

## **MIGHTY SK 611**

### **Chapter 611**

Su Weiwei's words are reasonable.

She had not met Wang Fan, or although she had met Wang Fan, she did not know that it was Wang Fan. So Su Weiwei doesn't know how powerful Wang fan is.

And Zhong Ming, Su Weiwei still understand.

Zhong Ming is not inferior to Su Weiwei. She is almost in the middle of her life. She is a rare master in the secular world.

In Su Weiwei's opinion, Zhong Ming goes to Wang Fan's place, and the worst is that he can't help Wang Fan. It is impossible for Wang Fan to keep Zhong Ming.

In other words, Zhong Ming is likely to kill Wang Fan directly. Even if Zhong Ming can't kill Wang Fan, there's no problem in his whole body.

In this way, Wang Fan could not know that Zhong Ming was a man of Bai Xiaoren, and he would not count this matter on Bai Xiaoren.

"Damn it." Bai Xiaoren once again burst out a rude sentence, "you call Zhong Ming now, let him get back to me right away."

"This clock is becoming more and more ridiculous. Did I give him permission to take people out on business? It seems that my White Owl benevolence is still lax. "

Bai Xiaoren wants to vomit blood angrily.

It's also true that Bai Xiaoren, who seldom loses his temper, has lost his temper today, and he has made so many rude remarks. It can be seen how angry he is.

In fact, it is not entirely because Xue Qianlong provoked Wang fan that White Owl Renfa was so angry.

Recently, however, he is really not going well. It can be said that everything is not going well. Whether it's mu Qianxin's escape, Dai Shuangshuang's escape, Li Wuji's death or Li Lishan's conviction, it's beyond his control.

Today's incident of Xue Qianlong provoking Wang fan is just a fuse.

Su Weiwei listened to Bai Xiaoren's words, quickly took out her mobile phone and dialed, but soon her face changed.

"Little Lord, Zhong Ming's phone is turned off. Even the cronies around him are turned off." Su Weiwei's face is a little ugly. This kind of situation is really abnormal.

These White Owl benevolence's diehard loyalists easily won't shut down, but now Zhong Ming's people all shut down, which is really a bit weird.

"What, is the phone off?" White Owl benevolence Huo ground stood up, then facial expression crazy change, "not good, they planted.". Let's go on immediately and take strict precautions. "

Bai Xiaoren said, and quickly waved his hand, "forget it, don't be on guard, let's wait here. Those people, no matter how strict they are, I'm afraid they can't stop Wang Fan and only increase the casualties. "

"Young master, I'm not so pessimistic. Although Zhong Ming is arrogant, he still has strength. What's more, he has so many people and so many guns. How can he fail? "

"Did they forget to bring their cell phones, or did they turn off their phones when they ran out of power? Besides, Wang fan is just the chairman of a security group. Is he really that powerful? "

Although Su Weiwei looks ugly, she can't help saying.

She really can't believe that Wang fan is so powerful.

If Zhong Ming is not Wang Fan's opponent, doesn't it mean that Su Weiwei is not a dish in front of Wang Fan?

"Why Wang Fan has been able to create miracles repeatedly is that his opponents underestimate him. He is far from as simple as you think."

Bai Xiaoren said, looking at Su Weiwei seriously for the first time, his tone was not willing, but also helpless,

"Weiwei, if Zhong Ming is really planted and his money is unfair, you will be sacrificed this time. You should be prepared for the worst."

"Originally, I really didn't want to use your trump card, but if there is no way, I can only sacrifice you. I hope you can understand."

Bai Xiaoren knew Wang Fan well, and he also knew Wang Fan's character and means.

If Wang Fan really takes Zhong Ming, and knows that Zhong Ming is his White Owl benevolence, he will definitely come.

In yaoge garden, if his white Xiao Ren and Wang Fan fight each other, he will be able to retreat completely, but he is not sure to leave Wang Fan's life.

But in that case, as long as Wang Fan escapes, he will surely miss the Bai family and his White Owl benevolence in the future.

Even if Wang fan can't kill Bai Xiaoren, he can't destroy the Bai family, but he just goes to the Bai family every three or five times, and the Bai family can't stand it.

Therefore, to kill Wang Fan, unless you are 100% sure, you must not do it.

Since we can't do it and want to resolve the crisis, we have to cede our interests.

According to Wang Fan's greedy character, if Wang Fan really opens his mouth, he can only sacrifice Su Weiwei.

"Ah?" Su Weiwei stood up and looked pale. "Little Lord, do you think something is too serious?"

"I don't want to follow Wang Fan, I just want to follow the little Lord. I was born a man of the little Lord, and death a ghost of the little Lord. "

Su Weiwei trembled and almost knelt down.

In her heart is infinite desolation.

She thought that she had got rid of the fate of chess pieces and was really regarded as a friend by the young master. After all, the little Lord still respects her very much. He doesn't show any respect to other subordinates. But she did not expect, those are just her thought, she still can not get rid of the fate of chess pieces.

The reason why she wasn't pushed out as a chess piece was that she didn't get there.

"You don't want to talk about it anymore." White Xiao Ren face cold down, "I cultivate you, is to use you to help me clear obstacles, you have to have this consciousness."

"What's more, you may not be able to use your trump card this time. Even if you do, you may not be able to accompany her all her life."

"Maybe it'll only take him two days, maybe it'll only take a week, and then you'll still be my man."

Bai Xiaoren said, just this, but how to listen to how harsh.

Su Weiwei's body is staggering and her heart is desolate.

Xue Qianlong and Zi Ning were even more frightened. They didn't dare to lift their heads when kneeling on the ground, and they didn't dare to breathe.

How could Wang Fan be so terrible? Even White Owl benevolence have to bite their teeth to cede interests, and even send out the ace Su Weiwei?

"Report to the young master, there's someone outside asking to see you." At the moment when the room fell into a short silence, a young man entered quickly and said with some fear.

"Who?" The White Owl who just sat down stood up again.

"He said his name was Wang Fan." He said, trembling, and then added, "he said he's here to give the little Lord a present. But in his hands, he was carrying a half dead clock

Boom.

There was a dead silence.

Su Weiwei, Xue Qianlong and Zi Ning are all shocked.

Really was white Xiao Ren expected, Zhong Ming planted, also planted so ruthless.

Wang Fan, really terrible!

Bai Xiaoren clenched his fists tightly, and a touch of bloodthirsty appeared in his eyes. Then he tried his best to press down, "let him in, and tell the brothers outside, no one should move."

It's time to come. I can't get away from it. I can only see it.

"Yes." The subordinate answered and quickly backed away.

In less than a minute, he came in with Wang Fan.

Wang fan light smile, hand inside carry half dead Zhong Ming, bang when a throw on the ground, mouth smile way, "so many people ah, very lively, it seems that I come really is the time."

Wang Fan said that he didn't treat himself as an outsider at all. He went to the sofa and sat down. He took a glass of wine and drank two mouthfuls of red wine. Then he looked at Bai Xiaoren and continued to speak with a smile.

"Bai Shao, I've heard of your name. To be honest, I really don't want to come to you or meet you on such an occasion."

"It's just that this guy, who doesn't have a long eye, broke into the dining room for my employees, smashed the restaurant, and shot my employees. In the end, he even wanted to kill me."

"I had no choice but to take him down. Later, when I asked him, he said it was your man. You asked him to come. I just wanted to ask if he was your man. I suspect he is wronging you

Bai Xiaoren's face was ugly for a moment. He wanted to deny it, but he knew that he couldn't deny it at all.

Since Wang Fan dares to come here, he must have investigated clearly, and his brother's performance outside is estimated to have been exposed.

If he denies it, it will not only cool the hearts of his brothers. If he just denies it, Wang Fan will take out the relevant video evidence, and he is even more shameless, which is equivalent to beating himself in the face.

What's more, he has been arrogant for many years, and his pride can't be denied.

Su Weiwei was staring at Wang Fan, his heart trembled, "it's him, it's him!"

She recognized this voice, that is, the shameless voice that teased and ate her tofu in the mountain forest behind Li Wuji's villa that day.

## **Chapter 612**

Su Weiwei can't help but recall the scene of the mountain forest that day and the scene that she was touched all over her body.

She was a little shy, a little strange, a little unbelievable.

How could that man be Wang Fan?

However, she was confident that she would not hear wrong.

That day that voice she has been deeply imprinted in the bottom of my heart, this time in the ear is not know how many times playback, how can you hear wrong?

At the moment when Su Weiwei's brain is in a mess, Wang Fan suddenly turns to see her, with a playful smile in her eyes.

Su Weiwei looks at Wang Fan's playful smile, and finally confirms that this guy is the one who insulted herself in the mountain forest that day.

She almost wanted to say that Li Wuji was killed by Wang Fan and Dai Shuangshuang was rescued by Wang Fan, but she didn't say anything.

Bai Xiaoren didn't notice the change of Su Weiwei's look. He just stared at Zhong Ming, who was thrown on the ground like Wang fangou. His face was not clear.

This is a master who is about to enter the middle of his life. He was abandoned by Wang Fan. He can't believe it.

However, he had to believe the bloody facts before him.

"He's my man. He offended you tonight. I'll apologize for him and give you a billion dollars in compensation. What do you think?" Bai Xiaoren said with a gloomy face.

He did not say that Zhong Ming was not sent by him, but Zhong Ming went to find Wang Fan's place privately.

Bai Xiaoren knows that it's meaningless to say this now. He will only make Wang Fan look down on him and his subordinates look down on him.

The most important thing is that as long as Wang fan is sure that Zhong Ming is his White Owl benevolence, he will definitely be in trouble, regardless of so many reasons.

"Bai Shao, with many people, he stormed into our party and shot people, even my left shoulder."

Wang Fan slowly said, also pulled open clothes to White Owl benevolence to see the wound.

"I don't care about my minor injury. After all, I'm rough and fleshy. I'll be able to endure it, but the employees under me can't do it."

"Shooting in broad daylight? How arrogant is this? What's more, they are just ordinary people. Where have they ever seen such bloody scenes as knives and guns? "

"They have been more or less stimulated and frightened, and now some of them are even hospitalized."

"You know, every one of them is old and young, and their family needs to support."

"Not to mention their own medical spirit and other loss costs, the key is that once they fall down, what will their families do and who will support them?"

Wang Fan expression serious, a pair of embarrassed appearance, "this billion, afraid is far from enough."

The White Owl benevolence listens to this words, the facial expression instant more ugliness.

Although he thought that Wang Fan would open his mouth, he did not expect that Wang Fan would be so unscrupulous.

One billion is not enough. How much is it?

His heart is also laughing, a security company, the staff are mostly bodyguards, bodyguards will be scared because of this bullshit?

Wang fan is obviously blackmailing.

But Bai Xiaoren had nothing to do.

In this world, strength is the most important thing. Now he has no way to eat Wang Fan, so he has to compromise and try to get back the court in the future.

"What do you want to do? Make a price." White Owl benevolence clenches a tooth to ask a way. He almost rushed up and cut the half dead Zhong Ming to pieces.

This thing, which is not enough to succeed, not only failed to fix Wang Fan, but also implicated him.

At the same time, Bai Xiaoren's eyes to Xue Qianlong and Zi Ning were more gloomy.

He won't let go of the culprit.

"10 billion." Wang Fan stretched out a finger and said with a smile.

"Ten billion?" White Xiao Ren Huo ground stood up, pupil stare big point to Wang Fan, "Wang Fan, you don't want lion big mouth."

"10 billion, you really dare to want it. I can tell you clearly that it's impossible. The big deal is that we'll be caught dead!"

Bai Xiaoren's tone is very tough, and the whole person is also extremely angry.

Although he thought that Wang Fan would open his mouth, he didn't expect that Wang Fan would open his mouth so much.

Wang Fan looked at the tough expression of White Owl Ren, and the smile on his face suddenly solidified. He suddenly got up and kicked on the coffee table.

With a slap, the hard tea table was kicked out and fell apart.

Wang Fan looked coldly at Bai Xiaoren and said, "is the net broken? Are you sure? I come to talk with you. I can look up to you. Otherwise, I'm not here to talk, I'm here to kill you. "

Wang Fan's voice is a little naked, and his eyes burst out like a real murderer.

"Son of a bitch, why don't you talk to us for nothing? Give me respect! This is yaoge garden. It's our territory. You're so arrogant. Do you believe I can't let you out? "

Seeing that Bai Xiaoren was threatened by Wang Fan, a young man couldn't help standing up and pointed to Wang Fan's nose. Wang Fan abandoned Zhong Ming to blackmail even if, now dare to openly threaten white Xiao Ren, this is simply to seek death.

"Oh? Respect the point? What if I don't respect you? Can't get me out? I really don't believe it. "

Wang Fan turned to look at the young man, the body shape of a ghost flash, directly close to the young man.

The young man's pupils widened and his eyes flashed with horror.

Without waiting for him to recover, Wang Fan reached out his hand and hit him in the face, "but it's you. Do you believe that if you dare to fart one more time, I can kill you?"

Wang Fan's voice was light, but the scene was as silent as death.

It's as fast as a blink.

Only Wang fan knows that his speed is much slower than that of blinking. The reason why he seems to blink in the eyes of this group of people is that they are too bad.

The young man was slapped by Wang Fan, and his face turned red. He couldn't say a word, but just stared at Wang Fan bitterly.

If eyes could kill, Wang Fan would have been cut to pieces.

"Why, you look so unconvinced? Then I'll give you a few more. "

Wang Fan looked at the young man's resentful expression, sneered, and then slapped him with his backhand. Then he kicked the young man and kicked him out like a ball.

Young people in mid air, the body's bones have been broken, the sound spread in people's ears, there are some scalp numbness.

Xue Qianlong, in particular, was scared to death.

Bai Xiaoren clenched his fists, but his anger retreated and forced him down.

Wang fan is a madman. Once he forces Wang Fan, he may be attacked immediately.

He knew that Wang Fan was just showing him and threatening him, but he could only bear it.

Wang fan is really giving Bai Xiaoren a blow. He is telling Bai Xiaoren that he dares to move him. It's just

that I don't want to do that when I have to.

Wang Fan looked at Bai Xiaoren, and his tone was not as polite as before. "Bai, I'll take the last step, five billion, plus this woman."

Wang Fan pointed to Su Weiwei, "if you don't agree with this, don't blame me for being impolite."

Wang Fan named Weiwei for a reason.

Several times, he found that Su Weiwei is a talent. If this kind of person wants to come over and work for himself, it's definitely a big help. Moreover, it is also a big blow to White Owl benevolence.

It can be said that Wang fan is more interested in Su Weiwei's ability than her beauty.

Su Weiwei saw that Wang Fan called her name, and suddenly she was in a mess in the wind.

### **Chapter 613**

"No, I don't want it, Bai Shao. I'll follow you." Su Weiwei couldn't help crying. Whether she is willing to go with Wang fan or not, she needs to make her stand at this time.

Moreover, even if it's going with Wang Fan, she has to be voluntary and put forward by herself. She doesn't want to be sent out by Bai Xiaoren as a gift.

She doesn't want to be a chess piece, she wants to have a choice.

Just, Su Weiwei's voice just falls, then see white Xiao Ren already to Wang Fan bite a tooth to nod, "good, I promise you."

Bai Xiaoren finished and looked at Su Weiwei. There was no gentleness and respect in Su Weiwei's eyes any more. "Su Weiwei, this is an order. You can follow Wang Shaowei well in the future."

Su Weiwei's fantasy was broken in an instant and almost fell down.

The tears in his eyes were more like the torrent of breaking the dike, which could no longer be restrained.

She didn't expect that Bai Xiaoren didn't even refuse, so he sent her out, even without bargaining.

It can be seen that Bai Xiaoren, who she thinks, respects her and treats her as a brother and sister, is just wishful thinking.

In the eyes of Bai Xiaoren, Su Weiwei is just a piece of chess. She doesn't even need to bargain, so she sends it out.

Wang Fan didn't go to comfort Su Weiwei, and didn't help Bai Xiaoren speak. He looked at the scene and laughed faintly.

Only when Su Weiwei has a real estrangement from Bai Xiaoren, can she really help Wang Fan.

He comforted Su Weiwei at this time, that is to dig his own grave.

What's more, Bai Xiaoren agreed so happily, which is definitely not as simple as on the surface.

He mostly wants to use Su Weiwei's chess piece to find out what he needs for him and seek revenge opportunities from it.

However, whether Su Weiwei will be willing to be his pawn, and who Su Weiwei will be used for in the future is unknown.

After Bai Xiaoren agreed to come down, without any nonsense, he called directly and asked people to transfer 5 billion yuan to Wang's account.

After receiving the money, Wang Fan smiles and goes to Su Weiwei with a look of heartache. "Miss, let's go."

"Now that you are my person, you can rest assured that I will love you and care more about you in the future."

Wang fan made a pair of Su Weiwei's favorite expression and helped her up.

Looking at Wang Fan's expression, Bai Xiaoren couldn't help frowning.

He felt that there was something wrong with Wang Fan's expression, but he couldn't feel what was wrong.

"No, I don't want to go with you." Su Weiwei can't help but push Wang Fan away and stand up.

She used to have some hazy and strange feelings for Wang Fan, but now Wang fan is like this, but she can't stand it.

She couldn't accept it as a gift.

"Don't be kidding. Bai shaodu gave you to me. You will be my man in the future. You can rest assured that I will treat you well. "

Wang Fan didn't mind at all. He once again held Su Weiwei, and specially accentuated the sound on the word "song".

Su Weiwei wanted to struggle, but when she heard the word, her face darkened, as if she had accepted her life.

Wang Fan smoothly held Su Weiwei and walked out. When he reached the door, he looked back at Bai Xiaoren, "Bai Shao, thank you. Next time there's such a good thing, don't forget to inform me."

Bai Xiaoren almost vomited blood, and Su Weiwei almost fell.

Soon, Wang Fan took Su Weiwei to his car.

He came here in the BMW he bought for Huang Tingting. Huang Tingting drove the car when she was having dinner, and Wang fan used it temporarily.

"Miss Vivian, we meet again." On the bus, Wang Fan's intonation returned to normal and formally extended his hand to Su Weiwei.

"When I met Miss Wei in the mountains that day, I always had a dream of Miss Wei. After several inquiries, I found out that Miss Wei Wei is Bai Shao. She is already famous, so she can only bear to give up her love. "

"But I found out later that Miss Weiwei was only a subordinate of Bai Shao, even a chess piece. I was very angry and heartbroken, so I planned to take Miss Weiwei over."

"Miss Weiwei is such a beautiful woman. How can she be a chess piece? It's unfair and blasphemous to miss Weiwei."

"It can be said that I'll come here tonight to ask for justice. It's just a passing message. The key is for you."

Wang Fan's expression is so serious that he almost believes that "there is a kind of feeling, called love at first sight, and a kind of fate, called destiny."

"I don't care whether you believe it or not, I believe it anyway. Don't worry, I won't treat you as a chess piece, and I won't treat you like Bai Shao. "

"I want you with him, just want you to get rid of the bitter sea, from the fate of chess pieces. If you would like to be with me and work with me, I would be very grateful. "

"If you don't want to, I can put you down at the intersection in front of me and let you pursue freedom and rights. As long as you are happy, as long as you are happyWang Fan's words were eloquent, sincere and touching, as if even heaven would be moved.

Look at his sincere expression, as if he really likes Su Weiwei, no one will doubt the moisture of his words.

At first, Su Weiwei, who was still a little lost, was stunned when she heard Wang Fan's words. She suddenly raised her head and looked at Wang Fan. Her eyes flashed a touch of hope.

"What did you say? fall in love at first sight? Are you here to save me? Are you going to let me go? " Su Weiwei's eyes were full of disbelief. "Are you really willing to let me go and give me freedom?"

Suwei couldn't believe her ears.

Wang Fan cut down five billion yuan, but added the conditions to take her away, which means that she was bought by Wang Fan in exchange for five billion yuan.

Now, Wang Fan unexpectedly wants to let her go, is some brain water, this essential factor Wei Wei how to believe?

No matter how beautiful she is, how beautiful she is and how valuable she is, I'm afraid she is not worth five billion.

With five billion yuan, Wang fan can find countless women who are not inferior to her.

Of course, Su Weiwei didn't count her strength. Because in her view, Wang Fan's strength has been so strong, her strength in Wang Fan's eyes, are equivalent to dispensable.

Wang Fan didn't talk nonsense. He drove the car to a intersection and stopped. "Miss Su, you can doubt me, but you can't doubt my heart to you."

"Now you can go, I promise, will never embarrass you, will not chase you."

"I also ask you to rest assured, White Owl benevolence there, I will also stare at, won't let his people hurt you, make sure you leave Jinzhou smoothly."

Wang Fan's every word is eloquent.

"Do you really let me go? You don't regret it? " Su Weiwei's mind was shocked, but she couldn't believe it.

If Wang Fan let her go, it would be like five billion yuan floating in the water, or five billion yuan.

"I said, as long as you are happy, everything is fine. I, Wang Fan, have never regretted doing anything but following my heart. "

Wang Fan said, stepped out of the car, opened the door beside Su Weiwei, and made a gesture of please, "Congratulations, Miss Su, you are free. I hope you have a good journey and will be happy for the rest of your life."

Su Weiwei stares at Wang Fan's eyes. For a moment, she is in tears.

#### **Chapter 614**

Su Weiwei takes a deep look at Wang Fan, with a flash of determination in her eyes. Then she pushes the door open and flies out. For a moment, she disappears into the night.

Wang Fan looked at Su Weiwei's back and felt the cold night wind. For a moment, some of the wind was messy.

Shouldn't the ending be that Su Weiwei was moved to a mess, and then threw herself in her arms and served her again? Why does this deviate so much from the normal script?

But although Wang Fan was depressed, he didn't go after su Weiwei.

No matter what he said just now is true or false, as a man, one spit and one nail, Wang Fan will never go after su Weiwei, let alone continue to play tricks.

He still disdains it.

Moreover, putting aside the positions of both sides, Wang Fan feels that Su Weiwei is also pitiful. She worked for Bai Xiaoren for so many years, but she couldn't escape the fate of chess.

"I wish you a good journey and all the best in the future." Wang Fan whispered, but this time he was sincere.

He said, did not continue to nostalgia, directly back to the car, stepped on the accelerator to leave.

Not far from the corner, Su Weiwei saw that Wang Fan really left. Her heart was shocked again, and her tears flowed like water again.

"Is what he said really, really like me, really for me, really want to give me freedom?" Su Weiwei is a little unbelievable,

"why, why, I have worked for him for so many years, but I still can't get rid of the fate of chess pieces. But as an enemy, he wants to be so kind to me? "

After returning to the villa, Wang Fan took a bath and went to bed directly.

Although Su Weiwei's departure made him somewhat depressed, at least he made a fortune of 5 billion, and Wang Fan didn't lose much.

Wang Fan was going to sleep with Ning Yao, but there were too many people in the villa.

Pei Qingcheng, Ning Yao, a Biao brother and sister, heiluocha, even Chuwei, Huang Tingting and Xu Ruyun all came.

So many people crowded in Wang Fan's villa, this villa is not enough.

Ning Yao and thin skinned, how are not willing to go with Wang Fan, Wang Fan helpless, can only sleep alone.

After waking up the next day, there was no one in the villa except Ning Yao and Pei Qingcheng. Ah Xuan went to school, others went to work.

Wang Fan three people eat something, also rushed to the company.

Wang fan is going to hold a high-level meeting to introduce Pei Qingcheng.

Wang fanbao conference room.

When the three of Wang Fan arrived, almost all of them had already arrived.

Xu Ruyun, Chu Wei, a Biao, heiluocha, Huang Tingting, Dai Yuying and so on are all listed.

"There are only three things for today's meeting. First, in addition to continuing to expand the security business, the company has to enter other fields, such as real estate, film and television industry, and so on."

"Second, Miss Pei Qingcheng will act as the chairman of the board of directors of the company and handle all business on my behalf. I hope you will cooperate unconditionally."

"Third, Miss Ning Yao will be my personal assistant from now on, but due to her inexperience, I will let her study with Mr. PEI for the time being."

"Well, these are the things to be announced. As for how the company plans and develops, it's entirely up to Mr. Pei."

"As for the company's finance, I hope that Dai Jie, Xu Jie and Ning Yao can control it together, and I will find suitable talents to manage it as soon as possible."

"The next thing you discuss, I'll go first."

Wang Fan said, directly left the company, started to shake hands shopkeeper.

He doesn't like these things. He prefers to be free.

But first, he needs to cultivate and cultivate resources, which means he has to collect money.

Second, with so many people following him, he has so many friends unconsciously. If he can't give others the life they want, he will feel sorry.

Wang Fan walked alone in the street, thinking of his visit to Jinzhou, he felt as if he was dreaming.

Unconsciously, he, Wang Fan, has made such great achievements.

Thinking of these, he couldn't help thinking of song Rumei. I think of the key woman in his life after he came to Jinzhou.

Thinking of song Rumei, Wang Fan felt a little heartache.

He thought he had forgotten song Rumei, but only he knew that he was deceiving himself.

He just wrapped song Rumei in the bottom of his heart and didn't want to touch her.

Wang Fan has an impulse to see song Rumei, but he doesn't know where song Rumei is, let alone whether she is willing to see him.

Think of song Rumei's silent disappearance, think of song Rumei's decisive and unfeeling, Wang Fan feels very helpless.

Is maternal love really so great? A mother who has only known each other for less than a few months can make song Rumei prefer to believe in her rather than herself, and cut off contact with herself?

Wang Fan has no mother, some can not understand this feeling.

"If I didn't meet you." "How can there be that missing."

"Light warmth."

"In the heart."

"Because I met you."

"Clear and transparent eyes."

At the moment when Wang Fan had many thoughts, a song of vicissitudes suddenly came into Wang Fan's ears.

The hoarse voice of the vicissitudes of life resonated in Wang Fan's heart, and he couldn't help walking in the direction of the song.

Not far from the street park, a girl in her twenties is singing affectionately there.

Her singing is serious and attentive. Maybe she is too emotional, or she has similar experience. There are several lines of clear tears in her eyes.

"Your meeting with me."

"I can't forget it all my life."

"I wake up and feel like I'm still in a dream."

"Your love for me gives you courage behind my back."

"Sincerely sing to you, love is really beautiful."

Wang Fan also gradually immersed in the singing, unconsciously stopped.

He suddenly eager to see song Rumei, but did not know where song Rumei was.

"If I didn't meet you."

"How can there be that missing."

Wang fan can't help humming, but in his mind, he remembers every bit of song Rumei.

Boom.

At the moment when Wang Fan was immersed in it, the music was suddenly interrupted, followed by a sound of smashing.

Wang Fan suddenly sober, looked up, I do not know when, a group of people appeared in the singing girl's side, smashed her equipment to pieces.

The girl's face is helpless, but she is biting her teeth and staring at the head of the enchanting woman, whose eyes are full of stubbornness.

"Goddamn bitch, who are you singing this song to? Do you think you can let Ye Shao hear you so that ye Shao can come back to you? "

"Don't dream. I tell you, get out of Jinzhou quickly, otherwise, I'll see you hit you once, and I'll spend your face directly if I'm in a hurry. "

"The old Niang pours to want to see, have no face, you still take what to seduce leaf little." The enchanting woman pointed at the singing girl, spitting and scolding.

She is wearing a lot of clothes, and her whole body is also pearly. It is obvious that she is not rich or expensive.

That arrogant and domineering expression, coupled with the fierce appearance of the shrewd woman scolding the street, is the interpretation of the above and the acrimonious eight words to the extreme.

The young people behind her pointed to the melon eating crowd and threatened, "what the hell are you listening to? Is it so nice?"

"Since you like to listen to it, why don't you listen to the original song? I think you have a crush on this bitch? Get out of here, all of you. If you dare to look around again, I'll dig your eyes. "

The surrounding people looked at the scene with fear on their face, and quickly hid further. The timid people even left directly.

There are a few brave, can't help but retort, but was hit and kicked, not a few times was hit cry father called mother, how far away roll.

## **Chapter 615**

Wang Fan looked at the scene and couldn't help frowning.

This group of people is too arrogant. No matter what kind of grudge they have with the singing girls, it's a bit too much to openly attack the ordinary people in the park.

Singing girl is also dead bite teeth, stubborn looked at the arrogant woman, "I didn't seduce Ye Shao, is he want to pester me, you don't too much."

"I was afraid of his entanglement and your misunderstanding, so I left the bar and came to be a tramp singer."

"But why don't you let me go? If you don't leave me alone, why do you still have to fight these audiences? "

The girl trembled and pointed at the arrogant woman, her eyes full of humiliating tears, "will you be too unreasonable, too arrogant?"

Pop.

As soon as her words were finished, a slap hit her in the face.

The arrogant woman slapped her hard, then pointed to her nose and scolded, "since you are hiding from him, why don't you get out of Jinzhou?"

Looking at this scene, the people around had already hidden far away and did not dare to get close to it.

This Xie Nana is really too arrogant, coupled with the earthquake field of those fierce men around her, no one dares to stand up and say one more word.

"Miss, are you too arrogant? They just sang a song here, didn't they offend you? Don't you think it's too much for you to come out and beat someone's house like this? "

At the moment when Xie Nana was playing vigorously and couldn't stop, a faint voice suddenly came out.

She can't help but look up and see Wang Fan coming near.

Wang fan is not a meddler.

It's just that Xie Nana's way of doing things is too much, and Xue Yiting's songs touch him, so he can't help but stand up.

"Arrogant? Too much? " Xie Nana looked at Wang Fan and said, "I'm arrogant. What's wrong with me? What's wrong with me? It's none of your business?"

"Do you take a fancy to this little Sao, or do you have a leg originally, so you just stand up to fight against injustice?"

"Damn, this little Sao is not really a thing. It's cheap to seduce Ye Shao in the front and other men in the back."

Xie Nana does not speak through her brain. She is as ugly as she wants to be. She has no virtue in her mouth. She is extremely poisonous.

She pointed at Wang Fan, very domineering, "give me an honest account, do you have an affair? If you don't make it clear, you can't leave safely today. "

With that, Xie Nana looked at Xue Yiting again, "you are such a bitch. You are really capable. You even raise a wild man outside." "You say you have wild men, and even go to seduce Ye Shao. Do you take this man as a spare tire, or do you want to cheat Ye Shao's money?"

Wang Fan listened to these words, he was almost angry, and his anger went up.

He has seen arrogant, but he has never seen such arrogant. I've seen unreasonable people, but I've never seen such unreasonable people. This shenana, his mouth is so bloody. He wants to hit people.

"Put your mouth clean for me. I have nothing to do with this young lady. The reason why you stand up

and speak is that you are too bullying." Wang Fan said coldly.

"Thank you, elder brother. It's my business. Don't worry about it. Please leave quickly." Xue Yiting looks at Wang Fan gratefully and says quickly.

Xie Nana's arrogance and energy are still clear to her. She doesn't want Wang Fan, who has nothing to do with it, to be involved in it.

"Go? Is it a bit late to leave now? " However, Xie Nana does not give Wang Fan the chance to go at all. She looks coldly at Wang Fan.

"If you say it doesn't matter, it doesn't matter? In my opinion, you must have an affair! Damn, how dare you say that my mother's mouth is not clean. I think you don't want to fight. "

Xie Nana said arrogantly, directly raised her hand to Wang Fan.

Wang Fan was so angry that he just stood up and said a word. This woman is not only biting him, but now she's even more arrogant. Is she paying too little attention to him?

Wang Fan's eyes twinkled with a cold light. He held out his hand and grasped Xie Nana's wrist. The other hand fanned up with his backhand.

Pop, pop, pop.

A series of crisp sound, his slap without accident completely fell on the face of Xie Nana.

Xie Nana's face was red and swollen in an instant, and blood came out of the corner of her mouth. She had a fight with Xue Yiting over there.

This is because Wang fan is merciful. Otherwise, Xie Nana will not only have a swollen face, I'm afraid her teeth will be lost.

Looking at this scene, the scene was as silent as death.

Xue Yiting can't help but be stunned at the scene.

She cried wildly in her heart: it's over. Wang Fan has made a big mess.

Although she was grateful for Wang Fan's coming out, she was more worried and impulsive at this time.

## **Chapter 616**

"You, you dare to hit me?" She screamed, her eyes full of madness, "kill him, kill him for me!"

She screamed at the young men she had brought with her.

The youths then came back to their senses. She was beaten.

Oh, my God!

Think of here, they no longer dare to hesitate, crazy toward Wang Fan rushed in the past.

They are the faithful running dogs of Xanana. If Xanana is beaten and they do nothing, their end will be miserable.

"Son of a bitch, dare to move sister Na, you want to die!"

"Die for me!"

One by one, they were as crazy as chicken blood, waving their fists and feet, and pounding at Wang Fan. Even a few people, still angry, directly took out the knife.

"It seems that you are so arrogant. If I don't teach you a lesson today, I'm afraid you'll really treat yourself as a dish."

Wang Fan sneered, slapped Xie Nana out, and then welcomed her.

He just came out and said a few words, but Xie Nana didn't want to give up. Now it's good that these guys even started to use knives. Obviously they are going to kill him.

If you change this into any ordinary person, the end is absolutely good, either stabbed to death or severely disabled.

So Wang Fan was not polite to them. He kicked out, and the young man in front of him screamed and was kicked out.

His body of 150-60 Jin was pushed by Wang Fan for more than ten meters. He fell to the ground and broke his blood. He couldn't get up again.

Wang Fan didn't talk nonsense. He slapped his backhand and fanned it out. With a slap, a young man was whipped three or four meters away. His teeth were mixed in the blood foam and spat out. His face was pale.

Wang Fan didn't pay any attention to just a few out of class bastards. Wang Fan had a few punches and feet, and the rest of the young people were thrown out.

They fell to the ground and screamed bitterly. No one could get up again.

Their eyes that looked at Wang Fan changed, and they became extremely frightened.

Is this guy still human? How can he be so powerful?

Wang Fan's kick can kick people more than ten meters away. Is that too terrible?

They only felt chills all over their body and numbness in their back.

Xie Nana is also open mouth, a face of incredible.

She never thought that Wang Fan, who suddenly appeared as Xue Yiting, was so strong.

Short of dull, she instantly recovered, pointed to Wang Fan, pointed to the sharp cry, "good courage, dare to move my people, you don't go."

Then she took out her cell phone and dialed.

Wang fan saw that Xie Nana was going to make a phone call. With a cold smile, he said arrogantly,

"don't worry, I won't go. I'll wait here. You can call people, you can call them at will, and I'll never let you down. "

Xie Nana listen to this, almost no gas of an old blood spray out.

How confident is Wang fan that he can speak so arrogantly?

"Brother, thank you for helping me, but you'd better go now. We can't make them angry." Xueyiting see some Nana call people, and see Wang Fan really don't want to go, can't help but worry about the advice.

Wang fan can fight again, but also a person, how can fight over Xie Nana?

Can Wang Fan beat ten, maybe a hundred, and a thousand?

What's more, today's society is not one that can fight the world with fists. Xue Yiting is really worried.

"Get out of here. Do I know you? Who's with you? Just because you can't provoke them doesn't mean I can't either. " Wang Fan pointed to Xue Yiting, but he also didn't give her a good face,

"I tell you that although I originally intended to help you with this matter, it has nothing to do with you now. This is between me and them."

Wang Fan pointed to Xue Yiting, tone is very impolite, "if you are willing to stay here, obediently shut up, stand on the side of the play."

"If you think that I can't provoke them and you want to persuade me, don't do it, because I will only give

you one word, that is, go away."

Xue Yiting listen to this, almost no gas of a blood spurt out.

Thanks to Wang Fan's bravery, she kindly reminds Wang Fan, but in exchange for Wang Fan's bad attitude and a word. She really wanted to slap Wang Fan in the face.

"It's really a dog biting LV Dongbin. He doesn't know the good people." Xue Yiting said in a huff. She turned her head and didn't talk to Wang Fan, but she didn't leave.

Wang Fan took a look at Xue Yiting and couldn't help frowning, but he didn't speak.

He recently offended many people, but he was afraid of involving Xue Yiting, so he deliberately said so.

What's more, the purpose of his saying this is to let people like Xie Nana not vent their anger on Xue Yiting afterwards. In Wang Fan's opinion, it's better for the girl to leave immediately, so the chance of being involved will be very small. But this woman just doesn't go, Wang Fan immediately some speechless.

Xie Nana and others are also confused. Obviously, it's not clear how Wang Fan, who was still defending Xue Yiting, could pick up Xue Yiting in a moment.

But they soon understood that Wang Fan obviously heard Xue Yiting say that Wang Fan couldn't fight Xie Nana and lost Wang Fan's face, which was so impolite.

Think of here, Xie Nana in the resentment of Wang Fan at the same time, also slightly regret. It turns out that these two people are really passers-by.

As early as I knew, she was not so aggressive and stepped on it with Wang Fan. But now, the matter has come to this point, she can only go one way to the black.

Buzzing

not long after, a crazy sound of car engines rang out, and then a number of black cars stopped in the street in front of the park.

The car door opened and a group of youths rushed down.

The young leader was holding a cigar in his mouth, with the corner of his mouth cocked up and his eyes and nose facing the sky.

He walked in front with eight character steps, swaying around, and a group of younger brothers followed him in two rows. From a distance, he had a certain style of black and astringent meeting in the movie.

"Ye Shao, you have to make up your mind for me. I ran into Xue Yiting here. I was going to say a few words to her, but she called a man to beat me. Wuwu, look at my face, I can't live."

Xie Nana saw the youth as if she had seen her father. She immediately ran to him with a runny nose and a tearful cry.

This son of a bitch, it's really a set for the villain to complain first. It's clear that she is arrogant and domineering. She is also aggressive at the scene of Xue Yiting's singing. But now things came out of her mouth and turned into a different look.

Wang Fan listens to this words, the facial expression is a cold, walk forward directly is a foot.

The rolling Xie Nana was directly kicked forward and rubbed half a meter, covered her buttocks and sent out a shrill scream.

She turned her head and looked at Wang Fan viciously. She even had the heart to kill.

She did not expect that Wang fan should be so arrogant, ye shaodu came, but also dare to move his feet, and played his own position.

This is humiliation!

"Bitch, didn't I tell you that I have nothing to do with that girl? If you dare to talk nonsense again, I'll just kick again. "

Wang Fan stares at Xie Nana, is very arrogant, is also very uncomfortable to say.

## **Chapter 617**

"Ye Shao, you see, he dares to treat me so arrogantly when you come. If you don't come, I'm afraid I won't even die. Ye Shao, you have to decide for me. "

Xie Nana points at Wang Fan and screams at Ye Shao. Just very soon, she found that there was something wrong with Ye Shao's face.

Because ye Shao is staring at Wang Fan, and fear appears in his eyes.

Xue Yiting didn't notice Ye Shao's expression, but ran to Wang Fan again,

"Ye Shao, I'm sorry, it's because of me. You want revenge, come to me, don't embarrass him

"He's just a passer-by. He just can't bear to see Xie Nana bullying me. It has nothing to do with him. Please let him go

Although Wang Fan's attitude to Xue Yiting is not good, Xue Yiting still doesn't want Wang Fan to be hated by Ye Shao because of this.

She doesn't want to involve Wang Fan because of her own affairs.

Wang Fan didn't speak. He just frowned at Ye Shao and felt strange.

He doesn't seem to have seen this man. Why does this man look like he's afraid of him?

Xue Yiting finish, see ye Shao did not speak, in the heart more anxious, is going to beg for mercy again, ye Shao is already a push away her.

See ye Shaofei quickly run to Xie Nana in front, without hesitation is slap slap slap slap a few ears.

After playing Xie Nana, he directly picked up Xie Nana, ran quickly to Wang Fan, and plopped down on his knees.

He slapped his face twice again, and then he said, "Wang Shao, I'm sorry, this bitch has offended you. I'll treat her and make amends to you."

"But she is my person. Please don't embarrass her for my face."

Listening to Ye Shao's words, not only Xie Nana is confused, but Xue Yiting is also confused.

They all looked at Wang Fan with shocked faces and thought, who is this? How can they be so powerful?

Ye Shao is also a figure who can walk horizontally in the whole golden state. When did he apologize to others in such a low voice?

Not to mention, even if you don't ask anything, you just kneel down and slap yourself. This is something that you've never seen before.

Xie Nana scared legs are soft, no longer dare to wait for ye Shao to get angry, directly knelt down, "Wang Shao, sorry, I should not be so arrogant, should not provoke you."

"I don't dare any more. Don't worry. I won't embarrass Xue Yiting in the future. If I see her, you can spare me as far as you can go."

Xie Nana said and began to fan herself.

Even ye Shao can't stir up people, she can't stir up at all.

Now she only asks Wang Fan to forgive her, otherwise ye Shao will not forgive her lightly.

Xue Yiting's brain is still in a confused state, and she can't recall it at all.

Oh, my God, is she right?

How is it possible that Xie Nana, who is arrogant and domineering, and ye Shao, who is powerful in Jinzhou City, is so afraid of Wang Fan?

She couldn't believe it.

Because no matter how she looks at Wang Fan, she doesn't look like a bull. She's all ordinary, and she doesn't have the arrogant and domineering breath of the young. Why can ye Shao be so afraid?

She even doubted whether ye Shaohui had recognized the wrong person. In that case, it will be more troublesome.

Wang Fan finally could not help saying, "do you know me? But I don't seem to have seen you before. Don't you recognize the wrong person? "

Wang Fan himself some can't believe, he can let this leaf little fear so much.

"Wang Shao, I'm from the Ye family. I met you at your grandfather's birthday party a year ago." Ye Shaofei said quickly.

He can't forget that at the banquet that day, song Shaolong of the Song family wants to capture Xie Huan, but is ruthlessly abandoned by Wang Fan.

Wang fan is not afraid of the Song family, and even song Shaolong dares to abolish it. Is ye Shaolong a fart?

What's more, even if we put aside these, just because Wang Fan saved Ye's life and his respect for Wang Fan, he would not dare to do anything about Wang Fan.

If this is known by Ye Laozi, he will be finished.

"Oh, you are from the Ye family." Although Wang Fan still didn't think of Ye Shao, he finally knew his identity.

Wang Fan waved his hand, "for the sake of Ye Laozi, let's forget about it. Go back and say hello to him."

"Also, let your people not be so arrogant in the future. If they are too arrogant, they will offend cruel people sooner or later."

"This girl, I don't want you to embarrass her any more. Well, that's all. Let's do it. "

People are kneeling, posture is still so low, Wang Fan did not intend to put them how. Then he left directly.

Xue Yiting shocked to see ye Shao and others one eye, looked at Wang Fan again, hurriedly chased up.

Ye Shao said three good words in a row. He didn't get up until Wang Fan's figure disappeared completely. "Damn, you cunt, you're about to be killed. Come back with me." He couldn't help slapping Shanna hard again, then pulling Shanna up and leaving.

"Hey, I said, what are you doing with me? Don't think that if I save you, you can follow me."

"I tell you, I have a lot of girlfriends, but I don't have time to talk to you. If you want to commit yourself, you don't have a chance. Don't dream

Wang Fan walked a section of road, see Xue Yiting has been following himself, can't help but look back, not angry said.

Originally wanted to say thank you Xue Yiting heard this, almost no gas of an old blood spray out.

Although she was grateful for Wang Fan's great help, when did she say that she wanted to make a personal commitment?

What's more, what's the tone and attitude of this guy? What happened to Xue Yiting? Although it's not beautiful, it's at least beautiful.

Now she is despised by Wang Fan. Why? Just like Wang Fan, he even has a lot of girlfriends. Bah, who can believe that.

Wang Fan sees Xue Yiting blushing and doesn't speak. He looks at Xue Yiting up and down and says again, "I tell you, don't follow me. You're too young. I'm not interested in you. Goodbye."

With that, Wang Fan left quickly.

He just saved the woman, but he didn't want to have anything to do with her.

He already has a lot of troubles, a lot of women, but he doesn't want to add emotional debt.

"Asshole, shameless, son of a bitch, will Xue Yiting like you? Don't dream. Even if there are no men in the world, I will not take a fancy to you. "

It was not until Wang Fan disappeared that Xue Yiting regained her mind and stamped her feet. She murmured, then couldn't help but look down at her chest, and then became more angry.

"Where is small, there is no eye."

Wang fan doesn't care if Xue Yiting is angry. He turns a corner and goes to Yuanbei pharmaceutical.

Lin Ruoxue helped him so much, and even contributed money to help himself, which should be appreciated both in public and in private.

In Yuanbei pharmaceutical, the staff are no longer unfamiliar with Wang Fan. When they see Wang Fan coming in, they let Wang Fan go upstairs without notice from Liantong daily.

Wang Fan was also happy and relaxed. While appreciating the past Yingyan, he walked towards the president office.

Beautiful little secretary see Wang Fan come in, is about to knock on the door, but Wang Fan hand to stop.

All here, how, also want to give Lin Ruoxue a surprise. Wang Fan thought so and pushed the door open and went in.

Just as he just went in, he was silly. Lin Ruoxue was changing clothes. She is facing Wang Fan with her back, her hands behind her, and buckles those two buttons with difficulty.

"Mr. Lin, how can you do this by yourself? I'll help you." As soon as Wang Fan's mind was hot, he rushed over immediately.

When Lin Ruoxue heard Wang Fan's voice, her face changed, her hands loosened, and her cover fell down.

The world is quiet for a moment.

## **Chapter 618**

"You, how did you get in? Get out." After Lin Ruoxue came back to her senses, she was absolutely ashamed and indignant.

She covered the front with one hand and chided Wang fanjiao with the other. The whole piece of powder had been completely replaced by blush. She was charming and moving.

"Cough, Mr. Lin, I didn't know you were changing. You say you don't work well in the daytime. What are you going to change

Wang fan not only did not go out, but also a serious face, "Mr. Lin, you are not allowed to do this in the future. If you leave the office like this, the employees will have opinions when they know it."

Wang Fan said solemnly, and went over to pick up the cover that fell on the ground. "Besides, how can you do this little thing yourself?"

"It's lucky that I'm here. Otherwise, you may not be able to wear it alone. Come on, I'll help you. I'm good at this kind of thing

Lin Ruoxue opened her mouth wide and felt the thunder rolling in the sky.

Oh, my God, this guy is shameless. Even if you don't knock in your own office, you'll be full of crooked ideas even if you take advantage of yourself.

She couldn't help but lift her leg.

It's a pity that Lin Ruoxue's soft strength can't kick Wang Fan. Wang Fan just stretched out his hand and grasped the delicate little foot in his hand.

"Mr. Lin, it's not very good that we're cheating on each other. I don't care if I let the staff see it. You'll have no face to see people. "

Wang Fan looked at Lin Ruoxue seriously and said seriously, "I know you miss me, even you miss me. But I'm sorry you can't wait. "

Oh, my God!

Lin Ruoxue is going crazy. She can't help pointing to Wang Fan's nose and swearing: "you bastard, let go of me. If you don't let go, believe me to chop you?"

Wang Fan instant stare big eyes, even without blinking, "Wow, so cute."

Lin Ruoxue almost hit the ground.

Don't know where the strength, she suddenly pulled back the feet, directly put on a dress, and from the drawer took out a pair of scissors, then rushed to Wang Fan.

"I'll kill you!"

Wang Fan shivered and ran away quickly. He muttered, "if you don't help me, don't help me. Why do you have to be so angry? I'm so angry."

"Besides, I didn't say anything wrong. It's your own cheating. It's none of my business."

Wang fan is very aggrieved, but also some speechless.

Lin Ruoxue, like song Rumei, always hides scissors. It's too violent.

More than ten minutes later, the disturbance of the president's office was calm. Lin Ruoxue sat on the

sofa full of shame and indignation, while Wang Fan was holding her shoulder behind her.

"Mr. Lin, take it easy, take it easy. It's bad for your health if you have too much Qi. Look, how about the small one?" Wang Fan has a flattering face.

Lin Ruoxue rolled her eyes and said, "not so good. Wang Dong, I heard that you are very proud. This time I went to Jiangcheng, I not only brought back my little lover, but also brought back a beautiful woman. "

"What's the matter? Does it feel good to be served by beauties? Isn't it that I'm not thinking about Shu?"

Wang Fan listen to this, can't help choking, "where have, I am such a person? Qing Cheng has nothing to do with me. She's just the talent I've recruited. "

Wang fan is full of flowers and flattery. "Besides, even if it's one dragon and two phoenixes, I'll go to Mr. Lin, what can I do with them. In my heart, Mr. Lin is my favorite. "

"Pull down, your words will deceive those ignorant girls. I don't have to show my shame here." Lin Ruoxue snorted and said.

She was very happy when she heard that Wang Fan came back from Jiangcheng. Just hear Wang Fan unexpectedly also brought Pei Qing City to come back, immediately some not happy.

Isn't this guy going to Jiangcheng to find Ning Yao? How can he bring back one more beauty?

At the thought of Lin Ruoxue, who has been rejected many times, Wang fan is now out flirting, so he is not angry. Can't Lin Ruoxue compare with other women? Why.

Therefore, even if she knew that Wang Fan came back, she did not call Wang Fan, let alone go to see him.

"What I said is true. I can't cheat you even if I cheat anyone." Wang Fan looked serious. "By the way, Mr. Lin, thank you for your financial support to Xiaodi company. I will never forget it."

"I'm here to thank you. If you need any help, I'll die as long as I can do it."

Wang Fan said it very seriously, but the words came out of his mouth. He didn't know why, so he felt a little changed.

But what Wang Fan said is true. This time he came, the first is to meet Lin Ruoxue, and the second is to thank him.

Lin Ruoxue has helped his company so much. If Wang fan doesn't come to thank him, it's hard to say.

"A sea of fire? And die? " Lin Ruoxue sneered, "you are really cheeky." She took the sharp knife directly, threw it in front of Wang Fan with a jingle, and said with a sneer, "I'm very upset with you now. Come on, kill yourself and show me one."

"Don't you die? I won't let you die, just let you die. How dare you? "

Wang Fan has a black face.

Nima Oh, it's going to be friendless.

But look at Lin Ruoxue's face, he still picked up the scissors, made a pair of sad state, "since Lin always said so, that little brother can only obey."

"Mr. Lin, goodbye in the next life." Wang Fan said, without hesitation, picked up the scissors and poked them into his body.

"No." Lin Ruoxue stood up, and panic suddenly appeared in her eyes.

She just casually said, want to see Wang Fan eat shriveled just, where would think, Wang Fan actually started.

"Are you ok? Are you OK, Wang Fan? I'm just teasing you. I'm just talking about fun. How can you take it seriously?"

Lin Ruoxue rushed to Wang Fan's side in an instant, and burst into tears. "Please show me if you're hurt. Is it serious. By the way, I'll call 120 and take you to the hospital. "

She's a bit of a lunatic.

"No more." Wang Fan covered his abdomen with one hand and held Lin Ruoxue with the other, "I'm dying. It's too late to go to the hospital."

"Mr. Lin, now you believe my heart for you. What's the fear of death for you? As long as I can make you laugh, I will be satisfied. "

Said here, Wang Fan couldn't help but hum a pain, covering the stomach of the hand also emerged blood.

"Ah? What about that? " Lin Ruoxue is really a bit of a God. She also thought about whether Wang Fan was acting or not. She just looked at the blood on Wang Fan's hand. There was no water in it.

"Why are you so stupid? I'm just joking. Don't scare me. What should I do when you die? Sobbing. " Lin Ruoxue could not help crying.

"Mr. Lin, I feel like I'm dying. But I still have a wish. I don't know if you can satisfy me Wang Fan said weakly.

"What wish?" Lin Ruoxue couldn't help asking.

"Well, I didn't see clearly just now. Can you let me have another look and let me die?" Wang Fan stares at Lin Ruoxue's upper circle.

Lin Ruoxue is confused for a moment, and then looks at Wang Fan suspiciously.

## **Chapter 619**

Is it too much to think about this when people are dying?

Lin Ruoxue is also a president, who has been working hard for many years in shopping malls. Just now, I was just too worried about Wang Fan, and those bloodstains confused my mind.

Now when she thinks about it, she feels very wrong.

This son of a bitch was about to die just now. Why not?

In addition, he stabbed himself with a pair of scissors. It's reasonable that blood would come out continuously. Why is there only a little blood on his hand without any increase?

Thinking of this, Lin Ruoxue suddenly saw the corner of Wang Fan's mouth, which made him more sure that the son of a bitch was acting.

But Lin Ruoxue didn't move her voice on the surface. On the contrary, she catered to Wang Fan, "OK, OK, I'll satisfy you."

She said, and stretched out her hand to untie her coat slowly.

Wang Fan was still thinking about whether Lin Ruoxue was aware of something, but when he saw that Lin Ruoxue began to untie her clothes, he immediately threw it aside.

He did not blink eyes to see Lin Ruoxue, heart is about to laugh.

His breathing can't help but become short, if not for fear of being noticed by Lin Ruoxue, I'm afraid he can't help but urge him to hurry up.

Just, Lin Ruoxue in solution after a few, suddenly frowned, and then went to Wang Fan said, "I'm a little embarrassed, or you help me."

"Good." Wang Fan did not hesitate to agree to come down, at the same time subconsciously stretched

out his hands.

It's just that as soon as he reaches out, he feels like he's been cheated.

Nima, oh, she's seriously injured. How to solve it?

That's a smart watch.

Wang Fan knew immediately that he was in trouble.

"Well, you're the head." Sure enough, Lin Ruoxue listened to Wang Fan's words, and then looked at Wang Fan's actions. She couldn't help it any more, and a burst of pink fist came down.

Wang Fan repeatedly begged for mercy.

Half an hour later, Lin Ruoxue and Wang Fan left Yuanbei pharmaceutical.

She is going to take Wang Fan to the Yalan club to spend money and enjoy the world.

Wang Fan had nothing to do anyway, so he agreed without hesitation. He also wants to spend a good day with Lin Ruoxue and thank this woman.

It's not the first time for Wang Fan to come to Yalan club. It's not strange at all.

Lin Ruoxue seems to be a frequent visitor here. She takes Wang Fan to the No. 6 courtyard.

Before long, the delicious wine was already on the table, and the two began their candlelight lunch.

Lin Ruoxue changed into a casual dress, the whole person looks more energetic and charming.

Straight and slender legs, haughty and straight upper circumference, slightly curled hair, it looks both intellectual and elegant, elegant and elegant, giving people an indescribable style.

"Hello, miss. There are already guests in yard 6. You can't go in. Courtyard 7 is still vacant. Would you like to go to courtyard 7? "

Just at the moment when Wang Fanlin Ruoxue was enjoying himself, a loud voice came.

At the gate of No. 6 courtyard, a service girl was blocking a woman who looked gorgeous.

There were a lot of young men and women beside the woman, but they all looked at each other and didn't speak.

Pop.

The coquettish woman slapped the maid in the face and said, "what are you talking about? I can't go in? Is there anything else in the Yalan club that I, Guo Weiwei, can't go in? "

"I'll take a fancy to yard 6. I'm not going anywhere except yard 6. Why don't you let the people in yard 6 go to yard 7? I'll pay double price."

The service lady was slapped, but she didn't dare to get angry. She still said, "but it's against the rules. We don't have the right to do this. Don't embarrass me, do you?"

Pop.

The coquettish woman, that is, Guo Weiwei, is slapped in the face without saying a word,

"rules? What are the rules? Do you think Guo Weiwei embarrasses you? Have you got it wrong? What's my status? Do you need to embarrass such a cheap waiter? "

Guo Weiwei's eyes and nose turned to the sky, "what are you? What can I do for you? How dare you stop me? Believe it or not, even if your club owner comes, you dare not stop me? "

"You get out of here. It's none of your business. I'll go and negotiate with the guests in yard 6 myself."

Guo Weiwei is arrogant and domineering. She pushes away the service girl and goes straight in.

Wang Fan frowned a little. As a matter of fact, it's not a good thing to eat. He can always meet such a few bastards who don't have eyes.

Wang Fan looked at the same cold face of Lin Ruoxue, is going out to throw this arrogant woman out, Lin Ruoxue is the first to stand up, to the outside.

"Guo Weiwei, you really don't change your nature. How can you be arrogant in Yangcheng and Jinzhou?"

"That's what you can do to embarrass a service lady. I'm not afraid to tell you that this No. 6 courtyard is owned by Lin Ruoxue. Now Lin Ruoxue is the owner. ""If you want to pay three or five times the price, then don't dream. I, Lin Ruoxue, don't like that little money."

"I'll give you a word to roll now, and those who know how to roll quickly, otherwise don't blame me for being impolite. I'm in a good mood today. I really don't want to step on goods like you. "

Lin Ruoxue looks at Guo Weiwei with a pretty face. She is not polite, but a heartache.

Her eyes are showing disdain, obviously, she knows Guo Weiwei, also look down on Guo Weiwei.

As always strong, as always overbearing.

Wang Fan listened to this, can not help but think of the first time to see Lin Ruoxue scene. At that time, Lin Ruoxue was as high and domineering as she is now.

Guo Weiwei saw Lin Ruoxue, first she was stunned, then her face suddenly changed, "Lin Ruoxue, is it you?"

Short dull, she instantly became angry, "ha ha, who am I? It turns out that I am the famous capital daughter."

Guo Weiwei said, looking around at the group of companions, "come on, let me introduce you. This is Lin Ruoxue I told you."

"The Lin family's gold in the capital, now the president of Jinzhou Yuanbei Pharmaceutical Co., Ltd., is excellent. At that time, I slapped me a few times and made me make amends for a few drinks. "

If those young men and women had a meaningful look at Lin Ruoxue, their eyes twinkled with fun, but they didn't put it in their eyes.

If it's the nephew of the eight families in Beijing, maybe they'll be afraid of it, but they don't need to pay attention to it.

Lin Ruoxue also slightly frowned and felt something was wrong.

It seems that Guo Weiwei is not the same as before. Does she have a new reliance and a new backstage?

Lin Ruoxue took another look at the young people. They were all fresh faces, and none of them knew each other.

It's just that their temperament is obviously not very simple. It's not acquired at all. Moreover, there is no obvious dandy in them.

Lin Ruoxue couldn't understand each other's identity and backstage, so she didn't be aggressive. She frowned and said, "Guo Weiwei, I've packed the No. 6 courtyard, and I won't give it to you."

"Today I don't want to tear with you, and I'm not in the mood to tear with you. You are not welcome here. You'd better find another place."

With that, Lin Ruoxue takes Wang Fan and plans to go back to the room.

However, Lin Ruoxue wants to go, but Guo Weiwei doesn't give her a chance at all. On the contrary, she is more arrogant and domineering.

She pointed to Lin Ruoxue's nose and said, "why, just now, don't you still want me to go away? Now I'm counselled?"

"I'll tell you, Guo Weiwei still has a crush on the No. 6 courtyard today. If you don't let it, you have to let it!"

"By the way, it's better to meet each other by chance. You not only have to give up the yard, but also give me back all the insults you gave me. Otherwise, you don't have to leave the Yalan club today. "

## **Chapter 620**

Lin Ruoxue listens to these words, and her pace stops. She suddenly looks back at Guo Weiwei, with an unprecedented chill in her eyes.

"Guo Weiwei, I don't want to pay attention to you, but it doesn't mean I'm afraid of you. I don't care who your backstage is, and no matter what you rely on now, those who are wise will get out of here, otherwise don't blame me for being impolite. "

Lin Ruoxue's voice is very cold, and her eyes are even more cold. "I dare to slap you in those years, but today I still dare. Don't go too far."

"Ha ha." Guo Weiwei laughs wildly. She points to Lin Ruoxue, and her voice is very sharp, "too much? I've gone too far. What can you do? "

"Slap me? You are coming! Do you still think that I was Guo Weiwei before

"I tell you, it's all in the past. Now I, Guo Weiwei, can't be provoked by you. On the contrary, I step on you, like a mole ant! "

Guo Weiwei sharp said, directly point behind a tall and burly bodyguard, "up, give me this woman two slaps, the harder the better, I am responsible for the accident."

"Yes." When the bodyguard heard Guo Weiwei's order, he didn't hesitate and ran to Lin Ruoxue.

There was no expression on his face, just like a robot, executing orders.

"You dare!" Lin Ruoxue's face became colder. She didn't expect that Guo Weiwei had become so powerful that she dared to be slapped.

Feeling the chill of the bodyguard, her heart emerged a strong anger, but very helpless. She didn't take bodyguards at all. She would have taken two bodyguards out of the house if she knew this would happen.

Lin Ruoxue has forgotten the existence of Wang Fan, a great master, and even more has forgotten that

Wang fan is a big bodyguard.

"What dare not, hit you Lin Ruoxue, I don't have any pressure." Guo Weiwei looked at Lin Ruoxue's ugly face, and her smile became sharper and crazier,

"give me two more slaps, give me hate, you're welcome. I want to let her know that Guo Weiwei can't be provoked. "

At the moment when Guo Weiwei spoke, the tall and burly bodyguard had already rushed to Lin Ruoxue's side. Without any hesitation, he raised his hand to fight.

He slapped the wind, hard, fast, accurate, no bit of drag.

Even before the slap fell on Lin Ruoxue's face, Lin Ruoxue already felt the sharp energy.

If this fight goes on, Lin Ruoxue's tender face will be wasted.

"Cough, the woman who beat me in front of me is not very good. Do you still pay attention to me?"

A sudden voice suddenly appeared. Wang Fan flashed in front of Lin Ruoxue in an instant. At the same time, he grasped the hand of the tall man.

The pupil of tall man suddenly shrinks, in the heart a startle.

Wang fan is one or two meters away from Lin Ruoxue. How did he suddenly come to him and grab his hand? Is that too incredible?

"What are you to slap my woman? You're just a dog, so I won't worry about you. I dare to rush up and bite you again, and I'll break your leg next time. "

"Go away." Wang Fan said faintly, slapping twice, directly fan in the tall man's face.

The tall man's body of more than 200 Jin was directly fanned up, and directly fell at Guo Weiwei's feet, his head was broken and bleeding.

If Guo Weiwei didn't react in time and take two steps back quickly, I'm afraid they would have hit her directly.

"Who are you, the one who dares to beat me? Don't you want to live? Do you know who I am? "

"I tell you, don't think you can do whatever you want with Lin Ruoxue. She can't provoke me. What are you?"

Guo Weiwei looks at the fallen bodyguard and looks at Wang Fan again. Her face turns ugly in vain.

She originally wanted people to find Lin Ruoxue, but now, his bodyguard was beaten back. How can she bear it?

Fortunately, she didn't do it herself. Instead, she asked the bodyguards to fight. Otherwise, would it be Guo Weiwei who was beaten back?

"Miss Hui, I'm not something, just a little man of President Lin." Wang Fan grabs Lin Ruoxue's hand and looks at Guo Weiwei with a serious expression,

"Lin is always my food and clothing parent. I depend on her for food. If you beat her, you will cut off my fortune? How can that be? "

"I don't care who you are, what identity you have, what background you have. In short, if you want to fight Mr. Lin, you just can't do it."

"For the sake of you being a woman, I don't care with you, as long as you go away immediately. Otherwise, don't blame me for beating you. "

"By the way, for a bodyguard like this, don't call it shameful. It's not enough for me to clean up with one hand. If you want to find a place, please find some powerful people

"Well, that's it. You can go away." Wang Fan looked at Guo Weiwei, expression is very serious, very serious said. It's just that his serious expression, coupled with his words, is a little irritating.

Not only Guo Weiwei is angry, but also the faces of her companions are not very good-looking.

The whole scene, I'm afraid only Lin Ruoxue, and the waiter who was bullied felt very relieved.

"You, you, who am I? It turns out that you are Lin Ruoxue's wild man. No wonder you are so arrogant. You are really a pair of dogs."

Guo Weiwei laughed angrily, "you dog men and women, wait for me. This matter will not be settled like this. I will get back the old and new accounts together."

Pop, pop, pop.

Guo Weiwei's words just fall, Wang Fan has already flashed in front of her, not polite, a series of slap down.

After a few slaps, Guo Weiwei's face turned red and swollen, and her teeth were almost knocked out.

She covered her face, a face of incredible.

How dare Wang Fan beat her?

Wang Fan slapped her?

How is that possible?

She was so angry that she almost vomited blood.

Wang Fan's cold voice has spread out, "it's really a dog's mouth, but it can't spit out human words. I didn't want to beat the dog, but you can't help barking like that. "

"I can only blame you for not beating your dog. These slaps are just a lesson. If you dare to bark and bite again, you will be beaten down next time."

Wang Fan said, but also can not help sniffing, "worthy of a dog ah, it is really a big stink, quickly get out of here for me."

With that, he kicked Guo Weiwei in the stomach and directly kicked her out of the yard.

There was a moment of silence.

No one thought that Wang Fan was so rampant that he slapped people and kicked them out.

Guo Weiwei is lying on the ground in the dead corner and gnaws at the mud. She spits out the mud several times, showing her resentment in her eyes.

It's humiliating. It's bullying.

Wang Fan scolded her and slapped her. At last, he threw her out like a dog and bit the mud like a dog.

It's a shame.

Guo Weiwei originally wanted to step on Lin Ruoxue, but now she was trampled on by Wang Fan. Only she could understand the spirit in her heart.

"I'm brave enough to beat Miss Guo. Wang Shao won't let you go."

"I tell you, you're dead, your whole family is dead! If you offend Wang Shao, you will never have a good life. "

"If you leave the Yalan club today, we won't have to wait for our revenge."

Guo Weiwei's companions came back and couldn't help pointing to Wang Fan in anger.
