### God, the Real Miss Hated Everyone Equally Chapter 66

#### Chapter 66

*Sarah locked Brooks and Pearl in a room on the second floor of the villa.*

*Galley family's villa has on the second floors unground and the third floors on the ground.*

*The first floor underground was where the nanny and servants lived.*

*The rooms on the second floor were basically used for storage.*

*Because the servants in the house were on holiday, Sarah locked them up in the second underground floor, and no one*

*knew.*

*When Sarah returned home, she immediately went to the second underground floor with a flashlight.*

*The room that closed Brooks and Pearl was in the corner, and the door was also very thick. Even if they shouted inside, as long as they closed the door, they could not hear the floor on the ground.*

*Moreover, there was a door in the middle of the second underground floor that led to the next floor. Once the door closed., the sound was even more inaudible.*

*Therefore, she was relieved to lock Brooks and Pearl at home.*

*Sarah opened the door of the room and shone the flashlight into it. The room was instantly lit up.*

*A strong smell of blood assaulted their senses, and there was a stench.*

*Brooks and Pearl hung their heads on the pile, looking like they were dead.*

*Sarah was a little scared, and her heart began to beat wildly.*

*She had been following the rules her entire life, and this was the first time she had done such a crazy thing. She could not be calm.*

*Even if she was very determined to kill them, she could not control the tension in her heart.*

*Sarah took a deep breath, suppressed the fear in her heart, and walked in.*

*She walked in front of Brooks, stretched out her right index finger, and put it under his nose to test if he was still breathing.*

*However, the next second, Brooks suddenly moved and bit her finger.*

*“Ah...”*

*Sarah was shocked, and the flashlight in her hand fell to the ground.*

*She raised her foot and kicked hard between Brooks' legs.*

*“Ah—”*

*Brooks screamed in pain and let go of his mouth.*

*It was not easy for him to stop the bleeding, but because of Sarah's kick, he started bleeding again.*

*Brooks was furious.*

*“Bitch!”*

*“You vicious bitch! Let me go now!”*

*“I will not let you go even if I become a ghost!”*

*Brooks was already very weak. Even if he was very angry, the sound of his cursing was not enough, and it did not have any deterrent effect.*

*Pearl, who was opposite him, was woken up by him and raised her head weakly.*

*When she saw Sarah, she immediately looked like she saw a life-saving straw and weakly asked for help, "Mom, please let me go. I beg you to let me go. I know I was wrong."*

*"As long as you can let me go and let me live, I am willing to do anything you want me to do. Please don't let me die, wu..."*

*Sarah frowned.*

*Why were the lives of these two people so hard?*

*They had lost so much blood and suffered such serious injuries. Since they were still alive.*

*Sarah hardened her heart, picked up the flashlight, shone it on the ground for a while, and found the dagger she left behind yesterday.*

*She picked up the dagger.*

*Brooks' cursing stopped abruptly.*

*He saw Sarah looking at him with a dagger, and his body began to tremble violently again. He said in horror, "Wife, calm down. Don't do anything rash. Killing is illegal. If you kill me, you won't be able to escape."*

*"Hurry up and stop!"*

*"As long as you are willing to let me go, I promise I will not call the police and will not pursue your responsibility!"*

*Pearl said anxiously, "And me, mom, let me go!"*

*"I also promise you that I will not call the police, nor will I tell anyone! I will tell others that the injuries on our bodies were all caused by us!"*

*Brooks nodded wildly. "Yes, yes, yes. Our injuries have nothing to do with you. If you let us go now, it means that nothing has happened!"*

*"Honey, don't put yourself in danger because of a momentary impulse!"*

*"You are only fifty years old. You still have fifty years to live. Don't do anything stupid!"*

*Pearl said, "Mom, it is not worth it for you to sacrifice yourself for us. You should stop now!"*

*Sarah asked coldly, "Let you go? Then what can you give to Brielle? Let you kill Roman?"*

*Brooks quickly said, "No, no, no, I won't hurt Roman. I won't touch a single hair on his head!"*

*Sarah sneered, "Then what do you think we should do?"*

*Brooks said, "Let Brielle make the video public. I don't care about my reputation!"*

*"I don't care either!" Pearl nodded.*

*It was better to lose his reputation than to die.*

*They were so rich that even if their reputation was ruined, they could still live a good life.*

*Sarah said in a gloomy voice, "That won't do. If your love affair video is exposed, not only you two will be ruined, but the*

*whole family will follow you and become street rats!"*

*"Pearl, you have been throwing yourself into Jordan's arms on the live show. If the video of you and Brooks are exposed, others will maliciously try to figure out your relationship with Jordan."*

*“Not only Jordan, but Roman and Robert might also be suspected of having an affair with you!”*

*“That video absolutely can not be exposed!”*

*Pearl shook her head hard, crying with tears and snot all over her face.*

*“Mom, please let me go. You can just kill Dad alone. Brielle said that as long as there is news of death in the family, it may not be two people!”*

*“I was forced by him. I didn’t do it voluntarily. Mom, please let me go!”*

*“Mom, you watched me grow up. I believe you can’t bear to kill me...”*

*Brooks was so angry that he wanted to vomit blood. “You vicious bitch, I was really blind in the past. I was deceived by you and spoiled you for so long. You actually splashed dirty water on me in order to absolve yourself!”*

*“You obviously seduced me!”*

*“Wife, don’t listen to her nonsense. She seduced me...”*

*“Wife, we have been husband and wife for thirty years. Are you really willing to kill me?”*

*“Although I made a mistake, I was really kind to you in the past. Have you forgotten the beauty of our past?”*

*“Please, honey. Just kill Pearl. Leave me to take care of you.”*

*“You have never suffered. If I die, who will raise you in the future? Who will take care of you?”*

*Pearl shouted, “Mom, don’t believe him. He is fooling you. If you let him go, he will definitely take revenge and kill*

*the future!”*

*you*

*in*

*“But I’m different. I can’t do something as cruel as killing people. Mom, let me go...”*

*“Pa!”*

*Sarah slapped Pearl hard in the face, her eyes full of hatred.*

*“Hahaha, you can’t do such a cruel thing?”*

*“Pearl, how can you say such things?”*

*“You pushed Brielle down the cliff and stopped others from saving Jordan. Do you think I forgot?”*

*“If not for the fact that this old bastard Brooks spoke up for you and said that you were frightened, I would have chased you out of the house long ago!”*

*“You are the most ruthless one!”*

*Pearl shook her head with tears all over her face.*

*In the hospital.*

*After Sarah left, Roman got up from the bed and went to sit in the yard behind the inpatient department.*

*He sat on a chair and looked up at the moon in the sky, feeling a little down.*

*He probably guessed what his mother was going to do.*

*Was his mother planning to make a move on Brooks and Pearl?*

*Perhaps, she had already made her move.*

*When he guessed what his mother was going to do, he did not think of stopping her and pretended not to know.*

*In fact, he had always looked down on his mother.*

*Love-struck.*

*She only knew how to run around her family and did not have her own career.*

*For a family like theirs, she did not need to do anything at home. Even if she was idle every day, she could not socialize.*

*It was also thanks to Galley family being the richest man in the past. She had a high status in the circle and did not need her to socialize and contribute to the family business.*

*Moreover, she did not have any opinions at all. Any small matter would cause her to panic, and her face would be full of panic.*

*People who were dozens of years old would only cry and ask them to find a way to help her deal with the aftermath.*

*She was especially brainless. Many old tricks of deception could cheat her of her money*

*.*

*Apart from her good birth and good marriage, she had no other good qualities.*

*She went to kill Brooks and Pearl now and saved Galley family's reputation. It could be considered that she had not lived in vain in this life and had done something meaningful*

*.*

*However, he was still a little depressed.*

*He is still too emotional....*

*Roman was a little confused and did not want to go back to the ward to rest.*

*He sat on the long chair and took out his mobile phone to kill time.*

*He logged into Twitter and wanted to see the public opinion on the Internet.*

*However, when he landed on Twitter, he found that his backstage private letter had exploded.*

*The one he posted that said that he wanted to treat Lola's mother and help Lola retire for her mother, Twitter, already had millions of comments.*

*Roman opened it and looked at the comments.*

*They were all cursing him!*

*The private letters backstage were all cursing him, and there were even people who had photoshopped his black and white photos and sent them to him.*

*The artists and partners who had been paying attention to him in the past also all cancelled their attention.*

*He originally had more than 10 million fans, but now he only had more than three million*

*.*

*Roman's face was terribly gloomy.*

*What the hell was going on?*

*Even if it was proven that Brielle did not kill anyone, he helped Lola take care of the funeral. This was a good deed. Netizens should not come to scold him.*

*When he was hospitalized, he already knew the video of Brielle being innocent.*

*Roman pursed his lips and immediately turned on the hot search to check.*

*Lola's mother.*

*Lola was forced to death by Roman.*

*Roman framed Brielle with Lola's death.*

*The recording of Lola's life.*

*Lola's mother complained about Roman's vicious heart.*

*Lola's mother publicly announced the letter that Lola had left behind.*

*Lola's mother was so angry that she entered the ICU.*

*Brielle was miserable.*

*When Roman saw this hot search, he tightened his grip on his phone. His face was as dark as water.*

*He clicked on the hot search left behind by the video in front of Lola.*

*There was a video inside.*

*At first, the video quickly shook and took a picture of his face.*

*Then the video was completely black, but the sound of his conversation with Lola could be heard.*

*It was the conversation between Lola and her face to face the night before Lola jumped off the building!*

*Roman clenched his fists tightly.*

*Lola was so scheming that she actually recorded it!*
