

Chapter 1.

The sky was like a washed blue-black coarse cloth, and the stars were like shattered gold scattered on this coarse cloth.

There was a dark path in front of me, my fingers could not be seen. If no one is walking with him, one would not dare to walk here.

But on this dark night, there was a terrifying song.

“Walking on a small road in the country, the old bull who returned to Mu is my companion, la la la la la... ah, it seems that I sang it wrong again, it seems that I am not for singing.”

This sound sounds good, and it seems to make people feel better in an instant.

“Hmph, damn smelly Milsa, didn’t even send me home, see if I will bring you snacks in the future.” Tanya An said with a pouting mouth.

Originally, Milsa Ruan sent her home today, but there was a school reunion temporarily, so Tanya An went home by herself.

Tanya bounced forward, facing the dark night, she didn’t feel scared at all.

“La la la, la la la...”

“Bang! Ah!” Tanya An’s feet seemed to have stepped on something, and she yelled in shock.

Suddenly, one hand grabbed Tanya’s warm foot.

“Ah ah, who are you, let me go!” Tanya struggled constantly, using both hands and feet to release what was holding her trouser legs.

When Tanya An was struggling, the person who grabbed Tanya An suddenly spoke.

“help me.”

It was a male voice, deep, strong, and full of magnetism, but his voice was cold, like a thousand years of ice, which made people inaccessible.

“You...you are...who are you?” Tanya An asked tremblingly.

“Save me.” The man said as before. After speaking, the man fainted again.

Tanya An slowly squatted down and watched.

In the dark alley, the face of this man could not be seen clearly.

“What to do, do you want to save him?” Tanya An was a little tangled.

“But it’s not good to leave him here alone. Forget it, saving a life is better than building a seventh-level float.” Tanya An said firmly.

Tanya An tried her best to help the man up.

The man seemed to be 1.9 meters tall, while Tanya was only 1.69 meters.

I go, this is the cutest height difference in the legend. Tanya An vomited.

Tanya An didn’t take a taxi back, because she would get home after a few meters.

Her aim has always been to save a little bit.

When she finally brought the man home, all her clothes were wet, and she couldn’t help but loosen her hands.

With a “bang”, the man fell heavily to the ground.

Tanya An looked at the man on the ground blankly, and said apologetically: “I’m sorry, I didn’t mean it.”

With that said, she once again struggled to help the man onto the sofa and ran to get the medicine kit.

Tanya An’s room is not very big, but it is very warm and cleaned regularly, and everything is available, everything that should be there.

Tanya An found the medicine kit and ran to the man.

Only then did she see the man’s appearance clearly.

The man was wearing a mask on his face, a pure golden mask with a dragon carved on it, which looked lifelike.

This makes the man look extremely evil and enchanting, giving people a mysterious feeling.

Although Tanya An couldn’t see the man’s appearance, she already had a brain for it.

She curled her lips and said with some disdain: "With a mask, you looks very ugly."

Seeing the man's weakness, she seemed to think of something, patted her forehead, and immediately squatted down to check where the man was injured.

Although Tanya An learned design, she can still deal with these minor injuries.

But when Tanya An unbuttoned the man's clothes, she was shocked.

Because, the man had a gunshot wound on his abdomen, but fortunately it didn't hurt to an important position.

"Oh my God, who did I save?" Tanya An said blankly.

She shook her head. Since she brought the person back, she had to help him solve it, thinking that she started to follow the TV show and slowly help the man deal with it.

Although Tanya's warm hands were shaking very much during the process, it was much better after a while.

After treating the wound, Tanya An used alcohol cotton to disinfect the man's abdomen again.

Then, she put down the things in her hand and stretched her waist.

"I should be a doctor." Tanya An pouted, somewhat narcissistically.

Tanya An ran back to the room again and took a blanket to cover the man!

Thinking of the man's body, Tanya An took out her homework and started doing it!

Although she is only a sophomore, she has to work hard if she should work hard. Otherwise, people like her will still be left behind.

Thinking about it, she took out her phone and sent a text message to a person on the phone.

However, after waiting for ten minutes, there was no answer.

"Maybe I'm stressing, I'll study first." Tanya An comforted herself.

"Ok."

While Tanya An was studying hard, the man lying on the sofa snorted.

Tanya An immediately stood up and checked, and found a lot of fine sweat on the man's forehead.

Thinking about it, Tanya An knew that the man had a fever caused by inflammation of the wound.

Tanya An was busy again, and took a basin of cold water from the bathroom and put a towel on the man's forehead.

Tanya An didn't know how many times she had ran, and she felt that her leg was about to break.

Fortunately, the man's fever has subsided.

Tanya An was lying on the table to study, and at some point, she fell asleep vaguely.

The morning sun is quiet and elegant, without the noisy atmosphere, which makes people feel calm and relaxed, and I have felt that mood.

The sun shines in a small rental room, reflecting the people and things in the room.

The man on the sofa woke up leisurely, touching his forehead with his slender fingers.

Only then did he realize that he was in a strange place.

Thinking of what happened last night, Alton's murderous aura was exuded for a moment.

When he heard a sound that did not fit the scene, his brutal murderous aura instantly disappeared.

"Small soup dumplings, shrimp dumplings, hot and spicy, ice cream, delicious. They are all mine. Tanya An was talking in sleep."

Not only was she talking in dreams, she also had crystal clear saliva flowing out of the corners of her mouth, and she smashed her mouth.

When the man saw this scene, he thought that she had saved him.

Looking at Tanya An's sleeping face, the sun shone on Tanya An's face, looking very beautiful.

In fact, Tanya is also very beautiful. Although she is not a great beauty, she is also a big beauty, with big eyes, small cherry mouth, and a tall nose.

Alton Ye looked at Tanya An, his cold heart seemed to be beating, but it was only a few seconds.

He looked at the homework on Tanya An's desk, and then saw that there was nothing on her. He wanted to help Tanya An cover the quilt, but when he got up, Alton Ye couldn't help leaning forward due to the pain in his abdomen.

Alton Ye wanted to control his body, but due to his injuries, he didn't control it.

However, Alton Ye was able to hold the tabletop with his hands, otherwise, Alton Ye might fall to Tanya An's body.

Although he did not fall, Alton Ye's thin lips touched Tanya An's pink lips.

Chapter 2.

Alton Ye was shocked, and immediately left Tanya An's lips.

However, Tanya An still slept like a dead pig, feeling nothing.

"It's delicious, trotters." Tanya An muttered while licking her mouth in her sleep.

Alton Ye's mouth twitched a few times when he heard Tanya An's analogy.

"Sleeping to death like this, I don't know if I was taken away and sold." Alton Ye said softly, but even Alton Ye didn't notice it, and his tone of voice brought a little bit of doting and smile.

"Jingle Bell"

Alton Ye suddenly took out his phone and turned down the ringtone of the phone.

There was a warm handsome face just now, instantly becoming ruthless, and bloodthirsty murderous in his eyes.

"Hello." Alton Ye said coldly.

When the dark guard on the other end heard Alton Ye's words, he couldn't help but sweat from his back.

"Master, we can't find you, don't know where you are now?" James Yi answered respectfully.

Although they all have satellite positioning, Alton Ye does not.

Hearing this, Alton Ye turned to look at Tanya An who was sleeping soundly, his eyes warmed.

"I'll send you the location." Alton Ye's tone was still cold.

"Yes."

Alton Ye hung up the phone and turned to look at Tanya An.

Picking up the blanket on the sofa, gently covered Tanya.

Then, holding a piece of paper and a pen, brushed down on the paper his name-Alton Ye.

Then, the tall and tall figure left the rental house, as if it had never appeared before.

When Alton Ye walked downstairs, rows of limited edition luxury cars stopped domineeringly in front of Alton Ye's eyes.

Fortunately, it's still early, and people haven't started to go out, otherwise it will definitely be blocked by the surrounding water.

“Master, are you hurt?” James Yi asked worriedly.

“It’s not in the way anymore.” Alton Ye said lightly that Ye didn’t bother when he heard this. He respectfully walked to a limited edition Porsche Cayenne and opened the door.

Alton Ye walked into the car, opened his clothes, and looked at the wound on his abdomen. Can’t help but think of Tanya An’s appearance, can’t help but chuckle.

When I was sitting in the co-pilot, I almost fell off when I saw it.

Who can tell him why his master, who has not had a trace of expression for thousands of years, is smiling now.

James Yi really couldn’t figure it out, but fortunately, the Lord quickly took back his chuckle.

“Go look up someone for me. Alton Ye said coldly.

“Yes.” James Yi said respectfully.

When James Yi received the person to be investigated, the whole person was like a bolt from the blue.

It turned out to be a woman. Has his father finally figured it out.

But why the age seems so young, I think about it, I still go to check it carefully.

No one knows the owner of Rockven Company in Svalborne.

Except for his personal guard and a few friends around him, none of the employees in the company have seen it.

Even the most powerful paparazzi didn’t take his real body.

According to legend, no one dared to provoke this man, even the president had to give him three points.

No one knew how Alton Ye did this, and no one dared to inquire about him secretly.

And last night, the person Tanya An rescued was the president of the Rockven Group, who had never seen the end.

The top floor of Rockven Group, the 98th floor.

In the huge office, the decoration is black and white, and the huge floor-to-ceiling windows overlook the traffic flow below.

They are just like ants.

In front of the floor-to-ceiling windows, stood a tall man. From his back, he could feel the man's kingly spirit.

"Boom boom boom!"

"Enter." Alton Ye's deep voice sounded, "Master, this is the information you want." Ye Ming said respectfully, "put it on the table." Alton Ye said coldly.

"Yes." James Yi put down the information.

Just as he was about to go out, an angry voice came into the ears of the two people.

"Alton Ye, do you want to survive? Master has worked so hard to heal your old injury, but you ran out to kill yourself again. If this happens again, Master will not save you next time."

After a while, I saw that the office door was pushed in, and a handsome man came in. The man's smooth and white face showed a sharp and angular coldness; his dark and deep eyes were full of charming colors; and his thick eyebrows. , Tall nose, beautiful lips, all exaggerating nobility and elegance.

"Master." James Yi shouted.

"Go out." Alton Ye said calmly.

"Yes." James Yi stopped in front of the person who was shouting angrily.

"Mo Shao." James Yi shouted.

"Yeah." Gary Mo nodded.

James Yi turned around and closed the door respectfully.

Although James Yi was worried about Alton Ye's body, as a subordinate, some questions shouldn't be asked too much.

They all came to Alton Ye after many selections.

Only if Alton Ye recognized them, then they could truly become dark guards.

Moreover, they will also be crowned with night nature, night, which represents the Ye family.

"Alton Ye, do you still want your body." Gary Mo said angrily.

Alton Ye glanced at Gary Mo lightly, then turned and walked to his working position.

When I saw Tanya's information, the cold expression on his face just disappeared instantly.

Replaced by tenderness and pampering, I don't know why, for these, Alton Ye really feels that he has changed.

Stretching out his slender fingers, he unknowingly touched his lips. Recalling that morning k*ss, Alton Ye couldn't help laughing.

When Gary Mo saw Alton Ye's smile, his whole body was petrified there, his mouth opened to hold a few eggs.

Why does it feel like not seeing him all day, Alton Ye is like a different person.

Could it be that he was beaten stupid, and when Gary Mo was shocked, he felt a burst of cold air rushing into his body!

Gary Mo stopped talking and looked at Alton Ye, who looked down at the information.

At this time, Alton Ye's face was gloomy and scary. As his friend, Gary Mo couldn't understand it better.

Gary Mo thought it was an employee who did not do his best to make Alton Ye angry, and said casually, "Alton, just an employee, don't be angry."

But at this moment, Alton Ye didn't listen to Gary Mo's speech at all, staring at those pieces of paper.

Alton Ye looked at Tanya An's experience with a trace of heartache in his heart.

Gary could not express emotions on his face, so he looked at Alton Ye.

"Hey, you made a squeak." Gary said helplessly.

Alton Ye raised his head and glanced at Gary Mo lightly. Gary Mo shut up in an instant.

Gary Mo looked at Alton Ye, wondering what Alton Ye was looking at, so he walked to the side of Alton Ye and prepared to take a look.

When seeing the information in Alton Ye's hand, the whole person looked at Alton Ye again in shock.

Chapter 3.

"Alton, you...you...you...you are actually looking at women?" Gary Mo was shocked.

Alton Ye looked at Gary Mo next to him, stretched out his foot, and directly kicked Gary Mo aside.

Normally, he hates people being close to him the most because he has a serious habit of cleanliness.

"Ah, what are you doing?" Gary Mo curled his lips innocently.

“What’s the matter with you?” Alton Ye said coldly.

Gary Mo rubbed his leg, then looked at him jokingly. “You haven’t explained yet, who is this woman?”

“nothing dealing with you.”

“You are my brother, I care about what brother is right.” Gary Mo is bound to break the casserole and ask.

“Get out of here!” Alton Ye put down the information in his hand and began to look at the files.

“Tsk tusk tusk, Alton, I didn’t expect that your taste is like this, and the old cow eats tender grass.” Gary Mo couldn’t help but ridicule thinking about the photo of the woman he just saw.

“Do you think I am the same as you?” Alton Ye said calmly.

Gary Mo touched his nose awkwardly when he heard this.

“You don’t understand this. As a man, without a woman, is this still a man!” Gary Mo said solemnly.

“Huh, the world is so big, it’s not as big as your flower heart.” Alton Ye unceremoniously tore down.

Gary Mo’s mouth twitched when he heard this. “Can you still play well?”

“Look for your woman to play.” Alton Ye said in a deep voice.

“But I want to play with you.” Gary Mo smiled.

“No time.” Alton Ye refused mercilessly.

Gary Mo looked at Alton Ye and pouted innocently.

“It’s okay to roll.” Alton Ye kept a cold face and continued to drive people.

The corners of Gary Mo’s mouth twitched fiercely again. It was because of his kindness that he came to care about his body, but Ren wanted to drive him away!

“Forget it, I have a business deal.” Gary Mo suddenly became serious and put away the hippie smile just now.

When Alton Ye heard this, he put down the pen in his hand, looked up at Gary Mo, and asked calmly, “What’s the matter?”

“Who was the one who attacked you last night? Did you find it?” Gary Mo asked coldly.

“Huh, it’s just that the Black Hawk Gang is too confident.” Alton Ye’s pupils shrank and explained lightly.

Although he still wears a mask, his eyes are full of bloodthirsty and cruel murderousness, and people can’t help but tremble.

“They? How could they suddenly attack you? I think they think they have lived too long.” Gary Mo said harshly.

His eyebrows were dyed with terrible anger, like a beast attacking, people dare not approach.

“They want that batch of goods, but they have to see if they have such a big appetite!” Alton Ye’s eyes were full of ice, which made people shudder.

“What are you going to do this time?” Gary Mo asked solemnly.

“If you dare to provoke me, then you have to pay the price.” Alton Ye’s tone was harsh, and the mask on his face set off his evil charm and pride.

“Don’t worry, I will arrange for someone to do it.” Gary Mo said, as for their little role, he didn’t need to act.

Alton Ye nodded and continued to lower his head to start work.

“You can go now.” Alton Ye said suddenly.

Gary Mo looked at such a Alton Ye, thinking in his heart, how could he be friends with him, a boring and incomprehensible person.

“Kick me when I use it up?” Gary Mo complained.

“You came by yourself.” Alton Ye said calmly.

“I...” Gary Mo was speechless for a moment.

“Walk slowly, don’t send it.” Alton Ye said calmly.

“Hmph, just leave.” He turned around and left.

But just after taking two steps, he stopped again and turned his head to look at Alton Ye jokingly.

“Alton, the girl you just saw...who is the girl?” Gary Mo asked curiously. He originally wanted to talk about women, but when he saw that he was a little bit small, he changed to a girl!

“I think you are very free. I remember that Andrew has been in Africa for three months. I think someone should be...”

“I have something to do, so I will withdraw first.” Gary Mo interrupted Alton Ye and ran out like the wind.

How could he forget, just because Andrew said something wrong, he was sent to Africa directly by Alton Ye. How could that place where birds don't shit suit him.

Alton Ye looked at the back of Gary's escape, shook his head, and continued to work.

After Gary Mo ran out, he saw James Yi walking towards this side with something!

Pulling James Yi directly to his side, staring at him.

"Mo Shao, if you look at me like this, I will think you like me." James Yi said blankly.

"f*ck you." Gary Mo pushed James Yi.

James Yi looked at him and couldn't help but chuckle.

"James Yi, I found a problem." Gary Mo put his hands around his chest and touched his chin with his right hand.

"What's the problem?" James Yi asked.

"I just found out that Alton was actually looking at a picture of a girl and smiled. It's just that his age is too young." Gary Mo's tone was meaningful.

"Mo Shao, this is my master's emotional life, I can't get in." James Yi said in a deep voice.

When Gary Mo heard this, he couldn't help but patted James Yi's head, and said, "You are stupid, your father has eaten 26 vegetarian food. It's time to change his taste."

James Yi looked at Gary Mo with a sullen expression. He hated other people slapped him on the head most.

"Mo Shao, I think you have nothing to do now, how about practicing with me." James Yi suddenly said coldly.

Hearing this, Gary Mo took a few steps back quickly.

"No!" Gary shook his head repeatedly.

He had never won against James Yi, and was always the one who was beaten horribly.

Although James Yi was a subordinate of Alton Ye, he was born to death with them, like his brothers. I usually discuss things with Gary Mo and others!

Jingle bell, James Yi's cell phone rang suddenly.

"Broken." James Yi's expression changed.

"Hey, Lord." James Yi said respectfully.

"Did you die on the road?" Alton Ye said loudly.

“No, Mo Shao grabbed me.” James Yi told the truth.

When Gary Mo heard it, his face changed drastically.

“James Yi, you help me tell Mo Shao, let him replace Andrew tomorrow.” Alton Ye finished speaking and hung up the phone neatly.

James Yi hung up the phone and looked at Gary Mo with a smile.

Looking at James Yi, Gary Mo suddenly had a bad feeling in his heart!

James Yi’s tone was full of schadenfreude, and he said, “Gary, the Lord said, let you replace Andrew tomorrow.”

When Gary Mo heard this, it was like a bolt from the blue.

“I’m not going.” Gary Mo shouted loudly, still thinking of going to Alton Ye.

“If you don’t want to come back for a year, you can go in and look for my father, you don’t know, my father doesn’t like others to delay his work, you still hold me back.” James Yi said with a smile.

Chapter 4.

“Damn, why didn’t you say it earlier?” Gary Mo said.

“Didn’t I tell you a long time ago, my grandfather still has something to look for me.” Ye once said, turned around and left.

Gary Mo looked at James Yi’s back and stomped his feet angrily.

At any rate, he was also the helm of the Mo Group, and he was actually called by others.

But is there any way he can’t beat others.

Gary Mo had no choice but to go back first, and wait to come over at night before interceding, not to let him go to the place where the bird does not shit.

“Master, I’ve checked it all out, Miss Tanya is going to school in the Imperial Capital University.” James Yi said respectfully.

“Well, I see.” Alton Ye said coldly.

“What do you need to eat today? You are injured now and need a light meal. I will let Kimber arrange it.” James Yi said respectfully.

“casual.”

James Yi and Alton Ye reported their work, then took the things and withdrew.

Alton Ye would suddenly raise his head, his thin red lips, gently spit out two words.

“Tanya An.” Alton Ye said with a chuckle.

—

Tanya, who was far away in the rental room, sneezed fiercely.

“Who is talking about me?” Tanya An said with a pouting mouth.

Jingle Bell!

“Hello.” Tanya An said vaguely.

“Tanya An, take a look at what time it is now. Today is the extermination teacher’s class, so you dare to miss class.” her friend Milsa Ruan said loudly.

“Oh, ah!!!” Tanya An recovered, and began to flustered not knowing what to do.

“Now that I know it’s anxious, what did you do earlier, what’s the matter with you?” Milsa Ruan said with an aversion to iron.

Hearing this, Tanya An thought about saving someone last night, turned around and looked around, but the person on the sofa was gone, as if it had never happened.

“gone.” Tanya whispered.

“What did you say, what’s gone?” Milsa Ruan was unsure.

“A kitten.” Tanya lied so that she would not be so stupid to tell the truth.

“You hurry up and come to school for me, the exterminator is too sure to spare you.” Milsa Ruan still shouted over there.

“Good, good. I know, I’ll be there soon.” Tanya An said with a good temper.

After hanging up the phone, she started to pack things in a hurry!

“I blame the man yesterday. If it weren’t for him, why would I be late? I will definitely be scolded by the exterminator later, why is so unlucky.” Tanya kept moving her hands and complaining in her mouth.

It was already ten o’clock after Tanya An had cleaned up, and she hurried to the Imperial Capital University with her schoolbag.

Tanya An was admitted to the University of God and studied jewelry design. This has always been what she wanted to do.

When she arrived at the school, she was directly called to the office by the exterminator in her mouth.

“Old... teacher.” Tanya An shouted with a guilty conscience.

The extinct teacher mentioned by Tanya An was a woman in her forties, wearing glasses, a little thin, and wearing a professional suit.

“Hey! Tanya An, just look at how many maths you have tested. It doesn’t matter if you have a few tests. You even missed the math class. Tell me what you should do.” The extinction teacher Li Meifeng said harshly.

Tanya An looked at Li Meifeng with big innocent eyes, and wanted to explain: “Teacher, I have a reason.”

“For whatever reason, call the parents.” Li Meifeng didn’t want to listen to her explanation at all.

When Tanya An heard this, she couldn’t help but smile. “Teacher, they are not available.”

“Then tomorrow, Tanya, I am also doing this for your own good. If you don’t learn mathematics well, you will regret it in the future.”

“I know the teacher, I will let my family come over tomorrow.” Tanya nodded helplessly and agreed.

“Well, you go out first, and all this test paper is corrected.” Li Meifeng said.

Tanya An walked out with the test paper. When she was about to go to find Milsa Ruan, she saw someone she didn’t want to see.

A woman wearing a light yellow dress, stepping on high heels a few centimeters on her feet, with her hair spread and falling underneath, wearing red lipstick, anyway, nothing on this woman is below three digits.

Tanya An watched, turning around and leaving without even thinking about it.

“Sister, wait for me.” Jennifer Lin’s voice rang behind her.

Tanya couldn’t help shaking the goose bumps on her body, but she still didn’t stop and continued to walk forward.

“Hey, you stop, haven’t you seen your sister calling you?” a woman in a white dress called.

“That’s why you are so impolite.” The girl in fan clothes also spoke.

Hearing this, Tanya An seemed to have heard the most ridiculous words in the world.

She doesn't know how to be polite, haha, since she was little, as long as she likes it, Jennifer Lin will fight her.

When she was a child, it was obvious that she stole things from others, but she cried with rain, saying that she framed her by herself and was beaten by her father.

Tanya An really didn't understand. She obviously didn't want to oppose people. Why did those people come over to provoke her?

"Lorene, Sheila, don't do this, my sister must have something." Jennifer Lin choked up.

Tanya An was used to seeing Jennifer Lin like this, so she didn't speak.

"Oh, Jennifer, you are too kind to be bullied by your sister." Lorene said.

"Yeah, if you talk to her kindly, she ignores you." Sheila said.

When Jennifer Lin heard what they said, she was very proud of her. In the place where they hadn't seen, a successful smile appeared at the corner of her mouth, and then she started to talk again.

"No, my sister must be in a bad mood, so don't blame her." Jennifer Lin said.

"Jennifer Lin, have you said enough?" Tanya An said in a deep voice.

"Tanya An, what is your attitude? Your sister is so kind to you, why don't you know the report?" Lorene said dissatisfied.

"Sure enough, she is a mean lady." Sheila said sarcastically.

"Who scolded for neurosis?" Tanya An asked in a cold voice, calming down.

"Insanely scolding you." Sheila said.

"Oh, you turned out to be a neuropathy." Tanya An suddenly realized.

Only then did Sheila react, looking at Tanya An with a distorted expression.

"Bitch, dare you scold me!" As she said, she was going to pull Tanya's hair.

Lorene and Jennifer Lin watched the show there. Now Jennifer Lin is very happy.

"Tanya, I will ruin you no matter what." Jennifer Lin said coldly in her heart.

"Stop!" an angry voice came.

Tanya and Sheila only let go. Tanya had a bruise on her neck, and Tanya's face was scratched several times by Tanya.

Chapter 5.

Milsa Ruan ran to Tanya An's side to check Tanya An's injuries.

"You just bullied others!" Milsa Ruan shouted loudly.

"She was the one who scolded me first." Sheila was irresponsible.

"Milsa, please don't get me wrong. Thousands of mistakes are my fault." Jennifer Lin said softly.

"Jennifer, why are you apologizing?" Lorene was not convinced at all.

"Jennifer Lin don't want cats and mice to fake mercy, Tanya has moved out, what else do you want, I tell you, if you bully Tanya again, I will definitely not let you go." Milsa Ruan said coldly .

Sheila and Lorene couldn't help feeling guilty when they heard it.

Everyone in the school knows that there is the Nguyen clan behind Milsa Ruan, and the Nguyen clan is not easy to mess with. Although the two of them also have a company at home, they are not comparable to the Nguyen Thi Group.

Looking at Milsa Ruan, Jennifer Lin had scolded Milsa Ruan hundreds of times in her heart, but she did not dare to show it.

She wants to show everyone the best and tenderest side, and the school flower must also be hers.

Although every year's school flowers are won by Tanya An.

"Milsa, let's go." Tanya said calmly.

"Yeah." Milsa Ruan nodded.

Jennifer Lin watched Tanya leave, and immediately said, "Tanya wait a minute."

"What else are you doing?" Tanya An didn't look back, she didn't want to pester this hypocritical woman anymore.

"Daddy asked you to go home today, saying that it has been a long time since I had dinner with you, and that my fiance will also come over." Jennifer Lin looked shy.

Milsa Ruan pulled Tanya An's clothes.

Family? Tanya An hasn't gone back for more than two months. Now, does Dad finally want her to go back?

"Okay, I will go home tonight." Tanya An finished speaking, and took Milsa Ruan away.

After the two people left, Jennifer Lin showed a meaningful smile on her face.

“Jennifer, isn’t your fiancé an Tanya An’s boyfriend? Tanya An probably doesn’t know it yet.” Sheila was a little gloating.

“I don’t know what Tanya’s mood is like tonight, being played in the palm of my hand.” Lorene said triumphantly.

“Although Paul chose me, I think I still feel sorry for Tanya.” Jennifer Lin’s white face was full of guilt, but her eyes were shining.

“Jennifer, how can you think like this? Since Paul Yan chose you, it means that he loves you.” Sheila quickly persuaded her.

“Yeah, don’t think too much about it. Don’t be so good to Tanya An in the future. It’s not worth it.” Lorene also shook her head, her face full of disgust for Tanya An.

“Thank you.” Jennifer Lin said with a smile.

Milsa Ruan helped Tanya wipe the wound and looked at her seriously.

Tanya An’s eyes were open, her mouth pouted, her eyes flickering and she looked extremely cute.

“Do I really doubt that you are an adult?” Milsa Ruan looked cute.

“I was not an adult, and my birthday hasn’t passed yet.” Tanya pouted.

“But seriously, are you really going back tonight?” Milsa Ruan asked worriedly.

Tanya An nodded and said, “Well, it’s my father after all.”

“It’s strange, when did Jennifer Lin have a fiance, do you know?” Milsa Ruan asked curiously.

“How would I know? Anyway, I won’t know when the time comes.” Tanya didn’t care.

“Oh right, how are you doing with your face recently?” Milsa Ruan asked with a smile.

“He’s a bit busy lately, I didn’t go to find him.” Tanya An said with a smile.

Milsa Ruan raised her hand and bounced on Tanya’s forehead!

“What are you doing?” Tanya An said with a pouting mouth.

Milsa Ruan was very happy to see Tanya An pouting her cute mouth.

“Well, let’s go back to the classroom first.” Milsa Ruan said.

“Good.” Tanya An nodded.

Time flies quickly, and night is already in the blink of an eye.

Tanya An returned home as scheduled and stood at the door of the villa, as if she was a little out of place now.

This is a noble private villa, you can see that it is the residence of the rich family. The tall fence is surrounded by glamorous roses and thorns; expensive sofa seats are placed in the yard, and the sunlight is slanting down, and the mottled light and shadow reflect the luxury of the yard.

Opening the door decorated with hollow reliefs, you see a more luxurious hall. The magnificent design and the gleaming gold decoration further highlight the value of the owner of this villa.

“Miss, you are back.” The butler said happily.

“Li Bo.” Tanya An shouted in a waxy voice, “Hey, come in, come in.” Li Bo smiled.

Tanya An walked in and saw her father and Jennifer Lin talking and laughing.

“Tanya, you are back.” Jennifer Lin said with a smile.

“Come here quickly. Your sister’s fiancé is coming.” Stepmother Juliana He said with a smile.

Hearing what they said, Tanya An walked over the two of them directly to her father Conner Lin.

“Dad.” Tanya An shouted.

“Tanya, why are you so rude, wouldn’t you call your mother and sister?” Conner Lin said solemnly.

When Tanya An heard this, she couldn’t help but smile.

“Dad, I only have a dead mother, and my mother didn’t give birth to me a sister.” Tanya An said in a deep voice.

“You b*stard.” Conner Lin yelled.

Tanya An heard such words, not once or twice.

Juliana He, who was standing on the side, winked at Jennifer Lin, and Jennifer Lin understood in an instant.

“Dad, it doesn’t matter, mom and I won’t mind.” Jennifer Lin said gently and generously.

“Did Tanya see it? You must learn more from your sister in the future.” Conner Lin said, pointing to Jennifer Lin.

“Sir, the eldest lady’s boyfriend has already come.” The butler walked in quickly.

“Please come in soon.” Conner Lin quickly ordered.

Jennifer Lin walked to Juliana He’s side, and both of them looked at the visitor tacitly.

“Uncle and Auntie have been waiting for a long time.” A gentle voice came into the ears of several people in the living room.

Then a handsome man walked in.

His complexion is fair, his facial features are handsome, and he is handsome with a touch of gentleness! The temperament that he exudes is so complicated, like a mixture of various temperaments, but in those gentle and handsome, he has his own uniqueness. The ethereal and handsome!

Let any woman see it, she will be tempted.

“Snapped!”

When everyone heard the sound, they turned their heads and looked back. The cup in Tanya An’s hand fell to the ground at some point, and she was also looking at the man in front of her in shock.

Jennifer Lin looked at Tanya An and walked slowly to Paul Yan, holding Paul Yan’s arm affectionately.

“Tanya, this is my fiance.” Jennifer Lin introduced happily.

Chapter 6.

Tanya’s eyes were full of tears, but she tried her best not to let the tears flow out! She walked towards Paul Yan step by step and stood in front of her.

“You lie to me!” Tanya said sadly.

“Sorry Tanya, the person I love has always been Jennifer.” Paul Yan said sorry, but there was no trace of guilt on his face.

“What’s going on?” Conner Lin looked at the three of them, not knowing why.

“This is a matter between the two children. The key is not to forget what happened today.” Juliana He whispered.

“Yes, yes.” Conner Lin nodded quickly.

“Why didn’t you tell me, it’s fun to spin me around, isn’t it?” Tanya An said choked up.

“Tanya is not like this, don’t get me wrong.” Jennifer Lin explained gently.

“Tanya, don’t blame your sister for this.” Paul Yan said gently.

Juliana He and Conner Lin looked at them and immediately went forward.

“Don’t talk about this, let’s eat quickly, and talk about it after dinner.” Juliana He smiled and changed the subject, not forgetting to support Tanya, “Tanya, you and your sister will bring the soup from the kitchen.”

“Paul, let’s go sit down.” Conner Lin said.

“Yeah.” Paul Yan nodded.

At this time, there were only three of them left.

Jennifer Lin’s proud face appeared in an instant, and she said mockingly: “Well, I feel very uncomfortable, right? That’s the way I want to go, grab your things bit by bit, tell you the truth, Paul I’m already married.”

When Tanya heard this, her body was shaky.

“Tanya, you must be self-aware. Everything in this family will belong to our mother and daughter in the future.” Juliana He also said coldly, “I might as well tell you that the reason for calling you back today is to discuss your marriage. of.”

Tanya An looked at Jennifer Lin in shock, and asked coldly, “What do you mean?”

“What do you mean, of course I want to marry. Now the company has some problems. Dad can’t find investment everywhere. Paul took out the money, but it is still not enough. Today, a boss Huang is willing to invest, but the condition is you Marry him, but he seems to be over fifty.” Jennifer Lin smiled triumphantly.

Hearing Tanya An stepped back a few steps, she didn’t want to believe what they said. She ran to Conner Lin and asked loudly, “Dad, you called me back today, do you want me to marry that Huang? Boss, so he can help you?”

“Tanya, don’t get me wrong, Dad didn’t mean that.” Jennifer Lin ran out to explain deliberately.

Tanya An heard Jennifer Lin’s voice, turned around, raised her hand, and slapped Jennifer Lin directly.

This slap meant that Tanya was really angry, and she hated them for what they were doing in secret!

Paul Yan watched, and immediately pushed Tanya An, who just knocked on the table.

Conner Lin watched, raised his hand and slapped Tanya.

“Husband, what are you doing?” Juliana He hurriedly stepped forward and pretended to stop Conner Lin.

“Tanya An, I gave birth to you to raise you and ask you to help solve the company’s financial crisis. You are not willing.” Conner Lin roared loudly.

“Dad, don’t blame Tanya, I will go, the big deal,” Jennifer Lin said.

“No.” Paul Yan and Conner Lin said in unison.

Juliana He stood there without speaking, not because she dared not speak, but waiting for a good show.

“Jennifer, what are you talking about? You are about to graduate, and we will be engaged after graduation.” Paul Yan held Jennifer Lin with one hand, his eyes full of affection.

Looking at Paul Yan and Jennifer Lin, Tanya An suddenly felt ridiculous. She looked at Conner Lin who was full of anger and said sadly: “Dad, do you know how old I am? I’m only seventeen. You want me. Marry a bad old man, how can you be worthy of my mother like this?”

“Don’t mention your mother to me.” Conner Lin said loudly.

“Dad, Jennifer Lin is your daughter, am I not?” Tanya An’s eyes flushed red, and tears fell unconsciously.

“Uncle, otherwise let’s think of other ways.” Paul Yan said. After all, he and Tanya An have been dating for a year, and no matter what, he doesn’t want to watch Tanya An enter the fire pit.

“No, I have promised boss Huang and let him marry her next month.” Conner Lin said solemnly.

Tanya An looked at Conner Lin in shock, except for sadness and disappointment.

Juliana He and Jennifer Lin looked at them, feeling unspeakable in their hearts.

“You are all bad guys and liars.” Tanya An cried in despair. Her nose and eyes were crying red, like a little rabbit.

“Husband, forget it, after all, Tanya is too young.” Juliana He pretended to persuade.

“Then let the company go bankrupt, and then pay the boss 100 million yuan.” Conner Lin said.

Juliana He heard this and immediately shut her mouth with interest.

“Uncle, I took out all the rest of my company, I’m really sorry.” Paul Yan has no choice.

“You are not to blame.” Conner Lin waved his hand.

“Am I worth one hundred million?” Tanya An said calmly.

“Tanya, you can help the company, just as I have taken care of you for so many years of nurturing.” Conner Lin said softly.

“I tell you, even if you let me die, I won’t marry. If you insist on doing this, I will cut off my relationship with you.” Tanya wiped away the tears from her face, her face decisive.

Conner Lin immediately became angry when he heard this.

“I tell you Tanya, you have to marry if you don’t marry. Next month, I will send someone to help you prepare.” Conner Lin said loudly.

When Tanya An heard this, tears fell like broken pearls. She yelled: “I hate you.” She said that and ran out with her schoolbag!

Jennifer Lin and Juliana He looked at them, and they knew nothing about it.

“Uncle, do you want to go after it?” Paul Yan asked.

“No, I am her father after all, and she will come back.” Conner Lin said solemnly.

What Conner Lin didn’t expect was that in the near future, Tanya An would completely draw a line with him.

“Let’s eat first.” After finishing speaking, Conner Lin took the lead to walk towards the dining table.

“Yeah.” Jennifer Lin nodded.

The whole family ate here happily, regardless of Tanya.

After Tanya An ran out, she kept running, crying as she ran.

Rumble!

Rumble!

In a short while, thunder and lightning flashed, and the heavy rain fell.

There were no pedestrians on the road, and only Tanya was crying heartbreakingly in the rain.

“Ah, why, why do you treat me like this!” Tanya An shouted heartbreakingly.

“Mom, why did you leave me alone? Why didn’t you take me away!” Tanya shouted loudly.

Accompanied by the sound of thunder and rain, Tanya An’s physical strength was gradually robbed of her body, and she didn’t eat breakfast or dinner, and her thin body was crumbling, which made people feel distressed.

But in this world, who can care for her.

Tanya kept walking forward, crying constantly, the rain had wetted his clothes.

The rain slapped on his cheeks, and his vision became blurred.

Chapter 7.

On the road, a limited edition Rolls Royce was driving fast in the rain.

“Master, where are we going next?” James Yi asked respectfully.

“Back to Yuwan Villa.” Alton Ye said coldly.

Alton Ye leaned back, closing his eyes and resting.

squeak.

The car suddenly stopped suddenly, Alton Ye looked at James Yi with a green expression.

“What’s the matter?” Alton Ye asked coldly.

“Sorry, Lord, a woman in front of me fainted.” James Yi lowered his head respectfully.

Hearing this, Alton Ye frowned impatiently, “Go down and take a look. If she isn’t dead, stop the car and take her to the hospital.”

“Yes.” James Yi said respectfully.

James Yi took an umbrella, opened the door and walked out.

The outside is very big, although James Yi has opened an umbrella, but the clothes are also a lot wet.

James Yi knelt down and turned the fainted person over. When he saw the whole face, he couldn’t help being surprised.

“Isn’t this the person who asked me to check today?” James Yi muttered.

Thinking about it, stand up and tell Alton Ye.

James Yi knocked on the car window a few times before Alton Ye opened it.

“Master, this person seems to be the woman you want me to check today...”

Before James Yi had spoken, there was no shadow of Alton Ye in the car.

He turned his head and saw Alton Ye running to Tanya An’s side.

James Yi immediately walked over to help Alton Ye hold an umbrella.

Alton Ye helped Tanya on the ground, and the whole person was not well.

“Tanya, wake up, wake up.” Alton Ye shouted.

James Yi looked at Alton Ye in shock, when he touched this woman, and his face was gentle.

“It’s not just an umbrella!” Alton Ye roared loudly.

When James Yi heard it, his whole body was shocked, and he immediately helped Alton Ye to open an umbrella.

“Give her an umbrella.” Alton Ye’s face was gloomy.

“Master, you have injuries.” James Yi said worriedly.

Hearing this, Alton Ye’s beautiful peach blossom eyes were full of murderous intent. As soon as Alton Ye saw it, he immediately obeyed Alton Ye’s order.

Alton Ye hugged Princess Tanya An and carried her into his car.

“Drive, ten minutes to Yuwan Villa.” Alton Ye said coldly.

Hearing this, James Yi stepped on the accelerator vigorously.

Alton Ye reached out and turned on the heater in the car.

Then he took out his cell phone and dialed a number.

“Gary Mo, I want you in the Yuwan Villa within ten minutes, otherwise you will stay in Africa forever without coming back.” Alton Ye said loudly.

Alton Ye hung up the phone and looked down at Tanya in his arms.

Although he couldn’t see the expression on his face, his eyes were filled with distress.

Gary Mo, who was hung up, was at ease in Gentle Township.

“What’s wrong with Gary?” The woman in his arms was still acting like a baby.

Gary Mo heard Alton Ye’s words and immediately jumped out of the bed and put on clothes.

If he is really late, he will really stay in Africa for the rest of his life.

The woman watched Gary Mo leave, and grabbed Gary Mo's hand.

Gary Mo was not in the mood now, and threw away the woman's hand fiercely.

"After I go out, you get out immediately." After saying that, he flung a card and left in a hurry.

For Gary Mo, a woman is a tool for venting. In his world, every woman is because of her money, power and appearance.

After Alton Ye arrived at Yuwan Villa, the rain was still falling, which was heavier than before.

After Alton Ye arrived at the place, he immediately hugged Tanya and ran inside.

"Uncle Kim, let Mother Zhang make a bowl of ginger soup." Alton Ye said loudly.

The moment Alton Ye appeared holding Tanya An, the people in this villa were shocked.

My father never brought a woman back, let alone hold it back.

Kimber didn't think about anything now, but just told Zhang's mother to make the ginger soup. There will be time later.

Alton Ye hugged Tanya An in his room.

Alton Ye's room was very large, but it was all black and white, so it was deserted and deserted, but it was in line with Alton Ye's character.

Alton Ye put Tanya carefully on the bed and covered the quilt.

Watching Alton Ye's series of movements, James Yi seemed more shocked than seeing the red rain in the world.

Who can tell him why he has a cleanliness and hates women, why he treats a girl now.

"Gary Mo, why haven't you come here yet!" Alton Ye shouted loudly.

"I'm here, I'm here..." At this moment, Gary Mo panted and ran into Alton Ye's room with messy hair, with a medicine kit in his hand.

"Tell her to see if she has a fever." Alton Ye said coldly.

When Gary Mo walked to the bed, his eyes almost stared.

I was surprised when I saw the information this morning, and now I even embrace my Royal Bay Villa, which I can't believe.

Alton Ye watched Gary Mo still not moving, and impatiently raised his foot and kicked it up.

“Damn, why are you kicking me again?” Gary Mo said with a curled mouth.

“Hurry up and watch.” Alton Ye urged coldly.

Gary Mo looked at Tanya An, not only muttered in his heart.

She has a shriveled figure, obviously it hasn't grown up yet, Alton Ye is an old cow eating tender grass!

Gary Mo didn't dare to say these words at all, otherwise he wouldn't know how he died.

Gary Mo, who was familiar with the road, helped Tanya An check it out, but Alton Ye turned to look at James Yi coldly, and said, “Go and check what happened to her tonight?”

“Yes.” James Yi said respectfully.

Not long after James Yi went out, Gary Mo had already checked.

“There was a slight fever, I prescribed some medicine for her, and then just feed it in.” Gary Mo said.

“Does it work?” Alton Ye asked in a deep voice.

“Hey, I can tell you, you can doubt me anything, just don't doubt my medical skills.” Gary Mo nagged a little dissatisfied.

Alton Ye did not continue to listen to him, but walked to the side of Tanya An.

“Master, the ginger soup is ready.” Madam Zhang said respectfully.

“Give it to me.” Alton Ye stretched out his hand...

When Zhang Ma heard, she passed the ginger soup in her hand to Alton Ye.

“Wait for a while, you will give her a hot bath, so I won't catch a cold.” Alton Ye said in a deep voice.

“Yes.” Mom Zhang said and left the room.

Gary Mo looked at Alton Ye again in shock, and at Alton Ye's meticulous behavior that he had never done before, as if his eyes were dazzled.

Alton Ye carefully fed Tanya the medicine, and also gently blew the medicine down.

Gary Mo looked at him, wondering if it was good or not.

As a strong person, you just can't have weakness. Once a person has a weakness, no matter how powerful he is, he will fall.

Gary Mo's eyes don't look deeply at Tanya An. At this time, his eyes were not curious, but with a strong killing intent.

After Alton Ye finished feeding the medicine, he handed Tanya An to the servant and asked the servant to give Tanya An a bath.

There are no women's clothing here, so Alton Ye had to take a set of pajamas that he hadn't worn.

After everyone had left, the breath of Alton Ye's body dropped to zero in an instant.

Alton Ye walked up to Gary Mo and looked at him sharply.

"Don't hurt her." Alton Ye said coldly.

Chapter 8.

"You are so willing, do you know that you already have a weakness now, and you will get deeper and deeper, are you not afraid?" Gary Mo said solemnly.

"So what, I will do everything to protect her." Alton Ye said coldly.

I don't know why, Alton Ye said this oath.

"Are you serious?" Gary Mo asked seriously.

"What do you mean?" Alton Ye said in a deep voice.

"Well, if you like someone now, it means that you have forgotten the past. It seems that this little girl will become my sister-in-law. You are so different in age. It is a bit embarrassing to call her sister-in-law." Gary Mo's face suddenly changed. It's easy.

"Well, you can go back if you have nothing to do." Alton Ye hurried away in a deep voice.

"Every time it is like this, you will kick me away when you use it up." Gary Mo said aggrievedly.

But seeing Alton Ye's eyes, Gary Mo immediately closed his mouth.

"How is your wound, has it recurred?" Gary Mo asked suddenly.

"It's okay." Alton Ye said calmly.

"By the way, I forgot to tell you. Ivan and Saul will be back tomorrow. Asking the two of us to have a drink, do you want to go?" Gary Mo asked.

"It depends." Alton Ye said in a deep voice.

"Well, then I'll go first." Gary Mo said.

After Gary Mo left, Alton Ye also went to the guest room to wash.

After taking a shower, Tanya was already resting on her bed.

Alton Ye wiped his hair and walked out, and saw James Yi standing respectfully there.

The two came to the study, Alton Ye sat there, and James Yi stood in front of him respectfully.

“How?” Alton Ye asked.

“It was found that Tanya An was the second young lady of the An’s group, but her mother passed away when she was very young, and then her father took her lover back from outside and had a daughter. However, with their appearance, Tanya Having a bad time at Anjia, Miss Tanya moved out in desperation.” James Yi said respectfully.

“What else?” Alton Ye asked coldly.

“Ms. Ann came home today because there was something wrong with her father’s company. She wanted to marry Miss Tanyan to an old man. Miss Tanyan refused, so she ran out of the house. Not only that, her step sister also robbed her. ‘S boyfriend, and the two are about to get engaged.” James Yi said cautiously.

Because now, his face is getting worse and worse!

“Who is that man?” Alton Ye asked coldly.

James Yi has been with Alton Ye for many years, and naturally knows who Alton Ye is asking.

“It’s Paul Yan of the Yan Group.” James Yi said respectfully.

“Hmph, since he abandoned Tanya, then in the future, I will make Tanya the most dazzling and happiest woman in the world.” Alton Ye said coldly.

As soon as Ye heard Alton Ye’s words, he already knew that Alton Ye was already tempted by Tanya An.

“Master, what should I do next?” James Yi asked.

“Put it here first, I need to ask Tanya about this matter.” Alton Ye said.

“Yes.” Ye nodded.

Alton Ye looked up at his watch, then turned to look at James Yi.

“It’s so late, go back and rest first.” Alton Ye said.

“Yes.” After saying that, James Yi left respectfully.

Alton Ye took out his cell phone and dialed a number.

“Hey, according to the size I sent you, all limited edition clothes are made, including shoes, jewelry and bags. I will see them tomorrow.” Alton Ye said coldly.

After Alton Ye gave his instructions, he returned to his room lightly.

Looking at Tanya An who was lying on the bed, a faint smile appeared at the corner of his mouth.

The lights hit the golden mask, and the golden dragon on the mask looked lifelike.

Alton Ye looked down at Tanya An, his eyes full of tenderness.

“Perhaps you saved my life and you became the calamity of my hit, and I am willing to accept this calamity. From now on, I will take care of you and make you the happiest woman in the world.” Alton Ye Said affectionately.

He lowered his head and slowly k*ssed Tanya’s head.

This oath, Alton Ye only made for Tanya.

“Why, why do you treat me like this...”

Just when Alton Ye left, Tanya An suddenly began to talk in sleep.

Alton Ye held Tanya An’s hand.

“Tanya, Tanya.” Alton Ye shouted.

“Please don’t do this to me, I really don’t want to marry that old man, please, I’ve moved out for you, don’t hurt me again.”

Tanya was talking in her sleep, tears streaming out unknowingly.

“Don’t be afraid, I will protect you in the future. If anyone hurts me, I will definitely send them to hell.” Alton Ye’s eyes were full of bloodthirsty murder.

Chapter 9.

“Don’t be afraid, I will protect you in the future. If anyone hurts me, I will definitely send them to hell.” Alton Ye’s eyes were full of bloodthirsty murder.

I don’t know if Tanya An heard Alton Ye’s promise, so he stopped talking in sleep and fell asleep peacefully.

Alton Ye looked at Tanya An and walked out lightly!

I chose the bedroom next door to rest and had a good night’s dream.

The air was exceptionally fresh in the early morning when it rained.

The little bird chirped, the warm sunlight poured into the bedroom, and the gentle breeze moved the curtains of the bedroom.

The sun shone on the petite girl on the big bed, which seemed a little mysterious.

Well, Tanya, who was on the bed, opened his eyes loosely.

When she saw a strange place and a strange room, Tanya An woke up instantly.

Tanya An sat on the bed and recalled what happened last night.

I was dejected and completely forgot that I was in a strange place.

“Tanya An held her legs, put her head in her arms, and cried softly.”

Unexpectedly, my father would marry her to an old man for the company. What’s more ridiculous is that his boyfriend was also taken away by his sister.

Tanya An felt that there was no place for her in this world.

After Tanya An cried, she realized that she was not in her home.

Tanya An looked at the room, opened the quilt, and saw that her clothes had been changed, and she was still a man.

“Ah.” Tanya An shouted!

Alton Ye, who was dining downstairs, heard that he immediately put down his coffee and ran towards the bedroom.

boom

Alton Ye pushed open the bedroom door violently, and saw Tanya An curled up in the corner of the bed holding the quilt.

Tanya saw the people coming, her whole body wrapped in quilt tightly.

“You...who are you?” Tanya asked tremblingly.

“Have you forgotten that you saved me the night before, and I saved you last night.” Alton Ye said with a light smile.

Tanya tilted her head, her mouth pouted slightly, she was always cute.

“Ah, it was you originally, I didn’t forget, you wear a mask exactly like the front desk.” Tanya suddenly realized.

“Just think of it.” Alton Ye said with a smile.

But the next words made Alton Ye dumbfounded.

“It’s because of you that made me, a good student, late the next day, and was criticized by the teacher.” Tanya An said with a curled lips.

When Alton Ye heard this, the corners of his mouth twitched.

“My clothes, I will go to school in a while.” Tanya said with her big eyes blinking.

“Your clothes have been thrown away, I’ll prepare them for you.” Alton Ye said in a deep voice.

With that said, Alton Ye didn’t know when he had a simple dress in his hand.

“I’ll go out first, and you will go downstairs for breakfast in a while.” Alton Ye said.

Tanya An looked at Alton Ye’s back, and thought that Paul Yan had also said the same before, and she also had breakfast in the morning.

But now, she has nothing.

Tanya An shook his head and went to the bathroom to change his clothes. After going downstairs, he saw Alton Ye sitting elegantly eating breakfast.

When Alton Ye usually eats breakfast, he is not used to having a servant next to him.

“Eat.” Alton Ye said.

Tanya An looked at the breakfast on the table, it turned out to be her favorite.

Therefore, she eat like a child, forgetting it would make her look bad.

In fact, these breakfasts were made by Alton Ye’s chef, because he had heard Tanya An talking in sleep and chewing her mouth.

After Tanya An finished eating, she looked up at Alton Ye.

“Thank you for saving me last night.” Tanya An said with a tone of seriousness.

Alton Ye smiled when he heard Tanya An’s words.

“Then do you have to repay me.” Alton Ye said jokingly.

“No, you see that I saved you and you saved me, we won’t owe each other.” Tanya said while eating.

“Really?” Alton Ye said meaningfully.

“Of course.” Tanya An said.

Alton Ye didn't speak any more, just lowered his head and drank the porridge in the bowl. "

"I'm full, I'm leaving." Tanya An said.

"I'll let someone send you off, it's not easy to take a taxi here." Alton Ye said.

"Thank you then." Tanya An said with a smile.

"James Yi." Alton Ye shouted loudly.

At this time, James Yi quickly walked in.

"Master." James Yi shouted respectfully.

"Send Miss Tanya back." Alton Ye said in a deep voice.

"Yes." James Yi said respectfully.

Alton Ye looked at Tanya An's back, with a playful smile at the corner of his mouth.

Tanya sent her to school and left at night.

Tanya An was holding her schoolbag, and just about to enter the campus, she was stopped by an angry and anxious voice.

"Tanya." An angry voice yelled.

Tanya An stopped immediately after hearing the voice of her friend Milsa Ruan.

"Milsa." Tanya An said.

"What's the matter with you last night, the phone was turned off when I called you?" Milsa Ruan asked worriedly.

Tanya An looked at Milsa Ruan and smiled faintly.

"Perhaps you don't believe Milsa. My dad wants to marry me to an old man for his company, and just next month, there is less than a week left." Tanya said bitterly.

"What, how can your dad do this?" Milsa Ruan said in shock.

Milsa Ruan knows very well to Tanya An, no one knows how much Tanya An suffered.

The step-sister and step-mother changed their laws to treat Tanya, and Tanya had no choice but to move out.

But instead of stopping, they got worse.

Tanya An was only seventeen years old and had experienced various injuries, but her character was still lively, cheerful and lovely.

“You know, what’s even more ridiculous is that Paul Yan was dating Jennifer Lin, and he was about to get engaged, but I only learned yesterday that they called me home last night to discuss my marriage.” Tanya An Speaking in a deep voice.

“Paul Yan, this scumbag, didn’t he take money to help your father’s company?” Milsa Ruan asked angrily.

“I took it, but it was not enough. My dad has already agreed with the old man. If he wants to go back, my dad will have to pay a 100 million yuan penalty.” Tanya An said bitterly.

Milsa Ruan looked at Tanya, she knew her character.

She will be lively in front of people she likes, but she will not be pretentious in front of people she doesn’t like.

“Paul Yan and Jennifer Lin, these two sl*t, see if I won’t make you look good.” Milsa Ruan gritted her teeth and said.

“Milsa, what are you doing?” Tanya An asked.

“Help you teach Paul Yan that b*stard.” Milsa Ruan said.

Milsa Ruan and Tanya An have different personalities. Milsa Ruan has that kind of careless personality.

“No need.” Tanya An said calmly.

“I have to help you out about this, don’t stop me.” Milsa Ruan said.

With that said, Milsa Ruan has pulled Tanya An to find Paul Yan.

Because Paul Yan is already a senior today, and Jennifer Lin happens to be in the same class as Paul Yan.

Chapter 10.

Because Paul Yan is already a senior today, and Jennifer Lin happens to be in the same class as Paul Yan.

Milsa Ruan took Tanya An to Paul Yan’s class, and today Paul Yan left school early.

“Paul Yan, you b*stard, come out to my old lady. Milsa Ruan shouted.”

Many people came over along the way.

“Jennifer Jennifer, go and have a look, Milsa Ruan took Tanya An to find Senior Yan.” Sheila said.

“That’s right, go and take a look.” Lorene said.

Jennifer Lin heard that, unaware of packing up things, immediately ran towards Paul Yan’s classroom.

When Paul Yan heard Milsa Ruan’s voice, her brows frowned unhappy, put down her hand, and walked to the classroom door.

“What are you doing?” Paul Yan said displeased.

“Paul Yan, you b*stard, dare to bully my Tanya.” Milsa Ruan said loudly.

“Milsa.” Tanya An shouted.

“Don’t be afraid.” Milsa Ruan said.

“Milsa Ruan, why are you and Tanya An here to make trouble?” Paul Yan said in a deep voice.

“I’m going, you have reason.” Milsa Ruan said.

“The person I like, Jennifer, is not Ann...”

“Snapped”

Everyone was shocked to see Milsa Ruan and Tanya openly at the door of the classroom.

Paul Yan was beaten for a moment, and then looked at Milsa Ruan with a green face.

The heir to his dignified Yan group was beaten in front of so many people.

Jennifer Lin, who was also rushed to see this scene, ran up to Milsa Ruan, before Milsa Ruan hadn’t noticed, raised his hand and slapped him.

“Snapped”

“Milsa.” Tanya An shouted.

Everyone looked at this scene and thought it was even more exciting than the TV series.

“Jennifer Lin.” Milsa Ruan shouted.

“You were the first to fight the Paul.” Jennifer Lin said.

Milsa Ruan looked at Jennifer Lin, stretched out her hands and grabbed Jennifer Lin’s hair. The two were fighting together.

“Jennifer Lin, you bitch, you know Tanya and Paul Yan are together, why are you so shameless when you go to seduce others? Milsa Ruan cursed regardless of her image.

Tanya watched this scene, her hands clenched into fists.

“Enough.” Tanya shouted loudly.

When the two heard Tanya An’s voice, they began to release each other.

“Paul.” Jennifer Lin said aggrievedly.

“Don’t be afraid.” Paul Yan said softly.

“Paul Yan, you b*stard, I was blind at the beginning to match you and Tanya.” Milsa Ruan said.

Paul Yan heard Milsa Ruan’s words and did not answer, and turned to look at Tanya An.

“Tanya An, I have already made it clear to you that the person I like is your sister, so don’t trouble Lanlan anymore.” Paul Yan said coldly.

Tanya An seemed to hear the most ridiculous joke in the world, her eyes full of sadness.

“Tanya is really sorry, please don’t be angry, okay.” Jennifer Lin said diligently.

“I’m going, Jennifer Lin, are you so funny all day?” Milsa Ruan said sarcastically.

“Milsa, don’t say it.” Tanya An said.

Jennifer Lin looked at Tanya An, with her eyes closed in front of the classmates, a plan was born in her heart.

Jennifer Lin let out Paul Yan’s hand and came directly to Tanya An, grabbing Tanya An’s hands.

“Tanya, please don’t ignore me, okay? Your sister really loves Paul. If you really love Paul, I will return Paul to you.” Jennifer Lin said diligently.

“Jennifer, what are you talking nonsense, the person I love is you.” Paul Yan said.

Tanya An and Milsa Ruan looked at Jennifer Lin, and they only thought that Jennifer Lin could go to the filming.

It was also this scene that made all the students present think that it was Tanya An who was entangled with Paul Yan.

“Tanya An, since Senior Yan doesn’t like you, don’t keep pestering you.” Sheila said sarcastically.

“That’s right, otherwise you really like being a junior.” Lorene said.

“...”

None of the people present now does not speak for Jennifer Lin.

He thinks that Jennifer Lin is a gentle and generous woman, while Tanya An is a woman who entangles other boyfriends endlessly.

Milsa Ruan heard it and looked at them with hands on hips.

“Believe it or not, grandma tears your mouth.” Milsa Ruan said like a shrew.

Jennifer Lin smiled triumphantly while listening to the surrounding words.

“Let go.” Tanya An said coldly.

“Jennifer, come here soon,” Paul Yan said.

“No, Tanya doesn’t forgive me, I won’t let go.” Jennifer Lin said stubbornly.

Tanya An looked at Jennifer Lin, stretched out her hand and broke Jennifer Lin’s hand vigorously.

Jennifer Lin looked at Tanya An with a weird smile on her lips.

“what”

Jennifer Lin deliberately fell to the ground. Paul Yan saw it and immediately pushed Tanya An away. Tanya An staggered a few steps.

“Tanya is okay?” Milsa Ruan asked.

“It’s okay.” Tanya An said calmly.

Paul Yan helped Jennifer Lin up, looking at Tanya An with a green expression.

“Tanya An, she is your sister anyway, why are you so cruel?” Paul Yan said coldly.

“Paul is fine.” Jennifer Lin said.

Milsa Ruan looked at the two people and really wanted to go up and slap them.

“Hehe, you can just say what you want, anyway, I’m used to it.” Tanya An said calmly.

Tanya An looked at Paul Yan with mixed emotions in her eyes.

“Milsa, let’s go.” Tanya An said calmly.

“Yeah.” Milsa Ruan nodded.

Just when Milsa Ruan was about to leave, she suddenly stopped and ran in front of Paul Yan and Jennifer Lin.

“I wish you biao son and dog forever, and go bankrupt early.” Milsa Ruan said with a smile.

After speaking, ignoring the expressions of Paul Yan and Jennifer Lin, ran to Tanya An's side.

Paul Yan looked at the classmates next to him, and was even more angry.

"What do you look at?" Paul Yan shouted suddenly.

Everyone was taken aback and scattered and walked into the classroom.

"Sorry Paul." Jennifer Lin said.

"Fool." Paul Yan said softly.

On the other side Tanya An and Milsa Ruan.

"Don't be sad, Tanya, without the b*stard Paul Yan, there will be better ones in the future." Milsa Ruan comforted.

"Milsa, I just think, why I give in again and again, Jennifer Lin will still do everything possible to start with me, I really don't know what I did wrong." Tanya An said.

When Milsa Ruan heard Tanya An's words, she hugged Tanya An in her arms with distress.

Milsa Ruan is three years older than Tanya. Milsa Ruan knows that Tanya bears a lot at this age.

At the age of seventeen, they experienced what they had never experienced before.

Jingle Bell

"I'll take the call." Milsa Ruan said.

"Yeah." Tanya An nodded.

"Hey, Mom." Milsa Ruan shouted.

I don't know what the phone said, Milsa Ruan looked worried.

"Okay I get it." Milsa Ruan said.

Tanya An looked at Milsa Ruan, thinking something was wrong.

"Tanya, I have to go home if I have something to do. I won't see you off today." Milsa Ruan said.

"I'm not a three-year-old kid, and what do you mean by not giving me away today? Didn't you just slip away halfway through the delivery." Tanya An said with a pouting mouth.

Milsa Ruan scratched her head and smiled when she heard this.
