

Mission To Remarry Chapter 958

Roxanne and Lucian packed the tent before putting away all the camping equipment with Archie, Benny, and Estella. Then, they all made the trip back by taking Lucian's car.

They left Roxanne's car at the camping site, having hired a garage to tow it away. When they arrived at Roxanne's house, Roxanne alighted from the car with Archie and Benny.

Getting out of the car as well, Lucian helped them to retrieve their things from the trunk. After taking everything, Roxanne bid Lucian and Estella farewell, planning to bring Archie and Benny back into the house. "Ms. Jarvis..."

Making for a petite figure beside Lucian, Estella reached out and grabbed the hem of Roxanne's shirt. After being with Roxanne, Archie, and Benny for a day and a night, she couldn't bear to part with them just like that.

Her voice melted Roxanne's heart. Roxanne dipped her eyes and stroked her head. "Are you hungry, Essie? Come in and have some food."

As her stomach has been grumbling since she woke up early in the morning, she must be famished now. Estella's eyes lit up, and she joyfully leaned close to Roxanne.

Subsequently, Roxanne lifted her eyes and looked at the man in front of her. "Would you like to eat something together, Mr. Farwell?"

Although she didn't know how to face Lucian, it was undeniable that he had helped them tremendously. Thus, she had no reason to give him the boot.
