

A MISTAKEN MARRIAGE WITH MR. CEO

Chapter 24

Do you play golf?

Shen Qi lowered her eyes and did not answer He Yi Ning's question.

He Yi Ning did not continue, after Shen Qi finished his pose, he nodded in satisfaction and turned to leave the room.

Shen Qi looked at He Yi Ning's leaving figure, and heaved a sigh of relief.

It was really easy to be nervous and tired when you were in the same room with this man.

After finishing his work, Shen Qi left the room and went to a balcony to look at the scenery.

The Jinghua Manor was about fifty acres of land and the main building was a four story villa. Beside it were two exquisite little buildings that were only two stories high.

There was a large swimming pool in the sunlight directly across from the villa. The water sparkled beautifully in the sunlight.

On one side of the pool was an artificial sand beach with a few umbrellas on it, where they could chat, bask in the sun, and eat BBQ.

On the other side of the pool was a path that would allow three cars to go side by side. On the other side of the path was a grove of trees. Next to the forest was an exquisite garden. It was obviously overseen by someone, which was why it was so alluring.

As Shen Qi was enjoying the beautiful scenery of the villa, the butler slowly walked over and said to Shen Qi: "Miss Shen, CEO invites you to the golf course."

"A golf course?" Shen Qi was startled. "Where?"

"It's behind the villa." The butler wore a formal smile. "Please follow me."

Shen Qi was sleepy for a while, she didn't understand why He Yi Ning would let him go to the golf course.

However, since she was here to work today, there was no reason for her to refuse.

Shen Qi nodded her head and followed the butler out of the villa and towards the back door.

Sure enough, after walking for a short distance, they saw that there were players swinging their clubs in the distance.

He never thought that there would be a small golf course behind the Jinghua Manor.

Although this stadium wasn't big, although it was small in size, it had everything, not a single thing less.

Shen Qi quickly walked over and saw that He Yi Ning had changed into a golf suit and was talking with a man while playing ball.

Shen Qi really did not understand the meaning behind her visit.

After all, he couldn't possibly do a styling for the guest as well, right?

After they walked closer, Shen Qi heard He Yi Ning say to the guests, "If you don't believe me, we can make a bet. If I teach her to play golf in the shortest time possible, you can give me the program. What do you think? "

The other party laughed heartily: "Director He sure knows how to joke."

He Yi Ning looked at him calmly: "I'm not joking, Director Qian can test her first, do you know how to play golf?"

Shen Qi did not interrupt them as she listened to their conversation. She walked up to them and stood there calmly.

When He Yi Ning saw Shen Qi approaching, he immediately put away the golf club in his hand. His phoenix eyes widened as he looked at Shen Qi with a smile that was not a smile: "Can you fight?"

Shen Qi actually knew a little, but when she heard the contents of the conversation between He Yi Ning and the other party, she immediately decided to help He Yi Ning, shook her head and said: "I won't."

Director Qian turned his head to glance at Shen Qi, and glanced at him in a rather surprised ma

er, "stylist of the Director He, I remember him as a man. "Why ..."

He Yi Ning suddenly laughed, looking both evil and domineering: "I suddenly want to change my style."

After saying that, He Yi Ning waved at Shen Qi: "Come here."

Shen Qi hesitated for a moment, then slowly walked to He Yi Ning's side.
