

force was low. But Henry, the relationship between the Qi and meridians in his body was like a big truck running on an eight-lane road at an extremely fast speed. The impact force was extremely fierce. Although it was not as flexible as a small car, it was more destructive.

In the field of Qi, Henry had always maintained the mindset of a beginner. Today, he suddenly realized that he, a beginner, was not as weak as he thought. Anyway, the elder of the Zhao clan in front of him was far from his level.
