

Mr Nian 241

Chapter 241: I'm begging you, let him go _1

"....."

The heavy hammer fell, and Nian lie's eyes wavered.

Ning Qing's eyes turned red again, and she sobbed.

"Why do you always lie to me! You've let me go time and time again, but you won't let me go."

"Ning Qing, it's not what you think!"

Ning Qing's hands drooped and she clenched her fists tightly to stop herself from having an emotional breakdown.

"Are you trying to tell me that this is one of your plans?"

Ning Qing laughed after she finished.

what is it that is worth you giving me hope again and again, and then destroying it with your own hands?
"

Nian lie's outstretched hand stiffened, and the urge to tell her everything grew stronger.

But in the end, he only said,"come down first, I'll tell you when I get back." &Nbsp;

Ning Qing was expressionless as she shook her head and refused.

Nian lie's jaw tightened, and a storm brewed in his dark eyes.

ning Qing, trust me. Get out of the car and come back with me. I'll tell you everything!

Ning Qing stared at him, her eyes as sharp as a hook that could pierce through a person's heart.

"I won't believe you again," he said, his pale lips moving.

The man's body swayed.

"Young master!" Lu Zhui shouted.

With one hand on the car door, Nian lie didn't fall.

He shook his head and refused Lu Zhui's help. Then, he looked back at ning Qing.

On the side, Yan Sichen, who was held down by two bodyguards, shouted angrily, "

"What's the point of doing this? She said she didn't want to go with you, why are you still forcing her? Will you only be satisfied when she's at her wit's end?!"

The accusation and the sound of the rain were entangled together, sad and desolate.

"....."

Nian lie and ning Qing stared at each other, and neither of them spoke.

This time, she was not willing to leave with him.

Nian lie seemed to have seen through her determination. His eyes were deep and filled with sorrow.

Yan Sichen tried his best to break free from the restraints, but he couldn't.

His body was drenched, and his short hair drooped down. He was no longer gentle as he glared at Nian lie with hostility.

you hurt her like this every time. You don't know how long it takes for her to heal herself. Nian lie, how could you have the heart to lie to her time and time again?!

Nian lie's thin lips moved, and his quiet eyes looked over.

Yan Sichen was so angry that he wanted to continue scolding, but the bodyguard suddenly exerted force.

Then, he punched him in the stomach.

He groaned in pain.

Ning Qing noticed that something was wrong. After seeing the movement, she called, " brother Si Chen!

She wanted to get out of the car, but Nian lie was standing in front of her.

Her eyes were red. what do you want?!

Nian lie's body did not move in the wind or rain. He stood in front of the car door, his voice as low as ever.

"You come home with me."

"Impossible!"

Nian Jue had expected her answer. He pursed his thin lips, and a cold and sharp glint flashed across his eyes.

"If you don't want to, then continue," he said cruelly.

Before ning Qing could say anything, Yan Sichen started again.

One punch after another landed on the man's stomach until he couldn't take it anymore and knelt down on one knee in the rain.

"Don't!"

Ning Qing pulled on his sleeve and began to beg.

"Stop fighting! He's not wrong!"

why are you doing this? why are you doing this to me?!

"It's my fault. Nian lie, stop hitting him. He won't be able to take it, Hanhan."

She shook his body, but his expression did not change.

"I'll go back with you, I'll go back with you. I beg you, let him go!"

Nian lie was like a rock. His eyes reflected the image of her crying and begging for another man, without a trace of light.

Ning Qing had already pulled on his pants and was about to kneel on the ground.

Yan Sichen's eyes turned red from heartache. Qingqing, Qianqian, don't beg him!

Ning Qing shook her head. She had no dignity to speak of.

However, just as she was about to kneel down, Nian lie pulled her back.

Chapter 242: Ning Qing, wait: little longer (1:

He returned to his usual calm self. let's go home.

"....."

Ning Qing was forcefully pulled up. She looked at Yan Sichen, whose face had changed from the pain. brother Sichen, I'm sorry.

Yan Sichen was in a sorry state. Qingqing, don't go with him, Zhenzhen.

Her eyes were watery as she shook her head.

She couldn't implicate him anymore.

Nian Xi wrapped his arms around her waist and held her cold hands. He wanted to pass his warmth to her, but her eyes were not on him.

The heat in his heart faded away.

He ignored the glaring men's shirt on her and turned her around forcefully, ignoring Yan Sichen's screams.

He got into the car and closed the door.

Ning Qing leaned against the window and watched the commotion. get someone to release him!

Nian Yu tugged at his tie and sat up straight.

There was a cold threat in his words.

"Be good, I won't touch him."

"....."

Ning Qing endured the sadness in her body and did not say another word.

The carriage reversed and was getting further and further away from where Yan Sichen was.

Her hand that was on the window slid down, and her pale and dead face was reflected on the gray glass.

After the car returned to their residence, Nian lie carried her in his arms and walked all the way, ignoring her wishes. He instructed the servant to prepare some ginger soup as he entered the bathroom.

Ning Qing didn't move, as if she was dead.

He prepared hot water for her. take a good bath.

"....."

"Ning Qing,"

Her eyes were out of focus, and Nian lie's heart ached.

He could only try to unbutton her shirt in her silence.

She didn't refuse.

Nian lie suppressed the trembling of his heart, removed her clothes, and washed her without any distractions.

He wrapped her in a bath towel and brought her out of the bath before returning to bed.

The servant brought him a steaming hot ginger soup, and he sent her away. He sat on the edge of the bed with the bowl and carefully blew on it.

"Qingqing, drink it."

She still didn't say a word, only opening her mouth mechanically and accepting the ginger soup he fed her.

The spiciness entered her throat, but she didn't even frown.

After she was done, Nian lie asked her, "are you feeling unwell anywhere?" Does your stomach hurt?"

Ning Qing's clear eyes looked over with a defeated look.

"Speak!: Nian lie said in: heavy voice:

"No, I didn't,"

"....."

I'm very tired. Can I rest now? " ning Qing was so quiet that it made people panic.

Nian lie's lips moved a few times, but in the end, he only said, "okay." &Nbsp;

She lay down and closed her eyes.

Countless words were stuck in his chest, but he couldn't say a single word when facing her.

Nian lie reached out and tucked her in, then dragged his exhausted body into the bathroom.

In the mirror, his handsome face was tired, his eyes were bloodshot, and his back was wet and cold.

He immediately turned on the shower and poured cold water all over his body. Only then did the numbness and suffocation in his heart ease.

“.....”

When he came out of the shower, the woman was still in the same position as before.

Nian lie quietly got onto the bed and carefully approached her.

Her breathing was uneven, and his heart was in pain.

I know you're not sleeping, " Nian lie said, trying to hold it in.

However, she did not open her eyes to look at him.

Nian Xun's throat trembled. I know you won't believe me no matter how I explain it, but ning Qing, just bear with it for a little longer. You'll be fine soon.

"I won't marry her. I won't marry anyone."

"Wait a little longer, ning Qing. Wait a little longer for me."

He hugged her tightly and said a lot of things in her ear, but she was unmoved.

In the end, Nian lie's eyes reddened. I'll go back to the company later. I might be very busy. Yueyue, take good care of yourself and your child.

After that, he seemed to be unable to bear her indifference any longer and got out of bed to leave.

On the bed, her tears flowed down from the corners of her eyes.

She heard the door close, but she still did not open her eyes.

The sorrow spread infinitely.

It dyed the entire room.

Chapter 243: She's the woman who fell from being the wife to the mistress (1:

After that day, Nian lie didn't mention anything about the Nian family and Bai Qingqing.

He left early in the morning and returned late at night. It seemed like he was really too busy, but it also seemed like he was running away from something.

However, this was no longer a matter of importance to ning Qing.

She was too tired.

She didn't want to think about whether what he said was true or not, nor did she want to think about how he dealt with the Nian family's parents. She also didn't want to think about the outcome of Bai Qingqing and that child.

Her only thought was to protect her child.

—

—

Three months passed by quickly.

Ning Qing's stomach was already as big as a balloon. It was full and pressing down on her slender waist, feeling like it would break at any time.

The baby was making a fuss in her stomach, and she often couldn't sleep at night.

As Nian lie returned to the Nian family, he spent less and less time back.

In the past half a month, he had only been here twice.

Perhaps it was really because she had no one to rely on. Every night when lie wasn't around, her heart would sink bit by bit, rot, and faintly fester.

She even wiped her tears when no one was by her side. She unconsciously recalled his warmth and laughed at her absurdity.

*

Another week passed, but Nian lie didn't come.

Ning Qing's initial panic and grievance had turned into a numbing feeling.

However, when she heard the door open, she could not help but feel a ripple in her heart.

However, she did not expect that the person who came was not him.

The woman's graceful figure approached.

When a delicate fragrance entered her nose, ning Qing's eyes were out of focus as she looked at her.

Su Yinuo crossed her arms, her eyes wandering as she looked around.

She had on a semi-permanent makeup, her long hair dyed red, and her fiery red lips. Her figure was enchanting and exceptionally charming.

She was very different from how she was a few months ago.

"Tsk, ning Qing, so you've been living in this kind of place for so long."

Ning Qing slowly came back to her senses and suppressed her shock and weakness.

He stared at her warily and asked, "

"What are you doing here?"

Su Yinuo glanced at her with an arrogant attitude.

"I've come to see how you're doing now, a woman who has fallen from being a wife to a mistress."

His words were light, but they contained malicious sarcasm.

Ning Qing felt a sharp pain in her heart, but she steadied her breathing.

"You've seen it. You can go now."

"Don't."

Su Yinuo strolled up to her in her high heels.

He looked down at her stomach and said with an ambiguous meaning, "

your stomach is quite big. How many months have you been pregnant? "

Ning Qing covered her stomach with her hands reflexively. it's none of your business.

Looking at her alert appearance, her pair of watery eyes were wide open. Although she had put on some weight, it did not affect her beauty in the slightest.

She didn't put on any makeup, and her face was bare.

Her facial features were still exquisite and unparalleled.

It was a perfect face that many women wanted to get by any means.

And her posture was to protect the child.

It was obvious that she really loved this child.

Su Yinuo felt a little emotional. is the child brother Nian Xi's? " she asked again: &Nbsp;

Ning Qing was still the same. it's none of your business. Please leave.

Su Yinuo paced back and forth on the same spot, her index finger with a red painted nail poking her chin.

my question seems to be unnecessary, " he mumbled to himself. if you're not his child, how could he raise you in a property under his name? "

The word 'raise' had struck ning Qing's sore spot.

Her face turned pale.

su Yinuo, if you're here to make a fool of me, there's no need for that. I don't want to argue with you, and I don't have the time to chat with you. Our relationship has not reached that stage yet.

Su Yinuo looked at her calmly. ning Qing, I haven't seen you for so long. Why are you still acting like you've won the world? "

Chapter 244: Brother Ben is going to hold his wedding with her tomorrow (1:

Ning Qing pursed her lips.

Su Yinuo casually picked up a glass of milk from the table and twisted her wrist, shaking the warm liquid inside.

His eyes gradually turned fierce.

Her words were full of disgust.

“Do you know that I hate this disgusting look of yours the most? you’re so virtuous that you don’t even touch a single leaf, but in fact, you’re so lecherous that you can’t live without a man!”

Ning Qing’s breathing became heavier. show me some respect.

Su Yinuo clicked her tongue twice. you’re so gentle and weak even when you talk back now. Are you trying to accumulate good karma for the child in your stomach? ”

“.....”

then, why didn’t you be kind and let brother Nian Xi go when you tried to take him away? ”

She was too excited, and ning Qing did not dare to offend her. After all, she was the only one here.

It didn’t matter if something happened to her, but not the child!

Ning Qing’s tone was forbearing, and she wanted to make things clear to her.

he’s the one who didn’t let me off from the start. I didn’t want to snatch him away. Su Yinuo, I’ve never had such thoughts.

In the past, it was because of her sister. Later, it was even more clear that she could not be with him.

Even though she clearly knew that she had already fallen in love with him.

But she could not continue this love.

So, she was at a loss, struggling, in so much pain that she wished she was dead. She was covered in wounds, and even her heart had dried up.

No matter how she explained, su Yinuo’s eyes were still staring at her.

if you don’t have such thoughts, why did you seduce brother Nian che like this? ning Qing, are you trying to tell me that you’re so charming that brother che can’t resist? ”

A thin layer of sweat appeared on ning Qing’s forehead. there’s no Zhenzhen.

The woman sneered and smashed the glass cup in her hand on the ground. She burst into laughter.

Ning Qing was shocked.

Looking at the shattered glass and milk stains on the ground, he did not say a word.

However, as the woman laughed, her voice started to laugh.

In the end, she laughed so hard that her tears flowed out.

Su Yinuo looked at her, her beautiful features twisted together. Her cheeks were red, and her expression was a little ferocious.

It was mixed with obvious sorrow and grief.

"I've known him since we were young. We were childhood sweethearts and grew up together. My family said that I would marry him when I grew up.

In the past, when my family discussed the marriage with uncle Nian, he never objected. I've been waiting for the day to marry him.

But since you appeared, everything has changed!"

"....."

"You're just a cripple, a cripple! He refused to go to the company because of you and went against uncle Nian's order to stay by your side at the hospital. I don't know why, but I'm so jealous of Zhenzhen, ning Qing, and you!"

Ning Qing listened to her words and broke out in a sweat.

The child in her stomach seemed to have trapped her fear and uneasiness, and began to become restless.

Ning Qing's stomach hurt a little.

She didn't dare to say it and forced herself to calm down.

His eyes scanned the surroundings to see if there were any tools that could resist the woman in front of him.

Su Yinuo waved her hands excitedly, as if she was not in a normal state of mind.

Ning Qing's eyes, filled with hatred, fell on her. She stopped getting up and asked, "

"Why are you jealous of my Yingluo?"

"I'm just jealous of you!"

His fierce gaze scanned her face.

Ning Qing's heart was beating very fast. Just as she thought she was going to make a move, the other party suddenly laughed.

He laughed out loud.

It was comfortable, but it also contained the pleasure of revenge.

Su Yinuo laughed exaggeratedly, then said, "

"You think you've won? Ning Qing, stop daydreaming!"

"I don't think I can beat Yingluo."

"You and I have both lost."

Su Yinuo suddenly said this.

There were still traces of tears on her face, and because of the makeup under her eyes, it made her look strange and scary.

His voice was old and low.

I lost to you, and you lost to Bai Qingqing. Don't you think it's funny? "

Ning Qing stood up, holding the armrest of the sofa.

"What are you trying to tell me?: she asked: frowning.

"Ning Qing, don't be silly."

Su Yinuo said expressionlessly, "

brother Ben is going to hold his wedding with her tomorrow.

Chapter 245: In the end, she had become Bai Qingqing's stepping stone (1:

Ning Qing's mind went blank, as if she had been struck by lightning.

After a long time, she heard her own voice.

"What did you say Yingluo?"

"They're getting married tomorrow. Ning Qing, don't you think it's funny that you're still here quietly?"

His heart ached so much that he couldn't breathe.

Ning Qing did not believe him.

She tried her best to suppress the tears in her eyes and opened them wide, not letting them fall.

"Impossible!" She said.

How could he be so fast?

He had clearly said that he wouldn't marry Bai Qingqing!

Su Yinuo did not give her any chance to deceive herself.

She took out the photo from her bag and threw it on the table.

She had used too much force, and the photo on her face slipped out and fell at ning Qing's feet.

She lowered her head and her eyes were blurry from the water.

He could only hold his stomach, slowly squat down, and pick it up.

In the photo, the woman's stomach was flat, and she was smiling sweetly. She was wearing a white wedding dress and snuggling in the man's arms.

This scene deeply hurt ning Qing's eyes!

So, the child was already born? Their Yingluo was really going to get married?

Ning Qing raised her head. She clearly knew who the main character in the photo was, but she had to tear open all the photos and take a good look!

There were photos of her holding his hand, of her hugging him, of the wedding decorations, and of him helping her sit down.

All the pictures and scenes were laughing at ning Qing!

Ning Qing shook her head, her lips pale.

He stood up shakily and said in a trembling voice, "

"This can't be true, you're lying to me!"

"Lie to you?"

Su Yinuo was ridiculous and disdainful.

"Why Would I Lie to You?"

"....."

"I just wanted to tell you this news so that you can stop dreaming that he'll give you a perfect future, she said frankly with her hands spread out:

Hearing this, ning Qing lost her voice.

She wanted to retort, scream, and deny it.

However, her heart was in so much pain that she had to admit one thing even if she didn't want to.

She actually believed him again!

Yet, she was deceived by him again!

A deep sense of hopelessness flooded her mouth and nose like a tide in the deep sea, causing her to forget to breathe and almost suffocate.

Seeing her tear up listlessly, the hatred in su Yinuo's heart that was like a gushing spring slowly subsided.

She had thought that she was the most pitiful.

She didn't expect that someone would be more pitiful than her.

Everyone had thought that Nian lie's love was as deep as the sea, and that it was a lifelong love.

But now, he realized that he had only treated ning Qing as a temporary pastime.

The hatred gradually dissipated, turning into powerless pity and self-mockery.

Her smile was sad. in the end, you and I have become stepping stones for others.

Whether it was because she really liked him or because it had been a long time, her love for Nian lie had not received any response.

Perhaps it was because he was unwilling, or perhaps it was because he couldn't get Yingluo.

In short, she would never be able to love that man again in her life.

Su Yinuo grabbed the tissue on the table and wiped her face.

He walked in front of Ning Qing and wanted to help her, but was stopped by her sharp voice.

"Go away, don't touch me!"

She was obviously crying.

Su Yinuo pursed her red lips. up to you.

"....."

but you have to think carefully. Do you want him to come clean with you and chase you away after you give birth to the child, or do you want to leave on your own accord? "

The two were different.

Ning Qing's eyes were red. get lost!

Su Yinuo's face was cold, and she advised him for the last time, "

"I advise you to leave some dignity for yourself."

He turned around and strode out.

The entire room was deathly silent.

It was as if all the hysteria and terrifying news were fake.

Ning Qing's legs gave way, and she fell onto the sofa.

Tears streamed down her face. She was so sad that it made one's heart ache.

Chapter 246: She felt that it was Bai Qingqing (1:

She sat there unconsciously until Nian Xi returned.

He entered the house, changed out of his shoes, turned around the entrance, and saw her figure.

Nian lie's fatigue dissipated a little, and he tried his best to maintain his composure. A faint smile appeared on his thin lips.

"Why are you sitting here alone?"

As he approached her, the aura she exuded made his expression change instantly.

Nian Yu stopped pulling his tie and held her wrist. ning Qing, what's wrong? "

His warmth touched her skin, and ning Qing quickly retracted her hand, coming back to her senses.

“What happened? tell me, ning Qing: : Nian lie asked sternly as he looked at her reddened eyes.

“.....”

Ning Qing was in a daze.

Su Yinuo’s words were like a nightmare that kept repeating in her mind.

brother Ben is going to hold his wedding with her tomorrow.

think carefully. Do you want him to come clean with you and chase you away after you give birth to the child, or do you want to leave on your own accord? ”

“I advise you to leave some dignity for yourself.”

She stared at Nian lie, trying to detect any other emotion on his face. However, he had disappointed her.

Countless questions were stuck in her throat, and no matter how hard she tried, she could not say them.

Nian lie was very anxious. ning Qing, Qianqian.

She stood up and wiped the dried tears on her face. nothing.

“.....”

“You haven’t eaten: right? I’ll go make something to eat,” she said randomly:

Nian lie stood up as well. I’ll help you.

“No, I don’t want you to be by my side.”

After saying that, she rushed to the kitchen without looking back.

Nian Jin looked at her back, his eyes dark and gloomy.

In the kitchen, ning Qing leaned against the wall as soon as she entered.

She covered her mouth with one hand as tears streamed down her face.

The other one was pressing on her chest, kneading the cloth into a ball.

She was almost suffocating from the pain!

She did not have the courage to question him! She did not even dare to think about whether su Yinuo’s words were true!

She had already said that she didn’t love him and knew that she shouldn’t love him. Why did she still feel so much pain when she heard such words?

Her tears flowed down her cheeks.

Ning Qing’s entire body was exhausted, and her huge belly made it difficult for her to move.

She slowly squatted down, covered her mouth, and cried.

For a long time, he couldn't recover.

Hence, it was already an hour later when she was done cooking.

During this period, Nian Jing guarded the door and asked her if she needed help from time to time, but she refused every time.

Only when the dishes were served on the table did he put down his computer. He frowned and said to her, "you put it down. Go wash your hands.

"....."

Ning Qing lowered her head and walked past him.

He didn't see her eyes that were as red as a rabbit.

When she came out of the bathroom, Nian lie had just served the last dish.

When he saw her coming over, he went forward to hold her hand.

It was dodged.

Ning Qing suppressed her sadness, not willing to let him see that something was wrong.

"You don't have to worry about me," she said.

Nian Yu's brows furrowed even more.

He didn't say anything and pulled out a chair for her. He sat down after she sat down.

There were two dishes and a soup. They were all home-cooked dishes and nothing special.

Nian lie felt that ning Qing wasn't in a good state today. She seemed to be rejecting him.

He was even more careful when he served her the dishes.

"Qingqing, did he cause you trouble today?"

Ning Qing's heart clenched, and she felt a sharp pain.

She buried her head and only shook it.

Nian lie was certain, and his expression was rather solemn.

"I'll get Lu Zhui to bring the doctor over to take a look at you."

"....."

"He's so disobedient in your stomach and he's causing you so much trouble. Wait until he's born, huhu"

Before he could finish his sentence, his phone suddenly vibrated.

It was Nian lie's phone.

Ning Qing looked up.

Before she could look at it, a large hand reached out and hung up the phone.

“.....”

Staring at the phone screen that was still lit up, ning Qing was stunned. She had a terrible feeling in her heart ...

She felt that it was Bai Qingqing.

Chapter 247: Ning Qing, all of this will be over very soon (1:

“Why aren’t you picking it up?” she couldn’t help but ask:

Nian lie’s expression wavered slightly, but she did not notice it.

“Work, I won’t talk about it during dinner,” he said.

“Who is it?” ning Qing asked again.

Nian lie knew that she had been very sensitive recently.

He held his temper and stared at her with his dark eyes.

“The chairman of the Desheng Group. The company has a project to discuss with them,” he said quietly.

His explanation was very clear, and there was nothing suspicious about it.

It was the first time ning Qing raised her head and looked at his face.

His brows were sharp, his nose was straight, his dark eyes were calm like water, his facial features were deep, and he was still as handsome as ever.

It was no different from every day in the past.

Her lips moved, and her eyelashes fell.

“I know.”

The three words ‘weak’ didn’t make Nian lie feel at ease.

He put down his chopsticks and held her hand.

“Ning Qing, what’s wrong with you?”

She wasn’t usually like this.

Ning Qing suppressed the urge to pull her hand back. She looked at him with clear and bright eyes, as if water was about to overflow.

The pain in his heart was clear.

Just as she was about to say it, his phone vibrated again.

This time, it was a text message.

brother yang, where are you? there are some details I can't figure out. Come and take a look.

Nian Yu didn't see the rest of the words clearly, so he snatched the phone away.

Ning Qing's eyes widened.

"Who is it?"

She gradually lost control of her emotions and clenched her hands tightly on the table.

Nian lie's brows furrowed into a deep frown. After taking a glance, he shifted the phone to the other side.

He met her eyes and said in a low voice.

"It's work-related."

Ning Qing laughed, and the water rippled.

"Nian lie, you've been so busy recently."

His back stiffened.

"Yingluo used to visit me every day. Why haven't you been coming recently?"

She asked tactfully, as if she was giving him a chance to explain.

Nian lie seemed to have realized something, but he quickly cast the thought aside.

She didn't even step out of the door, how could she know what was going to happen tomorrow?

It was impossible.

His thin lips were slightly pursed, and he deliberately softened his tone.

I've told you before that I have a lot of things to do after returning to the company. I've delayed my time to visit you. I apologize to you, okay? "

Ning Qing sneered.

She wanted to throw out all her questions, but her throat hurt as if it was cut by a knife, and she couldn't get any answers.

The sound of vibration was heard again.

Nian lie's anxiety was clear in her eyes, but she couldn't express much.

Depression, sorrow, and despair.

It enveloped his body.

"I'm going to answer the call," Nian lie said.

He took the phone and went to the side.

Ning Qing's body stiffened as she listened to him quietly, her voice barely audible.

Her mind was blank.

When the man returned, his handsome face was clearly apologetic.

Ning Qing, something came up. I have to go to the company.

Ning Qing seemed to have understood something, and a desolate smile bloomed between her brows.

She closed her eyes and closed all the pain.

“You can go.”

He was helpless and despairing.

Nian lie looked at her and suddenly had an absurd thought.

Once he left, he would never see her again.

An inexplicable fear and fear welled up in his heart.

Nian lie rushed to her side and pulled her into his arms.

“Ning Qing, all of this will end soon.” His eyes were bloodshot.

Ning Qing’s body was cold in his arms.

“Alright,” numbly replied with a smile.

Nian lie used all his strength to release her. He controlled his emotions and said, ”

“Eat your food and take care of you and the baby. I’ll be back soon.”

“.....”

He turned and left in a hurry.

Ning Qing looked at his tall and straight back, and she suddenly became mute.

He couldn’t even say a word to keep her.

His eyes were naturally swollen and painful.

Her tears once again covered her entire face.

Chapter 248: She didn’t believe that he really didn’t want her anymore

*

Ning Qing sat on the sofa and waited the whole night.

The food on the table was almost untouched and had already turned cold.

She opened her dry eyes and hugged her legs in pain.

In the end, because she was thinking about the child, she leaned against the sofa and slept for a while.

When he opened his eyes again, it was already dawn.

She opened the window. The cold wind was blowing, as if it was going to rain.

Her pale and bloodless face was even paler than the gloomy weather.

Last night, the man's seemingly affectionate words still rang in her ears.

"Ning Qing, all of this will end very soon."

The end?

Was he talking about the story between the three of them?

Her desolate and serene eyes rippled and suddenly drifted far away.

Ning Qing quickly entered Nian lie's study and found her phone in the drawer.

After it was turned on, there was still more than 10% of the battery left.

Without thinking, she rushed to the door.

After a while, he sat on the ground.

"Hiss-"

"Ah, my stomach hurts!"

"Is there anyone outside? come and save me!"

Ning Qing's beautiful features were scrunched up, and her hands trembled as she held her stomach.

The tightly shut door opened.

Someone knelt down to help her up. what's wrong? "

Tears welled up in ning Qing's eyes. I accidentally fell. It hurts!

The two men looked at each other. One of them said that he wanted to call Lu Zhui, but the other stopped him.

Ning Qing's face was filled with pain. save my child, ran ran, take me to the hospital. Hurry, ran ran.

With that, she closed her eyes and fell to the ground.

The man said, " don't worry so much. Saving people is more important. he picked her up and rushed out.

The bone-chilling cold wind blew. Ning Qing endured the cold and waited for them to carry her to the car and take her to the hospital.

On the way, the bodyguard who was driving asked,"did you get through to the phone?"

In the back seat, ning Qing rested her head on the man's hand, not daring to open her eyes.

The man half-hugged her, afraid that she would bump into something, and his tone was full of anxiety.

“No one’s picking up. They’re probably busy.”

“The young master is definitely not free today.”

then what about Hanhan? she’s already fainted. What if something happens to the child? how are we going to explain it to young master? ”

The man who was holding ning Qing did not speak.

He tried to call again, but no one picked up.

“You should try calling assistant Lu,” the driver suggested as he watched the road.

The man tried, and the call was connected.

The two of them were anxious and helpless. They could only make their own decisions and send ning Qing to the nearest hospital.

Soon, ning Qing felt a jolt and lay down on the bed.

The doctors and nurses came, but she kept her eyes closed, not daring to show any signs of weakness.

The doctor was also puzzled, but he still used the excuse of ” spasms from shock ” to ask them to give her a quiet and comfortable space, which was conducive to her rest and wake up.

The door of the ward closed.

About two or three minutes later, when ning Qing was sure that she could not hear anyone else, she opened her teary eyes.

She didn’t stop for long and got up with difficulty.

His stomach spasmed.

Ning Qing furrowed her brows in pain and comforted the child in her stomach.

“Baby, be good. Don’t blame mommy for bringing you out. Mommy wants to know some things.

Be good and don’t make a scene, okay?”

Gradually, the pain faded.

Ning Qing took a deep breath, picked up a patient’s garb from the side, and put it on her thin home clothes.

Her thoughts were clear.

She wanted to know if Nian lie and Bai Qingqing were going to get married, and if he really didn’t want her and the child.

Chapter 249: Ning Qing really disappeared (1:

If he was, she would give up and leave, never to appear in front of them again.

Ning Qing secretly opened the door a crack and looked around the corridor.

Someone passed by, but the two guards were not there.

Ning Qing did not hesitate. She opened the door and walked straight into the dark safety passage.

At the end of the corridor, the bodyguard was very troubled.

Madam has fainted. She doesn't seem to be in good condition.

Lu Zhui's voice was very serious.

young master has a lot of things to do and can't leave. The two of you, guard Madam well and see what the doctor has to say.

"Madam is still not awake."

Lu Zhui was standing in a relatively quiet place backstage. He covered the microphone of his phone and ordered, "you guys watch over her. Don't leave her side. Send her back when she wakes up.

"Yes."

Lu Zhui's expression was heavy, and his voice was heavy.

"Don't ever let her go out alone."

"Understood."

After hanging up the phone, Lu Zhui revealed a rare, complicated expression.

"Lu Zhui,"

He was so absorbed in his thoughts that this shout startled him.

He turned around and looked at the person.

Nian lie was dressed in a pure white suit with a bow tie at the collar. His legs were well-proportioned and slender, and his hair was neatly combed. His expression was cold and solemn, and his body was straight and upright. He was so handsome that he could mesmerize all living beings. He looked more formal than usual.

"What are you doing?"

There was a hint of panic in Lu Zhui's eyes, but he quickly buried it.

"The car will be here soon, we need to go out and pick up miss Bai," he said with his head lowered.

She stared at him with her sharp eyes, over and over.

"What is she doing now?" Nian lie asked.

Lu Zhui's entire body tensed up.

Of course he knew who he was talking about.

Zhenzhen and the others said that young Madam is still resting. She hasn't left her room.

Nian Yu furrowed his brows.

Lu Zhui was afraid that he would notice something, so he gestured for him to walk out while saying, "we've kept the news under wraps very well. Young Madam probably doesn't know. You don't have to worry. After today's matter is over, you can safely return to her side.

To Nian lie, these words had a certain soothing effect.

He calmed his Restless Heart and muttered a low "hmm" before walking out of the venue.

Lu Zhui heaved a sigh of relief. Nian lie suddenly turned around.

His expression almost cracked.

"Lu Zhui, don't hide anything from me," Nian lie said coldly, squinting his eyes.

Lu Zhui's heart was in his throat. He was very excited.

young master, we have been planning for this day for so many days. I won't do anything that will harm you. Please believe me!

"....."

Her Phoenix eyes wavered, and the color in them gradually darkened.

get someone to wake her up for lunch. Order her at the restaurant she likes for lunch.

Lu Zhui's forehead was covered in sweat. He didn't dare to look into his eyes.

"Yes, I'll get someone to do it immediately."

Nian Yu pursed his lips. He wanted to say something, but he didn't.

Forget it.

In the afternoon.

After this day passed, he would not have to worry about anything.

The tall figure passed by the backstage and went around to the front hall.

Under the illumination of romantic lights and light music, a huge round arch and rows of flower pillars were placed in front of the stage. The roses were bright and beautiful, and the White carpet was covered with rose petals and crystal sequins.

A bunch of white roses was placed in the center of the surrounding tables. They were pure, beautiful, and flawless.

The entire venue was white, and it enveloped the happy people.

"....."

The voice in Nian lie's ears was sometimes near and sometimes far.

Then, as the others congratulated him loudly, a deep smile appeared on his face.

He walked towards the crowd.

Meanwhile, in the hospital, two bodyguards opened the ward door.

When he realized that the woman on the bed was gone, he immediately panicked.

After searching the entire hospital, they were sure:

Ning Qing had really disappeared.

Chapter 250: Are these two people really getting married?

At this moment, the woman they were anxiously looking for was in a taxi, staring at the big screen in the middle of the square, at the venue of the Grand wedding.

The driver took a quick look and sighed. the life of the rich can't be compared to the lives of ordinary people like us. They've made such a big scene just to get married.

"Master, do you know where the crime scene is?" ning Qing asked, her heart trembling.

The driver looked at her clothes and her bulging stomach. He thought she wanted to join in the fun and suggested, "

"Little girl, you're about five to six months pregnant, right? There are many people there. For the sake of the child, it's better not to go and join in the fun."

Her body was weak, and the child was actually more than seven months old.

"Please send me there." Ning Qing did not explain and stubbornly requested.

Seeing that she did not listen to his advice, the driver sighed and agreed to send her there.

Ten minutes later.

From a distance, ning Qing could see the wedding scene that was surrounded through the car window.

She was forced to get out of the car and stand outside the human wall. She looked at the rows of luxury cars decorated with fresh flowers, and the flowers in the front car were even more gorgeous.

The lights flashed like crazy. Among the bodyguards in black and sunglasses, ning Qing saw a woman in a white wedding dress with a long trail. She was gorgeous and smiling like a flower.

Her heart ached.

Then, the man she couldn't be more familiar with took the woman's hand affectionately and put it in his arm. He was wearing a pure white suit with a graceful figure.

There were cheers at the scene, and she lost her mind in the cheers.

So, it was all true.

He was getting married to Bai Qingqing today.

What about Yueyue?

What was the promise he made to her?

What was the child in her stomach?

She stood at their wedding venue like an outsider, watching him walk into the wedding hall with another woman.

She had never had any of these.

Her eyes were filled with tears.

His heart ached so much that he was about to die.

miss, this is the wedding venue. If there are no guests, please step back.

The person in front of her had a strong attitude of inviting her to leave.

Ning Qing came back to her senses. The door had been so lively just a moment ago, but now, except for the bodyguards, no one else was there.

She didn't know why, but she suddenly had an impulse.

She pushed the man away and rushed to the tall display board.

The man was caught off guard. He didn't expect a pregnant woman to appear here in such thin clothes. They didn't dare to make a move.

"Miss, please cooperate with us and don't cause trouble."

Ning Qing stood in front of the tall display board. The woman and the man were snuggling up to each other, with a shy and happy smile on their faces. The man was extremely gentle, holding her waist tightly.

That face was one that she would dream of day and night.

Nian lie

"Are these two people getting married?" she asked.

The grief on her face was too glaring. A few bodyguards surrounded her, but because of her strange questions and actions, they did not dare to do anything to her.

"Miss, please leave quickly, or we'll have to call the police."

She was pregnant, so they didn't dare to lay a hand on her for fear of an accident.

"Are the people inside getting married?" ning Qing asked again, as if she did not believe him.

None of the men in front of her recognized her and said,"of course."

Bitterness and despair intertwined.

Ning Qing's eyes were misty with tears as she looked at the entrance of the hall and listened to the wedding Symphony inside. It was rich and touching.

Her tears fell.

"So, it was really my wishful thinking."
