

Mr. Gu, Your Replacement Bride Is A Big Shot! –

Chapter 725 - 725 Smart and Skillful -

The hyacinths Qiao Nian had carved seemed to originally carved on the urn to begin with. It didn't look like it had been repaired at all. All the traces of sulfuric acid had disappeared.

Qiao Nian got the servant to bring the paint over and carefully applied it all.

After Qiao Nian had completely repaired the urn, she said, "It's done."

The others stepped forward and were all stunned when they saw the Lu family's eldest daughter's urn.

The original urn was simple, but after Qiao Nian's modifications, it became more exquisite and bold.

Matriarch Lu looked at the urn and couldn't help but sigh. "Nian Nian is really skilled. I really didn't expect such a fair and delicate hand to be able to carve such beautiful flowers!"

When Gu Zhou heard Matriarch Lu's words, his eyes sparkled with laughter. His gaze fell on Qiao Nian's face.

Matriarch Lu didn't praise people easily. It seemed that Matriarch Gu really liked Qiao Nian's carvings.

Lu Zhu's gaze landed on Qiao Nian's face, and his eyes darkened slightly. His sister must have suffered greatly to be able to master carving.

Previously, he had heard from others that when engravers practiced, they often hurt their hands. His sister was most afraid of pain. She must have suffered many injuries when she was young to be able to carve such a beautiful thing.

Lu Nian looked at Qiao Nian proudly. His sister was the best sister in the world, and the most powerful sister in the world. There was no one who could be compared to his sister.

Song Yu looked at the carvings on the urn and praised sincerely, "It's really beautiful!"

Lu Qi nodded in agreement. When she smiled, her eyes narrowed into a line. She said in agreement, "Sister Qiao Nian is really amazing!"

Seeing that the urn had also become better-looking, the uneasiness in Lu Rao's heart gradually disappeared. He stared unblinkingly at Qiao Nian and smiled. "Thank you."

His sister would definitely like such a beautiful urn.

When Qiao Nian heard Lu Rao's words, she shook her head gently and said, "Consider this my apology to the eldest daughter of the Lu family!"

The sun was shining brightly.

The entire Buddhist hall was illuminated, as if the eldest daughter of the Lu family also liked this urn.

Matriarch Lu glanced at everyone and said, "It's already noon. Let's go for a meal together. Gu Zhou and Qiao Nian, come with us."

Qiao Nian wanted to refuse, but Lu Zhu spoke first. "Thank you, Sister Nian, for carving such a beautiful pattern for the urn. We'll stay for lunch!"

"Yes, you've been busy all morning. Stay for lunch!" Lu Nian said eagerly.

Seriously, Big Brother had beaten her to it again.

He had to talk to his sister more in the future. His sister only had her Second Brother in her heart.

With this thought in mind, Lu Nian silently walked towards Qiao Nian.

Gu Zhou looked at Lu Nian's small actions and did not speak.

Lu Rao, Lu Qi, and Song Yu also spoke up to persuade Qiao Nian and Gu Zhou to stay.

Actually, Qiao Nian also wanted to stay for lunch, but she was afraid that she would give herself away. She wanted to leave after getting what Jiang Yue had left for her.

However, she was too embarrassed to reject their suggestion directly. She could only look at Gu Zhou helplessly.

Gu Zhou had now guessed Qiao Nian's identity. Thinking that Qiao Nian rarely came to the Lu family, he said, "Thank you, Grandma Lu!"

Qiao Nian knew that something was wrong, but she didn't show it on her face. Instead, she smiled faintly.

Old Madam Lu led the way out with the help of Lu Qi and Song Yu.

Lu Rao followed.

Lu Zhu wanted to walk side by side with Qiao Nian, but when he saw that Gu Zhou was on Qiao Nian's left and Lu Nian on her right, he silently followed.

Lu Zhu quickly took a few steps and walked side by side with Lu Rao. He thought to himself that Lu Nian was really too cunning. He had snatched the space beside his sister in advance.

When they arrived at the dining room, Qiao Nian and Gu Zhou sat next to each other. Lu Nian had wanted to sit between Lu Rao and Lu Zhu, but he sat directly beside Qiao Nian.

Seeing Lu Nian's abnormal behavior, Matriarch Gu's expression froze for a moment. She sighed softly and roughly understood why Lu Nian was sitting there.

In Lu Nian's opinion, it was Qiao Nian who had helped Sugar repair the urn. Lu Nian was grateful to Qiao Nian, which was why he was sitting beside her.

During the meal, Gu Zhou picked up a piece of pork rib for Qiao Nian. Seeing Gu Zhou's actions, a smile flashed in Lu Nian's eyes.

Second Brother usually did not get close to women, and he did not allow any woman to approach him.

However, looking at the way Second Brother looked at Qiao Nian and his attitude towards her, Lu Nian was certain that Second Brother had fallen for Qiao Nian.

Sigh.

The sister he had just found was already his wife.

Every time he thought of this, Lu Nian felt very sad. If he had gone to look for his sister earlier, he might have reunited with her long ago.

As Lu Nian thought about this, he saw that Qiao Nian had been eating broccoli. He picked up a piece and placed it in Qiao Nian's bowl.

Not far away, Song Yu had been secretly paying attention to Lu Nian. When she saw Lu Nian picking up food for Qiao Nian, she couldn't help but tremble when she held her chopsticks. Soon, she regained her composure.

Song Yu had never expected Jiang Yue's words to be true.

She thought that Jiang Yue wanted to use her feelings for Lu Nian to make her attack Qiao Nian.

She said that Qiao Nian and Lu Nian were on good terms.

At that time, she felt that even if Qiao Nian liked Lu Nian, it didn't mean anything. After all, Second Brother didn't like Qiao Nian.

But now, Song Yu felt that she had been wrong.

Song Yu tried her best to remain rational. As a bystander, she was now very certain that Gu Zhou and Lu Nian had extraordinary feelings for Qiao Nian.

What magic did Qiao Nian have to make so many people like her?

Song Yu lowered her gaze and ate silently, trying her best to ignore what she had just seen.

She knew very well now that if she attacked Qiao Nian like Jiang Yue, she might end up like Jiang Yue.

Lu Zhu, who was sitting not far away, had a cold expression. If only he could sit beside Sugar, he could pick up more of Sugar's favorite dishes.

But now, such a good chance had been snatched away by Lu Nian.

If he had known, he wouldn't have let Lu Nian and Sugar reunite.

That way, he could do such intimate things to Sugar without restraint.

Seeing Lu Nian's attitude towards Qiao Nian, Matriarch Lu frowned slightly.

She was old, but she was not muddle-headed.

Second Brother had a cold personality and had never taken outsiders seriously.

Song Yu had lived in the Lu family for so many years, but her second son had never been so close to her.

Thinking of intimacy, Matriarch Lu glanced at Lu Qi again. Lu Qi and Lu Nian were quite close, and Lu Qi was Lu Nian's biological sister.

Even so, Lu Nian had never been so intimate with Lu Qi.

Could it be that Lu Nian liked Nian Nian?

When she realized this, Matriarch Lu couldn't help but frown.

She knew Qiao Nian's identity very well. If she remembered correctly, Lu Nian should also know Qiao Nian's identity.

Was it really okay for Lu Nian to do this?

Wouldn't Gu Zhou be angry?

Matriarch Lu's gaze fell on Gu Zhou's face again. Seeing how calm Gu Zhou was, and how he was still calmly picking up food for Qiao Nian, Matriarch Lu was stunned.

Didn't Gu Zhou care about what Lu Nian had done?

No, no.

Matriarch Lu suddenly recalled that Gu Zhou and Lu Nian had grown up together. The two of them were especially close.

Could it be that Lu Nian felt that someone in the Lu family looked down on Nian Nian, so he was helping Gu Zhou take care of her?

After thinking through the key points, Matriarch Lu heaved a sigh of relief. Smiling, she instructed everyone to eat more.

After the meal, Qiao Nian was about to leave, but she recalled Jiang Yue's words. She looked at Matriarch Lu and asked carefully, "Matriarch Lu and Miss Song, before Jiang Yue left, she said that she would leave something for me. Can I take a look?"

With that, Qiao Nian looked at Song Yu.

At the mention of Jiang Yue, Song Yu's expression darkened. She had never expected Jiang Yue to take advantage of the relationship between them.

Seeing Matriarch Lu looking at her, Song Yu nodded.

Seeing that Song Yu had no objections, Matriarch Lu nodded. Just as she was about to agree, she recalled what Jiang Yue had done previously and said solemnly, "That child, Jiang Yue, might have placed something in Song Yu's room that can hurt you. Do you really want to go take a look?"

Qiao Nian smiled and nodded. "Matriarch Lu, don't worry. I'll definitely be especially careful and protect myself."

Lu Rao thought of Jiang Yue's vicious methods and said, "I'll go with you!"

When Qiao Nian heard Lu Rao's words, she looked at him intently. She nodded warmly and said, "Thank you."

"My pleasure." Lu Rao smiled at Qiao Nian.

With a faint smile on her face, Qiao Nian looked at Matriarch Lu and said respectfully and politely, "Matriarch Lu, we'll go over now."

When Matriarch Lu heard Qiao Nian's words, she nodded. "Then go. Be careful when the time comes. Don't get injured."

Song Yu's gaze landed on Matriarch Lu's face. She said softly, "Grandma, I'll bring Miss Qiao over."

"Yes!" Matriarch Lu patted the back of Song Yu's hand gently.

Song Yu let go of Matriarch Lu's hand and walked towards Qiao Nian. She smiled and said, "Miss Qiao, please follow me."

"Thank you for your trouble, Miss Song." Qiao Nian thanked her.

Hearing Qiao Nian's words, Song Yu smiled and shook her head. "Miss Qiao, just call me Song Yu from now on!"

Song Yu and Qiao Nian walked in front, while Lu Rao followed behind them. At this moment, Gu Zhou also followed.

Lu Nian subconsciously followed.

Matriarch Lu understood why Gu Zhou had followed her. After all, Qiao Nian was Gu Zhou's wife.

Why did Lu Nian want to follow her?

What did this have to do with Lu Nian?

Matriarch Lu stopped Lu Nian without hesitation. "Second Brother, where are you going?"

Only then did Lu Nian realize that his actions were a little strange in Matriarch Lu's eyes.

He stopped in his tracks and turned to look at Matriarch Lu. "I want to follow her and take a look. She might need my help!"

When Qiao Nian heard Lu Nian's words, she turned to look at him.

Song Yu, who was beside Qiao Nian, also looked at Lu Nian. She lowered her gaze slightly, understanding that Second Brother really cared about Qiao Nian.

Matriarch Lu recalled that at the dining table, Lu Nian had been picking up food for Qiao Nian. Now, her expression instantly darkened. She said sternly, "Stop right there!"

Lu Nian stopped reluctantly.

Matriarch Lu felt that Lu Nian really couldn't tell how close they were.

However, Lu Nian had always treated Qiao Nian so well. What if Gu Zhou suspected that Qiao Nian had an improper relationship with Lu Nian?

The reason why the Gu and Lu families could get along so well was firstly because both families knew their limits. Secondly, everyone knew each other's taboos.

Matriarch Lu had also heard from Matriarch Gu how much Gu Zhou liked Qiao Nian. If Lu Nian interfered and ruined the marriage, that would be a huge problem.

Lu Nian walked to Matriarch Lu's side, his eyes lowered, looking unhappy.

Seeing that Qiao Nian and the others had left and that there were no outsiders around, Matriarch Lu said, "Don't get so close to Nian Nian in the future."

Lu Qi stood at the side in silence, but she also liked Sister Qiao Nian a lot. However, Second Brother had really gone too far this time.

Previously, she didn't know what relationship Sister Qiao Nian had with Gu Zhou, but now she understood. The two of them were a couple. Why would Second Brother go up with them?

Seeing that Lu Nian was silent, Matriarch Lu thought that he did not take her words to heart at all. She asked, "Did you hear what I said?"
