

Mr. Gu, Your Replacement Bride Is A Big Shot!

Chapter 687: Nian Nian's Husband

"Yes." Qiao Nian nodded. Actually, she was mainly to blame for this. It had nothing to do with him.

"Then Nian Nian, I'll eat candy next time!"

He looked at Qiao Nian innocently, his eyes filled with obedience.

Qiao Nian almost vomited blood.

Did he even know what kissing meant?

No, he just wanted to eat candy.

With this thought in mind, Qiao Nian said, "Okay, I'll get you a few candies!"

Zhou Zhou shook his head and said seriously, "Feed me candy in the same way as just now!"

1

Qiao Nian was speechless.

She slowly closed her eyes. If she wasn't wrong, Gu Zhou meant to feed him candy by kissing him?

How could he be so smooth?

How could he tell her such a shy thing with such an innocent expression?

Qiao Nian met those ignorant eyes and suppressed her anger. She coaxed softly, "What we're doing is wrong. If you want to eat candy, I'll just give it to you. After all, we shouldn't touch each other!"

"But Nian Nian likes Zhou Zhou's lips a lot!" He looked at Qiao Nian in confusion, tilting his head.

1

Seeing him like this, Qiao Nian's heart began to race. Her gaze inadvertently fell on his lips. Thinking of the kiss just now, her face turned redder and redder. She said awkwardly, "It was just an accident. Don't mind it."

"But I'm Nian Nian's husband. Nian Nian is my wife. The two of us should be together!" He frowned, his eyes filled with confusion.

4

Qiao Nian instantly felt terrible.

What exactly was Zhou Zhou talking about?

He was just one of Gu Zhou's personalities. How did he know that the two of them were married?

Qiao Nian felt that Zhou Zhou wasn't as simple as he had imagined.

"Doesn't Nian Nian want to be with Zhou Zhou forever?" He lowered his eyes slightly and bit his lip. His hands gripped the bathtub tightly as he asked dejectedly.

Qiao Nian felt that he was vividly portraying the words "I pity you".

Seeing Zhou Zhou like this, she really wanted to pounce on him.

Qiao Nian hurriedly threw all the nonsense in her mind to the back of her mind. Just as she was about to speak, she heard him speak sadly.

"So Nian Nian doesn't want to marry me..."

"No, that's not what I meant," Qiao Nian hurriedly said.

"Then Nian Nian really wants to marry me?" Zhou Zhou's eyes sparkled as he looked at Qiao Nian expectantly.

Qiao Nian couldn't refuse. She hurriedly turned around and said coldly, "Alright, get up quickly!"

"Nian Nian, let's sleep together!"

Qiao Nian was about to walk out when she was so frightened by Zhou Zhou's words that she almost fell.

Did he want to pounce on her too?

Just as Qiao Nian was about to speak, she heard Zhou Zhou say, "Zhou Zhou has to hug Nian Nian to sleep. That way, Nian Nian won't be afraid!"

"I'm not afraid to sleep alone!" Suppressing her anger, Qiao Nian turned to look at Zhou Zhou.

"Nian Nian is fierce to me again." Zhou Zhou looked aggrieved, as if he was a little hurt. "So Nian Nian really doesn't like me!"

"No," Qiao Nian said through gritted teeth. She really couldn't bear to see him suffer.

When Zhou Zhou heard Qiao Nian's words, he looked up at her and said happily, "Nian Nian, come and take a bath with me. Don't catch a cold and fall sick again!"

2

Qiao Nian was speechless.

Qiao Nian finally understood that he was her nemesis. In the end, he still wanted her to shower with him.

1

Gu Zhou was really not a simple person. Even though he had a split personality who acted young, it could not change his two-faced nature.

Qiao Nian wasn't afraid of taking a shower with Zhou Zhou, but she was worried that Gu Chuan would come out again.

Of course, if it was Gu Zhou who came out, Gu Zhou would definitely think that she was trying to take advantage of him.

"I'll go out for a while. Wipe yourself clean and go to bed!" Qiao Nian quickly walked out. She couldn't be bothered to stay here any longer.

After Qiao Nian walked out of the bathroom, she walked towards the guest room she was sleeping in.

Chapter 688: Not Noisy

She took a change of clothes into the bathroom, took off her clothes, and walked under the showerhead.

Sensing her approach, the showerhead automatically released warm water.

Qiao Nian stood rooted to the ground, feeling the hot water fall on her head. She slowly closed her eyes, surrounded by warmth. She felt an indescribable sense of security.

Her hand inadvertently slid across her lips, and she recalled that she had taken the initiative to kiss Zhou Zhou just now.

She still seemed to be able to feel the softness of Zhou Zhou's lips.

Her throat moved involuntarily. She hurriedly opened her eyes and tried her best to forget the ambiguous scene in her mind.

Strange, why would someone like Gu Zhou have an inferiority complex in his childhood?

1

Could it be that Gu Zhou had been very insecure when he was young?

Qiao Nian narrowed her eyes slightly. She had to investigate what had happened to Gu Zhou when he was young.

Perhaps after she investigated thoroughly, Gu Zhou's Zhou Zhou personality might fuse with Gu Zhou's.

As Qiao Nian planned, she took a shower. After taking a shower, she wiped her body and walked out. As soon as she opened the bathroom door, she found someone standing there.

Qiao Nian gasped and clutched her chest with one hand. She knew that it was him, but she was still shocked.

It must be the aftereffects of her forcing a kiss on Zhou Zhou. She was feeling guilty!

Qiao Nian glanced at his gray pajamas and slowly looked up. Before she could confirm who he was, she realized that he was taking a step towards her.

At this moment, the two of them were only a foot apart.

This distance made Qiao Nian feel uneasy and oppressed. She silently took a step back and stared unblinkingly into his eyes.

His gaze was extremely deep.

Zhou Zhou's gaze was innocent. In other words, the person standing in front of her was not Zhou Zhou.

Was it Gu Zhou or Gu Chuan?

Qiao Nian was really curious about how his personality had switched.

Qiao Nian's mind raced. As long as she didn't call anyone by their name, it shouldn't be a big deal.

"Why are you here?" Qiao Nian asked, still staring at Gu Zhou.

He looked down at Qiao Nian and asked in a gentle and calm voice, "Are you afraid of me?"

"No." Qiao Nian hurriedly shook her head and said, "I thought you were asleep. I didn't expect you to come over."

"I'm awake." Gu Zhou's expression changed slightly. He remembered sitting in the pavilion previously, but he couldn't remember anything after that. "I heard some movement in your room, so I came over."

Qiao Nian pursed her lips slightly, staring unblinkingly at the man in front of her.

That's right, this was Gu Zhou.

Gu Zhou was usually abstinent, and his voice was calm and steady.

Qiao Nian heaved a sigh of relief. Gu Zhou should have completely forgotten about Zhou Zhou, just like before.

While Qiao Nian was deep in thought, her hand was grabbed.

Qiao Nian gasped and looked up at Gu Zhou. Instinctively, she wanted to pull her hand away, but she was afraid that Gu Zhou would be angry, so she didn't.

The place he was holding was extremely hot. The heat flowed from her wrist to every part of her body. She did not retract her hand, but let Gu Zhou hold her hand.

"Why are you taking a bath here?"

Qiao Nian's heart instantly tightened. Could it be that Gu Zhou had Zhou Zhou's memories?

Or was Gu Zhou just asking casually?

A faint smile appeared on Qiao Nian's face as she casually explained, "At that time, you were asleep. I was worried that I would wake you up, so I came here."

"It's not noisy!"

When Qiao Nian heard Gu Zhou's words, she looked up at him and accidentally met his dark eyes.

There seemed to be a hint of gentleness in his eyes compared to usual.

Strange.

Why had Gu Zhou suddenly become so gentle?

Qiao Nian didn't dare to speak. She could only obediently follow Gu Zhou out.

When she returned to Gu Zhou's room, she noticed that Gu Zhou had closed the door. Her heart began to race.

Qiao Nian asked carefully, "Shouldn't we sleep separately?"

"Huh?"

"Xiao Qi is still at home. If he finds out that we're sleeping together, won't he be unhappy?" As Qiao Nian spoke, she reached out to open the door.

"No," Gu Zhou said.

Qiao Nian was slightly stunned.

"He likes you."

Qiao Nian smiled and continued, "But being his aunt and being his stepmother are different for him."

Gu Zhou lowered his gaze slightly to look at Qiao Nian. His eyes were calm as he raised his hand to stroke her face.

1

Chapter 689: Confession

Qiao Nian's heart began to race. She stared unblinkingly at Gu Zhou. Thinking of how the two of them had just kissed in the bathtub, she couldn't help but blush.

If she continued to stay here, she might not be able to sleep tonight because of her nervousness.

"I... Ah!"

Before Qiao Nian could finish speaking, the man bent down slightly and picked her up in his arms. He walked towards the bed.

"Put me down quickly!" Qiao Nian said with a red face. She wanted to push Gu Zhou away, but she was afraid of hurting him.

As soon as she finished speaking, she was placed on the bed. Immediately after, Gu Zhou lay down as well, trapping her in his arms.

This position was too ambiguous.

Qiao Nian reached out to push Gu Zhou away, but Gu Zhou hugged her even tighter. The fragrance of shower gel wafted into her nose.

What had just happened in the bathroom flashed through her mind.

Qiao Nian's body stiffened. She didn't dare to move. Her mind raced as she thought about how to leave this room.

If it really didn't work out, should she kick Gu Zhou off the bed or throw him over her shoulder so that he would lie obediently on the bed?

Just as Qiao Nian was about to make a move, she heard Gu Zhou's long and even breathing, as if he was preparing to sleep.

But Qiao Nian couldn't sleep.

If it were Zhou Zhou now, she might really be lustful.

1

Qiao Nian took a deep breath and remained motionless. She didn't dare to look up at Gu Zhou, afraid that she would wake him up.

The places their bodies touched grew hotter and hotter, and Qiao Nian's face grew redder and redder.

After hesitating for a long time, Qiao Nian carefully tried to remove Gu Zhou's hand. Even if she didn't leave this place, she couldn't be so close to Gu Zhou.

Qiao Nian had just moved when she heard Gu Zhou say, "There's something I wanted to tell you in advance."

His voice was as low as ever, and his words carried a tone of negotiation.

Hearing Gu Zhou talk about serious matters, Qiao Nian's messy thoughts instantly disappeared. Puzzled, she asked, "What's wrong?"

"We'll pay our respects to the eldest daughter of the Lu family tomorrow. I think there's something you should know." At this point, Gu Zhou pursed his lips slightly and looked down at the woman in his arms.

The tip of his nose was filled with the fragrance of the woman's hair.

Gu Zhou couldn't help but sniff twice more.

When Qiao Nian heard Gu Zhou's words, she was a little surprised. When she heard others mention the anniversary of her death, she had a strange feeling.

Qiao Nian looked up slightly and inadvertently met Gu Zhou's dark eyes. She was looking forward to what Gu Zhou wanted to say to her.

Gu Zhou looked at Qiao Nian quietly, his expression hesitant. He didn't know what to say.

Seeing that Gu Zhou was silent, Qiao Nian was about to push him away and move to the side when she heard Gu Zhou speak.

"Don't move!"

The man's voice was low and hoarse, with a hint of bewitchment, as if he was holding back something.

When Qiao Nian heard his words, she obediently lay on the bed and didn't move.

"The name of the eldest daughter of the Lu family is similar to yours. Both have the word 'Nian'," Gu Zhou said softly.

Hearing Gu Zhou's words, Qiao Nian's thoughts couldn't help but wander.

She wasn't sure how she got her name. What she was most worried and afraid of now was that the person who had given her the name was related to the person who had kidnapped her more than twenty years ago.

If that person knew that she was the eldest daughter of the Lu family, why would he let her off?

Or was that person preparing another scheme?

If that was the case, then she was in the open while the enemy was in the dark.

When she went to the Lu family tomorrow, she would observe the other members of the Lu family first. Perhaps she could find some clues.

With this thought in mind, Qiao Nian was filled with anticipation for the trip to the Lu family tomorrow.

She really hoped that she could find the person who had kidnapped her more than twenty years ago as soon as possible. That way, she could go home early.

1

“The Gu and Lu families are especially close. The elders of the two families were once comrades. In order to maintain the relationship between the two families, the two families were preparing to marry.”

When Qiao Nian heard Gu Zhou’s words, she was stunned. She had never expected him to take the initiative to mention this.

“The marriage was between me and the eldest daughter of the Lu family, Lu Nian. She’s my original fiancée.”

1

Qiao Nian suddenly felt Gu Zhou hug her even tighter.

Qiao Nian was a little surprised. Why was Gu Zhou hugging her?

Was Gu Zhou afraid that she would be jealous of the eldest daughter of the Lu family, or did he treat her as the eldest daughter of the Lu family?

“When I was very young, Old Master Lu would often carry the eldest daughter of the Lu family over. However, after I was sent to the countryside, I never saw her again. About a few months later, I received news of her death.”

Moonlight streamed in from the window. Gu Zhou’s back was facing the window.

Gu Zhou's face was in the shadows. Qiao Nian couldn't see his face clearly, but she could hear his voice.

His voice trembled a little, as if he was very concerned about the death of the eldest daughter of the Lu family.

Qiao Nian had a strange feeling in her heart. After some thought, she asked again, "What happened after that?"

"After that, the marriage between our families was canceled." When Gu Zhou said this, he sounded a little helpless.

Qiao Nian sighed softly, her heart aching.

Although she had already heard about this from Matriarch Gu, she did not feel much at that time.

However, when she heard Gu Zhou's words, she felt even worse.

Gu Zhou still cared a lot about the eldest daughter of the Lu family.

As she was the eldest daughter of the Lu family, she did not feel sad.

1

However, when she thought about how Gu Zhou had said in front of her that he cared about another girl even if she wasn't the eldest daughter of the Lu family...

She still felt a little uncomfortable.

2

But when the truth was right there. Qiao Nian realized something.

In the past, she had never believed in fate, but now she did.

It was as if she and Gu Zhou were destined to be together.

Even though she did not have the status of the eldest daughter of the Lu family, even though she had been forced to marry into the Qiao family, she was still Gu Zhou's wife.

Her bond with Gu Zhou was very deep.

With her ability, no matter how much the Qiao couple forced her, she could refuse. However, she had previously promised someone that she would treat Gu Zhou's illness in return for saving her life.

At that time, she thought that if she married over on behalf of Qiao Xin, not only would she be able to get the shares Grandma had left for her, but she would also be able to take the opportunity to treat Gu Zhou's illness. It would be the best of both worlds. Hence, she had married him without hesitation.

However, after going around in circles, she had never expected that she and Gu Zhou were destined to be together.

The more Gu Zhou thought about it, the more painful it became. He couldn't help but hug Qiao Nian tightly.

Qiao Nian sensed that Gu Zhou's emotions were unstable. She hesitated for a moment, then helplessly raised her arms to hug him.

"Yes, thank you for your honesty!" Qiao Nian looked up at Gu Zhou and said softly.

Gu Zhou was slightly stunned. He hadn't expected Qiao Nian to say this. A complicated look flashed in his eyes as he said, "I don't want you to misunderstand me because of this!"

A strange feeling flashed across Qiao Nian's heart. She hadn't expected Gu Zhou to be so honest with her. He was actually afraid that she would misunderstand.

Everyone had a past. Actually, she didn't care about Gu Zhou's past at all.

Moreover, the two of them were not really married to begin with. He wasn't part of her past which was even more exhausting.

"Yes!"

"I'll go to the Gu residence with you tomorrow. Go to sleep!"

Gu Zhou's voice sounded a little muffled, as if he was not very satisfied with her answer.

Qiao Nian was a little sleepy after being tormented for so long. When she heard Gu Zhou's words, she closed her eyes and fell asleep not long after.

Seeing that Qiao Nian had fallen asleep, Gu Zhou wasn't sleepy at all. Under the moonlight shining in from the window, he looked at Qiao Nian's quiet sleeping face, and the uneasiness in his heart gradually grew.

He had slept before. He had dreams. He dreamed that he was back as a child.

At that time, Ah Nian had brought him a lollipop. When he wanted to eat it, his mother had beaten him up.

Vaguely, he seemed to see Qiao Nian standing in the bathroom and taking the initiative to kiss him on the lips. Then, he brought Qiao Nian into the bathtub to kiss her. He still remembered the taste of Qiao Nian's mouth.

Gu Zhou licked his lips.

That dream was a little messy.

He couldn't figure out if that really happened or if it was just a dream.
