

A MISTAKEN MARRIAGE WITH MR. CEO

Chapter 13

Shen Qi's face instantly flushed red.

How shameful!

Indeed, she hadn't eaten since morning ...

Early in the morning, he went to the church for a person's wedding. After the wedding, he went straight to the villa given by the He Family. He was called over before he could even rest ...

"Let's go together." A light smile flashed past He Yi Ning's phoenix eyes as he turned around and walked towards the door.

Shen Qi frantically scratched her head, she knew that she could not eat here with his work bag, so she placed it on the seat at the back. Then she got out of the car and caught up to He Yi Ning's footsteps with small steps.

He Yi Ning's speed wasn't fast, it was obvious that he was waiting for Shen Qi.

However, Shen Qi did not notice this, and felt uneasy in her heart.

Huge Force Electric's Eldest Young Miss Feng Ke Xin had always been City H's number one daughter.

It was no wonder that He Yi Ning would be so serious to come to see her. I heard that this young miss is not only beautiful and flirtatious, he also plays the piano very well. Who knows how many people are lining up in City H to pursue her.

It was a pity that Feng Ke Xin was not interested in any of the others, and all her focus was on He Yi Ning.

Even Shen Qi, who was not that much of an entertainment circle, would often see it in the newspapers as a sign of love, and would circle around He Yi Ning in all kinds of ways.

These two could be said to be the perfect match, a golden couple.

Just as Shen Qi was thinking, he entered together with He Yi Ning.

When He Yi Ning arrived, the manager of the hotel was personally standing guard at the entrance to greet him. "Director He, Miss Feng is already waiting for you in his room."

He Yi Ning nodded, and continued to walk forward.

Shen Qi hesitated for a moment, but still followed her.

There was no choice, if the customer needed it, as the stylist, he had to keep up!

Turning the corner, the hotel manager personally opened the door: "Miss Feng, Director He has arrived."

Shen Qi looked up and saw a beautiful female Chanel sitting on the sofa in the room. He was reading a fashion magazine.

Hearing the manager's words, Feng Ke Xin laughed. When she raised her head and saw Shen Qi behind He Yi Ning, she froze.

He Yi Ning seemed to not have seen Feng Ke Xin's expression at all, as he walked in gracefully with a smile: "Miss Feng, I'm sorry to have kept you waiting."

Feng Ke Xin's gaze was firmly locked onto Shen Qi, but her tone was light and casual: "Director He is too courteous, I just arrived too. "This is —"

Facing Feng Ke Xin's hostility, Shen Qi felt that she was truly innocent.

He really didn't want to be this electric light bulb.

It was He Yi Ning who insisted on pulling him along to monitor his appearance and appearance.

He Yi Ning smiled as he explained, "This is Shen Qi, my ... A private stylist. "

Shen Qi didn't know if it was an illusion, but she had a nagging feeling that his words were paused for a moment because they clearly had ill intentions.

Sure enough, after Feng Ke Xin heard He Yi Ning's explanation, his eyes became even deeper: "Oh? Just a stylist, did he need to bring him here to disturb our reunion? Yi Ning, we haven't seen each other for a while. "

He Yi Ning smiled lazily: "Because there's still an important occasion in a while, so it's safer to bring someone as important as stylist by your side."

Feng Ke Xin looked at Shen Qi meaningfully, "Since that's the case, then please come in together with us."

Feng Ke Xin had no choice but to give He Yi Ning this face.

Otherwise, he would have been able to do something like flicking his sleeves and leaving!

Even if he had an additional electric light bulb, Feng Ke Xin would not easily find an excuse to leave!
