[Chapter 1191](#)

1191 I'll bring ning su back safely _1

But how could this be!

Her parents and her sister Yingluo.

No!

Who can't be less!

Seeing that ning Qing was about to break down, Nian lie grabbed her shoulders and said, " ning, calm down!

She cried and covered her face. no, Qianqian is young. I can't let my parents get hurt. They've given too much for me, Qianqian and my sister too. I can't lose any of them. I can't!

Nian lie's heart ached for her. He pulled her into his arms and promised her. I won't, ning. I won't let you lose anyone!

Ning Qing felt the vibration in his chest, and her eyes were filled with tears. but I don't have time to waste. Time doesn't have time to waste.

"There's still time."

Nian lie's eyes were dark. At that moment, he exuded a strong and powerful aura.

"Calm down and listen to me," he said.

Ning Qing held back her discomfort. Zhenzhen, I'm listening. What do you have in mind? "

Nian lie's voice was deep and hoarse, but it was filled with the power to make people trust him.

He calmly analyzed. this is a place far away from Lou qingyue. She must have done it on purpose. She wanted you to choose between the two.

Ning Qing asked helplessly, "what should I do? I'm Yingluo."

now that mom, dad, and ning su are in her hands, it means that she has the initiative. We can't act rashly, and we can't let her realize that we have a chance to save both of them.

Ning Qing muttered, "so, I can't save people on both sides at the same time, Zhenzhen?"

Nian Xi held her arms tightly and said, " ning, you have to remember that you came here alone. You can only save one person.

"....."

so you can only follow her wishes and choose Hanhan between mom and dad or sister.

When she heard this, ning Qing could not take it anymore. no! I can't do it! You know that I can't give up on either side, so how can I be cowardly?"

“Ning Qing, now is not the time to be emotional!”

This was the first time Nian lie had spoken to her in such a serious tone in the past year.

Lu Zhui, who was listening at the side, didn't feel good.

Nian lie's heart ached as he looked at ning Qing's pale face. He tried to control his emotions.

He said, “if you don't choose either side, we won't be able to save any one of them as time goes on!”

Ning Qing's tears gathered again. Lu Zhui hurriedly explained, “ young Madam, don't cry. Young master wants you to pretend to choose one side and distract the other party's vision and mind. Then, we will secretly go to save the other.

Ning Qing came back to her senses. is that what you mean? ”

Nian Yu pursed his lips. yeah.

She held back her tears, her heart heavy and complicated.

Nian Ying didn't mind that she misunderstood him. After a few words, the rescue team from both sides was ready.

Nian lie said to her, “ go to mom and dad's side. Remember to be more flexible. Don't confront Lou qingyue's people directly. You have to protect yourself first.

He was serious and serious, his eyes as dark as ink. I will bring ning su back safely.

“.....”

Ning Qing's heart was burning, and she was filled with emotions.

Seeing that she didn't reply, Nian lie turned around and was about to get into the car.

Suddenly, she rushed up and hugged him from behind.

Nian lie remained in the same position as he lifted the car. His entire body froze.

Ning Qing leaned against his broad back and clutched his shirt tightly. Nian lie, you must keep your word.

Nian lie's throat moved, and his eyes changed several times. yeah.

“You too,”

She said this without thinking and let go of him. With a determined expression, she turned and walked to another fleet of cars.

[Chapter 1192](#)

1192 I just want to see who you choose to save (1:

After watching them set off, Nian lie was woken up by Lu Zhui.

“Young master? Young master, it's time to go.”

The man looked at the convoy in the opposite direction again, his expression heavy and complicated.

The conversation between the two of them just now flashed through his mind.

It was extremely light and shallow.

"Yingluo must first protect herself."

"You too,"

*

Ten minutes after the two teams had finished packing and set off, Lou qingyue received the news.

miss, ning Qing is already heading in the direction of the hotel. The man is heading to miss Ling's side.

As she had expected, ning Qing did not come alone.

And Nian lie.

When she thought of men, Lou qingyue's expression became more and more uncontrollable.

"Do you want to teach them a lesson on the way?" asked one of his men.

"No need: " Lou qingyue raised her hand and refused:

The subordinate hesitated. miss, do you have a better idea? "

It was rare that Lou qingyue didn't teach him a lesson for being so talkative. She said slowly, " they're all your own family. Who would want to give up on one side? " It's excusable to want to save the people on both sides."

"....."

These words made the subordinate even more confused.

Lou qingyue's sitting posture was charming. Her eyes looked at the blue sky, and a trace of blue flashed through them.

"What a pity, there are gains and losses."

Her aura suddenly spread out, and the look in her eyes changed.

It was sharp and cold.

"Ning Qing, your mistake was that you shouldn't have been too greedy."

"....."

"Someone, get me a call from my good sister who likes to go against me."

"Yes."

*

On the other side, the grandiose fleet of cars was heading towards their destination.

In the car, Ning Qing tried her best to suppress her panic. She kept telling herself as if she was brainwashing herself. There won't be a problem. You have to believe him. He will save my sister.

The person in the front seat was a trusted aide that Lu Zhui had promoted. Seeing her like this, he couldn't help but say, "Madam, don't worry too much. Sir has always been meticulous. He always keeps his promises. You must believe him and not let your heart be confused.

Ning Qing opened her mouth, and the man continued, "Lou Qingyue is a cunning and treacherous woman. She doesn't leave any room for negotiation. Our journey may not be safe, so you must be very careful. If there is an accident later, you must be rational and protect yourself. I will do my best to protect you.

Ning Qing was touched. Thank you.

The man nodded and looked ahead with his bright eyes.

Ning Qing raised her guard because of his words.

However, the journey was unexpectedly quiet.

When they arrived at the hotel, Ning Qing looked at her subordinate who had just walked into the dark corridor. Are you sure this is the place? "

"Yes." Our men are already searching for the old Madam and Sir, "the man from before said. You have to be very careful of me. You must be careful of your surroundings.

He assumed a Guard's posture and walked in front of Ning Qing.

Ning Qing nodded and followed him up.

"

Her phone rang.

Ning Qing stopped in her tracks.

It was the unknown number from before.

Ning Qing subconsciously didn't want to take it, but she was afraid that her suspicion would affect the situation on Nian Lie's side.

She took a deep breath, motioned for the man to move up, and picked up the phone.

"What else do you want?"

"Have we arrived?" Lou Qingyue asked calmly.

Ning Qing pursed her lips. When I find the person, I'll get someone to draw up a letter of abdication, sign it, and send it to you. I'll also get someone to prepare a statement to sever ties with the Lou family.

Lou Qingyue remained calm and unruffled. Didn't I say that I don't need you to do these things? I just want to see who you choose to save.

[Chapter 1193](#)

1193 You have no intention of letting us go at all _1

“Lou qingyue!”

Ning Qing’s tone was unfriendly, anxious, and aggressive.

“Before you caught them, you already knew how important they were to me. I won’t give up on anyone easily. Power is not worth mentioning compared to them! I can give you everything you want. You can do whatever you want, just don’t hurt them!”

Lou qingyue became happier when she heard her angry tone.

Her expression was relaxed, as if her words pleased her.

“You’ve regressed so much. If I don’t do as you say, it’ll seem like I’m being unreasonable.”

Her tone sounded like she was coaxing a kitten.

alright. Prepare everything now, sign the letter of abdication, and release a video of you severing ties with the Lou family forever on the internet.

Zhenzhen. ning Qing’s nerves were tense. I haven’t seen her yet. Why should I believe you? ”

The woman’s smile was melodious but a little strange.

“He’s in my hands, believe it or not,” she said.

“.....”

by the way, let me ask you one more question. You chose your adoptive parents, didn’t you? ”

Ning Qing hated her tone. they are my parents!

Lou qingyue was disdainful and disdainful. as far as I know, the ning family is a low-level family. Whether it’s their income, food, or clothing, they are all below average. I’m very curious. What makes you think that they are more important than your dead biological mother? ”

The words ” biological mother ” pierced into ning Qing’s heart like a needle.

“Forget it, I’m too lazy to be interested.” “Are you going to do as I say or not?” the woman’s voice continued.

As soon as she said this, someone came up to ning Qing from the corridor and whispered in her ear, ” I’ve found her. She’s unconscious. I’ve checked her and found that she was hypnotized. She has some minor injuries, but it’s not a big deal.

Ning Qing really wanted to go up and take a look, but she didn’t have the time to do so with ning su in mind.

After nodding, she mouthed the words to the other party, send them to the hospital and take good care of them.

Then, she turned around and walked out.

"I'll get someone to prepare it immediately," she said over the phone.

"Five minutes."

"....."

Lou qingyue was very determined. I'll only give you five minutes. If you don't see the video, your sister will be in trouble.

Ning Qing got in the car, and the group was ready to go to ning SU's place.

She said,"don't touch my sister!" I'll do as you say!"

"It's best."

"....."

"Don't hang up, I want to hear it from you."

Ning Qing was put in a difficult position.

Her silence, to Lou qingyue, was a delay.

"Ning Qing, do you think you still have time?" she said slowly.

Ning Qing's voice was a little hoarse. I'll record a video right away.

"Heh, no need."

The sudden rejection made ning Qing's heart hang on the edge of the cliff again.

"Lou qingyue, what do you mean? Are you playing with me?"

Lou qingyue stood up and looked at the beautiful scenery through the glass window.

She said coldly,"ning Qing, do you think I don't know what you're planning?" You and Nian lie have already made a plan. We'll set off on both sides at the same time. You'll go save your parents and hold me back while he secretly leads his men to save your sister!"

Ning Qing's thoughts had been seen through. She panicked for a second, but then calmed down. don't look like you're going to fulfill your promise, Lou qingyue. I know that even if I really do as you say, you have no intention of letting us go!

"Yup,"

Lou qingyue openly admitted and completely shed all pretense of cordiality.

"I've said it before, I'll let you save whoever you choose to save."

[Chapter 1194](#)

1194 Jump down on your own _1

"....."

“You chose to save your adoptive parents.”

Ning Qing’s breathing was rapid, and her eyes were full of oppression.

I will save them all. I won’t let your scheme succeed!

The other party sneered slyly. I hope you can always be so confident!

“.....”

Before he hung up, a curse-like sentence came through the receiver.

ning Qing, you have to remember that you are the one who caused Lou Si’s death!

“Du du du ...”

“Hello? Hey!”

Ning Qing shouted twice, but only the beeping sound responded.

As she repeated the words in her mind, the panic in her heart grew.

She patted the back seat of the driver’s seat. quick! Hurry up!”

With shaking hands, she was about to call Nian lie to make sure ning su was safe.

The next second, a video was sent over.

The abandoned building was surrounded by concrete walls. There was no guardrail on the side facing the outside, and below it was an abandoned land overgrown with weeds.

A rough male voice sounded.

miss Ling, as you can see, Miss Lou Qing has chosen her parents ‘side. At this time, she has already saved the person.

Ning su had been untied and was standing alone on the side.

Oh? ” her eyes went blank for a second. is that so? ”

“You’ve done so much for her, but she doesn’t appreciate it at all.”

“.....”

Ning Meng leaned against the wall, and the rough concrete wall rubbed against her soft skin.

“Do you have anything else to say?” the man asked.

my parents are safe now, aren’t they? ” ning su asked: looking at the man.

The camera couldn’t see the man’s face, but it was obvious that he was stunned for a moment.

yes, miss Qing Yue has said that whichever side she chooses, that side will be life. On the contrary, the other side will be the one who is abandoned. The abandoned person no longer has any value and has no need to live in this world.

Ning su was unusually calm when he heard the sentence that he deserved to die from another person's mouth.

She even thought to herself, "it's good that they're safe. Fortunately, she's the one who's going to die."

The man reached into his suit and pulled out a gun.

Ning SU's legs and feet hadn't recovered yet, so he trembled and leaned against the wall.

She stared at the black muzzle of the gun. she asked you to use a gun? "

no, the young lady said that you can't die too easily as she's your mortal enemy.

Ning su smiled. then what should I do? Dismember me?"

When the man approached her, there was always the threat of a gun.

Ning su took a step to the side and got closer and closer to the edge without a guardrail.

The man pointed the gun at her and gestured to the people below.

"You have to jump down from here."

"What if I don't?"

you've been the heir of the Lou family. I don't think you want to die an ugly death.

"....."

"Jump down yourself, or I'll help you."

Ning su pursed her lips. She didn't know if she was nervous, but she heard some light footsteps.

The man seemed to have heard it as well, and his expression tensed up.

hurry up, don't waste time. No one will come to save you!

Ning su saw that he was getting closer and took another step back.

She didn't say anything and glanced below. She caught a figure that flashed past her very quickly.

She held onto the wall and asked the man, "why are you so loyal to Lou qingyue?" What benefits did she give you?"

The man was a little agitated, " my father is Madam Lou SI's follower. I've been following miss Qing Yue since I was young and my duty is to treat her as everything! Don't even think about getting anything else out of me, and don't even think about it. Even if I die today, you have to come with me!"

[Chapter 1195](#)

1195 She never thought of saving you (1:

Ning SU's heart sank a little when he said this.

The man was indeed "loyal," and it seemed like he could not be persuaded.

The man could tell that she was trying to buy time. He pressed his index finger on the safety of the gun and said, " don't talk to me about this anymore. Hurry up and jump!

"....."

Ning su pursed his lips, looked at the distance behind him, and carefully took a step back.

This time, she was only one step away from the edge.

The man was already a little enchanted. His broad face turned red. it's my life's honor to be able to complete this mission for miss Qing Yue!

"Then your life is really short: : ning su said.

The man was stunned and glared at her. People like you were born high and mighty. You don't know what the lives of ordinary people like us are like! You don't have the right to judge me!"

Ning su wasn't afraid of angering him. I can't judge, but your miss qingyue can? "

"You're not worthy of being mentioned in the same breath as the young lady!"

"....."

Outside of the camera, ning Qingxin felt like she was on fire!

Stay calm, sister!

Don't anger him!

But how could the woman in the room know what she was thinking? ning su looked at the excited man coldly and wanted to say something.

"Bang!"

The man moved forward again and fired a shot at the wall beside her.

Ning su was shocked. you're crazy!

The man had indeed lost his mind. He pointed downstairs. don't try to fool me with these useless things! I told you, no matter how long you wait, your sister will never come to save you!"

"....."

"I'm telling you, she made a choice, and she chose her parents" Wanwan without hesitation. be sad. You've done so much for her. You were afraid that she would be dragged into the Lou family, so you helped her as a friend. But she repaid evil with good. She never understood you. She caused trouble for you three to four times and hurt your heart! Now, she's already the head of the Lou family and above everyone else. Do you think she'll still care if you're Dead or Alive? Hurry up and jump! Did you hear me?"

"....."

Ning su lowered his head and didn't speak.

Ning Qing looked at the video, and the man's words of lies filled her ears.

She shook her head crazily. it's not like that, sister Xuxu. Don't listen to him! I didn't give up on you! I didn't!"

The chauffeur in front was at a loss. Madam, calm down. Don't cry, Qianqian.

Ning ting could not hear what the others were saying, and her heart was fully focused on the video.

The conversation continued.

"She chose mom and dad because she wants you to die!"

"She never wanted to save you. What are you still so persistent about?"

"Only death can solve all problems."

"....."

Ning su raised his head. enough.

The man's persuasion stopped abruptly.

Ning SU's expression was extremely calm, as if he did not feel the threat of death at all.

"You know me very well, and you're better at inciting people's hearts than I am, but you've forgotten one thing," she said:

The man was stunned.

I've already died twice, " ning su said quietly.

The man stammered,"you whine, you whine."

The corners of ning SU's lips twitched as he watched the figure in the corridor quietly approach him, his gaze unchanged.

"My sister and I were involved in a very serious car accident. That time, my face was completely disfigured, and I was in so much pain that I wished I were dead. The second time was also for my sister."

When she said this, her expression became gentle.

I did hate her in the past. I hated myself for not her. Later on, I realized that it was fate.

[Chapter 1196](#)

1196 Out of control (1:

It was her life.

It was the same now.

The man was stunned by her words, but he was still very vigilant.

When the man behind him pounced on him, he turned around and punched him. Lu Zhui rushed up and grabbed him. The man was obviously well-trained. He quickly broke free from the restraint and fired three shots at the man on the stairs.

“Ah!”

Screams, gunshots, and cries of pain.

Ning SU’s brain went numb. She wanted to walk back while holding the wall, but the man looked at her fiercely, grabbed her arm, and pulled her into his arms.

Then, the cold muzzle of the gun was aimed at her temple.

After that, Nian lie’s eyes darkened. don’t touch her.

The man had gone completely crazy. don’t come over! I’ll shoot if she comes over, I’ll kill her immediately!”

Lu Zhui got up from the ground. When he received Nian lie’s gaze, he backed away.

Nian lie gritted his teeth. His handsome face had already darkened to a terrifying extent.

“If you dare to touch her, don’t even think about walking out of here today.”

The man laughed. you think I’ve thought of leaving? I just can’t stand you people who think you’re on the right path! He looked sanctimonious and gentlemanly, but in fact, he was dirty and filthy! Disgusting!”

“.....”

“Don’t think I’ll let her go. At most, we’ll die together!”

Nian lie’s expression was terrifying. Behind him, Lu Zhui whispered, ” this person is an expert. He’s standing in a blind spot. The sniper won’t be able to hit him.

Hearing that, Nian lie’s gaze became even scarier.

However, he was very calm. When he looked at the man, he noticed that his legs were trembling.

“What do you want?” Nian lie asked in a deep voice.

“I want this woman’s life!” The man shouted.

After that, he pushed ning SU’s head even harder.

However, Nian lie knew that he had said that loudly to hide his fear.

If he was really a Desperado, he could have pushed ning su down or shot her just now.

But he did not.

That was because he was still afraid of death.

Nian lie felt less stressed after learning about this.

He didn't even bother to beat around the bush with the man. He motioned for the people behind him to relax. He said to the man, "if you don't want to die, let her go. I can save your life."

The man's entire body trembled. He looked left and right, but he did not fall for it.

"Now that things have come to this, you want me to believe that you will let me go? Heh, do you think I'm an idiot?"

Nian lie was about to say something, but he fired two shots at him.

"Bang Bang!"

The crowd dispersed and hid behind the shelter.

Ning SU's ears were buzzing. One of the two shots had hit one of his men.

He collapsed on the ground, clutching his chest in spasms.

The bright red blood quickly soaked his coat, turning it dark.

Ning su finally had a change of heart. that's enough! What's the point of hurting other people? don't you just want my life?"

The man grabbed her neck ruthlessly. you'd better be f * cking honest and stop talking nonsense! One more word and I'll beat you to death!"

Ning SU's legs went soft. She heard the man say, "you can save her if you want. But you have to promise to let me go. Prepare ten million in cash, a car to leave, and a passport to return to China!"

"....."

"Where is he!"

: Sure: : Nian lie replied in: low voice after: while:

The man stood at the edge, his body on the verge of collapse. don't you dare play any tricks! If you move, I can take her life immediately!"

"Hello, Yueyue." Nian Xi replied in a muffled voice.

Ning su heard something different and looked to the corner.

[Chapter 1197](#)

1197 Nian lie was shot (1:

Nian lie walked out, his face slightly pale. I'll get someone to prepare.

Lu Zhui walked out and cautiously walked down the stairs.

The moment Nian lie turned around, Lu Zhui nodded.

Such a subtle movement was caught by the sharp man!

"You're lying to me!" He shouted.

After saying that, he pointed at Nian lie's chest.

Ning SU's pupils shrank, and he subconsciously pushed his hand away.

"Bang!"

The shot hit the ceiling.

Nian lie's eyes turned sinister. He took the opportunity to pounce on her, but his injured right leg made him a step slower ...

The man grabbed ning su again. you b * tch, how dare you fight back! Your f * cking life is in my hands and you still want to save others!"

He pulled ning SU's hair without any pity, and the woman's face twisted in pain.

: Don't touch her!"Nian Yu scolded.

The man laughed out loud, the veins on his neck and forehead popping out.

"I know you won't let me go. Even if I run away today, you'll try your best to catch me and bring me back for a walk. So, I'm not leaving today!"

He glared at Nian lie, whose face had turned even uglier, and grabbed ning SU's neck from behind. Her face instantly turned red.

"If you f * cking dare to play with me, I'll kill her!"

: If something happens to her, you won't be able to escape either!"Nian Yu said ruthlessly:

I don't want to go. I just want to see you guys in pain!

The man had already fallen into madness. The gun was pointed at ning su, and she didn't know when he would press it.

"Didn't you want to save her? Ah, I'd like to see how much you can do to save her!"

"....."

"You kneel down!"

Suffocating, ning su felt weak all over. He looked at the man over there and said, " don't cry, don't cry.

Nian lie's entire body tensed up, and a myriad of emotions surged in his dark eyes.

At this moment, one of his subordinates came forward.

"Sir, it's a call from Madam."

Nian lie didn't say anything and reached out to take it.

The man was very nervous. He immediately stopped her. don't answer it!

Nian lie glared at him, his murderous aura overwhelming him.

The man pointed his gun at him and said, "I told you to kneel!" If you don't kneel, I'll kill her immediately and then jump down from here. You won't get anything!"

The gun was pointed at Ning Su's head again. She shook her head with great difficulty. Nian Lie, Qianqian, don't. He won't let me go, Qianqian. Don't be Qianqian.

The phone was right in front of her, and the two figures were also right in front of her.

Nian Lie lowered his head, so she couldn't see what he was thinking.

Only one sentence appeared in his mind. Then, he looked at his subordinate, "tell her that I will keep my promise.

He turned to the two of them.

Blood gushed out of his thigh, and the black hole was too bloody to look at.

"....."

Under everyone's watchful eyes, he bent down and bent his left knee. The bottom of his clean suit pants was stained with the dirty mud on the ground.

Next, his injured right leg knelt down with some difficulty.

Ning Su's eyes went blank. Even in the face of death, she had never been so angry!

"Don't you kneel! I don't need it!"

Without waiting for her to finish, the man's face showed a carefree and crazy smile.

"I didn't expect that the president of the Nian Corporation, the youngest heir of the Nian family, would kneel before me, the kidnapper! Hahaha!"

Not only the man, but Ning Su and everyone else present were also shocked!

They looked at the figure who stood with his back straight, and the emotions in their hearts turned upside down. For a moment, they didn't know whether they could not bear it or admire him!

[Chapter 1198](#)

1198 Only you are qualified to protect them _1

Outside the camera, Ning Qing heard Nian Lie's words. At that moment, her thoughts of "saving her sister" suddenly became a little weak!

Especially when the man bent his body and knelt down in humiliation, her tears poured out like a swarm of bees, and she couldn't stop them at all!

"Nian Lie, Qianqian."

She couldn't help but mutter. Her heart felt like it was being stabbed by a knife, and it hurt even more.

In front of the camera, Lu Zhui was getting anxious. Young Master, what are you doing? Qianqian!

Nian Lie clenched his fists tightly, a thin layer of sweat forming on his forehead.

"Is that enough?" he asked the robber.

The man laughed shamelessly. how can I? "

He glanced at the guns in the hands of the people around him. kneeling once can save a life. Isn't it too simple? "

"....."

"Give him a gun."

"Don't you go too far!" Lu Zhui was furious.

The man was not afraid at all. He raised his chin. if she doesn't do it, I'll beat her to death.

He knew too well how to deal with the other party, and he had never thought that he would be able to leave alive.

He just wanted to humiliate Nian lie before he died.

That was all.

Lu Zhui was extremely aggrieved. young master, don't listen to him!

Nian lie reached out his hand. give it to me.

Lu Zhui was stunned. he won't let miss ning su off. Please!

Nian lie had already snatched his subordinate's gun from him. He looked at the robber, drenched in sweat. what should we do next? "

The man was very proud. my right leg is injured, so there's no point in keeping my left leg.

Nian lie's face was deathly pale, and his eyes were dark and cold. He couldn't see the end.

enough! ning su said. don't do as he says!

The man chided,"shut up!" It's not your place to speak!"

Ning su had had enough of watching from the side. She had once thought that Nian Jin was no longer qualified to gain their trust after hurting ning Qing so much.

But if it wasn't for ning Qing, he might not have even appeared here and suffered such a great humiliation!

oh, oh. ning su took a deep breath, and her eyes flickered. Nian lie, you're the president of the Nian Corporation and the husband of the head of the Lou family. I won't allow you to lower your status and let others manipulate you!

"....."

"Stand up,"

"....."

"I told you to stand up, did you hear me?!"

Like a parent's chiding, Nian lie had no choice but to listen.

He pursed his thin lips. A sharp pain came from his right leg, and he could not use any strength.

Seeing this, Lu Zhui hurriedly helped him up.

When Nian lie stood still, ning su nodded and said, " Yes, that's right. As the person who will protect Qing 'er and my parents in the future, you should be an indomitable spirit. You can't be bullied by others.

The man was stunned. what the hell are you talking about? Who allowed you to resist me!"

He pinched ning su hard and pointed at Nian lie fiercely!

"Kneel down and shoot! Don't f * cking play any tricks!"

Ning su almost couldn't breathe. She held the man's arm with both hands, and her eyes were filled with tears. She was clearly speaking in a low voice, but everyone present heard her clearly.

I thought that if we were to do it all over again, you wouldn't be able to trust Qianqian. After all, she's Nian lie. Right now, you're the only one who has the right to protect them.

"....."

Hearing this, Nian lie's eyelids twitched.

Ning SU's smile was as beautiful as a flower, just like her past life.

"I'll leave my parents and Qing 'er in your hands in the future," she said.

It was over. She looked at an unremarkable place. Ning Qing was in the pinhole camera there.

She smiled and cried. Qing 'er, don't blame anyone. You must walk this path with determination. I believe in you.

[Chapter 1199](#)

1199 Ning su falls off the building (1:

In front of the camera, ning Qing, like Nian lie, suddenly realized something. no!

Nian lie's lips trembled, but before he could say the word "stop," his body had already subconsciously rushed over.

However, ning su used all her strength and knocked back. The man was caught off guard and took two steps back.

Suddenly, he missed a step.

"Ah!"

"....."

A large palm swept across her eyes and brushed past her sleeve.

Ning su smiled at Nian lie, whose eyes were filled with disbelief. In her mind, another man's face, which was as gentle as Jade, appeared.

She said, "goodbye, Qing 'er."

Goodbye, brother Si Chen.

Goodbye, the hidden love she had never said, and the humble crush.

"....."

Nian lie lost control of his body. His upper body lunged forward, but he still couldn't catch ning su.

"Young master, be careful!"

It was Lu Zhui and his subordinates who reacted quickly. Three or four of them rushed up and grabbed the back of his collar. Otherwise, he would have fallen down as well.

"....."

Nian lie panted heavily. Dark red blood flowed down from the edge of his eyes, just like his reddened eyes.

From a distance, two figures could be seen on top of the abandoned building, one in front and one behind. They were shuttling through the air at a rapid speed before suddenly falling to the ground.

"Bang!"

It was the sound of something being torn apart.

The world was quiet.

*

"No! Big sister Yingluo, don't jump, don't!"

The woman on the bed jumped up in horror and found that she was surrounded by a white light.

Ning Qing's mind was filled with the image of ning su falling from upstairs. She anxiously pulled out the IV drip from her hand and hurriedly got out of bed.

"Hey, you can't leave!"

The nurse couldn't stop her. She rushed to the door, but the door opened from the outside.

It was the dejected and guilty Nian lie.

She grabbed him. where's my sister? She was still here, wasn't she! You saved her, didn't you?"

Nian lie was still on an anti-inflammatory IV drip, and his dull eyes were lowered.

Lu Zhui's heart ached when he saw this. young Madam, young master is injured and is still being treated. Qianqian, please be careful.

Only then did ning Qing realize that he was on an IV drip and looked very pale.

She couldn't see clearly through the camera, so she didn't know how badly Nian Yu was injured. Subconsciously, she thought that he only had light injuries.

Instead, she grabbed his arm and asked urgently, "my sister is fine, right?" You promised me that you would bring her back. Nian lie, say something!"

As she spoke, she did not realize that her tears had already fallen.

Nian lie couldn't bear to watch any longer. He had already been tormented outside the door for a few hours and didn't dare to come in and face her.

However, the cruel truth had to be told to her.

He hugged her.

It was very light and very restrained.

"I'm sorry, ning, I didn't get ning su back."

"....."

At that moment, ning Qing's world collapsed.

Her eyes were empty, and tears fell silently.

Nian lie was frightened out of his wits.

"Ning, don't be like this. You can blame me, scold me, hate me all you want, Yingying!"

"Where is she?" ning Qing suddenly asked.

Lu zhuiying answered, " miss ning su is still in the mortuary. The old Madam and Sir are guarding her. Young Madam, do you want to go and take a look? "

"Alright," ning Qing said numbly.

Nian lie didn't have time to stop her. She had already followed Lu Zhui.

He was in a hurry to catch up when he felt a pain in his right leg.

His subordinate walked over. I'll help you over.

"There's no need to."

At the side, another subordinate pushed a wheelchair over. sit down, I'll Push You over. The doctor said that you're seriously injured and it's best not to leave any lasting effects.

1200 Bug will bite aunty (1:

After today's incident, his subordinates, who had always been content with their lot, seemed to have changed their perception of Nian lie.

This man who looked cold, ruthless, and decisive was actually very soft-hearted, and he would put down his dignity and status to save someone. This was something that they could not help but admire!

Nian lie indeed felt his own helplessness. He didn't refuse and sat in the wheelchair.

In the mortuary, mother ning was crying very loudly.

Ning Qing slowly walked closer. Father ning's eyes were red. Qingqing, Qianqian.

There was no one else in ning Qing's eyes except for the White cloth.

Mother ning was still crying. Hansu, it's all my fault! We should have let Qingqing save you first. Your father and I are so old, and you're still so young. It's not easy for you to come back to us. How could this happen? God, return my daughter to me, return her to me!"

Ning Qing walked closer and removed the White cloth.

Under the White cloth, the woman's body was severely damaged, and she almost lost her human appearance.

Ning Qing wanted to touch her, but she did not know where to start.

Mrs ning looked at her. Qingqing, I didn't mean it that way. I mean it.

Ning Qing lowered her body and helped her up. mother, I'm sorry.

Mother ning knew that the pain in her heart was even deeper. How could she blame her?

"I know that you've done your best, Zhenzhen. You've done a good job. Qingqing, they're too vicious. I don't blame you, Zhenzhen."

Ning Qing hugged her mother. Her vision was blurry, and she could not see anything clearly.

In her daze, she saw ning su smiling at her.

"Qing 'er, don't blame anyone."

"I will always believe in you."

The deep sorrow seeped into her bones. She tried to breathe softly, but she still felt that the pain was worse than death.

From then on, she no longer had a sister.

No one would ever call her 'Qing' er 'gently again.

"There won't be any more."

"What?" Ning Qing's mother asked in return. Ning Qing's body fell and she fainted in her arms again.

*

When ning Qing woke up again, she had become unusually quiet.

When father ning and mother ning were discussing how to settle ning su down, she said, "take her home."

Back to their home.

So, they went straight back to Ying city and asked someone to pick up youzi from the capital city to see ning su off.

The grave that ning Qing had prepared for ning su was on a Hill not far from the ning family.

The scenery was pleasant, the air was fresh, and the environment was good. From the location of the cemetery, one could see the entire Ying city and the location of the ning family.

They didn't choose to hold a funeral, but quietly buried the man in that small world.

It was exactly the same as when she had sent Lou LAN off.

Mother ning cried and talked for a long time before ning Qing pulled her to a stop. mother, don't cry. Sister wouldn't want to see us like this.

Mother ning wiped her tears and nodded.

Papa ning carried youzi in his arms. alright, the child is here. Go home early.

Ning Qing didn't answer. She took youzi and pointed to the tombstone. kneel down.

Youzi was still confused. Ning Qing helped her kneel and taught her how to kowtow.

Youzi followed suit. After she was done, she pointed to the tombstone and asked, "aunty?"

These two words almost made the people present burst into tears again.

"Yes, aunty is here," ning Qing said.

Youzi opened her eyes and looked at it for a long time. Then she frowned and shook her head, "it's not aunty. Aunty is calling Gao Zhenzhen.

She gestured with her hands, meaning that ning su was very tall and couldn't be locked up in such a small place.

She also said, "this is mud. It's dirty and there are bugs in it. They will bite aunty."
