

## Mr Nian 1121

### [Chapter 1121](#)

1121 Qing Qing, protect yourself (1:

Ning Qing held ning SU's hand and was reluctant to part, but they had to part in the end.

She wiped her tears, said okay, and got up to make way.

The people outside came in one after another, including the accompanying doctors. They carefully turned ning su around and pushed him away.

Ning Qing took a deep breath and did not look at Nian lie. let's go.

She straightened her back and walked past him.

He raised his hand to hold her wrist. Ning Qing turned her head, her face indifferent. what's wrong? "

Nian Xi's face was dark. she'll get better. Everything will be fine.

Ning Qing had just suppressed her emotions, but when she heard him say this, she felt sour again.

Her throat rolled a few times. She closed her eyes and nodded gently.

Nian Yu's eyes were filled with relief. let's go.

The group of people set off from the hospital, and it was time to part in less than half an hour.

Father ning and mother ning looked at ning Qing. The nanny beside her was holding youzi. The child did not cry or make a fuss. She was sleeping soundly.

Mother ning had a lot to say, but in the end, she just held ning Qing's hand and said, " Qingqing, take care of yourself. Your father, your sister, youzi, and I will be waiting for you.

Tears welled up in ning Qing's eyes. I will, mother.

Mr. Ning said in a heavy tone, " you and Nian lie should take care of each other. Don't think too much about it now.

"I know, dad. You and mom take good care of yourselves." Ning Qing and the two of them hugged each other. Finally, she came to youzi and kissed her soft face. mommy will be back soon. Be good and listen to Grandpa and Grandma.

She turned around and faced her parents with a smile. I'll have to trouble you to take care of her and my sister. I'll try my best to return to you as soon as possible.

Mrs ning nodded. I will. Don't worry.

"....."

Nian lie stepped forward and stood side by side with ning Qing. He made a solemn and serious vow. father, mother, don't worry. This time, I'll definitely protect her well.

Mother ning's eyes were filled with tears while father ning nodded his head repeatedly.

The wind was strong outside. Ning Qing held back her tears and smiled. go.

The two of them turned around reluctantly and helped each other onto the plane.

The child in the nanny's arms seemed to have realized something. He suddenly woke up and started crying.

Mother ning was surprised. When ning Qing heard the crying, her heart was filled with reluctance.

She couldn't help but rush over to hold the child in her arms, her tears uncontrollably flowing.

"Little youzi, be good. Mommy can't bear to leave you, but mommy has to do something very dangerous, so I can't take you with me. Be good and don't cry."

She kissed the child's cheek again and again, as if she was trying to express her love for her.

Nian lie stood behind her, shielding her and the child from the wind and frost. His eyes were gentle as he coaxed her. don't cry. Daddy will stay by mommy's side. She'll be fine.

Youzi stopped crying after he said that.

Ning Qing's palm was cold, and she didn't dare to wipe the tears on her daughter's face. She only looked at her daughter's face seriously, so that she could remember her appearance in her heart.

Nian lie felt stifled and couldn't control himself. He went up to her and wrapped his arms around her waist, holding the child in his arms.

Ning Qing wanted to resist. He said, " youzi is still watching. Are you sure you want her to see us for the last time because her parents don't get along? "

Ning Qing was stunned.

Nian lie deliberately ignored the aura coming from her. His dark eyes were filled with tenderness as he said to his daughter, " listen to Grandpa and Grandma and grow up well. Mom and I will come back. I promise you.

"....."

Youzi reached out her hand, and ning Qing subconsciously held hers. Nian lie also happened to hold hers.

#### [Chapter 1122](#)

1122 I'll definitely make you pay with your blood (1:

For the first time, the family's hands overlapped.

Ning Qing's eyes flickered, but she did not break free.

Nian lie smiled slightly, enjoying this last warm moment.

"....."

Five minutes later, ning Qing watched as the plane took off and gradually disappeared into the sky.

Lu Chaoshan went up to them. young master, Madam, everything is ready. We can take off now.

“Let’s go,” Nian lie nodded and said to ning Qing.

She retracted her longing gaze, and her steps and figure became determined.

\*

Four hours later, the plane landed at a private airport in the capital.

When they got off the plane, ning Qing and Nian lie walked out from this side and were discussing something. On the other side, Lou qingyue had also arrived.

The three of them crashed into each other.

Lou qingyue had been detained for a long time. She felt sullen. When she saw the two of them, she ridiculed them. do you think that you can stop the Lou family’s power from falling by bringing me along?  
” Stop dreaming, ning Qing. Let me tell you, even if you kill me, you won’t be able to turn the situation around!”

Ning Qing stopped in her tracks, her eyes cold. you’re very confident.

Lou qingyue laughed arrogantly. not only do I have confidence, but I also want to tell you that you will definitely lose when you return to the Lou family this time!

The weather in the capital was cold and dry, and the cold wind felt like knives cutting at one’s face.

Ning Qing narrowed her eyes and retracted her hand from her coat pocket. She walked directly towards Lou qingyue.

That aura was indeed somewhat cold and arrogant.

However, Lou qingyue couldn’t lower her head. She raised her chin and looked at her with disdain. after giving birth, you sent away the people you care about? is that your ability? Ning Qing, it’s not that easy. No one you care about can escape!”

Ning Qinghu used all her strength and slapped her face.

“Pa!”

Nian lie frowned and looked at the two of them.

Half of Lou qingyue’s face was numb. She looked at the cold-faced woman in disbelief. you, ran ran, you dare to hit me?!

“I should have hit you a long time ago.”

Ning Qing’s face was cold, and her eyes were cold and sharp.

“You harmed me time and time again, and now you’re threatening me.”

Lou qingyue was furious and was about to hit her.

However, ning Qing grabbed Lou qingyue’s collar and pinched her other hand.

in the past, I was too apprehensive. I let you step on my head step by step until I was a bloody mess. However, Lou qingyue, I don't mind if you hurt me. But if you want to hurt my family, I will make you pay with your blood.

"....."

Her eyes were as cold as a knife. listen carefully. From today onwards, I will never let anyone who hurts me off!

She suddenly pushed Lou qingyue away. The other party was not prepared and fell to the ground in a sorry state.

"You, you, you, you, you, you, you ..."

: Keep: close eye on her.: Ning Qing glanced at her coldly and ordered the others:

"Yes."

Lou qingyue watched as she turned around and got into the car. She was so angry that her chest heaved up and down, and her eyes were spitting fire.

Just now, ning Qing's cold and terrifying aura had completely changed into a different person!

She didn't believe that she dared to talk to her like that!

"....."

Nian lie looked at the woman on the ground coldly and got into the car as well.

A certain emotion in Lou qingyue's heart swelled up. She wanted to scream, but in the end, she forcefully suppressed it.

"Miss Lou, please get up and get in the car."

The reminder from the bystanders made her even angrier.

Even a subordinate wanted to bully her!

She was unwilling to accept this!

She must make this b \* tch ning Qing pay for the humiliation she had suffered today, ten times, a hundred times!

\*

### [Chapter 1123](#)

1123 An agreement with Lou si (1:

In the carriage, Nian lie would occasionally look at ning Qing.

Ning Qing was furious. She glared back at him. what are you doing? "

Nian lie coughed unnaturally. I just wanted to ask if your hand hurts.

Ning Qing was stunned. One side of her palm was numb, and it really hurt.

She was really too angry just now. She didn't care about the situation and went up to slap him. Now that she thought about it, she really felt a little impulsive.

She didn't say anything. Nian lie sat down beside her and took out a tube of ointment from the first aid kit.

Ning Qing retracted her hand. I'm fine.

He looked at her and twisted her hand gently yet forcefully.

As expected, it was completely red.

He pursed his lips. As he moved, he warned, "in the future, let someone else do such things. Don't do it yourself.

Ning Qing wanted to reject him, but seeing his slightly worried eyes, she did not take back her hand.

"It's her words that are too infuriating," she said.

This was a little childish.

Nian lie found it a little funny. you should at least know what kind of person she is. She loves to argue with words. Why are you so calculative with her? "

Was this a dispute?

Ning Qingxin knew that Nian lie was not trying to help Lou qingyue, but she still felt upset when she heard that.

Her face was cold. she kept cursing me and my family. Why should I let her go? "

She was so angry that she was confused. Nian lie looked at her strangely. you can do whatever you want now, but ah ning, you have to control yourself when we get back to the Lou family.

Ning Qing naturally understood. She pursed her lips and did not speak.

Nian lie put everything away and told her solemnly, "the Lou family is different from other places. No one will tolerate you. Perhaps a small mistake of yours will be magnified in the eyes of others. Some people will hold onto it and won't let go.

Ning Qing's heart was numb, as if it had sunk into the deep sea, and she began to feel breathless.

Subconsciously, Nian Xi held her hand to comfort her. Thinking about their current relationship, he decided to give up on it.

if there's anything in your heart, try to tell me, " he said. perhaps, I'll be the only person you can rely on during this time.

"....."

Ning Qing looked at him impatiently, and he smiled.

"I don't mean anything else. I just want to tell you that I'll be with you. Don't be afraid."

Ning Qing clearly didn't listen to him, but her nervous heart miraculously calmed down!

She didn't like the feeling of subconsciously still relying on him. She frowned and said, "I know. I'll be careful."

Sensing her perfunctory response, Nian lie didn't say anything else.

The fleet of cars drove on and soon arrived outside the Lou family's old house.

When Ning Qing and Nian Ying got out of the car, there was already a large group of people waiting at the door.

congratulations, second miss. Second Guye has returned to the Lou family!

This shout was deafening.

Ning Qing's heart tightened. She looked at the end of the red carpet and saw a woman's dignified figure.

She focused and felt a touch of warmth beside her.

"What do you mean?" she asked.

"This is the agreement between Lou si and I," Nian Yu said as he hugged her waist tightly.

Ning Qing was stunned. what agreement? "

Why didn't she know that he and Lou si had already reached this stage?

Nian lie did not say anything. Ning Qing was anxious. what did you use to exchange for her? "

Logically speaking, Lou si definitely didn't want the Lou family to acknowledge her identity, so why did she suddenly change her attitude?

Nian lie's dark eyes were deep.

Ning Qing was about to say something when a figure rushed past her.

She focused her eyes and saw that it was Xuanji Lou Qing Yue!

#### [Chapter 1124](#)

1124 Where is Mrs. Loulan?(1:

Lou qingyue ran towards Lou si in a sorry state. mother! I've finally met you!"

Ning Qing gritted her teeth. As she approached the man step by step, she said angrily, "you used her to exchange for it?!

"Yes."

"....."

Her thoughts were in a mess.

He had originally thought that with Lou qingyue in his hands, he could use her to blackmail Lou si into doing something. But now, he had used her in exchange for a 'admit'?

At this moment, ning Qing really wanted to give him a shot, but with Lou si in front of her, she couldn't do anything.

She forced a smile as she walked towards Lou si.

The woman was elegant and dignified. With a smile on her face, she leaned forward and hugged her.

"I never thought that after so many years, our family would still have the chance to reunite."

Ning Qing was stunned. Her eyes followed her closely as she left.

Lou qingyue was even more confused. mother, what are you doing? ran ran, have you forgotten? she's the one who kidnapped me for so long? "

"Qingyue." Lou Si's smile disappeared. She said in a serious tone, " Qingqing is your aunt's biological daughter. She is also your sister. It's not easy for her to come back. How can you say such unreasonable things? "

Lou qingyue's face twitched, and half of her face was still burning. No matter how she looked at ning Qing, she felt resentment.

"How could she come back? It wasn't easy to get rid of that woman, and she's so embarrassed."

Lou Si's eyes sharpened, " qingyue!

Lou qingyue unwillingly lowered her head. I'm sorry.

Lou si looked at ning Qing and smiled again. Qingqing, don't mind her. Qingyue is an impatient person, but she doesn't have any ill intentions.

Ha.

Who would believe that he had no ill intentions?

"It'd be best if you didn't," ning Qing said coldly, avoiding her outstretched hand.

Lou si laughed, " I know. We had some misunderstandings in the past. However, it's just a small matter. Don't let it destroy the relationship between our family, alright? "

Ning Qing didn't give her any face. She said directly, " I'm sorry, Madam Lou si. I don't have any relationship with you. You don't have to be so polite. After all, we don't like each other.

Lou Si's eyes darkened. Qingqing, what are you saying, Zhenzhen? "

Ning Qing took a step back and put some distance between them.

"You should be very clear on what I mean."

Lou Si was silent for a moment. Lou qingyue couldn't take it anymore. how could you speak to my mother like that? "

"Qingyue, don't be rude." Lou si warned again.

Lou qingyue unwillingly shut her mouth.

Lou si still had a smile on her face, but she lacked the deliberate love and gentleness.

initially, I've specially asked someone to prepare a welcome banquet, but seeing that Qingqing is so against it, I'll forget about the banquet. I'm tired from the long journey. I'll have a good rest tonight.

"Thank you: : ning Qing said:

men, take miss Qing and Mr. Nian away.

Ning Qing turned around to leave. She felt uncomfortable being with Lou si.

Nian lie pulled her back. wait.

Lou si looked at the young man in front of her and asked, " Mr. Nian, is there anything else? "

Nian Jin glanced at ning Qing and said to Lou si in a low voice, " you already know why we're here. So, where is lady Loulan? we need to see her.

He went straight to the point and uncovered the appearance that had been hidden in their heads.

Lou si didn't put on a pretense and her expression was as arrogant as ever.

She seemed to have a hidden meaning in her words. my sister is not feeling well. I'm afraid it's not appropriate for her to meet you.

Nian lie narrowed his eyes, his gaze cold and penetrating.

## [Chapter 1125](#)

1125 Blood test (1:

my wife returned to the Lou family to acknowledge her ancestors and clan. It's a big deal for the entire Lou family. Now, you're telling me that her mother can't see us. May I ask why we're here? "

A cold glint flashed across Lou Si's eyes, " acknowledging the ancestors and returning to the clan is naturally the most important matter, but it doesn't require the family head to be present.

"....."

She put on a straight face and said, " I'm sure you've already understood the Lou family. Things like recognizing the ancestors and returning to the clan only require blood identification and the acknowledgment of the family elders. Nothing else is needed.

"In that case, please complete the appraisal as soon as possible," ning Qing said.

"Sure: " Lou si replied:

"....."

"Someone, bring young lady Qing to take her blood."

“Yes.”

Two expressionless maids stepped forward, respectful but numb.

Ning Qing pursed her lips. Nian lie, Qianqian.

Lou si turned to face mo tiange, “ the Lou family has many secrets. It’s not appropriate for outsiders to know more about them.

“He’s my husband,” ning Qing said.

Lou qingyue interrupted. the husband is also a relative. He has no right to interfere in the internal affairs of the Lou family.

Ning Qing’s heart clenched, and she looked at Nian lie uneasily.

Nian lie’s dark eyes were deep, and his lips curled into a smile. it’s fine. You go first. I’ll wait for you.

“ .....

Ning Qing had no choice. After all, it was the first day she returned to the Lou family. They were under too many restrictions and had no right to decide.

She said yes and turned to follow the maid.

Nian Jin watched as she walked away and disappeared into the Misty Manor.

I’ve heard qingyue mention you before. Mr. Nian is truly handsome and extraordinary.

Lou Si’s words pulled back Nian lie’s gaze.

He was neither servile nor overbearing, nor was he timid or enthusiastic. His attitude was very indifferent. you’re too kind, Madam.

Lou si laughed. I heard that you’ve been with Qingqing for many years. I’d like to know how you, as the successor of the Nian family, have fallen for her.

Nian Jue’s dark eyes were closed, his face clear, but his words were sharp.

“When it comes to love, there’s no such thing as liking or not, only willingness.”

“ .....

however, from what I can see, Miss Lou qingyue probably didn’t live in a family with close parents.

His words were mocking both Lou qingyue and Lou si.

Lou Si’s expression changed for a moment. She grabbed Lou qingyue’s hand tightly to prevent her from being too impulsive.

She put on a smile. so, you love her? ”

Nian Jing looked at her but didn’t answer.

The way Lou si looked at him changed. I thought that Mr. Nian was someone who could see the situation clearly. If you choose to forsake the darkness and join the light, it would actually be a good thing. Lou si raised her voice.

"The darkness you speak of is the light to me," Nian lie replied sarcastically.

Lou si sized him up once more, " I really admire you.

"....."

but you have to think about it carefully. It's for the good of the Nian family.

After issuing this warning, Lou si placed her hand on Lou qingyue's and said, " bring Mr. Nian to the side hall to wait. I'm also tired. You can go back now.

Lou qingyue obediently agreed. She looked at Nian lie with jealousy and left with Lou si.

"....."

As Nian lie watched the two of them leave, his gaze grew deeper.

\*

On the other end, ning Qing followed the servant in a big circle, and she almost felt dizzy.

She knew that the Lou family was a big family, but she didn't expect This Old House to be so cold and solemn. The territory was unexpectedly vast.

"Miss, we're here."

Ning Qing looked around the old and dark house and sat down on the sofa.

After a while, a woman in a white coat walked out.

"This is doctor Liu." Madam, " the maid explained briefly before turning to the woman. Madam has ordered for a blood sample to be taken to verify our blood relationship.

#### [Chapter 1126](#)

1126 Announcing to the world (1:

"I know."

The woman was very cold, and her words were like a machine that was stuck.

"Roll up your sleeves," she ordered ning Qing as she quickly took out the blood-collecting tools.

Seeing that she was going to draw her blood, ning Qing frowned. do you need so much blood? "

The woman looked at her coldly. the blood has to go through multiple tests. We need at least 20 samples. It's not enough if we don't draw blood.

Ning Qing rolled up the sleeves of her sweater and was surprised. why do you need so many? "

"To prevent people from deceiving and muddling through."

Ning Qing looked at the two maids and asked, "does ran ran often have people like this?"

The woman tied the upper part of her arm. everyone is trying to get into the Lou family. What's a scam?  
"

Ning Qing was puzzled. the test can be wrong? "

After asking, she felt a pain in her arm.

The woman was extremely dull, like an emotionless machine. there's nothing that money can't do.

Ning Qing understood and stopped asking.

After she was done drawing her blood, the maid brought her to the side hall. After meeting up with Nian lie, she led them to a remote house.

After that, the two maids disappeared.

This mansion was even scarier. Not only was it gloomy and terrifying, but it also looked like no one cared about it. There was even dust floating in the air.

Ning Qing was a little angry. they must have done it on purpose!

He was deliberately trying to put her in a bad position and embarrass her!

Nian Jin pulled ning Qing into his arms, not allowing her to touch anything else. He frowned. it's okay. I'll get someone to come in and clean up.

He called his men, but they were all blocked at the door of the building.

The other party said, " non-members of the Lou family are not allowed to enter " and cut off their contact.

Ning Qing touched the dust on the table and rolled up her sleeves. forget it. Since she asked us to stay here, she can't ask anyone to help us. We'll do it ourselves.

After she finished speaking, she was about to take action.

Nian Xi quickly stopped her. don't do it.

Ning Qing glanced at him. if I don't do it, you do it? "

Nian Yu pursed his lips, took off his expensive suit jacket, and placed it on the sofa. you sit here. I'll do it.

Ning Qing watched as he rolled up his sleeves, and his every move was so elegant.

She looked away. how can I let you do everything? How long do you need to clean up such a big place?"

Nian lie pressed down on her shoulders firmly. just clean up the place we need. It's not a lot of work.

"....."

"Your body is weak, so don't do these things."

Ning Qing still wanted to say something, but he had already left.

When he came back, he was holding a few handkerchiefs in his hand. She looked at him like that, feeling very uncomfortable.

Hence, she took the initiative to start a topic.

do you think they're up to something since they revealed my identity so easily? "

Nian Jue was stunned for a moment before he bent over and continued to wipe the blood, his breathing a little rough.

"Based on Lou Si's thoughts, it's highly possible."

then, she asked me to take a blood test. Did she do anything to it? "

your identity has already spread throughout the Lou family. In fact, the DNA test doesn't prove anything. She wouldn't be so stupid as to touch the established facts.

Ning Qing's brows were tightly knitted. in that case, she's definitely going to make a move in other parts of the plan.

"....."

Ning Qing looked at the man who was busy. In just a few minutes, his white shirt was already stained and stained. Because his collar restricted his movements, it was very inconvenient for him to unbutton the first two buttons of his collar and continue his work.

#### [Chapter 1127](#)

1127 I'll still break up with you \_1

I originally thought that with Lou qingyue as: trump card: Lou si wouldn't go too far no matter what. But you handed her over. ning Qing looked away.

Nian lie stopped in his tracks and straightened his back. He met her eyes from a distance. is that what you think? "

Ning Qing was not too happy. yes, but you've already handed her over.

Nian lie could hear her complaints. He half-knelt and threw the handkerchief into the bucket, staining it.

He wrung it dry, his tone fluctuating. ah ning, you're right, but you've overlooked one thing.

"What?"

Nian lie was a little helpless. this is the capital. It's the Lou family's territory.

"....."

even if you have good intentions, if we want to count on Lou qingyue, we have to bring her with us. We have to bring her back to the Lou family. Do you think that the Lou family is a place that you and I can control? "

"We can hide her outside," ning Qing said.

Nian lie's mind was heavy. the outside world isn't as safe as the present, but when it comes to the Lou family, whether it's in front of us or in the outside world, we can't keep an eye on her.

"So, you simply used her as a trade?"

Nian lie raised his brows and didn't reply.

Ning Qing's mind was in a mess. She had never considered this question before.

If he wasn't by her side, she might have fallen into his trap when she entered the house today.

She was still too naive.

"....."

Nian lie saw through her frustration and comforted her. ah ning, no one is born to think everything through. Everything has to be done step by step. So, you don't have to be too anxious and don't have to worry.

That was because they could only take one step at a time.

Ning Qing thought about it for a long time. He did not force her and just focused on what she was doing.

After a while, the woman suddenly called out to him.

Nian lie turned around. what's wrong? "

Ning Qing had just made up her mind, but when she faced him, that uneasiness and uneasiness still whipped at her heart.

"Let's cooperate for the time being," she said.

Nian lie's eyes darkened. what? "

She couldn't help but clench her fists, a thin layer of sweat forming on her palms.

I mean, in these matters, I find that you are indeed more knowledgeable and smarter than me. I can't rival them now, and I have no other choice.

"....."

"So, I really need your opinion and help."

Her serious and embarrassed look made Nian lie laugh.

His dark eyes flickered. didn't we agree on this back in Ying city? "

Even if she didn't say anything, he would do his best to help her get back the Lou family.

Ning Qing was a little flustered and avoided eye contact with him. I was forced before.

"Is it voluntary now?"

Ning Qing stammered and nodded.

Nian lie's mood suddenly turned for the better. He thought that perhaps she didn't reject him that deeply.

I'll cooperate with you and seriously consider your opinion," ning Qing said. however, this is only limited to this period of time. After we go back, I'll still be separated from you!

Nian lie's eyes darkened. I know.

"....."

Ning Qing's heart was in a state of turmoil, and she was stuck there. It was not heartache, but it made her feel terrible.

She stood up, said, "I'm going out for some fresh air," and fled in a panic.

Nian lie watched her leave and didn't stop her.

"....."

At the door, ning Qing found a place with no one around to calm the suffocating feeling in her heart. She took out her phone and made a video call.

The moment the screen popped up, she smiled. mom.

#### [Chapter 1128](#)

1128 Not so delicate (1:

Without waiting for her to ask, Mrs. Ning said with a smile, "Qingqing, it's great here. The weather is good, the environment is good, and the location is also good. Nian lie found a good place. The doctor said that it's suitable for children and patients.

Ning Qing's heart felt warm. that's good.

"How about you? Are you alright? Did they give you and Nian lie any trouble?"

Ning Qing didn't want to talk about these things with her, so she simply said a few words. where's youzi? are you good? "

"She's good. Your dad is carrying her and taking a walk outside."

As he spoke, the scene changed.

The garden was full of green plants, and there was a fountain in the center. Father ning carried the child and ran with small steps, coaxing him.

look! It's mother! Ning Xi's father stopped in his tracks. it's mother!

Ning Qing's tense nerves finally relaxed. She smiled sincerely and waved at the camera. hey, youzi, look here!

Downstairs, ning Qing's heart melted when she heard her daughter's babbling.

After a few more words, Mrs. Ning turned the camera around. you must be careful. Just do your best. Don't push yourself too hard.

"I know, mom."

The child downstairs was crying. Mother ning said in a hurry that she was going to make some milk powder for her, but she hung up after a few words.

"....."

Ning Qing sighed and felt much more comfortable.

She dawdled outside for a long time. The sky was getting darker, and she had to return to the living room.

The lights in the living room were turned on, and the dim yellow light scattered on the clean floor, giving it a new look.

Ning Qing looked around, but Nian lie was not there.

When she realized that one of the rooms upstairs was lit up, she went up to take a look. It was already half-cleaned.

The man's back was facing her as he tidied the bed. The back of his shirt was already drenched, and his muscles were faintly visible.

Hearing the noise, Nian lie turned around and said, " it's almost time. You can sleep here tonight. Just make do with it.

Ning Qing did not say anything. He picked up the cleaning tools and turned sideways to avoid her.

Ning Qing's thoughts were complicated. She grabbed him and asked, " what else do you want to do? "

Nian lie tilted his head, his throat moving. I'll clean up the room next door again.

"....."

Seeing her expression, he thought she was hungry. it'll be quick, " he comforted. let's go for dinner after I'm done.

Ning Qing held him tightly again, hesitating to say something, when a sound came from the Lou family.

"I'll go and take: look," Nian lie said.

He let go of her hand, tidied up his messy hair, and went downstairs.

Ning Qing stood at the door, her fingertips slightly warm.

"What's the matter?" ning Qing asked when she saw his grave expression.

Nian lie hesitated for two seconds. nothing.

Ning Qing stopped asking.

"Someone is here to deliver food: " he took the initiative to inform her.

“Yes.”

“I’ve asked them to send it back,”

why?” ning Qing was surprised.

Nian lie gazed at her. those things aren’t suitable for you.

He had used the words “those things,” and ning Qing suddenly understood.

They were probably not any exquisite or delicious food.

I’ve told the people outside,” the man said. they’ll send food in later, but you have to bear with it.

“You don’t have to be like this. I’m not that pampered.” Ning Qing’s heart ached.

Nian lie looked at her seriously. I don’t want you to suffer like this.

No matter what, it wasn’t to the extent of not being able to eat a normal meal.

His care and concern made ning Qing speechless.

“If you’re tired, you can sleep for a while. It won’t take too long.”

#### [Chapter 1129](#)

1129 Nian lie, stay behind (1:

After he finished speaking, he continued to clean up the room next door.

Ning Qing’s heart skipped a beat. Without thinking, she grabbed his sleeve. how long are you going to keep working?”

Nian lie was shocked to hear that.

He was not used to it, and his face was soft. there is only one bed in this room.

Ning Qing’s eyes flickered. She naturally knew.

Nian lie was helpless. ning, you can’t possibly let me sleep on the floor alone, can you?”

Ning Qing held him tightly, her eyelashes quivering slightly.

He suddenly realized something and stopped moving.

Ning Qing hesitated for a long time. I meant that there are more difficult things to do in the future. You don’t have to spend your time on these things.

Nian lie’s eyes darkened. you don’t mind?”

it’s just a matter of food and accommodation. To me, these are not important. There’s nothing to mind.

Nian lie didn’t say anything.

Ning Qingxin was so flustered that she let go of him as if she had been electrocuted. She mumbled something and went downstairs.

Nian lie stared at her for a long time, but the corridor was already empty.

He looked back at the big bed in the bedroom, and his eyes became deeper and harder to read.

At eight o'clock in the evening, Nian lie's men served the two of them a piping hot dish personally made by a chef from a certain five-star hotel.

Because of the issue of accommodation, ning Qing felt awkward and did not say a word to Nian lie.

After the meal, she hurried back to her room.

Nian lie laughed and unhurriedly carried their luggage upstairs.

When he pushed the door open and entered, the woman sitting on the bed stood up immediately.

Nian lie wanted to tease her when he saw how shocked she looked.

"What's wrong?"

Ning Qing shook her head, her eyes uncertain.

He pushed the luggage into the room and closed the door.

Ning Qing was shocked. The air in the entire space was compressed, making it difficult for her to breathe.

"I'm going to take a shower," she said randomly.

Then, he rushed straight to the bathroom.

Nian lie took a few steps forward and blocked her way. do you mind? "

"I didn't!" Ning Qing shouted.

Nian Yu studied her expression, which made her even more uncomfortable.

Nian lie suddenly lowered his eyes. ning Qing, you don't have to be like this.

She was stunned.

"I won't force you to do anything. If you don't want to see me, just tell me to leave. Although the room next door hasn't been tidied up yet, I can make do with it for a night."

"I'm Yingying!"

Ning Qing didn't know what to say. Nian lie turned around, grabbed his luggage, and walked out.

stop! ning Qing's eyes were filled with struggle. In the end, she still said, " stop!

"....."

it's true that I can't get over it, but we might be able to spend a lot of time together in the future. This is the Lou family, and there are people watching us everywhere. So, Wanwan, you don't have to care about these details. I'm not trying to chase you away.

"....."

"You can stay."

After saying this, she bent down, opened her suitcase, took out her shower clothes, and went into the bathroom.

The man stood in the same place, his back looking so desolate and lonely, but his lowered face had a helpless smile after getting what he wanted.

She was still so soft-hearted.

How could he let her go?

He pulled back his luggage, prepared his bath clothes, and sat quietly to the side.

Not long after, Ning Qing came out. Nian lie handed her the hairdryer. She thanked him and started to tidy up her wet long hair.

Nian lie looked at her thin back. His gaze was dark, but it was tainted with a touch of charm.

After giving birth, Ning Qing did not lose her figure like the others. Not only did she maintain her figure well, but she had also become more refined. Under the dim light, her waist was slender, and her figure was partly hidden and partly visible. She was extremely charming.

1130 Sleeping in the same bed (1:

"....."

Nian lie swallowed silently, looked away in embarrassment, and escaped into the bathroom.

Ning Qing had no idea. After drying her hair, she lay down on one side of the bed.

The bed wasn't as big as the one she used to have. After she slept on it, there was enough space for Nian lie to sit beside her.

She suddenly regretted keeping him, but there was no room for regret.

Forget it.

She turned off the ceiling light, habitually left a table lamp on, and lay down.

He was quite tired today, and he soon felt sleepy.

She fell asleep within a few minutes.

"....."

When Nian lie came out, the woman had already fallen asleep.

He looked at the lamp that left light on him, and his heart softened.

He walked quietly to the bed and saw the seat she had left for him. He couldn't help but feel sad and amused.

"Al."

Finally, he wiped his slightly wet short hair, sighed, and lifted the quilt to get on the bed.

She would frown whenever he got close to her.

Nian lie had no choice but to be even more careful. After they lay down, he carefully pulled her into his arms.

She did not resist, and he was satisfied.

That night, ning Qing had a good sleep.

Even in her dreams, there was a stove next to her, so she didn't feel cold.

However, a certain someone was in a very miserable state.

Not only did he have to endure the physical torture, but he also had to take a cold shower to lower his body temperature.

In one night, he had washed six times!

So, when ning Qing woke up in the morning, she saw Nian lie, who had been exhausted for the whole day.

Her mind was blank. She rubbed her eyes and asked, " what did you do? "

Nian lie was a little resentful, but he didn't say it out loud. nothing.

get up, " he reminded her. come downstairs for breakfast.

Ning Qing nodded. He hesitated for a few seconds, then took his toiletries and turned to the bathroom next door.

After washing up, he was much more awake.

When he went downstairs, ning Qing was waiting for him at the dining table. He walked over and sat down.

The two of them were silent for a while before ning Qing asked, "what should I do next?"

Nian Xi paused. find Mrs. Loulan and get her support.

"But we don't know where ran ran is. I'm afraid that Lou si won't let us find her."

Nian lie didn't say much. I'll think of a way. Let's eat first.

"Alright," he said.

The two of them finished their meal, and not long after, someone came to inform them that the appraisal had been distributed to the elders of the family. There would be a family meeting tomorrow, and Ning Qing was required to attend it alone.

She had no reason to refuse, so she agreed.

"Ning, you shouldn't have agreed so quickly," Nian Lie said after they had left.

"Now that things have come to this, do I still have a reason to decline?"

She had originally come to compete. It was a good thing to win. The earlier it ended, the earlier she could escape.

Nian Lie's eyes darkened. In the current situation, other than the fact that you're Madam Loulan's biological daughter, we have no other help.

Since Lou Si dared to hold the family meeting so quickly, she must have held onto a bargaining chip that they would never win.

Ning Qing remained silent. Nian Lie tilted his head. Besides, we haven't found Mrs. Loulan's Zhenzhen yet.

"Does it matter if she's here or not?" Ning Qing couldn't let go of Lou Lan. My sister was originally the heir. Since something happened to her, it's only natural that I take over. No matter how domineering Lou Qingyue is, she's only the daughter of the second branch. From the perspective of the eldest daughter inheritance system in the Lou family for many years, she's not within the scope of choice.

Nian Lie's brows furrowed even more. Ning, you're right, but you can't forget who you are.

"....."

In theory, Ning Su was the eldest daughter of Madam Loulan, and Ning Qing was the second daughter, so she had no right to participate in the selection.
