

MIGHTY SK 571

Chapter 571

Wang Fan just finished taking the ticket, pulling Ning Yao out of the ticket office, he received a call from Yunlan.

He listened to the noise of fighting and killing over there, listening to Yunlan's shrill cry, his whole face suddenly became gloomy.

"Wang Fan, what's the matter? Why is his face so ugly all of a sudden?" Ning Yao noticed that Wang Fan's face was not right. She couldn't help asking.

"Sorry, Ning Yao, I can't take you back to Jinzhou now. I have something to deal with. I'll go back tomorrow, OK?"

Wang Fan holds Ning Yao's hand and says something apologetically.

"Can you tell me what happened?" Ning Yao couldn't help asking, "you just came to Jiangcheng today. No one knows you. What's the matter? You won't cheat me, will you?"

Ning Yao tone some anxious, "I tell you the truth, you just hit those people, is Hengyang real estate people."

"Hengyang real estate is a giant in Jiangcheng. It's black and white. If you offend them, they will never give up."

"I know you are very good. If you want to get justice for me, it's all for me. But I don't want you to have something to do. No matter how powerful you are, it's also a strong dragon. The strong dragon doesn't oppress the local leaders. "

"Wang Fan, shall we go back to Jinzhou? I really don't want you to have something to do, and I don't want to give you any trouble because of me."

Ning Yao begged, tears fell.

She really doesn't want Wang Fan to have something to do, and she really doesn't want to add trouble to Wang Fan.

Wang Fan gently grabs Ning Yao's hand, and reaches out the other hand to gently wipe away her tears from the corners of her eyes, and kisses her forehead, then says,

"Ning Yao, I know you are worried about me, but I really have something to do. Last night in the bus to Jiangcheng, I met a rascal who insulted a woman. I saved her and beat the rascal

"I thought it was over like this, but just now, the woman called me, and the hooligan went to get revenge."

"You say, how can I get there. It's because of me. If I leave, I'll feel uneasy. "

Wang Fan said while pulling Ning Yao to the nearby hotel.

He didn't tell Ning Yao that Hu Sanzhi was from Hengyang real estate, because Ning Yao would be more worried about what he said.

Wang fan doesn't plan to take Ning Yao to the hotel. He plans to arrange Ning Yao to the hotel and go there alone.

This is more convenient and safer.

At the same time, Wang Fan didn't want Ning Yao to see the bloody scene, let alone her violent and bloody side.

"Saved a woman, met a hooligan?" Ning Yao is a bit muddled. If it wasn't for Wang Fan's serious expression, she almost thought Wang Fan was telling a story.

But she is not a fool, "what rogue so capable, so quickly found that woman, but also in broad daylight revenge, who is that rogue ah."

Seeing Wang Fan's expression, Ning Yao already knew that she couldn't leave today, but she couldn't help asking.

"I don't know. Well, baby, don't be angry and don't worry about me. I'll be fine."

"Just wait for me in the hotel. Don't come out. If you're hungry, you can order takeout. I'll go to save her and leave with you."

Wang Fan coaxes Ning Yao with sweet words.

"Who's your baby? I haven't promised you yet." Ning Yao can't stand Wang Fan's ambiguity, blushes for a while, but she doesn't persuade any more. She knows it's meaningless.

Wang Fan opened a luxury room, settled Ning Yao, and then took a taxi to Juxiang building.

His face was very gloomy.

He didn't expect that Hu Sanzhi was so arrogant and arrogant. In a short period of time, he locked Yunlan and killed him in the daytime.

It seems that Hengyang real estate is really not simple.

All the way, 20 minutes later, Wang Fan arrived at Juxiang building.

He looked at the door parking a few police ambulance, heart thump for a while, speed up toward the box where Yunlan ran past.

But when Wang Fan arrived, Yunlan and Hu Sanzhi had disappeared, and the scene was also cordoned off by the police, leaving only the black and blue students.

Those students were beaten one by one, which was very sad. Both men and women had seen blood.

Among them, two men and one woman were even more broken legs, with more than a dozen wounds on their bodies, and their faces were stained with the blood on their heads.

They were quickly carried on stretchers and left quickly.

Wang Fan looked at the scene, clenched his fists, bursts of anger.

Lawlessness, it's lawlessness.

He has already killed Hu Sanzhi.

"Uncle policeman, you must make the decision for us. Those bastards are too arrogant. We eat well. Even if they come in and smash it, they also take away yundao. You must make the decision for us. "

One student said angrily to the police.

"We will. Do you have a good look at the gangsters? Why did they kidnap Yunlan? Can you be more careful? "Asked the policeman.

Wang Fan heard here, did not listen, he quickly left the incense building.

He made a phone call to Yunlan in the middle of the way and shut it down without any accident. Wang Fan had expected that, so he didn't have too much disappointment. Instead, he ran to the clothing store where Ning Yao was.

He wants to find the so-called red sister in brother a Feng's mouth, and then try to find out Hu Sanzhi's whereabouts.

These people are all from Hengyang real estate. Most of them have intersection. Even if they don't, they can find Hu Sanzhi layer by layer.

This is the most stupid way, but for Wang Fan, it is the only way.

He is not familiar with the land in Jiangcheng, so he can only look for it in this way.

His heart is also praying, Yunlan must not have something, if Yunlan has something, Hu Sanzhi will never live.

Half an hour later, Wang Fan came to the area where ningyao clothing store is located. He turned around and locked Hongjie's clothing store.

Because in addition to Ning Yao's clothing store, there is only one clothing store nearby, and the signboard is Hongjie clothing store, so it's easy to lock.

Maybe it's because people are eating and resting at noon, or maybe it's for other reasons. When Wang Fan entered Hongjie clothing store, there was not a guest in the store, only two women were dozing off.

It's just that these two women are all dressed in the clothes of a shopping guide. They don't look like the red sisters who can help those hooligans of brother a Feng.

When they saw Wang Fan come in, they just turned a glance and ignored him.

Wang fan is a bit speechless. With this attitude, he still sells clothes. He deserves the bad business.

Taking advantage of the fact that the second daughter didn't pay attention, he quickly threw out the prepared stone, knocked down the monitoring, and then walked to them, "Hello, is red sister there? It's Hu Sanzhi who asked me to come to her. There's something urgent."

When Wang Fan speaks, he stares at the two girls without blinking. Even if one of them is red sister, he can see it.

The second daughter heard Wang Fan's question, first she was stunned, then she said, "sister Hong is not here, I'll call her."

One of the women said, quickly dial out the phone.

Wang Fan immediately realized that Hong Jie and Hu Sanzhi not only knew each other, but also had a close relationship. Otherwise, these two small shopping guides can not have such an attitude.

Wang Fan had been waiting for more than ten minutes. With the sound of footsteps, a woman in her thirties came in coldly.

Her head raised, the corners of her mouth cocked, very arrogant, people have not yet arrived, the voice has come, "who's looking for me?"

"I don't know." Wang Fan smiles brightly. He knocks Miss shopping guide with his two hands of knife. In an instant, he rushes to her side. His right thumb and index finger are stuck in her throat.

Chapter 572

Red sister's arrogant expression instantly dull, the whole face has become ugly.

She didn't expect that the person who came to her would give her such a blow.

Although red elder sister is not mixed on the road, she still feels the great evil intention from Wang Fan's expression.

She can see from Wang Fan's expression that this is definitely a ruthless role and a master who dares to move her.

Her throat grunted a few times, carefully asked, "what do you want to do, if robbery, I have 300000 in the safe, you can take it, if not enough, I have 500000 in my card, all for you."

"If you rob me, I promise I won't resist and I won't call the police afterwards. You can do whatever you want. It's just, can you take your hands off first? "

Red elder sister's voice is a little trembling. She has seen many outlaws. Even because of Hu Sanzhi, those bastards of brother a Feng are her running dogs.

But just because of this, she knew the cruelty of society. Wang Fan such people, kill her also killed, even after Wang Fan was found out chopped to death, but she has died, what is the significance?

"Robbery? I haven't paid attention to your million and eight hundred thousand. As for plunder, you think highly of yourself. What kind of woman do I want to rob you? "

Wang Fan casually said, while controlling the red sister to go to the door, lock the door, and pull down the curtain, then said, "although you have a bit of beauty, but for a robbery crime, it's not worth it, you look too high on yourself."

Red elder sister looks at the curtain pulled down and listens to Wang Fan's words. Her face turns pale. Does Wang Fan really want to kill her?

She couldn't calm down any more, and her cold sweat came out. "What do you want, and where did I offend you? Can you give me a way to live? As long as you don't kill me, I'll do anything. "

Red sister from beginning to end have no idea of resistance, posture is very low, also very humble.

She has already seen from Wang Fan's stunning of the two shopping guides that this person is definitely a powerful role, which she can't deal with at all.

Although I have practiced Taekwondo several times for self-defense, it's all HuaQuan and embroidered legs, which is not enough to see in front of Wang Fan.

Now that the door of the shop is locked and the curtain is pulled down, Wang fan can't do anything to kill her. She can only wait to die.

She just didn't understand when she got into trouble with Wang Fan.

You know, although Jiang Qinghong has done a lot of immoral things with Hu Sanzhi and a Feng in these years, they are all just looking at people.

She is also stepping on some no background, insignificant people. She would not provoke anyone with such a little background.

Because she knew that if she was not careful, she would step on the iron plate. Even if stepped on the iron Hengyang real estate will not be afraid, but does not mean that she is not afraid.

Wang Fan didn't let Jiang Qinghong think about it. She loosened Jiang Qinghong's neck and said slowly, "you are a smart man. Since you are a smart man, I won't beat around the bush."

"Don't worry. I'm not here to rob you of money, to rob you of sex and to kill you."

"I just want you to cooperate with me to find someone. As long as you show me satisfaction, I will never embarrass you."

Red sister listen to this, finally can't help but relief, just now she was scared legs are a little soft, "looking for who?"

"Hu Sanzhi, I need to know his position now, the sooner the better. Don't tell me you can't find it, and don't tell me it takes time. I'll only give you half an hour. "

"If you still can't find his place after half an hour, I don't mind killing you."

Wang Fan said lightly.

There is no need to be polite to a woman like Jiang Qinghong. She can come up with that kind of dirty means to deal with Ning Yao, and Wang Fan naturally doesn't like her at all.

Although Wang fan can't really kill her, it's necessary to just threaten her. Otherwise, who knows if she will try her best to find Hu Sanzhi?

"Well, I'll find it for you." Without a word of nonsense, Jiang Qinghong quickly took out her mobile phone and dialed it.

If it's looking for other people, she may really have no way, but she still has a way to find Hu Sanzhi.

At the same time, her heart also hated Hu Sanzhi. That heartless white eyed wolf, he offended people, hide, let Wang Fan to find her revenge, it is not a thing.

Just ten minutes later, Jiang Qinghong found Hu Sanzhi's position and told Wang Fan, "he's in Honghu garden."

Jiang Qinghong's tone is a little irritated. She is not only irritated that Hu Sanzhi's opponent has found her, but also irritated that Hu Sanzhi is actually picking up girls in Honghu garden.

Because she bribed people to tell her that Hu Sanzhi tied a woman back, is brewing emotions, intend to go to that woman.

At the thought of suffering and being threatened here, Hu Sanzhi is enjoying himself in Honghu garden. How can Jiang Qinghong not be angry.

"Take me. If you dare to cheat me, believe me, it will be you who will die first." Wang Fan said, suddenly close to Jiang Qinghong, right hand in her white neck, her neck platinum necklace to Wang Fan's hand.

Then Wang Fan kneaded it, and the platinum necklace was kneaded into a lump.

Looking at this scene, Jiang Qinghong, the old man with staring eyes, became more nervous and felt a chill at the same time.

This is definitely a horrible man.

She didn't talk nonsense, and didn't dare to say anything. She quickly took Wang fan out of the shop and got on her red BMW. Then step on the accelerator and rush to Honghu garden.

On the way to Honghu garden, Jiang Qinghong can't help but look at Wang Fan, only to find that Wang Fan has closed his eyes.

She opened the window to call for help, drove the car to the police station, and finally put out the idea.

Wang Fan was so terrible that she didn't dare to block her life.

Just 20 minutes later, Jiang Qinghong and Wang Fan came to Honghu garden. She stopped the car and took Wang Fanfei into the garden.

Another five minutes later, they came to courtyard 8. Two young guards at the gate saw them and stopped them without hesitation.

"Sister Hong, brother Zhi has something important to deal with. You can't go in." The young man's tone

is very polite, and his eyes are also dripping on Jiang Qinghong.

Although Jiang Qinghong is a worn-out shoe that Hu Sanzhi is tired of or does not want, it is still very attractive to them.

They are all Hu Sanzhi's loyal confidants. Although Hu Sanzhi is pressing them down, they dare not mess with Jiang Qinghong. But Hu Sanzhi won't take advantage of them.

Jiang Qinghong was staring at by Hu Sanzhi's two doglegs. Her face was more ugly and her anger was even worse.

Hu Sanzhi is in it, but his diehards dare to stare at her so wantonly. It can be seen that she has a poor position in Hu Sanzhi, and Hu Sanzhi doesn't often speak ill of her, otherwise these diehards will never despise her so much.

Jiang Qinghong is suppressing her anger and is about to speak. Wang Fan has already stepped forward from behind. Without hesitation, she raises her legs.

Chapter 573

Bang Bang twice, the two youths were directly kicked out, their ribs were broken, they fell to the ground and couldn't get up again.

There was a strong disbelief in their eyes. They never thought that the ugly little white face behind Jiang Qinghong would dare to fight without warning.

"Are you blind? This is Hongjie, Hu Sanzhi's woman. You all need to call her sister-in-law. Now my sister-in-law comes to find Hu Sanzhi, but you dare to stop her. You're still talking and beating here. "

Wang Fan said unhappily, pulled up Jiang Qinghong and went inside.

He has probably understood the relationship between Jiang Qinghong and Hu Sanzhi in the car. That's why he said so.

Now that Yunlan is in Hu Sanzhi's hands, Wang fan is already in a state of anxiety. These two guys dare to gabble here. Naturally, he is not polite.

Of course, Wang fan can kill directly without saying anything, but in that case, Hu Sanzhi will know that it is enemy attack and revenge.

In case Hu Sanzhi takes Yunlan out to block the gun at the critical moment, things will be very troublesome. So now, it's safest to take Jiang Qinghong out of the way.

Jiang Qinghong did not expect that Wang fan should be so violent. He did it without saying a word and showed no mercy.

Looking at the two miserable guys, she was not only a little cool, but also a little scared.

Fortunately, she didn't dare to mess around, otherwise she would not be able to please Jiang Qinghong with Wang Fan's ruthlessness.

Wang Fan kicked the two men at the door, which naturally attracted the attention of the thugs inside. In an instant, more than ten people ran out.

They surrounded Wang Fan layer upon layer, with anger in their eyes.

"Sister Hong, are you looking for brother Zhi to be unlucky? Have you ever thought about the consequences? Although you are Zhige's woman, you know that you are not in favor now. You are not afraid that brother Zhi will sink you? "

The first man threatened Jiang Qinghong, and then looked at Wang Fan, "boy, you are so awesome, you dare to touch my people."

"Don't you think you can do whatever you want with the help of red sister?"

"I tell you, don't say you're just Hongjie's dog. Even if you're not, I won't let you go if you touch my people today. Even sister Hong can't cover you. "

The guy said, directly behind a few people, to Wang Fan ruthlessly said, "give me to break his limbs to carry over.". I'd like to see how good he really is, and how dare he run wild here. "

With his voice, the more than ten people did not have the slightest nonsense, and directly looked at Wang Fan.

That ferocious face, that bloodthirsty eyes, no one will doubt that they will really waste Wang Fan's limbs.

Looking at this scene, red sister's face suddenly changed. She is about to speak, Wang Fan has jumped out.

"I don't know what to do." When those people saw Wang Fan rushing in, their eyes showed disdain, and they almost regarded Wang Fan as an idiot.

With one against ten, should they say that Wang fan is brave and fearless of tigers, or should they say that this guy is a fool?

Does he think it's a movie, or does he think he's a ten to one special forces?

A man who rushed to the front jumped up high, his body whirled in the air, and his right leg had already

Although these people can't be said to fight against ten with one, they are also masters who fight bravely all the year round. There is still no problem in playing three or five at a time.

But even if it is so, Wang Fan waves his hand and turns over seven or eight people. He also controls the snake elder brother, who is the leader. How can they not be shocked.

Red sister felt that her legs were soft again. Fortunately, she didn't have a moth on the way, otherwise the consequences would be extremely miserable.

Snake brother's scalp is also numb, the eyes, as if to say, how can there be such a demon in the world.

You know, he's a real veteran. There's no problem with a dozen. But he didn't make any response and was picked up like a chicken. What is his strength?

He wanted to speak, but Wang Fan couldn't speak at all. His face is red, as if hanging.

Wang Fan put snake brother down, and then slapped him twice in shame. Then he said, "don't talk nonsense, lead the way ahead, go to find Hu Sanzhi, and red sister has something to do with him."

"Good, good." Snake brother no longer dare to talk nonsense, directly in front of the road up. He even raised his hand and waved back more than a dozen thugs who heard the situation.

Wang Fan was so terrible that he didn't want to add unnecessary casualties to his brothers.

The most important thing is that although Hu Sanzhi and Jiang Qinghong have some disagreements, and even get tired of Jiang Qinghong, they are not enemies, or even their own.

If they can make good use of it, Wang fan can become a knife in their hands.

I have to say that snake brother has a good brain and is good at calculation.

With snake brother leading the way, the road was smooth and unimpeded. Soon they came to the door of a room.

At the door stood two burly men, like the door god of the iron tower, standing on both sides. Their waists were bulging, obviously with guns.

Obviously, this Honghu garden is definitely a stronghold of Hu Sanzhi, otherwise it would be impossible to be so strict and there are so many thugs.

Wang Fan looked at the scene and frowned slightly. Hu Sanzhi had two skills. He had so many thugs.

It can be seen that this guy is not a good thing and has offended a lot of people. Otherwise, he would

not be so afraid of death and raise so many people in captivity.

The only thing he couldn't figure out was that Hu Sanzhi was such a bull that he had only one person on the train. In his opinion, this was really inappropriate.

Chapter 574

In the room, Yunlan was tied to the bed with a pale face and despair in her eyes.

Hu Sanzhi is sitting on the sofa opposite her, drinking slowly while enjoying the dance of several girls.

After he tied Yunlan back, he didn't go to Yunlan immediately. Instead, I plan to brew some emotions, calm down and go up again.

After all, if he goes to Yunlan as soon as he comes back, there will be a sense of revenge, which is destined to be unsustainable and meaningless.

Only calm down, he can better trample women, so that women are doomed.

Of course, the longer you wait, the more hopeless Yunlan will be, the more interesting it will be. I have to say, this guy is not only scum, but also know a little psychology.

"Yunlan, you don't want someone to save you. This is my territory. No one can save you."

"As for your little white face, it's even worse. When I get on you today, I'll catch him tomorrow, and then I'll get on you in front of him. "

"Don't worry, I won't let you die, I will only let you despair. Dare to hit me in the face, dare to provoke me, this is your price. "

Hu Sanzhi took a sip of red wine and said slowly to Yunlan.

He is to defeat the pride of Yunlan, tear up her fluke, let her despair, and then trample on it.

Yunlan's heart sank to the bottom, but he didn't speak.

What she has is deep despair.

After Yunlan was caught here, she never thought that someone would come to save her, let alone Wang Fan.

If in the restaurant, Wang fan can save her, but here, she has no hope at all.

Wang Fan, a stranger, is not familiar with his life and land. How can he find here?

What's more, she also saw dozens of thugs outside. Even if Wang Fan could find here, could he save her? Obviously not.

Now she only hopes that Wang Fan will never come here or save her.

For things on the train, Yunlan has no regrets, she will not blame Wang Fan.

Although she does not have a good family and background, she has a bottom line and a ruler to measure good and bad.

Wang Fan saved her out of kindness, she would not blame Wang Fan.

"Come on, experience the rest. There is a good saying, can not resist, as enjoyment. You can enjoy it, ha ha ha. "

Although Hu Sanzhi didn't know what Yunlan was thinking, he felt the despair of Yunlan.

He finished the wine in the cup, pulled open his collar, stood up and walked slowly towards Yunlan.

That humiliating words, arrogant laughter, mercilessly tearing Yunlan's psychology, let her almost collapse.

However, she is just a small person, knowing that humiliation, but really can not change anything, and even she can not commit suicide.

Her heart is very sad, this may be the sorrow of small people.

When the dancing girls saw Hu Sanzhi get up, they couldn't bear to look at Yunlan's eyes, but they didn't dare to say anything more, so they quickly backed out.

They are also from the bottom. They can't control Hu Sanzhi at all, and they don't have the strength to stand out for Yunlan.

When the dancing girls dispersed, only Hu Sanzhi and Yunlan were left in the room.

Looking at Hu Sanzhi's red eyes, Yunlan is more desperate, and tears of humiliation flow down her eyes.

However, she was stubborn and didn't speak. She just stared at Hu Sanzhi with unyielding eyes.

Hu Sanzhi, looking at the lamb like Yunlan, was even more excited. He directly pulled open the button and took off his coat.

He likes the unyielding woman Yunlan the most. The more he doesn't get it, the more he wants to get it. He's still a little annoyed that she's too obedient.

Just as he was about to take off his pants, the phone rang.

Hu Sanzhi's eyes twinkled with a touch of unhappiness, and his face was instantly gloomy.

Jiang Qinghong even brought people here to look for him and beat his captive thugs. This also calculate, snake elder brother still be hold in the hand, personally lead the way to rush to his room.

This news made Hu Sanzhi a little infuriated and dissipated most of the emotion he had managed to cultivate.

"Damn it! What the hell is this bitch doing! Don't you think she's Lao Tzu's woman, so I dare not touch her? "

Hu Sanzhi fiercely scolded, can only reluctantly see Yunlan one eye, temporarily give up the idea of Yunlan.

He put on his coat and was about to go out. With a thump, the door was smashed open.

Then two big men broke into the room and fell into the room with a bang.

This sudden scene scared Hu Sanzhi and made him even more angry.

He squinted at the two burly men, but his eyes suddenly solidified.

These two men are the bodyguards he arranged to guard at the door, and they are the experts he invited with a lot of money. But such a master didn't even scream, so he was thrown in. He felt numb for a moment.

Dada dada.

A burst of footwork sound rang out, Wang Fan with a face full of fear snake brother and Jiang Qinghong came in, and also bang, closed the door.

"It's you?" Hu Sanzhi looks at Wang Fan, his face changes greatly!

He didn't expect that Wang Fan would come here. What's more, Wang Fan was so terrible that he killed the two bodyguards he hired.

Wang Fan clapped his hands three times, and the abuse appeared in his eyes. "Yes, it's me, manager Hu, who met again."

Wang Fan said, has walked to the face of shock Yunlan side, untied the shackles of her body.

"Why are you here? Let's go, let's go. He has a lot of people here." Cloud orchid tearful, followed by a loud shout.

In desperation, Wang Fan killed her. She was both moved and trembled.

She didn't know whether she should cry or laugh.

"It's OK, a group of clowns. I haven't paid attention to them, as long as you're OK." Wang Fan comforts Yunlan.

Seeing that Yunlan had not been violated, he was at ease.

Yunlan didn't speak, just grabbed Wang Fan and cried.

"It's OK. It's all over." Wang Fan patted Yunlan and comforted her. At a certain moment, she pinched her back. Then the woman fell asleep.

Hu Sanzhi looked at Wang Fan in shock and couldn't believe it. At a certain moment, he suddenly looked at Jiang Qinghong with extreme madness and ferocity in his eyes!

"You betrayed me?"

My eyes are ready to crack!

Frightened by Hu Sanzhi's wild eyes, Jiang Qinghong stepped back several steps and almost fell down.

Hu Sanzhi was so terrible that he seemed to bite her at any time.

"It's not betrayal. It's a hero who knows current affairs. Hu Sanzhi, I've given you enough face on the train, and I'll spare your life. But who knows you don't cherish it? No wonder I do

Wang Fan's voice is like a cat playing with a mouse.

"What do you want? Kill me? I have 50 brothers and 10 guns outside. If you kill me, don't say you can't get out of Honghu garden. Even if you go out, the police won't let you go. "

"What's more, I'm from Hengyang real estate. If you move me, Hengyang real estate will never let you go. You can't leave Jiangcheng."

Hu Sanzhi's eyes are ready to crack. He is afraid that Wang fan doesn't know that Hengyang real estate is powerful, and he begins to add.

"Don't think I'm alarmist. If you ask any local people in Jiangcheng, you'll know what I said is true."

"At that time, there was a young and powerful provincial capital who ran wild in Jiangcheng and provoked the people of Hengyang real estate. We beat him. He refused to accept and threatened to end our Hengyang real estate."

"As a result, the next day, someone found him dead in the Jiangcheng river. His hands and feet were separated. He didn't even have a whole body."

"There is also an Olympic businessman who talks business with us and finally changes his mind by relying on the government and money. As a result, he has been chopped up and fed to the dog"

"Wang, I tell you, you'd better not mess around, otherwise, you promise you will die hard!"

Hu Sanzhi made a vicious threat.

Chapter 575

"You think too much about killing you. You're not worth my hands." Wang Fan disdainfully glanced at Hu Sanzhi and said faintly.

Although Wang Fan's words were disdainful and arrogant, they fell into Hu Sanzhi's ears and became another meaning.

That is Wang Fan afraid of Hengyang real estate, dare not move him.

Is also, Wang Fan again fierce also just a person, what confidence with Hengyang real estate confrontation?

Thinking of this, Hu Sanzhi became tough again. "Since you don't kill me, go away. As long as you go away immediately, I promise to let bygones be bygones."

He didn't say such stupid words as asking Wang Fan to kneel down and beg for mercy. If Wang fan is enraged, he will be killed immediately if he doesn't do well. It's better to let Wang Fan go.

"Let bygones be bygones?" Wang Fan laughed, "now is not the time for you to pursue me, but for me to pursue you."

Wang Fan laughs, takes out the handset to open the video, has aimed at Hu Sanzhi, "by the way, Hengyang real estate has you to say that cow really, I do not quite believe."

"Please repeat what you just said to me without losing a word. Don't hide anything, or I will be unhappy."

"Also, if you know anything else about Hengyang real estate, you can say it and let me tremble."

Hu Sanzhi's face immediately changed, "what do you want to do, you want to threaten me to tell the

evidence of Hengyang real estate breaking the law?"

"It seems that your brain is not stupid. Now that you know it, why don't you say it quickly?" Wang Fan's tone cooled down.

"You dream!" Hu Sanzhi was even more angry. What he said just now was just for Wang Fan's fear. He didn't mean anything else.

Now Wang Fan has threatened to tell him the detailed process and take a video to shoot. This is a big deal. Once exposed, even if Wang fan does not deal with him, Hengyang real estate will not let him go.

Hu Sanzhi angrily said, suddenly took out a delicate Mini gun, aimed at Wang Fan and pulled the trigger.

He was not far away from Wang Fan, and by surprise, he felt at least 80% sure that he could shoot Wang Fan.

As long as you can shoot Wang Fan, today's humiliation can be found, and Yunlan will not be saved.

He also decided that as long as he killed Wang Fan, he would kill Jiang Qinghong. Even if Jiang Qinghong was his woman, he would not have the slightest weakness.

Wang Fan was brought by Jiang Qinghong. It can be said that without Jiang Qinghong, Wang Fan would not have been able to find here. Or even if Wang Fan found here, it's impossible to kill him.

Therefore, Hu Sanzhi has no less hatred for Jiang Qinghong than Wang Fan.

With a thump, the bullet came out of the chamber and shot hard at Wang Fan, but soon Hu Sanzhi's face changed.

Wang Fan just slightly sideways, unexpectedly dodged the bullet.

How is that possible? He's not human?

Hu Sanzhi was shocked and wanted to shout.

But he has no chance, at this time, Wang Fan has flashed in front of him, a big foot kicked over.

Wang Fan's toes first point on his hand, the gun points fly out, and then the sole of the shoe slapped on his face.

Hu Sanzhi's blood spurted out and directly knocked him down on the ground. He was as embarrassed as a dog.

At this moment, not to mention Hu Sanzhi's scalp numbness, even Jiang Qinghong and snake brother

behind Hu Sanzhi have the same scalp numbness.

They only feel a cold, cold from head to foot, the whole body is soaked in cold sweat.

Wang fan is too terrible, terror beyond their understanding.

If the distance is long enough, they may be able to accept the speed tear bullet.

But Hu Sanzhi's gun is special. Its shooting speed is twice as fast as that of ordinary guns. Plus the distance is so close, how can Wang Fan hide?

"Hu Sanzhi, you are very dishonest. I'll give you another chance to say it or not?" Wang Fan looked at Hu Sanzhi and asked calmly.

Hu Sanzhi's face turned white. He just wanted to say it, but he didn't dare to say it when he thought of the power and means of Hengyang real estate.

If he says it, not only will he die miserably, but the whole family will end miserably.

Hu Sanzhi's face began to struggle. At a certain moment, he glanced at the snake brother beside him and couldn't help but say,

"snake, what are you still doing? Don't you hurry? Why, you have to learn from that bitch and betray me? "

Hu Sanzhi's eyes are ready to crack and roar madly.

He also has a lot of fancy ideas. First, he wants to attract people's attention with a roar and come to support quickly. The second is to remind snake brother to take Jiang Qinghong and threaten Wang Fan.

After all, everyone can see Wang Fan's skill, and ten snake brothers are not enough for Wang Fan's rampage. In this case, only by holding Jiang Qinghong's threat can Wang Fan be worried. Otherwise, Hu Sanzhi would not have yelled the words "learn from that bitch and betray me."

In Hu Sanzhi's opinion, since Jiang Qinghong came here with Wang Fan, they must have something to do with each other. Even if it doesn't matter, for Wang Fan's friendship with Yunlan, Jiang Qinghong will not be held hostage. Of course, they don't have much choice at this time. There is no strength against Wang Fan, and it is impossible to control Yunlan around Wang Fan. There is only Jiang Qinghong as the breakthrough point.

Snake elder brother hears Hu three Zhi this words, Leng for a while, but didn't act immediately.

He naturally understood Hu Sanzhi's meaning. If Wang Fan hadn't dodged the bullet, maybe he would have done so. But now, he's not so bold.

Jiang Qinghong is not a fool either. She immediately understood Hu Sanzhi's meaning. While she was angry with the son of a bitch, she did not hesitate to stay away from snake brother and ran to Wang Fan.

She will be safe only if she is closer to Wang Fan.

After all, snake brother is Hu Sanzhi's man.

Wang Fan looked at Hu Sanzhi and laughed again.

This guy's strength is not so good, but there are many patterns. No wonder he can mix with the middle and high level of Hengyang real estate.

He didn't pay attention to Hu Sanzhi, but looked at snake brother, "if you don't want to die, go up and move him, no matter what means, as long as he can tell Hengyang real estate illegal deeds."

"If you can't, this room is your death."

"Snake, dare you!" Hu Sanzhi roared angrily and looked at Wang Fan, "son of a bitch, you will die hard if you treat me like this, and your whole family will die hard!"

Wang Fan ignores Hu Sanzhi's threat and just stares at snake brother to see his reaction.

Snake brother was staring at some scalp numbness, he even wanted to escape, but finally did not dare to move.

"I'm sorry, brother Zhi." He apologized to Hu Sanzhi, then rushed over.

"Reverse, reverse!" Hu Sanzhi got angry and began to struggle. Only he where is snake elder brother's match, just a few times, then be beaten, have no temper, have no fight back strength again.

Similarly, Hu Sanzhi's soft bones can't stand the torture of snake brother. Within five minutes, he said everything he knew.

Wang Fan put away his mobile phone and nodded with satisfaction, "you're doing well. Congratulations. If your life is saved, I'll go first."

Wang Fan said, went directly to the window, left hand holding Yunlan, right hand holding Jiang Qinghong, jumped out.

In the room, snake brother's face is hard to see.

Wang Fan left him a mess. He stabbed him before he left.

Now he has betrayed Hu Sanzhi. If Hu Sanzhi is alive, he will never come to a good end. But if Hu Sanzhi died, he was not easy to explain to his brother outside, and he would even be chased by Hengyang real estate.

Chapter 576

"Snake, you are forced by that son of a bitch today. I won't blame you. Why don't you help me up so that we can go after that son of a bitch? "

"Otherwise, once the video is exposed, the people on it will blame us, and we will all end up dead."

Hu Sanzhi noticed a snake's eyes and said quickly with a thump in his heart.

Although he hated ah she in his heart, he didn't dare to get angry at this time. What if ah she jumped out of the wall and killed him?

Only in this way can he survive, and only in this way can he get revenge.

Wang Fan, Yun LAN, Jiang Qinghong, ah she, one of them is one. These people will definitely die hard!

"Thank you for your understanding. Thank you for your understanding." A snake's heart thumped for a moment, and he quickly picked up Hu Sanzhi.

Hu Sanzhi also showed a flash of smile in his eyes.

Just then, with a sneer, a snake suddenly took out a knife and thrust it into Hu Sanzhi's abdomen.

Hu Sanzhi choked at the corner of his mouth and bowed. He looked at a snake in disbelief. His eyes were full of hatred.

"Why?" He asked grimly.

"Zhige, I'm sorry, I have no choice." Snake has put on a pair of cold grin, he suddenly pulled out the knife, brought out a piece of blood mist, and then stabbed in again.

"I've been following you for so long, and I know something about your character. You're showing weakness on the surface, but actually you want to cut me to pieces. "

"I'm sure that once you get out and are safe, you'll come back and kill me without hesitation. I dare not gamble, so you have to die. "

Hiss, hiss, hiss.

Snake said, has been stabbed down more than a dozen knives.

Hu Sanzhi's whole body was covered with blood, and the corners of his mouth began to spit blood.

He fell to the ground in a soft way, and his mind was slowly lax.

However, his eyes are full of unwilling, full of anger, full of resentment.

He didn't expect that he would die like this.

The funny thing is that he didn't die in Wang Fan's hands, but in his own hands.

The ground is red with blood. It's dazzling red and full of bloody smell. It's disgusting.

Hu Sanzhi shakes his hands and wants to catch the gun not far away, but he still fails to catch it.

Finally, head a low, die.

A snake looks at the dead Hu Sanzhi. Without a word of nonsense, she takes out a knife and rushes to the two bodyguards who were knocked unconscious by Wang Fan. She stabs them mercilessly, and then jumps out of the window to escape.

He wants to leave Jiangcheng as soon as possible, and the farther he goes, the better.

Wang fan doesn't care how she ends up, and he doesn't care about Hu Sanzhi's life. He has brought his second daughter to the street.

"Sister Hong, I mean what I say. Let bygones be bygones. I just want to remind you that today, no matter whether Hu Sanzhi is alive or dead, you are in danger. I advise you to go out for a few days with your money. "

Wang Fan says faintly to Jiang Qinghong that he doesn't like this woman, so he won't go to protect her.

Of course, Wang Fan was not familiar with Jiangcheng and had no ability to protect him.

"OK, I'll go now." Naturally, Jiang Qinghong knew the seriousness of the situation and would leave without hesitation.

Just after a few steps, she suddenly caught something and couldn't help but turn her head back, "you said we should let bygones be bygones, what kind of grudges do we have?"

"Ning Yao is my woman. If you play tricks against her, you're dealing with me. Remember, don't use such dirty means in the future, or you won't know how to die. "

"That's why I'm kind. I didn't kill you. If you meet the kind of ox fork, I'm afraid you've been ravaged thousands of times. "

The shock of Jiang Qinghong was like a scoop of ice water, cool from head to foot.

She never thought that Ning Yao was Wang Fan's woman.

Fortunately, Yunlan was kidnapped first. Wang Fan went to find Hu Sanzhi first, so that she didn't have time to revenge Ning Yao.

Otherwise, once she takes revenge on Ning Yao, it will come to an end.

Jiang Qinghong did not dare to think about it any more.

"I know. I'll never do it again. Take care." Jiang Qinghong's scalp was numb. With that, she did not dare to stay any longer and left here quickly.

She should pack up her money and leave Jiangcheng quickly, otherwise, she will not be able to leave.

Hengyang real estate is terrible. Jiang Qinghong knows it all. Maybe Hengyang real estate can't help people like Wang Fan, but if you want to deal with her, Jiang Qinghong is just like stepping on an ant.

At the same time, Jiang Qinghong told Wang fan that she was kind-hearted, which is not to be denied. If Wang Fan was kind, there would be no unkind people.

Even those who are young and old, they have to take some emotion to clean up people, but Wang Fan, with the help of other people's hands, is killing people without blood.

Of course, she didn't dare to say these words. Wang Fan sees Jiang Qinghong leave, finds a nearby hotel to settle Yunlan down, and then wakes her up.

"Where are we, Hu Sanzhi? Are we OK?" Seeing Wang Fan, Yun LAN couldn't help asking nervously.

"Don't worry, we're safe." Wang Fan looked at Yunlan, expression is very serious, "next I say, I hope you listen carefully."

"We have offended Hu Sanzhi of Hengyang real estate. As a native of Jiangcheng, you should know something about Hengyang real estate. If we have offended them, they will definitely retaliate."

"So for your safety, I advise you to go out and hide. You can rest assured that Hengyang real estate will disappear in a short period of three or five days, and you can come back safely. "

"During this period, I will compensate you ten times for all the losses caused to you, including the delay in work and so on."

"I know you may not be able to accept it, but I can't help it for the time being. I have a little

responsibility for it. If it wasn't for me, you wouldn't be so difficult. Think about it and make a decision as soon as possible. "

Wang Fan said apologetically.

He had intended to leave, but when Yunlan happened, he couldn't leave.

He wants to solve the problem once and for all.

The most important thing is that Hengyang real estate is too arrogant, too powerful, if not, it is a cancer.

Hu Sanzhi's words have successfully aroused Wang Fan's anger.

"I don't blame you. Without you, I would have been ruined by Hu Sanzhi, even worse. I don't have to think about it. I can decide now. I'll do everything according to your arrangement. I'll leave at once. "

Cloud orchid is a Leng at first, followed by immediately returned to God, make a quick decision, "just, I hope you can also leave Jiangcheng."

"Hu Sanzhi has no bottom line, which means that there must be backstage. If you are not familiar with your life and land, you will not win if you fight with them."

"We don't have any losses anyway, and you don't need to take risks. Although Hengyang real estate is powerful, it is limited to Jiangcheng. If we leave Jiangcheng, their influence will definitely be halved, and they will not threaten us. "

"What's more, the world is so big and there are so many cities, they may not be able to find us."

Yunlan's thoughts are very clear and agile. While she is making a decision, she is also persuading Wang Fan.

There is no need for Wang Fan to take risks for her.

Of course, her heart is still very touched.

Wang Fan listened to Yunlan's words, looking at the woman's style of not procrastinating, his favor increased greatly, "you don't have to worry about me, I have a way, by the way, where are you going?"

"Golden State."

Wang Fan's eyes gaped.

It's a coincidence.

Just think of Yunlan, like him, is to do a car from Jinzhou, this just relieved.

Chapter 577

The news that Hu Sanzhi was killed soon spread all over Jiangcheng, causing a sensation and shocking all underground forces in Jiangcheng.

Hu Sanzhi himself is nothing, but he is a vicious dog in Hengyang real estate. As the saying goes, beating a dog depends on the owner, not to mention killing the dog.

When such a thing happens, how can Hengyang real estate give up. Who on earth is so bold as to dare to break ground on Taisui.

Hengyang real estate 18 floor conference room, all the high-rise has almost arrived, face gloomy.

Du Qingliang, the chairman of Hengyang real estate, has a ferocious look in his eyes, and his face is hard to see.

Hu Sanzhi's death, whether for him or for the whole Hengyang real estate, is a provocation, a blow.

He couldn't figure out who had the courage to kill Hu Sanzhi. Is the other party just aiming at Hu Sanzhi or Hengyang real estate?

"No matter who the other party is or what his purpose is, if he dares to kill Hu Sanzhi, it means that he doesn't pay attention to our Hengyang real estate."

"I suggest that the whole city should be searched immediately, and the police should step in and try their best to find the murderer. This can't be done like this. We must make the murderer pay the price. "

Du Qingliang below, vice president Qiu Yang face ferocious way.

Qiu Yang is a middle-aged fat man with a big belly. He has a bald head, sharp eyes and a face full of flesh. He is not easy to be provoked.

Although he is the vice president, he is only a nominal name. Hengyang real estate many dirty things are his own responsibility, Hu Sanzhi is also a confidant under his hand.

Although Hu Sanzhi's skill is not very good, he is tactful and able to come, so he is highly appreciated by Qiu Yang.

Now that Hu Sanzhi has been chopped down, Qiu Yang is naturally most angry.

"Du Dong, I think vice president Qiu is right. No matter what the other party's purpose is, we must take a stand and punish them severely. "

"In this way, we can not only kill the murderer and avenge manager Hu, but also warn those curfew who are ready to move. Our Hengyang real estate is not easy to provoke."

"In my opinion, most of us are too gentle in Hengyang real estate recently, so some people dare to come out and challenge us."

Another person followed suit.

Then there was the denunciation of all.

All the high-level people here are filled with indignation, shouting to find out the murderer and pay a heavy price.

They Hengyang real estate is a big Mac, is the emperor of Jiangcheng underground, how to let provocation?

Du Qingliang looked at the indignant high-level, tapped the table a few times, motioned to be quiet, and then said, "revenge is necessary, but police intervention is not necessary."

"I've seen manager Hu's body. He was tortured to death. In other words, the other party tortured him before killing him. "

"There are two possibilities for the other party to do so. The first is to have a big hatred with manager Hu. It's a personal grudge, so it's so cruel."

"Second, the other side is obviously extorting a confession by this means, and wants to force what we have done secretly from Hu Sanzhi."

Du Qingliang can be appointed as the chairman of Hengyang real estate, of course, there is something extraordinary. He can see what many people can't see.

"Although Hu Sanzhi is only the manager of our Hengyang real estate infrastructure department, he knows a lot about our Hengyang real estate."

"He knows those things, although not to nail US Hengyang real estate, but once poked out, there are still a lot of trouble."

"So I suggest that we do not let the police intervene first, so that the other party will not jump over the wall in a hurry. If we are not afraid of 10000, we are afraid of what if the other party really has something in hand, we will be in trouble. "

Du Qingliang said, looking at a man beside him, "green Wolf, you go now and take charge of bringing Jiang Qinghong back. By the way, I'm asking someone to track the escaped snake. He must not escape

from Jiangcheng. "

"They took the enemy to Hu Sanzhi. They must know many things we don't know. As long as we take them, the identity of the enemy will come to light."

Du Qingliang said, and looked at Qiu Yang, "as for the identity of the woman tied by manager Hu, please vice president Qiu to investigate."

"The opponent is so cunning that he even destroyed the monitoring one step ahead of time and washed away the previous monitoring. It can be seen that he has a careful mind and a premeditated mind. We must be careful of such an enemy. "

Said here, Du Qingliang's face became fierce, "however, be careful, everyone has a word right."

"That is, those who offend our Hengyang real estate and dare to kill us must pay the price. No matter who the enemy is, Emperor Laozi or niucha, as long as he is in Jiangcheng, we will let him live as if he were dead! "

Just a chairman, even said so niucha words, it can be seen how overbearing Hengyang real estate, how arrogant.

This also saw from the side, the Hengyang real estate background is very big, has done the dirty matter, also absolutely many.

Du Qingliang arranged and announced the end of the meeting. In the blink of an eye, there was only him and a humble woman left in the whole meeting room. This woman is in her twenties. She is not very old, but she looks very feminine. She is dressed in ordinary calico clothes and sits in the corner. She is very humble.

She is holding a nail clipper in her right hand, constantly pruning her nails, as if everything has nothing to do with her. Even when she had just held a meeting and the people were agitated to denounce Wang Fan, she was still focused and her face didn't change.

However, Du Qingliang is very respectful to this humble woman.

After everyone quit, he stood up, respectfully came to the woman, slightly bowed his head, "Miss Ma, find the enemy, I hope you can do it."

"I feel the enemy is very unusual, at least the strength is high, green Wolf is not his opponent."

Miss Ma listened to this, the nail cutting action slightly solidified, looked up at Du Qingliang, Yin soft eyes showed a snake like light, "you find his whereabouts, I'll send him on the road."

"Thank you, Miss Ma." Du Qingliang said respectfully, then retreated.

Miss Ma's eyes are slightly narrowed, her fingers turn, nail knife into a strange snake shaped bayonet, bayonet drops in the middle of her fingers, very flexible.

She opened her mouth and murmured, "I finally met an interesting enemy. I just hope you don't let me down."

She said, suddenly frowned, snake shaped bayonet swish out, directly nailed to the wall.

On the bayonet, three flying insects the size of rice grains were cut, leaving only half of them.

Knife technique, sharp!

After Wang Fan sent Yunlan away, he went back to the hotel to find Ning Yao.

But to her horror, Ning Yao disappeared.

Wang Fan called ningyao's mobile phone, but no one answered. He immediately felt that the whole person was not good.

Wang Fan has already warned Jiang Qinghong that Hu Sanzhi is dead. Who else will threaten Ning Yao?

You know, Wang fan is afraid of implicating Ning Yao, so he didn't take Ning Yao with him. It can be said that there is no trace of Ning Yao in the whole incident.

He does not believe that Hengyang real estate can lock him in such a fast time, but also lock the unrelated ningyao.

But now Ning Yao is really gone. Where has she gone? Why hasn't she answered the phone?

Wang fan is burning with anxiety!

Chapter 578

"Ning Yao, Ning Yao." Wang Fan could not help shouting, turned around and rushed to the door, but soon he was stunned.

Ning Yao stood at the door of the room, eating a golden cake with relish.

Maybe she saw Wang Fan's eager expression, and the gold cake she held in her right hand fell to the ground, while the gold cake she held in her left hand was in her mouth, but she didn't bite it down.

She Lengleng looked at Wang Fan, some at a loss at the same time, tears blurred his eyes.

"Ning Yao!" Wang Fan looks at Ning Yao and can't help shouting again. He rushes over and hugs her in

his arms.

"It's OK. It's OK." Wang Fan murmured. Just now, he was really worried. He almost killed Hengyang real estate. It's OK. Ning Yao is OK.

Wang Fan didn't ask where Ning Yao had gone, let alone blame him. He just hugged Ning Yao. Time seemed to be still at this moment.

Bata.

The golden cake in Ning Yao's left hand also fell to the ground, and she couldn't help hugging Wang Fan. She was moved as never before.

At this moment, her heart really melted.

She saw Wang Fan worried about her and cared about her.

"Sorry, I didn't know you were so worried. I just heard that there were people selling gold cakes outside, so I went out and bought two. "

Ning Yao can't help explaining that she would not have gone out to buy if she knew Wang Fan was so worried about her.

"I don't blame you, as long as you're OK." Wang Fan opened Ning Yao and pulled her into the room, which was a great relief.

He can't say how much he loves Ning Yao, but his concern is real, without any water. After all, this is his woman.

After the previous scene, Ning Yao didn't continue to be reserved. She nestled in Wang Fan's arms and gently asked, "has the matter been solved? Do we want to go back to Jinzhou at night?"

Ning Yao didn't ask where the girl had gone. If Wang Fan wanted to tell her, she would tell her. If she didn't want to, it was useless for her to ask.

The most important thing is that knowing that Wang Fan cares about her, Ning Yao doesn't care so much.

Now Wang fan is her man, she is Wang Fan's little woman, she will listen to Wang Fan in everything. Even if Wang Fan changes his mind and does not return to Jinzhou, she will support him.

As long as she is with Wang Fan, everything else is not so important.

"The matter has been settled. I'll take care of that girl. She's leaving Jiangcheng for the time being."

Wang Fan looked at Ning Yao apologetically, "but I still want to say sorry."

"We can't go back to Jinzhou for the time being. Now I've offended Hengyang real estate and implicated others. I have to solve the problem thoroughly before I can go back."

After Wang Fan said this, he thought Ning Yao would oppose and persuade him. But never thought, Ning Yao even cleverly nodded, said, "well, I listen to you, everything listen to you."

"Thank you." A thousand words, but to the mouth, Wang Fan only said these two words.

"I don't need to thank you. You don't have to be polite to me. As long as I'm by your side, I'll be satisfied." Ning Yao said, even bold kiss on Wang Fan.

Wang Fan's mind boomed, and then began a warm response.

Before long, they rolled down on the bed (omitting ten thousand words here)

the end of the war, it was already four o'clock in the afternoon, the bed, living room, sofa, balcony, bathroom, everywhere left traces of the war.

Wang Fan looked at the gentle cat like little woman nestled in her arms. Although she was hungry, her back was aching, and her face was still proud.

Fortunately, the winner of this war is him. I didn't expect that Ning Yao would be so crazy.

Wang Fan was too lazy to move, so he ordered some takeout with his mobile phone. After eating the takeout, he took Ning Yao out of the hotel.

"Where are we going?" Ning Yao can't help asking. Although she was upset by Wang Fan, after Wang Fan's massage therapy, she was no longer so painful.

The bottom of my heart completely recognized Wang Fan's Ning Yao, and had become more dependent on Wang Fan. In the eyes of Wang Fan, there appeared unprecedented happiness and sweetness.

"I'll take you to the feeling of childhood." Wang Fan pinched under Ning Yao's waist and said mysteriously.

"The feeling of childhood? What's the feeling of childhood?" Ning Yao couldn't help rolling her eyes playfully.

Wang Fan didn't speak, just looked around, found a place, and took Ning Yao in.

Ning Yao rolled up her white eyes without saying a word, "the childhood feeling you said is not here, is it?"

She looked at the two big red characters of "Internet cafe" and felt the thunder rolling.

"Of course, don't tell me you haven't been to the Internet bar. Will the League of heroes, cross the line of fire, run the kart, and dance troupe

"If you haven't played any of these games, I can only say that I won you." Wang Fan, laughing, turns on two machines directly, pulls Ning Yao to find two corner positions and sits down. Ning Yao listen to this, although speechless, but still began to provoke, "hero league I will, do you want solo, guarantee to hit you can't find north."

Arrogance is unusual.

"Oh, I just give up. Why don't you hit me when you have nothing to do. We should be in the same group. It's a combination of the two. "

Wang Fan said with a strange smile, "boss Ning, you play first. I'll play with you right away."

Wang Fan said, opened the game. Just open the game, he did not immediately go to play, but opened another page.

He didn't come to the Internet bar purely to play, but to expose what he got from Hu Sanzhi.

Although Wang Fan's computer strength is good, he is still much worse than the top hackers. He is afraid that he will be locked by Hengyang real estate in the hotel.

He doesn't care, but in that case, Ning Yao will be exposed. And Internet bar this kind of place, person snake is mixed, be locked not so easy.

In addition, when the two people registered to boot, they didn't use their real names. Even if Hengyang real estate was a bull fork, it couldn't reach ningyao.

In Wang Fan's operation, half an hour later, Jiangcheng forum soon appeared several sensational news.

"Why did the mysterious girl commit suicide? Why? "

"Why is Xiaosan so successful? What secret does she have?"

"Why did Jiangcheng famous flower cheat? Who is the man in charge?"

"Why does a 50 year old woman want to marry a 20-year-old young fresh meat? What's the charm of the young fresh meat?"

Under the eye-catching headlines, there are all kinds of heinous scenes in Hengyang real estate, some of

which can't match the headlines.

However, even so, it still caused a great stir. In a flash, it was reprinted ten thousand times and caused a sensation in Jiangcheng.

Some things we all know, but can not be exposed, once exposed, the consequences are very terrible.

Wang Fan finished these and looked at Ning Yao.

At this time, Ning Yao is controlling the hero "night hunter VN" to kill everywhere. Under the cover of his teammates, he hides behind and makes moves repeatedly.

"Single kill, double kill, three kill, four kill."

Ning Yao almost killed red eyes, that expression is also very excited, hands operation flexible, dazzling abnormal.

However, just when she was trying to win the "five kill", Wang Fan, with a smile, accidentally stepped on the power supply.

"Five kills!"

Then, the screen goes black.

Chapter 579

"Ah, how could it be, how could it be?" Ning Yao is as angry as a little girl, pouting her little mouth, and the boss is not happy.

She doesn't know that it's Wang Fan who kicks the power supply that causes the black screen, otherwise she won't be able to fight with Wang Fan.

"What's the matter, the screen is black? Gee, this machine is so bad. Let's change it." Wang fan is also indignant, while saying, while pulling ningyao to change the machine.

"My five kills, my five kills." Ning Yao's anger is not good, but there are not too many ways, can only be there Du mouth, the boss is not happy.

"Hey, hey, isn't it just a game? No, we'll play it on another machine. I'm sure you'll have five more Wang Fan's smile is so cheap that he can't beat him.

The two quickly changed to another corner, this position, not only can see the entrance of the Internet bar, but also can see the original position of the two people.

It can be said that as long as someone comes, Wang Fan will be able to detect it at the first time.

Ning Yao boot, looking at Wang Fan's cheap smile, and then think of what just happened, finally feel something wrong.

She can't help but grimace Wang Fan's ears, "you say, you give me the whole black screen, you kick the power."

"How is that possible? Am I that kind of person?" Wang Fan bared his teeth and exclaimed, "if I were that kind of person, I would have kicked you black long before the regiment war. Where would I have let you kick black after five kills?"

"Really, with the heart of a villain, the belly of a gentleman." Wang Fanyi's words were correct, but he refused to admit them.

That voice, that expression, even he almost believed himself.

Ning Yao was a little depressed, but there was no way.

She didn't know whether what Wang Fan said was true or false.

It's just that as soon as she found the feeling of childhood, she was destroyed. She was really upset.

Hengyang real estate.

Du Qingliang knew the news of Jiangcheng forum at the first time, so he immediately held a meeting again.

His face was so gloomy that it was almost bleeding.

Du Qingliang did not expect that his prediction turned into reality. The enemy really grasped the black curtain of Hengyang real estate.

Although he sent a large number of people to delete posts, and achieved certain results, the popularity of those black scenes not only did not cool down, but became more sensational.

"The post has been deleted. Why? Is Hengyang real estate guilty of theft?"

"Bastard's Hengyang real estate, if it's not a thing, I already know he's not right."

"Hengyang real estate is nothing. Last year, I had a cousin who died in their hands."

"Damn it, I've had enough. Two years ago, when our neighboring village was demolished, we only gave cabbage price. Hengyang real estate came forward to threaten, not only called the underworld, but also ran over Zhang goudan and his family

"What is the underworld called by Hengyang real estate? He is the underworld himself!"

It's OK for Du Qingliang not to let people delete the post. This deletion directly gives people a feeling of guilty conscience.

Countless people came out with more information than one.

"Presumptuous! Asshole Du Qingliang looked at this piece of news, angry even the table almost smashed, "give me to check, check who is the person who posted, where?"

"Damn, if you dare to challenge me like this, I'm looking for death! I don't want him to survive tonight! "

Du Qingliang's teeth rattled, and he even had the heart to kill.

A group of high-level officials were silent below, and no one dared to speak. However, their eyes are releasing a chill.

Soon someone came back with a message, "the IP of the person who posted it was found in an Internet bar near the railway station."

"Then why are you still in a daze? Why don't you take someone to catch you? Now, now! Give it to me. I'll get the men back. "

"I'd like to see what kind of sacredness it is, whether it has three heads or six arms. If you dare to kill Hu Sanzhi, you dare to challenge Hengyang real estate. I want him to die without a burial place! "

Du Qingliang roared madly, and the table clapped.

"Yes." Without any hesitation, the reporter sent someone to rush over.

Du Qingliang saw people leave, and then looked at Qiu Yang, "Vice President Qiu, you also follow, send more good men."

Without hesitation, Qiu Yang got up and left.

After Qiu Yang left, Du Qingliang took another look at Miss Ma in the corner. Miss Ma also got up and left the conference room quietly.

Du Qingliang was relieved to see Miss Ma leave behind. "By the way, is there any news from green Wolf? Have Jiang Qinghong and a snake found them? Why haven't they brought them back?"

Du Qingliang was obviously a little angry. "Even if a snake didn't find it, he's a member of the armed forces. It's normal that it's hard to find him. But Jiang Qinghong is just an ordinary woman. Did she run

away? "

"Back to President Du, just now brother Qingliang called back and said that Jiang Qinghong had left at noon. Before she left, she transferred all her money and assets. Even her clothing store is closed. "

"Now Brother green Wolf is looking into the whereabouts of Jiang Qinghong to see if he can capture him across regions. As for ah she, there is no news yet. "Pop.

Du Qingliang trembled angrily, "asshole! Tell green Wolf to catch Jiang Qinghong for me at all costs. "

"She even transferred her assets and ran away. It's obvious that she has a share in killing Hu Sanzhi. As long as she's caught, the identity of the enemy will come to light."

"Yes His men trembled and agreed.

Wang fan doesn't know that Du Qingliang is in a rage, let alone that someone has come to the Internet bar. At this time, Wang fan is playing with ningyao double row.

In the past, Wang Fan and Ning Yao solo were both rampaged into dogs, which was unbearable.

Now two people cooperate to play the row, Wang Fan just barely happy.

Although Wang fan is a real master, he is really a rookie in the game.

In the suburb of Baiyin 3, this section knows that Wang Fan has many dishes.

However, Wang fan is very happy now. Anyway, there is Ning Yao, the great God of drilling. He is afraid of it.

While operating the big sword dragon brother, he swaggered on the road, while paying attention to the posts on the Internet. Sometimes, he became a tourist and was very busy.

"Wang Fan, don't send it. If you send it again, I'll beat you." Seeing that Wang Fan always gives his head away, Ning Yao is very angry and twists Wang Fan from time to time.

However, Wang Fan didn't care. While controlling half blood dragon brother to kill man blood nock, he laughed and said,

"what am I afraid of with you? I tell you, you can lose the game, but not the momentum! What's more, with you, it's impossible to lose the game. "

"I tell you, I like to lie down most. I like to eat soft food or win."

Wang Fan laughs very cheap, at this time, his gailong has been killed by a guillotine of nork.

Ning Yao watched this scene, really want to control the hero ran out of the computer, Wang Fan Ko thousands of times. This son of a bitch is so exasperating. Half blood gailong killed xuenuo Ke over the tower. He was looking for death.

Not only Ning Yao is angry with Wang Fan, but even his team members spray Wang Fan, but Wang fan doesn't care about it. He likes to see others unhappy and has nothing to do with himself.

Under the momentum of Ning Yao, he soon turned over the other side and hit the high ground.

My teammates yelled: Goddess Yao, take me to fly.

The opposite teammates cried out: if you had not ADC, you would have been ruined by us.

Wang fan calm response: Yao goddess only take me a person, you don't think. There is no if in the world. If you lose, you lose. If you lie down and win, it's also a skill. Ha ha ha.

When Ning Yao looks at Wang Fan's speech, she wants to kick Wang Fan to death.

This is too cheap.

At this time, Wang Fan's eyes narrowed and saw a few gloomy faced youths come in from the door of the Internet bar.

The two went directly to the front desk, while the others went straight to the machine where Wang Fan had been.

"At last." Wang Fan's eyes lit up.

Chapter 580

Wang Fan took out his mobile phone, sent a text message, pressed a few buttons on the mobile phone, and then continued to play the game with Ning Yao as if nothing had happened.

He almost just finished these, that group of people had already rushed to the original machine where Wang Fan was.

At this time, the machine was empty and there was no one.

The first man looked at the scene with a gloomy face. With a big wave of his hand, he called a beautiful network manager and asked fiercely, "who was playing on this machine just now? Where is the man now?"

Beautiful network manager is also in his early twenties. Looking at the man's fierce expression, he was immediately shocked.

She shivered and said, "I don't know. I don't remember."

She really doesn't know and doesn't remember.

After all, there are so many people in and out of the Internet bar every minute, where can she remember who was in that machine before.

"I don't know?" As soon as the head man's face changed, he slapped on the beautiful network manager's face and said, "as a network manager, you don't know. How do you do network management? Go away

The beautiful network manager was fanned to the ground, covered his face and sobbed.

Heard the man told her to roll, she did not dare to have half a nonsense, quickly left shivering.

At this time, several male network managers in the distance heard the movement, their faces changed and they wanted to come over. After seeing the first man, he immediately dressed up and went to the other side.

Although they are also small gangsters, some contacts, but compared with the Hengyang real estate group, it is not a bit worse, it means to seek death.

A manager like man trotted to this group of people and asked, "brother Tian, why are you here? What happened? Come on, have a cigarette. "

The manager was hired by the Internet bar with high salary to deter some troublemakers or thieves. He also has some contacts in Jiangcheng. He naturally knows these people in Hengyang real estate.

If at ordinary times, brother Tian would certainly give the manager three parts of face, but now, where does he have the mood.

Brother Tian slapped off the cigarette from the manager and said coldly, "smoking, I'm not in the mood."

"You Internet cafes are so awesome that you dare to hack our Hengyang real estate. Is it true that Zhang Dawei thinks that he is good enough to challenge Hengyang real estate? "

Brother Tian was not polite at all. He gave the manager Zhang Dawei a big hat.

He was ordered to look for the black hand. Now that the black hand has not been found, he can't go back to the office, so he plans to put the dung shed on Zhang Dawei's head.

"Brother Tian, how can I say that? Even if I don't have eyes, I dare not black you Hengyang real estate."

Zhang Dawei's face immediately changed and turned pale. "Brother Tian, do you think there is any misunderstanding about this?"

"Misunderstanding? You can go back and explain it to our chairman. " Field elder brother has no good spirit of say.

He has decided that if the two younger brothers who are monitoring at the front desk can't find out the black hand, he will buckle the dung shed to Zhang Dawei's head.

The reason why brother Tian has not taken away Zhang Dawei is that he is waiting for the news of the two brothers.

Zhang Dawei's cold sweat has begun to emerge. He is a little confused.

Hengyang real estate is a huge thing, give him ten heads, he also dare not provoke. If this is really taken back by brother Tian, I'm afraid he won't see the sun tomorrow.

Zhang Dawei didn't dare to ask more, let alone talk nonsense. Instead, he quickly called to ask what happened, and began to find a relationship.

Before he was taken away by brother Tian, he had to find a chance of life, otherwise there would be no way out.

Zhang Dawei soon found out that someone was in the Internet black Hengyang real estate, and the IP display is still in their Internet bar.

Hearing this, Zhang Dawei was immediately dumbfounded. In the end, which is not a long eye thing, dare to do so in his Internet cafe?

He vowed that once the man was found out, he would live like death.

At the same time, Zhang Dawei is also very angry with brother Tian. Who doesn't know that the flow of people in Internet cafes is large, and the people in and out are also very miscellaneous. I'm not sure that the black hand has left on the train now.

In doing so, brother Tian obviously wants him to be Zhang Dawei's substitute.

However, although Zhang Dawei knew this, he did not dare to get angry with brother Tian. He could only attribute his anger to the black hand.

Before long, two subordinates of brother Tian came over. They whispered a few words in brother Tian's ear, and then began to scan.

Soon, two people locked Wang Fan, skill a finger, field elder brother direct rate person to run toward Wang Fan.

Although the corner is a dead corner, but still photographed Wang Fan, just not Ning Yao.

"Ning Yao, later you pretend you don't know me. No matter what happens, don't speak. Remember."

Wang Fan said to Ning Yao quickly, then sat up straight and began to play the game.

It was all in his expectation, so he didn't panic at all.

Ning Yao Leng for a moment, is going to turn to speak, Wang Fan has said again, "don't talk, don't turn, play your game." Ning Yao immediately back to taste, with headphones, began to seriously play the game.

Just, she a heart all lifted up, no longer had previously delicate operation.

Brother Tian quickly went to Wang Fan and motioned to one of his younger brothers. The man immediately rushed to Wang Fan and held out his big hand.

Wang Fan seems to have no sense, was caught a positive, at the same time, the enemy forced a pull, he was directly pulled out, also issued a voice, almost fell.

"Brother, what's the matter? What are you doing?" Wang Fan raised his head, hit a smart, looking at these people, a panic expression.

Brother Tian frowned and interrupted his next move. He looked at Wang Fan and said, "just now you were sitting on the 58th plane?"

He is a little confused, Wang Fan this kind of goods, like the black Hengyang real estate behind the scenes? Like the bull man who killed Hu Sanzhi?

He felt ridiculous.

"Yes, what's the problem?" Wang Fan scared back two steps, some panic said, "is it difficult that the machine is your home, or you preempt?"

"But it's not right. When I went to play just now, the machine was empty and the screen wasn't locked."

Brother Tian's brow wrinkled deeper. He really didn't believe that Wang Fan was the black hand who made the earth shaking event.

But he still couldn't help asking, "how long have you been playing on that machine and why did you change it?"

Wang Fan shook his head, "play how long I don't remember ah, because the machine black screen, I play some uncomfortable, so the replacement."

"Why, can't I change the plane? There should be no such regulation in Internet cafes. Are you black Internet cafes? "

Act stupid.

Brother Tian is even more disappointed.

Wang Fan's goods are not like those behind the scenes.

If you catch such a thing, will boss Qiu Yang believe it? Will Du Qingliang believe it? Maybe the first one will cut him down.

It's not a big mistake not to catch people, but it's too serious to catch people and fool Qiu Yang and Du Qingliang. It's better to catch Zhang Dawei.

Just when brother Tian thought about whether to let Wang Fan go, and then took Zhang Dawei for an operation, one of the younger brothers, who was monitoring, whispered in his ear again.

"Brother Tian, I checked. The time of sending those posts is his time on that computer, which is exactly the same. He is the black hand of posting. "

Brother Tian's face suddenly changed when he heard this, "take it down!"
