

## Mr. Gu, Your Replacement Bride Is A Big Shot!

976 Exercise for a while?

Lu Zhu's heart ached for Sugar. All these years, Sugar had not been doing well at all and had even been bullied. Some time ago, an imposter like Song Man even wanted to replace Sugar.

Sigh, when would their Sugar be able to live like a happy princess?

Lu Zhu recalled that Lu Jiang had also said that He Cheng wanted to bully Sugar. At that time, he wanted to cripple He Cheng.

Sugar called. Instead of telling him that she was in danger, she mentioned giving Lu Qi a gift.

Sugar made one's heart ache even more.

Lu Zhu's eyes were filled with heartache. Since Sugar wouldn't tell him, he wouldn't ask anymore, lest he ruin her mood.

"Lu Qi? She usually likes to read and collect books," Lu Zhu said with a smile.

When Qiao Nian heard this, she understood. Thinking that Lu Qi was also a medical student and should be interested in medicine, she had already thought of what gift to give her.

"Brother, I'll go get ready first. Thank you, Brother!" Qiao Nian said happily.

Qiao Nian had just hung up when the bathroom door opened. She subconsciously looked over and saw Gu Zhou walking out in a bathrobe.

His hair was wet and dripping with water. Water droplets fell on his face, then onto his well-defined chest.

Silently, she looked away. This man's figure was too good. Her mouth went dry. She couldn't help but think of everything that had happened last night.

Her face instantly turned red.

At this moment, Gu Zhou walked towards her.

Qiao Nian immediately stood up and said seriously, "I'm going out to buy something now. After that, I'll go straight home!"

Before Qiao Nian could take two steps, her arm was grabbed. Before she could react, Gu Zhou pinned her against the wall.

Gu Zhou looked down at Qiao Nian's face, his gaze deep and doting. "Are you shy?"

Qiao Nian had never seen anyone who didn't know how to chat so well. This sentence was enough to kill the conversation. She wanted to push Gu Zhou away, but her hand inadvertently landed on his chest.

It was wet and smooth. The texture of his muscles was very good, and it felt especially good to the touch.

She pretended to be calm and immediately retracted her hand. "Hurry up and put on your clothes. It's cold. Don't catch a cold again!"

Gu Zhou smiled at Qiao Nian's small actions. His lips curved up slightly as he asked, "Are you cold?"

His voice was low and hoarse. He was so sexy that it sounded like an orgasm.

Before Qiao Nian could answer, she heard Gu Zhou say, "I heard that you'll warm up after exercising. Why don't I take you for some negative distance exercise?"

What f\*cking negative distance exercise.

He clearly wanted to have sex, but he still made it sound so nice!

Qiao Nian's shyness instantly disappeared. She was filled with anger. She looked up and met Gu Zhou's deep eyes.

His eyes seemed to have a magical power. As long as they met, she couldn't help but sink into them.

Qiao Nian recalled those ambiguous scenes again. Her heart couldn't help but race. Her mouth was dry as she licked her lips and said, "No, there's no need."

Seeing her lick her lips, Gu Zhou's eyes gradually darkened. He lowered his head slightly and kissed her lips lightly. "It tastes good."

"What taste?" As soon as Qiao Nian finished asking, she instantly understood what Gu Zhou was talking about. She glared at him.

This man was too shameless!

Gu Zhou smiled and said gently, "Go ahead!"

Qiao Nian nodded and turned to walk out. After taking two steps, she seemed to have thought of something and turned to look at Gu Zhou. "We haven't been home for more than a day. Grandma and the children must be very anxious. Go back first and say that we're busy with the company."

Qiao Nian thought to herself, "You're really not a good mother. You actually lied to the children!"

"Yes, I understand." With that, Gu Zhou seemed to have thought of something and said again, "But I think the two children might not believe me."

"Huh?" Qiao Nian raised her eyebrows slightly, not understanding what Gu Zhou meant.

"They're not stupid," Gu Zhou said calmly.

Qiao Nian was speechless.

“I’ll tell them that Mom and Dad are handling our own matters.” Gu Zhou wiped his hair with a towel. The indolence and nobility he exuded with every move was inexplicably sexy.

## 977 Uneasiness

Qiao Nian’s mouth was really dry. She turned around and said, “Alright, I’m still busy. I’ll leave first!”

With that, she immediately walked out. When she reached the door, she changed into high heels.

Qiao Nian walked out in her high heels. After taking a few steps, her legs began to tremble. She took a deep breath and tried hard to remain calm. She opened the door and walked out of the room.

When she came out of the room, Qiao Nian still couldn’t believe that she was with Gu Zhou in the room she was most afraid of.

She looked at the room number with a complicated expression and gradually retracted her gaze.

She had actually been with Gu Zhou in this room that had given her countless nightmares.

The first time they had sex here was because they had all been schemed against.

This time, it was a perfect combination of their souls and bodies.

At the thought of what had happened tonight, her ears turned red again.

Qiao Nian’s heart skipped a beat, and her lips curved up uncontrollably. Although her legs were a little sore and her waist hurt, she was in an exceptionally good mood.

This place was very close to Lu Qi’s school. She wondered if she could meet Lu Qi. She might even be able to find out what other gifts she wanted.

With this thought in mind, Qiao Nian drove straight to Lu Qi's school.

....

At the thought that he could easily get three million yuan and have beauties accompany him, He Cheng felt like a winner!

He Cheng had long wanted to go over and strike up a conversation with Lu Qi, but the fewer people who saw what he did, the better. At this moment, people were coming and going at the school gate, and many people he knew greeted Lu Qi.

"Lu Qi, have you seen the news?" A girl with a high ponytail asked with a smile when she passed by Lu Qi.

Lu Qi was reading the book in her hand. When she heard the girl's question, she asked in confusion, "What news?"

"Teacher Wu has arranged some more homework. She even said that we would have to hand it in early next week." The girl with the high ponytail walked to Lu Qi's side and showed her the group messages in the class chat.

When Lu Qi saw the message, she smiled gently and said, "Oh my god, I wouldn't have known if you hadn't told me. Thank you. I have to go back to the dormitory to get my Advanced Mathematics book!"

Freshmen were all required to study advanced mathematics, but most medical students still focused on their professional classes.

Lu Qi was a medical student, so she did not notice that there was homework.

After Lu Qi said goodbye to her classmates, she turned around and ran into the school.

He Cheng was close. He had wanted to knock Lu Qi out and take her away while there was no one nearby.

Now he had a better idea.

He Cheng followed silently.

Lu Qi naturally didn't know that someone was following her. After running back to the dormitory, she took her book and ran down again. Just as she walked out of the dormitory door, someone stopped her.

He Cheng was wearing a suit and looked well-dressed. A bright smile appeared on his face as he said politely, "Hello, Miss Lu. I was sent by Fourth Master."

When Lu Qi heard He Cheng's words, a trace of confusion flashed in her eyes, but she quickly calmed down and said, "Did Fourth Brother ask you to come?"

Fourth Brother?

He Cheng was not a fool. The only person who could make Miss Lu call him Fourth Brother should be her biological brother.

He had investigated the Lu family before. In the past, he had heard that there were many descendants of the Lu family, but he had only found information about Lu Zhu. He had not found anything else.

Could Fourth Master be a member of the Lu family?

He Cheng smiled and said, "Fourth Master asked me to bring Miss Lu home!"

When Lu Qi heard He Cheng's words, she frowned slightly and said, "Oh my, Fourth Brother is really something. I clearly didn't want him to pick me up. Why did he still get someone to come?"

It was also a problem for her brothers to dote on her too much. She just wanted to go to school properly. They always doted on her too much.

She had stayed in school because she wanted to be independent. In the end, her brother still had to send someone to pick her up during the weekend.

He Cheng looked at the people coming and going and lowered his head even more. A trace of impatience flashed across his face, and he didn't want others to see him.

However, when Lu Qi looked at He Cheng, he immediately gave a very friendly smile and said, "Alright, let's go now!"

He Cheng led Lu Qi out.

Seeing He Cheng walking in front of her, a trace of confusion flashed in Lu Qi's eyes.

978 Scared

She didn't know why He Cheng had left so quickly. Worried that she would be delayed if she walked too slowly, she jogged after him.

"Um..." Lu Qi had just opened her mouth when she met He Cheng's lewd gaze.

He Cheng had just been thinking about what he would do to Lu Qi, but he didn't expect Lu Qi to look at him. He could only smile.

Lu Qi's smile only froze for a moment, but she quickly regained her composure. Without batting an eyelid, she asked with a smile, "Where are my fourth brother and the others now?"

"At the Red Bar now," He Cheng said politely.

Lu Qi nodded. The moment she turned around, she looked flustered.

She had never expected Fourth Brother to send such a despicable person to pick her up.

A trace of surprise flashed in Lu Qi's eyes, but she also found it strange. Why would Fourth Brother find such a person to pick her up?

Unless this person was not sent by Fourth Brother.

He Cheng looked at Lu Qi's back, his heart in a mess. Would this little girl have noticed his abnormality just now?

No, he could not let a cooked duck go to waste!

He Cheng walked to Lu Qi's side and said with a smile, "Miss Lu, your book is so heavy. Why don't I carry it for you?"

Lu Qi also wanted to test He Cheng. When she heard He Cheng's question, she said, "I still want to read the book in the car later. I'll just take it. How should I address you?"

"Cheng He," He Cheng said.

"Brother Cheng, how long have you known my brother? I don't think I've seen you before." Lu Qi smiled at He Cheng and asked gently.

He Cheng looked at Lu Qi and explained gently, "I used to work overseas. I only came back these few months!"

"I see." Lu Qi smiled and said, "Brother Cheng, do you have a girlfriend? I have many classmates. Do you want me to introduce a girlfriend to you?"

Lu Qi was now completely certain that this person called Cheng He was definitely not sent by Fourth Brother.

Lu Qi hugged the book in her hand tightly. Her phone was on the page. She only hugged the book in her arms. After her fingerprints were unlocked, she replayed it.

The call went through very quickly. Lu Jiang was about to speak when Lu Qi's sweet voice came through the phone.

"Brother Cheng, what kind of girl do you like? My brother is always single. I want to be a matchmaker!"

Lu Jiang was slightly stunned. He didn't understand who the "Brother Cheng" Lu Qi was referring to was. He vaguely realized that something was wrong and didn't speak again.

“Miss Lu, you really think too highly of me. I’m just an errand boy. How can I be worthy of such a good young lady like you?” He Cheng said with an honest smile.

When Lu Jiang heard this, his expression changed and his eyes widened involuntarily.

It was He Cheng!

He Cheng had actually gone to look for Lu Qi!

Lu Jiang’s heart was in a mess. He hurriedly sent a message to his secretary, Xu Jian, asking him to pick Lu Qi up from university. Then, he took out his phone and began to search for Lu Qi’s location.

At this moment, Lu Zhu, who was also in the office, was also nervous. He immediately walked to Lu Jiang’s side and asked anxiously, “What happened?”

“He Cheng seems to be going to kidnap Lu Qi now!” Lu Jiang said solemnly.

Lu Zhu’s heart instantly rose to his throat. He felt as if he had returned to when he was young and Sugar was kidnapped.

... .

Qiao Nian drove to the entrance of Lu Qi’s school. She wanted to try her luck, but her luck was really good. From afar, she saw Lu Qi and He Cheng coming out of the school.

When her gaze fell on the fake smile on He Cheng’s face, she was so frightened that her heart jumped to her throat.

He Cheng!

What was he doing here?

She drove the car to the side of the road and saw Lu Qi talking to He Cheng perfunctorily.

She got out of the car. There were not many people at the school gate. With the help of the cars and trees by the roadside, Qiao Nian quickly approached Lu Qi.

Lu Qi's gaze inadvertently fell on Qiao Nian's face. Her eyes lit up, but only for a moment. Soon, they dimmed. She shook her head gently at Qiao Nian.

She really hadn't expected Sister Qiao Nian to be here.

Lu Qi was feigning civility with He Cheng absent-mindedly, but her mind was thinking that even if she was kidnapped, Sister Qiao Nian would probably find someone to save her as soon as possible.

979 Don't Be Impulsive!

However, before Lu Qi could heave a sigh of relief, she saw Qiao Nian walking towards her with a cold expression.

Oh my god!

Sister Qiao Nian, you should call my brother quickly. Don't be rash!

Lu Qi was shouting in her heart, but Qiao Nian didn't seem to hear her inner monologue at all. She walked up to Lu Qi step by step.

At this moment, He Cheng's back was facing Qiao Nian, so he didn't see her.

Lu Qi's heart was in her throat. In order not to let He Cheng pay attention to Qiao Nian, she smiled at He Cheng and asked, "Brother Cheng, you haven't told me what kind of girl you like. I'll help you keep an eye out!"

Seeing that Lu Qi seemed to be sincerely introducing a girlfriend to him, He Cheng glanced at Lu Qi. Although Lu Qi was not bad-looking, she was not his type.

At this moment, Qiao Nian's appearance at the bar in a red dress flashed across He Cheng's mind. At that time, his attention was all on Qiao Nian!

Qiao Nian was like a beautiful snake, making one involuntarily want to approach her.

“I like... Ah!”

He Cheng felt a pain in his butt and fell to the ground uncontrollably.

Seeing this, Lu Qi hurriedly turned around to avoid her fate of being kidnapped.

He Cheng immediately stood up. When he turned around, he saw Qiao Nian standing not far away. His eyes turned cold, and he reached out to grab Lu Qi as a hostage.

However, Qiao Nian was one step faster. She shielded Lu Qi behind her and looked at He Cheng coldly. “Mr. He, it’s not even the new year yet. Who are you kowtowing to?”

Lu Qi’s gaze fell on Qiao Nian’s hand, which was holding hers. She recalled the power of Qiao Nian’s kick just now and couldn’t help but smile. She followed Qiao Nian’s hand and saw Qiao Nian’s perfect side profile.

Lu Qi’s heart skipped a beat. She stared blankly at Qiao Nian.

In the past, she had always been protected by her brother and bodyguards. This was the first time she had been protected by a girl. If she were a man, she would definitely fall in love with Sister Qiao Nian.

Actually, that wasn’t right either. She was a girl, but she could still fall in love with Sister Qiao Nian. Nowadays, many girls were with girls.

He Cheng had always valued his reputation the most. That day, he had been humiliated by Fourth Master, and now by Qiao Nian. His face instantly darkened, and his eyes turned red with anger. He took out a dagger from his pocket!

“Sister Nian Nian, run!” Lu Qi’s face turned pale in fear. She pulled Qiao Nian back, but Qiao Nian shook her hand off.

He Cheng gripped the dagger in his hand tightly, his eyes filled with hatred. "Since you want to die, I'll fulfill your wish!"

Seeing He Cheng charge at Qiao Nian with a knife, Lu Qi ran up to Qiao Nian without thinking, wanting to help her block the knife.

Qiao Nian took a step forward and rushed up to He Cheng. She grabbed He Cheng's hand, which was holding the knife, and exerted a little strength. With a crack, He Cheng's hand was dislocated. The knife in his hand fell to the ground like autumn leaves.

"Ah!" He Cheng's face was pale from the pain. He looked at Qiao Nian in disbelief. After Qiao Nian let go of his hand, he took a few steps back in fear.

Lu Qi was also stunned. She looked at Qiao Nian in disbelief. There really was a beautiful and valiant girl in this world. She couldn't help but gasp.

Oh my god!

She swore that Sister Qiao Nian would be her idol from now on!

He Cheng steadied himself and looked at Qiao Nian resentfully. Qiao Nian looked like a vase. How could she be so strong?

Qiao Nian looked at He Cheng with disgust and coldness. She said coldly, "If you appear beside Lu Qi again, I don't mind making you a eunuch!"

He Cheng covered his aching hand and looked at his lower body with trembling eyes.

He had a feeling that Qiao Nian would definitely do such a thing!

On what basis?

He was a man. He should be strong and not be threatened by a woman!

"What are you looking at? Get lost!" Qiao Nian said sternly.

With that, Qiao Nian walked towards He Cheng in her high heels.

The moment He Cheng saw Qiao Nian's face, he subconsciously recalled the pain of his dislocated wrist. He retreated instinctively!

At this moment, Qiao Nian was like a demon from hell. She exuded a cold aura, making one shiver.

He Cheng was so frightened by Qiao Nian that his legs were trembling!

980 Escape

There were two despicable people in He Cheng's mind.

A small figure reminded him that as long as he played Qiao Nian and Lu Qi, he would have three million yuan!

Another despicable person reminded him that Qiao Nian was the god of death. He had to leave quickly, or he would die miserably!

In the end, his fear of Qiao Nian prevailed. He could only flee.

He wasn't a fool. He had just realized that Qiao Nian was decisive. She was definitely a martial artist. How could his lousy skills compare to a martial artist's?

How strange. This woman could clearly resolve everything herself, but that night, she didn't make a move. Instead, she let Fourth Master resolve everything.

Could it be that she had some special relationship with Fourth Master?

No, at that time, Fourth Master didn't seem to be familiar with her.

He Cheng's eyes darkened. It seemed that he had to ask Qiao Xin about this. Although he couldn't get his way this time, he would definitely make Qiao Nian cry and beg him next time!

He had to regain his dignity on his own!

Seeing He Cheng leave dejectedly, Qiao Nian looked at Lu Qi, who was standing not far away in a daze. She quickly walked over and asked nervously, “Lu Qi, are you alright?”

Lu Qi came back to her senses. When she met Qiao Nian’s worried eyes, she was slightly stunned.

Qiao Nian’s gaze was the same as when her family had looked at her previously. There was worry and anxiety in her eyes.

At the thought of her family, Lu Qi’s eyes couldn’t help but turn red. She slowly lowered her gaze, her eyes a little sad.

Lu Qi’s voice was a little choked up. She shook her head and said, “Sister Qiao Nian, I’m fine!”

Qiao Nian’s heart ached when she saw Lu Qi’s frightened and aggrieved expression.

The Lu family had once lost a daughter. They would definitely pay special attention to Lu Qi’s safety.

Lu Qi must have been well protected by the Lu family, so she had never encountered such a thing.

Therefore, it was normal for Lu Qi to be unable to accept it for a moment.

However, in Qiao Nian’s opinion, Lu Qi had performed very well just now. She hadn’t revealed any flaws at all.

Fortunately, Lu Qi had performed so well just now that she did not anger He Cheng. If He Cheng took out the knife from his pocket, Lu Qi would definitely be injured.

With this thought in mind, Qiao Nian took Lu Qi’s hand and walked towards her car. She comforted her gently, “Alright, don’t be afraid. I’ve already chased the bad guy away. Let’s get in the car and go home!”

When Lu Qi heard Qiao Nian’s words, she nodded in disappointment. “Yes.”

Lu Qi got into the car, and Qiao Nian drove Lu Qi towards the Lu family home. She had come to look for Lu Qi to inquire about what gifts Lu Qi liked, but it wasn't appropriate for her to ask now.

The car was very quiet. Lu Qi sat in the front passenger seat and looked out of the window with a disappointed expression, her eyes dim.

After a long while, Lu Qi recovered and said to Qiao Nian, "Sister Nian Nian, thank you so much for just now. If it weren't for you, I wouldn't know what to do."

When Qiao Nian heard Lu Qi's words, she smiled and comforted her. "There's no need to be so polite between us. However, He Cheng is a person who won't stop until he achieves his goal. This time, I've chased him away. Perhaps he'll find an opportunity to get close to you. You have to be careful in the future. Bring more people with you."

"He Cheng?" Lu Qi looked at Qiao Nian in confusion, not knowing who He Cheng was.

Qiao Nian said, "He's the person who wanted to kidnap you just now. His name is He Cheng. We met once in the past."

When Lu Qi heard Qiao Nian's words, she nodded slightly and said, "I see. He even lied to me just now, saying that his name was Cheng He!"

"He definitely didn't dare to use his real name, so he used a fake name to get close to you." At this point, Qiao Nian asked in confusion, "By the way, what did he tell you?"

Lu Qi's eyes darkened. She briefly explained what had happened before and finally said, "I think he's a little shifty. I also thought of how my brother's people all looked righteous, and none of them were timid. I sensed that something was wrong back then, so I wanted to leave, but he was watching me very closely. Although there were many people by the roadside, I was afraid that he would attack me before I could ask for help."

“You’ve done very well this time. Don’t anger him. Letting him lower his guard helped you escape.” Qiao Nian turned to look at Lu Qi and smiled. “How smart!”
