Biquege, the latest chapter of the Prince of Medicine is updated as soon as possible!

Chu Liuyu's face panic, looking at Chu Liuyu in front of her, the so-called gentle and noble in the past has long disappeared, leaving only fear.

"Chu Liuyu, what do you want to do, my king is your elder brother." Chu Liuyu said as he stepped back, several guards around him hurried forward to protect him.

Chu Liuyu's eyes were so deep that he could not see a wave from the bottom of his eyes. It was strange, like a ghost from a deep hell, without a trace of warmth.

With a wave of his hand, several guards standing behind him rushed forward, and started directly to the people around Chu Liuyu.

No one expected that Chu Liuyu would let people do it directly.

"What do you mean, Chu Liuyu? The king is the biological son of the father and the emperor, so you are not afraid that the father emperor knows the anger and directly abolishes you!" .

He did not believe that Chu Liuyu was not afraid.

No matter how you say, it is also the biological son of the father, and is also the only biological son. Is n't Chu Liuyu afraid that the father will anger him.

"So what?" Chu Liuyu took another two steps forward, beside him was the blood from the guards around Chu Liuyu, some of which also splashed on his handsome face, which made his face look kind of overcast He's so sly, all the negative feelings appear on his handsome face.

It was a ghostly cold.

That's not the feeling one can have.

"She's dead, you don't have to live!" Chu Liuyu said slowly, but Chu Liuyu, who was nearby, could clearly hear it, and her heart shuddered loudly, "Qin

Wan is as bad as himself The death of the prince is not the fault of the king. It is hard for her to kill the prince, and she can survive well! "

"Chu Liuyu, what if you said yes?" Chu Liuyu stood in front of Chu Liuyu, her eyes were dreary, her thin lips were raised, her voice was dumb, "If you are like this, you are dead. A hundred times, he can't bear his life. Chu Liuyu, you have to pray for your death, so that you may suffer less! "

"Chu Liuyu, you are presumptuous ... I ... I am the father's son, you nephew, you will never think that the father is really assured of you!" Chu Liuyu's lips narrowed, he regretted, He regretted how he obeyed Shao Yanru's words in the first place, and actually thought that Shao Yanru's words were reasonable, and actually killed Qin Wanru.

The woman was so beautiful that he was so impressed that she would have accepted her even after thinking that she was done.

However, Shao Yanru said that she heard their secrets and said she would say it. In this case, he had to order to kill her for the great cause. Of course, the punishment of Shao Yanru was also the meaning of Shao Yanru. For his part, he just did what he should do.

Even if I heard that Chu Liuyu was different to this woman, what happened, so many beauties in the palace died.

He's right.

"Pro-son?" Chu Liuyu fell coldly like ghostly eyes on Chu Liuyu's face. "The emperor didn't tell you, even if you die, he doesn't lack his own son."

"You ... what do you mean?" Chu Liuyu said anxiously, and now he relied on the identity of this pro-son.

"It's not interesting, compared to my pro-son, your pro-son, even if it's dead?" Chu Liuyu murmured in a somber murmur, taunting his lips.

"You ... you are the son of the father emperor?" Chu Liuyu's feet softened, and his heart suddenly opened up. No wonder the father emperor would be so partial and would pass the throne to Chu Liuyu.

Before, I guessed with the curtain fans, but felt it was impossible. Now Chu Liuzhen unveiled this last veil, but made him understand instantly.

But it also made him desperate, he was actually not the last son of the emperor.

Chu Liuyu's hand was pressed against the soft sword on his waist. When he pressed the dark spring, the soft sword shot, and he stabbed Chu Liuyu's chest without hesitation.

Chu Liuyu stepped back, avoiding Chu Liuyu's sword, and said loudly: "Chu Liuyu, it is Shao Yanru, it is Shao Yanru who let me kill Qin Wanru, I ... I know her a secret ..."

He's scared!

This secret was found occasionally when Shao Yanru had been dealing with Qin Wanru. Shao Yanru was always good in the palace, but she always dealt with the female painter who was nothing. It was really suspicious.

Chu Liuyu was cautious, so he specially sent someone to investigate, and even found Jiangzhou, and later found Shao Wanru's secret in the world.

It is actually the blood of the former son of Xingguo Gong. It is no wonder that Shao Yanru has killed her life. Although he is also interested in this woman, he will not lose the support of Xingguo because of this. Chu Liuyu is not very proud, but he must have been a minister, and he had a lot of cards in his hand.

The sword flashed a cold light, and came over again, this time Chu Liuyu did not avoid, when the chest into the sword, the tingling was extremely painful, but not too deep.

"Don't you just want to die like this? How could Gu Si make you die so easily!" The grinning joke seemed to come from Ghost Prison, revealing the chilling bloodthirsty, and finally those pairs of cold eyes A wave, but it seemed crazy.

"You ... you are crazy ... Chu Liuyu, you are crazy, you are not the emperor now, how can you ..." Chu Liuyu fell to the ground, covering his chest with one hand, blood poured out, dyed There were also Chu Liuyu who had wet his placket.

"Don't I dare!" Chu Liuyu reached over and put one hand on Chu Liuyu's neck. The madness in his eyes choked Chu Liuyu. He didn't want to provoke this

lunatic at all. This is a real lunatic. In this way, he would rather not have Shao Jing's support, he could even make Shao Yanru a thousand swords.

"Three ... three brothers, I ... I have a secret ..." Chu Liuyu pushed the hand of Chu Liuyu vigorously. The sick sister-in-law's strength was so strong, and the pain was breathless in his throat, struggling. It is difficult to eliminate, the chest injury is not so painful, the most uncomfortable right now is this feeling of suffocation.

"You will die, Shao Yanru will also die ..." Looking at Chu Liuyu's deformed face, Chu Liuyu smiled, and the smile was very gentle. At this time, in Chu Liuyu's eyes, he seemed to be from Hell. Ghost.

He felt like he was going to die ...

Suddenly, Chu Liuyu pushed away Chu Liuyu, and said, "Take people, go to the palace!"

The people around Chu Liuyu had already lost their lives, and no one was protecting Chu Liuyu at this time, came over to a guard, dragged him like a dead dog, and followed behind Chu Liuyu.

Chu Liuyu slowly eased from suffocation, and was dragged forward, but he was weak with his hands and feet. He could only drag the guard forward, and the blood trails continued along the way.

"His Royal Highness, Your Highness, I do n't know what the King of Kings did wrong, why did you treat him this way!" De Fei did not know where to get the news, and saw her son being dragged to the ground so terribly, and rushed up to stop him Chuluo said.

"You're so annoying!" Chu Liuyu reached out with a sword and crossed her chest. De Fei's original curse was still in her mouth, and she had been stabbed. She leaned back, fell back a few steps, and fell on

The ground was instantly out of breath.

Everyone was horrified, and the eunuchs and maids who followed De Fei were frightened and fell to the ground, their hands and feet convulsed, and they couldn't speak.

It was De Fei, who was now the highest-ranking De Fei in the palace without a word, and was killed.

"Chu Liuyu!" Chu Liuyu hissed, his fiercely braced hand was about to get up, his hand was stabbed by a sword, and his hand was tender and fell to the ground.

"Chu Liuyu, you dare to kill your mother-in-law, I won't let you go." Chu Liu screamed harshly, but with some fear in her eyes.

Is Chu Liuyu really crazy? How dare he do it.

"I'm crazy, so Chu Liuyu, you go to hell!" Chu Liuyu said indifferently, with a calm tone, as if he didn't know that he had killed De Fei, and surrounded his sword again. To the waist.

The blood was smeared on the corners of his clothes, reflecting the whole blood of his ghostly bloodthirsty.

"Chu Liuyu ..." Chu Liuyu's voice sounded like crying and shouting, "You will be punished, you will be utterly stunned ..."

"Before I go to hell, I will definitely pull you all together." Chu Liuyu smiled, and his lips ticked.

Reflecting the blood on the ground, even the guards in the palace were used to life and death. At this time, they couldn't help lowering their heads and daring to look directly. The blood was diffused, and even the breath was thick with blood. gas.

Your Highness is crazy, Your Highness is really crazy ...

When Chu Liuyu was dragged in front of the emperor, there was only one last breath left. All the way through, he struggled so much that he was chopped off the muscles of his hands and feet.

Looking at the eldest son who was struggling in front of the bed, the emperor was angry and slammed the edge of the bed severely, and he was going to blame, but he froze when he saw the cold and cold eyes of Chu Liuyu.

This son was born of the most guilty and the most beloved woman. Even if his health is slightly bad, he is willing to pass the throne to him, but what is the situation now?

"Oh, you ..."

The emperor said here that he couldn't get up and down in one breath. He only extended his finger to Chuluoyu. He wanted Chuluoyu to be released. He doesn't have many sons at the moment. There are just two of them. Phase residual.

His eyes rolled and fainted. Chu Liuyu summoned the doctors for treatment. He pulled Chu Liuyu back to the side and looked indifferently in front of him.

In his whole life, his emotions were weak, and he arrogantly abandoned himself since he was a child. Only when he met Qin Wanru did he feel that a trace of warmth could appear in his life. Now this last trace of warmth has been shrouded in darkness, and his life is no longer bright. , So why care about other people.

The queen queen died, Lan Fei died, and now the gentle woman died, and now he would not care about everything, looked at the emperor who was still in the rescue, Chu Liu's eyes turned cold, and the dying Chu Liuyu threw it at the guard, and said coldly, "The King of Kings intended to murder the orphan, and has already vowed! He ordered the King of Kings' house to be cut!"

He wouldn't let Chu Liuyu die like this. The woman was crying in pain for this, and he wanted a million times retribution on him ...

The black eyes hang down, there is no light in the eyes, but there is a trace of blood, strange and crazy!

He has always been ruthless, and all the few feelings have given to the weak woman, and now there is no trace of extra feelings left. He heard that there is a small state-owned witchcraft. In the past, he was unbelieving, but now he believes ...
