

A MISTAKEN MARRIAGE WITH MR. CEO

Chapter 16

Shen Qi really wanted to curse loudly.

If he wasn't good-looking, she wouldn't have to hide like this.

It was because he was too good-looking that all the women around the world stared at him, so she had to desperately hide!

He Yi Ning immediately pressed down, forcing Shen Qi to look straight into his eyes.

Shen Qi saw that everyone around him was looking towards him, and was afraid that He Yi Ning would do something so shocking here, so she blurted out, "Of course I look good, you are the second most beautiful man I have ever seen."

"The second one?" He Yi Ning raised his eyebrows and released his aura in a flash. He gave off a domineering air, "Who's the first? Zhan Bo? "

Shen Qi's expression changed slightly, and before she could say anything, Feng Ke Xin's voice came from the door: "Why aren't you guys coming in?"

Shen Qi looked over with a pleading expression and secretly tried to struggle free from He Yi Ning's fingers. However, no matter how hard she tried, she couldn't free herself from He Yi Ning's grasp.

He Yi Ning replied easily: "Miss Feng, I'm sorry, but my private stylist seems to have something going on. Her things are still in my car. I'm going to take her back. We'll make an appointment another day. "

After saying that, He Yi Ning grabbed Shen Qi's wrist and turned to leave.

Shen Qi shook his head towards Feng Ke Xin, indicating that she did not want He Yi Ning to give it to him.

Unfortunately, Feng Ke Xin's expression was terrifyingly ugly, and didn't even look at Shen Qi, as her gaze firmly landed on the back of the departing Xiao Budian.

He Yi Ning dragged Shen Qi all the way to the front of the carriage, and directly leaned on her, pressing her down on the roof.

This was the first time Shen Qi had felt this close to an unfamiliar man's skin, and his entire body felt as if it had been struck by lightning.

The powerful aura that was exclusive to He Yi Ning came crashing down from all directions, matching with his extremely beautiful and charming appearance, it was simply something that no one could avoid.

"You're using such a method to get my attention?" He Yi Ning stretched out her hand and lifted Shen Qi's chin, her narrow and long phoenix eyes instantly falling on the flame birthmark between Shen Qi's collarbones. Her voice became even deeper and hoarse: "Your special method of seducing men?"

Shen Qi's entire body shivered.

What was he talking about?

What method of seducing men?

How could she seduce a man other than Zhan Bo?

He Yi Ning's finger finally covered the space between Shen Qi's collarbones.

He finally managed to touch the birthmark.

The slightly protruding birthmark was slightly green.

Not only did the birthmark look alike, even the feeling of his hand was so similar.

But that her name was not Shen Qi ...

Shen Qi only felt that the birthmark at the center of her collarbone had become boiling hot the instant he touched it.

Shen Qi did not realise that her ears were completely red.

"Hur hur, how sensitive." He Yi Ning chuckled. "Tell me, where is your home, I'll send you back."

Just as Shen Qi was about to reject, she quickly followed: "What? You want me to settle the score with you, do you plan to help Feng Ke Xin watch over me? "

Shen Qi's body stiffened once again.

He really knew everything!

He Yi Ning loosened his grip on Shen Qi, and before Shen Qi could do anything, he threatened: "You are not allowed to refuse, otherwise ..."

He Yi Ning's gaze swept across Shen Qi's chest. Sure enough, Shen Qi immediately stood up straight and quickly reported the address to him.

Anyway, that small apartment only contained some things between her and Zhan Bo, it wasn't a place to stay for long.

And wasn't afraid that He Yi Ning would know about it.
