It turned out that Elizabeth liked him back.

Simply knowing this left him ecstatic. Not long after, he wrapped his arm around her waist and pulled her closer.

It was just a light peck, but Frank wanted more. The tip of his nose brushed against hers, and soon, their lips curved into smiles.

Frank cupped Elizabeth's cheek, kissing her back passionately.

Their kiss lasted until she was out of breath. Only then did Frank relent.

"Why didn't you tell me sooner? I apologized already! You two must invite me to dinner to thank me."

Janet frowned and looked at him with frustration. "How could you have the nerve to say that? You didn't even mean this for her in the first place."

Elizabeth was standing tall and had a cold expression on her pretty face. On the other hand, Janet looked pure and gentle. Her long hair was curly, and she was wearing a dress and a pink coat.

They were two different types of beauties who, along with a handsome man, drew a lot of attention.

Vivien turned to face the glass window after hearing the conversation between her colleagues.

Janet was indeed sitting at the table by the window.

Janet was indeed sitting at the table by the window.

There was a pillar between the two tables. Vivian only saw Janet having dinner with a handsome young man. They were conversing and laughing. There seemed to be a very pleasant atmosphere between them.

It was terrifying whenever his boss was mad.

Brandon looked out the window, gritted his teeth, and replied, "No need."

He had, in fact, received a message from Janet earlier. But Janet made no mention of who she planned to dine with. She simply stated that it was a business dinner.

#### [Chapter 996 Cheating](#)

Brandon got off the car, and walked in with Sean, visibly enraged.

The employees of the Larson Group turned their gazes toward the door, eagerly waiting for Brandon. But to everyone's surprise, he didn't approach their table and just continued walking toward the back. Brandon got off the car, and walked in with Sean, visibly enraged.

At this moment, Janet was still arguing with Derek regarding the color of the clothes on the design draft.

#### [Chapter 997 Her Explanation](#)

Janet chased Brandon out of the restaurant.

However, the windy dusk and her high heels made it difficult for her to keep up. With long strides, Brandon was about to cross the zebra crossing.

There, realizing that she couldn't catch up with him, Janet suddenly came up with an idea.

She faked a fall, crying out and clutching her ankle. "Oh no! It hurts like crazy. I think I broke my bone!"

Brandon, who had been walking ahead, hesitated before turning back and rushing to Janet's side.

#### [Chapter 998 I Trust Her](#)

Both Janet and Brandon glared daggers at Derek simultaneously. Janet fumed, "Derek, why do you always speak gibberish?"

Derek also stepped out of the vehicle, hands in his pockets, and said, "I'm not talking balderdash. It's true that Brandon jumped to conclusions and got angry because he didn't see Elizabeth and thought that we two were having a date alone."

Elizabeth quickly explained, "Mr. Larson, be careful about what you think about Janet. Janet didn't have dinner with Derek alone. I was there with them, but I had to use the bathroom at that time. I didn't expect to cause such turmoil between you two. I'm truly sorry."

"It's okay. I just want a good reason as to why you went as far as booking a suite." Janet cast a sharp glance at Derek.

#### [Chapter 999 Unexpected](#)

Seeing that everyone was in a heated discussion, Vivian joined them and pretended to be clueless. "Did I miss something?"

Just as one of the women was about to explain, the person beside her suddenly nudged her shoulder.  
"Hush! Mr. Larson is coming."

The other woman promptly shut her mouth and plopped back on her seat. Vivian turned in the direction

of the door and saw Brandon and Janet walking towards them, hand in hand.

Vivian was taken aback by the sight. How could they make up so soon? And why were they back, anyway?

#### [Chapter 1000 Destroy The Rumors](#)

The truth was, Vivian had known this waitress.

That was why when she recognized her at the restaurant, she informed the waitress that she was Derek's friend and told the waitress that Derek and Janet wanted to book a couple's suite together. She then tipped the waitress heavily for her help in booking it.

Vivian was a little nervous now, trying her best to keep the waitress from seeing her. She kept biting her lower lip to steady her nerves as she couldn't afford to expose her intentions in front of Brendan and Janet.
