

Mr. Gu, Your Replacement Bride Is A Big Shot!

986 When Did You Get Married?

His memories of his childhood were a little blurry.

He often heard from his grandmother that he liked to be mischievous with Third Brother when he was young. At that time, every time he was scolded, his sister would speak up for them.

Due to their anger, their parents did not bring them out to buy toys. Instead, they brought their sister out to buy toys. Their sister would always help them buy their beloved toys and bring them back!

However, his sister's face was a little blurry in his memory. He only knew that her sister was soft and cuddly. When she smiled, she was especially adorable. That was why she was called Sugar. She was as sweet as sugar.

Later on, for some reason, his sister disappeared and became a photo that was kept in the same room.

No wonder he couldn't help but want to save her at the Red Bar. So it was because of their blood ties.

He and his sister had always been connected.

When Lu Jiang saw Qiao Nian's photo on his brother's phone, he found her familiar, but he couldn't remember where he had seen her before.

Now he finally understood why she looked familiar.

He and Qiao Nian were triplets. Although they were fraternal, they were still very similar.

Moreover, Qiao Nian looked like his mother when she was young.

Retracting his thoughts, Lu Jiang smiled at Qiao Nian and said gently, "Eldest Miss, it's cold outside. Get in!"

When Qiao Nian heard the words “Eldest Miss”, she felt inexplicably shy. Every time Fourth Brother called her that, she could hear the doting tone in his words.

Qiao Nian sat in the front passenger seat. Lu Qi obediently got into the back seat, and Lu Jiang sat in the driver’s seat.

Lu Qi looked at Lu Jiang curiously and asked, “Fourth Brother, let’s go home now. We can let Grandma and Third Brother see Sister too!”

“Let’s go to your sister’s house first.” Lu Jiang fastened his seatbelt as he said this. He wanted to see how his sister was doing at home.

Lu Qi nodded obediently and did not notice Lu Jiang’s thoughts at all.

Qiao Nian looked at Lu Qi in confusion and asked, “Why are you going to my house?”

“To get my suit jacket!” Lu Jiang answered matter-of-factly.

Qiao Nian didn’t know whether to laugh or cry. Fourth Brother really couldn’t wait a moment!

Lu Jiang turned to look at Qiao Nian and asked, “Where do you live?”

Qiao Nian obediently gave him the location.

Lu Jiang’s expression instantly turned serious. He frowned and asked, “The Gu family?”

Qiao Nian nodded and said, “Yes!”

Lu Jiang’s frown deepened. He suddenly recalled that when his brother introduced Qiao Nian to him with the photo, he remembered that Qiao Nian had already married Gu Zhou.

The sister he had just found had actually become Gu Zhou’s wife.

He turned to look at Lu Qi. Lu Qi nodded and said, “Yes, Brother Ah Zhou’s wife is Sister...”

Initially, Lu Qi didn't think much of it, but after saying that, she couldn't help but feel terrible.

Sister was got married just like that?

The sister she had just found was already someone else's wife.

Lu Jiang recalled the relationship between the Gu family and the Lu family. Gu Zhou should have told everyone that he was getting married, but he hadn't heard anything about it.

Lu Jiang looked at Qiao Nian and asked, "When did you get married?"

"We just registered."

Lu Jiang felt very uncomfortable. He frowned and asked coldly, "Why didn't you hold a wedding?"

Lu Jiang's tone was cold, as if he was very unhappy that they did not hold a wedding.

However, it indirectly reflected that Fourth Brother really cared about her and was defending her.

Qiao Nian explained, "Actually, we..."

When Lu Jiang heard this, he felt a little sad. His sister was married, and her heart belonged to someone else.

His sister could tolerate it, but as her brother, he couldn't. Hence, Lu Jiang said, "I have something to look for him about!"

How could the eldest daughter of the Lu family suffer like this?

His sister was the best sister in the world. Was she so embarrassing?

Qiao Nian was speechless.

It wasn't easy for Gu Zhou to gain the recognition of her eldest and second brothers. She didn't know how Third Brother would react if he

found out about her relationship with Gu Zhou, but Fourth Brother seemed to be very dissatisfied.

Lu Qi's eyes were filled with confusion. She remembered that Fourth Brother and Brother Ah Zhou had a good relationship back then. They often played together when they were young.

Why was Fourth Brother so angry now?

987 Replacement

Could it be because of his sister?

Lu Qi's gaze fell on Qiao Nian's face.

That was true.

A wedding was very important to a woman.

Brother Ah Zhou's family did not lack money, so holding a wedding was not difficult for him.

The more Lu Qi thought about it, the angrier she became. Brother Ah Zhou was too perfunctory with her sister. Her sister was too easy to talk to!

No, she had to seek justice for her sister.

Seeing that something was wrong with Fourth Brother's expression, Qiao Nian hurriedly explained, "Fourth Brother, this is because of me."

Lu Jiang clearly didn't believe Qiao Nian's words. He shook his head gently and said, "You don't have to find an excuse for him!"

"Back then, I wanted to keep our marriage a secret, so I suggested it directly," Qiao Nian said eagerly.

Back then, when she married into the Gu family on behalf of Gu Zhou, she wanted to leave after treating Gu Zhou's illness. At that time, she was still thinking about how to discuss a divorce with Gu Zhou!

Lu Jiang was slightly stunned, and a trace of surprise flashed in his eyes. However, he quickly calmed down and said unhappily, "He shouldn't have agreed to your secret marriage!"

Qiao Nian was speechless.

"Only by preparing the best wedding for his wife can a man really give her happiness for the rest of his life. He's really scheming. Does he just want to take advantage of you and not take responsibility?" The more Lu Jiang thought about it, the angrier he became. He gripped the steering wheel tightly.

In any case, he would not wrong his wife. If he had a wife, he would definitely give her the best things in the world. Then, he would express his love for his wife in front of everyone and make a promise to be with her for the rest of his life!

Gu Zhou just didn't value his sister.

Lu Qi sat in the back seat and nodded vigorously. She agreed with Lu Jiang very much and hurriedly said, "Sister, a man can't give you a wedding, can't introduce you to everyone and can't make a promise to take care of you and love you for the rest of your life in front of everyone. He's a bastard, a scumbag!"

When Qiao Nian heard Lu Qi's words, she couldn't help but laugh. "You're still young."

Lu Qi shook her head, then said seriously, "Sister, you just have to look for Mom and Dad. Don't speak up for Brother Ah Zhou. He did something wrong, but he still has a chance to correct himself!"

Qiao Nian's heart silently ached for Gu Zhou. She really didn't want her family to go against Gu Zhou, so she said, "Actually, I strongly requested for the secret marriage. It really has nothing to do with him!"

"Why?" Lu Jiang didn't understand.

“Yes, Sister. Why did you marry Brother Ah Zhou in secret? Don’t you want to marry Brother Ah Zhou in a wedding dress under everyone’s witness?” Lu Qi asked in confusion.

Qiao Nian smiled faintly. “Back then, I married Gu Zhou as a replacement. At that time, I didn’t have any feelings for him, so I wanted to keep the marriage a secret!”

The car came to a sudden stop.

Lu Jiang drove the car to the side of the road and looked at Qiao Nian in disbelief.

Replacement?

What era was this?

How could this have happened?

Lu Jiang didn’t hide the heartache in his eyes. It seemed that his sister had suffered all these years outside.

The eldest daughter of the Lu family, the favorite of the Lu family!

With this thought in mind, Lu Jiang frowned and said, “Since you don’t have any feelings for Gu Zhou, this matter will be easier to handle. This time, we’ll help you pack your things. Let’s go home!”

What?

Home now?

Qiao Nian really admired Fourth Brother’s ability to execute things. She couldn’t help but explain, “Brother, we didn’t have any feelings for each other back then, but it’s different now. We already have feelings for each other.”

The confusion in Lu Jiang’s eyes was even more obvious. He asked, “Since you already have feelings for her, why haven’t you held the wedding?”

Lu Qi blinked innocently and said, "Sister, don't listen to men's excuses. The man who really loves you will definitely give you an unforgettable wedding!"

Although she was not in a relationship yet, she yearned to wear a pure white wedding dress and walk towards her Prince Charming step by step.

How romantic was marriage!

"Sister, a wedding is very important. It can't be ignored! Men only hide the existence of a woman when they don't like her," Lu Qi said seriously. "Don't be deceived by Brother Ah Zhou!"
