

Mr. Gu, Your Replacement Bride Is A Big Shot!

981 Cried

“Sister Qiao Nian, I’m just a little smart.” Lu Qi lowered her head, looking terrified.

Qiao Nian had just heard Lu Qi call him “Brother”. She didn’t know which brother Lu Qi was referring to. Everyone only knew that there was Young Master Lu Zhu in the Lu family. As for the other young masters of the Lu family, others had heard of them but never seen them.

Coupled with Lu Qi’s frightened expression, Qiao Nian felt that Lu Qi was frightened.

Lu Qi had never encountered such a thing in the past, so she was terrified. If Lu Qi’s fear did not dissipate now, she would probably have nightmares often in the future and develop a mental illness.

With this thought in mind, Qiao Nian parked the car by the roadside and gently held Lu Qi’s hand. “Don’t be afraid. The bad person has already been chased away. You’re very safe now!”

You’re safe now!

These words dissipated some of the uneasiness in Lu Qi’s heart. She looked up at Qiao Nian.

Qiao Nian’s simple and crude method made He Cheng fall flat on his face, and made him flee.

Lu Qi’s eyes turned red uncontrollably, and tears welled up in her eyes.

She was already eighteen years old. After almost experiencing a kidnapping, she was terrified and trembling!

Fortunately, Sister Qiao Nian appeared and saved her from the bad people!

But what about her sister, who had been kidnapped at the age of three?

Lu Qi's tears fell uncontrollably.

She was young. After she was born, she had always heard from her family that she had a sister who had been kidnapped and killed by bad people.

Her sister was only three years old at that time. She had experienced such a terrifying thing.

Before she was kidnapped, she felt that her sister was very pitiful. She missed her sister, but she had never been in her shoes. She had never thought about how terrified and desperate her sister must have been back then.

If only a hero like Sister Qiao Nian had appeared back then. It would have been fine as long as she could get Sister out of the hands of the bad people.

But there were no ifs.

Lu Qi lowered her head. Her tears fell uncontrollably, drop by drop onto the back of her hand.

The thought of her sister being locked up in a small black room and dismembered alive made her heart ache unbearably.

Seeing that Lu Qi was crying, Qiao Nian picked up a tissue and gently wiped her tears. She comforted her gently, "Don't be afraid. It's in the past. No one can hurt you. You're very safe now."

"Sister Qiao Nian." Lu Qi looked at Qiao Nian with teary eyes and said tearfully, "I miss Sister..."

Qiao Nian instantly thought that Lu Qi was thinking about Song Yu.

Qiao Nian felt a trace of loneliness, but she quickly understood.

In Lu Qi's opinion, Song Yu had accompanied her for eighteen years, so it was normal for Lu Qi to miss Song Yu when something happened.

Qiao Nian couldn't bear for Lu Qi to be too sad. She hurriedly suggested, "Why don't you call Miss Song?"

Lu Qi shook her head, her high ponytail swaying left and right with her movements. She sniffled hard and said with red-rimmed eyes, "Am I talking about Sister Song Yu?"

Qiao Nian was slightly stunned. She thought that Lu Qi was talking about the cousins of the Lu family. She didn't know much about the Lu family, nor did she know about them. "Then call her?"

"Sister Qiao Nian." Lu Qi sniffled, tears hanging on her eyelashes. She tried hard to remain calm. "I'm talking about my kidnapped sister, the eldest daughter of the Lu family, Lu Nian..."

Qiao Nian's heart skipped a beat, then began to race. She had never expected Lu Qi to be thinking about her.

After Lu Qi finished speaking, she instantly cried again. Her nose was a little red and swollen. "Sister Qiao Nian, you saved me this time, so I can sit here safely. But what about my sister? She was only three years old when she was kidnapped. She didn't know anything. At that time, was she very helpless and afraid? Before she died, was she in despair?"

When Qiao Nian heard Lu Qi's words, her heart ached. Lu Qi had brought her into the picture, which was why she was so sad.

"Why did those bad people do that? My sister was only three years old. She's at the age of innocence. Why did those bad people treat her like that? Why weren't any good people around there to save her? I..."

982 Sister Is Still Alive?

Towards the end, Lu Qi began to sob uncontrollably.

Qiao Nian could naturally understand what Lu Qi was thinking. She took out a tissue and gently wiped Lu Qi's tears. "Don't worry, you'll be fine. Your sister will be fine too!"

Lu Qi looked at Qiao Nian with red-rimmed eyes and said in extreme pain, "Sister Qiao Nian, whenever I think of my sister, my heart hurts. Why did something so terrifying happen to us sisters? I want to see my sister. I really miss her. I want to protect her when she's afraid. I want..."

Seeing that Lu Qi was about to break down, Qiao Nian was worried that she would faint from crying. She hurriedly said, "Lu Qi, don't think about those things. You'll be fine in the future!"

Lu Qi shook her head. She was not afraid of being kidnapped. Her heart ached for her sister, who had been kidnapped at the age of three and killed.

Qiao Nian hugged Lu Qi and comforted her. "It's okay, it's really okay. Cry out loud, and you'll feel much better!"

"Sister Qiao Nian, do you have biological sisters? Can you understand such feelings between biological sisters? I don't know how to express it. Whenever I think of Sister now, my heart hurts so much that I want to die," Lu Qi said tearfully.

When Qiao Nian heard Lu Qi's words, her eyes gradually darkened.

She had always been alone in the past. Later on, she reunited with her brother. When she saw that her brother was shot because of her and his blood was drawn by Jiang Chi, and when she found out in the hospital that she was Lu Zhu's sister, she looked at Lu Zhu with heartache. She yearned to bear all of this for him.

She could understand Lu Qi's feelings very well now.

She let go of Lu Qi and looked at her tear-stained face. She felt very sad.

She stared unblinkingly at Lu Qi. When she returned from MY, she was thinking about not telling the rest of the Lu family that she was alive first because she wanted to investigate what had happened more than twenty years ago.

However, from another perspective, the other members of the Lu family missed her dearly, but she had never thought that they would know how happy they were to be alive.

No matter what the future held, their family would be reunited.

Qiao Nian looked at Lu Qi. Lu Qi was innocent and kind. She must have been well protected.

She didn't want this matter to leave Lu Qi with painful memories. Meeting Lu Qi's painful eyes, she was about to speak when she heard Lu Qi say, "Mom and Dad said that Sister has a pair of beautiful fox eyes... If Sister was still alive, her eyes might be as beautiful as yours... but Sister..."

Qiao Nian finally understood how Lu Zhu felt when he found out that she was his sister. His heart really ached for her and he wanted to protect her.

"Lu Qi, don't cry. Don't think about such things anymore. Sister is still alive! She hasn't experienced those terrifying things!"

As soon as Qiao Nian finished speaking, Lu Qi seemed to be frozen in place. Her eyes were filled with surprise, as if she didn't understand what Qiao Nian was saying.

Qiao Nian took out a tissue to wipe Lu Qi's tears and comforted her. "You're so good-looking. Your eyes are swollen from crying. If Brother sees this, his heart will definitely ache. Of course, Sister's heart will also ache when she sees this."

"Sister Qiao Nian, what were you saying just now?" Lu Qi had long forgotten about the pain just now. She grabbed Qiao Nian's hand and

asked impatiently, “Are you saying that my sister, my sister... Is she still alive? She’s not dead?”

Qiao Nian smiled and nodded. She looked at Lu Qi gently and took a closer look. Lu Qi still looked very similar to her. Smiling, she said, “Yes, your sister is alive and well now. She’s not hurt at all. She has a pair of beautiful eyes like mine!”

The light in Lu Qi’s eyes gradually disappeared. Sister Qiao Nian was probably just comforting her so that she wouldn’t be sad. “Sister Qiao Nian, I know you’re comforting me. Back then, when something like that happened to Sister, Mommy did a paternity test for her. It’s impossible for the results to be wrong. Sister should have already...”

Towards the end, Lu Qi was already silent. Although she knew that her sister was gone, someone tried to lie to her that her sister was still alive. She couldn’t help but imagine that her sister was still alive.

She really didn’t want her sister to die.

983 Acknowledgement

Lu Qi closed her eyes in despair. Tears slid down her face, and her heart ached so much that she found it difficult to breathe.

Qiao Nian looked at Lu Qi with heartache and asked softly, “Sometimes, don’t believe too much in so-called evidence. Sister is clearly in front of you now. Why do you still think she’s dead?”

Lu Qi’s eyelashes trembled, and there were still tears on them. She looked at Qiao Nian’s face carefully. Seeing that Qiao Nian wasn’t joking, she thought that Qiao Nian wanted her to acknowledge her as her sister. She said awkwardly, “Sister Qiao Nian, I know you want to be my sworn sister, but my grandmother won’t be willing. Moreover, I also think that if I acknowledge another sister, it will be a little cruel to my real sister...”

At this point, Lu Qi sniffled. She picked up a tissue and lowered her head to silently wipe her tears.

Now, whenever she thought of her sister, she wanted to cry. She couldn't stop her tears.

"That's not what I meant." Qiao Nian shook her head and said seriously, "I don't want to be sworn sisters with you either, because I'm your biological sister. We're sisters with the same father and mother!"

Lu Qi was stunned. She felt as if she was hallucinating.

Everything around her no longer mattered. Lu Qi could hear her heart beating violently. She stared unblinkingly at Qiao Nian's face. Although Qiao Nian's eyes were very similar to Mommy's, her biological sister was already dead. Could it be that Qiao Nian was a child of her parents when they were overseas?

This was impossible!

If Qiao Nian was also her parents' child, why would she be wandering outside?

"Sister Qiao Nian, you don't have to comfort me anymore. I'm already much better now." Lu Qi lowered her gaze slightly and sighed. "When we get home, I'll burn more money for Sister. I hope Sister can live a carefree life in Heaven."

Qiao Nian was speechless.

She had already made it so clear. Why didn't Lu Qi believe her?

His sister was too stubborn. What should he do?

Qiao Nian's gaze fell on her sister's face. She heaved a long sigh of relief and said seriously, "Lu Qi, I'm not comforting you. I'm indeed your sister who was kidnapped at the age of three. Due to some mistake, I was adopted by the Qiao family!"

As Qiao Nian spoke, she took out her phone and prepared to look for photos of her and Lu Zhu's DNA. "When I was in MY, I was about to give my brother a blood transfusion. Later on, the nurse told me that I was

related to my brother by blood, so I couldn't give him a blood transfusion. It was at that time that my brother's blood was identified. I still have the photos."

Lu Qi was shocked. She looked at Qiao Nian in disbelief, her heart racing uncontrollably.

Oh my god!

Sister Qiao Nian was really her sister!

She still remembered the first time she saw Sister Qiao Nian. She always wanted to get close to her.

Last time, on her sister's birthday, Sister Song Yu had even called Sister Qiao Nian Mommy. Later on, she realized that Sister Qiao Nian's back was very similar to Mommy's back. It was almost the perfect replica.

Mommy had said that Sister had a pair of beautiful fox-like eyes. When she grew up, she could charm all living beings!

Lu Qi covered her mouth with both hands. Although Sister Qiao Nian's words were a little unbelievable, she really hoped that Sister Qiao Nian was her biological sister.

Qiao Nian found the DNA report and handed the phone to Lu Qi. With a calm expression, she said, "Previously, when I realized that I wasn't a member of the Qiao family, I began to look for my parents. I think if the incident in MY hadn't happened, I probably wouldn't have known who my parents were for the rest of my life!

Lu Qi knew that Brother Lu Zhu had been injured in MY. She didn't know that so many things had happened. As a medical student, she could naturally tell that this DNA report was real. She looked at Qiao Nian in shock.

Sister Qiao Nian was really her biological sister, the eldest daughter of the Lu family, Lu Nian.

“Sister...” Lu Qi murmured. “Sister...”

“Yes.” Qiao Nian smiled. Her beautiful fox-like eyes narrowed slightly. She no longer looked as cunning as she usually did, but more sweet.

Lu Qi looked at Qiao Nian. When Qiao Nian smiled, she looked 70 to 80% like Mrs. Lu. She rubbed her eyes hard, feeling that everything was too beautiful to be true.

984 Am I Dreaming?

Lu Qi reached out and pinched herself, frowning in pain.

“Oh!” Lu Qi was now completely certain that she wasn’t dreaming. She put her phone aside and grabbed Qiao Nian’s hand, staring unblinkingly at her. “Sister, I’m not dreaming, am I?”

Seeing Lu Qi’s excitement, Qiao Nian smiled and nodded. “You’re not dreaming. I’m really still alive!”

Whether it was in school or on the birthday of the eldest daughter of the Lu family, Lu Qi had always stood by her side.

Even though their relationship had been relatively ordinary in the past, when Lu Qi found out that she was the eldest daughter of the Lu family, Lu Nian, she immediately released all her love.

Lu Qi hugged Qiao Nian, her body trembling with excitement. Suddenly, she seemed to have thought of something and let go of Qiao Nian. She hurriedly took out her phone and said, “This won’t do. I have to tell my brothers this good news and make them happy.”

“Eldest Brother and Second Brother already know my identity,” Qiao Nian said with a smile.

Lu Qi nodded and said, “Alright, I’ll call Grandma, Third Brother, and Fourth Brother now. I’ll call Mom and Dad later. The two of them are unwilling to stay here because they blame themselves. We should let them be punished. We’ll tell them later!”

Qiao Nian looked at Lu Qi's playful expression. She was very happy, but her heart ached a little. Her family had always thought that she was dead. They must have had a hard time all these years!

Lu Qi playfully took out the phone from the pile of books. In the end, she saw that the call was connected!

Only then did Lu Qi realize that she had been on the phone for more than half an hour. Only then did she remember that when she was at the school gate just now, she had realized that something was wrong with He Cheng. She had called Fourth Brother directly, hoping that he would come and save her.

Later on, she didn't expect her sister to appear and save her, so she forgot that the phone call was still connected!

Oh, could Fourth Brother have listened to everything she said to her sister?

Lu Qi thought that she would save herself the trouble of calling Fourth Brother alone, so she turned on the speakerphone and said, "Fourth Brother, did you hear that? Sister is still alive and well. She's by my side now! Are you happy?"

However, there was silence on the other end of the line.

A trace of confusion flashed in Qiao Nian's eyes.

Could Fourth Brother be mute and not know how to speak?

That wasn't right. If Fourth Brother spoke to Lu Qi on the phone, how would Fourth Brother communicate with Lu Qi?

Could it be that Fourth Brother was thinking about finding Lu Qi's location, so he did not notice the contents of the phone call?

Qiao Nian was a little excited. She had thought that she would only acknowledge one sister this time. She didn't expect her to acknowledge a brother!

Qiao Nian didn't know what Fourth Brother was like, but she was inexplicably a little excited.

Lu Qi took a closer look at her phone. The call didn't look like it was broken. Thinking that Fourth Brother was also shocked, she shouted, "Fourth Brother! Come back to your senses!"

Seeing that Fourth Brother was silent, Lu Qi asked, "Fourth Brother, Sister is by my side now. She's really still alive. Why won't you respond at all?"

Lu Qi looked awkward. She didn't want her sister to think that Fourth Brother didn't like her. She hurriedly said, "Sister, perhaps my phone is broken, so we can't hear Fourth Brother!"

Just as she finished speaking, there was a knock on the car window.

Qiao Nian was slightly stunned. She looked over and saw a handsome man standing at the driver's window.

This man looked familiar.

He had long eyelashes, beautiful phoenix-like eyes, a high nose bridge, and a mole on the side of his nose!

Only then did Qiao Nian react.

Wasn't this the Fourth Master who had saved her at the Red Bar?

Qiao Nian was slightly stunned. She hadn't expected to meet Fourth Master so coincidentally.

Last time, when Fourth Master saved her, she had wanted to treat him to a meal, but he was unwilling. Now that she had seen him, she should greet him.

With this thought in mind, Qiao Nian was about to get out of the car to greet him when she heard Lu Qi call out.

“Fourth Brother!” Lu Qi shouted. She opened the passenger door and ran towards Fourth Master.

Qiao Nian paused in her actions.

Fourth Master was Fourth Brother!

Could it be that Fourth Brother was the fourth child in the family, so he was called Fourth Master outside?

985 Fourth Brother

Lu Qi ran to the driver’s door and pointed into the window. Her face was a little red with excitement as she said, “Brother, look. She’s our older sister. She’s really our older sister!”

Qiao Nian had thought that it would be fine as long as she acknowledged Fourth Brother over the phone. She didn’t expect to see him now.

She felt a little uncomfortable. She looked up at Lu Jiang and their eyes met.

Lu Jiang stared unblinkingly at Qiao Nian, his phoenix-like eyes narrowing slightly.

Outside the car window, it instantly fell silent. No one moved.

At this moment, Lu Jiang reached out and opened the driver’s door.

Qiao Nian’s heart skipped a beat. Her breathing involuntarily lightened as she stared unblinkingly at Lu Jiang.

Qiao Nian had heard from her eldest brother that Third Brother, Fourth Brother, and her were triplets. They were even closer.

She had met Fourth Brother once and was not familiar with him.

Back then, when she reunited with her brother, she had experienced life and death with him in MY.

She had acknowledged Second Brother. Second Brother was her idol, and she and Second Brother had a tacit understanding in music.

It had been very easy for her to interact with Third Brother. Third Brother had been protecting her and doting on her like a little princess.

She didn't know what kind of personality Fourth Brother had, nor did she know how to get close to him.

That day at the bar, she was about to return the clothes to Fourth Brother, but he rejected her!

The car door opened and Lu Jiang spoke. "Eldest Miss."

His voice was a little low, but very gentle, with a hint of joy.

A trace of shyness flashed in Qiao Nian's eyes. This form of address was simply too awesome!

Eldest Miss seemed to have raised her status.

Qiao Nian smiled. She was the eldest daughter of the Lu family and his sister.

Qiao Nian got out of the car and stood in front of Lu Jiang openly. She looked up and called out, "Fourth Brother!"

Lu Jiang nodded and smiled.

Qiao Nian was stunned. Lu Jiang had two shallow dimples on his cheeks. When he smiled, he looked very sexy, but he didn't look out of place at all.

This smile was simply more dazzling than the sun.

Especially Fourth Brother's phoenix-like eyes. When he smiled, his eyes seemed to contain a sea of stars!

When Third Brother smiled, he looked roguish and charming, making one laugh uncontrollably.

However, Fourth Brother was completely different. He was like an elegant gentleman. When he smiled, he gave off a bright and clean feeling.

Lu Jiang raised his eyebrows slightly and said in an elegant voice, "Where's my jacket?"

Qiao Nian blinked her fox-like eyes in confusion, then muttered, "Fourth Brother, how can you be so petty... Didn't you say that you didn't want it last time? Now, you're asking me for it?"

Who would go back on their word?

Lu Jiang shook his head disapprovingly. His thin lips curved up slightly as he said, "Sister has worn it before. It's different."

Puzzled, Qiao Nian asked, "What difference can there be?"

"I want to treasure it!"

His voice was as gentle as jade, giving off a peaceful feeling.

When Qiao Nian came back to her senses, she laughed out loud and nodded. "Alright, I'll return the suit jacket to you later."

Lu Jiang nodded in agreement.

Lu Qi's big eyes flickered in confusion. She looked at Fourth Brother's face, then moved her gaze to her sister's face. After some serious thought, she asked, "Fourth Brother and Sister, you know each other!"

With that, Lu Qi pouted unhappily. She looked up at Lu Jiang and said, "Fourth Brother, you've gone too far. Since you knew Sister long ago, why didn't you tell me earlier?"

Lu Jiang looked down at Lu Qi and said gently, "We just met once. Didn't I tell you about that night at the bar?"

A bar?

Lu Qi came to a realization and gasped. “Fourth Brother, could it be that you saved Sister back then?”

Lu Jiang nodded.

Lu Qi couldn’t help but sigh. “This is really fate. I didn’t expect Fourth Brother to save Sister! Sister saved me now! Then, we reunited!”

Lu Jiang retracted his gaze from Lu Qi’s face and his gaze fell on Qiao Nian’s face. His eyes lit up, and his heart softened.

He had never expected his sister, who he had always thought was dead, to stand in front of him alive.
