason why red sister didn't let a Feng kill Ning Yao was that she used dirty means to let Ning Yao work for her and serve her.

Although ningyao's store has only been open for one month, Hongjie still admires the marketing

method. She wants to take it for her own use.

If not, she would have let people smash ningyao shop, spend ningyao face, why so trouble.

However, what Ning Yao and Wang Fan did today made Hong Jie know that both sides would not give up, and Hu Sanzhi would certainly punish them to death.

In this way, it's impossible for her to use Ning Yao for her, so it's a pity.

A Feng bowed his head and did not speak.

He can't take part in the affairs between Hongjie and Hu Sanzhi, nor can he intervene.

"Well, you've worked so hard this time. You'll be able to heal yourself. I'll treat you well."

Red elder sister also didn't have much words, lowered her head to help a Feng smooth clothes, blew hot air to him, and then turned to leave.

Brother a Feng's breath was short, and his scarlet eyes were like chicken blood.

The heat, and the white greasy look in her eyes when she bowed her head, made his blood boil.

In Honghu garden of Jiangcheng, Hu Sanzhi is soaking in the hot spring, his eyes are a little gloomy.

The scene of being slapped in the face on the train was the shame of his life. He hated Wang Fan and Yunlan in his heart.

Because he only touched Yunlan and didn't do much harm, plus his background operation, he was only given a routine warning and was released.

Now, he has spread a net everywhere to search for the trace of Wang Fan and Yunlan. As long as he finds the whereabouts of the two, he will definitely kill them without hesitation, trample on Wang Fan and kill Yunlan.

Want to Yunlan that hot figure, that cool pretty face, his heart can't stop rising evil fire, he vowed to ravage Yunlan thousands of times.

"Zhige, find the trace of Yunlan." Just as Hu Sanzhi's evil fire was rising, a man quickly approached and his voice came over.

Wow.

Hu Sanzhi's body was shocked and he immediately stood up straight with bright eyes!

"Go

## Chapter 570

Yunlan is a counselor in Jiangcheng University. Because she is beautiful and easy to talk, she has a good relationship with the students.

Today is Dong Qibing's birthday, and there is no class in the afternoon, so there are two tables in Juxiang building outside the school at noon.

As a counselor, Yunlan was naturally invited in the past.

In the Gezhou Hall of Juxiang building, the two tables are full of people. The food and wine are on the table, and the atmosphere is lively.

Yunlan sat beside Dong Qibing, chatting with the students and persuading them to drink less.

But although the students promised, they didn't listen to her. On the contrary, Dong Qibing often toasted Yunlan, obviously not drunk.

Yunlan is also very helpless, but it is not too disappointing.

To Dong Qibing's toast, she also refused without showing any trace and deliberately kept a distance.

Although she is a counselor, she is not a few years older than these students. In addition to her beautiful appearance, she is naturally pursued by students and teachers. Dong Qibing is one of them.

It's just that Yunlan doesn't have any feelings for Dong Qibing at all. In addition, one is a counselor and the other is a student, so she doesn't have that kind of mind.

Dong Qibing is not depressed either. How should he come.

He knew that there were many pursuers of Yunlan, among which there were many capable people. Most of his Dong Qibing didn't have a chance, but he didn't want to give up easily.

A group of people are eating and drinking happily. The atmosphere is very high. Although Yunlan has tried to drink less, she has already drunk two glasses of red wine.

She was not very good at drinking. After two glasses of wine, her pretty face was as red as an apple.

"Come on, sister LAN, I'll give you another toast. I wish you success in your career and find prince charming as soon as possible." A student once again picked up a glass of red wine and held it high at Yunlan.

Yunlan is about to refuse, saying that he can't drink, Dong Qibing has stood up, "sister LAN can't drink, I drink for her."

Dong Qibing said, taking up the red wine and pouring it down.

"Brother Bing is heroic, sister LAN. There are not many thoughtful men like brother Bing. You should cherish them."

The student took advantage of the strength of the wine, said a joke, and then took the wine to drink clean.

Yunlan pretended not to hear this, did not speak, just silently sighed.

"Ladies and gentlemen, today is Dong Qibing's birthday. We will not come back until we are drunk. I'll ask you to sing "K" and have a good time

Dong Qibing filled himself with wine, stood up again, said boldly, and drank it all.

Listening to this, the students immediately cheered, "long live brother Bing."

Boom!

Just then, a loud noise came, and the door of the private room was kicked open. Then Hu Sanzhi and a group of people stormed in.

Although these people are all barehanded, everyone has a sense of recklessness, coupled with the ferocious face, it is not a good fault at first sight, and most of the students are shocked to take a cold breath.

All kinds of voices in the box also stopped abruptly. In a moment, it was as if time was still. There was no more sound, and the quiet needle could be heard.

Hu Sanzhi asked people to close the door, swept his eyes across the students' faces, and soon settled on Yunlan.

Cloud orchid heart clap Deng for a while, sober up most.

She realized that it was not good. Hu Sanzhi came for her.

At this time, Hu Sanzhi walked to the table with a grim smile, picked up a cup, poured out the wine, filled it again, and drank it.

After drinking, he looked at Yunlan, "bitch, are you going with me or am I going with you?"

Cloud orchid in the heart clap Deng for a while, is planning to open a mouth, Dong Qibing has already clenched a tooth to utter a voice, "this elder brother, is there any misunderstanding, you recognize wrong person?"

"The wrong person?" Hu Sanzhi grinned and tilted his head. Behind him, a man sprang out and slapped Dong Qibing in the face.

Although Dong Qibing is a big man and often fights, he is not as powerful as these social people. In addition, he was unprepared, so he got a slap immediately, and the blood overflowed from the corner of his mouth.

Before he could react, the man kicked out again and directly hit him in the stomach. He was kicked under the table and screamed.

Hu Sanzhi grinned and looked at Dong Qibing, "did I speak to you? If I didn't speak to you, I didn't say anything. I don't want to beat you!"

"Dong Qibing, are you ok?" Yunlan woke up and rushed to help Dong Qibing. At the same time, he looked at Hu Sanzhi, "this is a legal society. Don't mess around. The police won't let you go."

Although Yun Lanlan said so, his voice didn't have much confidence, and his heart was full of humiliation and helplessness.

She is an ordinary person, how to fight Hu Sanzhi this kind of hob meat, since people dare to break in so arrogantly, but also start, it is obvious that they are not afraid of everything.

What's more, she didn't expect that Hu Sanzhi was so good that he found her position in a short time, and he also found her openly. "The police? Wait till they come! Bitch, where's your little white face? Why not? However, since he is not here, I will deal with you first. "

"I'll ask you again, will you come with me or will I take you? You have to think about it well, otherwise, the flowers of this group of countries will become remnant flowers. "

Hu said, without warning, slapped another girl in the face.

The girl was pulled to the ground and screamed.

"Son of a bitch, you are so arrogant." A boy took out his mobile phone to call the police, but a dog leg of Hu Sanzhi rushed over and kicked it over, trampling it to pieces.

Not to mention that, the dogleg directly stepped on the boy's feet, spitting disdainfully, "I Pooh! Arrogant? I've always been so arrogant

It's a blast!

Yun Lanlan looked at the scene, tears of humiliation in his eyes.

In order not to let the students continue to suffer, she is planning to go with Hu Sanzhi in humiliation. Dong Qibing has stood up abruptly.

"Damn, beat my classmate, spoil my birthday, and want to kidnap sister LAN? Brothers, fuck him

Dong Qibing shouts, grabs a wine bottle and holds it on Hu Sanzhi's head.

Hu Sanzhi didn't prevent it. He was hit by it and retreated. Two streams of blood ran down his forehead and cheek.

"Move me? I want to die He wiped the blood on his face and became furious. With a crash, he suddenly lifted the table and rushed to Dong Qibing.

At the same time, the doglegs behind him also rushed madly towards the students.

All the students were stunned for a short time. They came back to their senses. The people who copied the wine bottle and the people who raised the bench, both men and women, were red eyed and rushed at Hu Sanzhi.

The crackling sound rang out, and the whole box was in a mess.

"Don't fight. Don't fight. I'll go with you. I'll go with you." Yunlan cried, but at this time, who would listen to her?

Dong Qibing hit Hu Sanzhi that, has poked the hornet nest, Hu Sanzhi has been furious, where to stop?

How can the students not resist when they drink a little alcohol and Hu Sanzhi bullies them like this?

Yunlan's voice was drowned. She looked at the students who were beaten down one after another. She couldn't help thinking of Wang Fan who beat Hu Sanzhi on the train.

She wiped the tears in the corner of her eyes, and dialed Wang Fan's phone by a strange way, "Wang Fan, help me."
