

MIGHTY SK 581

Chapter 581

"Who are you and why did you arrest me? Did I break the law or kill someone? Is it difficult for me to catch me when I change the machine? Are you reasonable? "

Wang Fan listened to this, his face was ugly and he cried out.

His eyes were angry, unwilling, unyielding, indignant, helpless and struggling like a nobody.

Wang Fan's voice is not small, instantly startled the surrounding players, those players have taken off the headset, can't help but watch the play.

Some are too close, but also quickly away from the disaster site.

Ning Yao didn't sit there foolishly to play games, but quickly got up and hid in the distance under Wang Fan's eyes.

She knew that in this case, she didn't have any meaning here, she just dragged Wang Fan behind.

A few brave young people also took out their mobile phones and began to shoot. In this era of Internet development, it has almost become a kind of instinct for people to shoot when something happens.

Just they just took out the mobile phone to aim at the scene, the two subordinates of brother Tian had already jumped on it fiercely.

Pop, pop.

They slapped the young man in the face mercilessly, grabbed the mobile phone, trampled it, and kicked the young man over. Then they said fiercely:

"if you have nothing to do, get out of my way. Who dares to take pictures again, I will kill you."

Their threat is bloody. At the same time, they also show their knives.

For a time, everyone was silent, no one dared to shoot, no one dared to talk.

All people subconsciously away from some further, but also some timid, directly left the Internet bar.

Brother Tian saw that no one dared to shoot, so he looked coldly at Wang Fan, "reasonable? When did we make sense of Hengyang real estate

"Since you have the seed to fight against our Hengyang real estate and hide here to blackmail our Hengyang real estate, you should have thought of this end."

"In the next life, remember to have a long eye, don't fight against our Hengyang real estate. "Take it for me, dare to resist, fight directly, as long as you don't kill it."

Brother Tian's eyes were ferocious and his tone was arrogant.

With his orders, several subordinates behind him rushed to Wang Fan quickly again.

Two of them also took out the knives they carried with them, and their eyes were cold and bloodthirsty.

As long as Wang Fan dare to resist, they will absolutely mercilessly poke, white knife in, red knife out.

"Hengyang real estate? Are you from Hengyang real estate? " Wang Fan's face turned pale instantly, followed by a sharp cry, "can Hengyang real estate be lawless?"

"If I break the law, you can call the police and arrest me. What kind of skill are you doing to me now?"

"And those two, what are you doing with knives? Do you want to stab me? Are you underworld? I tell you, this is a legal society, and the law will punish you. "

Wang Fan retreated in horror, shouting slogans.

"There's a lot of rubbish. Go to hell!" One of the young men with a knife listened to this, and was no longer impatient. He rushed to the front two departments, ran to Wang Fan, and stabbed Wang Fan in the thigh with a knife.

"How can you do this, ah, murder, Hengyang real estate murder, Hengyang real estate is a underworld."

Wang Fan screamed strangely, and at the same time, he suddenly kicked out. The young man who stabbed him was thrown out, knocking the two people behind him over and falling to the ground, making a scream.

The knife in his hand had been kicked and he didn't know where it fell. He covered his crotch with both hands and rolled in pain. His face was twisted, but he couldn't get up.

The audience around this scene was a little frightened. They never thought that Wang Fan, who was in a weak position, would have the courage to fight back, and he was so fierce.

Wang Fan didn't care about them. At this time, he quickly took the mobile phone on the table and directly aimed at a group of people.

"dear old fellow gate, ray rabbit, Andy, the soul stirring triad live broadcast has been opened."

"Don't miss it when you pass by. Hengyang real estate hacks people in Internet cafes. It's still live. It's a

rare event in a hundred years."

"feel irritation, brush 666, what aircraft sports car rocket artillery, old fellow, thank old iron support."

"Remember these faces clearly. If you see them later, you must go as far as you can. Don't be cut off."

"of course, if there is a good old fellow iron, we can also give it a hand, and it will kill the people."

Wang Fan grabs the mobile phone and aims at brother Tian. A group of people begin to shout, and even sweep their faces one by one. It's a lot of fun.

The face of Tian Ge and others suddenly turned black.

Nima, live?

"Chop him to death!" Brother Tian couldn't calm down any more and rushed to Wang Fan.

Wang Fan, ah, without hesitation, he turned and ran. He shouted, "old fellow, the rocket guns are on you. I am holding the live broadcast of the small ones." "These people are all from Hengyang real estate. It seems that the leader is brother Tian. We must remember clearly."

"If you don't see me live in the future, please remember that they are the killers."

When people around listen to this, they are all muddled.

When is this special thing? It's still live, right?

Wang fan is already unable to manage so much, he quickly through the crowd, rabbit like toward the outside.

Brother Tian and others are angry, but where can they catch up. There are two unlucky guys who try to block in front of Wang Fan, but before they have time, they are kicked out by Wang Fan.

Wang Fan's speed is very fast. Jumping those computer tables in the middle is like jumping 100 meter obstacles, one by one.

It's a pity that this guy didn't take part in the Olympic Games.

For a time, the whole Internet bar was made of chicken fly dog jump, play guest was scared to run outside.

Brother Tian and other people are very popular. This grandson is very angry. He didn't catch him for such a long time.

Soon, Wang Fan rushed to the door of the Internet bar, at this time, several police quickly ran in.

"Ah, uncle policeman, kill, kill." Wang fan saw the police, eyes a bright, Shua rushed past.

Before they recovered, Wang Fan had already knocked them over, penetrated into the crowd and disappeared.

Wang Fan shuttled for more than ten minutes, went to a dumpling shop, sat down and asked for two plates of dumplings. At the same time, send a text message to Ning Yao, let her go back first, don't worry about yourself.

Two plates of hot dumplings were quickly on the table. Wang fan made some vinegar and ate them slowly, but his eyes were full of fun.

When he ran out of the Internet bar, he knew that he had been followed, and he was still an expert.

In order not to let the innocent people be affected, Wang Fan took a big turn and came to this slightly remote dumpling shop.

Dumplings are filled with pork and scallion, which are very delicious. Wang Fan blew them, one at a time, and soon ate five.

At this time, the door of the snack bar opened and a dozen people poured in.

After they came in, five or six people directly guarded the door, seven or eight people stood in a circle around Wang Fan, and three people stood in front of Wang Fan.

However, although there were three people standing in front of Wang Fan, there was only one sitting down, a woman.

Rattan swallow.

Chapter 582

"Ah, beauty, are you here to pick me up? Ah ah, you really have vision. I'm a famous anchor, earning less than a million a year. "

Wang Fan's eyes are full of light looking at Ma Teng Yan, began to sell themselves, "just right, I don't have a girlfriend now, just want to find one."

"I think you look like the girl named Masada, which is just in line with my taste. In this way, I won't be very lonely in the evening. You must be able to unlock a hundred and eighty postures for me. "

Wang fan is very happy, while saying, but also picked up a dumpling, to the mouth of Matong Yan.

Those fierce men around listening to Wang Fan's words were almost angry.

They surrounded Wang Fan with so many people, but Wang Fan was not afraid at all. He regarded them as the air and molested Ma Teng Yan. It was a provocation.

Qiu Yang, who is standing beside Ma Teng Yan, is trembling with anger. This guy is too arrogant.

"Son of a bitch, please show me respect for Miss Ma and keep your mouth clean." He pointed to Wang Fan's nose and roared.

Had it not been for Ma Teng Yan's saying that Wang Fan was not simple and wanted everything to listen to her, Qiu Yang would have been unable to bear to let people do it.

Pop.

Qiu Yang's words almost just fell, the dumplings in Wang Fan's chopsticks had already flew out and slapped on his face.

"How and to whom? Don't you see I'm communicating with your elder sister, what are you yelling about? "

Wang Fan was very upset and began to teach. He also pointed to the five or six people at the door, "dogs like you should guard at the door like them."

Wang Fan pointed to those people around him again, "look at people, who are barking like you, it's just no rules, shame!"

"Don't worry. When I get well with your elder sister, I'll send you to the gate to be a watchdog."

Wang Fan was so angry that he said that he picked up another dumpling and handed it to Mateng Yan. "I'm sorry, that dumpling was fed to the dog. Here you are."

"I know you like me, that's why I brought so many people here. Aren't you afraid that I won't give you a chance and that I will run away? "

"Don't worry, I won't run. It's my honor to have a girl like you. Come on, eat it. It's filled with pork and scallion. It's delicious. "

Qiu Yang is about to die of anger.

He is the vice president of Hengyang real estate. He does all the black things. In the whole Hengyang real estate, his position is also very high.

But now he is called a dog by Wang Fan, and he has to be a watchdog. How can he not make people

angry?

Other people listen to Wang Fan's words, and then look at Wang Fan's extraordinary appearance, it is a strange feeling.

Everyone can see that this is trouble.

Can Wang Fan say that Ma Teng Yan has a crush on him? Is he afraid that he will run away?

They hardly know whether to be angry or to laugh.

The owner of the dumpling shop, looking at this scene, had already been scared to run to the inner room and did not dare to come out. It was a riot. They didn't want to suffer.

The water in the pot at the door is boiling hot, and the dumplings inside are expected to be rotten, so they dare not fish out.

Qiu Yang is about to vomit blood and is about to get angry. Ma Teng Yan has opened her mouth and slowly bit the dumpling down.

Qiu Yang's words were strangled in his throat and his eyes widened. He couldn't believe this scene.

Ma Teng Yan chewed the dumplings three or two times. Looking at Wang Fan, she said for the first time, "it tastes good."

"Then one more." Without hesitation, Wang Fan picked up another one and handed it over.

"No Ma Teng Yan waved her hand, "it's no problem to be a woman, and it's no problem to unlock your posture. But before that, I want to ask you a few questions. I hope you can answer me honestly. "

"You say, as long as the posture is enough, not to mention a few questions, there are dozens and hundreds, and I will answer them honestly."

Wang Fan unscrupulously said, but also a force curling Ma Teng Yan chest, a pair of expression to drill down.

Ma Teng Yan was a little annoyed by Wang Fan's stare. Her eyes twinkled with cold light, but it was just a flash. "Why do you want to kill Hu Sanzhi, why do you want to black Hengyang real estate?"

Ma Teng Yan was a little frightened at the moment of questioning.

According to her idea, it's the first time to take down Wang Fan after rushing in.

But after seeing Wang Fan, she changed her mind.

Because she can not feel the depth of Wang Fan, want to win Wang Fan, she did not grasp, can only look for opportunities.

At the same time, Ma Teng Yan took out a nail clipper and pretended to be careless to trim her nails.

Wang fan is stare big eyeball, "what kill Hu Sanzhi, what black Hengyang real estate, I don't have."

"Elder sister, I'm a big anchor with an annual salary of less than 10 million. How can I kill people? How can I be black? Do I need to do that? Isn't that digging my own grave?"

Wang Fan was very unhappy, "I have millions of fans, no lack of money, no lack of girls, no lack of cars, why should I kill people? You are slandering me, naked slander. "Qiu Yang is really some can't help, "you just said the annual salary million, how in a twinkling of an eye, annual salary ten million?"

"You are deaf." Wang Fan did not hesitate to accept back, "I said less than a million, less than ten million, what's the problem?"

"What's your annual salary?" Qiu Yang couldn't help but ask a question about the mentally handicapped.

Wang Fan broke his fingers, and after a moment, he said seriously, "about fifty or sixty thousand."

Come on.

Qiu Yang almost spurted blood.

Fifty or sixty thousand?

Damn, but it's true. It's less than a million. It's less than ten million.

The younger brothers couldn't help laughing.

They feel like they've met Toby.

Just at this time, the eyes of Ma Teng Yan brightened and suddenly moved.

The nail clipper in her hand instantly turned into a snake shaped bayonet, whew toward Wang Fan.

Surprise is as fast as lightning.

She is pinching Wang Fan and Qiu Yang dialogue, look relaxed when the hand, she is confident, 80% sure can hurt Wang Fan.

But soon her face changed.

Wang Fan screamed and suddenly grabbed the dumplings on the table and threw them out.

Bang Dang, the snake shaped bayonet flies to one side by the plate, and the plate is torn to pieces. At the same time, the dumpling is also thrown to Mateng Yan.

As soon as the eyelids of Ma Teng Yan trembled, her right arm suddenly swung, whizzing, whizzing, and a series of sounds, at least eight snake shaped bayonets flew out of her sleeve and shot at Wang Fan.

Snake shaped bayonet set off a light curtain in the air and pierced all the dumplings in the air, but the force was not visible, and Wang fanbiao was heading for it.

"Ah, master. Beauty, if you are so violent, you won't have a boyfriend. " With a strange cry, Wang Fan fell back.

The snake bayonet flew directly over his nose and into the wall behind him.

At this time, Wang Fan one foot hook stool leg, a foot has been kicked to the table.

Wow.

The table was kicked over and smashed at Ma Teng Yan.

Ma Teng Yan just a palm, then split the table into four parts, at the same time, the whole person straightened up more and more, feet hard toward Wang Fan step down.

"Murder, murder, you're so violent, NIMA know?" Wang Fan put his hands on the ground and stood on his head.

At the same time, his legs quickly hook and stir the right foot of Ma Teng Yan naked, toward the back.

Fierce and ferocious.

Ma Teng Yan didn't expect Wang Fan to react so quickly and fight back so sharply. Her face suddenly changed.

Seeing that her head was about to hit the wall, she clapped her hands hard on the wall and made a roaring sound. The whole person suddenly turned back. Her right leg raised an arc in mid air and kicked Wang Fan hard!

The speed rips the air and makes a sharp sound explosion.

Chapter 583

Wang Fan just stood up straight body, Ma Teng Yan's leg kicked to come over, he can't help but secretly call this woman's strong.

Facing the sharp leg of Ma Teng Yan, it's too late for Wang Fan to escape. He can only slip slightly and grasp Ma Teng Yan's bare feet with both hands.

Ma Teng Yan looked at Wang Fan's action, and there was a sneer in her eyes.

If Wang Fan could grasp her leg, she would not need to practice. In her eyes, Wang Fan's behavior is to seek death.

With a slap, Wang Fan just grasped the bare foot of the swallow, and felt something bad.

A sense of crisis hit, he did not want to, directly release the leg of Ma Teng Yan, backhand shot out, at the same time the whole person began to retreat.

Hiss.

A loud noise, Wang Fan just released, a snake shaped bayonet from Ma Teng Yan's shoes, stabbed Wang Fan.

Wang Fan's chest was cut and blood was seen immediately.

He called the woman insidious. Fortunately, he let go and stepped back in time. Otherwise, he would be cut open.

But fortunately, although he was hurt to the skin and flesh, but also slapped on the bare feet of Matong swallow.

Ma Teng Yan only felt a huge force coming, and could not help but utter a painful chant. After standing still, she stepped back a few steps, and her right leg began to tremble wildly.

"I'm a snake and scorpion woman with a knife hidden in the sole of my shoes. I'm kind enough to invite you to dinner and feed you dumplings. How can you repay me? "

Wang Fan also stood still in the distance, reached out to wipe the blood from his chest, and said something unpleasantly.

This woman is so mean. She has hidden weapons all over her body. He almost got caught.

"I'm sorry, I'm wrong. May I apologize. You're not badly hurt. Come on, let's show you the wound. "

Ma Teng Yan's face rarely shows a little woman's look and becomes tender and weak. This image is just like the woman who teases a man. The person who looks at it loses his mind.

Her face also appeared an unnatural scarlet, delicate and lustful, eye waves flow, is rippling with the charm of spring.

Looking at this scene, Qiu Yang and the fierce men around him were all crazy, and even a few people couldn't help drooling.

"Flattery?"

Wang Fan also appeared a short trance, but soon woke up.

His heart is very frightened, this Ma Teng Yan is really some too terrible, even this kind of thing can.

He can't help but scold himself secretly. It seems that he is too comfortable and infatuated with the world.

In the past, he would not be absent-minded at all with the help of Ma Teng Yan.

The idea in Wang Fan's mind is fleeting. At this time, the originally delicate Ma Teng Yan has suddenly approached, and a dagger flashed out of his right hand to stab Wang Fan.

Ma Teng Yan's hand is very sharp, the timing is also very good, almost in the moment of Wang Fan's absence, she has shot.

Wang Fan's face was ugly for a while. He had the intention to hold the dagger directly. He could feel the strength of the dagger. Let's just think about it.

Ma Teng Yan is not the strongest person Wang Fan has ever met in his life, but he is definitely the most difficult one with the most means.

Wang Fan retreated in an instant, opened the distance, and at the same time, his right leg flew up like thunder, lifting up a series of leg shadows and sweeping them out.

[illegible]

A series of sounds, Ma Teng Yan was swept back by Wang Fan, his eyes showed horror. The dagger in his hand was kicked to the ground.

"That's what you think of my wound? Play a trick? Flattery? I'm not going to be fooled. " Wang Fan snorted and said with a proud face. The whole person soared into the air and rushed out like a roc spreading its wings.

Bang.

His big foot was imprinted on the chest of Mateng Yan. Mateng Yan spat out a mouthful of blood and was overturned. Several tables were smashed and fell to the ground.

"You didn't win my flattery? How is that possible? " There was a strong disbelief in her eyes, as if she could not accept the scene at all.

"Mei Shu is a ball. Am I the kind of person who is not strong minded? You look down on me. If you want to seduce me, you have to take off the seduction. "

Wang fan is proud of the cold hum, but the action is not stop, continue to attack toward Ma Teng Yan and go.

Matonyan's eyes finally flickered with fear. She suddenly got up and began to fight back.

Wang Fan kicked out eight feet in a row, but Ma Teng Yan stepped back more than ten steps. Her body was full of footprints and her palms were dripping with blood, which made her look indescribably embarrassed.

"Hengyang real estate people? To kill me? But your strength is not enough. Do you still have any coworkers? Let's find them together, so that I can solve them at one time? "

Wang Fan looked at Ma Teng Yan cruelly and finally showed his sharp tusks.

The reason why he did so many things is to see if there are any good people in Hengyang real estate and solve them first. Therefore, Wang Fan now does not need to hide, let alone be polite.

"You" Ma Teng Yan's heart bursts of horror, bursts of suffocation.

She didn't expect Wang Fan to be so powerful. She couldn't help Wang Fan. In particular, Wang Fan's scornful tone made her feel a little suffocated and some wanted to vomit blood. But she has no way, who let her strength is not as good as Wang Fan.

"I don't want you. Do you have any cards left? If not, you will be finished today." Wang Fan's tone became abusive.

Ma Teng Yan's face changed. She suddenly overturned a table and smashed it at Wang Fan. Then she yelled at Qiu Yang and others, "go up together and take him down!"

When Qiu Yang and others heard this, they were stunned. Then they rushed to kill Wang Fan.

The people who smoke guns and the people who hold knives are murderous and the scene becomes

chaotic.

"Damn it, you can't fight alone, you can't fight in groups? Shameless

Wang Fan yelled angrily and ran directly to the boiling dumpling soup. As soon as the spoon was pulled, a large piece of boiling dumpling soup splattered out.

It's boiling hot soup. What's the concept of pouring it on the body and face?

Those who rushed in front didn't even touch the corner of Wang Fan's clothes, so they covered their faces and screamed, jumped up and down and bungee jumping.

"Gang fighting? Who cares? Come on, come on. If you don't come, I'll look down on you. "

Wang Fan yelled wildly, constantly holding a spoon to pull the soup out, more than a dozen people Leng was scalded without temper.

They wanted to scold Wang Fan for being shameless, but they didn't want to scold Wang fan when they thought that so many people were besieging him.

Hold back.

"Kill him, kill him!" Qiu Yang hid behind the crowd, hiding the soup and yelling at Wang Fan.

Wang Fan's eyes glared and threw the spoon out directly.

With a local sound, the spoon hit Qiu Yang on the forehead, and Qiu Yang was smashed to the ground.

"Kill me? You deserve it, too? " Wang Fan curled his lips and disdained.

"He doesn't have a spoon. Fuck him!" Several men who didn't lose their fighting power saw that Wang Fan had thrown away the spoon. Their eyes were bright and they rushed to Wang Fan in anger.

At this time, Wang Fan has a kick in the pot.

Wow.

The big pot with a diameter of two meters was directly kicked out, and the boiling hot soup was poured down. The young people who yelled the most fiercely turned into drowned chickens.

First they were in a panic, and then they screamed.

Chapter 584

"You are all pigs, guns, guns, hit him, kill him!" Qiu Yang looked at the scene and cried out again.

It's a joke that so many people, together with Ma Teng Yan, can't win just one Wang Fan.

He Hengyang real estate for so many years, or the first time encountered such a thing.

After hearing Qiu Yang's words, the young people came back to their senses. Except for a few fierce men who were severely scalded and tumbled on the ground, all the other fierce men who had no guns in their hands flashed to one side and gave way.

The two armed men at the back looked at the scene and without hesitation raised their guns and pulled the trigger directly.

Their looks are very ferocious, and they are thinking that Wang fan should die. No matter how powerful Wang fan is, he can't have a bullet.

In the past, they didn't dare to shoot because they were afraid of hurting their companions because they rushed in front of them. Now when they let their companions go, they naturally have no scruples.

Come on.

The sound of the gun resounded through the hearts of the people.

But their faces soon changed, and Wang Fan had disappeared in front of them. When they blinked again, Wang Fan had come to them like lightning.

"Playing with guns? Hit me? What strength do you have? " Wang Fan sneered and hummed. He grabbed one person's wrist, twisted it hard, and then pounced twice.

Two shooting men were shot in the thigh, red blood shot out, fell to the ground, issued a howl.

"Son of a bitch!" Qiu Yang yelled angrily. He yelled and put his hand into his pocket. It was only when he yelled three words that Wang Fan had already grabbed his gun and pulled the trigger on him.

Come on, come on.

Qiu Yang's legs were directly hit, the whole person fell to the ground powerlessly.

Click.

At the same time, a gun fell out of his hand.

Looking at this scene, all the people are silly, only feel the chill.

Wang fan is really terrible. So many people, together with Ma Teng Yan and the shooter, were beaten by Wang Fan without any temper.

What a pervert is this?

They already have the intention to retreat.

Just don't wait for them to retreat, Wang Fan has turned the muzzle again, mercilessly fired a few shots.

In addition to Wang Fan and Ma Teng Yan, one of the people present was counted as one. All of them were shot in their thighs and fell to the ground.

Blood does not need money to spray out, dyed the whole ground red.

Click.

When Ma Teng Yan saw the bad situation, she pushed her right foot, and the whole person jumped up crazily, smashed the doors and windows, and ran out.

She knows that today's mission has failed, and if she stays on, she will become Wang Fan's hostage.

Wang Fan looks at Ma Teng Yan who runs away. There is a flash of abuse in her eyes. She shoots several guns at the place where she runs away, but she doesn't go after her.

He heard a dull hum in the distance, followed by a distant sound of footsteps.

"Knife, gun, stick, stick, all of them. I can definitely announce that you are finished. You are going to spend the rest of your life in prison. "

Wang Fan removed the fingerprints of the gun, threw the gun in Qiu Yang's hand, and then snapped several close ups of the scene.

After all this, Wang Fan swaggered out and disappeared into the night.

Qiu Yang is furious and wants to call for help, but he finds his cell phone broken.

He asked his subordinates, but none of their mobile phones worked.

Qiu Yang had the heart to die. He said that every day should not, and that the earth was not working.

He wanted to run away with his subordinates, but he was shot in both legs, but he couldn't stand up at all.

There was a gunfight here, which naturally attracted the attention of countless people.

It wasn't long before the police arrived.

Looking at the scene of the tragedy, looking at Qiu Yang and others in the hands of the sword, gun and stick, directly ordered to take away.

Another hour later, Qiu Yang and others armed posts, and then exposed in the forum, with clear photos.

This post once again caused a sensation, and the whole Jiangcheng was boiling.

Hengyang real estate.

Du Qingliang has held an emergency meeting for the third time.

On weekdays, Hengyang real estate can not hold an emergency meeting in a month. But recently, it was held three times in less than two days, which is an unprecedented thing.

But Du Qingliang had no choice. This time things were a little serious.

Qiu Yang and others were caught is a small matter, gun was caught is not a big thing, can be poked to the Internet, this can be a big thing.

The high-level officials below are also dignified, and no one dares to speak.

They have also realized that this time the enemy is very cunning, very powerful, very difficult to provoke, a bad, I'm afraid Hengyang real estate will end.

"I think everyone knows why I held the meeting. Just now came the news that vice president Qiu and others were arrested, that is to say, our action failed. "

"The enemy is far more cunning than I expected. I didn't expect that vice president Qiu and Miss Ma would all fail. From this we can see that the enemy is difficult to deal with. "Du Qingliang has no previous high spirited, some are just deeply decadent, "I just want to ask you this emergency meeting, what should we do now? How to deal with Vice President Qiu? "

"Over the years, vice president Qiu has done so much for us, but he knows too much. Once poked out, it is not Hengyang real estate bankruptcy, we lose our lives. I'm afraid even our whole family will be blamed by them. "

Du Qingliang was really scared.

Although he is the chairman of Hengyang real estate, he only works for others. There is a BOS behind him.

To put it bluntly, he is just a puppet, a knife in other people's hands, and a tool to make money.

Hengyang real estate is an empire built by BOS. Once it's over, it's absolutely hard for Du Qingliang to please him. His life loss is the lightest.

"So far, Mr. Du, we have to report and ask for instructions. The strength of the enemy is beyond our expectation, and we are not able to deal with it at all. "

"What's more, vice president Qiu has to deal with it as soon as possible. If he can't bear the pressure, he will poke it out. At that time, even if you ask for instructions, it will be difficult to recover. "

One of them said with a stiff head.

He had a feeling of being miserable.

A few days ago, they Hengyang real estate also high spirited, is the whole Jiangcheng underground leader.

It's only a few days since I was forced to die. I should say that life is like a play.

What's more ridiculous is that even if they have been forced to die, they still don't know who is behind the scenes and who is dealing with them.

Think about it all makes people choke, choke out.

"What do you mean?" Du Qingliang looked at the others.

Those people's short silence, all sigh, agree to ask above.

Du Qingliang can only see this.

If you ask for instructions above, it means that you have to be punished and pay the price.

But now, he really has no way.

Originally, Du Qingliang expected people to come up with some tricks, but now it seems that he can't count on them.

Wang Fan didn't know that Du Qingliang held an emergency meeting again. After he changed his clothes, he went back to the hotel.

Ning Yao is still waiting for him. He doesn't want to worry about Ning Yao.

As for Ma Teng Yan, Wang Fan did not pay attention.

Ma Teng Yan was shot twice by him and hurt her meridians. She can't live long.

Chapter 585

When Wang Fan returned to the hotel, Ning Yao was sitting on the sofa watching TV, but everyone could see that she was absent-minded.

"You're back?" Seeing that Wang Fan came back, Ning Yao stood up directly from the sofa and quickly welcomed him, "are you ok? I'm worried."

"Cut, what can I do, a group of cats, wild dogs, grasshoppers, what can I do?" Wang Fan holds Ning Yao's fragrant body in his arms and says with disdain.

He said that with a purpose, that is to let Ning Yao not be so nervous and worried.

"Just blow it. You are so powerful that I can't clean up your teeth?" Sure enough, listening to this, Ning Yao relaxed a lot, not angry said.

With these words, Ning Yao can't help laughing, obviously thinking of playing games in the Internet bar, Wang Fan was her rampant scene.

Wang Fan some depressed, "you also in the game fierce, out of the game, is not I clean up?"

This woman really is, which pot does not open to mention which pot, just see Ning Yao is not so worried and nervous, he is also quite at ease.

"Who will take care of who? See how I deal with you. " Ning Yao said angrily and pushed Wang Fan down on the bed.

It's another stormy night.

However, this night is very beautiful for Wang Fan, but it's not so beautiful for Mateng Yan.

Her left rib and buttock each in a shot, plus Wang Fan hit out of the internal injury, can be said to be miserable to the extreme.

But for her strong willpower, I'm afraid she would not have been able to survive.

Ma Teng Yan did not return to Hengyang real estate, nor to his residence, but robbed a car and drove to the remote suburbs.

Although Ma Teng Yan was seriously injured, there was no problem in cleaning up an ordinary driver.

After more than an hour of ups and downs, Ma Teng Yan finally came to one of the humble villas.

Villa seems empty and lonely, but when Ma Teng Yan is near the door, a shadow suddenly jumps out.

"Who?" The appearance of the shadow was silent, and the voice was extremely cold.

"Ma Teng Yan, please see Miss." Ma Teng Yan forbore the sting and said respectfully.

Dark shadow reported a, not long after, there are two women out, the injured Ma Teng Yan into the villa.

Sitting on the sofa in the living room of the villa was a woman who could not see her age.

The reason why she can't tell her age is that she seems to be only 20 years old just by her appearance. But her mature body, which could not be more mature, seemed to be thirty years old. If you look at her that vicissitudes of life in the eyes, like forty years old.

But no matter how old a woman is, there is no doubt about her demeanor.

She has a beautiful face, a pair of charming eyes, and a hot body that can make everyone crazy. She is just like Daji.

The woman sits on the sofa, her legs overlap, and her skirt is white and greasy, but there is no man in the villa, which is destined to be appreciated by no one.

Behind her, there are two beautiful women. They look down slightly and do not squint. Occasionally, when they look at the scenery under the neckline, their eyes will become hot.

This does not see the age of women, even women are for her heart, can imagine, if there are men here, how crazy it will be?

"Miss, I'll see you, Mr. Mato." After entering, regardless of the pain, she immediately crawled on the ground and knelt down to salute.

"Ma Teng Yan, don't you protect Du Qingliang in Hengyang real estate? How can you become like this? Are there people you can't provoke in Jiangcheng?"

The woman opens her mouth leisurely, her voice is clear and crisp, but it reveals coldness.

"My subordinates are not talented. They really meet experts." Ma Teng Yan gritted her teeth, forced to endure the stabbing pain, and quickly told the story.

The woman's eyes brightened, and finally had a three-point spirit, "does Jiangcheng still have such a powerful role? According to you, I'm afraid they all have innate strength? "

The woman said the truth, and then the tone became uncomfortable, "this Du Qingliang is really not enough, more than defeat."

"I have already reminded him to be cautious and not to be too arrogant. He just doesn't listen. Now it's all right. Is it a tough role? Rubbish. It's rubbish. "

Ma Teng Yan didn't speak, just lowered her head.

She is just a young lady arranged to protect Du Qingliang. To put it bluntly, she is a bodyguard. But her bodyguard is different from other bodyguards. Du Qingliang wants to give her face and respect her.

How does Du Qingliang do things? She is arrogant. She has no way or authority to intervene.

"It seems that Hu Sanzhi is responsible for most of this. It's not enough for success, but more for failure. Thanks to his death, even if he does not die, I will send him on the road. "

"I think Du Qingliang has gone too smoothly these years. He thinks he is the boss. If it wasn't for his ability to make money for us, I would have abandoned him. "

The woman said coldly, and suddenly looked at Ma Teng Yan, "since you have met the enemy, you must have seen the enemy? Give me a picture of him and I'll see what's sacred. "Ma Teng Yan didn't dare to talk nonsense. After waiting for a pen and paper, he began to draw. Before long, Wang Fan's appearance appeared on the paper.

If Wang Fan knew that Ma Teng Yan had such means, he would not let her come back.

A woman with excellent skill, a master of knife playing, even has talent in painting, which can be regarded as a genius.

The woman casually took the portrait, but after seeing Wang Fan clearly, her eyes suddenly condensed.

"Wang Fan!"

Her heart set off a storm, she never thought, Wang Fan will appear in Jiangcheng.

Some time ago, it was no secret that Wang Fan killed six congenital talents in Jinzhou.

She Pei Qingcheng as a dream Pavilion, or as a dream pavilion installed in the high-rise Jiangcheng, how can not know Wang Fan?

Looking at the portrait of Wang Fan, she was surprised, happy and angry.

She was surprised that Wang Fan came to Jiangcheng, which she never thought of.

She is glad that this is an opportunity. If she can kill Wang Fan, who is afraid of even the leader of the pavilion, her position in the dream Pavilion will soar.

She is angry, Wang Fan even reached out to Hengyang real estate.

What does Wang Fan want to do? Does he want to fight against Yuanmeng Pavilion and uproot all the money collecting consortia around it?

Wang Fan has just destroyed the Yuanmeng Pavilion in Jinzhou. Now he turns to Jiangcheng to engage in Hengyang real estate. Pei Qingcheng is not sure whether it is caused by Hu Sanzhi's arrogance or Wang Fan's coming to Hengyang real estate.

Pei Qingcheng's breath became rapid and could not be calm for a long time.

She has been thinking about whether to report it to the higher authorities or hide it from them to see if she can kill Wang Fan.

It was noon the next day when Wang Fan woke up. He ate something and left the hotel.

Foreplay has done enough, he plans to go to Hengyang real estate.

Hengyang real estate has done so many bad things, Wang Fan as a "victim", to seek justice also said in the past.

There are so many Hengyang real estate shady scenes on the Internet, even if it is exposed, Wang Fan, the victim, will not be criticized by the public.

Chapter 586

Hengyang real estate is located in the center of the city. The 66 story high-rise buildings stand tall and towering. From a distance, it looks very tall.

Wang Fan looked up at the high-rise buildings of Hengyang real estate, secretly scolded the big black hearted dog, and then swaggered past.

Wang Fan just walked to the gate of Hengyang real estate. Before he could get in, a woman ran out of Hengyang real estate in a hurry.

The woman ran very fast, but she kept her head down. Before Wang Fan could react, she bumped into Wang Fan, and then she let out a scream and fell to the ground.

Wang Fan frowned and was about to help the woman up. The woman had already kneaded her hips and stood up.

"Sorry, I didn't mean it. I didn't mean it." The woman said flustered, and then planned to run again.

Only after two steps, she fell to the ground again and covered her right foot with pain. Obviously, her previous fall caused her to twist her foot.

"Are you ok? Do you want to go to the hospital?" Wang Fan stepped forward and helped the woman up.

Although the previous collision had little to do with him, it was the woman who was injured now. In addition, the woman had a good attitude and knew to apologize first, so Wang Fan didn't mind helping him.

Looking closely, Wang fancai found that this is a beautiful woman.

Her face, simply can not be described in words, the United States can not square things.

Delicate appearance, no powder, skin blowing can break, tender like running water.

In particular, her eyes, as if speaking in general, do not need to deliberately express, a casual look, as if in the discharge.

If you put it in ancient times, it would be a proper peerless creature. It would cause more bloodshed if it flattered the disaster.

"I'm fine, thank you. I'm leaving." When a woman is helped up by Wang Fan, her pretty face is flushed with shyness, just like the first close contact with a man.

As she lowered her head and said shyly, she broke away from Wang Fan and was about to leave.

Wang Fan also did not insist, very naturally released the woman. He is not an obnoxious person. If he persists, maybe the shy woman will treat him as a hooligan.

What's more, Wang Fan came to Hengyang real estate to make trouble, and he didn't want to have too much contact with this woman, so as not to involve other people.

"Miss Pei, Miss Pei, don't worry. Let's have a meal together. I'm really sincere."

Another voice came, a young man with two doglegs quickly ran out, the young man is still shouting at the woman.

When the woman heard the voice of the young man, her face became more alarmed and she could not help quickening her pace. But as soon as the pace quickened, I couldn't help but fall to the ground again.

Wang Fan some speechless, hastened to step forward two steps, one helped the woman, lest the woman knock again.

"Thank you, thank you." The woman blushed again, lowered her head and looked at Wang Fan gratefully.

But this time, she did not struggle, but grasped Wang Fan's arm and hid behind him. Obviously, she was afraid of the people who came out.

Wang Fan did not speak, but looked at the three young people who ran out.

He is speechless. He dares to run after a woman in the daytime. No matter whether the woman is an employee of Hengyang real estate or not, Hengyang real estate is very good.

At the same time, Wang fan is also guessing the identity of the youth.

"Damn, what are you looking at? Let go of your paws, or I'll cut off your hand."

The young man ran to Wang Fan's side, and without saying a word, he just scolded, "even the women who are less interested in dare to touch, do you want to die?"

Looking at Wang Fan's arm around the woman, the young man was angry. Especially when he saw that Miss Pei grabbed Wang Fan's arm urgently and put her whole body on Wang Fan's body, let alone her anger.

He felt that his anger could burn out the whole ocean.

Wang Fan listened to the young man's words and couldn't help laughing.

This Hengyang real estate is really too much, I didn't say anything, I didn't do anything, so I quarreled to interrupt my hand. If this fuckin 'offends them directly, isn't it a dead end?

Wang fan is going to sneer, saying that Lao Tzu is touching this woman, what's the matter? If you interrupt Lao Tzu's hand to have a look, the woman has already released Wang Fan in fright, and looks at the young man in panic.

"Du Shao, I'm sorry, I'm sorry, it has nothing to do with him. I'll accompany you to dinner, and please don't embarrass him."

The woman quickly exonerated Wang Fan, as if in order not to implicate Wang Fan, but also deliberately opened a few steps away from Wang Fan.

"Since Miss Pei has said that, I still want to give her this face." The young man named Du Shao's face softened, and then he looked coldly at Wang Fan,

"go away, it's nothing to do with you. You're lucky this time. For Miss Pei's sake, I won't interrupt you. Next time, I'll give you some eyes, and then I'll dare to offend Ben Shao and step on you every

minute."Du Shao arrogantly finish saying, full face excited to go to miss Pei.

Obviously, this son of a bitch has a crush on Miss Pei. The greed and desire in his eyes can be seen by everyone.

Miss Pei may be afraid of Du Shao. When she saw Du Shao coming, she stepped back two steps and then began to show her teeth.

Her right foot was trembling, obviously painful.

Du Shao looked at this scene, his face immediately changed, "Miss Pei, what's the matter with you? Are you ok? Did you just sprain your feet?"

He said with concern on his face, and then looked at Wang Fan fiercely, "son of a bitch, is that Miss Pei you hit? It seems that you can't do without me today. "

"You two, break his arms and legs and throw them into the street. Damn it, the woman who dares to touch me in Hengyang is just looking for death. "

Du Shao said arrogantly, the two doglegs around him had rushed to Wang Fan, murderous.

Miss Pei looked at the scene, her face changed greatly, and rushed to Wang Fan. At the same time, she said, "Du Shao, it's none of his business. Please forgive him."

At this time, two doglegs have rushed to Wang Fan's side. One of them said with a laugh, "roll over to me." then he directly reached out his big hand and grabbed Wang fan like an eagle catching a chicken.

In his eyes, clean up Wang Fan such goods, two can be done, if Wang Fan obediently caught by him, he will directly interrupt Wang Fan's arms and legs.

If Wang Fan dares to hide or resist, he will directly slap Wang Fan with his backhand, and then give him a beating, and then break his arm and leg.

Wang Fan looked at the scene with a disdainful smile, pulled Miss Pei behind her, grabbed the young man's arm and turned her back.

The young man didn't expect that Wang Fan would dare to fight back and move so fast. When he reacted, he was already pulled by Wang Fan and twisted his arm behind his back. He also turned his back to Wang Fan.

Maybe it was Wang Fan who was too hard. There was a click on his arm. The young man frowned and his hair gave a painful hum.

Wang Fan did not give him time to react, and then kicked out.

With a bang, the young man directly bumped into the companion. With a strong force, they fell to the ground and rolled, hugging each other. They both screamed. People who didn't know it thought they were lingering on the ground.

"Is it naive of you to want to break my arms and legs? This time it's just a lesson. If you dare to touch me next time, I'll send you directly to God. "

Wang Fan said disdainfully, looking at Du Shao, "Du Shao? Which Du Shao? Du Qingliang's son? By the way, Du Shao, they didn't work hard and didn't break my arms and legs. Do you want to come in person? "

Du Shao's face was dull when he heard this. Miss Pei, hiding behind Wang Fan, was secretly relieved.

Chapter 587

"Miss, how dare you hit my people? Do you know who I am? This is the gate of Hengyang real estate. Believe it or not, I can call out a hundred and eighty fierce men to kill you with one phone call? "

For a short time, Du Shao came back to himself and yelled at Wang Fan angrily. He did not expect that Wang fan should be so superior, easily put down his dogleg.

He secretly regretted that he was too eager to chase Miss Pei. He didn't have time to inform the bodyguard. He only brought two useless guys.

"Look at this, Du Shao doesn't dare to come up and break my arms and legs. Why bother to call people? What a waste of phone bills. "

"You don't need to call someone. I'll go in with you right now. Don't worry. I'll never run. I'm waiting for a hundred and eighty men to topple me."

Wang fan does not care about a smile, said leisurely.

"Son of a bitch, you have seed! If I let you leave Hengyang real estate alive, I'll be raised by you. "

"If you really have seed, come in with me. If you dare to run, I promise to kill you. I will kill not only you, but also the woman behind you

Du Yang said maliciously and turned to Hengyang real estate.

Wang Fan's eyes twinkled with a cold light and followed him slowly.

"Big brother, forget it. He is the only son of Du Qingliang, chairman of Hengyang real estate. He is the prince of Hengyang real estate. You can't play with him."

Miss Pei saw that Wang Fan really wanted to go in. Her eyes were bright, but she made an appearance of concern and advised.

Wang Fan didn't notice Miss Pei's eyes. He thought that women really cared about him. He didn't care about the waving, "you don't have to worry, just Hengyang real estate, I haven't put in the eye."

"In broad daylight, they dare to tease you, and threaten to break my arms and legs. If I don't give them some color, they think they are useless."

"What's more, I was going to make trouble in Hengyang real estate today, and you gave me a fair excuse. I've taken advantage of you. I'll tell you I'm sorry first. "

"Next, you don't have to go in with me. Don't worry. After today, there will be no more Du Yang in the world, and you won't be in danger."

Wang Fan said, while not slow to follow Du Yang.

Du Yang was almost angry when he heard this.

After today, there will be no more Du Yang in the world? What a big tone!

He really wants to see, later into Hengyang real estate, Wang Fan what courage to kill him, what ability to kill him.

Just at this time, he can only bear to be angry again. Before he is not safe, he dare not provoke Wang Fan, a madman.

Du Yang thought of these things in his heart, and he wanted to listen to the conversation between Wang Fan and miss Pei to see if Miss Pei would follow in, so he unconsciously slowed down.

In his heart, he still hoped Miss Pei would follow in. In this way, he would clean up Wang Fan and then miss Pei.

Isn't Wang Fan going to stand up for Miss Pei? He will insult Miss Pei in front of Wang Fan later. He wants to see how arrogant Wang Fan was at that time.

This is also the most effective way of revenge and face beating that he can think of at present.

"No, I'll follow you in. I don't care whether you come to Hengyang real estate or not. No matter what grudge you have with them, I'll go in. "

"Because you offended Du Yang today because of me. I can't watch you go in alone. In that case, if you have something to do, I won't be at ease in my life."

"I want to follow you, to live with you, to die with you. I don't believe it. Hengyang real estate can cover the sky with one hand. There is no royal law in the world."

When Miss Pei heard Wang Fan's words, she was stunned at first, and then limped to catch up with Wang Fan, with a firm face.

Du Yang listened to this, a joy in the heart.

Miss Pei is really on her way. Did she hear his voice? But it's just what he wants. If Miss Pei doesn't follow in, even if he cleans up Wang Fan, it's not very interesting.

Wang Fan's face immediately changed when he heard this. His heart was moved at first, and then he felt something was wrong.

Looking back on all the things before, he suddenly remembered that although the woman had been showing great panic, she was actually very calm. At least her heart rate had been very stable.

Even when Wang Fan overturned Du Yang's two doglegs, Miss Pei's heartbeat didn't fluctuate much.

Wang Fan shuddered. He realized that Miss Pei was an unusual woman, and most of them approached her on purpose.

However, if Miss Pei has been acting all the time, Du Yang should be acting.

But Wang fan saw Du Yang's expression, but it was a real expression, without any water of acting.

Wang Fan suddenly had a headache, but he was a little wary of Miss Pei. He didn't know what the purpose of this woman was. "Well, then you can come along." Wang Fan did not continue to refuse, but pretended helplessly nodded, "I believe, I protect you, Hengyang real estate can not help you."

"Well." Miss Pei listens to this words, in the eyes obviously twinkles a touch of surprise, quickly followed Wang Fan behind.

Although the surprise in her eyes was only fleeting, Wang Fan caught it, and he was more sure of his guess.

Most of the women have problems.

In front of Du Yang heard Wang Fan promise Miss Pei to follow in, can't help looking back, the corner of his mouth across a smile.

Wang Fan caught the smile, his face was cold, and he didn't hesitate to step, "if you want to lead the way, you can lead the way. What's the smile. Procrastinating, do you want to die? "

Du Yang was kicked a stagger, almost hit the door, fortunately in time to stabilize the pace.

His eyes twinkled with malice, and he was even more resentful of Wang Fan.

You son of a bitch, wait for me. I'll write down this one first. I'll give it back to you a hundred times later!

Du Yang indignant thought, directly with Wang Fan two people into the hall.

There are only four real estate thugs in Hengyang in the hall. Those thugs want to come, but they are stopped by Du Yang's eyes.

Du Yang felt that these four people couldn't do Wang Fan, so he didn't ask them to help out and humiliate himself.

He plans to take Wang Fan to the 25th floor, where is Hengyang real estate thugs concentration camp, as long as there, Wang fan is fish, let him butcher.

Three people quickly enter the elevator, Wang Fan standing in the middle, Du Yang Pei on both sides of the sub station.

Maybe she was afraid of Du Yang. Miss Pei was close to Wang Fan. They were very close.

In her eyes with her head down, she flashed cold for several times. She wanted to do it, but eventually she was suppressed.

I don't know why, she always feels that she won't succeed, and once she fails, her end will be miserable. There's only one chance. Miss Pei doesn't dare to gamble.

Du Yang looked at the intimacy of the two people, and he didn't know what he was thinking. His face was uncertain, and his eyes flashed cold from time to time.

With the rise of the elevator, more and more close to the 25th floor, Du Yang is also more and more relaxed, to the end, said the upper is unscrupulous.

That look at Wang Fan's eyes, it is equivalent to looking at a dead man, killing intention no longer hide.

Wang Fan looked at this scene, the corner of his mouth across a sneer, directly at Du Yang's face is a dozen slaps.

"Du Shao, put away your disgusting eyes. It makes me very unhappy. If you dare to look at me like this next time, I'll dig your eyes directly."

If there is no miss Pei this accident, Wang fan may not bother with Du Yang. But now, Wang Fan was in a bad mood. Du Yang looked at him like a dead man. It's strange that he could hold back.

Du Yang was directly pulled out more than ten teeth, and his face became red and swollen. If he hadn't been leaning against the elevator, I'm afraid he would have been fanned to the ground.

His heart emerged endless anger, Wang Fan unexpectedly just because of his eyes, mercilessly gave him a dozen slaps, will it be too arrogant?

He vowed that if Wang Fan left Hengyang real estate alive today, he would not be surnamed Du.

Chapter 588

Although Du Yang was angry, he didn't dare to say a word again, and even didn't dare to look at Wang Fan again.

One is that he can't provoke Wang Fan now, and provocation is self humiliation. The other is that he should let Wang Fan be proud first, and then settle accounts with Wang Fan later.

Now the harder Wang Fan offends him, the fiercer his revenge will be later.

Miss Pei was also frightened by Wang Fan's behavior. From contacting Wang Fan, she once thought that Wang Fan was a good talker. Now it seems that this is not a good talker. It's just too cruel.

Although Du Yang's eyes did make her feel uncomfortable, but Wang Fan's is more than ten slaps, or some too cruel.

Wang Fan didn't pay attention to their thoughts. The reason why he slapped Du Yang more than ten times was that he was warning Miss Pei.

Once miss Pei dares to do something wrong, don't blame Wang Fan for his impoliteness.

The elevator soon reached the 25th floor, the elevator door opened, Du Yang could no longer resist the pressure, quickly ran out.

Wang fan is also lazy to pay attention to, and follows behind.

He knows that Du Yang brings him here, which means that this is Hengyang real estate thug concentration camp, but Wang Fan has nothing to be afraid of.

He is to look for trouble, first take Hengyang real estate thugs out gas also nothing.

Hengyang real estate has done so many shady activities, none of these thugs are clean, so Wang Fan will not be soft handed if he starts later.

"Who are you? Why are you here? Get out of here, or I'll cut you off and feed the dog."

Du Yang just entered one of the rooms, a rude voice came out, followed by a slap.

Du Yang's whole body was fanned out and hit the wall with blood on his head.

His grief and indignation ah, he is the little owner of Hengyang real estate, in Hengyang real estate is the same character as the prince.

In Hengyang real estate gate was Wang Fan beat even if, Wang fan is an outsider, he can't stir up, there is no way.

But now, he was beaten by the thugs in Hengyang real estate. How can he bear it?

Just Du Yang again angry, this time also can't get angry, because the hand is the thug head silly tiger.

Once he gets into trouble with silly tiger, he will let Wang Fan see the joke. What's more, he needs these people to help him deal with Wang Fan.

Of course, Du Yang does not pursue the responsibility of silly Tiger now, but it does not mean he is not angry. He can't help roaring, "I'm Du Yang. Why do you beat me?"

"Du Yang? Which Du Yang Silly tiger muttered and soon recovered, "are you du Shao? It's just, how did you become like this? "

"Sorry, I didn't recognize it just now. Don't be angry, Du Shao. Who beat you, you tell me, I silly tiger for you

Silly tiger back to God, quickly came forward to help Du Yang, a burst of sweat in the heart.

Du Yang was beaten into a pig head and rushed into the training room. He really didn't recognize it, otherwise he wouldn't do it directly.

Of course, from silly tiger's hand also reflected from the side, Hengyang real estate hitters is how arrogant.

Silly tiger doesn't look very old. He is about thirty years old. His muscles are very developed, and he is wild.

This guy just looks at his face and figure, and he knows that he is not a good provoker. He stands there as if he is really a tiger, and his whole body is full of ferocity.

"I beat Du Yang. If you want to vent your anger on him, just go to me. If there's any way to do it, I'll do it."
"

Before Du Yang spoke, Wang Fan's voice came out. He looked at the silly tiger, calm expression, tone is

very arrogant.

"Son of a bitch, you're dead! Brother silly tiger, if he beat me or beat me at the gate of Hengyang real estate, you must be angry for me. "

"I'm going to waste his hands and feet, and then in front of him, on the woman behind him. I want to let him know that offending Du Yang is his lifelong nightmare. "

"I want him not to leave Hengyang real estate. I want him to regret offending me. I want him to live worse than death!"

Du Yang pointed at Wang Fan and screamed.

The hatred was not disguised at all.

Compared with Du Yang's anger and resentment, silly tiger did not act immediately, but suddenly looked at Wang Fan.

Others call him silly tiger, but he is not stupid at all.

From Wang Fan's daring to fight Du Yang, to follow Du Yang here, and to say the arrogant words, silly tiger has already known that Wang Fan must have a basis, and it must not be as simple as it seems.

Although silly tiger did not see where Wang fan is not simple, he even believes that he can easily put down Wang Fan, but still no impulse to start for Du Yang.

He was afraid of capsizing in the gutter.

"Is it you who beat Du Shao? What a brave man! I tell you, no matter who you are, no matter what your background or identity, you are finished today. ""Offended Du Shao, offended our Hengyang real estate, you're dead, you can't walk out here safely."

Silly tiger said, helped Du yang to stand up. At the same time, his thunder like voice also alerted the other thugs that day. Hula, dozens of thugs came out of the next few rooms.

"Brother Hu, what's the matter? Who offended Du Shao? Who made you so angry?" After the thugs came out, they immediately gathered around and couldn't help asking.

Soon, someone saw Wang Fan and miss Pei.

Wang Fan even if, they looked at a no longer pay attention to, line of sight blink does not blink stare at Miss Pei body.

"Wow, what a beautiful girl. She's so fresh and delicious. Tiger brother, is it because you are not

responsible after you have harmed others that they come to you? "

"Brother tiger, this is your fault. I think this girl is very good. Why don't you just say no. If I had such a woman, it would be worth dying. "

"Yes, tiger brother, even if you don't want it, you can give it to your brothers for fun. I think this girl can unlock 180 postures."

These thugs can see that Wang Fan and Miss Pei are the people who make Silly Tiger unhappy, so they are not half polite and foul.

Their eyes are even more naked, staring at Miss Pei, full of green light, almost immediately rushed up to pick Miss Pei clean.

"Brothers, I'm Du Yang. It's this son of a bitch who beat me. As long as you help me get rid of him, this woman, you can play."

Du Yang saw so many people appear, more confident, angry pointed at Wang Fan, ferocious said.

"What? How dare you beat Du Shao? Are you looking for death? "

"Don't worry, Du Shao. It's all up to us. We won't let the two dogs leave our Hengyang real estate."

"It's the opposite. If you dare to beat Du Shao, I want him to go out horizontally."

The thugs were filled with indignation, pointing at Wang Fan and shouting, but their eyes were full of excitement.

Du Yang said that if the woman gave them play, she would certainly give them play. They can't wait to think of such a beautiful woman.

Silly Tiger calmly looking at this scene, did not speak, for a moment, as if nothing happened to him.

Miss Pei's face was black, and her eyes flashed with cold light.

The words and eyes of these thugs have made her a little angry.

Du Qingliang, that son of a bitch, is a little arrogant.

Since his thugs are so rampant, there is no need to think about how lawless Du Qingliang is.

Chapter 589

"Don't talk nonsense. Do you go up one by one or together? I'm very busy. I don't have time to waste with you."

Wang fan is very impolite to interrupt those thugs, and then look at Du Yang, "surnamed Du, if you don't want to eat a few slaps, you'd better shut up."

"Don't think that if you call a group of dogs barking here, I can't do anything to you. I want to clean you up at any time."

Arrogant, arrogant, invincible!

"Son of a bitch, how dare you call us dogs? We'll let you know later, who the hell is the dog

When the thugs heard Wang Fan's words, they were so angry that they wanted to vomit blood.

They never thought that Wang Fan would dare to be so arrogant and even call them dogs in the face of so many people.

In this case, shouldn't Wang Fan tremble or beg for mercy? Where on earth did he come from?

A fierce man could not help waving his fist and said, "do you want to fight Du Shao? You give me a try? I will not die "

PA.

Before his words were finished, Wang Fan had already stepped forward and slapped Du Yang in the face.

When they recovered, Wang Fan had returned to the original place again, just like he had never moved before.

The scene was as silent as death.

The fierce man who spoke even more widened his eyes, and his words stopped abruptly like a rooster.

He how all didn't think of, his words haven't fallen, Wang Fan really hit Du Yang a slap.

It's a slap in the face.

It's also a shame.

Du Yang is hit by the head of the fan on the wall, can't help but scream again. After returning to God, he became more ferocious, "kill him for me!"

Thugs listen to these words, in addition to silly tiger, the rest of the people all toward Wang Fan.

One by one, his eyes glowed red and he was murderous, as if he wanted to tear Wang Fan to pieces.

With a cold smile, Wang Fan rushed to the thugs instead of retreating.

He sidestepped to avoid, dodged a blow to the fist, and then seized it, then hit hard toward the wall.

With a roar, the thug didn't even come back, so he hit the wall and fell to the ground. He began to scream and spit out two broken front teeth.

Wang Fan turned sideways again, flashed a leg, and his right fist went out like a shell.

That person kick empty, originally because have no place to borrow strength in forward, in the face of Wang Fan's fist, let alone counterattack, even can't avoid.

With a bang, Wang Fan hit his chin with a punch. With a click, his chin was broken. At the same time, the whole person was blown up and flew back.

The thugs who rushed behind him were beaten back and forth. Although they were not hurt, they were in a mess and were in a mess.

"Do you dare to brag here? I think you Hengyang real estate is just bullying ordinary people. "

Wang Fan disdained a smile, legs slightly bow, the next second, the right leg like a shell like kick out, a thug was directly kicked bone crack, mouth gushed out of the red blood.

His whole body was kicked up and crashed into a large area of his companions. At last, he fell to the ground in a wail, and there was no movement.

Those who were knocked down were even worse, either broken bones or broken tendons. All of them screamed bitterly and had no fighting power any more.

Du Yang looked at this scene, it is silly, dozens of thugs, less than a minute was rampant 7788, how can Wang Fan be so strong?

Silly tiger's mouth is also a burst of sobs, master he is not never seen, but like Wang fan so powerful, he really is the first time to see.

Although he can beat so many thugs, he is not as easy as Wang Fan, and he can't solve it in less than a minute.

Although Miss Pei knew that Wang Fan was powerful and powerful, she could not help but gasp for air when she saw Wang Fan's hand.

What she was afraid of was not Wang Fan's strength, not Wang Fan's ruthlessness, but Wang Fan's

expression.

It can be said that Wang fan is ruthless and ruthless, and all the thugs Wang Fan has had direct contact with are now definitely more sinister than lucky, and most of them will not survive.

It is reasonable to say that Wang fan should at least have some changes in his expression after killing so many people, but in fact, Wang Fan did not.

His eyes were always indifferent, and his expression was always the same, as if he was killing ants and insects instead of people.

Miss Pei was frightened by Wang Fan's attitude. She was glad that she didn't take the lead. Otherwise, once she failed, she would definitely die.

It seems that the information is really harmful. According to the information, Wang fan is lustful and compassionate. He can't win the general stratagem, but the beauty trick is absolutely effective.

Now it seems like a fart. According to Wang Fan's performance, she has no doubt that if she dares to kill Wang Fan, Wang Fan will kill her directly.

Wang Fan overturned the seven seven seven seven seven eight thugs, but he didn't stop immediately. He ran to the last few thugs and slapped them. Those thugs had already stopped, but unexpectedly, Wang Fan would not let them go.

A slap down, they were directly pulled out a few meters away, mouth spray blood, fell on the ground can no longer get up.

Looking at the thugs and Wang Fan, Du Yang was afraid and his whole body began to shake.

If Wang Fan had tried his best to turn these people over, he might not have been so afraid. But Wang fan is really too relaxed, put over so many thugs, Leng is no different from put over a pile of children, how can he not be afraid?

In this case, the only thing that can balance Wang fan is the gun.

But the guns were all kept by his father Du Qingliang himself, and the thugs would only distribute them according to the task when they were on a mission. Now where do the thugs have guns in their hands?

Du Yang finally felt despair.

"Du Shao, are you so dependent? If so, I'm sorry. I'm going to step on you. "

"Originally, I thought you had a strong support to follow you in. Now you really let me down."

Wang Fan didn't look at the thugs in that place. He said with a smile and walked slowly towards Du Yang.

While walking towards Du Yang, he also pretends to look at Miss Pei carelessly, but Miss Pei is calm.

As a result, Wang Fan even more believe that this woman is not an ordinary person, really his mother can pretend ah.

Miss Pei is aware of Wang Fan's eyes. She screams in her heart that it's bad. Her face suddenly became pale, the whole person fell to the ground with a soft voice, and covered her mouth against the wall and began to vomit.

Wang Fan's speechless lips, will some empress dowagers know?

"Don't be afraid, Miss Pei. First, close your eyes and have a rest. I'll take you out of here after I clean up the mess."

Of course, Miss Pei wants to act, and Wang fan doesn't mind following. He pretended to care about the said, and then continue to duyang.

"You don't come here, you don't come here, I tell you, my father is Du Qingliang, the chairman of Hengyang real estate. If you move me, you will definitely die."

Du Yang panic retreat, also mouth threat. It's just that there's a wall behind him. Where can we go?

"Yes? Then I'll give you another chance to turn the tables. Take me to Du Qingliang. Today, I'm just going to step on your father and son. "

Wang Fan disdained to say, walked over to Du Yang a hand to lift up.

As for the silly tiger around Du Yang, Wang Fan didn't even look at it. He became the air. Of course, silly tiger did not dare to speak.

Chapter 590

Du Yang was carried by Wang fan like a chicken. Although he was ashamed, he thought that his father would be able to get justice for him later, so he put up with it.

Father has a gun there, and the master green Wolf is in charge. He believes that Wang fan can't please him.

It is said that the strength of green Wolf has completely exceeded the category of ordinary martial arts, and has been a master in the secular world.

Although Wang Fan said fierce, but in Du Yang's eyes, it is still impossible to be green Wolf's opponent.

After all, no matter how powerful these thugs are, they are just ordinary people. If green Wolf is against these thugs, he may win more easily.

Of course, Du Yang didn't know what happened to Wang Fan, let alone what happened last night, otherwise he wouldn't think so.

"Let's go." Wang Fan holds Du Yang in one hand, and holds Miss Pei up in the corner and walks slowly to the elevator.

At this time, he turned his back to silly tiger, Du Yang in his left hand and miss Pei in his right hand. It can be said that there was no defense at all.

Silly tiger looked at this scene, and finally grinned grimly. Suddenly, he rushed like a fierce tiger.

His speed is extremely fast, the hand is also extremely fierce.

At the first time when he rushed to Wang Fan, he had already pulled out a special three edged spear and stabbed Wang Fan hard.

Although the strength of his silly tiger is not as good as green Wolf, he is also an expert in platoon. He is much better than the general special forces. He doesn't believe that Wang fan can avoid his attack.

And he also wants to be good, if Wang Fan really dodges past, next move, he will attack Miss Pei in Wang Fan's arms. At that time, Wang Fan will be in a hurry. He can at least save Du Yang.

However, although the idea of silly tiger is good, the reality hit him hard.

His face soon changed.

Wang Fan jumped forward two steps in an instant, and then grabbed Du yang to meet the three edged spear.

Silly tiger face big change, secretly scold Wang Fan insidious, he did not expect, Wang fan not only aware of his attack, but also made an instant response.

If Wang fan is not always on guard against his silly tiger, he is willing to take off his head and kick it for Wang Fan.

Silly tiger doesn't want to poke Du Yang, subconsciously holding the three edged spear back, but Wang Fan pushed Du Yang forward.

With a stab, the three edged army directly stabbed Du Yang's abdomen, and the dazzling blood came out directly.

Du Yang opened his mouth and began to scream.

It's a three edged sword. It hurts more than a knife.

Silly tiger see three edged army stab into Du Yang body, face a change, subconsciously suddenly forward a draw.

Don't worry about it. Du Yang almost fainted in pain.

The entry and exit of the three edged spear directly brought out a series of pieces of flesh stained with blood, which made people feel pain all over the body.

That wound's blood, is like the water equally flows out, how stops cannot stop.

"Du Shao, I wanted to save your life, but your brother is too polite. He stabbed you. It has nothing to do with me. "

Wang Fan said sarcastically to Du Yang, and then looked at the silly tiger, "I wanted to save your life, but you are too dishonest, OK, I will send you on the road now."

Wang Fan says, throw Du yang to the ground, direct lightning rushed to silly tiger.

"Send me on the road, I'm afraid you don't have the strength." Silly tiger grins, grabs the three edged spear and pours at Wang Fan fiercely.

This guy has obviously received professional training and is extremely fierce. The three edged spear is also the Huo Huo Shengfeng of the dance. His moves can't be separated from Wang Fan's vital points. They are all killing moves.

If this is for ordinary people, maybe they are really hurt by silly tigers. After all, it's enough to be stabbed.

It's a pity that what silly tiger met is Wang Fan. In front of the huge strength gap, all the killing moves have become meaningless.

Wang Fan dodged three times in a row, dodged the attack of Sanleng spear of silly tiger three times, and then kicked silly tiger's wrist.

Silly tiger's wrist was hit hard. The three edged spear couldn't hold it any longer and fell to the ground directly.

His face changed at the same time.

Once the three edged army is stabbed, he knows that he is going to lose, or die.

she did not dare to make any more moves.

She always felt that Wang Fan's words were meant to be told to her, but she didn't understand where she was showing her feet.

Du Yang soon took Wang Fan to Du Qingliang's office.

Du Qingliang's office is very large, about 200 square meters, high-end and high-grade.

When the three of Wang Fan came in, there were already many people in the office.

In addition to Du Qingliang and many senior officials, there are eight young men with guns.

These eight young people are not inferior to the existence of silly tiger. Each of them has a gun in his hand. The muzzle of the gun is straight at the door. Wang Fan and others walk in without blinking.

These people, obviously, are the last batch of diehards of Du Qingliang.

It's obvious that Du Qingliang has already known about Wang Fan's fight on the 25th floor, so it's here to make a good deployment.

Wang Fan's face did not change in the face of many muzzles. He seemed to have expected this scene.

His eyes swept over all the people and finally fell on one of the young people beside Du Qingliang.

This young man is the strongest among so many people present. Compared with last night's Ma Teng Yan, he is just a little weaker.

Of course, although his strength is only a little weaker than that of Ma Teng Yan, in Wang Fan's eyes, his threat is much smaller than that of Ma Teng Yan.

Ma Teng Yan will take advantage of women's inborn advantages, not to mention, flattering skills and killing tactics are also emerging in an endless stream. Wang fan doesn't believe that this young man also has the means of Ma Teng Yan.
