

Mr Gu 751

## Chapter 751 Confession

Gu Zhou's breathing was a little erratic. His hot breath circulated around Qiao Nian's neck, and her body tensed up involuntarily. She couldn't take it anymore and said, "Gu Zhou, why don't you..."

"Nian'er..."

Gu Zhou interrupted Qiao Nian again. Just as Qiao Nian was looking at him in surprise, he said, "I think I've really fallen for you."

His voice was low and hoarse, with a hint of haziness. He was like a flower in the moonlight, so beautiful that no one dared to touch him.

Qiao Nian was stunned. She had never expected Gu Zhou to say such a thing.

Gu Zhou had actually confessed to her?

This...

How was this possible?

Just as Qiao Nian was feeling puzzled, she inadvertently met Gu Zhou's dark eyes.

They were very close. She could clearly see every eyelash of Gu Zhou's, and she could feel his breath.

Gu Zhou's gaze gradually moved down, finally landing on Qiao Nian's slightly swollen lips.

At the thought of the kiss just now, Gu Zhou's eyes darkened. He said again, "I'm serious."

Qiao Nian looked shocked.

"You'll always be Mrs. Gu. No one in this world can threaten your status. Even Xiao Qi's biological mother can't threaten your status." Gu Zhou enunciated each word clearly.

Qiao Nian's heart was beating wildly, as if it would jump out of her chest in the next moment. She looked at Gu Zhou in disbelief.

After a long while, Qiao Nian tried hard to calm herself down and asked, "Are... are you confessing your love for me?"

Gu Zhou narrowed his phoenix-like eyes, which seemed to contain a sea of stars. He asked, "Was I not obvious enough?"

Qiao Nian looked into his starry eyes, and her breathing quickened uncontrollably.

At the thought of what Gu Zhou had just done to her, a numbing feeling spread from her spine to all the blood in her body. She felt as if she was in a boiler.

Gu Zhou raised his hand and touched Qiao Nian's cheek, rubbing his thumb gently. He stared unblinkingly at Qiao Nian. "You're my wife, my only lover in this life. No matter what happens, you can't leave me!"

His eyes gradually hardened, and there was a hint of a threat in his words.

Qiao Nian felt her heart beating faster and faster. It was as if millions of fireworks had exploded in her mind. She was stunned, not knowing how to speak to him.

This was the first time she had seen the domineering and stubborn Gu Zhou.

Although he was very domineering, she did not dislike him at all. Instead, she felt like she was dreaming.

She still remembered that when she first opened the paternity test document and found out that Gu Zhou and Gu Qi were father and son, she was stunned.

At that moment, she felt that Gu Zhou had lied to her.

From another perspective, to Gu Zhou, Gu Qi was his descendant, and she was just an outsider.

Qiao Nian recalled Gu Zhou telling her that he wanted to bring Xiao Qi over.

At that time, she had asked Gu Zhou.

“If I had said no just now, what would you have done?”

She still remembered Gu Zhou’s gaze back then. His eyes were cold, without a trace of warmth.

“Then I can only ask you to leave this place.”

At that time, Qiao Nian was still thinking that Gu Zhou was really not bad as a godfather. He actually took such good care of Gu Qi.

Now she understood.

Between her and Gu Qi, Gu Zhou would only choose Gu Qi.

She liked Gu Qi a lot, but Gu Zhou’s words made her worry.

She didn’t know if Gu Zhou had confessed his love for her because he liked her, or if it was because Gu Zhou only wanted her to be Gu Qi’s mother.

At the thought of this, Qiao Nian felt as if a bucket of cold water had been poured over her head.

Her entire body turned cold.

Qiao Nian pursed her lips slightly and said, “You’re hurting me.”

Gu Zhou sat up, but he didn’t leave Qiao Nian. Instead, he stayed by her side.

Qiao Nian sat up and silently took a few steps back. Just as she was about to distance herself from Gu Zhou, Gu Zhou unexpectedly picked her up.

He even placed her on his lap.

Chapter 752 Why Do You Like Me?

Qiao Nian sat on Gu Zhou’s lap. Although she was wearing clothes, she could still feel the scorching heat of his body.

"I-I want to sit on the sofa." Qiao Nian struggled to get off Gu Zhou.

However, just as she moved, she noticed that Gu Zhou had used his hand to completely restrain her waist.

She could feel Gu Zhou's hand on her waist. His palm was burning hot, making her blush.

"Gu Zhou." Qiao Nian looked up at him and enunciated each word clearly. "Why do you like me?"

Was it because I'm your doctor? Or because Gu Qi likes me?

Qiao Nian couldn't ask the remaining two sentences directly, so she could only ask vaguely. She looked at Gu Zhou calmly with her brows furrowed.

When Gu Zhou heard Qiao Nian's question, his lips curved up slightly. His sexy Adam's apple bobbed as he asked, "Do I need a reason to like someone?"

Qiao Nian was speechless.

Silently, Qiao Nian pushed Gu Zhou's hand away from her waist and asked, "Then how long have you liked me?"

If Gu Zhou said that he liked her before Gu Qi came to the Gu family, it meant that Gu Zhou really liked her.

On the contrary, it meant that Gu Zhou liked her because of Gu Qi.

"It has been a long time."

Qiao Nian frowned slightly and asked, "How long is a long time?"

Gu Zhou raised his index finger and gently placed it on Qiao Nian's face.

The skin on her face was very tender and smooth, and it felt especially comfortable to the touch.

Gu Zhou's lips curved up slightly as he continued, "After I bit your face."

Qiao Nian was even more confused. Why hadn't she known that Gu Zhou had bitten her face?

Could it be that she also had a split personality? Could it be that she had long flirted with Gu Zhou?

However, Gu Zhou didn't answer this question. He skipped the topic and looked at Qiao Nian seriously. "Then are you willing to accept Xiao Qi?"

Qiao Nian got off Gu Zhou and sat down on the sofa on the other side. Thinking of Gu Qi's mother, she asked solemnly, "But you still haven't told me who Gu Qi's biological mother is. What characteristics does she have?"

She really wanted to help Gu Qi find her biological mother.

She could understand Gu Qi's feelings very well. Every child wanted to grow up safely and happily by their parents' side.

The light in Gu Zhou's eyes dimmed. He didn't want to discuss this matter with Qiao Nian at all. However, since he had already chosen to confess, he didn't want to continue hiding it.

"Actually, I don't know what characteristics she has either."

Qiao Nian couldn't believe what she was hearing. Was Gu Zhou joking?

How could he not know what Xiao Qi's mother was like?

A trace of dissatisfaction flashed in Qiao Nian's eyes. Then, she said seriously, "You and her created Xiao Qi. How can you not know what characteristics she has?"

"Actually, at that time, I was schemed against. I was delirious, and that was what happened," Gu Zhou said uncomfortably.

"Could it be that Xiao Qi's mother plotted against you on purpose?" Qiao Nian asked.

"No, at that time, she was also schemed against." Gu Zhou looked at Qiao Nian with a burning gaze, worried that Qiao Nian would be angry. However, he still added, "In the end, I've let her down."

Qiao Nian narrowed her eyes at Gu Zhou. She pursed her lips tightly and said nothing.

From Gu Zhou's words, she could tell that he was defending Gu Qi's biological mother.

She had a vague feeling that in Gu Zhou's heart, Gu Qi's biological mother was very important. No one could blaspheme or insult her.

However, from Gu Zhou's words, Qiao Nian could tell that Gu Zhou and Gu Qi's biological mother had only met once.

Qiao Nian looked at Gu Zhou calmly.

The past had already happened, and it couldn't be changed. There was no need to dwell on it.

All she had to do was look to the future.

As for whether she would feel uncomfortable?

She did not feel uncomfortable at all.

However, she felt that it was a pity.

If Gu Qi's mother had not disappeared, the family of three might have been reunited long ago.

Chapter 753 No

"Then do you remember her face?" Qiao Nian asked.

When Gu Zhou heard Qiao Nian's question, he slowly closed his eyes and tried his best to recall the situation back then.

What he remembered most clearly was that she was very afraid and terrified. Her body kept trembling, as if she was terrified.

He could still smell the jasmine on her. That smell was not pungent at all. Instead, it smelled a little good.

It was so dark there that he couldn't see her face at all.

After that incident, Gu Zhou went to investigate the girl. In the end, he found a thin young lady lying on the operating table.

She was covered in blood.

Gu Qi, who had just been born, was lying beside her.

Gu Zhou's expression grew more and more serious. His brows furrowed deeper and deeper, and his breathing grew more and more erratic.

He had initially thought that the girl was Gu Qi's mother, but later on, he realized that he had misunderstood. Gu Qi's mother was someone else.

"I remember her saying that she's only eighteen..." Gu Zhou's voice trembled.

When Qiao Nian heard Gu Zhou's words, her expression faltered slightly.

She recalled that night five years ago when she was pressed under a man. At that time, she was extremely afraid. She wanted to escape, but she was imprisoned and could not.

"I'm just eighteen. Please, let me go... let me go. I'll give you money. I'll give you as much as you want."

At the thought of this, Qiao Nian couldn't help but shiver. She looked down and saw that the goosebumps on her arms had risen.

She could imagine how helpless and painful Gu Qi's biological mother had been back then.

"She was very afraid of me, and her words were incoherent..." Gu Zhou recalled what had happened that night. Emotions surged in his eyes, and he blamed himself very much. "I've let her down in that matter. I wanted to take responsibility and marry her, but I couldn't find her..."

When Qiao Nian heard his words, she felt a little uncomfortable, but she quickly calmed down.

Gu Zhou and that girl were just pitiful people who had been schemed against. Actually, that girl was the most pitiful. Her innocence had been ruined for no reason, and she had even given birth to a child. She could not even be with her own child.

She sat down next to Gu Zhou and reached out to hold his hand, as if to calm his uneasy emotions. "If you really can't remember, then don't think about it. We can take our time searching. I think she's also looking for Xiao Qi, because no mother will give up searching for her child."

When Gu Zhou heard Qiao Nian's words, he grabbed her hand. His grip was strong, as if he was worried that Qiao Nian would leave him.

Qiao Nian frowned imperceptibly and comforted him. "Since you can't remember, don't think about it anymore."

"Nian Nian."

“Huh?” Qiao Nian’s expression faltered. Could it be that Gu Zhou’s personality had already changed? Was he now Zhou Zhou?

With this thought in mind, Qiao Nian inadvertently met Gu Zhou’s frightened and uneasy expression. Her voice was helpless. “I once hurt... hurt someone, but I can’t remember anything. Nian Nian!”

Qiao Nian met Gu Zhou’s pure gaze and was completely certain of her guess.

She sighed slightly and called out softly, “Zhou Zhou?”

He looked up at Qiao Nian, his eyes filled with sorrow. “Nian Nian, I’ve become a bad child. I’m so sad!”

He spoke helplessly, as if he was trying hard to remember who he had hurt, but he couldn’t remember.

Seeing Gu Zhou like this, Qiao Nian completely understood. It seemed that Zhou Zhou had come out.

Could it be that in Gu Zhou’s subconscious mind, he felt that he was the unnecessary one, the unloved one, and the abandoned one?

Qiao Nian recalled Gu Zhou’s birth and his childhood. Perhaps that experience had created Zhou Zhou.

She looked at Gu Zhou with heartache and involuntarily hugged him.

When one was at their worst, perhaps what one needed the most was a hug.

Qiao Nian patted his back gently and comforted him in a low voice. “Zhou Zhou, everything in the past is in the past. Don’t think about what you can’t remember anymore. I’ve also encountered many things, and I can’t remember those things either. Therefore, sometimes, it’s normal for people to not be able to remember the past.”

Chapter 754 Will You Not Want Zhou Zhou?

Gu Zhou reached out and hugged Qiao Nian. Sensing the warmth from Qiao Nian, his uneasiness gradually dissipated, leaving only peace in his heart.

After a long while, he looked up at Qiao Nian. There were still tears on his long eyelashes, and his voice was a little nasal. “Nian Nian, will you leave Zhou Zhou behind in the future too? Will you not want Zhou Zhou?”

Also...

Qiao Nian recalled that Gu Zhou had been born to be a medicinal source. His parents didn’t really like him.

Who would want to experience such a life?

It wasn’t just once.

Even the strongest person would probably feel helpless and in pain.

She recalled how Gu Zhou had driven many tanks to look for her in MY.

At that time, he was standing on a tank. The breeze blew his windbreaker, and he looked extremely handsome.

In her heart, she had never expected Gu Zhou to have such a fragile side.

If Matriarch Gu had not said so, she would never have dared to imagine how bitter his life had been in the past.

As long as Gu Zhou was afraid, sad, or felt that he was about to be abandoned, Zhou Zhou would appear.

At this moment, Gu Zhou didn't hear Qiao Nian's words. After a long while, he said, "If Nian Nian really doesn't want Zhou Zhou, can Nian Nian leave secretly? Not in front of Zhou Zhou, okay?"

Qiao Nian really couldn't bear to part with him. If Gu Qi was the child of Gu Zhou and the child he had once loved, she might have held a grudge, but Gu Qi had only been schemed against. Gu Zhou wasn't to blame for this, nor was Gu Qi's mother. Those who schemed against them were the ones who should be blamed.

How could she bear to blame Gu Zhou for someone else's mistake?

Qiao Nian pursed her lips and said, "No, Nian Nian will accompany Zhou Zhou. She won't leave."

Even if she had to leave in the future, she had to treat Gu Zhou's illness.

"Really?" He stared unblinkingly at Qiao Nian.

Qiao Nian nodded. "Really. I won't lie to you."

Gu Zhou looked at Qiao Nian and gently rested his head on her shoulder. Gradually, he fell asleep.

Although he didn't want to sleep and didn't want Qiao Nian to leave him, he was too sleepy now. He couldn't open his eyes no matter what.

Qiao Nian gently patted his back. Seeing that he had fallen asleep, she placed him on the sofa.

She pulled a small blanket over and covered him with it.

Qiao Nian sat at the side and looked at him, still frowning in his sleep. It was as if he was having a nightmare.

Qiao Nian patted his body gently and comforted him. "Zhou Zhou, sleep. Don't worry. I'll stay here with you."

In his sleep, Gu Zhou seemed to have heard Qiao Nian's voice. His brow gradually relaxed, and his breathing became long and even.

Seeing this, Qiao Nian knew that Gu Zhou had already fallen asleep.

Qiao Nian slowly retracted her hand, staring unblinkingly at Gu Zhou.

...

At this moment.

Gu Qi was playing games alone in his room. Just as he finished one round, a message suddenly jumped out.

“Brother Xiao Qi!”

When Gu Qi saw these words, his lips curved up slightly. He seemed to have thought of something and sent a message. “Yes!”

“Brother Xiao Qi, can I look for you? I want to see you!”

When Gu Qi saw this, he hesitated for a moment before sending a message.

“How will you come to find me?”

“I’ve been working hard to save money. Now that I’ve saved enough, I can buy a bus ticket and take a taxi to look for you!”

Gu Qi’s frown deepened. His grip on the phone tightened involuntarily. “You’re still so young. You can’t go far alone.”

“Brother Xiao Qi, you don’t have to worry about me. I just wanted to ask if you were willing to see me.”

Xiao Qi’s eyes gradually became firm. “I am!”

The other party immediately sent a happy emoji. After saying goodbye, he went offline.

Gu Qi looked at that person’s profile picture and gradually fell into deep thought.

Gu Qi lowered his gaze slightly. He had known Xiao Shi for a long time. Previously, when he was playing games, he wanted to get first place in the national server. As his level was about the same as hers when he was young, he often bumped into her.

After a while, the two of them became familiar with each other. To be precise, they got to know each other without fighting.

They were all junglers. There was once when Xiao Shi wanted to send a voice message, and she accidentally sent it out.

At that time, he realized that Xiao Shi was about his age.

Chapter 755 Taking Care of Mommy

As they were similar in age, they had many common topics to talk about. Gradually, they became good friends.

She lived in Hai Cheng when she was young. It was close to the sea, and the tourism industry was more developed.

However, he heard from Xiao Shi that because her mother was sick, she had to go out to work to earn money to treat her mother’s illness.

Due to her young age, outsiders often bullied her and deducted her salary.

However, he heard from Xiao Shi that because her mother was sick, she had to go out to work to earn money to treat her mother’s illness.

When she was young, she even said that her mother had a child out of wedlock. She received disdain from everyone and was despised by the neighbors nearby.

When she was young, her greatest dream was to leave Hai Cheng with her mother in the future so that her mother could live an easy and happy life.

At the thought that he would be meeting Xiao Shi soon, Gu Qi couldn't help but feel excited.

At this moment, in Hai Cheng.

Hai Cheng was a city with a large gap between the rich and the poor. The rich were extremely rich, and the poor lived in the slums and worried about food every day.

A young lady with a low ponytail was squatting on the ground, adding firewood to the stove. Her clothes had been washed until they were a little white. This dress had been given to her by her neighbor.

After a long time, the young lady heard the sound of the Chinese medicine in the medicine jar boiling. Only then did she carefully pour the medicine into a bowl.

Carefully, she carried the freshly brewed Chinese medicine towards the bedroom.

Before she reached the bedroom door, a woman coughed. She frowned slightly and quickly walked in.

When the woman sitting in the room heard footsteps, she hurriedly suppressed her coughing and tidied her hair briefly, revealing a pale and beautiful face.

She was only twenty-five years old, but she was extremely beautiful.

She had a fragile beauty, as if she were an exquisite doll that no one dared to touch.

The only bad thing was that she was missing her left arm.

Xiao Shi walked to the bed with the medicine and said softly, "Mommy, the medicine is ready. After you drink it, you'll be fine!"

Song Man tried her best to smile lightly. She looked at Xiao Shi, who had walked up to her.

It had been five years.

When she was young, her eyebrows gradually grew, and she looked more and more like that person.

Her fox-like eyes were slightly smiling, and under her small nose was a small cherry-like mouth. She looked exquisite, like a cute doll in a merchandise shop.

Even though she was wearing old clothes, it couldn't hide her noble aura at all.

Her aura was incompatible with this slum.

Song Man was slightly dazed.

Xiao Shi smiled and reminded her, "Mommy, drink the medicine while it's hot."

When Song Man heard Xiao Shi's words, she took the medicine from her guiltily. Her eyes instantly turned red as she said, "I'm sorry, Xiao Shi. Mommy was incompetent. Mommy..."

“Mommy.” Xiao Shi frowned unhappily and said seriously, “Xiao Shi is no longer a child. Xiao Shi can take good care of Mommy!”

“If Mommy had been in good health, you wouldn’t have to work so hard when you are young. Mommy has been a burden to you.” As Song Man spoke, her eyes grew redder and redder, and tears welled up in her eyes.

When Xiaohou heard Song Man’s words, she took a deep breath and said, “Mommy, I’m already a grown up. I can earn a lot of money. Tomorrow, we’ll go to An City to look for Grandpa. Grandpa and Grandma will definitely be very happy to see you. Then, Mommy’s illness will recover!”

“But...”

“Mommy, take your time drinking the medicine. I’ll go cook.” With that, Xiao Shi walked out.

Song Man watched as Xiao Shi left. When Xiao Shi disappeared from the door, the guilt on her face instantly disappeared, replaced by coldness.

She stood up, her lips curving up in a mocking smile. She walked to the window and poured the medicinal soup out of the bowl.

His eyes were as cold as ice, and his lips were filled with disdain.

Great.

She could finally leave this place.

Her good days were yet to come!

Chapter 756 Brother Xiao Qi

When Xiao Shi brought in the food, she heaved a sigh of relief when she noticed that the bowl beside Song Man’s hand was empty.

As long as Mommy took her medicine on time, she would definitely recover.

When she was young, she brought the food to the bed and placed it beside her mommy. Like an adult, she instructed, “Mommy, I’ve already prepared dinner. I’ll leave half a month’s worth of food for you. I’ve also discussed it with Grandma Zhang next door. During this period of time, she’ll bring you food every day. I’ll definitely come back early!”

When Song Man heard Xiao Shi’s words, a faint smile appeared on her face. She waved at Xiao Shi, indicating for her to sit by the bed. “Come here!”

“Mommy.”

Xiao Shi walked to the bed and sat with her feet hanging, looking at Song Man obediently.

Song Man’s eyes were filled with gentleness and doting. She sat up straight, took the comb from beside the pillow, and began to comb Xiao Shi’s hair.

Although she usually combed her own hair when she was young, her hair was always messy.

Song Man saw everything, but she did not want to say anything.

“Xiao Shi, the outside world is very dangerous, and there are many bad people. You must not be deceived by others, and you have to pretend to be a boy. That way, you won’t be bullied, understand?”

Although Mommy didn’t explain everything clearly, she understood everything when she was young.

After living in Hai Cheng for five years, she had long known what society was like.

There were few good people and many bad people. If one was not careful, they would be deceived.

Xiao Shi nodded solemnly and said, “Mommy, don’t worry. I’ll definitely be able to protect myself.”

“Also...” At this point, Song Man paused slightly. Her voice was a little choked as she continued, “If you can live well there, don’t come back!”

“No, I want Mommy there with me. Wherever Mommy is, I’ll be there!” When Xiao Shi said this, she felt even sadder. “If there wasn’t Xiao Shi, Mommy would definitely be happier, but Mommy stayed here for Xiao Shi. Xiao Shi would never leave Mommy behind!”

When Song Man heard Xiao Shi’s words, she was a little moved. With tears in her eyes, she couldn’t help but hug Xiao Shi in her arms. Her voice was a little choked. “Xiao Shi!”

Xiao Shi stiffened slightly. In an instant, she felt a warm current envelop her. This was the first time she had felt her mommy’s embrace.

Ever since she could remember, her mommy could only lie in bed because she was sick. It was precisely because of this that her mommy rarely hugged her.

But now, Mommy’s illness was getting worse and worse, and it could not be delayed any longer.

Xiao Shi sat up straight and looked at Song Man firmly. “Mommy, I bought a train ticket for this afternoon. This trip to An City might take a long time. Take good care of yourself at home.”

Song Man nodded.

Xiao Shi looked at Song Man reluctantly, then got out of bed and picked up her school bag from the stool.

Not only was there a change of clothes in her school bag, but there was also a photo of Song Man. She carried her school bag and waved at Song Man before walking out.

Song Man watched as Xiao Shi left, her expression becoming more and more complicated.

She still remembered when Xiao Shi first learned how to speak when she was young. At that time, she was still depressed, but when she heard her soft little voice call her “Mommy” when she was young, her entire heart softened.

Song Man’s eyes grew redder and redder. It had been five years. She had stayed in this dirty place for five years. Her life had almost been ruined.

She no longer wanted anyone else to control her life. She wanted to control everything about her. She wanted freedom, status, and money.

For this, she would definitely do anything.

...

An City.

The autumn morning was very cold. There were few leaves on the tree, indicating that winter was coming.

After Gu Qi recovered, he was sent to school by the driver.

Gu Qi stood at the school gate with his small school bag. He watched as the driver left. Only then did he run in the other direction.

He ran to the side of the road, took out his phone, and hurriedly logged into WeChat. He saw the message he had received from Xiao Shi.

“Brother Xiao Qi, I’ve already arrived at the Chinese parasol forest in An City’s Chang’an District!”

“Brother Xiao Qi, my phone is running out of battery!”

“Brother Xiao Qi, I’ll wait for you!”

Chapter 757 Meeting an Online Friend

Gu Qi’s face instantly darkened. The latest message was an hour ago. He got into the car with a worried expression.

As soon as he got into the car, he hurriedly told the driver the address and looked worriedly at the scenery outside the window.

Gu Qi was very nervous.

This was the first time he was meeting an online friend.

Xiao Shi was also his first good friend.

It was precisely because he was going to meet a good friend that he was so nervous.

About twenty minutes later, the driver stopped the car by the side of the road and turned to look at Gu Qi. “Little kid, this is the parasol forest you mentioned!”

Gu Qi took out his phone and scanned the payment code of the driver’s phone. After paying, he got out of the car.

Parasol Tree Forest Street was a four-lane asphalt road. Parasol trees were planted on both sides of the road. When a gust of wind blew, yellow leaves fell with the wind, and the ground seemed to be covered in a layer of gold.

Not far away, the lake water was sparkling.

Gu Qi looked around and his gaze landed on the seat beside a sycamore tree beside the lake.

There was a child sitting in the seat.

The child's back was facing the sunlight from the lake. She seemed to be wrapped in a dazzling light, making it impossible to see her appearance clearly.

A trace of confusion flashed in Gu Qi's eyes. He walked towards the seat. When he was about to reach it, he called out tentatively, "Xiao Shi."

When the child heard his voice, she immediately looked up. "Brother Xiao Qi..."

The child had just called out as she sat there in a daze.

Gu Qi walked forward and finally saw what she looked like.

He stood rooted to the ground in a daze, staring at Xiao Xian in disbelief.

He had never expected that there would be someone who looked exactly the same as him in this world.

When he stood in front of Xiao Shi, it was as if he was looking in a mirror. The only difference was their clothes.

For a moment, Gu Qi was so shocked that he couldn't speak.

How was this possible?

Xiao Shi, who was standing opposite Gu Qi, couldn't believe that she looked exactly like Gu Qi.

"Brother Xiao Qi, are you my biological brother?" Xiao Shi looked at Gu Qi in surprise and asked in confusion.

From a young age, only family members would look alike.

Actually, Gu Qi didn't know if he and Xiao Shi were family. His eyes darted around as if he had thought of something. He grabbed Xiao Shi's hand and asked anxiously and excitedly, "Do you live with your mommy?"

Xiao Shi nodded quickly and asked expectantly, "Brother Xiao Qi, are you living with Daddy?"

When Gu Qi heard Xiao Shi's words, his eyes lit up.

He had always wanted to find his mommy, but he did not expect happiness to come so suddenly.

He looked at Xiao Shi enviously. How happy was it to be able to live with his mommy? He wanted to live with his mommy since he was young!

Xiao Shi also looked at Gu Qi enviously. It was such a wonderful thing to be able to live with her father. That way, she could be well protected by her father.

Xiao Shi looked up at Gu Qi and asked expectantly, "Brother Xiao Qi, what kind of person is Daddy?"

In the past, when she was in Hai Cheng, she often fantasized that her father would find her and bring her and Mommy home.

Her imaginary father was tall, big, and especially gentle. He would even give her a sweet smile and buy her candy. She would be the happiest child around the house.

When Gu Qi heard Xiao Shi's words, he thought about it carefully and said, "Daddy is a very good person. He takes good care of me and will protect me!"

Xiao Shi's eyes lit up. Her father was exactly as she had imagined. She was a little glad that she had met Brother Gu Qi this time because she had also found her father and her brother.

Gu Qi looked at the smile on his face when he was young. He thought for a while and said again, "But Daddy is usually very busy."

When Xiao Shi heard Gu Qi's words, she nodded and said, "Brother Xiao Qi, Daddy must be so busy to earn money to support you!"

"How's Mommy now?" Gu Qi asked expectantly as he pulled Xiao Shi to a seat.

Chapter 758 Want to See Mommy

"Mommy is doing very well now. I came to An City this time to look for Grandpa and Grandma. When I find them, I can bring Mommy over!" Xiao Shi sat there obediently and gave a sweet smile.

"Why didn't Mommy come with you this time?" Gu Qi was still very vigilant. In his opinion, it was very dangerous for a child to go out alone.

He was not sure if his younger brother would encounter bad people and be bullied by them.

"Mommy still has something to do at home and can't come yet." Xiao Shi didn't mention that her mommy was sick. She didn't want Brother Xiao Qi to worry about her, and it wouldn't be long before her mommy came to An City. "Brother Xiao Qi, where have you been all these years? My mommy has been looking for you too. Mommy often says that she misses you, and I've always missed Brother!"

Gu Qi's heart skipped a beat, and his eyes lit up.

Xiao Shi's words were like a beam of light, illuminating Gu Qi's lonely and dark heart.

He had always thought that his mommy didn't want him.

Gu Qi hesitated for a moment and asked again, "Are you looking for me?"

Xiao Shi nodded vigorously, sniffled, and said with a sobbing tone, "Sometimes, I'll be woken up by Mommy's cries in the middle of the night. When I ask Mommy, she says that she's thinking about you. Mommy and I searched all over Hai Cheng, but we couldn't find Brother Xiao Qi."

"Back then, I asked Mommy why Brother wasn't around. Mommy said that after she gave birth to us, she was really too tired and fainted. She didn't know who took Brother Xiao Qi away!"

At this point, Xiao Shi lowered her head guiltily. "It's just that we're too poor. If we had money, we could post more missing persons posters. That way, Brother Xiao Qi and I could meet sooner!"

Gu Qi's uneasy heart gradually calmed down.

He was not a child abandoned by his mommy.

His mommy was also alive in this world.

His mommy had been thinking about him in another place.

He was also someone who had his mommy's love.

Gu Qi tried hard to suppress the emotions in his heart and hurriedly asked, "Is Mommy in Hai Cheng now? How is she doing now? I heard that life will be very difficult without money."

Xiao Shi hesitated for a moment. She didn't want Brother Xiao Qi to worry about Mommy's condition.

"Brother Xiao Qi, don't worry. I've been taking good care of Mommy during this period of time. Mommy misses you very much."

Gu Qi couldn't wait to see his mommy. He asked, "Xiao Cheng, can we go look for Mommy now? I want to see her and bring her back now!"

"Brother Xiao Qi, I just told you that we have to find Grandpa and Grandma first. Then, we'll bring Grandpa and Grandma to pick her up. At that time, Mommy will definitely be happier when she sees Grandpa, Grandma and Brother!" she said like a little adult.

Gu Qi thought for a while and finally nodded.

She was right.

If he went to find Mommy with his grandparents, Mommy would definitely be happier.

Xiao Shi retracted her hand slightly and placed her hands on her knees. She grabbed her pants uneasily. "Brother Xiao Qi, is Daddy in An City now?"

Her words pulled Gu Qi back from the joy of seeing his mommy.

Only then did Gu Qi realize that his father had never mentioned about Xiao Shi to him since he was young.

Was it because her father had never known about Xiao Shi, or because he didn't like her?

Gu Qi was very worried. If he brought his younger brother to his father now, what if his father was unhappy and frightened his younger brother?

It seemed that he had to probe in advance.

"Xiao Shi, I want to give Dad a surprise too!" Gu Qi looked at Xiao Xian happily and asked, "What do you think?"

Xiao Shi's eyes lit up. She nodded vigorously.

"It's getting late. Are you hungry? Why don't we go eat first, then discuss how to surprise Dad?" Gu Qi coaxed her like he was coaxing a child.

Chapter 759 I Only Want Xiao Shi

"Okay!" Xiao Shi did not think too much about it and hurriedly nodded.

In her childhood, her father would definitely miss her and Mommy at night.

The two little ones walked side by side towards the roadside. Xiao Shi's gaze landed on Gu Qi's right hand.

She recalled that Brother Da Hai from next door often held his sister's hand. At that time, she was especially envious of Bell.

She also wanted to walk hand in hand with her brother.

Xiao Shi tilted her head to look at her brother and asked, "Brother Xiao Qi, can you hold my hand and walk with me?"

Gu Qi's heart couldn't help but race. He smiled brightly at Xiao Qi and looked down to see Xiao Qi's hand reaching over. His ears were red as he held Xiao Qi's hand.

He was very nervous, and his grip on Xiao Shi tightened involuntarily.

Xiao Qi kept her head lowered, her eyes filled with struggle. After a long time, she asked, "Brother Xiao Qi, do you want a younger brother or a younger sister?"

Without thinking, Gu Qi said, "I just want Xiao Shi."

When she heard Gu Qi's words, she couldn't help but laugh.

Her brother was as gentle as Brother Da Hai.

She would also be as happy as him and have her brother's love.

When they walked to the side of the road, Gu Qi raised his hand and hailed a car. When the car stopped in front of them, Gu Qi opened the door of the back seat and let Xiao Shi sit in first.

Xiao Shi obediently got into the car.

Only then did Gu Qi get in as well. Seeing that Xiao Shi had not fastened her seatbelt, he did not speak. He leaned over and helped Xiao Shi buckle her seatbelt.

Xiao Shi looked down at Gu Qi, as if he was seeing Brother Da Hai tying her shoes with bells again.

"Brother Xiao Qi, you're the best!"

A smile flashed in Gu Qi's eyes. After sitting up straight, he buckled his seatbelt and said to the driver, "Let's go to Dongjiang now!"

Before he moved to the Gu family, he had been living in Dongjiang. After he moved away, that villa became empty. It was just right for Xiao Shi to stay there first.

His heart was in a mess. He didn't know if his father was willing to accept Mommy.

In his opinion, Xiao Shi was his father's child. His father couldn't abandon Xiao Shi.

But Mommy...

However, Gu Qi quickly got over it.

His father seemed to like Auntie Nian Nian more now. His father had even said that he wanted to marry Auntie Nian Nian.

He felt that Auntie Nian Nian would definitely be able to live with Mommy.

Auntie Nian Nian was so good, and so was Mommy. There was no one better than them in this world.

When they arrived at Dongjiang, Gu Qi held Xiao Shi's hand and walked towards the villa.

Gu Qi turned to look at Xiao Shi and said seriously, "Xiao Shi, I'll introduce you to the best auntie in the world later!"

Xiao Shi tilted her head and looked at Gu Qi in confusion, as if she didn't understand what Gu Qi meant.

"Dad isn't in good health. He has a private doctor. I usually call her Auntie Nian Nian!" Gu Qi felt that there were some things that he had to let Xiao Shi know, and he had never thought of hiding it from her. "Dad used to be alone. Now, he's close to Auntie Nian Nian."

Although she was young, she had gone out to work previously and seen many people, so she understood things. She naturally understood what Brother Xiao Qi meant.

Xiao Shi hesitated for a long time before asking, "Then is Dad going to be with Auntie Nian Nian?"

Gu Qi nodded seriously.

Xiao Shi's eyes instantly turned red. She didn't know what to do.

Daddy was with someone else now. What about Mommy?

Previously, she had heard from her mommy that she had been schemed against, which was why she and her brother were born. Although that was the case, she could sense that her mommy liked her daddy a lot.

But Daddy didn't seem to like Mommy.

Perhaps Daddy had already forgotten about Mommy.

When she was young, she often heard from others that once someone had a new lover, he would forget her old love.

Xiao Shi pursed her lips and tried hard to suppress the pain in her heart. "Brother Xiao Qi, I know that Daddy and Mommy have been separated for a long time, and that there's an auntie who can take care of Daddy. I'm very grateful that auntie can take care of him!"

Gu Qi looked at her sad face and asked in confusion, "Why are you sad?"

Chapter 760 Auntie Nian Nian

"I just thought that Daddy and Mommy couldn't be together. We might never be able to live together." Xiao Shi sighed and said like a little adult, "The adults often say that when the fate of husband and wife runs out, they will break up. The fate of Daddy and Mommy has already expired. A melon that's expired won't be sweet. It's better to let nature take its course. Auntie Nian Nian should be a very good person, right? That's why Daddy likes her. You like her too, right?"

Gu Qi nodded seriously and said, "Previously, I thought the same as you. I think with Auntie Nian Nian around, Dad and Mommy can't be together, but not only does Auntie Nian Nian treat me well, but she also protects me. If Auntie Nian Nian stays with Mommy, I think it'll be better!"

Xiao Shi was speechless.

"So don't be sad. When you see Auntie Nian Nian, you'll definitely like her!" Gu Qi clenched his hands tightly and said seriously, "Then Dad will be in charge of earning money, and Auntie Nian Nian and Mommy will be in charge of protecting and taking care of us!"

When he was young, he thought about it seriously. This seemed to be good.

Gu Qi continued, "By the way, I want to tell Auntie Nian Nian about you coming here. When the time comes, I'll get Auntie Nian Nian to arrange for you to meet Dad. However, I don't know if you're willing to meet Auntie Nian Nian."

Xiao Shi naturally trusted her brother's judgment.

She hurriedly nodded and said, "Brother Xiao Qi, I believe Auntie Nian Nian must be a very good person. I'm willing to see her!"

Gu Qi revealed a relaxed smile.

He still remembered that in kindergarten, Auntie Nian Nian had hit that bad teacher for him.

Auntie Nian Nian was the most powerful person in the world. Not only could she protect him, but she would also take care of him.

Gu Qi walked into the villa with Xiao Shi. After closing the door, he took out his phone and called Qiao Nian.

At the Gu family's pharmacy.

Previously, Gu Zhou had not slept well. Qiao Nian wanted to make some calming pills for him. She was preparing medicine in the medicinal room when she heard her phone ring. She stopped what she was doing and took out her phone.

When Qiao Nian saw that the caller ID was Gu Qi, a trace of surprise flashed in her eyes.

"Xiao Qi?" After Qiao Nian picked up the call, she placed the phone to her ear, her voice involuntarily gentle.

"Auntie Nian Nian, can you come to Dongjiang to look for me?"

Gu Qi's serious voice came from the phone.

Qiao Nian was slightly stunned. Only then did she realize that Gu Qi didn't go to school today. Instead, he was at the east villa.

Could something have happened to Gu Qi?

With this thought in mind, Qiao Nian stopped what she was doing and asked anxiously, "Xiao Qi, did something happen again? Don't panic first. Tell me slowly."

“Auntie Nian Nian, come over now. I want to tell you something very important in person!”

“Alright, then wait for me there obediently. I’ll go over now!”

Qiao Nian’s mind was in a mess.

Gu Qi, who was supposed to go to school, suddenly went to the Dongjiang villa.

Gu Qi was very obedient. Something must have happened for him to go to the Dongjiang villa.

Qiao Nian hurriedly took off her apron and walked out. Just as she reached the door of the medicinal room, she saw Gu Zhou walking over.

Gu Zhou’s face was a little sickly pale, but this did not affect his handsome appearance.

He was wearing a bathrobe. The bathrobe was loose, and his strong and perfect chest muscles were faintly discernible.

For some reason, Gu Zhou’s words yesterday lingered in Qiao Nian’s ears. She was even more nervous now.

Qiao Nian lowered her gaze slightly. Remembering that Gu Qi still had something to discuss with her, she hurriedly said, “I’ll go out for a while.”

She passed by Gu Zhou, but he grabbed her arm.

Qiao Nian looked at Gu Zhou in confusion and asked, “What’s wrong?”

“Is it urgent?”

Qiao Nian nodded.

Gu Zhou had just heard from the servants that Qiao Nian was making pills for him. It must be very important for Qiao Nian to leave now.

“Where are you going? Do you want me to send you over?” Gu Zhou asked.

Qiao Nian thought about how Gu Qi had specially called her. It seemed that Gu Qi had no intention of letting Gu Zhou know, so she shook her head and said, “I can go over myself. Why don’t you go upstairs and rest first?”
