

God, the Real Miss Hated Everyone Equally

Chapter 57

Brielle glanced at the few people who were glaring at her and said indifferently, “All of you, kneel down and talk to me.” Everyone’s eyes suddenly widened, and they wished that they could stare their eyes out. Then, boundless anger quickly spread in their hearts, and the anger quickly burned into their eyes, causing their eyes to be filled with angry.

Brooks shouted angrily, “You rebellious girl, you actually want us to kneel down to you? I am your father, aren’t you afraid of being punished by the G od?”

Sarah shook her head with red eyes. Her eyes were full of disappointment and anger that could not be hidden. “Brielle, although I feel that I have indeed let you down in the past, I also sincerely want to repair the relationship with you.”

“But you can’t rub your nose against your face. If we are a little more polite to you, you will be arrogant to the point of being lawless!”

“Ask your parents and brothers to kneel down to you. Can you bear it? Aren’t you afraid of losing your life?”

Roman suppressed his anger and shouted with an ashen face, “Brielle, you better stop before you go too far!”

Jordan had a complicated look in his eyes, but there was also disapproval in his eyes. “Brielle, this request of yours is too much.”

“If you disrespect us, we can tolerate you, but you want us to kneel, this is absolutely impossible!”

Pearl said faintly, “No matter what happens, it is a disgraceful behavior to have parents kneel to you.”

“Brielle, I know you are used to being arrogant.”

“But you can’t be so arrogant!”

“You can’t be like this!”

“These are your parents and brother. Do you have no conscience at all?”

Pearl was very angry.

She was the person who hated Brielle the most among all of them.

Brielle had caused her to lose her reputation in a live variety show.

Now, she had exposed her relationship with Brooks, letting the whole family watch her embarrass herself.

She wished she could kill Brielle!

“Don’t tell me you think I’m asking for your opinion?” Brielle looked at them mockingly.

“Now, the fate of your whole family is in my hands. You can do whatever I ask you to do.”

“Unless you want the whole world to see your dirty things and want Galley Group to be boycotted by the whole world.”

Everyone’s face instantly became very ugly, and panic appeared in their eyes.

Brielle said impatiently, “Kneel down and eat sh it. Choose one.”

“If you don’t want to kneel, then you can just poop and eat it yourself.”

Everyone’s expressions became even uglier.

Chapter 57

Eat sh it...

Just hearing these two words made them feel nauseous.

Pearl roared in exasperation, “Brielle, why are you so vicious?”

“Either you want us to kneel down, or you want us to eat sh it.”

“We are your family!”

“Do you have the heart or not?”

Brooks’ face was full of grief and indignation. “You evil creature, I should have let you die in the womb!”

Brielle stood up abruptly and appeared in front of Pearl in the blink of an eye.

“Pa!”

A vicious slap landed mercilessly on Pearl’s face.

“Ah...”

Pearl was sent flying.

“Bang!”

She raised her foot and kicked Brooks over.

“Ah -”

Brooks was kicked out.

Brielle impatiently took off her hat, smashed it on the ground, tore her hair, and walked around the living room, roaring and cursing.

“Are you f ucking sick? Have your brains been eaten clean by a dung beetle?”

“What did I ask you to do? You only have to be obedient. What the hell do you have to shout at me?”

“I was talking to you guys in a good manner. You guys want to take advantage of me? You guys want me to make a move, and then you will be obedient, right?”

When she passed by Roman, she kicked him in the calf.

With a “do ng” sound, Roman fell to his knees.

He wanted to stand up, but Brielle slapped him in the face. “Kneel properly. If you dare to stand up, I’ll break your legs!”

Then, he turned around and kicked Jordan to the ground.

“Brielle... Ah!” Sarah looked at Brielle in horror.

“Kneel down and talk to me again. Don’t f ucking waste my time!” Brielle kicked her. Sarah’s voice turned into a scream and she also knelt on the ground.

Brielle looked at Pearl and Brooks gloomily.

They immediately knelt down obediently beside the other three people, not daring to let out a single fa rt.

Brielle was really crazy.

Chapter 57

She really would do it.

They did not dare to speak.

Afraid of being beaten.

Brielle finally felt better.

She sat back down on the sofa, her voice already calm. “It’s not impossible for me not to send out the video of Brooks and Pearl.”

“But I have a condition.”

Galley family and the others all stared at Brielle, waiting for her to make a request.

Brielle looked at Roman, and a mocking smile suddenly appeared on her calm face.

Roman’s eyes narrowed, and he had a bad feeling.

Brielle said with a forced smile, “Use Roman’s life in exchange.”

“What?” Everyone was shocked and their eyes widened in disbelief.

Jordan said anxiously, “Brielle, how can you be so cold-blooded? He is your biological big brother!”

“Moreover, he just always ignored you. He hasn’t done anything to you, has he? But you asked for his life.”

“You are too cruel!”

Sarah’s face was also full of anxiety. She said with a tearful voice, “Brielle, you and Roman are brother and sister. How can you kill him?”

“Your third brother is right. Although your eldest brother has ignored you, he has only ignored you and did not do anything to you. You want his life. You are too much!”

Brooks said angrily, “You are so cruel to your own big brother. You really have no conscience at all!”

Pearl pretended to say, “Brielle, you can’t be so cruel...”

Roman looked at Brielle gloomily and did not speak.

“He didn’t do anything?” Brielle sneered.

“Isn’t he the one who asked me to sign the contract to set Pearl off?”

Everyone’s faces froze, and their expressions changed.

Jordan lowered her head guiltily.

Although it was big brother who asked Brielle to sign the contract, the first person to suggest it was him...

Brielle continued, “And this time, he asked Lola to commit suicide to frame me. Is this also called not doing anything?”

Roman’s eyes narrowed.

The rest of the people were stunned.

Obviously, they did not know.

Roman clenched his fists and looked at Brielle with gloomy eyes. “Nonsense, I did not let Lola frame you at all!”

Sarah suddenly cried and rushed to Brooks, punching and kicking him, scratching and scratching him.

“You ba stard, it’s all your fault that you can’t control yourself. You got together with that bi tch Pearl, so Brielle got hold of it and used it to threaten Roman!”

“If anything happens to Roman, I won’t let you two go!”

“The matter was caused by you two! You solve it yourself. Don’t even think about dragging Roman down!”

Brooks pushed Sarah away and shouted angrily, “Don’t go crazy here!”

“The biggest mistake of this matter is you!”

Sarah looked at Brooks in disbelief.

“At this time, you still want to push the blame on me?”

“What did I do wrong? I didn’t do anything!”

Brooks said angrily, “It’s all your fault that you made her so rebellious!”

Sarah was so angry that she almost vomited blood.

At this moment, footsteps came from the direction of the stairs.

They turned around and found that Brielle had returned.

Their alarm bells shook violently in an instant.

Brielle smiled and said, “I almost forgot why I came here today.”

“I came here today because I wanted to beat up Roman to vent my anger.”

“I can’t forget my original purpose just because of an unexpected gain.”

As she spoke, she had already walked in front of Roman and punched him.

“Ah...”

Roman was beaten until he screamed again and again.

He wanted to resist, but he was not a match for Brielle at all.

The others wanted to help, but they did not dare to go forward, fearing that they would be beaten up by Brielle together.
