

Mr Nian 1101

[Chapter 1101](#)

1101 She is too cruel as: mother (1:

After Lou LAN left, she looked at ning su in a daze.

Her smile was uglier than her crying.

“Sister, is this the kind of mother you’re facing?”

“.....”

When Yan Sichen saw this scene when he went upstairs, he suddenly thought of something and rushed back to the ward.

He was at a loss as he looked at ning Qing who was crying. what did they do to you? Or did you do something to Hansu? Hanhan, don’t cry first. It’s not good for the child.”

Ning Qing only shook her head and could not say anything else.

*

When Nian lie received the call from mother ning, he rushed back to the hospital. Lou LAN had already left.

He looked for ning Qing in a panic. When he found her, he checked her up and down several times. ah ning, are you really okay? ”

Ning Qing was in a low mood and was not in the mood to deal with him. After a grunt, she pushed his hand away.

Nian lie was stunned. what are they doing here? ”

“Maybe it’s a warning, or maybe it’s a punishment.”

She was listless and in low spirits.

Ning Qing’s mother was also getting anxious. that scene just now was really scary. I thought they were going to arrest me. Who knew they were here for you and your sister? ”

“They were fine when I came back. Aunt ning, don’t worry too much,” Yan Sichen comforted her.

Mother ning heaved a sigh of relief. it’s good that they’re both fine.

Ning Qing forced a smile. mother, don’t worry. It’ll be fine.

Mother ning nodded. She was extremely tired. With her big belly, she slowly walked out of the ward and wanted to take a break outside.

In the ward, mother ning looked at Nian lie and asked the question that she had not dared to say earlier.

“I heard that the people from the Lou family came personally?”

Nian lie furrowed his brows. yes.

"Is there a master?: mother ning continued:

"Yes."

Mother ning was in a daze.

mom, don't worry, " Nian Yu comforted her. since ning said that she's fine, she must have already talked to the other party. Don't think too much about it.

Mother ning looked at him and sighed, her tone heavy.

"I'm fine. I just think that she's too cruel as a mother. What reason does she have to leave her daughter out for so many years? Besides, Qingqing and Hansu have been cute since they were young. If it were me, I would never be able to bear to part with them."

Nian lie's dark eyes were deep. perhaps there's a reason why he had no choice.

"Even if I had no other choice, I shouldn't have left the child without saying a word." Mrs ning did not agree with Lou Lan's decision. she's now looking for her two children. They're all grown up now, but they'll definitely be upset when they find out about this. There's no way they won't mind.

"....."

Yan Sichen stood aside and frowned slightly.

Nian lie's reaction was calm. Mother ning reminded him, " you should go and see Qingqing. Don't let her overthink.

Nian lie smiled bitterly. she won't want my comfort.

Her attitude towards him had made him unable to even care about Yan Sichen.

"You haven't even gone there yet. How do you know she doesn't want it?" mother ning rebuked.

She had been too obvious these days. When she saw him, she would hide. When she couldn't hide, she would pretend not to see him. He didn't even know what had made her unhappy.

This was what made him feel the most helpless.

no matter how stubborn this woman is, she still wants to be loved and pampered, " mother ning said earnestly. not to mention, she's pregnant. She wants people to pay attention to her and care for her at all times.

really? " Nian lie was skeptical.

"Nonsense, Would I Lie to You?"

Seeing that he was still hesitating, mother ning couldn't take it anymore.

"You're a man, why are you so wishy-washy? You were much more direct in the past. Even if she beat you up and scolded you, wouldn't that be better than now?"

[Chapter 1102](#)

1102 Let's have the wedding (1:

Nian Xi looked conflicted. she's pregnant. I'm just worried that she'll get too excited.

"The more afraid you are, the further she will go," Yan Sichen added.

Nian Yu pursed his lips, thinking about the consequences.

"Alright, enough of this nonsense. Hurry up and go."

Mother ning couldn't be bothered to listen to his explanation and pushed him out the door.

"Remember, if you're still thick-skinned, her temper will be smoothed out."

"Thank you, Mom," Nian lie said to mother ning in all seriousness.

"Go on, go on." Mother ning waved her hand in disgust and closed the door.

He turned around and smiled at Yan Sichen, feeling a little awkward. this child is even afraid of his own wife.

Yan Sichen hummed casually and looked at the door worriedly.

"....."

Nian lie stood outside the door for a while. He made up his mind and asked a nurse.

When he heard that ning Qing had gone up to the rooftop, his heart tightened and he strode upstairs.

The corridor was dark, and people passed by from time to time.

For some reason, Nian lie's heart was filled with anxiety and frustration.

He was afraid that something would happen to her, so he walked faster.

The moment the door was pushed open, a blinding light poured in.

He narrowed his eyes and stepped onto the rooftop.

On the other side, ning Qing put her hands behind her back, raised her head, and closed her eyes, enjoying the last bit of warmth of the summer.

The light in her eyes hadn't faded when she heard the voice. When she looked over, Nian lie's chest trembled.

"....."

He watched as the light in her eyes dimmed, and she became calm and cold.

"What are you doing here?"

Nian lie did not say a word. He took a few steps forward and pulled her into his arms.

Ning Qing trembled and started to struggle. what are you doing?! Let me go."

Nian Xi leaned close to her ear. don't move.

Ning Qing's face was tense. He was holding her, but he was also very careful to circle her upper body, not pressing on her stomach.

Her anger subsided, and what followed was a bitter and bitter feeling.

"....."

He hugged her for a long time, so long that her neck was stiff and painful. Then, he let go of her.

She pursed her lips and subconsciously avoided his eyes.

"Why did you come up to the rooftop yourself?" Nian Xi asked in a low voice, her heart aching.

Ning Qing turned her face away and put some distance between them. I'm just bored, so I came up to get some air.

"Why didn't you tell me? This place is not suitable for a pregnant woman like you."

Ning Qing's face turned cold. I'm pregnant, not a prisoner. You have no right to imprison my freedom.

Nian lie was hurt by her coldness. ning, I don't mean to lock you up. I just want you to know that you should tell me or my parents where you're going. Don't suddenly disappear, and don't suddenly come to such a dangerous place.

He was seriously explaining, and if one listened carefully, one could hear his helplessness and pampering.

In fact, he was no different from before these days.

Whether she lost her temper or treated him coldly, he was as gentle and patient as ever.

Ning Qing had a deep understanding of this.

However, it was also because of this that she couldn't get over the barrier in her heart.

"....."

She took a deep breath, and the gentle breeze calmed the discomfort and anxiety in her heart.

"I've had enough air," ning Qing said.

Then, she stood up to leave.

Nian Xi quickly grabbed her hand. Ning Qing frowned. what else do you want to say? "

Nian Xi looked at her. The wide long-sleeved dress covered her knees, revealing her pregnant belly and slender white legs.

Other than the obvious rejection on her face, she was still the woman he had loved from the beginning to the end.

His heart sank a little, and his voice became even more hoarse. ah ning, let's have the wedding.

[Chapter 1103](#)

1103 You're the one who broke up with me

Ning Qing had been waiting for a long time, but she had never expected him to say this. She was stunned.

Nian lie looked at her intently. I'm serious, ah ning. We've agreed to hold a wedding during the summer vacation. It was only because of an accident. But now that everything has settled down and father and mother have agreed, let's hold the wedding, okay? "

The sunlight was blinding. Ning Qing squinted her eyes, unable to see the sincerity on his face.

She was pricked by something and hurriedly lowered her eyes. Just as she was about to refuse, a touch of darkness reflected in her eyes.

Ning Qing's lips trembled. this is Zhenzhen.

Nian lie's palm was wide and thick, with distinct knuckles. In his palm was a square, black velvet box.

He smiled a little. open it and take a look.

Ning Qing's hand could not move, so he released her and opened it himself.

The bright light flickered in her eyes, and her mind was blank. Nian lie was already holding the ring in his hand. He smiled gently at her. look, it looks like yours.

He held her hand and made a comparison.

Indeed, there was not much difference.

After all, they were all made by the same person.

Ning Qing's lips turned white. when did you become a Wanwan? "

Nian lie's smile faded a little. I got it on the morning of the accident.

"....."

I've been waiting for you since then. I'm waiting for you to wake up. When you're done, we'll hold our wedding and you'll put it on for me.

However, later on, ning su became a vegetable, and they missed each other again and again.

Tears welled up in ning Qing's eyes. Her heart was moved, but she was also in great pain.

"Nian lie, I'm Yingluo."

"Ah ning."

He did his best to be gentle, and there was not a single trace of blame or annoyance on his face for the past few days.

What she had was deep love and affection from the beginning to the end.

“Put it on for me so I can protect you forever, okay?”

“.....”

Ning Qing’s heart throbbed uncontrollably, and the sharp pain became clearer and clearer.

She could no longer look into his dark eyes and closed her eyes.

Her tears fell.

Nian Xi immediately panicked. what’s wrong? Why are you suddenly crying? Yingluo, are you unwilling, ah ning?”

Ning Qing suppressed her pain. When she opened her eyes, her love had disappeared, leaving only bitterness and calmness.

“I don’t want to.”

Nian lie’s eyelashes fluttered crazily. Under that sincere smile, a faint sense of hostility emerged.

“Why?”

Ning Qing shook her head. don’t ask.

Nian lie grabbed her hand tightly, his expression slightly twisted. you’ve been lukewarm to me these days. You’re like a completely different person from before. I thought you were throwing a tantrum, but ning Qing, this is a marriage! I’m the one who wants to make you and our child public, and you’re saying you don’t want to!”

Ning Qing still shook her head. don’t ask anymore. I won’t tell you the reason.

The aura around Nian lie’s body suddenly turned cold. It was an even more terrifying aura after a long period of restraint.

“Ah ning, have I been treating you too well recently that you think I’ll take a step back in these things?”

He grabbed her chin, not allowing her to escape.

but I’ve clearly told you that it’s always been your choice to be with me. You’ve chosen me, so you can’t regret it for the rest of your life, you know? ”

Ning Qing was frightened by his demonic look. Tears fell from her eyes, and her heart felt like it was being torn apart.

“But you didn’t want me,” she said, her lips trembling.

Nian lie’s entire body trembled. His eyes were pitch-black and bottomless. what did you say? ”

“It’s you. You were the one who broke up with me. You were the one who refused to protect me! You’re the one who harmed me!”

[Chapter 1104](#)

1104 You can hate me (1:

Nian lie's eyes narrowed, and his heart almost stopped.

"Yingluo, you remembered?"

His voice trembled as he loosened his grip. Ning Qing stumbled back and escaped from his grip.

"Yes, I remember everything."

As soon as she finished speaking, his body swayed and he squeezed out an inexplicable expression.

"When did you remember?"

"The day I woke up."

"....."

It turned out that she had remembered everything from a long time ago.

Grief and pain flashed across Nian Xi's face, but it quickly disappeared.

He was calmer than he had ever been, even though his heart was in so much pain that he had lost consciousness.

"So, you've been rejecting me these days because you've remembered the past?"

Ning Qing bit her lip. Zhenzhen is!

Deep self-deprecation filled his mind, and tears welled up in his eyes.

"Ning Qing, the good things you've done these days are not enough to make up for your hatred, is it?"

Was she still going to live in the past and not jump out of it?

Ning Qing's tears continued to flow as she sobbed, "you and I have never been my choice from the beginning!" Ever since that night you forced yourself on me, you've changed the course of my life!"

She looked at the tall man and clenched her chest in grief.

"If it wasn't for you, I'd have been open and aboveboard my whole life. My parents wouldn't have hated me or tortured me, my sister wouldn't have been in trouble, and I wouldn't have been tortured by guilt to the point of severe depression! I wouldn't have gotten pregnant at such a young age and ended up lying in bed for two whole years!"

"....."

He said it!

She had finally said all the words in her heart!

But why was it that she didn't feel the joy of relief, but instead felt so heartache that she couldn't breathe?

Ning Qing didn't know how much she hated and resented him, but the way she looked at Nian lie said it all.

"I shouldn't have met you. Everything is wrong!" She said:

"....."

That gaze of hatred pierced straight into Nian lie's heart.

He seemed to have been cut into many pieces by her. Blood was dripping from the inside, but his face was calm.

He lowered his eyes, hiding a great deal of sadness.

"So, you really hate me that much."

"You're the one who doesn't want me!"

"....."

Nian lie closed his eyes and suddenly smiled.

Ning Qing looked at him and smiled, feeling even worse.

The red sun hung high in the sky, but the sunlight was no longer scorching.

The man's back was bent, and he no longer had his usual cold and imposing manner.

"It's my fault, you can't blame me," he said.

He admitted it.

Ning Qing did not even ask him how he had managed to get her parents to agree to marry her.

But now, she no longer had the courage to ask.

She was like a pufferfish, after releasing all her resentment and hatred, what was left was endless confusion and helplessness.

"....."

It was unusually quiet between the two of them.

you can hate me, " Nian lie said in a deep voice. you can hate me however you want. Ning Qing, don't hurt yourself and the child.

Ning Qing's heart ached, but she did not respond.

"If you don't want to hold a wedding, then don't."

"....."

She bit her lip as if she was about to bleed.

we've already made things clear, " Nian lie said. you don't have to pretend anymore. It's too hard to hold it in.

Ning Qing didn't say a word, but her tears flowed freely.

She nodded her head randomly, but he looked at her gently.

you can decide for yourself whether you want to tell mom and dad about this. The situation isn't good now. The Lou family is a big threat to you. The reason why mom and dad agreed to let us remarry was that they were afraid that the Lou family would harm you.

Ning Qing had never thought about this, and she did not expect him to be so honest.

...

[Chapter 1105](#)

1105 You've changed a lot recently (1:

Looking at her dazed expression, Nian lie was overcome with sorrow. He looked up into the sky and said, " I didn't want to tell you back then because I was afraid that you would end up like this. That's why I carried this lie with me for a few years.

""

I also thought that it would be better if you didn't know. Perhaps you would fall in love with me again, and I would continue to dote on you and love you as I did in the past. Just like before, we could live happily together, but there are always so many accidents. It was the same seven years ago, and it was the same four years ago.

Ning Qing knew what he was talking about.

Seven years ago, it was because of the Nian family's enemies that the two of them were tied together. Then, they were separated because of Ning Su's accident and his parents' interference.

Four years ago, it was also because Bai Qingqing urged her to be a member of the Nian family's parents. In other words, it was also because of his parents.

Ning Qing was even sadder. There seemed to be something between them forever.

Nian lie turned around and let down his last guard against her.

I'm sorry, Ning Qing. I said I would protect you, but I've never done it since seven years ago.

Ning Qing's eyes were in so much pain that she couldn't shed any tears. She could only close her eyes and shake her head.

""

What had changed, but it also seemed like nothing had changed.

Nian lie held back his tears and gave her a relaxed smile. He reminded her considerably, " you've been here for too long. The weather's too strong. You'd better go back.

Ning Qing's eyes were filled with tears. The two of them had nothing to say.

She nodded and stiffly lifted her legs to leave.

"Ah ning."

He suddenly called out to her.

Ning Qing turned around and only saw his back.

It was as if he had always been this lonely and lonely.

"What's wrong?" she couldn't help but ask.

"I'm fine."

"Hello, Yueyue."

"Can we not be separated?"

When he said this, he knew that she had already left, but he still muttered it to himself.

The only response he got was a gentle breeze.

The man's face was lowered, and the corners of his eyes were red.

The large palm was raised and spread out unnaturally.

The ring on his palm emitted a strange brilliance that would never be extinguished.

"....."

Under the scorching sun, Nian lie raised his other hand, pinched the ring, and slowly and solemnly put it on the ring finger of his left hand.

"You're the only one that's mine."

When he said yes, he revealed an absurd and pale smile.

*

Mother ning was very puzzled.

Ever since she had said those words to Nian lie, she had thought that the two of them would patch things up very quickly.

Unexpectedly, ning Qing and Nian lie had not reconciled. It seemed like they were getting further apart and were unwilling to do anything together.

Nian lie could actually understand. He was afraid that she would be even sadder if he got too close to her.

As for ning Qing, she could not find any way to face him.

She didn't tell her parents that she was thinking about the past, probably because she didn't want them to worry.

Just like that, another two months passed.

Ning Qing's stomach was already nine months old, and the date of delivery was getting closer.

In order to avoid any accidents, Nian lie had opened a special ward in the hospital and allowed her to stay there.

Ning Qing did not refuse.

No matter what, she had high hopes and expectations for this child.

She would give birth to him.

Nian lie wasn't the only one who was afraid of the child. Even Mr. And Mrs. Ning were a little jittery.

Ning Qing was in a good mood. She wanted her child to be born healthy.

However, he did not expect an uninvited guest to come.

*

In ning SU's ward, ning Qing's stomach was too big, so it was not convenient for her to wash her body. She could only sit beside her and talk to her.

"Qingqing, you've changed a lot recently." Yan Sichen laughed when he saw that she was talking about her daily life.

[Chapter 1106](#)

1106 I'm not obliged to give you a good face (1:

"What's wrong?" ning Qing asked.

"It's been a long time since I've seen you talk so much. The last time was when we were little."

yes, " ning Qing blinked and said indifferently, " when you came back seven years ago, I had just been sick and didn't talk much.

Yan Sichen was stunned when she mentioned what happened seven years ago so calmly.

After he came back to his senses, he looked at her in surprise. you remember? "

Ning Qing fluttered her eyelashes. yes, I remember.

Yan Sichen accidentally cut his finger with the knife he was using to peel the Apple.

Ning Qing frowned and passed him a tissue. be careful.

Yan Sichen covered his bleeding finger in a panic and asked again,"you remember?" Everything?"

Ning Qing calmed her mind and nodded.

"....."

She smiled at the man who was in a daze. thank you, brother Sichen, whether it was seven years ago or now.

Yan Sichen's face was filled with pain. Zhenzhen, if it weren't for me, you wouldn't have been bedridden for two years. Qingqing, I'm too weak and can't face you who failed the drug test. I'm sorry, uncle ning and aunt ning.

His apology had been suppressed in his heart for seven years, and he had finally vomited it out.

Ning Qing didn't care. She smiled faintly. without that medicine, I might not even have the courage to live. Although he was lying in bed for two years, at least he has woken up.

"....."

"Brother Sichen, you really don't have to blame yourself. I've never blamed you."

With just one sentence, he had resolved the knot in his heart for many years.

"Thank you, Qingqing." Yan Sichen's eyes turned red and he felt much more relaxed.

She shook her head and looked at ning su. I still have to trouble you, " she said meaningfully. come and see my sister more often.

Yan Sichen looked at ning SU's face. She was no longer the gentle woman in his memory, but he had gotten used to it these days.

When he found out that Lou Si was ning su, he was surprised.

However, when she thought about what her parents had said, everything seemed to make sense.

you're my sister, and so is Hansu, " he replied. if visiting her can wake her up, I'm willing to come every day.

Ning Qing looked at the man's gentle face and did not expose some of her thoughts.

The two of them chatted for a while before she got up and said she was going for a walk downstairs.

Yan Sichen wanted to accompany her, but she rejected him.

"....."

Downstairs, ning Qing met a familiar person before she could take two steps.

She only glanced at him and pretended not to know him.

Shen Yao blocked her way. Her face turned cold. master, please move aside.

Shen Yao did not talk nonsense with her. His eyes were still cold. I just came to see you.

"I remember that I said last time that if we meet again, please pretend that we don't know each other."

Shen Yao was helpless. After knowing what Lou Chi did to her, he fell into an unprecedented suffering.

He didn't look as cold and unkind as before, and his tone had a special fluctuation.

ning Qing, I'm just here to see you. Don't point all the thorns on your body at me.

"I'm not obliged to be nice to you."

“Especially after you’ve hurt me,” ning Qing added, trying to avoid him.

Shen Yao’s thoughts tightened and he grabbed her wrist. when have I ever harmed you? ”

Ning Qing got angry. when we met at the coffee shop, don’t you know what you added to my water? ”

Shen Yao’s eyebrows relaxed. He said in a deep voice, ” I don’t care if you believe it or not. It wasn’t me.

[Chapter 1107](#)

1107 Glory for glory, loss for loss for all (1:

Shen Yao, your appearance is always so untimely. I have every reason to believe that it was you.

Her grudge against him was already too deep, and he was not good at explaining.

Shen Yao pursed his thin lips. as you wish.

Ning Qing’s eyes were cold. let me go.

He slowly let go of her, and ning Qing was about to leave.

“Lou qingyue is here.”

Ning Qing stopped in her tracks and turned around. what did you say? ”

Shen Yao struggled a few times and made up his mind to turn his head to look at her. His eyes were as sharp as before.

Lou qingyue is here. She’ll find you in ten minutes.

“.....”

ning Qing, no matter what news she brings you, I hope that you won’t go against your own wishes and do what you want to do.

Ning Qing wanted to sneer, but she was stopped by the seriousness in his words.

She calmed herself down. you just wanted to tell me this? ”

“.....”

Shen Yao did not answer.

She saw that he was less cautious. Just as she was about to ask him who he was, he hurriedly approached her.

Before she could scream, Shen Yao was extremely close to her, so close that she could see the complicated emotions in his eyes.

“Trust me, I won’t harm you,” he said:

“.....”

Her small face was surprised. He clenched his fists and forced himself to look away. He turned around and left quickly.

It was as if he had never been there before.

Ning Qing stood in the cold resting area, the man's warmth still lingering on her hands.

She frowned, held her stomach, and turned to go upstairs.

*

Sure enough, Lou qingyue arrived at the hospital ten minutes later.

She twisted her waist unhurriedly and entered the ward. When she found that ning Qing was alone, she laughed proudly.

"What's wrong with such a big belly? aren't you about to give birth? Didn't your precious husband come to watch over you?"

Facing her sarcasm, ning Qing put on a straight face. you have the time to come to Ye City. Is the Lou family going to fall? "

Lou qingyue waved a black feather fan in her hand. She sat on the chair that her subordinate had pulled over. She crossed her long legs and replied half-jokingly, " it's almost done.

Ning Qing half-leaned on the bed. in that case, you should stay well in Jingdu. Otherwise, it's easy to get into trouble.

Lou qingyue's Red lips let out a pleasant laugh as if she had heard a funny joke.

"Haha, it's indeed going to collapse, but it's not the Lou family that's collapsing."

"....."

She looked at ning Qing with her charming eyes and said arrogantly, " the old master's power has collapsed.

After saying that, she burst into laughter again and couldn't stop it at all.

Ning Qing stared at her and saw that she was smiling so happily. isn't the Lou family bound together for good or bad? What are you so happy about when she's gone?"

Lou qingyue had never thought that ning Qing was stupid, but now she felt that she was extremely stupid.

She disdained to answer her question. She gently waved her feather fan and said seemingly unintentionally, " say, how can you attract so many men's hearts with your big belly? "

"....."

She pretended to feel pity and sighed. it's fine if it's just Nian lie. Even my brother has a special liking for you. Ning Qing, what kind of Gu did you put on them? "

Younger brother?

Speaking of her brother, Ning Qing immediately thought of the dead Lou Chi.

That man was her nightmare.

She held her breath and suppressed her hatred and disgust. Lou Qingyue, stop talking nonsense! she said. Lou Chi listened to your words and put his life on the line to harm me. Now that he's dead and I'm not, are you very angry?"

[Chapter 1108](#)

1108 Why aren't you reacting?

Lou Qingyue's eyes narrowed, and she was not moved at all.

Ning Qing tried to read her expression, but to no avail.

Lou Qingyue's tone was casual. It's just a man. He's not the only one who lost his life for me. It doesn't matter if he's the only one.

She suddenly sneered. It was unknown if she felt sad for Lou Chi or if she felt that he deserved it. It turns out that he is nothing in your eyes.

"I'm not talking about this younger brother," Lou Qingyue said.

Ning Qing focused her attention. The next moment, a name popped up in her mind.

That's right," Lou Qingyue said. He's the man you saw ten minutes ago.

Ning Qing's pupils contracted. Shen Yao is one of your people?"

"What else did you think?"

"....."

Ning Qing clutched her subordinate's blanket tightly. So you were the one who ordered him to approach me?"

Lou Qingyue snorted. You can say that.

Ning Qing could not hide her shock. The other party continued, "It's a pity. My brother's soul has been stolen by you. Every time I give him a mission, he refuses to do anything for you. So, Yingluo.

Ning Qing suddenly looked at her. So what?"

So, when I take the position of the head of the family, the first thing I'll do is to kick him out of the Lou family.

For her?

Didn't he want to harm her before?

The man's sharp and cold eyes appeared in her mind, and the seriousness in them was not fake.

It was just that she was previously skeptical.

Lou qingyue didn't want to give her time to digest it. She smiled and said, " Oh right, I have another good news to tell you.

Ning Qing looked at her warily. She found it funny and laughed out loud again.

Ning Qing glared at her. are you done laughing? "

Lou qingyue raised her hand and wiped the tears from the corner of her eyes with her index finger. let me tell you, " she said in a malicious tone. Lou LAN has already stepped down.

""

she's currently under house arrest in the Lou family's house. Before I came to Ye City, I heard that she was very sick and hadn't eaten for three days. She sounded very pitiful.

As she spoke, she glanced at ning Qing, admiring her anger.

One second, two seconds, three seconds.

Lou qingyue couldn't hold back her smile. why didn't you react? "

Ning Qing was expressionless. what reaction should I have? "

Lou qingyue glared at her. Lou LAN is your and Lou SI's biological mother. Have you forgotten? Don't you feel bad for Yingluo at all when your own mother is in such a state?"

Ning Qing's voice was cold. heartache? Lou qingyue, I think you've made a mistake."

""

"I've never had any feelings for her since she abandoned me more than 20 years ago. So what if I know she's my birth mother? She has never loved me or cared for me. What right does she have to make my heart ache?"

Lou qingyue's mind was in a mess.

Not to mention what kind of person ning Qing was, some people said that Lou LAN was suggesting to the elders to change the candidate for the successor in an attempt to turn the situation around. That was why her mother had sent her to test ning Qing.

Her reaction stunned him.

Could it be that Lou LAN had acted on his own and had not told ning Qing?

Even someone as smart and cunning as Lou qingyue could not tell if ning Qing knew anything.

She smiled inexplicably. it seems that you hate her very much.

"I don't hate, but I don't have feelings for you either," ning Qing said.

Lou qingyue smiled. that's the best.

""

“But it doesn’t matter anymore. Ning Qing, after I become the head of the family, we’ll slowly settle the score.”

She threw out these provocative words and got up, ready to leave.

The subordinate bowed respectfully and opened the door of the ward.

In the next second, Lou qingyue’s proud face froze.

1109 You have no right to point fingers at them (1:

Outside the door, all of her people had been restrained.

Nian lie’s cold eyes stared at her, and a sharp icicle flashed across his eyes.

what? ” Lou qingyue sneered. you two are playing with me? ”

“You’re being too serious.” Lou qingyue, don’t take everyone for fools, ” ning Qing replied from behind her. if I don’t make any preparations even though I know you’re here with bad intentions, wouldn’t I just be waiting for you to deal with us later? ”

Lou qingyue turned around. The cold light in her eyes wanted to kill her.

“What do you want?”

She was still as proud as ever and was not affected in the slightest.

“Did you really imprison her?” ning Qing asked, narrowing her eyes after a moment of thought.

Lou qingyue snorted and laughed. Her cold eyes were captivating.

“Otherwise, do you think I’m joking with you?”

Ning Qing’s hands clenched tightly.

“You won’t let me go?”

Lou qingyue didn’t beat around the bush. no matter what, you’re still her daughter. She’s been ruined in my hands, and you’re her sister too. If I let you go, would you let me go? ”

Ning Qing pursed her lips.

She was right.

Even if she didn’t consider the fact that Lou LAN was her mother, she would never let Lou qingyue off easily just because she had harmed her and ning su.

“If you don’t understand, then don’t talk.”

Nian lie walked past Lou qingyue and went to ning Qing’s side, looking like he was protecting her.

when Miss Lou has the time, she will come here to report the progress to us. We can’t be unprepared.

Lou qingyue looked at his attitude and glared at him unwillingly.

in order to prevent my family from being involved in the Lou family's Affairs too early, I can't be too indulgent and polite to you.

Lou qingyue's eyes widened. what are you trying to do? "

Nian Xi's face was as cold as ice. please stay in Ying city for a little longer, just in case.

Lou qingyue understood and cried out in disbelief, "you want to imprison me?" Nian lie, have you thought it through? I'm Lou qingyue!"

"....."

She pointed at ning Qing. you're going to make me your enemy just for a woman who's nothing? "

Nian lie's Black eyes were cold. He took a step to the left and blocked ning Qing completely.

I think you've misunderstood. She's not any other woman. She's my wife. Her family is my family as well. They're my everything. You have no right to tell them what to do.

Lou qingyue was so angry that her face turned sinister. you're crazy! Aren't you afraid that the Nian family will be in trouble as well? Have you ever thought about your parents? they're ..."

Nian lie didn't want to hear it. He gave Lu Zhui a look.

Lu Zhui immediately ordered two of his men to stand in front of her. With a cold expression, he said, "Miss Lou, my Madam's body is weak. She can't be scared. Please leave.

"....."

Lou qingyue's chest heaved up and down. Her face was dark and angry. you will regret this!

With that, she turned around and walked out.

Soon, the ward returned to its peaceful state.

Nian lie turned around and looked at ning Qing, who was in a daze. His voice softened. it's alright now. Don't worry.

Ning Qing suddenly came back to her senses, her heart aching because of what he had just said.

She tried her best to shake off this feeling and turned to look at ning su on the bed.

"Are you going to keep her locked up like this?"

Nian lie's dark eyes darkened. He was heartbroken by her rejection, but his expression did not change. locking her up is not a long-term solution. The Lou family knows about it. They will probably send someone to save her soon.

Ning Qing thought of Lou qingyue's threat and hesitated. actually, you don't have to get involved. This is just a war between me and my sister, and the Lou family.

1110 I won't act rashly _1

The Nian family had a big business, but they were still not as good as the Lou family. How could she drag the Nian family into this?

Nian lie gazed at her face tenderly. ah ning, I've said it before. You're my wife. It's my duty and responsibility to protect you and your family.

Ning Qing raised her eyes. but you know, I don't want this to happen.

Nian lie's chest trembled, and then he fell silent.

Of course, he understood what she meant.

Their previous happiness was an illusion, he had used lies to deceive them.

She would not be immersed in those fake happiness, because she had been hurt so thoroughly by him.

The man lowered his head slightly and his voice became hoarse. ah ning, I don't mean anything else. I just want to protect you and your family, and our child.

The child

Ning Qing clutched her bulging stomach. She had almost forgotten about this matter these days.

It was clear that the relationship between them should have ended after she remembered everything.

However, this child had inexplicably become the bond between them.

Ning Qing made up her mind and was determined to speak,"this child ..."

"Clang clang clang"

The sound of hurried footsteps was heard. Ning Qing looked over and saw that her parents had rushed over.

"Qingqing, how are you?"

"I heard that someone from the Lou family came. Did they do anything to you and Hansu? How's the child? Are you alright?"

Ning Qing's mother pushed Nian lie aside and quickly began to examine ning Qing's body. Meanwhile, ning Qing's father came to the bed and carefully observed ning su.

Ning Qing quickly consoled them. father, mother, sister and I are fine. We're completely fine. Don't worry.

The ning family's parents didn't care about what she said and only heaved a sigh of relief after the examination.

Mother ning frowned and asked,"is the Lou family really that free?" Why are you running to Ying city for no reason?"

"Are you here to cause trouble?" mother ning asked worriedly. Qing Qing, tell me quickly."

Ning Qing was helpless. She felt that there was no way to hide it, so she told him everything.

After she finished, both mother and father ning fell silent.

"Has she really been locked up?: father ning asked after: long time:

Ning Qing hesitated for a moment before she realized who he was asking about. She nodded.

Mother ning and father ning looked at each other, their emotions spreading.

Ning Qing didn't want them to worry, so she pretended to be relaxed. dad, mom, don't worry. We've already controlled Lou qingyue. The Lou family shouldn't dare to make any big moves. We'll be fine.

The two of them still did not speak. Ning Qing subconsciously looked at the man beside her.

Nian lie noticed her gaze. He said in a deep voice, " ah ning is right. It's one thing for Lou si to control the Lou family. But her daughter is in our hands. She won't act rashly.

""

dad, mom, don't worry. I'll do my best to protect you.

Mr. Ning sighed. there's nothing going on between her mother and I. The main issue is you guys.

He glanced at ning Qing's stomach, then at Nian lie. the baby is already so big, and Qingqing is not in good health. What if something happens to her at this time? "

I've already hired a professional doctor in the industry, " Nian lie said. there won't be any problems.

Father ning hesitated. Mother ning walked to ning Qing's side and asked, " Qingqing, what do you think? "

Ning Qing was stunned for a moment. Then, she said calmly, " I don't have anything else to think about right now. As long as I give birth to the child and my sister gets better, that's what I want the most right now.

Hearing this, Nian Ying heaved a sigh of relief.
