

Mr Nian 101

Chapter 101: Everything I said was true _1

Her hand on the doorknob froze.

“What is it?” she asked softly.

“You’re so silly!”

He could not speak.

Ning Qing found it funny.

She turned around and stared at him on the bed from a distance.

“I forgot that you said that I can’t come out without your permission.”

She was not angry or resentful.

She was a completely different person from the sad and sad her before.

“I’m sorry, I’ll go back after I call the doctor for you.”

“Stop!”

He called out to her again, his voice hoarse and his emotions slightly agitated.

After a night, some stubble had grown on Nian lie’s chin. It was slightly green, and together with his already pale face, he looked somewhat decadent.

“You blame me,” he said.

Ning Qing’s lips curled into a mocking smile.

“Otherwise, should I thank you?”

She was grateful to him for giving her hope of living on and then destroying it.

She was grateful to him for filling her with confidence for the future and for tearing it apart so easily.

She was grateful that he had made her believe everything about him and used another woman to hit her in the face and destroy her heart.

Nian lie struggled and was at a loss. His expression was sorrowful and complicated, and it was impossible to tell what he was thinking.

Ning Qing looked at him and softened her tone, but her words were sharp enough.

Nian lie, I might as well tell you the truth. No matter how long you lock me up, I will never agree to your ridiculous actions.

With a breath in her chest, ning Qing held her head high and held on to the last bit of dignity she had.

I'd rather get a divorce than accept Bai Qingqing and the child in her stomach.

Nian lie's back stiffened when he heard that.

The pain spread throughout his body.

His hands on the quilt trembled. "You know Yingluo."

"Yes,"

Ning Qing held back the bitterness in her heart. Her fingertips were cold, and she forced herself to be rational.

anyway, she's pregnant with your child, but what's between the three of us has nothing to do with the child. He needs a father, so it's best if our Hanhan divorces and you can be with her again.

"....."

The best Kasaya

Of course, he knew what was best.

However, variables always existed and could never be avoided.

The only variable in his life was her!

Ning Qing's tears were about to fall.

She had overestimated her calmness and rationality.

She could not stand his silence at all!

She couldn't face him, who had silently acknowledged everything!

She grabbed the door handle again and hurriedly fled.

"What if I say I don't want the so-called best?"

Ning Qing lowered her head, her vision blurry.

Her smile was uglier than her crying.

"You're trying to lie to me again, Nian lie. Is it that fun?"

Did lying to her to stay by his side really make him feel so accomplished?

Her words, which sounded like she was crying, broke Nian lie's rationality.

Ning Qing only heard a sound behind her, and the sound of panicked footsteps approaching.

The next moment, she fell into his arms.

He was nervous and patient.

She widened her eyes in disbelief and did not dare to move.

Nian lie hugged her tightly. Even though the wound on his back had already split open and blood was flowing down his back again, he still refused to let go.

A low and hoarse voice rang in her ears, ”

“Everything I said was true.”

Ning Qing only felt a chill from head to toe, and the tears hanging in her eyes could not bear it and fell down her eyelashes.

Her tears fell on the back of his hand. It was hot and burning.

It directly burned a hole in his heart.

Nian lie’s heart ached. ning Qing, Qianqian.

“Young master, young Madam, are you awake? The doctor’s here!”

Lu Zhui’s voice came from outside the door.

Then, the door was pushed open.

Ning Qing reacted, turned around, and pushed him away.

Nian Xi stumbled and finally managed to stabilize himself.

She had already rushed out of the door.

Lu Zhui looked at the two of them. He noticed the pool of blood on the ground. young master! he cried out in shock:

Nian lie’s tall body swayed a few times, and his eyes, which were filled with pain, slowly closed.

The body that could not support itself suddenly fell down.

Chapter 102: You’re not afraid of your sister being jealous, are you?

—

For three consecutive days, ning Qing did not leave her room.

Even though the door would no longer be locked.

On the fourth night of Nian lie’s serious injury, the familiar sound of a car engine reverberated in the manor.

Ning Qing was lying on the bed, unaware of what was happening.

When she heard the sound, she jumped out of bed reflexively and rushed to the window, only to see the tail lights of the car leaving the dust.

She placed her hand on the window frame, her eyes misty and her nails flying.

*

In a private apartment in the south of the city.

At the door, a graceful figure stood there. She was wearing a haute couture dress that accentuated her slender waist and curves. The eight-centimeter high heels on her feet pulled up her figure, and she looked like a beautiful scenery standing by the road.

Bai Qingqing looked at the message with a cold expression. There were a few luggage bags by her feet.

When she heard the sound of the car, she quickly put down her phone and switched to aggrieved and weak.

Seeing the car door open, she immediately rushed over.

“Brother Yi, you’re finally here!”

She threw herself into the man’s arms. Her nose stirred, and she seemed to smell something different from his usual smell.

Nian lie’s body staggered.

Lu Zhui’s face darkened. He wanted to warn the woman, but he was stopped by his gaze.

what’s going on? ” Nian Yu lowered his head. He held her exposed back with one hand and asked, ” what’s going on? ”

Bai Qingqing hugged his waist, a delicate expression on her face.

“I only went out to film for a while, and the landlord thought I was gone, so he rented my house to someone else!”

“.....”

Her gentle voice gave people goosebumps.

all my luggage was thrown out. It’s so late now, and I can’t get my manager to find a place for me to stay in a short time. So, I could only call you.

The wounds on his body had just healed a little, but as the woman swayed, the wounds started to hurt again.

However, other than the thin beads of sweat on his forehead, he did not seem to be seriously injured.

Nian lie’s voice was faint. yeah, you’ve suffered.

Bai Qingqing hugged him and acted coquettishly. I still have a baby in my stomach. What should I do? ”

Nian lie stared at the top of her head. The woman’s perfume was very strong. Although it was very seductive, it couldn’t attract his interest at all.

He pushed her away slightly. there’s no need to move. I’ll get Lu Zhui to talk to the people inside.

He gestured to Lu Zhui. The other party nodded and was about to enter the apartment.

Bai Qingqing's deer-like eyes darted around, and she hurriedly raised her hand to stop Lu Zhui.

"Don't!"

Nian Xi lowered his dark eyes and looked at her.

"What's wrong?"

His sharp and penetrating gaze made Bai Qingqing shiver for some reason.

She frowned and bit her red lips. it's no use. That person is my sworn enemy. She used to bully me and even snatched my role. She just wants to step on my head and make me suffer. I just came to talk to her and she even scolded me.

Nian lie saw through her trick, and his deep eyes contained a faint coldness.

"Then I'll get Lu Zhui to bring you under my name to Qianqian."

"Brother Ben, let me go back with you."

The woman's sudden words interrupted him.

Nian Jin understood what she meant and looked at her with a faint smile in his eyes.

It was a little scary.

Bai Qingqing pretended to be calm. She blinked her big, bright eyes and asked innocently, "can't I?"

"....."

"I just don't want to go through so much trouble. It should be fine if I stay at your house for a night, right?"

Bai Qingqing stared at Nian lie's abnormal expression and tilted her head. you're not afraid that older sister will be jealous, are you? didn't you promise me that you'd divorce her? why are you so concerned about what she thinks? do you like her? "

"Sure."

Bai Qingqing was taken aback at first, then her face lit up with joy.

"I know you love me."

She kissed the man's face and ordered Lu Zhui to move the luggage into the car.

Nian lie could see how smug she was.

His eyes were deep and dark.

Chapter 103: Sister, brother Yan and I were just an accident (1:

Ning Qing knew that Nian lie had returned when she heard the noise from downstairs.

However, she had never expected that he would bring Bai Qingqing back.

In the spacious and bright living room, Bai Qingqing held Nian lie's hand, and behind her was a pile of luggage of various sizes.

The servants looked at each other and didn't dare to breathe.

wow, so this is where brother yang usually lives. Good taste.

Bai Qingqing surveyed her surroundings and covered her red lips, unable to contain her surprise.

Beside her, Nian lie didn't say anything.

She let go of his hand and took two steps around him, her bright eyes looking around.

"Help Ms. Bai bring her luggage to the guest room," Nian lie instructed the servant:

A few people stepped forward and, together with Lu Zhui, pulled their luggage up.

A soft sound came from the spiral staircase.

Bai Qingqing saw the woman's gray skirt at first glance, and a sinister look flashed in her eyes.

She rushed to Nian lie's side and hugged his arm tightly. brother Yan, " she said coquettishly, " I don't want to stay in the guest room.

Nian lie's expression was calm, but he looked like he was being pampered.

"Where do you want to stay?"

Bai Qingqing's lips curled up into a very sweet smile.

"I'll sleep wherever you sleep."

The entire living room fell silent.

Nian lie looked down at her, his eyes unblinking.

Feeling that it wasn't enough, Bai Qingqing brought it up in a seemingly casual manner. other people have babies in their wombs. Babies will want their parents to be with them and grow up in a loving environment. Don't you think so, brother ran? "

Nian Yu's brows were furrowed, and he seemed gloomy.

However, before he could say anything, Lu Zhui, who was carrying his luggage to the stairs, said, "

"Young Madam?"

Everyone's eyes looked over.

She was wearing a gray silk spaghetti strap nightdress. Her steps were slow and her posture was elegant. Her fair and flawless face was expressionless.

okay, " ning Qing replied. Under everyone's gaze, she slowly walked up to the two.

Bai Qingqing stared at her unperturbed expression and smiled just right. elder sister, it's already so late. You're still awake? "

This greeting was neither Yin nor yang, and it sounded very strange.

Ning Qing's long eyelashes fluttered, and a cold look hung on her slender eyebrows.

Bai Qingqing frowned and pretended to be sad. I'm sorry, sister ning Qing. There's a situation at the house I'm staying at, and I can't stay there for a while. That's why I came to visit so late. I hope I won't disturb you.

"It's so late, miss Bai came uninvited. It's indeed easy to disturb others."

His slightly cold tone startled the woman.

She looked scared and hid behind Nian Jue. I had no choice but to ask brother Chen for help because I had nowhere else to go. After all, he's the Father of the child. I'm Yingluo.

"Miss Bai,"

Ning Qing suddenly interrupted her.

"As a public figure, don't you know how to be careful with your words?"

"....."

Ning Qing suddenly smiled, and coldness poured out from her stunning features.

"In front of so many people, who do you think is the Father?"

Bai Qingqing's little face turned pale. She bit her red lips, looking like she was about to cry.

I'm sorry, Yingluo. I didn't mean to break you and brother che apart. The child was just an accident. Sister, don't be angry!

She shook her head and rushed up to hold ning Qing's hand, her face full of anxiety and grievance.

"Brother Chen and I just had an accident, and the child was not within our expectations. I also thought of aborting him, but Hanhan is a life, and I can't take away his right to live! Sister, I'm really sorry!"

"....."

The woman's hands were tightly clenched. Her realistic expression and Pearl-like tears revealed how high the status of the woman in front of him was.

Every word she said was expressing her innocence.

As Nian lie's official wife, it would be a great sin if she forced her.

Chapter 104: Ning Qing, don't ask such meaningless questions (1:

Ning Qing's mocking eyes fell on her still Flat Belly.

With just one look, Bai Qingqing's face was filled with terror. She let go of her hand and retreated.

She was stunned.

In the next instant, Bai Qingqing suddenly knelt down and pleaded bitterly, "

"Sister, I beg you, don't hurt my child! The child didn't do anything wrong, it's my fault. I can leave immediately and never appear again. Please don't harm my child!"

She clutched her stomach tightly, ignoring her exquisite makeup and crying like a Pear Blossom bathed in rain. She was very sad.

Looking at her superb acting skills, Ning Qing's calm that she had maintained the whole night finally could not stand.

Her face tightened. "What are you doing?"

"That's enough,"

The man, who had been silent for a long time, interrupted her.

Ning Qing's back stiffened.

She looked at Nian lie with her bright eyes.

However, he did not look at her.

He only bent down and helped the woman up from the ground. His movements were very careful, as if he was treating her like a treasure.

Ning Qing looked at the scene in front of her, and her heart suddenly ached.

Bai Qingqing's entire body was leaning against him, her two hands holding onto his arms. As for him, he had a gentle expression on his face.

That heartache and pity hurt Ning Qing's eyes.

The words "he's injured" that she had almost blurted out were like a deflated ball, and she did not say it out loud.

Nian lie put his arm around Bai Qingqing's waist. Qingqing, don't be so agitated. Tell me what you want to do. Don't cry anymore, okay?"

His gentle voice barely stopped the woman from crying.

She couldn't even speak clearly. She pouted her red lips and said, "I want to rest with the baby. I don't want to see her.

Everyone present knew who she was referring to.

alright: "Nian lie said patiently, patting her back: let's go and rest now.

However, Bai Qingqing didn't want to let Ning Qing off. She looked at her with tears in her eyes. let her go.

“.....”

Ning Qing’s hands, which were hanging by her sides, slowly and habitually clenched into fists.

Nian lie’s face was lowered, so no one could see his expression.

The words that came out of his mouth were dark and cold.

“Don’t mind her.”

He supported the delicate woman and walked past her.

He didn’t even look at her the entire time.

Ning Qing’s heart clenched in pain. A sense of helplessness and sadness wrapped around her, wrapped in grievances and unwillingness, and strangled her to the point that her breathing was uneven.

“.....”

She stood there and felt the gazes of the people around her fall on her.

Bai Qingqing’s few cries had turned her into that vicious, unreasonable, and venomous woman.

Some despised him, some pitied him, and some sighed with regret.

Ha. &Nbsp;

A cold smile spilled out of her red lips, and a chill ran from her heart to her body.

A few minutes later, Nian Jin returned to the living room.

He stood at the top of the spiral staircase, his posture cold and arrogant, his expression disdainful.

He said to everyone, ”

Yingluo will be staying here for a while. In the future, no matter what requests she has, do your best to satisfy them. Don’t make her unhappy.

“.....”

His cold eyes swept across the crowd. there are some things that shouldn’t be said. Don’t talk about it. Don’t let me hear anything I don’t want to hear.

“Yes,” everyone replied.

His deep gaze swept past the figure, and he turned around to leave.

“Nian lie,”

He paused.

Ning Qing turned around.

She was so far away that her expression was blurry.

It seemed sad and sad.

“Is this the proof you’re going to give me?” she asked in a trembling voice.

She clenched her fingers tightly on the corridor’s handrail.

His handsome face was calm, cold, and piercing.

“Don’t ask such meaningless questions.”

“.....”

“It’s very annoying,”

The man’s figure disappeared, and ning Qing’s body swayed, her eyes filled with tears.

His heart was pierced and his heart ached.

He laughed at himself.

Beside her, Lu Zhui called out worriedly, “young Madam, Wanwan!”

Ning Qing’s eyelids drooped, hiding the overwhelming heartache.

She pushed him away and went upstairs in a daze.

That slender figure looked even more fragile and sad.

Chapter 105: This is our child, I’m not afraid of hard work

Morning, eight o’clock.

Bai Qingqing, who was wearing a cool lace nightdress, stretched lazily and slowly walked down the stairs.

At the dining table, the man’s handsome face was unparalleled. Even when he was eating, his movements were neither fast nor slow, pure and noble.

Bai Qingqing smiled. Good Morning, brother yang.

Nian lie turned his head and looked at her. yeah.

“You woke up so early, why didn’t you sleep a little longer?” he asked gently after a pause.

Bai Qingqing snuggled up to him. He didn’t know if she did it on purpose, but she bent down and sniffed the breakfast on the table in his direction.

“I can’t sleep. Ever since I had a baby, I can’t sleep in every morning.”

She combed her long, curly hair on one side, and her low-collar pajamas slid down, giving a panoramic view of the scenery under her collar.

Nian Yu’s eyes darkened, and he lowered his eyes in silence. you’ve worked hard.

Bai Qingqing’s smile was as bright as a flower. this is our child. I’m not afraid of suffering.

Nian lie hummed in acknowledgment and replied to her with a few casual words before asking her to sit down and eat.

Bai Qingqing looked at the table full of Chinese food and said unhappily, "no matter what, they're all things with a strong taste. I don't like them. I want to eat something sweet.

The servant at the side stepped forward. I'm sorry, miss Bai. The kitchen didn't prepare a Western breakfast, Yingluo.

"If you're not prepared, then go and prepare now."

Bai Qingqing took it for granted, but the way she looked at the servant in front of her was clearly unfriendly.

Last night, Nian lie had told all of them to be polite to her and treat her well. This morning, he didn't even satisfy her for breakfast.

At the thought of a certain someone missing at the dining table, Bai Qingqing felt even more unbalanced.

She sighed and said in a low mood, "

"My appetite has been bad recently, and I can't even have a good breakfast. It's so annoying."

The servant was afraid of angering her, so she looked at the men at the head of the table and said, "it was young master who asked the kitchen to make Chinese dishes because young Madam is not used to eating Yingluo."

"Pa-"

The sound of the chopsticks hitting the porcelain bowl was very loud, interrupting the servant's words.

Bai Qingqing bit her lip and looked at the man with an indifferent expression. "brother ran, what's wrong?"

Nian Xi wiped her lips and looked at her. "my hand slipped. Did I scare you?"

"Yingluo didn't."

Bai Qingqing didn't feel very comfortable.

She had a feeling that he had interrupted the servants' conversation on purpose because they had mentioned that slut.

Nian Jin stood up, buttoned up his suit, and instructed the servant, "

"Yingluo likes western style, so change it to western style in the future."

The people in the kitchen did not dare to say much and nodded in agreement.

The woman still looked hesitant. Nian lie came to her side, leaned over, and kissed her cheek.

Bai Qingqing couldn't hide her surprise.

Nian lie smiled gently and said, " I'm going to the office. Be good at home and do what you like. Don't tire yourself out.

Bai Qingqing was a little overwhelmed by the unexpected favor. She stammered. you're teasing me. I know. Be careful on the road.

mm! he replied in an extremely gentle manner.

He touched her head before getting up to leave.

At the dining table, Bai Qingqing was so shocked by his kiss that she felt like she was floating.

He would never do such a thing in the past. Why was he acting like a coward now?

Although she found it strange, at the thought of how tender and sweet he had been recently, Bai Qingqing didn't think too much about it.

At the entrance of the living room, it was directly facing the stairway.

Nian lie stopped in his tracks.

"Where's Madam?" he asked the servant beside him, frowning as he looked at the dark staircase.

I've called her, but the young Madam hasn't woken up yet.

Nian Yu started to worry about her.

However, when he thought of the woman in the living room, he pursed his thin lips, restrained himself, turned around, and strode out.

*

After Bai Qingqing finished eating the breakfast that the kitchen had just made, ning Qing still hadn't gone downstairs.

Thinking of what the servant had said, she deliberately asked someone to prepare a Western-style breakfast and personally carried it to the door of the master bedroom.

She cleared her voice and called out softly, "

"Sister, it's Yingluo. Are you awake?" she asked.

Chapter 106: Your eyes look like my sister (1:

Ten seconds later, the door opened.

Bai Qingqing's eyes curved into crescents. I saw that you didn't even come down to eat, so I brought it up for you.

Ning Qing remained silent. She glanced at the breakfast in her hands, and her pupils shrank.

When Bai Qingqing saw it clearly, her smile deepened.

“It’s not good for your health to skip breakfast.”

Without ning Qing’s permission, she pushed her aside with the tray and went in.

She put down the breakfast and looked around.

The wooden floor, beige curtains, and the orange-yellow bedside lamp.

Bai Qingqing felt uncomfortable.

Everyone knew that Nian lie was always dressed in black, gray, and white. Such a gentle outfit was really not his style.

Ning Qing didn’t want to talk to her anymore, so she said, ”

“If there’s nothing else, please leave.”

“Sister, don’t be in such a hurry to chase me away.”

Bai Qingqing walked up to her. The woman’s face was soft and fair without any makeup, and even if she didn’t show any expression, she was so beautiful that it made people feel ashamed.

She was very jealous and bragged. I heard that sister likes Chinese, but I don’t like it. Brother Zheng asked the kitchen to change the dishes. Sister, Qianqian, you won’t be angry, right? ”

Because of her innate advantage, ning Qing was a few centimeters taller than Bai Qingqing.

She lowered her eyes, her posture haughty, and her tone full of disgust. there’s no one here right now. Aren’t you tired of pretending? ”

The smile on Bai Qingqing’s face crumbled, revealing her original face.

“Of course I’m tired,”

“.....”

however, if I can let you know your place and get out of yunhuang No. 1 earlier, I’ll feel that it’s worth it no matter how tiring it is.

Ning Qing just looked at her, the coldness in her eyes obvious.

“You’re pregnant, so you’ll have a status sooner or later. You don’t have to be so anxious.”

Bai Qingqing sneered and crossed her arms before her chest. She said arrogantly, ” how can I not be anxious? the child will be born in eight months. I don’t want him to carry a bad reputation.

She had already experienced the most painful moment last night, but the woman’s words still hurt ning Qing.

She and Nian lie’s child had an affair.

She sneered and her eyes fell on her stomach.

He calmly reminded, ”

I'm not divorced yet. Are you here because you're afraid that everyone won't know that you're the third party?"

"You're so silly!"

"I'm his wife as long as we're not divorced." Ning Qing raised her chin slightly, her expression cold and serious. If you want to enter the Nian family with a proper name, you'd better learn to control your emotions first. Don't show everything on your face.

Bai Qingqing's face contorted in anger, and she couldn't help but mock, 'ning Qing, what's the use of being so high and mighty? In the end, you're just a pair of broken shoes that brother Ben doesn't want. I really don't know who gave you the face to be so proud!"

"....."

Ning Qing stared at her coldly. Her cold eyes met her flustered and exasperated eyes, and she froze slightly.

She was startled.

The first time he saw her, that strange feeling came back again.

Ning Qing narrowed her eyes and sized up the woman's face, which was without makeup.

Suddenly, a pair of smiling eyes flashed through his mind.

Her entire body trembled. At first, she was in disbelief.

Then, a deep sense of laughability and sadness seeped out of the corners of his eyes.

Bai Qingqing gritted her teeth. Just as she was thinking of how to retaliate, she heard ning Qing ask her leisurely, "

"Don't you know that you're very much like a person?"

There was something wrong with her tone.

Bai Qingqing turned her face to the side, and the angle made them look even more alike.

In the past, every time they met, Bai Qingqing would put on makeup and wear all kinds of cosmetic contact lenses. Today, she finally had no makeup on for once. However, this made ning Qing understand why she was favored by Nian lie.

Ning Qing smiled, her eyes rippling.

There was a hidden sting in his words.

"Your eyes are very similar to my sister's."

Chapter 107: It doesn't feel good to kill your own sister: does it?

That pair of slightly brown star-like eyes curved into a crescent moon when she smiled, but when she wasn't smiling, she was as gentle as water. Even when she was angry, she was so lively and spiritual.

It turned out that they were all ning SU's substitutes.

Something flashed across Bai Qingqing's eyes, but it quickly disappeared.

She gritted her teeth and denied, "what nonsense are you talking about?" How can I be like her!"

Ning Qing took out her phone and found a photo of her and ning su from a long time ago.

He turned his phone to the other side.

In the photo, two girls who looked quite similar were hugging each other and smiling at the camera. It was pleasing to the eye.

Bai Qingqing shifted her gaze away. She absolutely couldn't be disturbed by her.

"What do you mean by telling me this? Are you trying to say that brother Ben is treating me as a substitute for your sister?"

Ning Qing did not say anything.

Bai Qingqing smiled coldly. even if he's using me as a substitute, he'll still treat me better than you. Moreover, you're clearly more like your sister than I am. You should understand why Brother ran loves me instead of you, right? "

"....."

Bai Qingqing walked closer to her, leaned forward, and moved closer to her ear.

"It doesn't feel good to kill your own sister, does it?"

A malicious sneer fell into ning Qing's ears.

Her body seemed to be frozen. She was speechless in the face of this heart-wrenching humiliation.

Bai Qingqing gazed at her side profile, a smile on her face.

"It's a pity that even if she dies, you won't be able to get brother Yi's love."

The words that were like a curse broke ning Qing's psychological defense.

Her lips trembled. what did you say? "

Bai Qingqing propped herself up with an innocent expression.

"I didn't say anything," he said nonchalantly as he spread his hands.

"....."

"It seems that after your accident, your brain really isn't working well."

Ning Qing clenched her fists and could not control herself. She stepped forward and grabbed her wrist.

“What exactly do you know!”

Why did she always say things that seemed to know her past very well?

However, she didn't know about her past. Nian lie had already told her parents about it, so she couldn't question Wanwan.

Bai Qingqing's lips curled up into a mysterious and strange smile.

“You'll know soon enough.”

“.....”

The next second, the woman flung her hand away and fell backward.

Ning Qing's Black eyes narrowed. She saw that she had deliberately knocked into the coffee table and the plates, spilling pure white milk all over her.

Ning Qing's throat tightened. you ...

Bai Qingqing laughed without restraint.

Then, to ning Qing's shock, he pressed one hand on the broken glass.

Blood seeped out, and his scalp went numb.

Bai Qingqing's movements were slow. She wiped the blood on her hand onto her face, and her fair cheeks now had an astonishing color of blood.

Because of the pain, her expression twisted uncontrollably, and her smile was fierce.

“Ning Qing, I will definitely win against you.”

“.....”

“Argh! Help me!”

Ning Qing was hurriedly pushed away by the woman. When she looked over, Bai Qingqing had already run out, screaming.

A chill ran down her spine.

Her fingers trembled, and her eyes wavered.

*

The people from cloud Phoenix No. 1 had never known what method they could use to make Nian lie return so quickly.

The young master, who had always been cold-hearted, looked unreasonable, cold, and proud.

However, she didn't expect that the person would be standing in the hall ten minutes later after Bai Qingqing cried out in pain.

On the sofa, the woman was in so much pain that she was crying. The doctor was bandaging her wound.

When she saw that Nian lie had returned, she landed on her feet and rushed into his arms with tears in her eyes.

“Brother Yi, you’re finally back!”

She held his waist tightly with one hand and raised the other hand that was not bandaged.

“Yingluo, it’s so painful, wuyingluo”

She sobbed, very sad.

Nian lie’s back hurt from the impact.

He only managed to hold her when he tried to stabilize himself.

With a solemn expression, he asked, ”

“What’s going on?”

Chapter 108: Xuxu is so injured, why do you want me to believe you?

The servant beside him carefully replied, ”

it’s like this. Miss Bai was bringing young Madam breakfast upstairs. We were outside the door and we heard miss Bai’s voice not long after. She came out to walk around and this happened.

The maid’s words were true. After all, that was what they had seen.

Nestled in Nian lie’s arms, Bai Qingqing mumbled, ” brother che, I don’t know what’s wrong with my sister. I saw that she didn’t come down to eat, so I went up to see her. In the end, she got angry at me and pushed me down onto Qingqing.

The dirt on her body was very obvious, and the bloody wound was right in front of Nian lie, making it impossible for him to side with anyone.

His expression was calm as he helped her to the sofa.

“Treat the wound first, don’t let it get infected.”

“But it’s so painful, Yingluo.”

“I’ll get her to give you an explanation.”

Nian Xi lowered his head and consoled her. Bai Qingqing was overjoyed and nodded.

The doctor continued to treat her wound.

Nian Yu straightened his body, a chill spreading through his body.

“Where is she?” he asked.

“Young Madam is upstairs, the maid replied.

“Ask her to come down.”

“Yes.”

Ning Qing quickly went downstairs. On the dark gray leather sofa, the woman was wrapped in Nian lie’s arms. She was in so much pain that she did not dare to see a doctor.

She curled her fingers on the armrest and refused to look at the scene that made her heart ache.

He walked over, three to five steps away.

“What’s the matter?”

Her nonchalance made everyone look at her.

Nian lie held onto Bai Qingqing’s wrist, so it wasn’t convenient for him to get up. He could only turn his head to look at her.

“Yingluo’s hand, what’s going on?”

Ning Qing was unmoved. she hurt herself. It has nothing to do with me.

“.....”

Other than ning Qing, no one else would dare to say such a bold statement.

Sensing the man’s hesitation, Bai Qingqing retracted her hand and replied with teary eyes, ‘elder sister, even if you don’t like me, you can’t slander me like this! I’m not sick in the mind. I hurt myself, what do I want?’

Ning Qing retorted sarcastically, “ you know very well whether or not you’re sick.

Only the two of them knew about the situation at that time.

Ning Qing knew very well what kind of vicious person she was.

She had never felt that this Bai Qingqing was a woman with an upright mind. From the looks of it now, the fact that she would use self-harm to frame her showed that she was indeed a ruthless woman.

Bai Qingqing started crying again, her red eyes making her look pitiful.

She pouted her lips in grievance and tugged at Nian lie’s collar.

yes, I accidentally fell down. That’s why it’s like this. Brother yang, it’s really not sister’s fault. It’s my own fault.

Ning Qing had seen enough of her acting and was about to turn around to leave when she was stopped by a stern voice.

“Stop there.”

Nian lie glared at her coldly. His gaze was like a thin layer of ice, easily freezing her.

She could not move her feet and watched him walk to her.

He raised his hand and sent a slap flying.

“Pa-”

The entire world fell silent.

Nian Xi looked at her side profile, his voice frosty.

ning Qing, if you're not satisfied with me bringing Zhenzhen here, you can talk to me. Why did you hit her? ”

Ten thousand arrows piercing through the heart, that was all.

Ning Qing's eyes were filled with disbelief. Her bright and beautiful eyes were wide open, and crystal tears quickly flowed out.

His slap on her face didn't hurt, but it burned through her heart.

At that moment, he was filled with unwillingness, resentment, grievance, and anger.

They all rushed to the top of their heads.

She widened her eyes in anger to stop her tears from falling.

“You don't believe me?”

The sound was already broken.

Nian lie was unmoved. Huahua is so badly injured. Why should I believe you? ”

Chapter 109: Nian lie, you've won (1:

“.....”

A cold sneer spilled out.

Ning Qing had nothing to say.

Her teary eyes looked past him and landed on Bai Qingqing.

The originally pitiful woman was still pretending to wipe her tears, but the corners of her lips were curled up into a smug smile. She was not afraid of being seen at all.

“.....”

The moment she lowered her eyelids, tears fell.

Seeing her sad, Nian lie clenched his fists so hard that his palms hurt.

Then, a black shadow flashed in front of him.

The right side of his face was burning with pain.

Ning Qing stared at his side profile, her hand that had not fallen down was also trembling in pain.

“Nian lie, you’ve won.”

She was wrong.

She shouldn’t have thought that he would love her just because he was nice to her for a moment.

She should not have held onto his momentary gentleness and thought that it would last forever.

She shouldn’t have taken any chances with him, who had already brought a woman to the door.

She should never, ever, ever have lost herself in his bewitching love.

She should rather die than be immersed in those illusions.

In the end, she even fell in love with him.

“.....”

A deathly silence spread.

Ning Qing held back her obsession and wiped the tears from her face.

He straightened his body and went upstairs under everyone’s surprised eyes.

The man stood in place, his cold and terrifying aura spreading in all directions, and everyone’s faces turned pale.

Bai Qingqing cowered, her gaze flickering intensely. She was also extremely afraid.

However, the man walked towards her.

Bai Qingqing subconsciously swallowed her saliva. brother ran, is your Qingqing alright? ”

The coldness spread in all directions.

Nian lie’s voice was deep and hoarse. He looked at her bandaged hand and asked, ” does it still hurt? ”

Bai Qingqing shook her head.

He reached out his hand, and she raised her hand to block it reflexively.

The scene was a little terrifying.

Bai Qingqing touched her wrist, trying to ease the awkwardness. it’s fine now, brother ran. Don’t blame elder sister. It really wasn’t her fault, Qingqing.

Seeing how scary he was, she didn’t even have the mood to lie.

Nian lie lowered his head, his eyes wandering around her face, making her hair stand on end.

“What’s wrong with Yueyue?”

After a long while, when she was about to collapse, Nian lie finally hummed in agreement and told her to rest well. He then left for the office.

Nian lie left after he had achieved his goal of sowing discord.

Bai Qingqing only heaved a sigh of relief after she dismissed the group of trembling servants.

After this mess, she was exhausted and flustered, so she was not going to find trouble with ning Qing again.

She returned to her room and closed the door.

He found his phone and dialed a number.

While waiting for the call to be picked up, she was quite nervous and kept paying attention to the movements outside.

“Ka.”

The call went through.

Bai Qingqing’s face lit up. Hello-”

“How’s the matter?”

On the phone, the woman’s voice was gentle, but it was so cold that it was emotionless.

Bai Qingqing was in awe of the other party. I did as you said. Nian lie really misunderstood and even laid his hands on that woman.

“Oh?”

He attacked?

The woman’s lips twitched.

Bai Qingqing smiled cautiously and came to a conclusion. he’s very concerned about me and our child. He’s usually very gentle and patient, and doesn’t seem to care about her at all. I feel that it’s impossible for him to still love her.

The person on the other side seemed to let out a soft gasp.

Bai Qingqing trembled. I’m sorry, ” she said fearfully. I spoke too much.

report to me whatever he does next, ” the woman ordered coldly. do you understand? ”

Bai Qingqing held onto her phone, suppressing the fear and terror in her heart.

“Yes.”

The woman was about to hang up, but Bai Qingqing quickly asked, ”then I’ll go with the child, Qingqing.”

The woman warned coldly, ”

don’t forget who gave you the identity of Bai Qingqing. Remember your duty and do what you should do. Don’t ask questions you shouldn’t.

“Yingluo is.”

The call ended.

Bai Qingqing lost all her strength and fell onto the sofa.

She didn't know that every word she said had already fallen into the ears of others.

On a certain broad road, in a speeding car.

Lu Zhui passed the tablet to the man in the back seat.

"Young master, we caught him."

Chapter 110: If you do it again, I don't mind making what you said yesterday come true (1:

Nian lie's dark eyes were deep, and his coldness filled the car.

"Yes."

"Should we reel in the net now?" Lu Zhui asked after much consideration.

That woman's intention to get close to the young master was not pure, and he had finally caught her.

As long as they copied the recording and brought it to her, it would be the same as giving her a death sentence.

To his surprise, Nian lie denied his question.

"Why?"

The young Madam had already misunderstood to this extent. If she didn't make it clear now, there would be no need to clarify later.

Nian lie didn't answer his question.

"Wait a little longer," he said with a cold face.

Lu Zhui stopped asking.

The car was as quiet as ever.

Nian lie sat there stiffly, the wound on his back throbbing in pain.

However, no matter how deep the pain was, it could not compare to the slap on his right cheek.

Nian lie knew that she had used all her strength.

He must be extremely sad.

However, it was a little awkward.

The more he thought about it, the stronger the suffocating feeling in his chest became.

By the time she pulled herself back to reality, her palms were already sweating.

He lit a cigarette while trembling.

In the smoke, the pain brewing in his eyes could be clearly seen.

The hand that had just hit her trembled and could not be held firmly.

A cold smile bloomed on his lips.

The burning cigarette butt was caught in his hand.

The burning pain reached his heart.

With beads of sweat on his forehead, Nian lie's expression remained calm. His pale lips opened and closed, "

get Nian che to come over tomorrow.

*

Before he knew it, a night had passed.

Ning Qing received a call early in the morning.

She dragged her tired body out of bed, washed up, and prepared to go out.

Downstairs, when Bai Qingqing, who was watching television in the living room, saw her coming down, she felt both jealous and hateful.

Ning Qing had put on light makeup because she didn't want anyone to see her discomfort, but that had become the reason for her ridicule.

Bai Qingqing put on a fake smile. elder sister, where are you going? "

Ning Qing looked straight ahead and did not intend to respond.

The woman was not discouraged. She placed her bandaged hand on the sofa, revealing her round and beautiful nails and her slender fingers.

"I thought what happened last night made you sad. I didn't expect you to not take it to heart."

Bai Qingqing deliberately smiled, and her eyes and brows were very similar to ning SU's.

Ning Qing was dazed for a moment.

Without stopping, he walked through the living room and headed out.

"Big sister is dressed up so beautifully to meet people. If you don't know, you might think that you're going out to meet your lover."

Ning Qing paused.

She took a deep breath and turned around, her eyes covered with a thin layer of ice.

"A person's patience is limited, so please shut your mouth. Otherwise, I don't mind making what you said yesterday come true."

Yesterday, she was the one who had slandered her and injured her hand.

After that, ning Qing turned around and left, leaving the woman gritting her teeth.

A red convertible sports car was parked outside yunhuang No. 1's retro gate with complicated carvings.

The man had one hand on the car door, and his well-defined big hand was knocking on the door at a steady rhythm. He was wearing a pair of big sunglasses on his well-defined face, which covered his clear and handsome eyebrows.

He hummed a tune softly, his short hair blowing in the wind. He was wearing a black short-sleeved shirt and a square Jade around his neck, which softened his unruly aura.

The door in front of him opened, and a graceful figure walked out.

Nian Jin took off his sunglasses and waved at ning Qing with a bright smile.

"Sister-in-law, over here!"

Because of Bai Qingqing, ning Qing was in a hurry to leave.

She opened the door and got into the car. Nian che understood what she meant and stepped on the accelerator, speeding the car far away.

"....."

The car only slowed down when they reached the downtown area.

The entire journey to the underground parking lot was silent. Only then did ning Qing snap out of her daze and look at Nian che, who was waiting for her in his seat.

"Why are you looking for me?" she asked, pursing her lips.
