

Read Medical Princess MP: Touching Porcelain (X) RAW

Biquege, the latest chapter of the Prince of Medicine is updated as soon as possible!

"What 's wrong, you might as well send a comatose Yiyan Junzhu back to her house, and there are no elders in her house. What would happen if something really happened in the middle of the night? Xichi, you put If you hit someone, wouldn't you want to confess it? "Mrs. Tai looked at Wen Xichi with a few disdains, as if he was really a scum.

"Mother, I don't mean this ..." Wen Xichi explained helplessly.

"You don't mean it, what do you mean? You mean to leave her? Well, now that you are responsible for it, leave her alone!" Mrs. Tai nodded reluctantly, her voice a little louder.

"Mother ..." Wen Xichi was even more helpless. Listening to this meaning still had to leave Qin Yiyan.

"Well, you can do it. I'll do it. Even if you are a big man, don't worry about it. It's not appropriate to stay here. Go to rest first. I'll let you know if anything happens. Don't worry. The lady rushed away Wenxi with a smile.

The more he said this, the more it seemed that Wen Xichi couldn't rest assured that Qin Yiyan was staying to take care of Qin Yiyan.

Wen Xichi knew Mrs. Tai's thoughts and thought, let 's go. Anyway, if a mother takes care of Qin Yiyan, nothing will happen.

Of course, he has already wanted to understand this meeting. The Yiyan Junzhu really came to poke himself deliberately. Hearing that the Yiyan Junzhu has skill, this is what the emperor said, how could he be so Frightened, fainted, and has not yet woke up.

The performance of the girl ring is also exaggerated.

He didn't want to care about it.

"Mother, then I'll go back first. I must send the person back tomorrow. I will also tell the emperor when I enter the palace tomorrow." Wenxi said in a deep voice.

"Okay, okay, let's go!" Mrs. Tai waved her hand in a good mood.

It's a rare son to find a woman to come in. As for the one who came in, he lay down and carried in. Mrs. Tai felt that she had no opinion, and the son was satisfied.

Seeing Mrs. Tai's smile, Wen Xichi also knew Mrs. Tai's mind, but she couldn't explain it any more, and left her helplessly after touching her nose.

Mrs. Tai rejoices in preparing medicinal herbs, and then she goes in and takes a few personal glances to prepare the guest room for overnight stay.

After the middle of the night, Taifu's talents left in a good spirit. She felt that this time was reliable. Although her son was still unhappy, but what about it, the girl was injured and it was right to let him take charge.

Not in the girl's house

If you are short of money, you can't offset it with money. Then you are responsible for it. Only then did the Lord's little girl ring look like a clever person. If you are not good, you will not leave, so stay in the house and take care of your injuries.

Who doesn't have an elder in this girl's house?

Mrs. Tai left contentedly, and another contented person opened her eyes.

Touching his stiff waist, Qin Yiyan's face was also very proud. His beautiful and soft face, a pair of eyes widened, could not hold back the joy. I thought that even if I live here today, I might have to live tomorrow. Sent back, did not expect that Mrs. Wen Tai actually took care of herself like this, and also said that she should take good care of herself.

Don't go back if the injury is not healed.

Just punch this, and her injury can't be cured early.

His Royal Highness's idea is reliable!

"Counterlord, medicine!" Yahuan sent in a bowl of medicine with a painful face, and brought it to Qin Yiyan.

This medicine seems to be bitter. The county owner has never loved to drink medicine, and it is not in the house. Where will this medicine be poured for a while?

Who knows Qin Yiyan took it, just looked at it, pinched his nose and drank it. After drinking it, he almost vomited disgustingly, pouting his mouth tightly, and then pressed down the smell of the medicine.

After a while, Qin Yiyan relaxed, and said tearfully: "This medicine is really hard to drink 1"

"Lord, let's go back to the house. After going back to the house, I don't want to take medicine without drinking. Where should I suffer such a great grievance." Yahuan felt that her own son was wronged and hurriedly advised.

As long as he returns to his house, the county owner is the only one. Where would he need to drink such a bitter medicine.

"No, I don't." Qin Yiyan raised her eyebrows proudly. "I didn't leave, so I just came in."

"After that ... drink this bitter medicine every day?" Ya Huan panicked.

Not to mention that the county chief is uncomfortable. When she saw it, she was also uncomfortable. When the county chief was so aggrieved, she was always sick and troubled not to take medicine. Fortunately, the county master was always in good health. But now it is not injured, pretending to be injured, or in a coma and unconscious, Yahuan feels that this medicine is more unjust to drink.

"Guest, you can't drink more medicine, something will happen." Yahuan advised again.

"It's okay, I'm in good health!" Qin Yiyan patted his chest, saying that he was completely okay.

"The lord ..." Yahuan tried to persuade again.

"Well, I'm asleep, I'm so tired!

Qin Yiyan yawned.

Yahuan reluctantly arranged the bed for her, dropped the gauze tent, and the light went out. Then lie down on the couch outside to sleep.

Today is tired and noisy, Yahuan is really tired.

It didn't take long for me to fall asleep.

The Qin Yiyan inside couldn't sleep, and she was so excited that she couldn't sleep so smoothly, she didn't expect it.

When I first saw this little essay in memory, at that time he was just an ordinary official in the Ministry of Criminal Affairs. At that time, two people accidentally bumped into each other.

Qin Yiyan walked fast, and Wen Xichi walked slowly. After the two hit him, they sat on the ground together. Qin Yiyan had a lot of strength. Wen Xichi was not hit for a long time after being hit.

When people around him came to scold Qin Yiyan, Wen Xichi stopped, and then someone sent her to the nearby hospital for a doctor to treat her.

At that moment, Wen Xichi fell into her heart.

After that, she asked people to inquire about it. Many people in the capital knew Wenxi Chi, and it didn't take long to find out.

Qin Yiyan therefore designed several occasional encounters in the palace, but often before they were implemented, they were knocked out by others. The palace ladies in this palace are very delicate, and even some ladies of the family are very weak, seeing Something happened to Wenxichi.

Every time this time, Qin Yiyan was angry.

But when she saw Wen Xichi ignored them at all, and just walked around them, she felt relieved, and before she knew it, she fell deeply into her eyes and heart.

The queen in the palace urged her several times, she did not want to marry someone else, and wanted to get in front of Wen Xichi, but was always disrupted, but even if it was disrupted, she would not stop, she likes this Man, since he hasn't married yet, she won't give up, just slowly consume it.

This loss consumed her as an old girl, but she was not afraid. Anyway, when she entered Beijing, the people in Qinfu told her. Since then, her rich life has been entrusted to her cousin. She went to Beijing to protect her cousin. Now that her cousin is the emperor, even if she is not married, no one dares to say anything.

Later, I met again and again and again and again, this is a fate, this time she and Wenxi Chi consumed.

She didn't believe she was so obvious, Wen Xichi didn't know.

If you delay your life, delay it all, who is not afraid of being delayed ...
