Chapter 451 A Helper

Qiqi couldn't understand Anna for she was too innocent. However, it seemed that Anna didn't want to bother Qiqi as well.

"Knock!" Hearing that someone was knocking the door, Anna said, "Come in, please."

Mrs. Chang walked in with a glass of juice in her hands, and then she smiled, "Girls, come to drink some juice."

"Thank you, Granny."

After putting down the drinks, Mrs. Chang looked at Qiqi and asked, "You're Anna's classmate?"

"Yes, we're roommates."

"You look so young and energetic! That's great."

Hearing this, Qiqi rubbed her head and smiled plainly. Then Mrs. Chang held Qiqi's hand and said, "Come to play with Anna as often as you can if you have time, you can read together. Although it's a bit remote, I'll have cars to pick you up."

Hearing this, Qiqi felt happy.

She hadn't enjoyed such a nice environment before, so it would be her pleasure to do so.

However, as Anna's best friend, she should act more elegant or others would look down at Anna. So she replied politely, "I feel embarrassed to do that."

"It's okay, Anna will recover faster if you can accompany her. Am I right Anna?"

Anna thought that if she felt better, then Yulin Xiao had no reason to ask her to stay, so she nodded her head and said, "Qiqi, come to study with me if you have time, the cakes taste delicious here."

Actually, Qiqi wanted to agree, hearing that there were many delicious cakes, she quickly nodded her head and answered, "Fine, it's more comfortable than the library. I don't need to take a seat in advance."

Hearing this, Mrs. Chang quickly said, "Then it's a deal, I'll have the driver pick you up tomorrow."

“Don’t be that polite, I’ll just take the bus.”

“It’s quite a long way, since you are here to accompany Anna, just listen to me, I don’t want to bother you.”

“Fine.”

.....

Under the kind invitation of Mrs. Chang, Qiqi became a regular guest in this apartment.

They took the apartment as a study room where they could read, eat and chat together. Life continues as usual.

However, Anna seemed to be very depressed. After reading for a while, she stared at outside again.

Qiqi bit her pen and looked at Anna. When Anna regained her thought, she noticed Qiqi’s gaze.

She was stunned and then smiled, “What are you looking at, is there any knowledge on my face?”

Qiqi was confused and asked with a frown, “Anna, why do you seem to be unhappy?”

Hearing this, Anna was a bit nervous and answered quickly, “The exam is coming, but I don’t remember all those knowledge. Of course I’m unhappy.”

However, Qiqi leaned her body and looked at Anna from a close distance, then she asked, “No, I can see gloom in your eyes, you are not distracted by study.”

Anna just pointed at Qiqi’s forehead and pushed her away, then she said, “It seems that you are good at analyzing people’s emotion.”

“My intuition is very accurate, Anna, just tell me.”

Anna lowered her head and said faintly, “I’m thinking ways to keep away of Yulin Xiao.”

“You are.....”

Before Qiqi could finish her words, she was warned by Anna.

So Qiqi changed her words and said, “I mean, both of you are single, why can’t you accept each other?”

“That’s wrong. We are not suitable for each other, so we’d better keep distance.”

Hearing this, Qiqi felt speechless.

“Well, how can you be so stubborn? You have to pursue your own happiness. It’s all depends on you.”

“But, I don’t like Yulin Xiao.”

Qiqi snorted and said, “You are lying.”

“I’m telling the truth.”

“Well, I know you well. Although he looks like a playboy, he really cares about you. He is a nice man.”

“But that doesn’t mean that he likes me, maybe” Anna suddenly stopped and said in a depressed manner, “Maybe it’s just a game for him to kill time.”

After looking at Anna for a while, Qiqi tilted her head and said in confusion, “Anna, you were more positive before.”

Yes, she used to be brave and energetic. However, since she met Yulin Xiao, everything had changed.

She was afraid of been hurt, she couldn’t even suppress her feelings.

So, Anna kept telling herself that she and Yulin Xiao were not suitable, they’d better keep distance.

Anna lowered her head and hid her determination, then she said, “Many things happen recently, I’m just a bit alert.”

“That’s not good, you’ll refuse those who really care you.”

Anna didn’t want to continue this topic, so she looked at Qiqi and said with a smile, “Well, let’s continue reading.”

“Fine.”

Seeing that Anna was in bad mood, Qiqi stopped talking but just glanced at her occasionally.

After finishing today’s plan, Qiqi packed her bag and was about to leave.

When she walked to the door, she ran into Mrs. Chang and greeted her with a smile.

“Mrs. Chang, I’m going back.”

“Thanks a lot.”

“Don’t be polite, I feel comfortable here.”

“Well, will such hard work affect Anna’s recovery?”

“It’s okay.”

However, Mrs. Chang suddenly sighed and said with concern, “Anna looks unhappy these days. I thought she was a bit weaker.”

Hearing this, Qiqi quickly asked, “Grandma, do you also feel that?”

“Of course.” Mrs. Chang frowned, the wrinkles on her face deepened, she was very worried and asked, “You are Anna’s classmate, do you know what happened?”

Qiqi thought for a while and said, “She seems to have a secret.”

“Well, we have to help her, or she would be more depressed.”

Hearing this, Qiqi quickly nodded her head and said, “I will talk to her.”

“In fact, it is herself that matters most.”

“I know, but it’s hard to convince her.”

“Well, I can also help, as long as you know what she is thinking. I can find ways to help her.”

After feeling Mrs. Chang anticipation, Qiqi nodded her head and said, “Then I’ll try.”

“You should try your best to help Anna and Yulin Xiao.”

“Well, is there anything to do with Yulin Xiao?”

“Young Master would be happy if Anna feels happy, or vice versa.”

“That’s true.” Qiqi pulled her bag and looked at the sky with a sigh, “Yulin Xiao treats Anna so nice, so what’s exactly her thought?”

“Only Anna can tell us about this, fighting!”

“I will.”

After Qiqi left, Mrs. Chang narrowed her eyes and smiled.

With the help of Qiqi, Mrs. Chang could know Anna's thought. Only after this could Anna and Yulin Xiao be together.

Well, the young people now were really hard to understand. Why couldn't they figure it out themselves.

Mrs. Chang strolled back with her hands crossed at back.

After walking a few steps, Mrs. Chang noticed a figure, so she smiled and thought, "When does he learn to eavesdrop?"

.....

According to Mrs. Chang's plan, she wanted Qiqi to help her know Anna's feeling towards Yulin Xiao.

But before she could find the answer, something happened..

On this day, Qiqi was supposed to study with Anna. But she didn't come at noon. So Anna called her.

"Miss Xie, someone is coming."

Hearing this, Anna put down her phone and walked out.

Before she could see the person, she said, "Why are you coming so late, I was just about to call you"

Before she finished, the person standing in front turned to looked at her with a smile.

Looking at the well-dressed girl opposite her, Anna frowned and asked, "Why are you here?"

It was Qiaoqiao. Qiaoqiao smiled politely and said, "Qiqi asks me to help her for she has something to deal with."

Anna still remembered her mockery, so she said indifferently, "We're not friends."

"Don't say that, we are classmates, I want to see you since I know that you are sick. However, I'm too busy to do that."

"Since Qiqi is inconvenient today, I take her part, you won't drive me away, do you?"

"I"

Before Anna finished her words, Mrs. Chang came over happily.

“Anna, I heard that Qiqi is here, I prepare some fruits and snacks for you.”

After putting the tray on the table, Mrs. Chang turned back and then looked at Qiaoqiao. Then Qiaoqiao smiled politely and said, “Thank you.”

Mrs. Chang was stunned and said, “You are not Qiqi.”

“Qiqi is inconvenient today, so I take her part.”

“Well.”

Mrs. Chang was a bit disappointed, after all, only Qiqi could help her.

After taking a glance at Qiaoqiao, Anna walked back to her desk and started reading again. They had no more communication.

Qiaoqiao was very enthusiastic, she kept talking with Anna, but Anna was indifferent, which made Qiaoqiao felt angry.

How dare Anna to treat her like this, without Yulin Xiao, she was nothing.

Qiaoqiao picked up the snack next to her and ate, then she smiled at Mrs. Chang, “It tastes good and seems to be a brand from Hokkaido.”

“You are such a smart girl. You are right.”

Qiaoqiao pretended to be surprise and said, “Really? I was just guessing.”

“Well, it seems that you know much about food.”

“Yes, I’m interested in it because I like to eat, do you make it yourself?”

“Yes.”

Qiaoqiao acted surprised and said, “You are awesome, I want to learn from you if you have time.”

“No problem, as long as you don’t think I’m annoy.”

“Of course not, I respect you so much.”

Although Qiaoqiao acted modest and flattered Mrs. Chang, Mrs. Chang didn’t like her. She had seen such girls who were smart but shrewd.

Compared with them, Anna was more pure that made you want to protect her. Thus, what Qiaoqiao did was all in vain.

However, Qiaoqiao didn't think so, she though Anna was just a bit lucky, if she showed up, then Anna was nothing.

After Qiaoqiao finished eating, Mrs. Chang left with the tray.

Since no others were in the room, Anna asked indifferently, "Just tell me, what exactly is your purpose?"

"I'm here to visit you. You don't treat me like this since we are classmates."

Hearing this, Anna lowered her head and snorted, "Don't you remember how you and Jing mocked me?"

"Well, Jing didn't mean to do that, I've already blamed her, just forgive us."

Then she walked to the window and enjoyed the beautiful scenery.

Qiaoqiao narrowed her eyes and said, "It seems that you are more arrogant now. Is it because you are rich now?"

Anna kept reading and asked casually, "Why do you say this? I'm more like a prisoner."

"How can you say that? Yulin Xiao treats you so nice, he even finds such a beautiful place for you to recover. You are really very indifferent."

Chapter 452 Alienate he and she

Growing up in happiness?

Anna Xie shook her head and laughed, "Then how about you enjoying it by yourself, huh?"

Qiaoqiao Su thought Anna was mocking her, she couldn't help but clench her fist and questioned, "If these are mine, do you think I can let you snatch them away?"

Jealous appeared in Qiaoqiao's face, mixed with a disgusted look, that made Anna laugh, she said, "You all treat it as a treasure, but you don't know what the truth is."

"You, just don't take it for granted when you get a bargain, who knows how happy you are in your heart."

Jesus, this is called cast pearls before swine, right?

Anna didn't want to talk to Qiaoqiao about this issue, so she said, "You don't have to come to accompany me tomorrow."

Qiaoqiao is such a proud girl, she was willing to get down off her high horse to accompany Anna, but Anna refused her, that made Qiaoqiao feel humiliated.

However, in order to achieve her goal, Qiaoqiao could only speak nicely and said, "That's not possible, I promised Qiqi that I would come here and keep you company until you get well."

"Qiqi's here, she can accompany me to relieve boredoms. But you you are too good, and so good at study, I feel under pressure seeing you here."

"Isn't that great? I can teach you when you don't know how to solve problems."

Seeing that hints didn't work, Anna could only be frank and said, "To be honest, I just want to be alone."

Qiaoqiao couldn't maintain the smile on her face, she was a bit furious and asked with a darkened face, "After all you've said, you mean Qiqi can be here, but I can't, is that right?"

"Whatever you like, just, don't come to bother me again."

At this moment, Qiaoqiao only wanted to curse her.

But she couldn't mess with Anna yet, this bitch was still useful, so Qiaoqiao could only hold back her anger, she stood up and said, "I'm going out for some air."

Qiaoqiao walked to the garden alone, looking at all those delicate flowers and fresh plants, she really wanted to burn these eyesores with fire.

But when she noticed a figure by a glimpse, Qiaoqiao's eyes turned red and she began to act like a movie queen.

Wiping the corner of her eyes with a tissue, Qiaoqiao sighed, "Anna, I'm pissed off by you, there is a good man Young Master Xiao to care about you, but why do you still think about that scum! How precious a woman's springtime is, why waste your time on that kind of person?"

"What were you talking about?"

"Who is where?" Qiaoqiao made a frightened expression and turned back to look over.

When she saw Yulin Xiao, she patted her chest, let out a long breath, and said, "Young Master Xiao, it's you."

Yulin looked so serious, he asked, "I'm asking you, what scam did you say?"

Qiaoqiao was a little anxious, she waved her hand hastily and said, "Nothing, I'm talking nonsense."

"Do you think I will believe you? Tell me everything you know now, my patience is wearing thin!"

Yulin still looked very angry, Qiaoqiao seemed to be in a difficult position, she hesitated a while before she said, "Okay. I can tell you, and I hope that Young Master Xiao can also persuade Anna not to be so stupid."

Under Yulin's gloomy gaze, Qiaoqiao continued to speak.

"In fact, Anna has a boyfriend, only their relationship is a secret, no one else knows it. I bumped into it by chance, so I can know about their relationship."

"That man is much older than us, and he already has a family, their relationship, for sure, will not be accepted. Anna will only get herself hurt if she continues to indulge in it, and it won't work out."

"I have talked to Anna about this before, hoping that Anna would wake up in time. But Anna didn't listen, even if she knew a good man like you, she refused to leave that man."

"Young Master Xiao, I see that you and Anna are good friends, can you help to persuade her?"

Qiaoqiao finished speaking and looked at Yulin with an earnest face.

After hearing Qiaoqiao's words, Yulin narrowed his eyes and concluded, "A married man's mistress"

Yulin got it very well, and this was what Qiaoqiao wanted Yulin to see.

But Qiaoqiao pretended to be Anna's friend at the moment, she still has to say a few good words for Anna.

"Don't say that about Anna, she may just like mature and stable men and feel that kind of people can give her a sense of security. But Anna certainly doesn't want to destroy other people's families, probably, she is also painful, and she needs others to enlighten her."

Thinking of Anna's attitude towards him, Yulin snorted coldly and said, "She doesn't need others to enlighten. She knows better than anyone about what she exactly wants!"

Qiaoqiao didn't understand why Yulin said that, but she could tell that Yulin was angry.

This was a good sign.

Lowering her head, Qiaoqiao hid the smile under her eyes deeply and said in a mournful voice, "Oh my, I hope Anna can give up early and not waste her precious years."

"Whether she wasted her life or not, what does it have to do with me!"

After Yulin said that, he turned around and left.

Looking at Yulin's back, Qiaoqiao revealed a smug smile.

"Anna, who do you think you are, and are you worthy of what you have gained? I will make you wake up from your dream and fall down hard!"

At this moment, Anna was still oblivious to the fact that she had been involved in a new trap, she was calling Qiqi.

"Qiqi, what is going on, why is it Qiaoqiao here today?"

"Oh, don't mention it, when I was leaving, I was suddenly called by someone from the club, saying that they were going to hold a photography exhibition soon and wanted me to help. I had no choice but to go, and I let the driver know."

"She overheard my conversation beside the car and volunteered to go there, she said she can review with you."

"I didn't agree, but Qiaoqiao was faster than me, she got in the car and let the driver drive. The driver, too, was perplexed by Qiaoqiao's words and drove her away."

Speaking of which, Qiqi asked with some concern, "Anna, Qiaoqiao didn't cause you any trouble, right?"

Anna, who didn't know the truth, said confidently, "Don't worry, she doesn't dare to do anything here."

"Phew, that's good."

"I've told Qiaoqiao to stop coming here, she wouldn't bother me anymore."

Qiqi said with a guilty look on her face, "I'm sorry, Anna, I said I would stay with you, but I couldn't leave temporarily."

"It's okay, I don't have emergencies here, so having more people with me will only make them boring."

"But you're sick, won't it be lonely without me to talk to you?"

"Can't we talk on the phone? Besides, I have Mrs. Chang with me, so don't worry. I'll be well soon and then I can go back to school."

"Then you need to get better soon, I'm in our dorm room, it's really boring."

"Well, don't worry."

Hanging up the phone, the smile on Anna's face slowly disappeared.

After reading in her room again for a while, Anna went out of her room to get some air.

But at the corner, she heard the sound of an argument.

Looking around, Anna saw the back of Mrs. Chang, and Yulin who's leaving.

What are they arguing about?

Anna walked over with a suspicious face and asked, "Mrs. Chang, what's going on?"

Raising her eyes to look at Anna, Mrs. Chang said with a frown, "Young master said, you can go back to school."

Anna felt conflicted that her heart sunk.

It was a good thing to be free, so why did she feel so lost?

It seemed that she was also a greedy woman. Knowing it well that Yulin didn't belong to her, but she still held a fluke.

Now that the dream is end, she should stop pretend anymore.

Lowering her eyes, a mocking smile appeared on her face, Anna said, "I have to leave sooner or later, it's not bad to go back now."

"But you haven't fully recovered, what if your condition recurs?"

"I just have a cold, it's not like I have a terminal illness. Besides, I'm almost well, staying here all day would be so boring."

“But

“By the way, did Yulin say when I can leave?”

Mrs. Chang pursed her lips and said, “..... now.”

It seemed that Yulin was not sending Anna away, but kicking her out.

Laughing at herself, Anna said, “Then I’ll go back and pack my things first.”

But Mrs. Chang tugged her and said, “Anna, you should go tomorrow.”

“No, I want to go back early, Qiqi is still waiting for me.”

After said that, Anna turned around and went back to her room. Mrs. Chang let out a deep sigh, but there was nothing she could do.

Turning around, Mrs. Chang happened to see Yulin who had returned.

In fact, he was just saying thoughtlessly words before to ask Anna to leave immediately.

Seeing that it would soon be dark, Yulin changed his mind again and wanted to let Anna stay one more night.

But unexpectedly, it made him overhear Anna’s conversation with Mrs. Chang.

Looking at Yulin’s serious face, Mrs. Chang asked, “Young master, you obviously like that girl, why did you drive her away?”

With his hands in his pockets, Yulin said stiffly, “Who said I like her, I just thought she was interesting and I want her to be here for fun. Now I’m not interested in her anymore, so of course I have to drive her away.”

“No, I’m here ever since you were a baby, how could I don’t know what you’re thinking? You, you’re just asking for trouble.”

Slightly lowering his eyes, Yulin said, “You said you know me, you should know how I am, I am not likely to let others lead me by the nose. Besides, it’s a woman who doesn’t like me at all.”

“How do you know she doesn’t like you? If she thinks you’re just a stranger, she wouldn’t be hesitant all day long.”

Deliberately ignoring the heartbeat, Yulin said stiffly, “She thinks too much, who knows what she is hesitating about. I’m too lazy to guess, there are so many good women out there, why should I waste my time on her.”

“But you like her.”

“I don’t like her!”

“You’re a man, if you like her, what are you afraid of admitting it?”

“I’m not interested in her at all, so why should I admit it.”

“If you don’t like her, why do you let me to take care of her, just find someone randomly.”

“That’s because that’s because

Yulin, who had been bold and assured, ran out of words.

Seeing him like this, Mrs. Chang was affirmed, “She’s a different girl in your heart.”

Yulin knew that, and he could not deny.

He could not change what happened in the past. But from now on, Yulin would no longer be led by the nose.

Yulin lowered his head, he said, “From now on, she is just an ordinary person to me.”

“Although I don’t know why you suddenly change your idea, but I think, things can’t be decided hastily, otherwise, you will certainly regret later.”

“For that kind of woman, it’s not worth it.”

After saying that, Yulin no longer hesitate for her, no longer reluctant for her, he turned around and left.

Mrs. Chang did her best to convince him, but Yulin still refused to change his mind, which made her helpless.

Anna didn’t have many belongings here, and in a short while, she packed up everything and ready to leave.

Standing at the gate, Anna looked at Mrs. Chang who had come to see her off and said, “Granny, thank you for taking care of me these days, I hope we can meet again sometime.”

“We will definitely, I still want to make you some snacks.”

Even they said so, Anna knew that she and Yulin would never contact each other again, and naturally, she and Mrs. Chang would not have the chance to meet again.

The bottom of her heart was a bit sour, Anna nodded her head, then turned around and bent down to get into the car.

Pressing the window, Anna waved her hand to Mrs. Chang, and then, followed with Mrs. Chang's eyes, she left the apartment.

It was not until the car drove far away that Mrs. Chang turned around.

With a glimpse, she saw a person standing beside the window upstairs.

There was no need to guess who it was.

Mrs. Chang sighed helplessly and muttered to herself, "Oh, young men, what's the point of say yes and mean no."

.....

Qiqi came back from work and found Anna in the dormitory unexpectedly, she could not help but show a surprised expression.

"Anna, why are you back?"

Looking at Qiqi with a smile, Anna said, "I heard that you missed me, so I came back."

"But, how could Yulin let you go?"

"Why wouldn't he let me go, I had nothing to do with him since the beginning."

"But"

"Do you have anything to eat here, I'm hungry."

Knowing that Anna didn't want to say more, Qiqi had no choice but to stop the topic, she turned around and took out bread from the cabinet and handed it to Anna.

Both Anna and Qiqi love to eat the bread.

But now, Anna found it hard to swallow.

It seemed that it is her stomach had been spoiled.

This was a very dangerous sign.

She was just an ordinary person, not qualified to enjoy those things of rich people.

Never forget her identity, otherwise, what awaits her is only to be smashed.

Looking at Anna's unappetizing appearance, Qiqi sighed and muttered in a small voice beside her, "I told you that nothing good would come from meeting Qiaoqiao, she is simply a Jinx."

Hearing what Qiqi said, Anna's heart moved slightly, she thought she had catch something, but she let it go.

Back at school, it seemed that everything was back on track.

The rumors in the school had completely dissipated, and when people saw Anna, they still thought she was Yulin's girlfriend and treated her with both respect and fear, keeping a proper distance.

Although people misunderstood her relationship with Yulin, but this was good, no one came to bother her, Anna enjoyed the short period of peace.

Chapter 453 Misunderstandings

Anna's life continued as usual, dormitory, cafeteria and classroom were the three places that she often went.

Although life was calmer, she became poorer. She only got a hundred yuan in her pocket.

If she hadn't miss the last role, she might have earned a lot and even paid the tuition of next semester.

But now, she couldn't eat well, she had to find a way or she would be starve.

Anna put those review materials in her bag and then left. Then she came to a cafe outside the school.

"Hello."

"Well, do you need part-jobs here?"

"Please wait here, I'll ask the owner."

"Thank you."

A minute later, the waiter came back and said, "Sorry, we have enough staff now."

Hearing this, Anna felt a bit disappointed but still answered with a smile, "Fine, thank you."

Then she left and was about to enter the next cafe.

While she was walking, someone asked her.

"Miss Xie?"

After turning back, Anna found it was her acquaintance.

"Mr. Wang."

The middle-aged man standing in front of Anna dressed well and looked gentle.

Anna used to be a tutor in his home, his son was her student.

After raising his glasses, Mr. Wang said, "I saw you in the cafe, are you looking for a part-time job?"

"Yes, I'm poor now, so I need to earn some money."

"Well." Mr. Wang smiled and said, "Tiantian did bad in the recent English test, My wife and I want to find a tutor for him, do you have time?"

Anna didn't expect to hear this, so she quickly answered, "Of course!"

"Okay then, what about three times a week and two hours each time?"

"No problem."

"I've moved to the new house, and this is my address. Come over when you've arranged your time."

"Well, it won't take long, I'll come before tomorrow night."

"Good."

After Mr. Wang left, Anna felt very happy.

She was so lucky today. Then she turned back but collided with another person.

"Sorry!"

However, as soon as she saw the man's face, she yelled, "Yulin Xiao?"

“Why do you act like this?” Yulin Xiao was sullen and he stared at Anna, “Why do you treat me like this? It seems that you look happier when talking with that man.”

That man?

After thinking for a while, Anna knew who he was talking about.

Then she frowned and said, “It’s none of your business? What are you doing here?”

“I’m eating around!”

“Really?”

Seeing that Anna didn’t trust him, he said louder again, “Yes, do you have any questions?”

“Well, I dare to say nothing.”

Yulin Xiao ignored Anna’s words and asked, “Who is he?”

“A friend.”

“What friend?”

Anna didn’t like his tone, so she said with a frown, “It’s none of your business.”

“I just want to know, tell me quickly!”

“I don’t want to tell you!”

“You don’t dare to say that?”

“Don’t talking nonsense!”

“You must have a secret!”

Yulin Xiao was very angry and yelled, “No wonder you’re ignoring me, do you like him? He’s already married! You can’t be together.”

“Shut up! Don’t talking nonsense!”

Anna didn’t want to talk to him so she turned to leave.

“I haven’t finished talking, just stand there!”

Yulin Xiao blocked Anna’s way, he was so angry, as if Anna was a mistress.

Anna only thought that Yulin Xiao went crazy, so she warned, "Yulin Xiao, calm down okay? Don't do this to me!"

After saying this, Anna slipped away.

"Stop right there, Anna!"

Yulin Xiao yelled crazily, however, Anna ran even faster.

Yulin Xiao grew sullen and yelled, "Damn, how can you like him? I'll give him a lesson."

.....

After arriving at Wang family, Anna pressed the doorbell.

"Waiting for a minute."

After seeing Anna, Mrs. Wang wiped her wet hands on the apron and said with a smile, "Anna, come in quickly, Tiantian is waiting for you."

Then Anna followed Mrs. Wang to Tiantian's room, then she greeted him with a smile.

"Tiantian."

Hearing Anna's voice, Tiantian immediately smiled and said, "Anna, you're coming."

"Well, I'm here to instruct you, can we start now?"

"Sure."

Anna knew Tiantian's level before she came. So she had a focus.

Tiantian listened very carefully and took notes from time to time.

Seeing that, Anna felt happy and she was very careful too. They cooperated with each other well.

"Knock."

Someone knocked the door, and then, Mrs. Wang walked in with a plate.

"Anna, have some fruit."

"Thank you, Mrs. Wang."

After chatting with Anna, Mrs. Wang said to Tiantian again, "You have to behave better the next time, your father and I don't want to be blamed the next time."

Tiantian was a bit impatient and said, "Well, I know mom, don't bother us."

"Fine, thanks a lot, Anna."

"You are too polite."

Then Mrs. Wang left, seeing that they cooperated well, Mrs. Wang envied Anna a lot. She was so energetic that even Tiantian liked her.

However, she was only a housewife that knew nothing except the housework. Although her husband said that she should enjoy her life at home. She felt very anxious and nervous.

She would live happier if she hadn't given up her job. After a short sigh, she left.

While in the room, Tiantian complained and ate the fruit.

"Tiantian," Anna looked at him and said seriously, "don't talk to your mother like that, she would be unhappy."

"I'm just want to express my feeling, she always blames me in front of others. I don't like that."

Anna wanted to say more, however, since she was just a tutor, she'd better say less. Then she continued the class.

When the class was over, it was already dark.

Anna was ready to go back to school when Mr. Wang called her.

"It's dark, it's not safe for you to go back alone, I'll drive you there."

Anna quickly waved her hands and refused, "No, it's convenient for me to take the bus. I don't want to bother you."

"Well, don't be that polite, what can I say to your parents if something really happens."

"This"

"Let's go, don't waste time."

Mr. Wang said and then walked out with car keys on his hands.

Anna had no choice but to follow him.

Just as they left, Mrs. Wang came out.

Seeing that the weather was bad, she prepared an umbrella for Anna in case of raining.

But when she walked out, she found that Anna was left, and so did her husband.

So she turned to look at her son and asked, "Where are Anna and your dad?"

"Dad said it was getting dark and he had to send Anna back to school."

Hearing this, Mrs. Wang held the umbrella tighter and said nothing. Then she went back to her room.

.....

Life continues as usual, although Anna was busy, she was pleased.

Perhaps, this was what she liked.

All the previous experiences were just a dream.

Now that she should be awake and be more diligent.

After the evening study, Qiqi left early for she had a stomachache. Before leaving, she asked Anna to buy a cold noodles for her.

What a greedy girl.

Anna had no choice but to go to the food street in front of the school. Although it was dark, many students came there to buy food.

After buying the cold noodles and takoyaki, Anna was about to leave.

But she found a man smoking in front of the school door.

"Mr. Wang?"

Mr. Wang a bit surprised to see Anna, then he snuffed his cigarette and smiled at her.

Seeing him, Anna's first reaction was, "Today is not time for teaching."

"I know, I'm just hanging around, don't be nervous."

"Well."

“Do you have time, I remember there is a tasty milk tea store around the school. But I don’t know where it is, can you help me to find it?”

“Milk tea?” After thinking for a while, Anna said, “There are many milk tea stores around here, I don’t know which one do you refer to?”

“That’s the one that specializes in sticky rice.”

“Then I know, they’ve moved to the shop near the North Gate.”

“No wonder.”

“I’ll take you there.”

“Okay.”

After arriving at the store, Mr. Wang said, “What would you like to drink, I’ll treat you.”

“Then I won’t be polite.” Anna directly said to the owner, “A cup of hot red bean milk tea, thanks.”

Mr. Wang also ordered a cup of milk tea, then they sat in the store together.

After looking at the man across the table, Anna said, “Mr. Wang, you seem to be unhappy today.”

“I had a quarrel with my wife.”

“It’s inevitable, just be more patient.”

Mr. Wang took a deep breath and said, “I’ve been very patient, however, she is bad-tempered now and often suspect me.” Then he looked at outside and continued, “We met at the school, she was very gentle and kind, I fell in love with her in the first sight.”

“But when does she become so weird? I can’t relax at home, and even need to comfort her when I’m already worn out.”

“Once she is dissatisfied, she would cause trouble. She is not a kind mother and wife anymore.”

Mr. Wang was a dumb man, he must be very depressed for he talked a lot this time.

However, Anna grabbed her head and felt helpless, “I don’t even have a boyfriend, and I don’t know how to comfort you.”

After saying this, Mr. Wang felt better.

But Anna's words made him smile.

"Really? I often see your pictures on the financial newspaper."

Anna was a bit embarrassed and said, "That's just gossips, how can a playboy likes me?"

Mr. Wang nodded and said, "You are right, status is very important, you have to protect yourself."

"I will." Then Mr. Wang looked at her with a smile, "Thanks for listening."

"I should be the one to express my thanks for you treat me the milk tea."

"It's very late, you should go back."

"Fine."

After sending Anna to the school, Wang waved his hand and was ready to leave.

But Anna suddenly called him, "Although it's inappropriate for me to say this, since you and your wife feel unhappy now, why don't you have a talk? That will be the best way."

Mr. Wang was a bit confused and then smiled, "Maybe." Then he left.

Seeing his back, Anna sighed, it seemed that everyone had his difficulty.

Chapter 454 Duel

Di di di...

The cell phone rang and Anna picked it up.

"Anna, where did you go to buy the food? I've finished, why haven't you come back?"

Oh dear, she forgot her roommate.

Anna said apologetically, "I'll be right back, wait for me."

Hanging up the phone, Anna turned around and ran back.

But just as she ran into the school gate, a person rushed out all of a sudden.

Anna only had time to see a shadow, and then she bumped into the arms of that person.

Instantly, a familiar smell filled her nose.

She recognized the smell of men's perfume and her heart softened.

But on the surface, Anna still made a fierce expression.

"Why do you have to stand here on such a wide road?"

Yulin Xiao stared at Anna Xie like a lion breathing fire.

"Are you dating that guy?"

"Nonsense, what date?"

Yulin hadn't been in touch with Anna for several days. He wanted the girl to have a good self-examination.

However, Anna was too quiet. For so many days, she didn't make a single phone call nor send a single message, as if she evaporated from the world.

After thinking about it, Yulin still couldn't help but decide to come to Anna personally.

He was thinking that as long as the woman had a better attitude, took the initiative to admit the mistake and say that she had him in her heart, he would be generous and forgive her.

But he didn't expect that Anna was not lonely at all. In the evening, there was a man who invited her to drink.

What was the matter with her? That kind of drinking was all additives. Wasn't she afraid of suffering from diarrhea after drinking!

After all, she had been with him. How could her taste be so bad!

Yulin thought of a bunch of excuses, but the moment he saw Anna, he forgot them all.

At the moment, he just wanted to ask one question.

"Have you ever thought about what you would do if his wife knew about you?"

Anna was confused because she couldn't understand Yulin's words.

"Have you been drinking?"

“None of your business!”

“Anna Xie, you don’t want me such a good decent man, and addicted to a married man? Do you like that kind of dark feeling so much? Do you have to be a cheap woman?”

Anna was very angry. She didn’t get in anyone’s way, however, she was scolded for no reason, which might be pure bad luck.

Holding back her anger, she said, “If you come here just to scold me, then you have achieved your goal, go away now.”

Saying that, Anna was about to leave.

“Stop!” Yulin stopped Anna, frowned and said, “I mean it. Stay away from that man.”

“Which man?”

“The guy you just had drinks with, don’t play amnesia with me.”

She thought for a moment and showed a sudden understanding look, which soon became angry and embarrassing.

“Are you insinuating me and Mr. Wang? Yulin Xiao, are you crazy? How can you say such things!”

“You can do it, why can’t I say it!”

“I don’t understand what’s going on in your mind and what you are thinking every day!” Anna explained patiently, “Mr. Wang is the parent of my tutor student. Besides that, I have nothing to do with him!”

However, Yulin did not believe it.

“If you really have nothing to do with him, why do you drink together in the evening?”

“He had a quarrel with his wife, and he came out to relax a bit, and then we met. He wanted to drink the old milk tea, so I took him there.”

“When does a quarrel between husband and wife become your business?”

“Tiantian is my student, is it none of my business to let him have a stable learning environment?”

“Is that true?”

“Or what do you think? Am I, Anna Xie, really willing to be some man’s mistress?”

Yulin thought what she said made senses, and he tried hard to control his laughing out.

He still muttered, "You have no intention for him, who knows if he has any intention for you."

"You are full of nonsenses, so annoying!"

Anna didn't want to waste time with Yulin anymore. She turned around and went towards her dorm.

"Hey, I haven't finished. Where are you going?"

Anna no longer paid attention to Yulin and went away decisively, ignoring him.

While Yulin was not angry, on the contrary, he was relieved a lot by Anna's words.

From what he knew about Anna's characters, she would not lie. It seemed that she didn't like that Mr. Wang at all. Everything was just a misunderstanding.

Anna pushed open the door of the dorm. Qiqi was lying on the bed, looking at Anna with a weak breath.

"Anna, what took you so long? I'm starving. Where's my food?"

"Here it is. Come on to enjoy."

Putting the food on the table, Anna hung up her schoolbag with an unhappy expression.

Qiqi's eyes shined up when seeing the food. She took chopsticks right away, "Are there many people on the snack street today?"

"Not so many, it's just that I met two people, which delayed some time."

"Who did you meet?"

"Mr. Wang and Yulin Xiao."

In a daze, Qiqi looked puzzled. She asked, "How did the two of them show up in the same place?"

"Who knows, oh dear, forget about them. I take a shower first."

Anna went to the bathroom, leaving Qiqi's more questions outside.

.....

After breakfast, Anna and Qiqi went to class together.

But on the way to the teaching building, Anna saw a familiar figure.

The figure wore a loose baggy skirt, her hair was held at will, and the expression on her face was a little impatient.

From her face, the beauty of her youth could be seen.

But time had stolen her innocence and happiness, only vicissitudes remaining.

It was Mrs. Wang.

At the moment, Mrs. Wang stopped people to ask where Anna Xie was, making people puzzled.

However, she was lucky today. Without asking a few more people, Anna Xie in person bumped into her.

“Mrs. Wang, why are you here?”

Hearing Anna’s voice, Mrs. Wang froze for a minute. Then, she turned around, raised her hand and gave Anna a ruthless slap!

This sudden incident made Anna freeze as well, and the people passing by also had looks of shock.

“Hey, what are you doing?”

Qiqi guarded Anna behind her and glared at Mrs. Wang.

But Mrs. Wang didn’t seem to hear it. She glared at Anna and yelled like a maniac, “Anna Xie, I was so kind to you, but I didn’t expect that you should s.educe my husband!”

Anna covered her face and defended herself angrily, “What are you talking about? I didn’t s.educe your husband!”

“You didn’t s.educe him, then why did he come to see you in the evening. Why did he date you? I never believed that you would do such a thing before, but in front of the evidence, you can’t deny it!”

“Mr. Wang said that he had a fight with you. He came out to relax his mind and happened to meet me. That’s all.”

“Where are so many coincidences, the city is so big, even if he wanted to relax, why did he come here?”

“Because he said you met each other here.”

Mrs. Wang’s eyes were illusioned for a second, but soon she was occupied by madness again.

“Calculating b!tch! Anna Xie, I won’t believe you anymore. Today, I’m going to take you to see your school leaders, letting them see what on earth are you like!”

With that, Mrs. Wang reached out to pull Anna.

Anna dodged out of the way. She stressed, “I repeat, don’t tarnish my reputation!”

“Ha, tempting other people’s husbands, do you really mean it that you have a reputation? You’re a b!tch, low, cheap and shameless b!tch!”

Seeing that Mrs. Wang keeping attacking herself, Anna lost patience. She frowned and said: “Mrs. Wang, I have always respected you, but if you can’t get yourself up together, I’ll have to treat you other ways.”

“It was you that have done the shameful thing, how dare you frighten me? You were just making use of your young age to sell your body in exchange for money! Today, I’m going to teach you a lesson. I’ll see if you dare to go out to s.educe men anymore in the future!”

As saying, Mrs. Wang stretched out her hands to grab Anna’s hair and pulled it down hard!

“Ah!”

For a moment, Anna was not prepared for this, so she staggered, nearly falling to the ground.

Qiqi, with sharp eyes and quick hands, held Anna, meanwhile she patted Mrs. Wang’s arm to ask her to let go.

Although Mrs. Wang was quiet usually, when she got angry, she was as powerful as a cow. Even in front of two people, she managed to handle them.

“Crazy woman, let go!”

“Shut up, it’s none of your business. Get out of here!”

When Mrs. Wang threatened like this, Qiqi really went away.

However, Qiqi was not running away, but went to the security.

Anna was not Mrs. Wang's match originally, and now she had no Qiqi, and she was even more helpless.

Her clothes were torn by Mrs. Wang, her face was injured, and her body was like a rag doll, which was shaken around by Mrs. Wang.

There were many students nearby watching, but none of them came forward to help.

They discussed the matter with each other, and some even took pictures of this unexpected drama with their mobile phones.

Just when Anna was on the verge of despair, Qiqi came with the security.

Two security guards worked together to subdue Mrs. Wang, but Mrs. Wang was still swearing, clamoring like a lunatic.

"Anna Xie, you whore, I won't let you go. You dared to touch my man, I will ruin you! I will let you lose all standing and reputation! I have nothing but my husband and my son. If you dare to take them away, I will fight you to death!"

Mrs. Wang was dragged away. Anna looked in the direction they left and squinted her eyes slightly.

"Anna, forget that crazy woman, let's go back to the dorm."

Qiqi said and turned to help Anna up.

But Anna suddenly dodged Qiqi's hand.

Qiqi paused and asked, "Anna, are you ok?"

Anna lowered her eyes and covered up her expression. She said in a light tone, "I'm OK. Let's go."

The farce was over and the crowd dispersed.

Jing Wu and Qiaoqiao Su were in the crowd, with smug looks on their faces.

Holding her arms, Jing said with a smile: "The scene just now was really wonderful. I believe it won't be long to spread all over the campus. I told you, a scum like Anna Xie should live like a bereaved street dog. That's her life."

Qiaoqiao hooked the corner of her mouth, arrogant like a princess.

“This is just the beginning. Anna Xie, you’ll have to suffer a lot this time!”

Just the thought of the humiliation under Anna, Qiaoqiao wished she could skin Anna herself.

Now there was a chance finally, Qiaoqiao would not let Anna go and must make Anna pay ten times the price.

In the dorm, Qiqi helped Anna to deal with the wound. She was still murmuring, saying that Mrs. Wang was just a shrew.

But Anna didn’t have any response, as if she was not the one who had been humiliated and beaten.

After changing into clean clothes, Anna said, “Qiqi, please ask for a leave for me later.”

“OK,” Qiqi agreed without hesitating, and asked, “Do you want me to accompany you to the hospital?”

“No, I’m going out of campus to do something. I’ll go by myself.”

“Anna, you…”

Giving Qiqi a soothing smile, Anna said, “I’m OK. Don’t worry.”

It was better soothing if Anna did not smile. Actually, her smile was as if showing a determination for retaliation or something, making people feel disturbing.

When Qiqi was still wandering, Anna had already left the dorm, carrying her schoolbag and ready to leave.

Standing on the busy street, Anna took out her mobile phone, looking heavy-minded.

“Yulin Xiao, where are you?”

At this time, Yulin was preparing to attend a party.

Receiving Anna’s call made him laugh a bit.

“I’m going to Merton Manor. You can meet me there later.”

“Good.”

Then she hung up.

Yulin, however, noticed something different.

Why the girl's voice was so low, did she catch a cold again?

After thinking carefully, it was quite possible.

Well, Anna didn't say troubles for him at all. She was a big girl yet she didn't know how to take good care of herself.

It seemed that she couldn't do without him.

In that case, he had no choice but took over to take care of her.

After finding himself a safe and sound excuse, Yulin couldn't help slightly curse up his lips.

Outside the manor——

The design of Merton Manor was grandly magnificent, and it had great fame and prestige in the capital city.

The people who could get in and out of here were all dignitaries with high social status.

Therefore, when Anna was arriving at the gate, the guard expectedly stopped her.

"Miss, this is a private estate, you're not allowed to come in."

"I'm looking for someone." She said, with a gloomy complexion.

"Who are you looking for?"

"Yulin Xiao."

The guard glanced up and down at Anna, thinking that how this kind of ordinary girl had anything to do with Yulin Xiao.

Was she holding some agendas and trying to sneak in?

Staring at the guard, Anna lost her patience. She frowned, "You don't understand what I said? If I can't get your approval, let Yulin Xiao himself talk to you."

Seeing Anna taking out her mobile phone and about to call, the guard said: "I'm going to Mr. Xiao now, please wait a moment."

The guard left in doubts. However, when he came back, his attitude changed 180 degrees.

“Excuse me, it’s a mistake in our work. Sorry to have you kept you waiting. Miss, this way, please.”

Anna followed the guard with no expression on her face, not knowing whether she was in joy or in anger.

Yulin in the manor heard that someone was looking for him and knew that it was Anna.

Well, the girl was punctual this time.

As a reward, he would let her see his handsome side today.

Straightening his collar, Yulin involuntarily draw up the corner of his mouth.

Chapter 455 Destroy Me When You Can’t Get Me?

Jingyan Ye looked at Yulin Xiao, his fingers supporting his cheek, “Why do I feel you today...”

Turning to look at Jingyan, Yulin asked: “Very handsome, right?”

“No, very seductive.”

“Nonsense, you just don’t know how to appreciate beauty.”

Hearing this, Chuxue put down the cake in her hand, looked at Yulin askew and said, “I didn’t see handsome, I just feel you have more laughter on your face. Yulin, is something good happening today?”

“It doesn’t count as a good thing actually. Just in a while, I’ll introduce someone to you.”

Seeing Yulin’s attitude, Yiyao said with a smile, “It’s a woman, is it?”

With a finger snap, Yulin said: “You are worthy of being the queen flower in the army before. You guessed it right.”

Today was a family reunion. It was unexpected that Yulin would call a woman over. It could be seen that this woman had an extraordinary position in Yulin’s heart.

Zhao Nangong patted Yulin on the shoulder and said, “A woman who can be brought you out to meet us is definitely not an ordinary woman.”

“Of course.”

“This time, for serious?”

“Yes, I’m serious about every relationship.”

Upon hearing this, everyone booed him in unison.

“Hey, what was that for? Do you think I’m lying?”

“We don’t think you are lying, just feeling that your emotions are overflowing everywhere like a flood.”

Ignoring these guys, Yulin turned his head to glance over at the door, seeming to be looking forward to see Anna.

At the moment, the towering door was pushed open. The crowd heard the sound and immediately focused on the doorway.

They saw a thin girl standing there, against the light.

At first, everyone couldn’t see Anna’s face clearly.

But when everyone got used to the light, they were all taken aback.

Anna’s face was full of injuries, bruised and scratched. She was in a mess.

There were also scars on her exposed n.aked limbs. It looked like she had just been scratched.

Yulin quickly stood up and walked to Anna’s side, “What’s the matter with you? Is it the make-up for a play?”

As he said, Yulin reached out to wipe the wound on the corner of Anna’s mouth, thinking that even if this girl was anxious to see him, she couldn’t come without removing her makeup.

Anna couldn’t bear the pain from his wiping and patted away Yulin’s hand.

He didn’t expect that it was a real wound. Yulin was shocked for a moment, and then said angrily, “Someone dares to hit you! Who is it?”

With a sneer, Anna said sarcastically, “Who is it, shouldn’t you know best?”

“What are you talking about? How should I know?”

Anna looked at Yulin coldly, “Yulin Xiao, stop pretending. Just because I don’t listen to you, you’re going to ruin me, aren’t you?”

“What the hell are you talking about?”

“Well, since you want to hear it, I’ll enlighten you.” Anna sneered, her eyes full of disappointment, “Just now, Mrs. Wang went to school for me. In front of everyone, she beat up the so-called mistress of her husband. It was really exciting. The beater only cared about letting herself feel satisfied and happy and refused to listen to any explanation. Those who watched the drama only cared about the excitement of the show, and they didn’t care about the truth. Only the beaten one had no idea why it was happening and bored all this in disbelief. Is that fair? It’s not fair at all. In this game, you’ve always been the leader. I’m like a puppet with strings controlled by you. When you are happy, you call the puppet over to play with you. When you’re not happy, you just torture the puppet to death.”

Anna told herself to be strong, but as she was saying, she was unable to bear the shedding tears.

She thought Yulin was different. He was rich, he was rebellious, but his heart was kind.

But now, it seemed that all was Anna’s self-indulgent imagination.

In Yulin’s eyes, she was just a plaything.

Thinking of this, Anna’s tears fell off like strings of pearls.

Such Anna touched Yulin deeply.

Now he understood. Someone was looking for Anna’s trouble, and she thought that he was the mastermind.

Anna didn’t trust him, which made Yulin upset and irritating.

But at the sight of Anna’s embarrassed appearance, all the anger disappeared in smoke.

Yulin just wanted to comfort Anna properly, and didn’t want her to shed another tear.

Seeing such a scene, everyone was shocked.

Was this Yulin’s special girl?

They must have quite a long history.

However, with Yulin’s temperament, he never tolerated others yelling at him, even the former Wei Yu.

So, everyone got ready for Yulin being losing temper. In a moment, they might need to stop a fight and protect the girl.

Even though they hadn't known the truth of the matter, the girl had been injured, so they couldn't let Yulin use violence against her any more.

However, an unexpected scene happened.

Gently stroking Anna's long hair, Yulin said, "Anna, I didn't do that."

"Not you, then who else can it be?" Anna stepped back, keeping the distance between the two. She accused, "Yulin Xiao, I told you, I just want to live a simple life, don't come to play with me, why can't you let go of me? When will you finish torturing me?"

"I..."

"If you want to continue to play, all right, I will use all my life to play with you! Yulin Xiao, beggars are not afraid of nobles. If you force me into a desperate corner, I will do anything to defend myself!"

With these words, Anna turned around and left.

"Wait a moment, Miss."

A clear and firm voice rang out. Anna stopped slightly and looked back.

Yiyao stood up and nodded to the girl with a gentle smile.

Originally, Yiyao didn't want to get involved in this matter.

But she had no choice, Chuxue had been pulling her sleeve by the side, asking her to keep Anna stay. If she didn't do something, Chuxue would do it.

With Chuxue's temperament, as soon as she opened her mouth, she would only make things more complicated, so Yiyao had to do the tough job.

"You're hurt, and the wound is on your face. You'd better have it treated as soon as possible, otherwise it will leave scars."

Chuxue echoed on the side, "Yes, yes, you are so pretty, if you have a scar on your face, how pitiful it will be. Come on, sit down first. We have a doctor in the manor, he can take care of it for you."

"No troubles, I can take a taxi to the hospital."

“In that case, a lot of time will be wasted on the road. So, you’d better listen to our suggestion. Take care of the wound first. After you recover, we’ll help you deal with Yulin Xiao. This guy is always wild and rebellious, and we’ve long been disliking him.”

As saying, Chuxue stared at Yulin with a look of finding a new best friend who had the same enemy and hatred.

Chuxue was good-intentioned, but Yulin was ungrateful at all.

If Anna accepted this condition, wasn’t it equal to admitting that he was the disgraceful informer?

That was enough. Where were these people’s brains? Were they eaten by zombies! And this Chuxue, was she here to be his helper or an enemy!

Walking a few steps to Anna’s side, Yiyao said in a tone of no rejection, “The doctor will be here in a minute, let me take you to a room to rest and wait.”

“No, thanks.”

Closing up to Anna, Yiyao lowered her voice to kindly remind her out of “goodwill”.

“Miss, I believe you know Yulin well. Obviously, he doesn’t want to let you go now. Even if you want to leave, he will try his best to make you stay. If you two really got into a fighting, I don’t know what the guy will do. You’d better join us. He doesn’t dare touch you at least for the sake of us.”

Lifting eyes to look at the woman in front, Anna was a bit moved.

She was so good-looking. Her eyes emitted firm perseverance and her whole body exuded uplifting spirits, making people can’t help but believe what she said.

But she knew Yulin well, which showed that their relationship was not simple.

Could she believe such a person?

Seeing that Anna was still hesitating, Chuxue began to lobby, “We are people you can trust, and we are different from Yulin Xiao.”

What? This Chuxue Ye, she’d better not open her mouth. When she did, she could piss him off in a second.

Yulin wanted to sew her mouth on.

Realizing that Yulin was going to be angry, Zhao Nangong pulled her hand hurriedly to signal her to stop talking.

Chuxue's lips moved, but before she opened her mouth, Yiyao spoke first.

"Miss, it doesn't matter who I am. You just need to remember that I'm the one who can keep Yulin under control."

"It's true. Sister Yiyao is a big shot. No one dares to disobey her."

"Come on, both of you need to calm down."

With that, Yiyao took Anna away in a manner of not taking rejection for an answer.

In order to watch the show, Chuxue followed up.

Yulin was about to leave but stopped by Jingyan, "If you don't want things to get worse, for the time being, leave the girl to Yiyao."

Yulin felt angry. He didn't do anything yet he was labeled as a bad man. Who could he talk reason with?

Seeing Yulin's anger, Zhao said with the tone of an onlooker: "Take it easy, don't be impatient. As long as it is a misunderstanding, it will be solved, and Yiyao is on it. There will be no problem."

With that, Zhao pressed Yulin back to his seat and continued to persuade him.

On the other side.

The doctor dealt with the wound for Anna and gave her some oral medicine, saying, "The wound is no big deal. Just have a good rest. Take medicine on time these two days. Don't touch water."

"Thank you."

Taking the medicine, Anna wanted to leave right away.

But the doctor said, "Miss, you'd better have a rest before you go, so as not to be harmed by the wind to slow up healing the wound."

"Oh, I see."

After the doctor left, Anna looked at the doorway every now and then, with worries and uneasiness.

Just now she was in the peak of anger, so she was fearless to scold Yulin harshly in public.

But now calming down, she realized how much trouble she had caused.

With Yulin's temper, she was sure that he would come in later to kill her himself.

Well, in order to save her own life, she'd better find a way to leave.

Seeing that Anna was worried, Yiyao said, "Relax, Yulin dares not come in here without my permission."

Chuxue assisted on the side: "Yes, unless he doesn't want to live. With us here, Yulin can't never get his hand on you."

Looking at the two women besides her, Anna could feel their kindness.

In these two people, there was an amazing aura of good education emitting out, letting people know from the first sight on them that they must be ladies from famous families.

It was just why could such kind people get involved with Yulin Xiao?

Gently biting her red lips, Anna asked the question in her heart.

On this subject, Chuxue was speechless.

She sighed and said, "We don't want it either, but we are sort of relatives, it's hard to get rid of him."

"I see."

Yiyao had been looking at Anna. She slightly tilted her head and said, "Although Yulin is a dandy dude with a bad temper, but his characters are OK. I just heard your accusation against him, it seems that you think he did something to betray you?"

"It's not what think, it's the truth."

When Anna thought of it, her anger came back.

"He's a man who is happy for the previous minute and angry in the next, and he needs to be surrounded by obedient people. If I don't obey, he will try various means to torture me, and damage my reputation on purpose. Such an abominable person is simply disgusting."

Yiyao and Chuxue looked at each other and thought to themselves that the two indeed have stories going on, which were worth digging and exploring.

Handing a glass of water to Anna, Chuxue said, "Miss, can you be more specific?"

Holding the glass of water, Anna took a breath lightly, adjusted her mood and spoke slowly.

“I had been working as a tutor in a family, teaching the child of the family English. The man and wife of that family were nice to me. But today, the wife heard some rumors not knowing from where and went to school for me, saying that I seduced her husband and fought with me. As for the rumor, I’m sure it had to do with Yulin.”

“Why are you so sure?”

When mentioning this matter, Anna’s eyes across the light of indignation, “Because the night before, Yulin found me and talked about it. He used dirty words to warn me. He threatened me the day before, and it happened the next day. It’s obvious that Yulin Xiao did the dirty trick!”

Yiyao, holding her arms, said: “With my understanding of Yulin Xiao, he hates evil as his enemy, and he will never take the initiative to frame others.”

“You are his relative, of course you speak for him.”

“Miss, don’t jump to a conclusion. Let the truth speak.”

“What truth? What happened is the truth.”

“What you see may not be the truth.” Yiyao said, “Leave it to me. If Yulin really did it, we’ll make him apologize to you. If not, I hope you to stop being angry with him and make up with him.”

After consideration, Anna nodded, “OK.”

Seeing Anna nodding in agreement, Chuxue hurriedly added, “Now that you have agreed, you can’t go back on your words.”

“I, Anna Xie, never regret on my decisions.”

“Well, good.” Yiyao came to liking this girl. She nodded with a smile, “Well, give me your contact, I’ll let you know as soon as I find out the truth.”

Anna went to her bag for the pen and paper, and saw a review book for elementary school students.

Chapter 456 Another Way to Make A Living

Seeing that file, Anna Xie sighed helplessly.

“Hay! Another way to making money got blocked. Does God want to destroy me?”

Hearing Anna’s sigh, Chuxue asked with concern, “What, anything else?”

Writing her number down on the paper, Anna shook her head, “Nothing. It’s just that life has been really tough lately. I really need a job because I am in desperate need of money, but the result always turns out frustrating. I won’t hold long. Soon I’ll be penniless.”

“You need money?” Chuxue snapped her fingers and smiled, “that’s easy. Come to mydessert shop and work for me. I am in need of a helper.”

“Really?”

“Of course! When did I lie to you?” Chuxue looked Anna up and down then said, “you are so pretty! A lot of people will come for your beauty!”

Chuxue wasn’t sure about other people, but she was quite certain that Yulin Xiao would be the first one to come.

After saying goodbye to each other, Yiyao Duan had someone send Anna back to her school.

The other side, Yulin was waiting anxiously when Yiyao and Chuxue came back.

Seeing that the two came back without Anna, Yulin frowned, “Where’s she?”

Yiyao said slowly, “I had someone send her back to school.”

“Why did you do that? I should be the one to send her. She’s my lady.”

Yiyao laughed scornfully and said, “Your lady? Does she think so too?”

Yulin said with a guilty conscience, “There’s some misunderstanding.”

“You think it’s misunderstanding, but she doesn’t think so.”

Yulin said worriedly, “What did Anna say to you?”

“Long story short, someone went to her school and found trouble for her. She thinks you are responsible for it.”

“I really have nothing to do with it. I am better than that!”

"We trust you, but she doesn't. You have to find some solid evidences to prove yourself."

Yulin clenched his fist and said angrily, "It's easy. I'll find out who is making up this story!"

Hearing this, Yiyao said, "Let me do it. It's more convincing."

"No need..."

Before Yulin finished, Jingyan Ye, who had been standing by the side started to say, "What, you don't trust my wife?"

Hay! Yiyao was a pain in the a.ss. Yulin was not sure if he could handle both Yiyao and Jingyan.

So, for his own good, he had to shake his head unwillingly, "No no, I trust your wife."

"Fine. It's a deal. Let's go home, Yiyao."

Then Jingyan held Yiyao's hand and was about to leave the mansion.

Chuxue hurriedly said, "Brother, wait, we'll go with you!"

Chuxue grabbed Zhao Nangong and went out.

Yulin was left alone in the restaurant.

He sat in the chair and rubbed his face.

He had wanted to introduce Anna to Jingyan and the others. But those troublesome things just happened, and he did not see it coming at all.

"If I find out who's behind this, I would skin that person alive!" he swore.

...

The medicine that Anna applied to her face really worked.

By the time she came back to school, the red scratches on her face had almost all vanished.

But the scratch on her heart healed way much slower.

Anna knew that she was bound to face more challenges this time.

More rumors and hurtful words about her would spread.

It gave her a headache when she thought of this.

But she was unable to escape. She had no choice but to face it herself.

Standing in front of the school gate, Anna took a deep breath and walked in.

As she expected, the students all stopped to look at her.

But it felt quite different. The students were just looking at her without saying anything to each other. They looked a bit terrified.

“What, the scratches on my face scare them?” Anna touched her face and paced up. She wanted to go back to her dorm and check herself in the mirror.

As soon as Anna entered the dormitory building, the two bodyguards following her stopped.

It turned out that the two guards got people scared, and that’s why they did not dare talk rumors about Anna.

One man in black took out his phone and dialed a number.

“Yes, Miss Anna has entered the dormitory building, okay.”

Then he nodded to the other guy and they both left.

Hearing that someone’s opening the door, Qiqi hurriedly ran over to the door and found it’s Anna. She asked, “Anna, how are you? I’ve call you so many times today! Why didn’t you answer?”

Anna put her schoolbag on the table and said weakly, “I muted my phone. Sorry I didn’t hear the phone ring.”

“I am so worried about you! You didn’t pick up my calls and it made me anxious! But now you seem to feel a lot better than this morning.”

“Life needs to go on. I can’t always be depressed. By the way, there must be a lot rumors around about me.”

“There were some. But since lunch time, no one has ever talked about it.”

Anna frowned, “It feels strange.”

"That's a good thing! Maybe they just don't think it as something big deal. You need to stop thinking about it."

Anna dared not be too optimistic about it. She had seen so many dark sides of human, so she's always alerted.

As they were chatting, Qiqi saw the screen of Anna's phone lit up. So she reminded her, "Anna, your phone is ringing."

Anna took a glance at the number on the screen and her pale got pale suddenly.

It's Mr Wang.

Anna had no wish of having any further connections with this man.

But she felt it necessary to answer his call because what happened today had something to do with him.

Anna said to Qiqi, "Excuse me, I need to get this."

"Okay."

Anna came to a quiet corner in the corridor and answered the call.

"Hello?"

The man in the phone sounded tired. He said with a tone as if he felt guilty, "Anna, I heard that my wife gave you hard time today. I am sorry about it."

Anna looked down and did not accept his apology. She said, "Rather than apologize to me, I suggest you solve your family problems first. Mrs Wang will keep harassing me if the misunderstanding are not settled."

"Let me handle it. I will make her apologize to you. I..."

Before he finished talking, Anna heard a sharp scream in the phone.

"Who the hell are you calling? Is she that bitch?"

"Enough! Do not talk nonsense!"

"I am talking nonsense? You know it in your heart! I am telling you, don't you want to dump me for someone younger after all that I've done for you!"

"You are being so irrational!"

“Mom, dad, stop arguing, please!”

The sound of arguing, crying and smashing things really made Anna upset.

She felt a headache so she hung up the phone. She knew it's not the end yet.

Anna leaned her body against the wall and sighed.

...

The following days were quite peaceful, which was out of Anna's expectation. No one talked rumors about her at all.

Mrs Wang did not come to her any more. Anna guessed that Mrs Wang must have been stopped by Mr Wang.

But was that really so?

Actually, what Anna didn't know was, while she was not noticing, the two men in black stopped Mrs Wang from entering the school.

Mrs Wang felt so angry and started to curse Anna outside the school gate.

The two bodyguards had no choice but to take her away and taught her lesson, and warned her not to come again.

As for inside the school yard, the guards were everyone too.

Whoever talked rumors about Anna would be taken away and taught a lesson.

That's why when Anna went back to school, no one dared say anything about Anna. They all looked intimidated.

Thus, nobody dared talk rumors any more. They all avoided Anna.

Seeing that things didn't go as she planned, Qiaoqiao Su felt resentful.

Jing Wu frowned and said, “What's going on? Looks like there are someone protecting Anna Xie in secret. Qiaoqiao, what do you say? Could they be Yulin Xiao's men?”

“Whoever they are, they won't be able to save that slut!”

“Are you going to fight against Yulin Xiao? We are not his match. Forget about it!”

Qiaoqiao showed a tricky smile and said, “I don't have to do it myself. I am not that stupid.”

“Then what are you going to do?”

“You don’t have to know. Just enjoy the show.”

Qiaoqiao laughed and walked away. Jing did not understand Qiaoqiao’s words but she knew Anna was going to suffer.

And that’s exactly what she wanted to see.

...

Being called to the dessert shop by Chuxue, Yulin looked impatient and unhappy.

He sat in the chair and had a sip of water, then he asked, “What do you want me here for?”

Chuxue looked calm and teased him, “What a bad temper! Can’t you talk nicely now?”

Seeing that Chuxue looked calm, Yulin assumed that there’s nothing urgent. So he stood up and said, “Well, if there’s nothing important, excuse me.”

“Wait! I invented a kind of cake with a new taste. Why don’t you have a taste of it?”

“I am not a dessert person.”

“Come on! Have a taste! It will make your jaws drop,” before Yulin agreed, Chuxue hurriedly said to the waitress in a loud voice, “A moon forest, please!”

Since Chuxue asked, Yulin had to return to his chair and got seated. He complained, “The name sounds beautiful, but I assume it’s nothing different from the black forest cake.”

“Moon forest, please enjoy.”

The waitress put the cake in front of Yulin and said lightly.

But her voice stunned Yulin.

He looked up and saw the woman standing in front him. Then his eyes were stared round.

Anna Xie?

Anna could feel that Yulin was looking at her. But she kept her head lowered to avoid making eye contact with Yulin. She just put the dessert on the table and hurriedly left.

Seeing that Yulin had been staring at Anna, even when she had already disappeared from his sight, Chuxue laughed and waved her hand in front of Yulin's face, "Come back!come back!"

Yulin got himself back and his reason back. Then he frowned and asked Chuxue, "Why is she here?"

Chuxue shrugged, "She works for me."

"Why doesn't she go to any other place? Why does she choose to work here?"

"Because she's in need of money and I of a helper. That's simple."

Chuxue looked innocent but Yulin didn't but it.

He knew Chuxue too well – she loves to get herself involved in all kinds of things. Now that she knew about Anna, she wouldn't just stand by and watch.

Yulin squinted his eyes and asked, "What's going on in your evil mind?"

Chuxue said with a righteous look, "Nothing! I just want to help you."

Apparently, Yulin didn't believe her words at all. He stared at her, "You just want to have something fun because your life is too boring, don't you?"

"Come on! Don't be so direct! I do hope you and Anna can clear the misunderstandings between you."

Yulin crossed his arms and looked serious, "Whatever plan you have in your mind, do not bully Anna."

"Yulin, you know me well enough, and you shouldn't have said that. Don't worry, she's being taken good care of here. No one can bully her."

Chuxue said and at the same time she was observing Yulin's expression on his face.

Chuxue had wanted to ask him the last time but there were too many people.

But now, Chuxue could ask as she wanted, "Yulin, are you serious this time?"

"Stay out of my business!"

"Your business? You think I am just a nobody to you? If you think I should stay out of your business, I'll tell your parents about it! See whether they'll stay in or out of your business!"

Yulin warned right away, "One word, Chuxue, if you tell them one word about this, I'll kick your a.ss!"

"Come on! I don't even have to say! They'll know anyway. What, you think they don't read newspapers? You caused quite a big trouble last time!"

"I'll handle it. You will only make things worse."

Facing Yulin's warning, Chuxue shook her head, "Yulin, you cannot not clap with one hand. Don't you know that? Anna is avoiding you now. If you can't get the support from your family, you will be stuck. Having an ally is very important. Now, what do you think?"

Yulin squinted his eyes and said, "What do you want to say?"

Chuxue looked at Yulin with a poor and cute look, "I am bored anyway. Let me help you."

"Will you be that kind-hearted?"

"What your words! I am your sister anyway! And I like Anna. She's different from those skin-deep beauties. You are getting older and older, so I need to keep an eye on any good girls for you."

"Okay, I'll believe you this time," Yulin knew that Chuxue had got a point. So he continued, "Notify me of anything concerning Anna. She got herself in trouble the other day. Be careful."

"I am here. Don't worry."

"By the way, you said you would help me find the evidence. How is it going?"

Chapter 457 I Can't Fall For Him

Speaking of this, Chuxue Ye crossed her arms and frowned, "Well. Such an easy thing should have been easy to handle, but it's strange that I haven't got any clue yet. It seems as if someone was manipulating this."

Someone's behind this...

"But don't worry, sister Yiyao will handle it. She will find out whoever is behind this."

When hearing Yiyao Duan was going to help, Yulin Xiao felt a lot relieved.

But he had to show that he cared about this matter, just in case they wouldn't take it seriously.

He stood up straight and said, "Hope you remember what you have promised me. Do not humiliate yourselves."

"Don't worry. We know."

Then Yulin's eyes were fixed on the counter behind which Anna Xie was standing. He said, "Well, I wanna eat something else. Let me have a look."

Knowing it was just an excuse, Chuxue pretended that she didn't understand what he meant and tried to stop him.

"Come on, you said you don't like desserts! They are too sweet! You don't have to force yourself."

Yulin eyeballed Chuxue to warn her.

Chuxue knew that Yulin might go mad if she kept joking, so she stuck her tongue out and said nothing else.

Yulin kept staring at Anna as he walked to her.

Seeing that Anna had totally recovered from her injury, Yulin felt relieved.

He lowered his head and flicked his lips lightly and said nervously, "Em...are you tired, working here?"

Anna replied, "Not at all. My boss is very nice to me."

"Don't get fooled by Chuxue's appearance! She only seems nice but she has a lot of tricky ideas! If she dare bully you, just tell me and I'll teach her a lesson."

Anna had no wish of having further talks with him, so she changed the topic and said in a cold tone, "Customer, what kind of cake do you want?"

Yulin got what she meant. He pointed at a piece of green cake and said, "This green tea cake please."

Anna took out the cake and wrapped it in a little case and handed it to Yulin with a polite smile on her face, "Here you are."

But Yulin did not take the cake. Instead, he pushed in to Anna and said, "You keep it. I remember you love the taste of green tea."

But Anna did not buy it at all, "Sorry, we are not supposed to accept gifts from our guests."

Yulin gazed at Anna and asked sincerely, "Am I just one of your guests?"

"Or what else?"

Anna asked back and the question made Yulin speechless.

Thinking how considerate he had been to this girl but how eager she wanted to keep a distance with him, Yulin felt so mad.

He clenched his fists and with a look of both anger and humbleness, he said, "Anna, wait till I find the evidences to prove my innocence. You will know how far you've gone and how sorry you will be!"

Then Yulin left the dessert shop madly.

Watching Yulin leaving, Anna knew that he was extremely angry.

He is such a stubborn guy of clear good and evil.

Being his friend must be a pleasant thing to do.

But being his lover...

Thinking of this, Anna lowered her head and stopped herself from thinking too much.

Anna was unwilling to think about it, but Chuxue kept teasing her.

Chuxue drew close to Anna slowly and leaned her body against the counter. She said smilingly, "It's actually the first time that I have seen Yulin like this, just like a little boy who just got scolded by his mom! Anna, you've really got something!"

Anna said lightly, "What does it have to do with me, whatever he is like?"

"Hey, Yulin's already left. You don't have to say these words."

"I meant what I said."

"Come on, I am neither blind nor stupid. I see things through," Chuxue bumped Anna's shoulders and said, "he treats you quite differently."

"But that's all."

Staring Anna in the eyes, Chuxue asked, "He's so good to you. You really don't have a feeling for him?"

Anna smiled, "I am not a cat or a dog. I don't have to be grateful for a bone tossed to me. It's the same thing, I don't have to react to his kindness, which he's got so much of."

Chuxue clapped her hands and praised Anna, "Wow! You are so special! You are the first girl to ignore Yulin's charm!"

Anna felt a bit uneasy, "Well, I just think he and I are from two different worlds. It's better we keep a distance from each other."

Seeing how calm Anna was, Chuxue suddenly felt pity for Yulin.

Chuxue sighed, "If you knew his well enough and love him much enough, you wouldn't have said those hurtful words."

There's something blinking in Anna's eyes but she remained calm, "I am just protecting myself from falling for him. I think I am doing the right thing."

"I am not judging you, it's just...eh...fine, it's between you and him. I'd better stay out of it."

Anna showed a warm smile to Chuxue, "Anyway, thanks for giving me this job."

"Come on, you are doing me a big favor. Look, since you came, our business has grown better and better. Many people admire your beauty and come for you. I am considering if I should promote you as the manager."

"Thanks, but I don't think I can handle it. Besides, my school work will get busier next term, so I might be unable to attend to the business here."

"I see. Well, we'll talk about it then."

Then Chuxue smiled at Anna and left.

Zhao Nangong was standing out of the store waiting for Chuxue. It's a pleasant thing to see the two holding hands and walking together.

Anna watched the scene and fell into her deep thoughts:

Girls like Chuxue have that unique charm. They can remain indifferent either granted favors or subjected to humiliations. And only girls like them deserve to stand beside Yulin, so as not to embarrass him. But look at me! Look at the clothes I am wearing, and

I have to try hard to make a living. How can I be Yulin's mate? I will only bring him down.

A proud girl as Anna would never allow herself to do that.

So she had been forcing herself not to fall for Yulin, at least, not before she got stronger.

Anna lowered her head and disguised herself again.

...

Chuxue had offered Anna a very nice salary.

Since she took the offer, Anna decided to devote herself to the job, so as to prove her own value.

So Anna always worked extra hours.

She also learned how to bake though this job.

It looked unpleasant, it tasted great though.

The leftovers everyday were given to the staff as a night snack the end of each day.

Therefore, Qiqi had put on two pounds. She kept complaining to Anna while tucking the cake into her mouth.

Today, when Anna looked at the dozen cakes that were left in the counter, she sighed – she was going to hear Qiqi complain again.

All of a sudden, five stylish young men came in.

Anna cheered herself up at once and intended to sell the rest of the cakes.

“Welcome. What would you like?”

The man in front saw Anna and his eyes lit up. He leaned close to Anna and asked Anna in a voice that he thought was charming, “Whatever is tasty here.”

Anna started to introduce the cakes to him immediately, “Our special is the blueberry cheesecake. And, girls love tiramisu. And this moon forest sells well, too. You can have a taste.”

The guy nodded but his eyes were fixed on Anna's face, “Two of each of the cakes you just mentioned.”

“A moment please.”

Anna packed the cakes and handed them to the man, waiting for him to pay.

The guy took out his credit card and put it in Anna’s hands, with his finger tip touching Anna’s palm.

Anna felt so uncomfortable about it, but she endured the feeling and finished the process.

She gave the credit card back to the guy and smiled, “Done. Have a nice evening.”

“I am not leaving. Are you kicking me out?”

“Oh, do you want to enjoy the cake here? You may sit by the window where you can get the view of the street.”

“But I want you to eat with me.”

That guy and his party all showed an evil smile.

Now Anna was positive that this guy was teasing her.

She took a deep breath and squeezed a smile, “Sorry, it’s working hour. I can’t eat with customers.”

“Well, when do you finish your work? Can we have a drink or two then?”

“Sorry, it’s a bit inconvenient for me.”

“What is inconvenient for you? I’ll pick you up.”

“I don’t drink.”

“Then eat something. Whatever you want.”

Anna had tried to make herself understood but this guy wouldn’t stop annoying her. Anna’s patience had run out.

She put away her smile and said with a serious look, “Sir, I only welcome you here as a guest. I don’t want to have any private contact with you.”

Being turned down in front of his friends, the guy felt so humiliated.

He stood straight and threatened, “Young lady, you are nothing but a waitress. Do not pretend to be so proud. It’s your honor to be invited by me.”

“And I would like to turn down your invitation. Sorry.”

“You...”

The man was about to get mad when suddenly someone came in.

Chuxue and Zhao.

The two had just finished watching a movie together and were on their way home. They happened to walk past the dessert store so they came in to check if everything was ok.

Seeing her boss, Anna sighed in relief.

“Boss.”

Chuxue waved her hand, “Come on, don’t call me that! Call me Miss Ye.”

Seeing another beauty, the guy’s eyes lit up again.

But he was not that stupid enough to mess with her, because he saw Zhao and assumed Zhao must be a hard core. He decided to blame everything on Anna.

“You are the boss here?”

“Yes.”

“I have been treated badly by this waitress! She s.ucks!” he looked like he was really mistreated.

Chuxue looked at Anna and said, “Tell me, what happened?”

Glancing at the guy, Anna said calmly, “He asked me to eat with him and I turned him down. Then he asked me out to drink and I turned him down again. Then he gets mad and starts to complain about me.”

“Bullsh!t!” the guy took away his gentleness totally and looked like a mad lion. He yielded, “You thought I am nice and wanted to go with me. I turned you down so you made up stories to attack me!”

Hearing this, his mates started to accuse Anna being shameless and money worshipping.

They said it so faithfully that even Anna almost believed their words.

Anna was just worried Chuxue might believe what they said.

If Chuxue should believe their words, Anna would lose her job again.

Fortunately, Chuxue didn't buy it at all.

She said lightly, "Well, who should I believe? Are you harassing my girl? Or is my girl seducing you?"

"I am not harassing her. Her attitude was bad and her motive was impure."

The guy gave a decent look while saying these words.

Chuxue had given him the chance to tell the truth, but he did not do so, what's more, he asked his friends to help him.

Well, this guy was really done for this time.

Thinking of this, Chuxue sighed, "All men love beautiful things. If you admire Anna's beauty and want to make friends with her, I won't say anything. But you are making up shameless stories here and keep harassing her, I can't pretend I didn't see it."

The guy frowned, "What are you talking about?"

Chuxue turned to Zhao and said with a cute look on her face, "Darling, toss him out. Do not let him in ever again!"

"Got it!"

Zhao walked to the five young people and he grabbed the first guy and tossed him out.

The rest of the people wanted to fight back but Zhao took care of them all. They were lying on the ground and moaning in pain.

"Beat it!"

Knowing that they would never be Zhao's match, the guy stood up and said angrily, "Wait! I'll get even!"

Zhao's face turned sullen, "Are you threatening us? Do you want to get out of here alive?"

Seeing Zhao drawing near again, the guy and his party hurriedly fled.

Chuxue complained that Zhao was too gentle to them, saying he should have kicked them harder.

“Zhao had kicked their teeth off! Hmm, this Miss Ye’s really ruthless!” Anna exclaimed in her heart.

Chuxue grabbed Anna’s hand and said, “You don’t have to serve this kind of guys. Next time, kick them out directly!”

“Would that be nice?”

“That’s totally okay. My desserts are only for those who have beautiful hearts. Scum bags don’t deserve!”

Chapter 458 A Set-Up

Chuxue Ye is a direct person, and tells good from evil clearly, which Anna Xie appreciates a lot.

“Alright. Close the shop and go home early. It’s not safe to stay here alone till late night. You can change shifts with someone else tomorrow.”

Anna hurriedly waved her hand, “No need. I am not that weak. Besides, what happened earlier was just a coincidence.”

Seeing that Anna insisted, Chuxue pokes Zhao Nangong secretly.

Zhao got what Chuxue meant and urged along, “Miss Xie, listen to her. Those people looked unkind. They might come for you again.”

“Yes, if you insist, you might cause trouble for me and the store.”

Hearing this, Anna finally agreed. She turned around and started to pack her things, getting ready to close the store.

Chuxue and Zhao escorted her back to the school.

In the car, Chuxue said, “In order to protect her, I’ve tried my best. Hmm, Yulin need to pay back my kindness one day!”

Zhao took a look at Chuxue and smiled.

...

There were not too many students on the playground during lunch break. They were either having lunch or in their dorms taking a nap.

Under a tree there stood two girls who were chatting with each other.

“Qiaoqiao, I’ve got the information. Anna Xie works in this store.”

Seeing the picture handed over by Jing Wu, Qiaoqiao Su hummed and said, “Find a way to let them fire her.”

“What do you have in mind?”

“Are you stupid? Find an excuse, whatever it is. For example, Anna loves stealing. No boss can tolerate it.”

Jing rolled her eyes and admired, “You are so smart!”

“Quit flattering me. Find someone smart to handle it. When it’s done, this Anna will never rise again!”

“Don’t worry, let me arrange it.”

After the chat, Jing hurriedly went back to her dorm.

But on the way, she met Anna.

Anna had just finished lunch and was on her way to the dessert store.

Seeing Jing coming over to her, Anna had wanted to make way and let her pass first.

But whichever direction Anna turned to, Jing went in her way, too.

Anna looked at Jing and frowned.

“What are you doing?”

“I am walking. Can’t you see?”

“Then why are you blocking my way?”

Jing heard it and laughed, “Does this road belong to you? Am I not allowed to walk your way? Who gives you the confidence? Yulin Xiao?”

“I don’t want to talk to you.”

Anna quickly dodged Jing and left.

Seeing her back, Jing smiled coldly.

As soon as Anna got to the dessert store, she started to work.

After a busy morning in the store, she encouraged herself to work harder in the afternoon.

It feels good to see hope again. She thought to herself.

Anna smiled and started to do some cleaning.

When the cleaning was done and Anna was about to continue do something else, someone rushed in angrily.

The person patted heavily on the counter and questioned Anna, "I left my phone here. Have you seen it?"

"Your phone? When?"

"An hour ago, I was sitting by the window."

An hour ago was when Anna just entered the store and began to do the cleaning.

Anna remember this customer but did not see any phone left on the table.

Anna went around and asked the other customers then she came back and said, "Miss, no one has seen your phone. Call the police."

Anna's words made the person laugh, "A thief is calling the police. Hmm, it's so eye-catching!"

Anna frowned and asked, "What do you mean, Miss?"

The girl crossed her arms and looked at Anna with suspicion, "You were the only waitress then. I say, you stole my phone!"

All the other customers heard it and started to looked in Anna'a way, with suspicions in their eyes, too.

Anna was wronged. So she hurriedly explained, "No, I don't steal."

"I'll only believe you after I check your handbag."

It made Anna feel extremely offended. She frowned, "Wanna check my bag? No way, that's private!"

"What, are you scared?"

“No!”

“Then let me check! These customers here can be the witnesses!”

Hearing this, some customers started to urge along, “Let her see. What are you scared of?”

“Let her check unless you are scared!”

“We can also help to prove your innocence!”

Anna had no choice but to agree.

But Anna had her condition, too. “You can check my bag, but if you can’t find the thing you want, you’ll have to apologize to me!”

“Fine!”

Then Anna and the girl went to the fit room, along with some witnesses who were eager to know the result.

The girl searched Anna’s bag but found nothing.

“I told you. I didn’t take your phone!”

Then Anna turned around and put her bag in the closet.

But while she was pushing her bag, something fell from the closet.

“Click”!

The sound wasn’t big, but big enough to raise everyone’s attention.

It was...a cellphone!

The girl recognized it was her phone right away. She hurriedly picked it up and waved it in front of Anna, “Look! The thief and my phone, I got them both! How are you going to defend yourself?”

Anna was dumbfounded at the moment.

She had never seen that phone, nor did she have any idea how the phone ended up in her bag.

But one thing she was sure was that she's going to suffer again.

But whatever it is, she wished that Miss Ye don't get affected. Because Miss Ye had been so good to her, she can't pay back her kindness with trouble.

Anna clenched her fists and emphasized again, "It's impossible! I didn't take your phone!"

"What, you mean the phone flew in to your bag by itself? I've got the evidence here. Do you still want to deny?"

"I..."

Anna was so anxious that she did not know how to explain.

The dessert chef knew that Anna is a girl of integrity and that she wouldn't never have done that. So he said to Anna, "Don't worry, tell this thing to Miss Ye first."

Anna did not want to trouble Miss Ye so she did not agree.

So the dessert chef contacted Miss Ye secretly.

The girl who claimed to have lost her phone, at the moment, dragged Anna to the front door and started to shout.

"Come and have a look! The waitress here is a thief! She steals! Do not come to this shop! Or ou will be the next one!"

Anna got rid of that girl's hand and said, "Please don't shout. You are disturbing the other guests."

"This is a store of thieves! It should be shut off as soon as possible!"

"A store of thieves? How dare you!"

Chuxue walked slowly out of the crowds. Her smile slightly hid her anger.

The girl looked Chuxue up and down, "Who are you?"

Chuxue hummed, "You've come to my store to cause trouble and you don't know who I am. Hmm, are you naive? Or are you stupid?"

"You...I won't argue with you. You need to give me an explanation today!"

The crowds were getting bigger and bigger. People were coming from all directions to enjoy a good show. But Chuxue remained calm. She was asking Anna to tell her the whole story.

After telling Chuxue what happened, Anna lowered her head, "I am sorry, miss Ye."

Chuxue patted Anna on the shoulder and smiled, "Now I know what's going on. You silly girl, why didn't you call me when someone's bullying you?"

"I don't want you to get angry."

"But I am really angry now. Having this kind of scum bag around me will bring me bad fortune!"

Chuxue said it so loudly that the girl heard it all.

The girl's face turned red because of anger. She said, "What are you talking about? She's a thief. Why are you blaming me?"

Chuxue turned around and looked at the girl coldly, "Because I trust her. And you, suddenly come here out of nowhere, trying to cause trouble. There must be something with you!"

"What something wrong?"

"That you are here to set my girl up!"

The girl laughed coldly, "I've got the evidence. And I have witnesses here. I did not set her up."

"Is that so? Shall we check the camera?"

The girl lifted her chin proudly and said loudly, "I am not afraid! Just check it!"

It turned out that the camera had already been damaged by someone on purpose. That's why the girl was so fearless.

And just as she expected, they found nothing on the video, because there was nothing.

Seeing the snowflakes on the screen, Chuxue sighed heavily, "How come it went bad, at such an important moment? But don't worry, I've got another one here!"

Chuxue's words made the girl stunned. The girl's smug smile immediately froze.

Chuxue looked at the girl proudly, "What, you think I only have one camera in the store, don't you? Let me show you what multi-dimensional visual effect is!"

Then Chuxue clicked a program where there were cameras in different corners of the store. The cameras recorded it all, including how the girl set Anna up.

Everyone went close to the screen and saw the girl putting her phone into Anna handbag.

Chuxue crossed her arms, "Nothing has to be said any more. Call the police."

"Yes."

As soon as Anna took out her phone, the girl ran out of the store.

"Stop! Don't run!" Anna was going to chase her.

"Let her go." Chuxue stopped Anna.

"But we can't just let her get away with it!"

"She's just taking orders. She's worthless."

Anna was confused, "What does it mean?"

"Leave it. I'll handle."

"Okay."

Chuxue clapped her hands and said to the customers in the store, "I am sorry to have some scum bag ruin your appetite today. It happened in my store, so, all your desserts shall be free of charge, as my deepest apology!"

Hearing this, everyone became delighted, totally forgetting what had happened.

Even when they left the store, they had smiles on their faces.

But Anna was unhappy.

"Why the long face?"

Anna looked up and squeezed a smile, "Nothing. I'm just thinking about my misfortune."

"Come on, we are doing business. We will meet all kinds of customers. It's normal."

Indeed, it's normal.

But it seemed that it had been too "normal" lately.

Life went on after the incident.

It's just that Anna felt a bit annoyed, as she always felt people were judging her behind her back.

Though she did not steal the phone, the thing that day was like a shadow.

She's afraid the tag "thief" might follow her forever.

She did not care about her reputation. She just felt guilty that the business of the store was affected because of her.

The other day, Anna saw two customers enter the store, so she went up to welcome them.

"Welcome! What would you like?"

The girl looked at Anna and said scornfully, "Get another waitress! I don't want my phone to disappear!"

Anna clenched her hands nervously, "Sorry, I am the only waitress during this time."

"No one else? Oh, let's go to another store!"

The other girl frowned and complained, "I really love the blueberry cheesecake here! It's so bad that I can't enjoy them just because of her!"

"Let's not come to this store any more if she's still working here."

"I agree!"

The two talked and left the store.

Anna rubbed her forehead and she felt so tired of the sh!t that had been happening lately.

"Why is it always like! I didn't do anything! Why should I be blamed for the things I have never done? Is life trying to test me by giving me all these hardships?" Anna said to herself.

Now she's so tired of it. She wanted to get rid of this kind of life as soon as possible...

Chuxue came to the store and saw Anna sitting in the chair with her face buried in her hands. She seemed frustrated.

Chuxue hurriedly went over to and asked, "Anna, are you okay?"

Chapter 459 Set Fire

Anna Xie hesitated for a while before she said, "Miss Ye, I...eh...I wanna quit."

Chuxue Ye was a bit surprised, "Why? You feel being mistreated here here?"

"No, you are very nice to me and I think I will never be able to meet a boss like you."

"Then are you unhappy?"

"No."

"Why do you want to quit?"

Anna lowered her head and said with a guilty look, "Because I have disgraced our store."

Chuxue thought for a while. She did not understand why she would think so, "Are you still thinking about that matter? Oh let it go! It has nothing to do with you!"

"Yes, it does! The business of the store has been severely affected by me lately."

Chuxue acted she didn't care, "I don't depend on the store to make money. It doesn't matter how it goes."

"But it matters to me! You are so good to me, but I keep causing trouble for you! I am sorry!"

Chuxue scratched her head and said, "It has nothing to do with you. To be honest, they take me as their target."

"You?"

Chuxue nodded, "Yes, you are only scapegoat. They will be happy to see you leave, because by then I will have to face them alone."

"Is that really so?" Anna asked.

Chuxue put her arm around Anna's shoulder, "Trust me. Stay and help me. If you leave, whose else will help me? Do not care about what others say. I trust you."

"Thanks, Miss Ye."

“Okay, get back to work. No more stupid thinking and no more quitting words.”

“Okay, I get it.”

After comforting Anna, Chuxue seated herself in the long chair out of the store.

She did not expect that things were getting more and more troublesome. She only helped Anna because she thought it was interesting.

But an unknown force got involved, which was out of her expectation.

What are they up to? To ruin Anna, a little girl? Are they fighting for Anna’s beauty? Oh they totally don’t have to make such a big scene¹ but if it’s not for Anna’s beauty, what else? Chuxue thought.

When she got tired of thinking, she frowned and started to rub her forehead.

“What are you thinking about?”

Someone walked to her back and started to massage her head.

Chuxue felt extremely relaxed and closed her eyes, “Things are getting messy here. I am sorting things out.”

“Do not get too tired.”

“I won’t. Just thinking...”

“But I still worry about you.”

“Come on!”

The two kept flirting and it got other people shy.

Someone couldn’t take it any more and started to protest, “Hey, you two! Are you done yet?”

Hearing the voice, Chuxue turned around and hummed, “Oh there you are! I thought you will keep hiding yourself!”

Zhao Nangong pinched Chuxue slightly on the shoulder and said, “Don’t be so mean.”

“I wasn’t. He was nowhere to be found when Anna was in trouble.”

Yulin Xiao lowered his head, trying to hide his guilty feeling, “I was held up.”

Of course Chuxue didn't buy it. She thought it was an excuse.

Chuxue shook her head and sighed, "Hay! You pretended that you were in love with her, but actually you don't care about her. What kind of show are you performing, Yulin?"

"Bullsh!t! Why don't you mind your own business?"

Chuxue curled her lips, "Well I could care less about your business, but Anna is a good girl. You have a bad reputation, so, as your cousin, I have to warn you not to hurt Anna! Besides, you and the girl Wei Yu..."

Yulin hurriedly interrupted her, "I'll handle it."

"If you had handled things well, Anna wouldn't have to ask me for help now."

Chuxue always looks innocent and naughty, but she's always got a point when she is reasoning something.

Yulin was choked by Anna's words.

Anna wanted to lecture him more when suddenly she saw someone standing next to them.

"Ah, Anna!"

Hearing the name, Yulin immediately turned around.

Anna got herself back from her thoughts and smiled in embarrassment, "I didn't notice we have guests here. Let me get more drinks."

Then Anna turned around.

"Anna, I want to tell you..."

Yulin wanted to stop Anna but on hearing Yulin's voice, Anna walked faster.

Needless to say, Anna must have heard something hurtful.

Yulin turned around and saw Chuxue's smug face, then he shouted at her angrily, "Did you do this on purpose?"

Chuxue shrugged, "Don't get me wrong. I did not know she's here either."

"You..."

“Do not waste your time here with me. Go get her and explain it to her. The more misunderstanding you have between you two, the fewer chances you have.”

Zhao agreed and nodded, “Open your heart and be honest with each other.”

It sounded very reasonable.

Yulin dared not delay any more. He walked in to the store hurriedly.

In front of the counter, he saw Anna.

He paced up and stared at her, “Anna.”

Anna was making juice. When she heard Yulin’s voice, she kept her head lowered and her hands moving, “What would you like to drink?”

Yulin was upset about being treated this way. He frowned, “Do not talk to me like this.”

“Well, show me what You like, and I’ll try to make you happy.”

Anna’s voice was as soft as a piece of cotton, but it got people irritated easily.

Yulin disliked to see Anna like this. He frowned, “Can we just have a talk?”

“You are the famous play-boy in the capital city. What Am I to have a talk with you?”

Anna kept talking aggressively and it could make anyone with good temper get angry, not to mention rich man like Yulin.

So Yulin lifted his chin and warned, “Anna Xie!”

“I can hear you! Keep your voice down! I have customers here!”

Seeing Anna still being tough, Yulin got very angry, “Why do you keep trying to irritate me!”

“Oh are you irritated? You must be kidding. You can play a fool of me easily. I never dare to irritate you!”

Hmm, look at her red face – she was angry, apparently!

Yulin realized he was being rude so his tone got soft and nice.

Yes he was trying to please her.

It was unbelievable that he’s pleasing a woman!

But he would like to make the change for Anna.

But it seemed that Anna didn't want to accept it.

"Anna, there must be some misunderstanding."

"I heard it with my own ears!"

"You only heard part of it, which could cause misunderstanding easily! And some words I said, I didn't really mean it. You can't judge before asking me. It's unfair!"

"Alright, I admit it. I did not misunderstand you. I just feel I am pathetic."

Yulin raised his brow and listened to Anna quietly.

"I am losing control of something. I can see where it goes but I still can't control myself. I am so stupid!"

"Anna..."

"Please, find someone else to play this love game with you. I am too silly. I know it's just a game but I gave my heart to it. Please have mercy on me. Let me go. Allow me to have some dignity, will you?"

Anna begged Yulin.

She meant what she said. She really hoped to keep a distance with Yulin.

It's not because she disliked him, but because she's afraid of getting hurt.

Seeing Anna's poor and cautious look, Yulin felt upset.

Her heart ached as if some feelings inside were swelling.

"Why do you think I am playing a love game?"

"Because you have another woman in your heart! How can you love two women at a time!"

Yulin lowered his head and said honestly, "I admit, that for the time being, I am not very sure of my heart. But I promise you that I will never play with your heart!"

But Anna ignored this sincere attitude of Yulin. She said lightly, "Whatever. As long as you are happy."

“Fine. No matter what I say, you won’t believe me. But I promise, I will make you change your mind!”

Then Yulin turned around and left. Anna looked up and watched him leaving. Her eyes were full of emptiness.

...

Days went by peacefully.

But someone seemed to hate this peace.

Qiaoqiao Su was waiting for Anna to be fired but Anna was still working in the store.

Qiaoqiao panicked. She found Jing Wu, “How come Anna Xie is still there?”

“I don’t know. I’ve tried everything, but they don’t suspect Anna.”

“Maybe you have to do it yourself.”

Jing was a bit surprised, “Me?”

“Of course! As long as we succeed, I don’t have to put up with that woman any more. And it’s good for you, too.”

Jing was confused, “But what should I do?”

Qiaoqiao showed a tricky smile, “I have a plan. Follow my plan and Anna will have nowhere to hide!”

Qiaoqiao said and waved at Jing.

Jing leaned over and listened to her carefully.

As she listened, her eyes opened wider. With a look of disbelief, she asked, “Really! Can it work?”

“Of course! Trust me!”

“But if they find out, I’ll be screwed.”

“I have arranged everything. Don’t worry, you’ll be safe.”

Jing was still doubtful. But when she saw Qiaoqiao’s impatient look, she nodded, “Well, okay.”

“Go back and have a good rest. I’ll notify you when I am ready.”

Jing left, feeling worried.

She sensed danger that she might be the sacrifice.

But what if she let someone else do it?

Qiaoqiao wouldn’t blame me because it’s successful anyway. But once it fails, I can keep myself safe. What a good plan! Jing thought to herself.

It was a fine day and sun was shining brightly. Anna had no lessons that day so she got up early and came to the store.

She got everything ready in the store and was ready to welcome customers.

Hmm, another nice day!

Anna put a happy smile and waiting for the customers to come.

Soon, the first customer came.

It was a teenage girl who looked weak and innocent.

The girl was dressed poorly and the color of her clothes faded. She was so thin as if she could be blown away by the wind any time.

She did not look like a customer at all.

Anna did not turn a cold eye. Instead, she thought this girl might need a good meal.

The girl came up to Anna and asked in a low and weak voice, “i want a piece of cake.”

“Okay, what taste would you like?”

“Anything.”

The girl found a corner and sat there. She was checking her phone while eating.

Soon the store was filled with customers and Anna started to get busy. Thus, she had no more attention to pay to that girl.

When Anna finally remembered the girl, she had already left.

Anna went to the girl’s table and saw there’s a bottle of water besides the empty plate.

She recalled the girl coming in without the bottle of water in her hands. Maybe she went out to buy the water?

Anna couldn't have more clue of it so she quit thinking about it. She hurriedly went back to her work.

As for the bottle of water, Anna dumped it into the trash can in the kitchen and paid no more attention to it.

But while Anna was not noticing, someone slid into the kitchen and turned on the cigarette light, then threw it into the trash can.

When Anna noticed, the kitchen was already on fire.

The customers all screamed in panic and ran out. Only Anna was trying to put out the fire. But the fire was getting bigger and bigger.

She realized she couldn't do it alone, so she called the firemen and waited anxiously outside.

Chuxue and her party and the firemen arrive around the same time.

Watching the firemen putting out the fire, Chuxue held Anna's hands and asked with concern, "Are you okay Anna?"

"I am okay, but our store..." Anna was mad at herself, "It's all my fault! I didn't protect our store well!"

"It's just a store. We can fix it later on. You are more important."

Chuxue said the words to make Anna feel better, but Anna still felt guilty.

Chapter 460 Never Guess A Woman's Heart

After a while, Yulin Xiao arrived, too. He put his arms around Anna Xie and hugged her tightly as soon as he saw her.

"Thank God you are okay! Thank God!"

Anna was in panic until Yulin held her tightly.

Hearing Yulin's firm heartbeat, Anna's eyes turned red and her tears almost fell.

She felt both upset and guilty and really wanted to cry on Yulin's shoulder.

When Anna looked up, she saw a girl's figure.

She was the first customer to have stepped into the store this morning.

Anna felt strange somehow, because the girl looked so gloomy.

Noticing that Anna was looking at her, the girl hurriedly turned around and disappeared in the crowd.

"Hey, don't get distracted when I am hugging you!"

Feeling that Anna was absent-minded, Yulin complained.

Anna got herself back right away and hurriedly push Yulin away. Her face blushed because of shyness.

What's going on! How come I am hugging this guy! Anna thought to herself.

The fire was not fierce so it got put out soon.

But the store was damaged. The places that got burned and watered were so messy.

It wouldn't be able to entertain any customers for the time being.

Chuxue Ye did not care too much about her loss. She took Anna to Yulin's apartment to have a rest.

When they got to the apartment, Anna was surprised to see that Mrs Chang was still there.

Hearing that Anna was in the fire scene, Mrs Chang was very concerned. She took Anna to the bathroom and helped her clean up, then she took her to the bedroom.

Yulin wanted to follow but Chuxue stopped him.

"Come. We need to talk about something, about Anna."

Hearing this, Yulin sat down to hear Chuxue's analysis.

"In my opinion, the fire today was caused by someone on purpose."

Yulin frowned and said, "Someone wants to hurt Anna? I will kill him!"

"We will teach that person a lesson. But I think the person's strange," Chuxue crossed her arms, "they are trying very hard to make Anna leave my store. But what good does it do to them?"

"I have a way to find out."

Hearing Zhao Nangong's words, Chuxue held his arms immediately, "What way?"

"Do as they wish, we pretend to fire Anna, then we'll see what they are up to."

It's a good idea, but would Yulin agree?

Chuxue looked up at Yulin, waiting for his reply.

Yulin hesitated, "Well, okay."

Hearing "yes" for an answer, Chuxue sighed in relief, "I thought you were going to say no."

"I wanted to, but knowing there's someone bad trying to hurt Anna, I have to agree. I can't have anyone hurt Anna. We must find out who's behind this and what he's up to."

"Alright, let's get started."

On the other side...

Knowing that the dessert shop was on fire, Qiaoqiao Su was very happy.

"You did a good job. Anna Xie is going to suffer big time!"

Jing Wu was there when the shop was on fire. She was still scared by the scene and looked a bit dumbfounded.

Qiaoqiao had told Jing that it was actually a bottle of liquid that catches fire easily. The liquid will generate smoke which would make the store an unpleasant place to stay in.

But out of Jing's expectation, the liquid was nothing else but alcohol! It almost turned the shop into ashes!

If the police should find out, she would end up in jail!

Jing started to tremble and her face turned pale because of fear.

Seeing Jing's so nervous like that, Qiaoqiao hummed and complained in her heart how useless Jing was.

But Qiaoqiao still pretended that she cared and comforted Jing, "Don't worry, the bottle has already been burned. They can't know it's you. And according to my secret investigation, the cameras in the kitchen were all broken. No one will know it's you."

Of course no one would find out it's Jing, because Jing had asked a little girl to do it.

She couldn't afford to let Qiaoqiao know it, or she might make things worse.

Anyway, let bygones be bygones. Let the truth be buried in the ashes. Everyone will disappear like smoke.

Jing comforted herself. But deep in her heart, she still felt anxious.

...

After reaching an agreement with Yulin, Chuxue was ready to leave.

Before leaving, she told Anna, "Have a good rest these days. When the store is done refurbishing, I'll let you know."

"Okay."

"Do not think too much. It has nothing to do with you, okay?"

Anna showed a warm smile and said, "Okay."

"Well, have more rest. We will go now."

Seeing that Chuxue was going to leave, Anna got up immediately and said, "I've rested enough. I am leaving with you."

Chuxue hurriedly pressed Anna on her shoulder, "Rest more and observe yourself. You must have breathed in a lot of dust. It's bad for your lungs. You need to observe yourself for another half day just in case."

Hearing this, Yulin hurriedly said, "Will the dust hurt her respiratory tract? Shall I call a doctor?"

Chuxue was really speechless. She eyeballed him.

She was surprised at how silly Yulin had become. He's such a smart guy and he should be able to see it through that Chuxue was actually helping him to make Anna stay!

Anna said, "Don't bother. I am fine."

“Anyway, just observe yourself. Be good.”

Chuxue turned around and left. And before she left, she eyeballed Yulin as a warning.

There were only Yulin and Anna left in the room.

The two sat face to face, feeling a bit embarrassed.

“Eh...”

“Well...”

The two started to talk at the same time and stopped immediately. They looked so awkward.

Anna lowered her head and coughed lightly, “You first.”

“Are you okay? Don’t hide it from me.”

“I am fine. Don’t worry. Eh...I’d better get back to school.”

“Hey, you agreed to observe. You have nothing to do at school anyway. Just stay here.”

“But...”

Well, there’s really no need for Yulin to sit in front of Anna to observe her, which made both of them embarrassed.

Anna felt uncomfortable, and Yulin found it harder to know his own heart.

Looking back on the days since he met Anna, Yulin felt his heart was on the thrilling roller coaster. His heart was thrown up and down.

Like a while ago, when hearing the store was on fire, Yulin hurriedly rushed there, hoping that Anna was unharmed.

Anna felt deeply disturbed, too, knowing she was supposed to love the wrong man and want the things that don’t belong to her.

But seeing how concerned Yulin was about her, Anna was a bit impressed.

There’s one moment when she even wanted to open herself up totally to him.

So what Yulin is playing with my heart? As long as we are true to each other at the moment, it will be enough. Anna thought to herself.

But it's a crazy idea and Anna thought she should abandon the idea.

But there's a sound in her heart urging her crazily to let her go with her heart.

Seeing Anna's shy look, Yulin almost couldn't control herself.

But it's not a good time to make out.

Yulin coughed lightly, "What did you want to say?"

"I..."

Right at this time, Yulin's phone rang.

Yulin took a glance at the screen of his phone and frowned, "Leave it. You were saying?"

The phone then rang again.

Anna was a bit discouraged, "Take it. Maybe it's urgent."

The phone just wouldn't stop ringing.

Yulin had to say, "Wait for me. I'll be right back."

Then Yulin walked out of the room and said impatiently, "What is it? Hurry!"

Wei Yu smiled lightly and teased, "Why are you so impatient? Did I ruin your good moment?"

"Cut the crap! What are you calling me for?"

"You are so rude!" Wei pouted, "I am inviting you to my engagement party."

Yulin got so angry hearing her say this.

"Wei Yu, do you think I am a dumb sh!t who's just hanging around doing nothing everyday?"

Anna was only getting out to get some fresh air when suddenly she overheard this.

Anna's body got rigid. Then she stepped back, pretending she heard nothing.

"It's up to you. I've told you already," Wei was about to hang up the phone, but she thought for a while and said, "why not come? It's a good chance to show how great you are."

“You are so naive!”

“You were the naive one, weren’t you?”

“Wei, you are getting more and more annoying. As your assistant to call me next time. I’m busy.”

Yulin wanted to hang up the phone.

But Wei still went on.

“If you are trying to irritate me, you don’t have to find another girl. Miss Xie is a nice girl. It’s such a pity that you want to ruin her just because of me.”

Yulin frowned, “Wei, I’m telling you, we are done now! I already moved on. And it has nothing to do with you.”

“Is that so?”

“Yes. Bye, if there’s nothing else.”

Yulin hang up the phone and felt so peaceful inside.

He’s a changed man now. He would have got drunk when hearing about Wei’s engagement. But he’s no longer that kind of man.

He felt peaceful in his heart.

He care about the girl in the bedroom more.

Yulin looked at the room and then went in.

Sitting in front of Anna, Yulin said, “Well, let’s go on.”

Anna got herself back and blinked, “Ah, I wanna go back to school.”

“But you were trying to say something.”

“Was I? I don’t remember! If you are busy, I can go back by myself.”

Anna was so determined to go and it made Yulin feel strange.

“What’s going on? You were okay just now.”

Anna lowered her head without looking at him, “Nothing. I’m fine.”

“You...”

“Alright, I’ve told you what I’m thinking. I’m going back.”

Then Anna ignored Yulin and walked past him.

Yulin turned around, watched Anna leaving then said, “It’s really so hard to guess a woman’s heart.”

“Mr.”

Yulin turned around and saw Mrs Chang. He knew he could talk about it with her.

“Mrs Chang, why are women so difficult to guess?”

Mrs Chang look old but wise, “They just look difficult. They are something in their hearts.”

“Something?”

What could Anna hide in her heart?

Seeing that Yulin was struggling to understand, Mrs Chang hinted him, “I saw Anna walking out of the room and watching you while you were talking in the phone. Then her face turned pale. She looked upset.”

“It’s just a phone call. Why was she upset?”

“May I ask, why were you calling?”

“I...”

Yulin suddenly understood it all.

Does Anna think i still have feelings for Wei? Hay! What a silly girl! Can’t she think about things with her brain? Yulin complained in his heart and was about to go.

“Mr, where are you going?”

“Of course I go to find Anna and explain it to her!”

“Hold on a second,” Mrs Chang stopped Yulin, “I think, you can test Miss Anna and see what she thinks about you.”

Yulin looked interested.

But he was still confused, "How to test?"

Seeing Yulin who looked confused, Mrs Chang sighed, "My dear, you are a smart person. How come you are so silly now?"

It was not the first time that he had heard someone call him silly. Did he really become silly?

Seeing Yulin still confused, Mrs Chang said patiently, "Since Anna minds Wei, you need to keep pushing her. When she can't take it any longer, you can explain it to her. You need to force her to follow her heart. By then she'll have nowhere to hide her feelings."

Hearing Mrs Chang's words, Yulin thought it over then he showed a tricky smile.

Yulin put his thumb up and complemented, "The old are always the wiser!"

Striking Yulin's hand away, Mrs Chang said smilingly. "You made me! Hmm...young people are really good at making things messy."

Yulin was still standing there smiling stupidly. Mrs Chang hurriedly urged him, "Why are you still standing here! Anna is going back to her school!"

Hearing this, Yulin hurriedly turned around and rushed out to chase Anna.
