

Mr Nian 1171

[Chapter 1171](#)

1171 A happy family (1:

She propped herself up, her eyes already red.

also, dad, mom, Qianqian, it was because of the knot in my heart that I was obsessed with something that I shouldn't have. I misunderstood you and even spoke ill of you. I'm sorry, it was Qianqian's fault. Please forgive me.

After she finished speaking, she lowered her body and was about to kneel.

Mother ning rushed up to her, and ning Qing held her arm.

"Sister!"

"Hansu, what are you doing?"

Ning su looked at his mother, who was approaching him, and his eyes were filled with tears. I'm sorry, Mom, ran ran.

She could not say anything else.

Mrs. Ning could understand her guilt and feelings. She patted the back of her hand and said, " silly child, you and Qingqing are both my precious daughters. How can I bear to blame you? " You've always been sensible and obedient. Mom knows that you didn't mean to say those words."

Ning SU's tears fell. mom ...

Hansu, your mother and I understand you. It was our negligence that caused you to be alone for so many years. We've made you suffer, " Mr. Ning said with a serious expression.

Ning su shook his head. how can you blame mom and you? it's all the Lou family's fault.

At the mention of the Lou family, the air froze.

Nian lie took the child from father ning's arms and said, " the past is the past. It's not any of your fault.

Yan Sichen chimed in. that's right. Uncle ning, aunt ning, Qingqing, and Xinyu, don't blame yourselves anymore. It's the happiest thing to be together as a family.

Youzi, who was in Nian lie's arms, pinched little candy and said in a childish voice,"yes, be happy!"

This voice made the teary-eyed people burst into laughter.

Father ning stepped forward and carried the entire family.

"That's right, nothing is more important than a family being together."

"Hug Yingluo, hug."

Youzi was restless in Nian lie's arms and stubbornly wanted to walk toward the family who were hugging each other.

Nian lie had no choice but to quietly walk to ning Qing's side. She realized what was going on and looked at her daughter's childish and adorable face.

"Mommy, hug."

Ning Qing was helpless. what are you doing? "

Youzi didn't want her to say that about her. She pouted, and tears were about to fall.

Mr. Ning was worried that she would cry. To his surprise, youzi said, " mommy won't carry you. Auntie will.

Did Xuxu turn to the easiest person to talk to after failing to beg mommy?

The few of them were frightened by her little thoughts.

Ning SU's cold heart was melted by her voice, and he really reached out his hand. come, auntie will carry you.

Youzi smiled sweetly and reached out her hand.

Ning Qing refused. no, sister. Youzi is too heavy. You haven't recovered yet. Don't tire yourself out.

Ning Qing's mother agreed. take good care of yourself. I'll carry you.

However, the little girl was extremely sharp, as if she knew that they were all talking about her weight. She was not happy at all.

She pouted and raised her voice. I want auntie to carry me!

Ning su had always thought that youzi was obedient and cute. Now: he liked her even more: I'll carry you: " he said indulgently.

She reached out her hand. Nian lie glanced at ning Qing. After realizing that she was worried, he did not hand her the youzi.

"Forget it. Youzi is a little heavy, so I'll do it."

Ning SU's eyes fell on his face. what? " he asked faintly. are you afraid that I'll break your precious daughter? "

"....."

Helpless, Nian lie turned to ning Qing for help.

Ning Qing knew that ning su had made up his mind, so she compromised.

"Alright, give it to sister."

Just like that, youzi's wish was finally fulfilled.

Ning su carefully held her butt, and her beautiful face was right in front of him.

Youzi carefully observed every inch of her face, then kissed her on the face, nose, and forehead.

[Chapter 1172](#)

1172 : 'm not qualified to be her husband (1:

Ning su laughed and didn't avoid her. what is she doing? "

Ning Qing wiped mother ning's tears away. She watched youzi's movements and was about to explain when someone else spoke first.

"She's getting her stamp stamped," Nian lie said in a low voice.

Ning su was stunned. stamp? "

"She has a natural possessiveness towards the things she likes, and she will kiss whatever she likes."

So, did this mean that Wanwan liked her face?

Ning su suddenly felt a sense of satisfaction.

This was the first time that she had fallen in love with this face that had undergone plastic surgery.

"Youzi, if you like aunty, can you stay by aunty's side in the future?"

The little girl blinked her big eyes and smiled so sweetly.

"Good! Keep aunty company."

Ning su smiled from the bottom of his heart.

"....."

The harmony and warmth of the family made Yan Sichen, who was standing at the side, feel a little lonely.

In his heart, he did feel a little upset.

If he had been born into such a family, he would have been willing to give up everything for it.

The man closed his eyes, hiding the loneliness and sadness in his eyes.

He opened the door silently and walked out.

"....."

On the other side, mother ning and ning Qing were still talking about being discharged the next day. Nian Jin only had ning Qing in his eyes, while father ning was tidying up the surroundings.

Ning su, who was carrying the child, saw the man leave quietly from the corner of his eye, and a dim light flashed in his eyes.

Very quickly, ning Qing caught it.

"Yueyue, let's get her discharged tomorrow afternoon. I'll get someone to make the arrangements."

After confirming the time, ning Qing said, " I have something to deal with. then, she rushed out of the ward.

Ning su looked at her rushing back and suddenly felt a little depressed.

By the time she came back to her senses, father ning and mother ning had already disappeared.

Only Nian lie was left.

"....."

Ning su looked at the tall man standing in front of him, and his eyes turned cold.

Nian lie had long since gotten used to her hostility.

"Don't tire yourself out, give it to me," he said after some thought.

She didn't say a word, but coldly watched him take youzi away from her.

Youzi returned to her father's side and wrapped her arms around his neck. Her small body leaned on his shoulder, as if her whole body was hanging on him.

Seeing the child so dependent on him, ning SU's eyes grew colder.

I didn't expect you to be so despicable that you would even use a child.

Nian lie frowned slightly when he heard the mockery.

Ning su didn't stand on ceremony. you're as smart as a young man. You can't possibly not understand what I'm saying.

"....."

"Don't pretend you don't understand."

Nian lie was silent for two seconds. He stretched out his legs and hooked the chair behind him. He sat down with youzi in his arms, adjusted her position, and straightened her clothes, just like a good father.

After doing all this, he looked up. I know you have deep enmity towards me, but you should also know that I'm not only her husband, but also youzi's father.

In other words, everything he was doing now was right and proper.

Ning SU's eyes were filled with ice, and he had completely lost the warmth he had just now.

"In my eyes, a man who has hurt her in every way possible is never qualified to be her husband."

"....."

"Based on what you've done, even if the law acknowledges you, I won't."

Nian lie was a little vexed. What he didn't expect was that after all that had happened, ning SU's prejudice and misunderstanding of him had become so deep. And her influence on ning Qing was too deep.

To put it bluntly, ning su was probably more important than him in her heart.

[Chapter 1173](#)

1173 She can find a man who can do better than you (1:

Nian lie felt bitter and jealous about this, but he had to admit it.

He had to change ning SU's opinion of him!

He adjusted his expression, his tone was calm, and even his eyes became calm and straightforward.

"I know I made too many mistakes in the past, but I want to make up for it now, and I've been doing it all this time."

don't you always give me candy after a slap? " ning su said sarcastically.

Nian lie lowered his dark eyes. I'm sorry.

Ning su looked at him coldly.

I know, but it's useless to apologize now. The damage has been done, and I don't have the ability to travel through time and save the past, so I can only say sorry, Yingluo.

Ning su snorted softly.

At least he had some self-awareness and was not too arrogant.

Nian lie adjusted his attitude and lowered his head. I can't change the past. I can only take responsibility for my past mistakes. I know that I hurt her too much, so I've been trying my best to seek forgiveness.

Ning su continued to sneer at him. you make it sound so much better than singing. You used to be so sincere, but didn't you hurt her and our family again and again? "

There was a deep sense of guilt in Nian lie's Black eyes, and he was unable to refute.

Ning SU's chest heaved up and down, and his tone became even worse.

you've always treated her like a plaything. When you wanted her, you held her in the palm of your hand. When you didn't want her, you threw her aside and let her struggle in pain. You've never seen her in the most painful state, so you have no right to say that you want to make it up to her!

Nian lie felt weak, but his expression was solemn and sorrowful.

"I'm sorry," she said.

"Don't say sorry, because you don't even deserve to say sorry!"

"....."

Perhaps it was because ning SU's expression was too dark and her tone was too bad, but youzi was a little scared and waved her hands helplessly. aunty, you're fierce.

Ning SU's anger was stuck in his throat, and he couldn't say those more heart-piercing words.

“.....”

aunty, don't be fierce. Daddy will be good, as good as youzi!

The corners of ning SU's eyes twitched slightly.

The word 'well-behaved' had nothing to do with Nian lie.

Because of her conflict and anger, her expression became a little twisted and funny.

Nian lie lowered his head and coaxed the child, who was on the verge of tears. Auntie isn't fierce. It's daddy's fault. Don't cry, little youzi.

Youzi, on the other hand, tried her best to stand up and stand on Nian lie's lap. She wrapped her arms tightly around his neck and looked at ning su with a very frightened expression.

Ning su, "Yingluo."

There were children.

She shouldn't have been so fierce. It would scare her.

I don't agree with you being with Qing 'er. ning su turned his face away and confessed coldly.

Nian lie's hand trembled as he patted youzi. He remained silent for a long time.

Ning su said, " she's about to become the head of the Lou family. She has more important things to do in the future. She'll meet more excellent men on this road. I believe she'll find a man who can do better than you.

“.....”

Then, she looked at youzi. you'll be better to the child.

Nian lie, who had been calm at first, suddenly turned gloomy and his eyes turned cold when he heard this.

"Ning su,"

This was the first time he had called her name.

The cold air was faint and terrifying.

Ning su looked at him, the sharpness in his eyes unchanged. do you think I'm wrong? "

Nian Yu pursed his thin lips and looked up at her. I admit that you're right.

“.....”

she'll have more opportunities in the future to make herself more outstanding and mature. She might even become the head of the Lou family that thousands of people admire and admire. Similarly, she'll also attract more men who can match her. However, Qianqian ...

[Chapter 1174](#)

1174 He, she, and youzi's shared home (1:

He paused, his long and narrow eyes exuding a cold and murderous intent.

That's right.

Even the thought of that scene made him feel jealous and uncomfortable.

His beloved woman and child would be surrounded by a crowd in the future, and they would stand together with another dazzling man.

How could he allow that?

"In this world, the only person who can give up my life and everything for her and youzi without reservation is me."

what? " ning su looked at him and asked coldly, " how can you be so sure? "

The man, who was so angry that he wanted to kill someone just now, had calmed down.

He lowered his head and looked at the child in his arms. His love for her was self-evident.

When he looked at ning su again, the hostility in his eyes disappeared.

He said, " I've never denied that I've done so many stupid things. I've hurt her so much that even though she's already given birth to youzi, she still keeps herself to me and doesn't open her heart to me. It's all because she doesn't trust me anymore.

"....."

"Of course I know that. I deserve this."

A bitter smile appeared on his lips, which was a little piercing to ning SU's eyes.

I've selfishly made up my mind countless times. I've hurt her selfishly for her own good. But you know, if I had a choice, why would I do that? "

Regardless of whether he had " broken up " with her eight years ago or settled Bai Qingqing by himself five years ago, he was shouldering the burden of her and her entire family's livelihood. At that time, he didn't have enough ability to protect her, Qingqing.

Nian lie's eyes reddened, and his tone turned grave.

"I've lost her and our child again and again. Am I not sad? But I have no choice!"

"....."

He looked at ning su with his Scarlet eyes. ning su, you can say that I don't understand love and don't know how to find the right opportunity, but my original intention is to let her live safe and sound outside of my parents' power!

Only by being alive would there be unlimited possibilities in the future.

Ning SU's mood changed a little. but she still died so many times, didn't she? "

Nian lie's body stiffened. yes, I didn't do enough.

Youzi was in his arms, looking at the man who was about to cry, and reached out to touch his eyes.

Then, she pouted and gently blew into his eyes.

Nian lie's eyes focused. youzi, Wanwan.

daddy, it's painful. Daddy, don't cry. Hu hu ~"

The child was so innocent that she thought he was in pain somewhere. She copied how her grandfather would blow at her when she fell.

Nian lie's heart that was in pain suddenly felt warm. He carried the child in his arms.

Careful, but sincere.

The knot in ning SU's heart tightened. Was she pushing him too far?

After a while, Nian lie finally calmed down.

He said,"I know that she doesn't want to forgive me. You are the same. But I can only say that I will spend the rest of my life begging for her forgiveness. I will win her trust again. And the child.

"Is it for the child?" ning su asked.

Nian lie's expression was solemn and serious. it's for our family.

It was the home that he, she, and youzi shared.

"From now on, no one can separate me from the mother and daughter, even if I die."

Perhaps, death was the man's most sincere promise.

Because, other than his life, he had no other guarantee.

Ning Meng was silent for a while. She looked at him calmly and said, " you know, she's not willing to forgive the past now.

[Chapter 1175](#)

1175 About your lifelong event (1:

He didn't even want to mention it.

"I'll use my actions to prove that I can give her and youzi a future," Nian lie said.

Ning su was more or less satisfied, so he asked one last question, "

"If she still wants to break up, will you still force her?"

Nian lie took a deep breath and didn't think about her.

"I will respect her."

These five words were his answer.

It was also in these eight years, in this long and endless time, in this repeatedly entangled love, that he finally learned to give the other party space to think and basic dignity.

Ning SU's gentle and beautiful eyes did not move, but a trace of envy flashed across them.

She maintained her posture and coldly replied, "

you'd better do as you promised. Otherwise, Nian lie, if you dare to hurt her one more time, you better remember that I won't let you off even if I die.

definitely not, " Nian lie said solemnly.

"Yes."

After this cold and sharp topic was over, ning su curved his lips again, lowered his eyes, and smiled. youzi, come here.

Youzi was a little afraid of her. She held onto Nian lie and refused to let go. It was obvious that she was very dependent on him.

Logically speaking, children should be closer to their mothers.

However, youzi had been with her grandparents since she was young, so she relied on Nian lie from the bottom of her heart, even more so than she relied on ning Qing.

Ning su felt a little unfair for ning Qing. She said indifferently, " you've taken good care of the child.

Her words didn't expose Nian lie's scheme.

The man didn't say much. He said to the child gently, " go on. Let aunty hold you for a while. Aunty loves youzi the most, okay? "

Youzi shook her head. aunty is fierce.

"I'm not being mean to you," Nian Yu coaxed her patiently.

"She's fierce to her father."

Ning su,"Yingluo."

This child was even protecting his father.

Nian lie gave ning su a look that was a little proud but also a little sad, as if to say,"my daughter can't bear to see you make things difficult for me."

Ning su scoffed.

After Nian lie coaxed her a little more, youzi finally reached out her hand hesitantly.

don't worry, " ning su said in her ear. I'm helping your father.

Youzi blinked her big eyes, showing a "? " .

Ning su just smiled and said nothing.

On the other hand, ning Qing chased Yan Sichen out of the hospital and stopped him at the door.

“What’s wrong? are you going back to China?”

She asked. How could Yan Sichen say that he didn’t want to disturb them because their family was getting along too well?

He smiled. I’ve been here long enough. It’s time to go back.

“Is it urgent?” ning Qing asked.

Yan Sichen could tell that she had something to say. that’s not true.

“Let’s find a place to sit down,” ning Qing said.

The two of them didn’t walk far and sat down in a cafe diagonally opposite the hospital.

Yan Sichen looked at the woman opposite him. She was gentle and pleasant, with a touch of gentleness in her eyes. She exuded an elegant calmness that had been polished, as if she had been washed away.

He took the initiative to start a topic. you’re in such a hurry to court me. Do you have something to tell me? ”

Ning Qing stirred the coffee and smiled. yes.

“Speak, what’s the matter?”

Ning Qing thought for a moment. what plans do you have for the future? ”

Yan Sichen’s smile deepened. what plans can I have? my parents want me to focus on the company, and I’m also trying my best to expand the overseas project. I hope Yingluo can do it.

Ning Qing shook her head, and he stopped talking.

She pursed her lips and chuckled. I’m talking about your marriage.

Yan Sichen was stunned and repeated her words mechanically, “it’s a lifelong event, Yingluo.”

[Chapter 1176](#)

1176 He would also have such a childish day (1:

Ning Qing couldn’t help but laugh. you mean you’ve never thought about it? No plans?”

Yan Sichen was just surprised that she would ask about his relationship.

“You know, I don’t have any thoughts about relationships now,” he said lightly.

Ning Qing also knew that her identity was a little sensitive. After all, the two of them had almost gotten married, so it was a little awkward now.

But for ning SU’s sake, she had to come.

Yan Sichen could roughly see her embarrassment and smiled to ease the awkwardness.

I don't have any plans for myself, but my parents are still very worried. My mom always says that I have to start a family and career, and she hopes that I can do both at the same time. She will introduce me to girls every few days.

At this point, he held his forehead helplessly.

The alarm in Ning Qing's heart rang. have you met someone you like? "

not yet, but according to my mother's way of forcing me, I'll probably really follow her wishes in the future and choose a suitable girl. With her consent, we might even spend the rest of our lives together, Hanhan.

Ning Qing panicked. that won't do!

Her excitement made Yan Sichen look at her.

She suddenly felt even more embarrassed. I mean, Wanwan, you're such a good man. How can you give up your life so casually? Besides, Yingluo, what if other girls don't like you? how can you force them?"

Her words were a little incoherent, but fortunately, Yan Sichen understood.

He felt that Ning Qing's reaction was a little strange, but he couldn't put his finger on it.

His gaze flickered and suddenly changed. He smiled and teased her. Qingqing, you seem a little nervous when I say I'm getting married.

Ning Qing had not been so flustered in a long time. She said, " I just think that with brother Sichen's qualifications, you'll eventually meet the most suitable person. You can't just make do with it.

Yan Sichen looked at the figure at the door approaching and smiled.

that's true, but you've never asked me about these things before. What's the matter? you don't plan on making up with Nian lie? "

"....."

The shadow that landed on the ground stopped.

Ning Qing frowned. why did the topic suddenly fall on me? "

Yan Sichen acted very naturally. you're already asking about my feelings, so I'm just asking. Isn't that too much? "

"....."

His bouncer picked up his coffee and took a sip.

It seemed casual, but it also seemed like he was deliberately staring at her face, revealing a long-lost affection.

Qingqing, I've said it before. If he doesn't treat you well and you don't want to look back, you can come back to me. I'll always accept you.

Ning Qing's hand trembled, and the coffee splashed.

Just as she was about to refuse, a male voice interrupted her-

“You’re dreaming!”

Nian lie held the child in his arms, his entire body cold. He had the kindness and gentleness of a father, but also the sharpness and indifference when he looked at others.

Yet, these two qualities blended very well with him.

“You’ll have to see if I’m willing to let you take my wife and child away,” ning Qing said coldly as she watched him approach.

Yan Sichen glanced at ning Qing, who was still in a daze, and smiled. with your current situation, I thought that you two were not far from being separated.

Nian lie glared at him coldly. even if you do, you don’t stand a chance!

After he finished speaking, he pulled ning Qing up forcefully and turned to leave while she cried out in surprise.

“.....”

Yan Sichen picked up his coffee and took another sip, not angry at all.

She then looked at the person who had angrily pulled ning Qing away, and she couldn’t help but laugh.

He never thought that he would be so childish one day.

[Chapter 1177](#)

1177 When I come back, we’ll go and settle the divorce procedures (1:

“.....”

Outside, ning Qing was being pulled by Nian lie. what are you doing? let go of me.

The people around her glanced at her and she became even angrier. She slapped the back of his hand.

“Nian lie, I told you to let go of me, did you hear me?!”

The man pulled her to the car, let go, opened the door, and stuffed her in.

She wanted to resist, but youzi was stuffed into his arms.

Ning Qing was dumbfounded. Nian lie had already squeezed in.

“What are you doing, Yingluo?”

The man’s face was cold as ice. He said to the person in front of him, ” go back.

Ning Qing felt strange. She looked at youzi, who was holding a bear biscuit and gnawing on it.

She looked at Nian lie with a cold gaze. I’ll leave the child to you, and you’ll bring her around in such a dirty state. What kind of father are you? ”

Nian lie was angry as well. He retorted, which was a rare occasion. didn't you tell me to draw a clear line between me and the child? it's your business to take care of the child.

Ning Qing's eyes widened, and she was furious.

"Nian lie, what do you mean by that?"

She asked him to give up the child's custody, and he really thought that youzi wasn't his biological child?

The man's expression was tense. I mean what I said.

"....."

Alright.

It was good.

Ning Qing thought that the time before this had allowed her to see their relationship clearly, but it seemed that she had been overthinking it.

She said in a cold voice, " fine, you said you don't want to care about youzi. In that case, you can go back to your country now.

"....."

She hugged the child and turned her body to the other side. don't come to see her again in the future. When I come back, we'll go and settle the divorce procedures.

The man beside her was shocked. This was the first time she had mentioned what had happened before.

He had thought that she was touched by what he had done for the past year.

It turned out that it was nothing more than this.

"....."

The temperature in the car dropped to freezing point.

The two people in the back seats pulled long faces and looked extremely ugly.

Youzi sat on her mother's lap. Ning Qing took a tissue and wiped youzi's hands and mouth clean. She looked out the window without saying a word.

She looked to the left and then to the right, not understanding what the two adults meant.

She was just bored, so she grabbed ning Qing's hand with one hand and stretched her body with great effort to grab Nian lie's.

However, the distance was too far and she couldn't reach it, so she made a gurgling sound.

Ning Qing was in a bad mood. can you be more obedient and not move? "

Youzi stopped and turned to look at her.

Those pure and innocent eyes made ning Qing's anger subside a little.

Before she could say anything, a cold male voice was heard. she's still a child. Why are you so fierce to her? "

Ning Qing was furious again. she's my daughter. You don't have to worry about her.

Nian lie's eyes darkened. she's my daughter too.

Ning Qing laughed. if I remember correctly, you just said that you don't want to care about her. Now, you're saying that she's your daughter? "

Nian Yu pursed his thin lips. He clenched his fists slightly. After a while, he said, " Zhenzhen said it out of anger.

"You're telling the truth, aren't you?" ning Qing sneered, not so easy to talk to.

He really didn't want to care about youzi.

Nian lie's brows furrowed in an exaggerated manner. He said helplessly and softly, " ning, youzi is the child you gave birth to after a narrow escape. She's the only child you have left after going through so much.

How could he bear to do that? How could she not love him?

Ning Qing looked into his eyes for a few seconds and then looked away without a word.

"....."

The sudden silence made youzi curious again.

She tried her best to stretch her body. This time, ning Qing did not scold her.

[Chapter 1178](#)

1178 You want to bring my daughter to be with him?

Her face turned red and her lips were pursed tightly. Nian lie's heart ached for her, and he moved a little to the side.

Youzi grabbed his thumb and pulled him into her arms.

Nian lie glanced at ning Qing's side profile and let her play with him.

But who knew that youzi would hold their hands and bring them together.

The moment their skin touched, Nian lie and ning Qing's hearts trembled at the same time.

Youzi held their crossed hands and smiled sweetly.

"Daddy, mommy, youzi wants to be together."

Nian lie looked at his daughter's fresh and lovely smile, and his heart ached.

It was said that children's minds were the purest and most sensitive.

The reason she did this was because she sensed that their relationship wasn't good and wanted them to be together.

Ning Qing also felt it, and she felt a little sad.

He turned around and looked at his daughter's small face. youzi, darling.

Youzi smiled. we must be together.

"Youzi, do you like Daddy and Mommy being together?" Nian lie asked in a deep voice.

Youzi nodded, then shook her head.

She grabbed the two of them with one hand and patted her chest with the other.

"And me!"

Nian lie was touched and gratified.

Even his child knew that he had to take the initiative to close the distance between him and ning Qing. How could he be angry over such a small matter?

He secretly held ning Qing's hand, looked up, and said seriously,"okay, father and mother will always be by your side."

His promise made ning Qing feel a mix of emotions.

She did not dare to look at him directly. His large palm was getting warmer and warmer, burning her palm.

She wanted to break free, but the other party's grip tightened.

"....."

Youzi raised her head, her eyes full of anticipation. mommy.

Ning Qing braced herself and looked at Nian lie. His eyes were filled with love and hope.

This father and daughter duo did it on purpose, right?

Ning Qing had no choice. She smiled and lowered her head to kiss youzi on the cheek.

Don't worry, baby. Mommy will always grow up with you.

"And dad!"

"Hello, Yueyue."

"....."

The two of them alighted at the entrance of the hospital, with ning Qing in front and Nian lie behind.

Ning Qing was carrying youzi in her arms, so it was not easy for her to see where she was going. Nian lie stepped forward and said, " let me carry her.

"No need,"

She rejected him directly and wanted to walk around him.

Nian Xi held her hand and twisted her around. Caught off guard, Ning Qing ran into his arms with Youzi in her arms.

After all, it was the door. She felt ashamed. What else do you want?!

"Are you still angry?" Nian Lie asked in a low voice, ignoring the others.

"No: Ning Qing replied:

"You don't mean what you say."

Ning Qing glared at him. You're the one who interrupted my discussion with Brother Sichen first. Do you still think you're in the right? "

Nian Lie's expression darkened at the mention of what had just happened.

Ning Qing's words were a little harsh. Nian Lie, I have my own freedom. If you can't understand why I'm doing this, then don't disturb me. Please give me the respect I deserve.

"He's still coveting you," Nian Lie said:

Ning Qing looked into his dark eyes and narrowed them slightly.

Was he jealous?

"If you think it is, then it is," she said casually, even more baffled.

She was about to leave, but Nian Lie took the opportunity to pull Youzi into his arms with one hand and hold her wrist with the other.

"You're still considering?"

Ning Qing was hot-headed. Consider what? I don't want to talk to you now."

Nian Lie's face fell. You want to bring my daughter with him? "

Ning Qing was stunned.

...

Nian Lie couldn't help but grit his teeth. Ah Ning, I can allow you to do anything you want and I've always tried my best to respect you. However, that's only if you can see how hard I've worked.

1179 Youzi can't bear to leave her parents (1:

The result of his hard work could not be that she was indifferent, that she had to take care of the child, and really divorce him.

Ning Qing was shocked by him and did not know how to express her feelings.

Nian lie inched closer to her, his lowered eyes flashing with a sense of deterrence and possessiveness that he had not seen in a long time.

Ning Qing was shocked to realize that this was the real Nian lie.

Every word he said was like a brand.

"I can give you a lifetime to consider me, but you can't marry another man with my daughter."

"....."

Ning Qing was deeply shocked.

"I won't agree to the divorce: " Nian lie said frankly: not hiding anything:

If other men coveted her, he would never give them any chance.

With that, he carried youzi and walked past her.

Ning Qing was left standing there in a daze.

The next day, the family picked up ning su and was discharged safely.

Unfortunately, due to the suddenness of the incident, the Lou family had urgently called for ning Qing to go back. So, in the afternoon after ning su was brought back, ning Qing and Nian lie were ready to return to the capital.

While ning Qing was packing, youzi was sitting on the sofa, playing with her toys without crying or making a fuss.

After she was done, she carried the child out of the bedroom and went downstairs.

Nian lie and his family were already waiting in the living room.

Ning SU's limbs were still uncoordinated, and he was sitting in a wheelchair.

Ning Qing came down with youzi in her arms. She looked at her family and smiled. I'll go back and deal with some things first. I'll come back as soon as I'm done.

Father ning and mother ning didn't say anything.

Ning su said, " there's no rush. You're the head of the family now. There are many things for you to decide. There's no need to rush back.

Ning Qing shook her head. my family is here. Of course, I have to come back.

"....."

"Alright, it's getting late." Ning Qing was too lazy to be sad. She carried the child to her father and said, " dad, mom, I'll leave youzi in your care.

Mr. Ning took the child from her. don't worry, go home. Your mother and I will take good care of youzi and Hansu.

“Yes.”

Ning Qing turned to Nian lie. let’s go.

The two of them walked towards the door, but at this moment, youzi, who had always been quiet and obedient, threw away the toy in her hand and burst into tears.

what’s wrong? why are you suddenly crying? ” mother ning asked with concern.

The two people at the door stopped in their tracks.

Youzi’s tears rolled down her cheeks, and she reached out to the two people at the door. daddy, mommy, daddy.

Ning Qing was stunned for a moment, but the man next to her had already strode over.

Nian lie took the youzi from her and asked gently, “what’s wrong?” You’re crying so sadly.”

Youzi grabbed his collar and rubbed against his shoulder, calling out for her parents.

is this child feeling unwell? she has never cried so easily in the past. Should we go to the hospital for a checkup? ”

As mother ning said this, father ning looked at his granddaughter and understood.

Ning Qing also walked back. Nian lie was patting youzi’s back, and she was still crying.

Everyone’s heart ached.

dad, mom, hurry up and take her to the hospital, ” ning su said. Qing ‘er, I won’t hold you up any longer. You and Nian lie can leave first.

“There’s no need to send her to the hospital,” father ning said before ning Qing could speak.

“

Father ning looked at youzi’s teary face. Her pitiful look made him want to love her.

He sighed. I think this child can’t bear to part with you.

Both ning Qing and Nian lie were stunned as they looked at youzi.

The other party bit her lips, her big eyes wet with tears. Whoever she looked at, she couldn’t bear to part with him.

Ning Qing’s heart ached. youzi, are you reluctant to leave your parents? ”

1180 Take youzi back with me (1:

Youzi pouted and nodded with tears in her eyes.

“I want daddy, I want mommy.”

Mr. Ning's heart ached for her. don't think that she's a very sensible person. In fact, when the two of you aren't around, she would cry every night. Sometimes, after a video call with you two, she would start to cry while mumbling about her parents.

yeah, she's still so young. She's just afraid that you'll worry about her, so she's always been so obedient and well-behaved, but in fact, she's just a little over a year old. She also wants her parents to be with her, " Mrs. Ning said.

Ning Qing and Nian lie fell silent.

They were so busy with the Lou family's Affairs that they forgot to care and love their children.

"....."

Looking at the guilty couple, Mr. Ning was silent for two seconds. children are children after all. They always want their parents to be by their side.

"Yingluo, why don't you bring youzi back this time?" mother ning suggested.

However, when ning su heard this, he quickly retorted, " no, Qing 'er has just become the master of the family. Her power is still unstable. I'm afraid the storm in Jingdu has not passed yet. I'm afraid it will be dangerous to take youzi back.

Mother ning didn't care about that. Aiya, what's so dangerous about it? As long as the two of them brought the child with them, what danger could there be? Moreover, it's the Lou family. Who would dare to touch it?"

Ning su was still rational. it's not safe to bring her back.

"There's nothing unsafe about it,"

Mother ning looked at ning Qing and her husband. I see that you two can't bear to leave youzi either. Since that's the case, why are you still hesitating? "

Nian lie actually agreed with ning su. mom, sister is right.

The power in Jingdu was deeply rooted and intertwined. After the Lou family changed hands, the fluctuations in the country were obvious. There might be people with bad intentions who wanted to take a different path.

At that time, youzi would become his and ning Qing's weak spot.

The most important thing was that they could not let their child fall into such a situation.

Ning Qing's mother was unhappy. so you can bear to see your child suffer? "Let me tell you, we all know about Qingqing's health. As her mother, I can't bear to let her risk her life to have another child. So, youzi may very well be your only child. Her life is only so long. If you miss her growth period, you'll regret it in the future."

Nian lie's expression softened as he looked at ning Qing.

Ning Qing's heart was even more turbulent, and mother ning made the decision.

Alright, alright, just this once. After you two go back, get someone to keep a close eye on her. She'll be fine.

Ning Qing felt relieved. okay, I'll take her back.

Nian lie looked at ning Qing, who had taken the child, and then at youzi. The smile on her face was very happy. He could tell that she was very happy.

Driven by his family, Nian lie suppressed the uneasiness in his heart and silently agreed to this matter.

After that, the two of them took the child and boarded a private plane back to the capital.

*

On the plane, youzi was very curious. She leaned on the window of the plane and pointed outside.

Ning Qing's eyes were filled with tenderness. Youzi pulled her over and made her look outside.

"What's outside?" she asked.

"Sugar Sugar, cotton candy, cotton candy, cotton candy, cotton candy, cotton candy."

Although youzi was only a little over a year old, her pronunciation was very accurate.

Ning Tingting understood and immediately smiled. baby, it's not cotton candy. It's clouds.

Youzi was puzzled. huh? "

"Clouds, you can't eat them."

She seemed to understand and nodded.

Ning Qing played with her for a while, and she was tired.

She gave her some milk and fell asleep in ning Qing's arms.
