

## Read Medical Princess MP: Touching Porcelain (XIII)

Biquege, the latest chapter of the Prince of Medicine is updated as soon as possible!

Mrs. Wentai saw her son turn to the guest house at the window, and immediately smiled but saw his teeth. The son really had a soft-skinned heart. He obviously cared about others, but he said he did not want to, and did not know who he was. It seems that if you do n't push one, you wo n't be able to marry a lifetime.

"I'm going to find the queen queen in the palace now." Mrs. Wen Tai said to Qin Yi with a smile, and things should be done sooner rather than later. While the son hasn't said it straight out, quickly set it down. Lest there be night long dreams and changes.

Qin Yiyan has come out from the inside and heard Wen Xichi's words. Although he has been following Wen Xichi for so many years, he still bowed his head when he heard the words of Mrs. Wen Tai.

Once again, I sighed that His Royal Highness 's method was reliable. I knew I could enter Wenxiang Mansion and contact Mrs. Wenxiang. She would not be so vain for so many years.

Wenxichi went to the guest house, but Qin Yiyan was not found. He heard Xiaoyahuan said that the Yiyan County Lord had been taken away by his mother. He knew immediately that it was not good. When he turned around and found Qingxin Pavilion, he saw Qingxin Pavilion. Only Qin Yiyan is here.

"I've seen Master Wen." Qin Yiyan stepped forward with a smile and offered a gift to Wenxi, secretly paying Mrs. Wentai's instructions, but she couldn't let Wenxichi chase the above lady so quickly.

"Yiyan County Lord is polite." Wen Xichi looked around, but did not see Mrs. Wen Tai, his eyes were slightly swollen, "Is Yixian County Lord see my mother?"

"Mrs. Wen Tai? Only then left!"

"Where did you go?" Wenxi Chi asked urgently.

"I heard that there are some big things in the house. I want to go to the palace and tell my queen mother." Qin Yiyang looked at his face and laughed.

Wenxichi was about to leave before turning around, and after taking a few steps, he had to stop, the doorway actually blocked the Yiyang Junzhu.

"Master Wen, slow!"

Wen Xichi had to stop and pressed his temper: "What else is there for the county master?"

"Master Wen, are you so reluctant to see me?" Qin Yiyang said.

"Why the County Lord made this statement, I was just anxious about my mother's affairs. I was afraid that my mother would go into the palace to talk about things and disturbed the queen mother." Wen Xichi had to explain.

"Mrs. Tai won't talk nonsense. I heard that it was agreed by Mr. Wen

Yes, but I'm embarrassed to say, then Master Wen, please wait here! Qin Yiyang bit his lip and flushed.

It must be a girl's house that has not yet come out of the house. The idea is an idea. I really let her go to stop Wen Xichi. She was still a little panicked. She pinched the papa in one hand and tangled fiercely.

But Mrs. Wen Tai commanded that, saying that Wen Xichi must not be allowed to catch up.

"Guest, please let it go." Wen Xichi sank, his face slumped.

Qin Yiyang was a little persuasive, but he was not reconciled to this opportunity: "Master Wen, this is what Mrs. Wen Tai means!"

"Knowing what it means to be a mother, why don't the county owner follow his mother to make a fool of himself." Wen Xi chirped, a anger on a handsome face.

This remark was almost reprimanding, Qin Yiyang's eyes became red, and he squeezed his hands, tightened tightly, and wanted to calm his grievances, but the inexplicable grievances overflowed, almost overflowing himself Eyes of the eye, "I ... am I annoying Master Wen?"

The words almost came out of the mouth, followed by a tear in the corner of the eye.

"Shi Jun, I didn't mean that!" Wen Xichi stepped back, and reluctantly slowed his voice.

"Then what do you mean?" Qin Yiyan was excited. "Mrs. Tai said that you were injured by the woman, so she was far away from the woman. Mrs. Tai said she was sorry for you, but just wanted to make you well, but you are here. What are you doing? What kind of injury did you suffer and which woman did you hurt? You made it clear and made it clear. Since it has been so long, even if you have a favorite woman, they are married, what else do you want! "

Mrs. Wen Tai meant that Wen Xichi was because of her cousin Gu Ximei, but Qin Yiyan felt that it was not necessary. She felt that Wen Xichi was such a smart person that she was more hurt by that kind of words. When she saw the woman, she retreated three feet.

These words are of course speculation, but at the moment of injustice, they all rushed out.

Wen Xichi's face was hard to look at. Qin Yiyan's words hit him heavily, almost tearing the thin gauze on his heart. The truth under the gauze made him not want to see it, and he didn't want to. Go for it.

In fact, he is clear and knows that it is impossible. He also thinks that the lives of two people can no longer intersect, but in fact he always looks forward to it.

That's why he has been so ... waiting?

"Mr. Wen, I do n't know what you are doing with that woman, nor am I curious, but since you are so attached to that woman, she must be a gentle and kind woman, and I certainly do not want to see you so lonely Lifetime? Did you deliberately make her uncomfortable and make her feel owed to you? Master Wen, how selfish are you! "

Since Qin Yiyan opened his mouth, he didn't intend to hide his mind. He threw it out sentence by sentence, the more uncomfortable he became, the more he felt that he was right.

"I didn't think so!" Wen Xichi said in a difficult way, as if there were some unsatisfactory thoughts in his heart being lifted, making him difficult to accept for a while.

"If you don't think so, why do you do this again and again, it's not beneficial to your parents, so that Mrs. Tai has been worried, and burdened with that woman again. A copy that was not originally her burden, she may not say anything, but maybe In my heart, it is a heavy burden. "Qin Yiyan nonsense according to his own nature.

She was just looking at the fragile at this time. At this time, she was temperament, and those little bits of overflow that I usually think about overflowed, and she couldn't care how embarrassed with tears, just stared at Wen Xichi while crying and accusing .

The slim body was trembling because of excitement. It was inexplicable that it felt a little more fragile, and it was still the kind of fragility that revealed its true temperament.

Wen Xichi's thin lips clenched tightly, looking at Qin Yiyan in front of her, and suddenly remembered that when she met the queen mother before, she had asked her family several times and asked if she wanted to be a matchmaker, every time They all had a bit of expectation, so she really wanted him to be married, right?

Could it be that the inexplicable herself has really become her burden?

Qin Yiyan's words were more like the twilight morning bell, struck heavily on his head, so that he could clearly see himself at this moment, and his heart.

Sometimes, he is really deceiving himself!

Or is he really wrong? For a moment, my heart was mixed with emotions, as if I had turned the five flavors, and I felt uncomfortable with my guts!

For a long time, he raised his head, his eyes fell on Qin Yiyan, who was crying like a teardrop, and his voice eased: "Thank you Lord!"
