

A MISTAKEN MARRIAGE WITH MR. CEO

Chapter 14

She had been waiting for this date for a long time!

If it were not for an excuse to discuss official matters, he would not have seen He Yi Ning.

Shen Qi also knew just how bright her light bulb was. From the moment she entered the door, she had been keeping a low profile as she stood at the side, trying to reduce the feeling of her own existence.

Unfortunately, He Yi Ning had completely gone against the rules, and seeing that Shen Qi was still standing at the doorway as a pillar, he laughed sinisterly: "Why are you not coming over yet? How long are you going to make Miss Feng wait for you? "

"I ..." Shen Qi looked at Feng Ke Xin with difficulty, wanting to say something but stopping himself.

The other side clearly did not welcome him, so he just kept going up ...

Feng Ke Xin is the local famous woman!

He didn't know how many people in high society would try to curry favor with her. If he offended her, then who would be able to pose for him in the future?

If no one came looking for him, how would he save up for his brother to pay for the treatment?

When Feng Ke Xin heard He Yi Ning, she immediately turned to look at Shen Qi. "Miss Shen, please take a seat.

Even though he was smiling so brilliantly, Shen Qi could clearly hear the other party clenching his teeth.

Since Feng Ke Xin had already said so, Shen Qi could only bite the bullet and obediently choose to stay far away from him.

Without waiting for her to sit down, He Yi Ning suddenly frowned: "Why are you sitting so far away? "Come, sit here."

He Yi Ning looked at the spot beside him.

Shen Qi was instantly horrified, and subconsciously looked towards Feng Ke Xin.

Little Ancestor, don't get angry at me! I have nothing to do with him!

No, I'm his sister-in-law. We were innocent!

Feng Ke Xin's face instantly became extremely unsightly. However, her many years of life as a young lady allowed her to control her emotions well, and her eyes became stiff as she looked at Shen Qi. "That's right, Miss Shen, why are you sitting so far away? "Come closer, it's convenient for us to speak."

"Ah ..." "Yes ..." felt his entire body becoming stiff as he mechanically sat next to He Yi Ning. In order to prove his i

ncence, Shen Qi purposely sat outside to the side, determined to keep a distance from He Yi Ning, the male public enemy.

Seeing that Shen Qi did not stick close to He Yi Ning like the other women, Feng Ke Xin's expression slightly eased up.

The food was served quickly.

Looking at the exquisite food in front of him, Shen Qi felt as if he was chewing on wax. He had no idea what he had eaten.

It took a long time for He Yi Ning to go to the washroom. Shen Qi quickly put down the fork and knife in his hand and explained to Feng Ke Xin: "Miss Feng,

you must not misunderstand! I don't have any relationship with the Director He! Ah no, I am only his stylist. The Director He is so outstanding, it's definitely not something ordinary people like us can imagine. Furthermore, I ... I... I'm married! "

When Shen Qi thought about the day today, and how it was actually her wedding day, her heart instantly felt stifled.

But in order to dispel Feng Ke Xin's worries, the status of being married was obviously more persuasive.

Married as long as you don't ruin your career!

As expected, the expression in Feng Ke Xin's eyes eased up a lot when she heard Shen Qi's urgent explanation, especially when she heard the last sentence.

"Alright, I didn't say anything." Feng Ke Xin glanced at Shen Qi: "Don't worry, I won't block your path to riches."

With Feng Ke Xin's words, Shen Qi was completely at ease!
