Chapter 221: Wash his hands and make soup for her (1:

*

Ning Qing slept for the entire afternoon.

He was woken up by a nightmare.

In her dream, she kept calling out Nian lie's name. When she woke up, her mind was empty.

Looking around, he was not by her side.

She got out of bed in a panic. When she opened the door and went out, the servant who was cleaning the door was shocked.

"Young Madam, Zhenzhen."

"Where's Nian lie?"

young master is in the kitchen. Aiyoyo, slow down!

Putting her words to the back of her mind, ning Qing rushed to the kitchen.

As soon as he approached, a fresh fragrance wafted into his nose.

She slowed down her pace and walked through the door.

The man's tall figure stood there, his back straight. His gray casual pants were wide and wrapped around his slender legs. The lower hem of his clothes was pulled up, hiding his lean and strong waist under the fabric. His sleeves were casually rolled up to his arms, and the shallow muscle lines were perfect.

He held a spoon and slowly blew on the soup with his head lowered.

He turned around to look at her when he heard her.

"You're awake."

Her voice was soft and hoarse.

This quiet and peaceful gesture made ning Qing speechless for a moment.

Nian Yu took a sip of the soup and frowned.

Not hearing her answer, he turned around and looked at her frightened little face.

Nian lie seemed to have realized something. He put down his spoon.

He strode towards her with a cold expression. did you have a nightmare again? "

Ning Qing's eyes flickered, but she shook her head.

"No, I didn't,"

Nian Xi held her hand. then why are you in such a hurry? ”

Ning Qing’s heart suddenly palpitated.

She didn’t want to admit that she was more afraid because she didn’t see him when she woke up.

“I’m hungry. What are you doing?” she said as she brushed the wet hair behind her ear.

Nian lie didn’t expose her.

He helped her to the pot.

“I’m cooking,” she said.

Ning Qing was stunned.

She had never known that he would do such a thing.

He had always been high and mighty and looked like he didn’t care about the food of the human world. Now, Yingying actually said to cook!

The corners of Nian lie’s lips curled up into a faint smile. I heard from the kitchen that your appetite hasn’t been good recently, so I’ve prepared something that you like to eat.

The Yingluo she liked

Ning Qing looked at the uncovered pot. A small fish’s head and tail were exposed, and the light milky white soup was flowing with the small fire, as if it would overflow at any time.

She suddenly recalled what Nian che had said.

“My brother has hated freshwater fish since he was a child. He doesn’t eat fish.”

And last time, he had finished the unsightly fish she had made.

The events of a few months ago were still vivid in his mind, as if it had just happened yesterday.

Ning Qing trembled. When she came back to her senses, the spoon with the fish soup was right beside her lips.

Nian lie held the spoon in one hand and took it under her chin with the other.

“Try it.”

Ning Qing took a sip.

Surprisingly, the fish soup did not have a fishy smell. Instead, it was exceptionally fragrant, which easily aroused her appetite.

Nian lie stared at her. what do you think? ”

“Yingluo is not bad.”

Ning Qing felt a little awkward.

Nian Xi saw through her embarrassment and took her to the living room to rest, using the air in the kitchen as an excuse.

Nian lie only called her back to the dining table after the dishes were served.

“You used to know how to cook?” ning Qing could not help but ask as she looked at the appetizing food.

Did he do it for her older sister, or for Bai Qingqing?

“I haven’t done it.”

He did not say that he did not know how to do it, but that he had never done it before. That meant that he was naturally talented and intelligent, and could be the best in any aspect.

Ning Qing’s heart felt a little unbalanced.

Nian Yu passed her a pair of chopsticks, scooped a bowl of fish soup, and placed it on her left.

His actions were natural and easy, as if he had repeated them thousands of times.

He saw her staring at the food in a competitive manner. It was a cute and delicate look that he had not seen in a long time.

Nian lie relaxed as well. The corners of his lips curved into a happy smile. stop looking. Eat more.

Chapter 222: I’ve brought the medicine back (1:

“Hello, Yueyue.”

Ning Qing touched her lower abdomen and lowered her head to drink a mouthful of fish soup.

The soup was thick and even more fragrant than before.

“Are the test results out yet?” she asked as she was eating.

Nian lie picked up a piece of fish and placed it in her bowl.

the child is doing well, but your body is still very weak. The doctor said that you need to continue to supplement your nutrition, exercise properly, and take care of yourself.

Oh, ” ning Qing said, not saying anything else.

“So, ning Qing, don’t be picky with your food, and don’t let your thoughts run wild,” Nian lie said in a deep voice.

“.....”

“The most important thing is to take good care of your body.”

Ning Qing was speechless.

The meal continued in silence.

Nian lie didn't say a word. Instead, he continued to serve her food. He was no longer as cold as he used to be.

Ning Qing buried her head in her eyes and did not refuse.

However, she noticed from the corner of her eye that he barely ate.

After the meal, Nian lie asked her to walk around the living room to digest her food while he finished the rest of the food, including the fish.

After he was done packing, Nian lie came out.

Ning Qing sat on the sofa as she looked at him, her mind filled with thoughts.

"I thought you don't eat fish?"

Moreover, that was what she had eaten.

Nian lie didn't expect her to pay attention to this.

However, he didn't show any awkwardness. Instead, he admitted frankly, "I didn't eat it before.

"....."

He wiped his hands with a wet towel and slowly walked behind her.

Then, he pressed his hands on the back of the sofa and leaned his upper body forward. The sound came from above.

"Habits can be changed, and they can also be different from person to person."

It was just that he would have to spend more energy and time.

Ning Qing's heart rippled. She didn't know if he was implying something or just sighing about this matter.

Nian lie sat beside her. There was half a person's distance between them, neither too far nor too close.

She didn't want to sit with him, as if the two of them were happy and harmonious.

She stood up and was about to leave when Nian lie's large hand pulled her back.

His handsome brows furrowed slightly, and he was not very happy. there are twenty-four hours a day, and you spend more than half of the time in your room. Ning Qing, are you avoiding me? "

Ning Qing hugged the thin blanket, her lips slightly open.

"The room is so stuffy. It's not good for you and the child."

"....."

"Sit down," he said.

She was pulled by him and forced to sit back on the sofa.

She retracted her legs and put some distance between them.

It had been a long time since the two of them had been so calm and warm.

even if you don't like me," Nian lie continued, " you still have your own body. If you're not feeling well, you should walk more.

Looking at her pale face, Nian lie's heart felt stifled.

your body is so weak. How can you take it when the child is a little bigger? "

"Stop reading."

He made her feel upset.

Ning Qing was impatient. you're so long-winded.

Nian lie's face twitched, and he pursed his thin lips. if you were more obedient, I wouldn't miss you so much.

Ning Qing hugged her legs and stopped talking.

Just as the atmosphere was getting weird, Lu Zhui arrived.

He was panting, as if he had something urgent to attend to.

Ning Qing and Nian lie both turned to look.

Lu Zhui was about to blurt out something, but he stopped himself. He called out, " young master, young Madam.

don't you know what a steady person is? " Nian Yu's eyes darkened.

"I'm sorry, young master," Lu Zhui apologized.

Ning Qing was still looking at Lu Zhui. Nian Xi stood up and blocked her view.

"There's something I need to deal with," he told her.

Ning Qing nodded.

He walked towards the restaurant, and Lu Zhui followed.

"Young master, I've brought the medicine."

Nian lie looked at the box he handed over. It was the size of a palm, and when he opened it, there was only a white pill inside.

Chapter 223: You'll forget everything after eating it (1:

In his long and narrow eyes, a storm was brewing.

The man's voice was like ice.

“Will it affect the child?”

Lu Zhui shook his head. I’ve asked the research team again and again. This medicine is much more mature than before. Many people have used it. There are no side effects.

Nian Xi lowered his eyes, his expression unclear.

I’ve also taken care of the matter at the hospital,” Lu Zhui added. I’ll definitely not leak the news.

mm. Nian lie raised his eyes and said, “ you can go back.

Lu Zhui thought for a moment and added, “

“Young master, this medicine is very effective. If young Madam takes it, she will show signs of unconsciousness and fainting.

Also, after eating, young Madam will forget everything, including you. Are you sure you want to eat it, Wanwan?”

He had to do this?

Nian lie’s dark eyes were deep. He pursed his lips and said, “ I know.

However, given her current situation, she was already repulsed enough by him. If she regained her memory, he did not dare to imagine what she would become.

He didn’t want to lose her.

Not even a tiny bit.

After taking a few deep breaths, he ordered, “ don’t appear here for the time being. Call me if you need anything.

Lu Zhui knew that his advice had failed, and his palms began to sweat. He nodded in agreement before turning to leave.

Nian lie took out a glass from the cupboard and poured the warm milk into it.

He rubbed his fingers together and picked up the ordinary-looking pill.

He peeled it off and released his fingers.

It quickly melted into the pure white liquid.

“.....”

Ning Qing leaned back on the sofa, feeling drowsy.

The sound of Nian lie’s footsteps alarmed her.

“Are you asleep?” he asked gently.

He sat beside her.

She wasn’t very clear-headed, so she hummed and rubbed her eyes. has Lu Zhui left? ”

“Yes.”

“If you have work to do, you don’t have to stay here with me every day.”

After she said this, Ning Qing finally realized that there had been a barrier between him and Nian Junting, and that he had lost his power.

However, the man said, “it’s just a small matter. Don’t take it to heart.”

His attitude was casual and normal, as if he didn’t want her to know that he didn’t need to work.

Ning Qing did not say anything. She looked down and saw the milk in his hands.

: Drink this: If you’re tired, go back to sleep,” Nian Yu said after a moment of hesitation:

Ning Qing’s long eyelashes fluttered, and she was a little sleepy.

However, due to the fear of the dream after falling asleep, he did not dare to fall asleep easily.

Nian lie saw her hesitation and said gently, “

the doctor said that you had dreams because you didn’t sleep well. There are too many things on your mind, and you’re not relaxed enough. Milk can help you sleep and will let you sleep well.

Ning Qing was skeptical.

She looked at the glass in his hand. The water on the glass rippled gently and slowly.

He reached out and took it.

“.....”

The servants had been driven away. In the large living room, other than the light from the television, the two people’s faces on the sofa had a faint glow.

Nian lie’s expression turned solemn and mysterious.

She was so nervous that her heart was clenched.

The big palm did not know where to put it, and its fingers bent, as if it was struggling.

“Qing Qing!”

He was called to stop when he brought the cup to his lips.

Ning Qing looked at him. why? ”

Nian lie gritted his teeth. His jawline was stretched to the point that it protruded. Yingluo is fine. he said.

Ning Qing frowned, but she didn’t think much about it.

Under his gaze, she finished the milk in one gulp.

“I’m going to sleep.”

She got up, and the blanket fell to the side of the sofa. Part of it fell to the ground.

Nian lie shifted his gaze. alright.

“You should rest early,” she said as she walked towards her room.

Nian lie’s body stiffened.

Hearing the door close, he closed his eyes to stop the bitterness from spreading.

Chapter 224: Don’t be with him, he’ll get you killed (1:

His limbs went stiff.

He couldn’t move.

It was a dream.

After ning Qing clearly realized this, cold fear slid across her back like a poisonous snake.

It was so cold that it pierced her heart.

The air was filled with gray smoke and a faint smell of blood.

His surroundings were still blurry, and he could only see a rough outline.

A few meters ahead, there was a car.

To be more precise, it was a car with a broken front and white smoke.

This is Yingluo.

Ning Qing wanted to get closer, but she couldn’t move her legs.

Looking out of the window, there was no one in the car seat that was supposed to be occupied.

“Leave him,”

The sudden female voice in her ear made ning Qing shiver in fear.

“Who are you? come out!” She asked.

The original voice of the woman could not be heard. It was like a tape being pulled, ear-piercing and unpleasant.

“Ning Qing, don’t be with him. You’ll regret it.”

Ning Qing struggled, but she still could not move.

She suppressed her fear with all her might, and her clear black and white eyes kept moving.

“Yueyue, is that you?” she asked.

Was this the scene of the car accident?

Behind him, a chill approached.

A hand covered in blood touched her shoulder.

“Ning Qing, he will hurt you. Don’t love him.”

“He only knows how to lie to you. He caused me to be separated from you.”

“Don’t give him any love, he will kill you.”

Ning Qing finally found some familiarity in the rough voice.

Her tears flowed out uncontrollably.

“Sister Yingluo, what are you saying?”

Was he talking about Nian lie?

Nian Xi had caused them to be separated, so he was really the one who had caused her sister’s death?

Ning Qing trembled as if she didn’t want to believe it.

“Sis, I missed you so much,” she said.

Ning su was unmoved and slowly came to her from behind.

A light green dress came into view, and there were large patches of blood on it, which made people frightened.

“Don’t be with him.”

Ning Qing looked at the face that was almost identical to hers, and her heart ached so much that it broke.

Ning Qing’s forehead was still bleeding, and her entire face was wet.

Qing Qing, don’t repeat the same mistakes. He will make everyone leave you, but if you continue to live like this, life will no longer have any meaning.

Ning Qing cried until she was out of breath, and a faint pain came from her lower abdomen.

Then, it became clearer and clearer.

Ning SU’s cold hand touched her lower abdomen.

Ning Qing’s eyes widened. She wanted to step back in horror, but she couldn’t.

“Don’t keep this child.”

Then, a sharp pain hit him.

Drip, drip, drip-

The sound of the water droplets was extremely clear, and it was getting faster and faster.

Ning Qing couldn’t believe it. She lowered her head and saw a pool of blood under her feet.

She fell to the ground in pain, her eyes full of despair and panic.

“Sister, why did Yingluo do this?”

This was her child!

Ning su didn't speak.

Suddenly, the entire dreamscape began to reverse.

Ning su disappeared, the broken car disappeared, and the fog disappeared.

All that was left was Nian lie's cold and emotionless side profile.

ning Qing, I've never loved you. Let's break up and get rid of the child. Otherwise, I'll come and help you myself.

“No! Don't!”

She woke up with a scream, her breathing uneven.

Nian lie's worried face was right in front of her, but she didn't have time to think before she slapped him across the face.

Then, he retreated frantically and shrank to the other side of the bed.

“Why did you lie to me? The child is so innocent, why did you harm him!”

Every question was filled with tears of blood.

The man half-knelt on the bed, still coaxing her, but there were already waves in his eyes.

Ning Qing could not differentiate between dream and reality. Her heartache continued. She looked at him as if he was the enemy who had killed her son, and she was extremely resentful.

“What did the child do wrong? what did I do wrong? You're the one who provoked me, and you're the one who won't let me go. Why are you doing this to me?”

Chapter 225: You and my sister had a child, right?

At a certain moment, the current her matched a certain part of Nian lie's memory.

“Why do you want to break up? What did I do wrong? why are you doing this to me?”

He was in a daze. The edges of his face were blurred by the light, and his face was so pale that it was almost transparent.

He spoke hoarsely.

“I didn't abandon you.”

He didn't do it of his own free will. It was Yingying who was forced to do it.

He looked at the agitated ning Qing. ning Qing, I will not abandon you.

The woman was curled up in the corner, her exposed toes curled up, and her face was covered in tears, looking very pitiful.

Nian lie suppressed the pain in his heart and reached out to hold her. ning Qing, don't be afraid.

Her entire body trembled non-stop, and her eyes slowly focused.

She allowed him to hug her.

After a few minutes of silence, ning Qing came back to her senses and called out to him with trembling lips,"Nian lie Xuxu."

In response, she was hugged tightly by him.

She couldn't care about anything else. She raised her hands and hugged his back tightly, tears flowing out of her eyes.

"Don't be afraid, ning Qing. I'm here. I'll always be here."

Ning Qing's tears flowed even more. I'm sorry, Zhenzhen.

She touched his face and it was already red and swollen.

"I'm sorry, I didn't do it on purpose."

She didn't know why she couldn't control herself just now.

It was too real, her sister Yingluo and the child that she had lost Yingluo.

His other hand touched his lower abdomen, trembling,"the child ..."

"The child is fine. Don't be afraid. He's fine, and so are you." Nian lie continued to comfort her softly.

A sense of guilt rose in her heart.

Ning Qing pursed her lips. I'm sorry. I was dreaming again.

Nian lie didn't ask her what she was dreaming about, because he had learned almost everything from her sleep talking just now.

He controlled his heavy mood and calmed the waves in his eyes. it's okay.

After a few rounds of comfort, ning Qing's mood stabilized, but she did not feel sleepy at all.

The two of them sat on the bed, leaning against each other.

"Ning Qing, what are you hiding in your heart? you have to tell me," Nian lie asked after a moment of internal struggle.

"Yingluo didn't."

The only thing she had been thinking about was to leave him.

She wasn't sure if Yingluo could still leave him.

“There are some things that I can only help you solve if you tell me,” Nian lie said:

He clenched his ten fingers and dug them into his palm.

Nian Jin noticed her small movements and held her hand.

“I only care about this child.” Ning Qing shuddered and made up her mind.

Moreover, he was unexpectedly concerned about it.

I’m afraid that something will happen to him. I’m afraid that he won’t be able to come to this world because of me. I’m afraid that he’ll get hurt in the future. I’m very afraid. Nian lie, I don’t know why I’m so afraid.

Nian lie’s heart contracted.

Ning Qing did not notice his strange behavior. She recalled the scene in her dream, and the car accident she had dreamed of a long time ago.

She said, “I dreamed of the car accident with my sister, and the child, Yingluo.”

Nian lie opened his mouth to stop her.

Ning Qing turned around and stared at him. After thinking for a while, she still asked, ”

“You and my sister had a child, didn’t you?”

“.....”

“In that car accident, besides my sister, your child also died, right?”

She stubbornly asked for an answer, but Nian lie couldn’t give her an answer.

He looked at her deeply. No.

“You’re lying!” Ning Qing frowned and retorted subconsciously.

Realizing that her emotions were fluctuating again, ning Qing took a deep breath to calm herself and the child in her stomach.

His eyes were sad and indifferent.

you don’t have to hide it from me. It’s written in my sister’s diary. I already knew everything.

With self-mockery and endless guilt, ning Qing’s lips twitched, and a faint curve appeared.

“Ning Qing Qianqian.”

She suddenly retracted her hand.

“You don’t have to say anymore.”

Ning Qing was tired and didn’t want to hear anything else.

“Let’s go to sleep,”

She pulled the blanket over her and turned around to sleep.

Nian lie wanted to explain, but he understood that she had already made up her mind and that there was no way to change it.

He could only watch as she walked further and further down the wrong path.

But he had thrown away the pill that could change everything.

In the end, he was helpless.

Chapter 226: You'll change the way you address me sooner or later, don't be in a hurry for this moment

—

Ning Qing's spirit was getting worse and worse.

She still had nightmares every day and woke up in the middle of the night.

Because of her, Nian lie also became tired and irritated.

A week had passed.

In the meantime, Bai Qingqing's calls came one after another.

Afraid that ning Qing would overthink things after finding out, Nian lie found an excuse and went out to handle some matters.

He comforted ning Qing again. be good and sleep. If you don't want to sleep, ask the servant to show you around the neighborhood. You'll see me when you come back.

Her pale face was full of uncertainty. really? "

Nian lie caressed her head. really, I'll be back to have dinner with you.

Only then did ning Qing's grip on the corner of his clothes loosen.

He leaned forward and planted a kiss on her cheek.

Ning Qing's heart was beating fast. When she came back to her senses, the man had already left.

"....."

She walked to the sofa and sat down. After sitting for a while, she started to walk around again.

That was why habits were scary things.

Before she had relied on Nian lie, ning Qing had never felt that it was a big deal to be alone, not to mention that she had a servant by her side.

However, after she got used to his presence, she only walked for a few minutes and she only felt anxious.

She walked around the house and even the servants couldn't stand it anymore.

"Young Madam, young master will be back soon. Please take a seat and rest."

Ning Qing shook her head, flustered.

"I'll go out with you with little na, the Air's so good outside!"

"I said no need!"

The sudden roar startled the servant.

Ning Qing was in a daze. When she realized what she had done, she blinked her eyes in panic. I'm sorry, I'm not in a good mood.

The servants were still in shock. After all, in their eyes, ning Qing was as weak and helpless as a noble lady in ancient times. They had never seen her lose her temper.

She lowered her head. no, no, no. I made you angry. I'm sorry.

As she looked at the servant who bowed and apologized, ning Qing began to hate herself for her unpredictable temper.

She took a deep breath and returned to her room, but she didn't dare to fall asleep. She could only stare at the clock on the table and hug her legs in a daze.

On the other side, in a high-end custom-made wedding dress shop.

Nian lie stood in front of the floor-to-ceiling window, looking at his phone. He was a little distracted.

He was very worried about ning Qing.

Behind her, the curtain was pulled open.

"Brother yang, look at me!"

The excited female voice pulled him back from his thoughts.

He turned around and saw a woman in a strapless wedding dress with a long trail.

Bai Qingqing smiled sweetly. do I look good? "

Nian lie's heart wavered for a second. After he realized that she wasn't her, he wasn't moved at all.

"Yes," he replied with a plain expression.

Bai Qingqing lifted the hem of her dress, and the staff behind her also helped her lift it. She then walked up to Nian lie.

"Miss Bai, you're so beautiful in this wedding dress. Even our best wedding dress pales in comparison to your beauty!" The manager praised as he clapped his hands.

Bai Qingqing was happy inside, but she put on a proud expression.

this wedding dress is barely passable. If I wasn't pregnant and my waist didn't get fatter, I would look even better.

The manager's smile froze. you're right.

She turned to look at her and said arrogantly, " and what did you call me just now? "

The manager thought for a moment and glanced at Nian lie's expression. miss Wanwan? " he called out tentatively.

Frowning, Bai Qingqing turned around and wrapped her arms around Nian lie's neck. As if by accident, she pressed her puffed-up lower abdomen against him, deliberately reminding him of the existence of the child.

"Brother Chen, I'm about to marry you, but they still call me miss Bai."

Nian Xi's eyes were half-closed, and he glanced at the manager before saying, "

"It's okay, I'll change the way I address you sooner or later. There's no rush."

Chapter 227: Do I look like a lunatic right now?

Although Bai Qingqing wasn't happy, she didn't say anything else.

She glared at the manager and suddenly changed her mind.

"I don't like this wedding dress anymore, Yingluo. Oh, no, I don't like any of the wedding dresses in this shop."

The manager's eyes widened in shock at her ridiculous actions.

Bai Qingqing couldn't care less about her. She hugged Nian lie and acted coquettishly. brother che, let's go to another house, okay? "

Without a word, Nian Yu distanced himself from her.

please, this manager's service attitude is not good at all. If something goes wrong when we get married, I will regret it for the rest of my life.

The woman was still acting cute.

Nian lie was already feeling frustrated. Huahua!

Her imposing manner weakened immediately.

Nian lie pushed her away and pinched the bridge of his nose. stop it. I'm very busy these days. I have other important things to do later.

Bai Qingqing's heart hardened, and resentment welled up in her heart.

She had almost blurted out,"aren't you just busy accompanying that bitch ning Qing?" but fortunately, she had suppressed it.

Her beautiful features exuded innocence and innocence, and her voice was soft. but marriage is something that only happens once in a lifetime, Hanhan.

you go and choose. After you're done, let Lu Zhui handle it.

Lu Zhui, who was downstairs, sneezed.

Bai Yangwan gritted his teeth. He didn't dare to disobey his will. alright then.

Nian lie's expression was cold. He said to the manager, " take good care of Yingluo. Give her whatever she wants. Don't make her unhappy again.

The manager shivered and nodded repeatedly.

Nian lie didn't look at her again. He turned around and went downstairs, leaving.

He quickly got into the car while calling home.

"What is she doing?"

The helper was trembling with fear. young Madam is resting in the room.

Nian lie's heart was at ease. go into the room and take a look at her, " he said. be careful not to wake her up.

"Yes, young master."

After hanging up the phone, the car had already set off.

Not long after, the driver in front felt that something was wrong.

"Young master, the car behind us has been following us."

Nian lie looked in the rearview mirror and saw an unremarkable car following behind them. It was not too far away.

This time, he didn't have many people with him, so it wouldn't be good if there was a conflict.

"Get rid of him: : Nian lie ordered coldly.

"Yes."

The driver stepped on the accelerator and the car sped off.

Who knew that the person in the car would stick to him like glue? Nian lie's car circled around him for more than half an hour before they managed to shake him off in the city.

When she returned home, the young servant rushed up to her in a hurry. She was so frightened that her face turned pale.

"Young master, young Madam, she ... She ..."

Nian Xi's heart skipped a beat. what's wrong with her? "

there's something wrong with the young Madam. She seems to be having a nightmare.

Nian lie dashed into the bedroom.

On the large bed, two maids grabbed ning Qing's hands on either side. She struggled violently, her legs kicking wildly, and the entire bed was in a mess.

Nian lie gritted his teeth and pushed the maid away. He pressed his hand on her shoulder and said, "ning Qing, wake up!"

The woman opened her eyes at his call.

The moment she saw him clearly, she pounced on him and wrapped her arms tightly around his waist.

"Nian lie, Nian lie Xuanji."

She mumbled his name, her whole body trembling.

Nian lie turned to the servants, who were dumbfounded. get out!

The few of them were so frightened that they rushed out of the door.

All sounds were cut off.

Nian lie patted her back again and again. His heart ached so much that his eyes turned red.

It was useless to say anything.

He hugged her quietly and did not speak.

Fortunately, this time, ning Qing calmed down very quickly.

She leaned into his arms weakly, a bitter smile on her lips.

"Do I look like a crazy person right now?" she asked.

Chapter 228: Ning Qing, let me send you overseas (1:

Nian lie tightened his grip on her shoulders.

"You're not," he denied through gritted teeth.

Ning Qing laughed. Her vision was clear for a moment, then blurry for a moment.

She closed her eyes tiredly, only opening them after a few seconds, then closing them again.

It was as if he had used up all his strength.

"Just now, they seemed to be very afraid of me."

"No, I didn't," "Why would they be afraid of you? you've always been gentle," Nian lie said in a low voice.

Ning Qing's breathing was uneven, and her breath was weak. Nian lie.

"I'm here,"

"I hate my current self."

"....."

I should have been stronger with the child in my stomach. But how did I become like this? "

Nian lie felt a sour taste in his throat. He didn't know how to explain.

At this moment, he suddenly regretted it.

He regretted that he couldn't bear to let her suffer this kind of torture.

After a short silence, ning Qing leaned into his arms, seeking a trace of comfort.

However, she didn't know if it was an illusion, but she actually smelled something different!

It seemed that the fragrance was like a sweet perfume!

did you go to the office just now: " ning Qing asked: as if there was a thorn in her heart: She knew that she should not ask.

Nian lie's expression changed when she couldn't see him.

"Nian lie?"

"Yes."

The light in ning Qing's eyes dimmed.

if you don't like it, I won't go to the office in the future.: 'll stay at home with you, " Nian lie said with: smile as he ran his fingers through her hair:

Ning Qing pushed him away, her face expressionless. you smell like a woman.

The smile on his lips froze.

Ning Qing wanted to get to the bottom of it. who did you go to see? Why can't I say it? Is it Bai Qingqing?"

"A female client."

Nian Xi stared at her without blinking.

"....."

It was as if a Fishbone was stuck in ning Qing's throat, and she could not speak.

Her suspicion made her feel disgusted by Yingying.

She lowered her head, unable to apologize.

A hoarse male voice sounded above her head.

"Qingqing, let me send you overseas," Nian lie said.

Her pupils contracted and she felt like she was in an Icehouse. send my ran ran overseas? "

Nian lie knew that she had misunderstood him. He immediately explained, "staying in Ying city will make you unhappy. It's better for you and the child to leave."

"....."

She looked at him with her clear black and white eyes, and a flash of grievance and hurt appeared.

Nian Xi held her hand tightly.

She said solemnly, "ning Qing, I have to tell you that your mental state is very serious now. If you stay here, you'll only make the situation worse."

So, if you change the environment, maybe you won't dream anymore."

There seemed to be hesitation in ning Qing's eyes. Her pale lips opened and closed. really? "

Nian lie nodded his head with certainty, his eyes shining with determination.

"I'll send you wherever you want to go. I promise that I'll come and accompany you as long as I'm free."

"....."

: I'll come wherever you are,: he said as if he had made: vow:

The room was very quiet.

The window was half-open, and the light blue curtains fluttered in the breeze. All the sounds outside the window were very clear.

Nian lie could hear his own heartbeat in his ears, each beat louder than the last.

He saw the hesitation in ning Qing's eyes, which had changed several times into a strong bitterness and sadness.

His heart skipped a beat and he heard her say, "

"When you wanted me back then, you wouldn't let me go no matter how much I begged you. Now, you're starting to despise me."

A look of panic appeared on Nian lie's face."It's not Yingluo."

Ning Qing reached out and interrupted him.

"As you wish."

She said these words lightly, retracted her hand, and walked to the bathroom.

With his helplessness and dejection, Nian lie's heart ached.

Chapter 229: Ning Qing has disappeared (1:

*

In the end, Nian lie didn't send her overseas.

He stayed by her side every day. Sometimes she would have nightmares, sometimes she would go crazy and not let anyone get close to her, and sometimes she would be extremely quiet and not say a word. Just like that, half a month passed.

"What do you want to eat for lunch?" Nian lie looked at the woman beside him tenderly.

It was rare that she did not dream last night.

Her complexion was better this morning, and her cheeks were rosy, which she had not seen in a long time.

Ning Qing was very quiet. anything is fine.

Nian Xi stroked her long hair.

In the past few months, her hair had grown to the middle of her back, making her look even more delicate and lovable.

He could not help but plant a kiss on her ear.

The woman shivered and looked up at him with her wet eyes.

Nian lie smiled warmly, dispelling much of the gloominess of the past few days.

He held her slender waist and his warm breath fell on her ear.

An unfamiliar shiver spread from her heart to her face, dying her snow-white neck red.

"What are you laughing at?"

Ning Qing saw the look in his eyes change, and she knew what that meant.

A hint of resistance flashed across her eyes, but Nian lie caught her.

Some of his uncontrollable thoughts were forcibly suppressed, and he returned to his usual gentleness.

"It's nothing,"

"....."

He let go of her and got up. I'll go and cook.

These days, he had dismissed most of the servants, leaving only two to clean up the place. He did the rest by himself.

Including cooking.

Ning Qing nodded timidly and watched him go to the kitchen.

The two of them had lunch at noon.

Ning Qing looked at the man coming out of the kitchen, wanting to say something, but she hesitated.

Nian Xi wiped every finger clean and sat down beside her. do you have something to say to me? ”

Ning Qing blinked and subconsciously lowered her eyes.

It was very soft, and his pronunciation was not clear.

“I want to go out for a walk: : she said:

Nian lie didn’t hear her clearly. She raised her head and said carefully, ” it’s very stuffy in here. I want to go out! Let’s take a walk outside!”

“.....”

He didn’t say anything. Ning Qing trembled. it’s fine if you don’t agree.

This side of her made one’s heart ache.

Nian Xi sighed. alright.

Her eyes lit up. really? ”

Her joy made his heart ache.

Without another word, Nian lie pulled her up. go and change your clothes. We’re going out.

Ning Qing smiled, which had not happened for a long time. She rushed into the bedroom excitedly, and Nian lie frowned when he saw her.

When she came out, he went back to his room, took a sweater and coat, and held her hand as they went out.

This was ning Qing’s first time out of the house after the last pregnancy checkup. It was also the first time she had left the house after her nightmare became serious.

Nian lie informed Lu Zhui and deliberately didn’t bring ning Qing to crowded places. Instead, they walked around the Central Park, which was not far from their residence.

Even so, ning Qing’s performance was like a child’s. She was happy and excited, which made his mood better.

“Can I come out again next time?” ning Qing asked him reluctantly as they reached the exit of the park.

Nian lie’s heart ached.

He touched her face and said, ” of course you can.

Ning Qing smiled, then looked at a small milk tea shop by the side of the road. It was quite crowded.

She touched her stomach and looked at the man. I’m thirsty.

Nian Jin gestured for Lu Zhui to bring the hot water over, but ning Qing refused.

She pointed at the restaurant. I want to drink that.

Nian lie was helpless. Facing her eager eyes, he said, " I'm hungry. then, he told her to stay where she was and went to buy the food personally.

After waiting in line for a while, he kept looking at ning Qing worriedly.

She was very well-behaved and looked at him with eager eyes, not running around.

Then, just as he took the cup of hot milk tea, Nian lie received a call.

She hung up after saying a few words.

He turned around, but the woman's figure had disappeared.

Chapter 230: My sister has been with brother Yan all this time (1:

Ning Qing did not know how she had gotten here.

Just a second ago, she had been waiting for Nian lie at the entrance of the park where not many people were around. The next second, she had woken up in this strange place.

She was sitting on a chair with a piece of black cloth covering her eyes. Her hands and feet were tied and she couldn't move.

The air was cold, and there was a faint fragrance in the air.

Ning Qing's head was heavy. Just as she thought that the smell was familiar, the door opened.

Then, there were uneven footsteps.

"Who are you?" ning Qing was a little afraid and gathered her courage to ask.

Why did they capture her?

No one answered.

The blindfold over her eyes was roughly removed. Ning Qing shook her head to get used to the light.

He looked up and saw two figures.

The woman was wearing a long-sleeved white cheongsam with a few magnolia flowers embroidered on the hem. She had a slim figure and a thin waist. Because of the cold weather, she had a brown leather coat on her shoulders, which made her look gentle and Noble.

Behind her, there was another young woman. Her loose clothes could not cover her bulging stomach.

The timid and submissive expression on her face made her look innocent and harmless.

This person was Bai Qingqing, whom she hadn't seen in a long time.

When she saw ning Qing's gaze on her, she hugged her stomach and hid behind her mother.

Mother Nian was still as gentle and considerate as ever. When she saw ning Qing being tied up, she frowned and chided, " why did you tie Qingqing up like this? " Hurry up and untie her. "

Butler Lu lowered his head and stepped forward.

Ning Qing didn't say anything. After letting go of her hand, she bent down to untie the knot on her feet.

The skin on his bound hands and feet had turned red, which was a shocking sight.

Ning Qing looked at her mother and hesitated. Aunt Zhenzhen.

Nian Xiaomu's mother stepped forward and held her hand.

She sized her up and said apologetically, "Qingqing, I'm so sorry. I asked them to invite you here. I didn't expect these servants to hit you so hard. Does it hurt?" Let Auntie take a look."

Ning Qing retracted her hand. I'm fine.

"Is there anything you need me for?" she asked after a pause.

She knew that she and her father did not like her after the last time she met her mother.

This time, she couldn't have kidnapped her here for anything good.

As expected, mother Nian patted her shoulder with a gentle smile.

It's not a big deal. It's just that, as you know, Hanhan and Xin'er are getting married soon. In the end, Hanhan told me that he hasn't gone back to see her for a long time. Do you know where Xin'er went?"

His words seemed peaceful, but they were filled with a terrifying chill.

Under mother Ning's intense gaze, Ning Qing could not say a word.

The smile on Mrs. Nian's face deepened. A while ago, he was angry with his father. In a fit of anger, his father forbade him from interfering with the company's matters. I think that since he's not in the company, he must have gone to deal with some personal matters. Did he come to look for you?"

Ning Qing still didn't know what to say, but Bai Qingqing continued in a soft voice,

Auntie, you don't have to ask anymore. Brother Che has been with my sister during this period of time. That day, when we were taking our wedding photos, he left in a hurry. I think he was on the phone with my sister. Also, the last few times he came to visit me, he was called away by my sister.

She pretended to be aggrieved, but Ning Qing's whole body was cold.

A few days ago, they were taking wedding photos?

"I didn't!" Ning Qing retorted through gritted teeth.

Bai Qingqing looked aggrieved. The last time you went to the clubhouse to look for Brother Ran, I bumped into you. The two of you were hugging in public, and Brother Ran even took a slap from me because of you. What do you have to say about this?"
