

## Mr Nian 1251

### [Chapter 1251](#)

#### 1251 A good father (1)

Mo Han stopped wiping his eyes and nodded affirmatively. He then swore, "I will never hurt you again. Mom, I know you love me.

And what his father had said just now, they knew that he would poison them, but they still gave him a chance.

It was he who had exhausted their trust in Him.

"It's not that you don't want to hurt me, but no one can." Mohan, a person's life is limited. Everyone's life is precious, not just mom's, but also dad, Grandpa, grandma, and everyone else's."

"....."

everyone has their own value in life. You can't decide whether others stay or leave just because you like them or not, do you understand?"

Mo Han was indeed Mo Han. After he understood, he nodded obediently. I understand, mom.

Ning Qing patted his head and smiled. it's good that you understand. It's okay now. You should go to sleep. Your eyes are so red from crying. Youzi will definitely ask you why when she sees you.

Lou Mohan thought of Nian lie and felt a lingering fear in his heart. but dad won't forgive me. He wants to send me away, Hanhan.

"Don't worry, he won't." A smile appeared on ning Qing's pale face. I'm here. Don't worry.

The child clutched at the blanket and pleaded weakly,"mommy, can you accompany my Yingluo?"

When he said this, his little face was red, but because he had cried, the difference could not be seen.

Ning Qing was so gentle. okay, mommy will accompany you.

Mo Han closed his eyes in relief.

After he fell asleep, ning Qing quietly moved away and went out.

At the door, Nian Xi was leaning against the wall. His body was reflected in the dim corridor, and he looked dispirited.

Ning Qing's heart ached. Nian lie.

The man's mind shifted. The fireworks on his fingertips indicated that his mood was not calm.

However, when he saw her figure, he still turned around and snuffed out the cigarette on the painted mahogany railing.

"You don't feel uncomfortable anymore?"

Ning Qing had a heavy wool shawl on her shoulders. are you okay? I was a little anxious just now, so I ran away.”

“Ah ning.”

“What?”

Nian lie looked at her from the corner of his eyes, half of his face hidden in the darkness, making ning Qing a little flustered.

“What’s wrong?”

“Yingluo is fine.” His thin lips parted slightly.

“.....”

“Go back and rest. Don’t torment yourself anymore. Your body can’t take it.”

He turned to leave, and ning Qing chased after him in a panic. what’s wrong with you? did my bad attitude just now make you sad? ” You know that I didn’t mean anything by it. I was just too anxious and afraid that you would lose control of your emotions!”

Nian lie’s eyes were as dark as ink, and he could see through everything.

“I understand.”

Ning Qing was stunned. then why are you unhappy? ”

Nian lie’s expression was calm and unusually quiet, but there was nothing unusual about it.

I’m not unhappy. I’m just worried about your health. However, it seems like I was too nervous.

“.....”

He let go of her hand and said in a casual tone, ” I still have some things to deal with. Be good.

Perhaps he was afraid that she would overthink, he even raised his hand to touch the side of her face before leaving.

Ning Qing looked at his back as he walked away, and a feeling that she had never felt before wandered in her heart.

\*

In the evening, everything at the dinner table seemed normal.

“.....”

Ning Qing looked at the man opposite her. He was holding youzi in his arms and feeding her with a small spoon. He was not impatient at all, just like a good father.

## [Chapter 1252](#)

1252 I’ve never seen a son who would poison his own mother (1:

Ning Qing thought to herself, 'I've been overthinking it. Nian lie isn't the kind of person who would hide his feelings from me.'

She shook off the negative thoughts and looked at her son beside her. She smiled, "Mohan, you're too thin. You have to eat well to get better."

Lou Mohan was unprecedentedly obedient. He nodded, picked up his chopsticks, and ate all the dishes that Ning Qing had given him.

On the other side, the Father was taking care of his daughter.

On the other side, the mother was in charge of her son.

It seemed to be the most peaceful scene.

After the meal, Ning Qing brought Mo Han back to his room to personally bathe him.

Lou Mohan was shy and unwilling at first, but Ning Qing managed to convince him.

In the misty bathroom, the boy was lying in the bathtub, and the foam on the water covered his thin body.

Ning Qing looked at his short, wet hair and small head, and her lips curved into a loving smile.

"You're in good health, but you're too skinny."

Children of the same age should be taller, stronger, and healthier.

Fortunately, her son was in good shape. His arms and legs were muscular, and even his stomach had a faint abdominal muscle.

Lou Mohan's eyes were wet and half of his face was submerged in the water. His face was red as he said, "mom, I'm in good health. I've never really fallen sick."

Even when he was sick, he had to rely on his own self-healing.

Now, he was not afraid of anything that was not fatal to him.

Ning Qing's eyes curved into crescents as she smiled. It's one thing to be in good health, but you're still growing. You have to eat more and replenish your nutrients to make up for what you lost.

Mo Han nodded, the water in the bathtub rippling.

Ning Qing patted his head. Stand up. I'll help you wash your back.

He turned around slowly, a flash of shyness on his face, but when he remembered who the person in front of him was, he stopped thinking about it.

After the shower, Ning Qing brought him back to bed.

She planted a kiss on his forehead and said, "go to sleep, son."

Mo Han snuggled in the soft blanket. Thank you, Mom. Good night.

Ning Qing tucked him in, left a lamp on, and returned to the master bedroom.

As soon as he entered, he heard a voice saying, "you're back."

She looked at the man on the bed. He had obviously been waiting for her for a long time.

yeah," she replied with a smile.

Nian lie looked at her. She was about to take a shower. He couldn't stand the feeling of being ignored. youzi was looking for you just now," he said suddenly:

Ning Qing paused. didn't you coax her to sleep yourself? "

she didn't sleep. She wanted to wait for you. She said that you coaxed her to sleep and told her stories every day.

Ning Qing was at a loss for words.

Nian Xi opened his long and narrow eyes. but it's okay. I told her that you're with someone else. When you have time, you'll naturally go over to accompany her.

Ning Qing didn't know whether to laugh or cry. how could you say that to her? "

"I'm telling you the truth,"

He didn't think there was a problem.

Ning Qing ran her fingers through her long hair and walked to the bed.

The man still had the same face, as handsome as ever. The hardships of the past few years seemed to have not been touched by him at all. He was exactly the same as when she first met him.

Her heart suddenly softened a little. She sat by the bed and her voice softened.

"Who's" someone else "?"

"Other than youzi," Nian Yu replied.

"Mo Han is our son."

Nian lie sneered. I've never seen a son who would poison his own mother.

Ning Qing,"Zhenzhen."

"I've never seen someone so generous as to forgive his mother who almost killed him," he added:

Ning Qing was helpless. do you think I'm wrong? "

Nian Yu pursed his lips. I don't think you're right.

### [Chapter 1253](#)

1253 You're paying too much attention to him \_1

He didn't think he was wrong.

However, it was still wrong.

Ning Qing sighed and held his hand that was on the quilt.

I'm fine, aren't I? he knows he's in the wrong now, and you're still blaming him. What can you do to him? "

The man didn't give in and didn't reply.

Ning Qing's tone became softer. Mo Han is a child who has never accepted the fickleness of human nature. He can't tell good from bad, so he needs our guidance. Now, he finally knows who is right and who is wrong, and he has opened his heart to accept us. At this critical moment, are you going to be so cruel as to abandon him? You're willing to abandon him?"

Nian lie's words were cut off. His eyebrows twitched. he trusted others to harm you because he's stupid.

Ning Qing was speechless. he's only five years old.

"When I was five, I could already understand the documents on my Dad's desk."

"....."

as my son, not only was he deceived for five years, he even turned around and harmed others. He's the one without a brain.

Ning Qing was rendered speechless.

After a while, she said quietly, "so, you mean you won't forgive him?"

Nian Xi pulled a long face. what does one repentant mean? It's wrong of him to have the intention to harm others."

And he could not let this mistake continue.

Ning Qing was anxious. The man's cold eyes swept over her. and you.

Ning Qing's pupils shrank, and she subconsciously felt guilty. I'm Yingluo. What's wrong with me? I'm Yingluo!

Nian lie couldn't be bothered to explain anything to her, so he punished her physically.

However, ning Qing had just recovered, and her physical and mental state was relatively weak. He did not go too far and kissed her all over.

As he kissed, he read, "

it's fine if our son has crooked thoughts, but aren't you indulging him too much? "

I didn't allow you to risk your life from the start. You were the one who told me you wouldn't fall for it, but what was the result? "

In the end, even though she knew that the milk was poisoned, she still drank it without hesitation!

Nian lie bit her on the shoulder. Ning Qing moaned, but he still did not let go.

"Do you know how worried I was about you?"

“Also, ever since he came back, you’ve been paying more attention to him than youzi and I combined, Yingluo.”

When she heard this, ning Qing wanted to cry and laugh at the same time.

He was jealous.

She was still jealous of her own son.

“You’re an adult, why are you fighting for attention with a child?”

Seeing that she was unrepentant, Nian Yu’s mouth tightened.

Along with ning Qing’s whimpers, a trace of blood entered her mouth.

He bit her neck.

Ning Qing’s eyes turned red. She would coax him when he was angry and let him vent his anger, but he had bitten her so hard!

Just as she was about to launch an attack, the man changed his fierce style and gently kissed the wound, licking it gently as if to comfort it.

“.....”

Ning Qing was covered in sweat and felt extremely uncomfortable.

Nian lie trapped her in a tight space, pinching and rubbing her.

“.....”

After it was over, ning Qing became anxious. from today onwards, I’ll sleep with youzi.

Nian lie shivered. Before he could catch her, she had already hidden far away. Her red face was filled with shame and anger. for my safety, don’t even think about touching me again!

“.....”

“And youzi, if she misses me, I’ll go and accompany her.”

She then turned around and entered the bathroom.

The sound of water blocked all other sounds.

Nian lie’s charming thoughts dissipated, and his calm eyes swept to the door.

The gap was so narrow that he could vaguely see the pair of eyes from ten minutes ago.

His eyes were cold as he pretended to lie back on the bed.

\*

The next night, ning Qing fulfilled her promise from the previous night.

[Chapter 1254](#)

1254 Do you like daddy or mommy (1:

In the pink Princess room, she was carrying the child who was filled with joy. be good. Mommy will help you change into your pajamas. Raise your hand.

Youzi chuckled and obediently raised her hand.

“Turn around,” he ordered.

“Bend down.”

“Raise your leg.”

After changing into her pajamas, she sat on the bed with youzi in her arms.

“I heard from father that youzi misses her mother?” ning Qing asked softly.

When she said this, youzi’s big black eyes blinked and she raised her hands. mommy is bad! You won’t accompany me, you won’t tell me stories! Hmph!”

She pretended to be angry and turned around, ignoring him.

This posture made ning Qing laugh.

“Who taught you that? Dad?”

“Hmph, it’s not daddy, Wanwan, youzi is angry!”

Ning Qing bent down to hug her. okay, I’m sorry. I’ve been thinking about my brother these days and forgot that our little princess needs someone to coax her. I’m sorry.

Youzi’s eyes darted around as she recalled what Nian lie had told her before.

even if mom apologizes, you can’t be soft-hearted so quickly. You must make her promise to always be by your side.

Youzi nodded heavily. Her dad was right!

I can’t let mommy keep brother company!

She crossed her arms and said, “ don’t be sorry!

“What do you want to do then?” ning Qing asked.

She raised her chubby little hand and pointed at ning Qing’s face with her index finger. mother!

“I’m here,”

“Accompany me!”

“ .....

“Keep me company! I’ll accompany you every day!”

Ning Qing was surprised by her sudden "unreasonable request". Then, she recalled what Nian lie had said and her heart softened.

alright, mommy will accompany you. Mommy will sleep with you in the future, alright? "

Youzi quietly turned her head. really? "

"It's true."

She smiled, opened her arms to hug ning Qing, and kissed her on the face.

This appearance was like a completely different person from the angry one just now.

Ning Qing immediately understood that this must have been taught by Nian Lin.

She grabbed youzi's hand. did your dad teach you that? "

Youzi's eyes widened. She shook her head, nodded, and shook her head again.

Ning Qing sighed and tapped the tip of her nose. you cheeky little girl.

Youzi chuckled and pointed to the door. daddy!

Ning Qing turned around when she heard the voice. Sure enough, it was a man who was sneaking into the room.

Nian lie was a little embarrassed to be discovered. He cleared his throat and said, "youzi, why aren't you sleeping yet? "

Youzi opened her arms for him to carry her. He walked over and picked her up. why aren't you asleep yet? " Why are you pulling your mother?"

Youzi understood. She pointed at ning Qing and then at herself. mother, Zhenzhen will accompany Zhenzhen.

Nian lie's brows twitched. He quickly held her hand and said gently, "mom is sick and hasn't recovered yet. You like to kick the blanket away. Mom will catch a cold if she keeps you company.

Youzi frowned and looked at ning Qing.

Ning Qing put on a fake smile. didn't you say that my daughter misses me? it's only right for me to accompany her.

"....."

She carried the child and said, "don't wait for me. I'll sleep with the baby Tonight.

Nian Xi couldn't hold it anymore. ah ning, sob.

Ning Qing ignored him and pulled the blanket over the two of them.

Nian lie,"Huanhuan."

He was shooting himself in the foot.

Ning Qing had thought that this would make him give up, but who was Nian lie? How could he give up so easily?

He sat by the bed and leaned closer to youzi, as if he was chatting with her.

“Youzi,”

Youzi turned around and stared at him without blinking.

“Do you like daddy or mommy?” Nian lie asked.

...

Youzi was stunned.

Ning Qing didn't think there was any meaning to this question. They were both parents. There was no need to compare.

### [Chapter 1255](#)

1255 Youzi is the best!

However, Nian lie became inexplicably stubborn. He asked the child, ”

“Who's the best to you, mom or dad?”

“Who's been with you the most?”

“Who cares more about you?”

“.....”

As she asked, ning Qing became more and more energetic.

Youzi looked to the right and then to the left. She pointed at Nian lie and smiled adorably. daddy!

Nian lie looked at ning Qing smugly.

“What's there to be proud of?”

Ning Qing's heart ached a little. The daughter she had given birth to was more inclined to her father.

But youzi was telling the truth.

She glared at Nian lie and said, ” in the past, it was because of the Lou family. But it's different now. From now on, I'll always be by your side.

“So: youzi likes daddy the most: right?: Nian lie's dark eyes were deep as he looked at youzi again, his words coaxing. Daddy will coax you to sleep tonight, okay?”

Oh.

So this was the reason why he had asked so many questions.

Ning Qing laughed at the man's naivety in her heart and watched coldly as he tricked her daughter.

But youzi's brain worked quickly, and she understood what he meant in a few moments. She quickly shook her head, turned around, and hugged ning Qing.

"Don't! Youzi likes mommy and wants mommy to keep her company."

"....."

"Don't want Daddy, Daddy, go away!"

Nian lie didn't expect to be tricked by his own daughter. His cold face was filled with shock.

Seeing this, ning Qing burst out laughing. do you think she's stupid? She's a smart girl."

She still wanted to lie to the child. She had had enough.

"Do you really love your mother more?" Nian lie asked, gritting his teeth.

Youzi shook her head in fear.

"I don't want daddy! I don't want daddy!"

Ning Qing laughed out loud and gave him a look that said,"you deserve it."

Nian lie's face darkened. He couldn't hold his breath. good, very good!

"....."

"In the future, don't make me make milk for you, and don't make me coax you to sleep on your mother's behalf."

Ning Qing laughed to herself. aren't you embarrassed to compete with your daughter? "

Nian lie felt defeated. she lied to me first! he said.

He had clearly agreed that he would bring ning Qing over and she would help him keep her mother.

In the end, he capsized halfway!

Youzi didn't care so much. She only knew that her mother's body was soft and warm, but her father's chest was hard, and it was hard to sleep.

She wanted her mother tonight!

Looking at the mother and daughter hugging each other, Nian lie knew that he had no chance of winning. He was so angry that his face was as dark as the bottom of a pot. He turned around and returned to the empty room alone.

As soon as he left, ning Qing laughed hysterically.

"Youzi, you're the best!"

She had never seen Nian lie suffer a loss before. This time, she had witnessed it, and it was because of her own daughter!

Youzi didn't know what she was laughing about, but she just laughed along with her.

However, the door opened again in the middle of her laughter.

Ning Qing thought that Nian Jing had returned, so she said helplessly but firmly, "that's enough. I told you that I'm going to keep youzi company. It's just for tonight. Don't come again, Zhenzhen.

"Mom, it's me."

The weak child's voice interrupted ning Qing.

Ning Qing took a closer look. Mo Han was wearing gray pajamas and holding a pillow in his arms. It was the one from his room.

Ning Qing helped youzi settle down and got out of bed. what's wrong, Mohan? can't sleep? "

The boy's eyes flickered. Yueyue, I heard some noise from my sister's side, so I came over to take a look.

But why was he hugging a pillow?

He just wanted to sleep together.

His excuse was broken by itself.

Ning Qing touched his head and pulled him into the house.

He cowered. I didn't mean it that way. I just came to take a look!

#### [Chapter 1256](#)

1256 Sleep together (1:

"It's alright," ning Qing said.

"....."

"We're a family. Of course, we can sleep together."

She squatted down and spoke to him as an equal.

"Or do you want mom to invite you?"

Lou Mohan's face turned red and he looked at youzi, who was on the bed.

Youzi's head was tilted, and she was wearing a pink bunny pajamas, looking cute and adorable.

"My sister Yingluo is a girl."

Ning Qing smiled. she's still young. She doesn't have to worry about these things.

Mo Han was still very scared and looked around the room.

Ning Qing followed his gaze but saw nothing.

"What are you reading?" she asked.

Mo Han was slow for two seconds. daddy, is Qianqian here? "

of course not. I chased him away. Don't be afraid.

The child nodded and heaved a sigh of relief. He followed her into the house.

Ning Qing pressed him down on the bed, took off his shoes, and slept on the other side of youzi.

Mo Han, who wasn't next to her, was a little disappointed, but when he smelled the Milky fragrance on his sister, he also lay down in satisfaction.

"Alright, be good and go to sleep."

Ning Qing kissed youzi's face and then kissed Mo Han's face across her.

"No one will disturb our rest today."

Mo Han blinked and was still a little afraid. if dad knows, will he be angry? "

Ning Qing could not help but frown. Wasn't her son's fear of Nian lie a little too deep?

She tried her best to be gentle. no, mommy won't let him scold you.

Mo Han's furry head shrank into the blanket, covering half of his eyes.

Ning Qing turned off the lights. good night, my babies.

"Good night ~"

"Goodnight, mom."

It was a good night's sleep.

\*

When spring arrived in the capital, the greenery was abundant, and all life was restored.

Everything was developing in a good direction.

However, on the other side.

In an unremarkable apartment, men were walking in and out, and the security at the door was tight.

Inside, the woman sitting on the sofa had a gloomy expression. The man opposite her had a cold expression, as if nothing could affect his mood.

After experiencing the time in prison, her body was getting worse and worse, and her once dignified face had become Haggard.

"How's the situation?" Lou si asked.

Shen Yao was neither servile nor overbearing. nothing much. You should know the internal situation of the Lou family best.

The security was so tight that not even a bird could fly in.

Lou si clenched her fists tightly, " where's qingyue? "

she's been locked up in the side residence. No one can enter unless permission is given.

Lou Si's breathing became heavier as she slammed her hand on the armrest, " trash!

It had already been a month, and she still hadn't found a way out!

Facing her anger, Shen Yao didn't move. He said coldly, " my people found out some things. She is injected with drugs every day. Her physical condition is very bad.

It was almost impossible to escape from the Lou family, which had spies everywhere.

Lou Si coldly snorted, " I've spent over 20 years teaching her. If she can't even overcome such a situation, then it's fine if she doesn't want it.

Shen Yao frowned. If I didn't remember wrongly, she is your biological daughter.

"So what if he's your biological son? You're useless. It's fine that you lost your position as the head of the family, but all your past weaknesses have fallen into the other party's hands. In the end, you were even expelled from the Lou family!"

The more the woman spoke, the angrier she got. Her thin face became more and more twisted.

Shen Yao was silent and did not speak.

After a while, Lou Si looked at him and tried to calm her emotions, " do you have any way to save her? "

## [Chapter 1257](#)

### 1257 Announcing Mo Han\_1

One second he said he wouldn't save her, and the next second he wanted to save her?

Shen Yao threw him a cold look. What do you think I can do? "

"You don't know Ning Qing?"

This sentence again.

Shen Yao had long been disgusted by the fact that he had used Ning Qing. He was a little annoyed. She didn't believe me after the last time.

Lou Si continued, " with your abilities, what's wrong with setting up another trap? "

He would create another accident and let her save him again.

The two of them had already known each other. Based on her understanding of Ning Qing, she was too attached to relationships. It was impossible for her to leave Shen Yao in the lurch.

However, the man did not buy it.

Shen Yao stood up. She doesn't believe me anymore. It's useless to set up any more schemes. There's no need.

Lou Si started to panic. We can't let Qingyue stay in their hands. Ning Qing will never let her go!

Shen Yao turned around, and his gaze was cold.

"Is it wrong for her to not let him off?"

Lou Si was stunned for a moment before she flew into a rage, "what do you mean by this?" Do you also think that Qing Yue and I have done something wrong? However, the Lou family was like a quagmire that no one could escape from! If I didn't make the first move, I would have been the one to die!"

The man was unmoved and turned to leave.

She placed both her hands on the sofa and was very emotional. Shen Yao, you can't ignore qingyue! She once saved your life, Yingluo."

Shen Yao stopped and left her a cold and hard side profile.

"You should know why I'm helping you."

If it wasn't for the little kindness he had shown her when they were young, he wouldn't have treated ning Qing like that. And how did he force himself to this point?

"I'll think of a way to save her. You take care of yourself."

Lou Si was shocked. However, he had already left without any hesitation.

"....."

A deafening explosion.

Lou Si was panting heavily as she faced the ground full of wolves. Her eyes were filled with unprecedented madness and ruthlessness.

"Lou LAN, did you see that? Your daughter is just like you, sinister and cunning, thinking that she's smart! You've forced me to this point, hehe."

"Hahaha!"

"I'm telling you, even if I die, I'm going to drag you all down to hell with me!"

"Ning Qing, Nian lie, just you wait!"

\*

After a few days of rest, ning Qing had recovered quite well. Nian lie had also used her as an excuse to recuperate in peace.

In half a month's time, the two of them had almost recovered.

At a banquet, people were coming and going, and gold and Jade were resplendent.

Ning Qing was dressed elegantly, holding Mo Han's hand in one hand and youzi's hand in the other. Behind them was a beautiful Nian lie in a top-quality suit.

Everyone's praises and congratulations continued.

"Congratulations to Madam and Guye for finding your beloved son!"

“Miss is really talented, lively, and cute!”

“Why doesn’t the young master like to talk?”

“Ah, this is calm. Whose son is he? He inherited his maturity from his father!”

“.....”

Ning Qing had just introduced Mo Han to the crowd as her lost son. She was holding a glass of juice and walking around with her son.

It was Mo Han’s first time attending such a grand banquet. His hair was combed to the back, and he wore a small suit and bow tie, which made him look more like a little adult.

He looked calm on the surface, but he was actually a little panicked inside. He kept holding ning Qing’s hand.

mother, ” he said. do we have to come to this kind of place often in the future? ”

“What?”

Ning Qing looked down, her beautiful eyes dazzled his eyes.

“If you’re afraid, you don’t have to come here in the future,” the man beside her said coldly before she could reply.

## [Chapter 1258](#)

1258 Don’t tell anyone that you’re my son (1:

Mo Han glanced at Nian lie. He had just officially changed his name to ” Nian Mohan ” in front of everyone.

However, he still had mixed feelings about Nian lie.

He didn’t retort. Nian lie snorted coldly. good-for-nothing.

Mo Han was stunned. I’m not!

“You don’t even dare to say a word. Aren’t you afraid?” Nian lie had no intention of giving in at all. His handsome face was filled with disdain. look at that smile of yours. It’s not as fake as youzi’S.

“.....”

Mo Han couldn’t refute and his eyes turned red.

Ning Qing was about to help when Nian lie said sternly, ” you’re a man. You should know when to yield and when to stand up. Why are you crying? ”

I’m not crying. Mo Han pouted and retorted, ” I’m not crying.

“I dare to do it, but I don’t dare to admit it.”

“I said I didn’t cry!”

"It's useless."

"....."

Ning Qing looked at the father and son who were about to quarrel, and her head hurt badly.

People looked over from all directions. Some of their business partners even came over. Seeing this, they didn't know whether to advance or retreat, and they stood awkwardly in place.

Ning Qing nodded apologetically and said to the other party, "I'm sorry. Father and son are bickering. Please wait for a moment.

Then, she pulled the two of them to a corner.

"Can the two of you stop for a moment and see what this place is?"

Nian lie narrowed his eyes and his tone softened. your son is childish.

Ning Qing,"Zhenzhen."

Mo Han puffed up his little face. you provoked me first!

Nian lie narrowed his eyes. He hid behind ning Qing in fear.

Youzi, who was on the other side of ning Qing, bit her index finger. daddy is bad.

"The eyes of the masses are sharp," ning Qing said.

Nian lie gritted his teeth, his dark eyes fixed on the little girl in the princess dress. you're on the same journey as your brother?"

Youzi stuck out her tongue at him. Seeing his dark face, she immediately went up and hugged his thigh. daddy, hug ~"

Nian lie became cold and aloof, but he did not reach out his hand.

"If you like big brother and mom, then you can be with them."

Ning Qing,"Zhenzhen."

Mo Han,"hehe."

Youzi blinked her bright eyes and tilted her head, not understanding.

Nian lie felt defeated. None of them were on his side.

He gritted his teeth. ah ning, you've done a good job as a mother.

These words would usually be a compliment.

Under the current circumstances, he had no idea.

Ning Qing held back her laughter. who told you to be so childish and bicker with your son? "How old are you?"

Nian lie remained silent.

She tugged at his little finger to comfort him. that's enough. There's still business over there. You keep an eye on the two of them and don't let them get lost. I'll be back soon.

She lowered her body and kissed youzi on the face. She touched Mo Han's head, turned around, lifted her dress, and walked into the crowd.

The three people who remained in the same place were speechless.

Nian Xuanji glanced at Mo Han, who retracted his hand timidly.

He sneered, picked up youzi, and was about to leave.

"Hey!"

Mo Han shouted anxiously. Nian lie's cold eyes swept over him. what did you call me? "

He shrunk his neck. Daddy, Daddy.

Nian lie didn't show the slightest bit of gentleness. if you have something to say, say it.

Mo Han looked around. There were unfamiliar faces and figures. He asked him, " where are you going? "

oh, oh. Nian lie sized him up for a few seconds and sneered, " you're afraid again? "

Didn't she refute him so arrogantly just now?

Mo Han felt embarrassed. He reached out and fiddled with his hands. ran ran, I don't know these people.

you're a boy. If you don't even have the courage to face a stranger, you're definitely my son.

The man's voice was very low and deep, and when he said it, it sounded a little forced.

?1259 Dad, do you hate me?

Mo Han didn't reply. Nian lie opened his eyes and was ready to leave.

"Daddy!"

Nian lie stood still once again, his face filled with impatience.

The boy hesitated, but when his gaze finally settled on his face, he made up his mind and asked the question in his heart, "

"Do you hate me?"

"....."

No one came to this quiet corner.

He seemed to be completely isolated from the noise on the other side.

Mo Han closed his eyes and clenched his hands. His heart was beating so fast that it jumped out of his throat.

However, after waiting for a long time, the anticipated sneer did not come.

He carefully opened one eye. dad? "

Nian lie's face was cold and stern, and not much emotion could be seen.

"Do you value my opinion of you?" he asked.

Mo Han was stunned. mom said that you're my father and we'll be living together from now on. There are still a few decades left, Qianqian. I don't want you to hate me.

"You think I have a reason to like you?"

Mo Han pursed his red lips. I did do a lot of wrong things, but I know I was wrong. I won't do it again.

He mustered up the courage to apologize, and in Nian lie's eyes, his apology formed a pitch-black Halo.

His dark eyes wavered, reflecting the boy's figure.

"Your business is related to me?"

"....."

from the beginning to the end, I've never believed anything you say other than your existence. What do you want me to believe in now? "

Mo Han's small body trembled and his eyes were full of panic and helplessness.

Nian lie's gaze turned even colder. also, what if I say that I hate you, that I won't like you no matter what you do, and that I won't believe you? what can you do to me? "

He dragged out the last word, touching the child's sensitive heart.

"I will prove it!" Mo Han blurted out without thinking:

"....."

"Dad, I really know I was wrong! I shouldn't have hurt mom and hurt your hearts. I also regret Hanhan, but whether you believe me or not, I will use my life to protect mom, sister, and Hanhan. The boy's face was red, and his eyes were filled with determination. and you, dad!

"....."

Someone walked past behind him. Mo Han turned around and looked at him. Then, he looked at Nian lie again, as if he was hoping to see something from his face.

However, Nian lie wasn't moved at all, not to mention his emotions.

He twitched the corner of his lips. you're a man. You'd better keep your word.

Mo Han's mind went blank. When he realized that he had let go, he heard his father's cold voice before he could be happy.

"Also, I don't need your protection."

In other words, the only people he needed to swear an oath with his life to protect were his mother and sister.

A small smile appeared on Nian lie's lips before it disappeared.

He carried youzi and walked into the crowd, towards the most dazzling figure.

Mo Han gathered his confidence. He was filled with passion and joy. Even his cold eyes became lively.

Just as he was about to give chase, a familiar shout came from behind him.

"....."

He turned around and was met with a figure.

A strange smell entered Mo Han's nose. He felt dizzy and fell to the ground.

The man held his body steadily, looked left and right, and then walked to the safety passage on the side.

"....."

Five minutes later, a faint cloud of smoke drifted into the banquet hall.

It was getting thicker and thicker, so thick that when everyone realized something was wrong, the fire outside the corridor had already started.

"Ah!"

"Fire!"

In the midst of the chaos, Nian lie found ning Qing, who had injured her spine and foot. ning, come up!

Ning Qing looked at youzi in his arms. where's Mo Han? " she asked, her face pale from the pain.

your foot is injured. I'll send you and youzi out first, " Nian Yu said calmly.

"You broke up with Mo Han? Didn't I tell you to take good care of him?"

Ning Qing lifted her skirt and looked into the distance among the disorderly crowd.

"No, he's afraid of being alone. I have to go find him."

Nian lie grabbed her. A burly man was standing in front of them. He held youzi in his arms and turned ning Qing around, causing their backs to collide.

The other party apologized and left, covering his nose and mouth.

Nian lie circled them to a relatively safe corner and said, "ning, there are too many people here. Youzi is still young, and your foot is injured. It's not good for you to drag this out.

Ning Qing was worried. but, Zhenzhen.

"Lu Zhui is looking for him. I'll take you out first. I'll only go all out to find him when you're safe. Understand?"

"....."

Nian lie pressed on her shoulders, his deep voice calming her.

"Be obedient."

Ning Qing bit her lip and nodded.

He handed youzi to her, bent down, and carried the mother and daughter in one breath.

Because his movements were too big, it attracted the exclamations of the surrounding people.

Nian lie carried her and walked down the passageway.

Among the crowd, Lu Zhui and his subordinates went against the flow.

"Young master, young Madam!" He shouted when he saw Nian lie.

Ning Qing's eyes lit up. Lu Zhui, Mo Han! Quickly go find Mo Han!"

Nian lie's dark eyes were deep. He gritted his teeth. go up!

Lu Zhui nodded and waved to the people behind him.

Ning Qing was still telling them to be careful when the crowd squeezed past them.

Ten minutes later, thick smoke spewed out of the building.

The pedestrians on the street could see the fire engine approaching from the distant Lane.

"....."

After Nian lie sent ning Qing and youzi to the surface safely and arranged for his men to protect them, he left without hesitation.

"Nian lie!"

Ning Qing, who was being supported by someone, hurriedly pulled him back.

Nian lie held her hand back. don't worry. It'll be fine.

Ning Qing held back her trembling heart. She was obviously very afraid, but she still had to pretend to be relaxed, afraid that he would feel pressured.

"Be careful, don't get hurt."

“Yes.”

Nian lie didn't say much. He hugged her and rushed into the building.

Ning Qing stretched out her hand, but she could not hold him.

After a while, the law enforcement officers arrived and surrounded them to a safe area.

Ning Qing raised her head and looked at the thick smoke in the sky. An ominous feeling rose in her heart.

The floor was no longer as congested as before.

Nian lie returned to the banquet hall without a hitch and met up with Lu Zhui.

“Did you find her?”

Lu Zhui covered his nose and mouth and shook his head. we've searched the entire floor, but the young master is not around.

Nian lie's heart started to get agitated. where's the surveillance room? ”

Lu Zhui lowered his head. I've already checked, but Qianqian has been destroyed? ”

Nian lie's mind was racing. Lu Zhui continued, ” I've seen the fire. It's not a big fire, but the smoke is heavy. It seems like they were trying to create chaos. The surveillance cameras have been destroyed. Young master, I suspect that little young master Qianqian isn't here.

“.....”

“I'm afraid that the young master has already been captured,” Lu Zhui said with difficulty.
