

Medical Princess: Touching Porcelain (XV)

Biquege, the latest chapter of the Prince of Medicine is updated as soon as possible!

Some things, he will slowly figure out, now that he has opened a head, he will slowly come out, especially if there is a person outside who is willing to spend his best time waiting for himself!

Self-proclaimed self in the previous life, or indeed should come out!

"I don't care, I don't care at all!" Qin Yiyan understood, and she was so happy that she immediately accepted Wen Xichi's words. The whole person immediately relaxed, only to feel tears in her eyes. Falling down, but this time is a tear of joy, she is actually not as strong as she imagined!

She could feel that Wen Xichi was as hard as a rock in the past, but now she opened a tiny gap for herself!

From the initial lack of hope to the immediate hope, after Qin Yiyan relaxed, he felt full of energy. With the first step, every step after that will not be so difficult!

Wenxi watched Qin Yiyan quietly, seeing her excited words, and seeing the tears and hope in her eyes, and full of joy, her eyes closed and her pout was forced, Yes, it's time to come out!

This is not only her own burden, but also hers, but also her mother's. Although they do not know the reason, he has burdened them with such an inexplicable burden.

He should also try to come out, and Qin Yiyan in front of him seems to be the reason he is willing to give it a try. Only in front of her can he say the words hidden deep in his heart so faintly, a touch of lips The smile was very light, but it was real. He reached out and took out a piece of parchment from his cuff.

Handed it over: "Don't cry, wipe your tears!"

"Giving marriage? To Wenxi Chi?" Chu Liuyu raised her eyes and looked at Shao Wanru, who had two sons and a daughter in front of her, but still looked like a young woman. The smile was mildly naughty.

"Yes, you can't let your courtiers marry because you are married!" Shao Wanru continued to laugh and said that the life in the palace in the past few years has been very comfortable and there is nothing to worry about.

"Wen Xichi is willing to marry?" Chu Liuxi stretched out her hand on Shao Wanru's charming face, and squeezed it gently, provoking her for a while, patting him away to do strange hands.

"Naturally, it was Mrs. Wen Tai who came here to ask for it. If he didn't want to, he should come here early and stop." Shao Wanru looked at the sky outside and smiled.

Mrs. Wen Tai went back to the palace, and for a while, this little Wen Xiang has no profile picture now, so she is really willing, she is very willing to Yucheng.

"To marry Qin Yiyan?" Chu Liuxi raised an eyebrow.

"Why, no?" Shao Wanru frowned slightly on her lips and glanced at Chu Liu.

"Of course they are willing. The two of them should have been married for a long time, and the two have been in trouble for so many years. I wanted to see when they were going to be troubled." Chu Liuyu said not very responsible.

"The emperor, you are still the cousin of the county master. How can you watch the excitement without help?" Shao Wanru reluctantly pulled the sleeves of Lachu Liuyu, accusing him.

"It's not that I want to get married, what's the matter!" Chu Liuyu didn't care, he just saw how long they could toss, and looked at Qin Yiyan, that was Wenxi Chi's.

"I promised you before, you can't mess it up." Shao Wanru turned his eyes and reminded Chuluo.

"Okay, I don't care anything. I just let you take care of it. This kind of thing has nothing to do with me." Chu Liuyu once again regarded Shao Wanru's words as a classic, just to please his own queen. Got to export.

In His Royal Highness' thoughts, he felt that his father was really boneless.

Shao Wanru was satisfied with a smile on her lip corners, and she became more lip-colored and charming. Chu Liuxi could not help lowering her head gently to kiss her at the corner of her lips.

Shao Wanru hurriedly pushed his head away, Jiaojiao said: "This is the Royal Study Room!"

"It's okay, just the two of us." Chu Liuyu said indifferently, this is his place, he wants to kiss his daughter-in-law is not enough!

"Some children will come here in a while ..." Shao Wanru glared at him, reminding him.

The three children are very sticky, especially the two young ones. When they found their mother was gone, they looked for the palace, and sometimes they found it here.

"Do not let them in." Chu Liuyu said for granted.

Shao Wan stretched out his hand and twisted him, Chu Liuyu could not bear the pain, Xuexue exclaimed, only that Shao Wanru wanted to hit him more.

Suddenly, Shao Wanru stopped his hand, and the water under his long eyelids turned mischievously: "You said, who came out to enter Wenxiangfu by word?"

"It was her own puppet." Chu Liuyu speculated with no sincerity, reaching out to embrace Shao Wan like arms, closing his eyes lazily, in fact, who he really didn't care about, no matter how he wanted to, Just use it.

Wenxi Chi, in fact, can be married long ago!

"It's not her!" Shao Wanru shook her head, and she and Liu Yiyan have dealt with for so many years. She has always understood Liu Yiyan's thoughts, but she hasn't seen her take such aggressive behavior.

"That's the kid in our family." Chu Liuyu guessed.

Shao Wanru thought about it for a while, and suddenly thought it was really possible. The big one in his house looked like a little adult on weekdays, but actually it looked like a ten percent of Chu Liuyu. Kind of good, but actually black-bellied not.

Qin Yiyan once hugged him when he was young, and he was also close to Qin Yiyan. When he was out of the palace, he often went to see Qin Yiyan.

When he was a child, it was Qin Yiyan who played with him, but slowly got bigger, and the person who had an idea between the two became his own kid.

If it was his own idea, Qin Yiyan would still listen to it.

This looks like it must have been so many years that Qin Yiyan has never been so extreme. He actually approached the door and joined hands with Mrs. Wen Tai to take Wenxi Chi down. It does n't look like Qin. It can be said by words that it's more like a hairy boy who doesn't understand anything when he is impulsive.

"You can rest assured that people will come to him for a while to sip!" Chu Liuyu arrived his son.

"It's not necessary anymore, at least this is a good thing!" Shao Wanru begged for his son. This is a good thing, at least it was a solution to this knot. Since Wen Xichi hasn't come to chase him, he represents Qin In a word, Shao Wanru was very satisfied to see that the two of them had been entangled for so many years, and they had been hit by a brutal run by their own boy.
