

God, the Real Miss Hated Everyone Equally

Chapter 20

Chapter 20

Jordan wiped Pearl's tears.

"Why are you crying again? I believe you. I won't doubt you. My l'earl is the kindest girl in the world. How can you harm. me? You don't even dare to kill a chicken. How can you want me to die?"

"Besides, you just saved me last night. How can you want me to die today? This doesn't make sense."

"No matter how they discredit you, I will not believe them. They don't know you at all. They don't know how kind you are."

Pearl broke into a smile. "Thank you, brother, for trusting me so much. As long as brother is willing to believe me, no matter how others misunderstand me, I don't care, because I only care about brother."

[Damn, I can't stand it anymore. Let me go over and tear up Pearl's inverted black and white mouth!]

[Pearl is really cheap. She clearly wants Jordan to be drowned. The other three are very concerned about Jordan, but she bit back and discredited the other three behind their backs. The key is that Jordan believes it. It is better to care about a dog than to care about Jordan!]

[Jordan, if you continue to be so blind, you will die in Pearl's hands sooner or later!]

[Brielle hit you so many times, but she still didn't beat you until you are enlightened. I am so anxious!]

[How can Jordan be so stupid? It is not easy to live to such an extent with this kind of IQ!]

[I am not siding with Jordan, but I don't like Pearl playing tricks. I hope Jordan can see Pearl's character as soon as possible!]

[One is stupid, one is cheap, a perfect match!]

[Pearl is too angelic bitch. How can there be such a person in this world!]

[Director, quickly cut the big shot to Brielle. I would rather see Brielle in a daze than see Pearl make a fool of herself!]

On Brielle's side, a fish had already been roasted.

Austin, Jaxson, and Quinn were sitting not far away, looking at her with eager eyes. They continuously swallowed their saliva, but did not dare to ask for it.

They already knew how cold and decisive Brielle was. If she didn't want to give it, no matter how they begged, it would be useless.

Brielle picked up the grilled fish and took a bite, then placed another fish on the charcoal to roast.

Brielle chewed on the fragrant and tender fish and looked up at Austin and the others, squinting.

Austin said, "We just take a look. We won't snatch it."

They had been hungry for so many days, and they could not snatch it even if they wanted to.

Brielle asked lightly, "What can you guys do?"

The three of them looked confused. "Ah?"

Brielle said, "You can perform for me. If you perform well, I will reward you with some food."

Jaxson glared at him angrily. "What are you thinking that we are? Even if you are awesome, you can't insult us like this!"

Unexpectedly, before he could finish his words, Quinn stood up impatiently and quickly ran to Brielle. "Is what you said true? I can sing. Can I sing?"

Chapter 20

Yes. Brielle nodded.

Quinn hurriedly asked, "What song do you want to hear?"

Brielle said, "Try it."

Quinn thought for a moment and said, "Then I'll sing the song I like, Stupid Heart. In the past, when I was in school, the school played this song every day."

Brielle nodded.

Quinn cleared her throat and began to sing.

/My stupid heart]

/ Don't know, I've tried to let you go

/So many times before

/Then wound up at your door

/ Can't believe that I haven't figured out by now

/ Every time I call you up, all you do is let me down

/ Should've known there was nothing about us I could change

/ Every time we try to be friends, it always ends the same

/ But when I try to remember

/ All the pain that we've been through

/Something in me says "whatever"

/And it brings me back to you

As expected, she ate even more.

Quinn had a good voice and good singing skills, but because she hadn't eaten for a long time, her singing was a bit weak and sounded weak.

However, Brielle didn't stop her in the middle of the process.

Their evaluation of her was a little right indifference.

She was indeed indifferent to people she did not care about.

Even if the other party was about to die in front of her, she could not feel sympathy.

She had seen too many such scenes before, and her sympathy had long been consumed, resulting in her not being able to secrete it now.

After Quinn finished singing. Brielle said to her. "Wait for a while. When this fish is ready, I will give it to you."

Quinn was beaming with joy. She ran to Brielle and sat down obediently. "Thank you, Sister Brielle."

Quinn was older than Brielle, but Brielle was too powerful. She dared not call her sister, so she just called her sister.

Chapter 20

Brielle didn't care.

Austin also stood up and said to Brielle, "I don't sing well, but I have learned some sword dance moves during filming. Can I use a branch as a sword dance?"

"Yes," Brielle nodded.

Austin immediately went to the forest to pick a suitable branch.

After a while, he came back with a branch that was about the same length as a sword.

He took the branch and began to dance.

He danced for a while, and suddenly there was music. It was Jaxson who picked a leaf and put it to his mouth to blow,

The majestic music, coupled with Austin's clean and neat moves, was even more pleasing to the eye than many carefully rehearsed programs.

Brielle raised her eyebrows. These two people had some talent on them.

Austin was very dedicated. He danced for nearly fifteen minutes before stopping.

Jaxson also played fifteen minutes.

Austin danced until he was panting all over.

Jaxson blew so hard that his face turned into the color of a pig's liver, and he almost couldn't catch his breath.

"This is the most wonderful performance I have ever seen! The two seniors are too amazing. Senior Austin is so physically strong, and Senior Jaxson is so energetic!" Quinn was very supportive and applauded.

She really felt that they were very powerful.

They hadn't had a full meal for such a long time, and they still had physical performance. This was really amazing!

Unexpectedly, as soon as she finished speaking, Austin and Jaxson fell down together.

"Ah? What's wrong with the two seniors?" Quinn was frightened and hurriedly stood up to check on them.

However, because she got up too fiercely, the moment she stood up, her vision went black and she fell to the grass.

Brielle said, "Like you, they just fainted for a while with low blood sugar."

Quinn touched her head awkwardly.

They hadn't eaten for such a long time, and they put in so much effort to perform. It was indeed easy to have low blood sugar.

[Shit! Austin and Jaxson are a little awesome. Austin's figure and moves are too handsome, worthy of the four words "visual feast"! Jaxson can play the song with his leaves so majestic, and he even played it for fifteen minutes. I am worried that he will die. Both of them are too awesome!]

[I'm sorry I used to be biased against Jaxson because he debuted in the male group. Now that I take back my prejudice, it makes sense for him to become the top. I

[I didn't expect Jaxson to have such an outstanding appearance and talent!]

[Mr. Austin is worthy of being the best actor. No wonder he could become the youngest actor. He is worthy!]

[Didn't anyone praise Quinn? I came to praise her. Her singing skills are also good.]

Chapter 20

[What should we do? I feel that I am going to have a bad outlook on the world. Previously, they isolated and targeted Brielle together with Pearl. What they did was 100 despicable. But now, I seem to be a fan of them...]

[I feel that they can't be blamed. They are afraid of offending Galley family, so they listened to Pearl's instructions. They were all used as sword users, not their original intention.]

[That's right, and they are kind-hearted. When Jordan was in danger, they were always concerned about Jordan's life.]

[Before the program team retreated, their attitude towards Sister E was also not good...]

[I think that's normal, right? After all, Brielle's reputation has always been very bad. They don't want to get involved with her. Before this, weren't we also scolding Brielle? At that time, there were many people who praised Pearl for being beautiful and kind-hearted.]

[I hope that Austin and Jaxson won't be banned. I think that although they did something wrong, they were all instigated. Their nature is not bad...]

[Sister E is willing to share the food with them. This proves that Sister E doesn't hate them, right?]

[Sister E definitely knows that the culprit is Pearl. She has already forgiven Austin and the others. There is no need for us to hold on!]

In order to forgive Austin and Jaxson, the audience in the live streaming room had a heated debate.

At the scene, Austin and Jaxson quickly recovered after a short stun.

They got up from the ground, walked to the fire, and sat down, staring unblinkingly at the fish that was still being roasted.

Smelling the fragrance in the air, they kept swallowing their saliva.

It smells so good.

They really want to eat.

They really want to start eating this half-cooked one.

But in the end, they still held it in

After the fish was roasted, Brielle let the three of them split it up.

Although they were very hungry, they still retained their last bit of dignity and did not fight over it. They were all very polite to split the food.

"It's been four days. I finally ate some decent food. Woo..."

Quinn could not help but cry as she ate.

People were most afraid of suddenly feeling a trace of warmth in suffering, and it was very easy for people to break their defenses.

Austin and Jaxson were also very moved, but they did not cry.

At this time, Jordan changed his clothes, and he and Pearl came over again.

As soon as they got close, they saw Quinn, Austin, and Jaxson sitting in front of Brielle and eating the fragrant grilled fish with him.

She thought that Brielle was finally soft-hearted and took the initiative to share the food with them. Among them, there must be her and Jordan!

Jordan was stunned, and his thoughts were the same as Pearl.

Chapter 20

His disgust and hatred for Brielle eased a little.

It seemed that Brielle still had a trace of conscience, and there was still hope.

In the future, teach her well. Maybe she can become a normal person.

Pearl's face was full of anger. She let go of Jordan's hand and quickly ran over.

Pearl glared at them angrily and scolded, "Why are you so selfish? Before my brother and I came over, you ate first and ate my and my

brother's share. You guys are too evil!"

"The rest is mine and brother's. You are not allowed to eat it. Quickly give it to me!"

After Pearl finished speaking, she planned to directly snatch it away.

At this time, there were only two-thirds of the two fish left. She would definitely be full!

She was a little wary of Jaxson and Austin. She was afraid that she would not be able to snatch them away, so she did not rob them. Instead, she went to snatch Quinn's fish.

Leave the fish in Jaxson and Austin's hands to Jordan!

"Bitch, the rest is mine. Give me my fish!" Pearl cursed angrily. At the same time, she quickly reached out and grabbed Quinn's wrist.
