"Master, I do have such a person in my heart." After Qin Yiyan calmed down again, Wen Xichi slowly said, turning his fingers over the cup, his eyes looked at Qin Yiyan calmly.

Xu Shi Qin Yiyan's unobtrusive and straightforward words and behaviors gave him the impulse to open his mouth for a while. If he used to think that he would be buried deep in his heart, it would not be so difficult to export.

"Then you ..." Although Qin Yiyan was guessing, and felt that eight or nine were inseparable from ten, there must have been no dozens of ten authentications. At the moment, when Wen Xichi said this, his face was solemn, and then he was excited. The little shame was now being distracted by Wen Xichi's words.

When will this noble gentleman with clear air and gentle breeze show such a sad look.

Even if it was just a look, Qin Yiyan felt that his heart was being pulled a little, and it hurt.

"Then you ... why aren't you together, is it because of Mrs. Tai?" Qin Yiyan still resisted the discomfort of his heart and finished his speech.

She has long heard that Mrs. Wen Tai is a powerful character, but these days it seems that she is a kind elderly person and it is not that difficult to get along with.

"She ... because of some force majeure reasons, she left, and will never be able to return." Wen Xichi's eyes looked somewhere in the air, the corners of his eyes were bitter.

The things of the last life, or only he knows, with such a big secret, he can't say, can't say anything, the son is utterly strange, and this is originally a sentence that the students knew well in the past, and He used to think so, but for now, he is apostasy!

"She ... has left?" Qin Yiyan rose carefully, for fear of stinging Wen Xichi. It's really hard for people like him to imagine such pain.

In the past, people were always bland and gentle, and seemed to handle everything well.

Who would have thought that there was such a deep feeling hidden in his heart.

"Yes ... is the surname Gu?" Qin Yiyan became more and more careful. This was the answer that came out of combining Mrs. Tai's words. I heard that Wenxichi's cousin was the surname Gu, and she had always been raised in Wenxiangfu. Counting to Wenxi Chi is a sweetheart, but I heard that the lady came out when she returned home.

It ended up being like this.

After hearing this, Qin Yiyan still felt very frustrated, only to hear that this lady Gu and Wenfu 's second son seemed to have a covenant, but I do n't know if Wen Xichi was also entangled in it. .

If this is the case, then it is really a tragedy.

"No!" Wenxichi's eyes flashed with disgust, his emotions were very clear, there was no hint of concealment, "how could it be Gu!"

Gu Xixuan was an abomination he couldn't restrain. If he checked it out early, he would have killed Gu Xixuan's life, how could he leave her clown-like jumping around.

This is the first time he has made a clear disgust about a woman.

Qin Yiyan looked at it for a moment, but she never thought that Wen Xichi would have such a strong dislike for a woman.

"Then ... Will she ... in the future ... I mean is it possible to come back in the future?" Qin Yiyan was silent for a moment, and the words became more careful, she was not sure what Wen Xichi said. Was that sweetheart dead, or did she really leave, and did not dare to use the word "dead", for fear of causing Wen Xichi's sadness.

"She can't come back again!" The words were heavy as if suppressed forever in Wenxi Chi's heart, the heavy made him unbearable.

But he must have spoken clearly.

After waiting to find out, these words seemed to unlock the heaviest shackles in his heart.

"Since it is impossible for her to come back, does the adult plan to go on like this forever? Wait forever?" Qin Yiyan was silent again, and looked up to Wen Xichi for a long time, with clear eyes A little publicity, no more careful, just a little more proactive.

She felt that it was wrong for Wen Xichi to sink so much.

Wenxichi was also silent, holding the cup in his hand and turning around, his heart was heavy, but he didn't seem to be so heavy. He looked out the window, his smile was a little bitter and bitter, but it should have passed. , And only you know it, in fact, it really can!

"Master Wen, if you can't come out ... I'm willing to pull you." Qin Yiyan bit his lip, his face flushed, his voice shivered uncontrollably, but he still straightened his words.

Then he said, a flash of determination flashed through his eyes.

I'm willing to pull you?

The sentence was simple, but she said all the devotion and determination of a woman.

The family has always asked for gentleness and restraint. No one has ever spoken so clearly, coupled with Qin Yiyan's excited but strongly controlled eyes, Wen Xichi's eyes can't help turning. For the first time, I really saw the Yiyan Junzhu in front of me.

Qing Li's appearance is very outstanding among Miss Family. It is not as pleasant as a beauty such as Empress Dowager and Concubine Lan from the Qin family, but what Wen Xichi noticed was her look, even Blushing like fire, she did not look at him indifferently, did not mean to avoid his inspection.

Quite frankly speaking about the demands in my heart. For my own happiness, I am determined to be autonomous, not as sticky as myself, trapped in the pit I dug, becoming more and more entangled, and also burdening the people around me. Can you even compare yourself to a woman?

"You ... want to help me?" Wen Xichi asked hesitantly.

Qin Yiyan nodded his head firmly, pressing his hands on his knees and pressing **** his knees, Sakura lips clenched tightly, waiting for his response.

"If ... if I ... can't you forget it for a while?" Wenxi asked slowly.

"I will wait for you!" Qin Yiyan said decisively.

"You ... wait for me?" Wen Xichi seemed silly to repeat such a sentence, and then Jun's eyebrows frowned. Qin Yiyan's admiration for him always knew, but he never cared, nor paid attention to However, this does not prevent him from knowing that the Yiyan County Lord has been waiting for himself, and has waited for so many years.

The ladies of the same period were married one by one. Only the Yiyan County Lord had been waiting. With her identity and appearance, what kind of person did she want to marry, but she was always delayed, so One said, my heart was inexplicably agitated.

I didn't care about it before, I never thought about it, but now ...

"If ... if the lord of the county really doesn't care ... then give me some time!" Wen Xichi said very slowly and slowly, almost half the speed of speaking on weekdays, hard and sincere!
