

Mr Nian 331

Chapter 331: The only woman in my heart has always been her!

that's what the outside world is saying. Besides, you did divorce miss ning because of another woman and even married her.

Nian lie carefully protected ning Qing's shoulders. He even wanted to cover her ears and eyes.

He glared at the man. I didn't marry her!

He had never thought of taking another woman as his wife!

The reporter was obviously unwilling to give up and continued,"but everyone said that it was miss Bai who let you down back then, so you ran away from the wedding, and so did Wanwan."

He narrowed his eyes at ning Qing, who had revealed half of her face. His voice was particularly clear and sharp in the midst of the chaos.

most people think that miss ning knew that you were getting married and because she was unwilling, she threatened you with her death. You're doing this for the sake of justice.

"Bullshit!" Nian lie suddenly spat out a curse.

The entire place instantly fell silent.

This included ning Qing, who was struggling in his arms.

Nian lie covered ning Qing's ear with one hand, as if he did not want her to see him in a rage.

His eyes were bloodshot, so red that it was a little terrifying.

all the nonsense you're saying is wrong. She didn't do anything wrong to me. Even if she did, I, Nian lie, am the one who has wronged her!

"The woman in my heart has always been ning Qing!"

This confession came just like that.

Without any warning.

Nian lie had thought that he had never said " I love her " to her, not even once.

However, in such a situation, he blurted it out without thinking.

So it wasn't that he couldn't say it.

Instead, he was afraid that his love would become a burden to her. He was afraid that she wouldn't believe him and would question him.

However, now that things had come to this, he realized that some words would only be suppressed in his heart if he didn't say them out loud. Over time, it would become a festering wound.

The more time passed, the more pain he felt.

Only by making it public would this wound in the name of love have a meaning to exist.

At that moment, he felt as if a heavy burden had been lifted off his shoulders, as if he had finally been freed.

His dark eyes swept across the silent crowd, his sharp eyes containing an unfathomable affection.

His words were loud and clear, as if he was making an oath.

no matter what you think, from now on, I don't want to hear any negative rumors about her!

.....

In the silent car.

Ning Qing leaned against the car door and looked out the window.

On the other side, Nian Xi was sitting upright, reserved and quiet, as if he had not been the one who had made the resolute vow a few minutes ago.

Lu Zhui sat in the front seat, occasionally looking at the two people behind him.

She was caught by Nian lie by accident.

"If you don't want your eyes, you can donate your cornea," the other party said in a suppressed voice.

"....."

Nian lie's eyes were dark. medicine is so advanced now. Live donations are fine too.

Lu Zhui laughed awkwardly. young master, I still need to work for you. There's no need for that.

He thought to himself, "this is obviously because young Madam didn't respond to my words just now, and she's venting her anger on me."

Nian Yu tugged at his tie, feeling frustrated.

She was too calm.

She was so calm that he could not tell what she was thinking.

Did she believe what he said just now or not?

He subconsciously glanced at the woman beside him.

She was still wearing the cheongsam, but she had taken off her hairpin. Her long hair flowed down the back of her neck and rested on her back obediently.

The side profile of his face was gentle, and there was no expression in his eyes.

When the car reached the Nian family's building, Nian Chen was about to speak, but ning Qing pushed the door open and got out of the car, not even looking at him.

Chapter 332: Nian lie, you can't bear to see me doing well, right?

Back in the office, ning Qing was not in a good mood.

However, there were some people who didn't care about her expression and followed her into their own office.

She tried to ignore him as she sat in front of her desk, took out a piece of paper from the drawer, and started to draw.

"....."

For a long time, there was only the sound of the pen rubbing against the paper in the space.

There was a rustling sound.

Nian lie just sat there, not saying a word or disturbing her.

However, after a while, ning Qing threw the pen on the table, her eyes burning with fire. can you go out? "

Nian lie held an unlit cigarette between his fingers.

He pursed his thin lips. I didn't disturb you.

Ning Qing was so angry that she laughed. He was disturbing her by sitting there!

He clenched his fists and controlled his emotions.

"Get out!"

"....."

He was silent and did not make any movements.

Ning Qing took a deep breath and kept warning herself.

The man stood up when he was about to say something to expel her.

From a short distance away, Nian lie's voice was calm and quiet.

"Ning Qing, you're angry."

She looked at him coldly and put on a fake smile. this is the first time I've appeared in the public eye as a Ning, and you've already ruined it. Should I be happy? "

It was already the greatest restraint that she could hold back and not refute.

She even hated it when her name was placed together with his!

: You hate me that much?"Nian Ying was shocked:

Hate!

She couldn't wait for him to immediately experience the pain she had suffered back then!

He couldn't wait for him to die once to atone for his child's sins!

Ning Qing's lips trembled. She was afraid that he would see her hatred, so she silently looked away.

what I mean is that I've just returned to the country and I was hoping to use this episode to expand my popularity and save my image in the public's mind. But with your appearance, you've pushed me into the eye of the storm again.

Her voice was shaking.

"Nian lie, you can't bear to see me doing well, can you?"

The man's hand that was holding the cigarette trembled unconsciously, and he accidentally dropped it on the carpet.

She had always used such calm words to hint and hint at him to stay away from her and hurt him again and again.

"....."

Silence spread again.

"Forget it," he said. Ning Qing stood up, no longer as out of control as she had just been. I'm going back.

When she passed by him, she stopped. if you don't allow me to take leave, just take it that I'm absent from work and you can deduct my salary.

This time, she really left.

Nian lie had no reason to stop her. After she left, he bent down and picked up the cigarette on the ground. He didn't straighten his body for a long time.

.....

Ning Qing got a taxi and received a call from Yan Sichen.

The man's clear voice was full of worry. Qingqing, are you alright? "

Obviously, he had already seen the news.

"I'm fine, brother Si Chen. They can't hurt me,: ning Qing said:

From her tone, it didn't seem to be any different from before.

Yan Sichen heaved a sigh of relief. However, he was still very nervous. what's going on between you and Yueyue? " he asked.

Oh, " ning Qing said in a nonchalant tone.

he probably saw that I've revealed my identity, so he's afraid that I'll say something that'll be detrimental to him and the Nian family. That's why he came to me in person.

Hearing this, Yan Sichen's mood became complicated.

On the desktop of the computer, in the midst of the crowd, the man held her tightly in his arms, the tension on his face was real.

He felt uneasy and anxious, as if a fire was burning in his heart.

“Qing Qing, what are you doing all this for?”

The other side was silent for a while, then slowly spat out two words, ”

“Revenge,”

Chapter 333: There's no worth it, only willingness _1

“.....”

brother Sichen, three years ago, I used such a stupid method and thought that I could end all of this. I didn't expect them to live well. I didn't die either. The only thing I lost was that child.

But what did the child do wrong?

She was the one who had to go through all that pain, but it ended up with the child.

She deserved to die!

However, if it weren't for Nian lie and Bai Qingqing, why would she have to commit suicide because she couldn't live on?

So, the person who caused the pain was living a glamorous life, but her child's body was buried in the dark underground.

How could she let them go?

Ning Qing's eyes turned red, and tears flowed down her face. She hated him to the core.

the child is innocent, but she has become a sacrifice for us. But why? ”

She smiled bleakly and took off the mask that she had been wearing for the past few days.

Her heart was already full of wounds.

Yan Sichen's heart almost broke when he heard this.”Qing Qing Qian Qian.”

He had not expected that the ning Qing He had seen in the past was all an illusion.

She buried her pain in her shell, not daring to tell anyone.

Ning Qing wiped her tears and said, ” brother Sichen, you don't have to persuade me. I've already thought about what I'm going to do. I just hope that you won't tell dad, mom, and ran ran about this.

“Ning Qing!”

Yan Sichen called out to her with heartache. He felt like he was about to break through the shackles of his emotions.

“Do you know what you’re betting by doing this?”

She had started her career abroad and finally had the life she had now. Why did she have to throw herself into the strange circle that had hurt and harmed her?

Ning Qing was frighteningly calm. I know.

“.....”

“But I had no choice.”

to punish him, I ruined my own life. Is it really worth it? ”

Ning Qing’s face was covered in tears. She raised her hand to wipe them away, and her eyes shone with determination.

“There’s no such thing as worth it or not, only willing or not,”

Yan Sichen snorted.

Ning Qing’s voice also became softer. brother Sichen, during the three years I was abroad, I thought about giving up on myself many times, but I persevered because of my child. Avenging him is the only thing I want to do.

She smiled gently. After knowing that the other party could not see her, the light in her eyes scattered, as if she was looking at the distant past.

I’ve let down too many people. This time, I want to be fair to myself and to Yingluo, my dead child.

Then, she hung up the phone.

Her dull eyes drifted out of the window. Under her exquisite makeup, she looked lifeless, without the slightest sign of life.

.....

In a bar filled with red and green lights.

A woman in a modified cheongsam was sitting in a crowded booth, drinking wine with her head raised, looking out of place in her surroundings.

When Yu Shu arrived, she saw ning Qing’s figure at first glance.

There was a man leaning against her, dressed in a gaudy manner. His perverted eyes were fixed on ning Qing’s chest.

“Beauty, are you here alone? Do you want to play with us?”

Ning Qing’s eyes were half closed.

Under the flickering light, her eyes were like silk, and her slightly messy long hair made people’s hearts itch.

“What do you want to play?” ning Qing asked, still drunk.

The man boldly placed his hand on her shoulder. of course, we're going to play something more exciting.

Yu Shu was furious. She rushed up and used her bag to open the man's obscene hand. hooligan, get lost! My sister is not someone you can touch!"

The man retracted his hand in pain and was about to get angry when ning Qing's clear voice rang out.

"I'm sorry, this is my sister. She's very straightforward, don't be angry."

Looking at her beautiful face, it was fine for her to be a man.

Ning Qing sent the man away with a few more words and continued to lean against the bar counter.

Yu Shu angrily stopped her from drinking and glanced at the pile of empty glasses on the side. sister Qingqing, why did you drink so much? tell me what's the matter. Why are you ruining your own body like this? "

Chapter 334: He actually dared to say that he loved her in front of so many people!

Ning Qing smiled.

Under the colorful reflection, the wine stain on the corner of her lips was bright, and her clear eyes were sad.

"I just don't feel happy." She took another sip of the wine. Yu Shu, sit down and accompany me for a while.

Her voice was steady and didn't sound like she was drunk.

But Yu Yan looked at her slightly tipsy eyes, which were filled with sadness and emptiness, and her heart tightened.

She suddenly didn't dare to stop her.

It was because the sorrowful aura that she was exuding at the moment was too strong.

Yu Shu sat down next to her. The bartender asked her if she wanted some wine, but ning Qing rejected him.

Yu Shu stared at her a little angrily. If she said she was drunk, she would know how to take care of herself. But if she said she wasn't drunk, she had never shown such a fragile side.

She sighed. sis, what's wrong? " What did he do to make you so upset?"

Ning Qing lowered her head and looked at the swirling liquid in the glass. Her eyes were dull, and she shook her head.

"Since you didn't do anything, why did you come here to drink?"

In her heart, ning Qing had never been the kind of person who would indulge in her desires and live a luxurious life.

Ning Qing's fingers moved along the edge of the cup, her voice low and hoarse, as if she could not speak.

But she could hear what she was saying.

"Yeah, he didn't do anything. Why am I so upset?"

Was it because of his confession of love?

Was it because he blurted out "I love her"?

Ning Qing's lips curved into a sarcastic smile.

Love?

Didn't he find it disgusting to talk to her about love now?

Did such a ruthless man like him know what love was?

Even if he understood, he had never poured a single bit of his love on her. He actually dared to say that he loved her in front of so many people?

It was truly laughable!

Yu Shu looked at Ning Qing's strange smile and felt a chill run down her back.

She moved closer to her and said carefully, "if there's anything you're unhappy about, you can tell me. I can share your burden, Hanhan."

Ning Qing's eyes gradually focused, and when she saw the round-faced girl in front of her, her creepy smile fell.

"Yu Shu, never believe a man's side of the story," she said seriously.

Yu Shu was stunned.

"Words are often the least credible."

It doesn't matter how many sweet words a man says to you. What matters is how much he's willing to do for you.

"If a man truly loves you, the things he does for you should always be more than what he says."

"Sister Qingqing, I've never been in a relationship before," Yu Shu said weakly, half confused.

"That's right, you're still young." Ning Qing seemed to be in a daze.

"Sister, are you remembering the past?"

"Yingluo didn't."

After Ning Qing denied it, she picked up her wine glass and downed it one after another.

In fact, her alcohol tolerance was not good.

In the past, a glass of wine would make him feel dizzy. It was only because he had been to many social occasions in the past two years that he would slowly drink a little.

Another three glasses of wine went down his throat, and the burning drunkenness rushed to the top of his head.

The woman's nervous face turned from one to two, then three.

The colorful lights dazzled her eyes.

The deafening sound was gone.

The people around him disappeared.

A tall figure appeared in the direction of the door.

His face gradually became clear in the darkness.

It was Nian lie.

Ning Qing laughed and mumbled, "you won't let me off even when you're drunk. then, she fell on the bar counter and passed out completely.

"Sister Qingqing? Sister Qingqing!"

Yu Shu called out twice, but the woman did not respond at all.

The music stopped, and the crowd stopped moving.

She looked left and right, and was so frightened that she jumped off her seat and tried to help ning Qing leave.

However, just as she lifted one of ning Qing's hands, the man's hand held hers.

Yu Shu turned around and widened her eyes.

"Nian Junting: Mr. Nian!: She shouted in fear.

Chapter 335: Mr. Nian: please let me take sister Qingqing away (1:

Nian lie looked at her indifferently, then turned to look at ning Qing.

He furrowed his brows and reached out to lift ning Qing's face.

Her face was red and her eyes were closed. She didn't feel comfortable.

Without another word, he bent down and picked up the woman.

"Mr. Nian!" Yu Shu hurriedly stopped him.

Nian lie stopped in his tracks, his eyes cold.

She swallowed her saliva and mustered up her courage. sister Qingqing asked me to pick her up. So, Zhenzhen, you should let her go back with me.

Under the man's cold and emotionless gaze, Yu Shu's voice became softer and softer until it could no longer be heard.

"Otherwise, she'll be unhappy when she wakes up."

Yu Shu mumbled something, but she couldn't even hear what she was saying.

Nian lie looked at her in a low voice. This woman looked very familiar. She had been by ning Qing's side almost every time.

The woman in his arms moaned, feeling uncomfortable.

"I will take good care of her," he said to Yu Yuan.

He turned around and was about to leave.

"Al!" As soon as Yu Shu spoke, Nian lie turned around.

He was born with the aura of an Emperor, cold and Noble, making ordinary people not dare to get close to him.

"What's your name?" Nian lie asked as he looked at the young woman.

ah! Yu Shu stammered, " I'm Yu Shu.

"I'm working,"

"There's no Yingluo, no job."

Why was he asking her this? could it be that he had found her?

Yu Shu's heart turned cold. She didn't know if it was because of guilt or fear, but she didn't dare to look into the man's sharp eyes that seemed to be able to see through everything.

Nian lie sized her up for a long time. Then, his dark eyes deepened. you're a reporter? " he asked, his tone ambiguous.

Yu Shu's heart skipped a beat. ah, that ... I was in this line of work before.

The man stopped talking.

Yu Shu's heart was suspended in mid-air as she clutched the corner of her clothes.

Just when she thought he would say something earth-shattering, Nian lie's handsome face turned cold, and his words were emotionless.

"Lu Zhui, send her back."

Yu Shu was stunned. He had already walked away with ning Qing in his arms.

.....

Nian lie brought ning Qing back to yunhuang No. 1.

The servant was stunned when she saw him, especially when she saw the woman he was holding. She was so shocked that she couldn't speak.

After all, he almost never came back.

There were only a few people left to clean up the place.

Nian lie asked them to make some soup to sober him up, then carried ning Qing up to the master bedroom on the second floor.

The door that had not been opened for a long time finally opened again, and its mistress finally returned.

After putting her on the bed, Nian Yu undid his tie and wiped off the sweat on his body.

Ning Qing was not feeling well. She turned to her side, found a position, and fell asleep again.

Nian Xi wrung a towel from the bathroom, then returned to the bed and carefully and patiently wiped her face.

When she touched her neck, the collar of the cheongsam covered half of her neck.

He paused for a moment, his gaze falling on the buckle and then shifting away.

However, the drunk woman was not content with her place. She said, "it's so hot" and started to pull up her collar impatiently.

Her fair skin was exposed in the air, burning Nian lie's rationality.

He suppressed the strange feeling and grabbed her hand, warning her in a hoarse voice, "

"Ning Qing, don't mess around!"

The woman's eyes opened slightly, but she could not see anything clearly.

"I'm hot and uncomfortable," she said, feeling wronged.

Nian lie couldn't hear her soft and sweet voice. For a moment, he felt as if his body was on fire.

He held her hand tightly, his eyes as dark as ink.

His voice was deadly gentle.

"Be good and don't move. It'll be over soon."

When the woman heard this, she really stopped moving.

"....."

His deep eyes slid across her chest, and after a few struggles, his hot hand reached for the golden thread buckle that had not been removed ...

Chapter 336: In what capacity are you not allowing it?

The next morning.

The sun shone through the window.

The woman on the big bed moved. Her fair skin was delicate and eye-catching.

Ning Qing opened her eyes with difficulty and stared drowsily at the ceiling for a while. Her mind was empty for a long time.

Until she noticed the hand on her waist.

Nian lie stared at her dazed face. His eyes were bloodshot, and his throat was filled with exhaustion. you're awake.

Ning Qing stared at the ceiling, her long eyelashes fluttering.

Nian lie was worried about her. He touched her forehead and asked, " what's wrong? are you feeling unwell? " A headache?"

"Nian lie,"

He shuddered as she continued, "

"I had a dream."

what dream? " Nian Xi pursed his lips.

She didn't answer immediately. Instead, she slowly sat up and looked at him with empty eyes.

There was no hatred or love in those empty eyes. Instead, there was an indescribable feeling.

Nian lie's heart tightened.

However, ning Qing looked around and saw that the room was exactly the same as she remembered. Her vision was a blur.

His heart felt stuffy.

She endured her discomfort and forced a fake smile. it's nothing. I just had a nightmare.

What nightmare?

He had probably lied to her and made her marry another woman. She was so heartbroken that she jumped off the bridge, and the child in her stomach died.

After tossing and turning in bed, she came back to Xuxu.

As she thought about it, ning Qing felt that it seemed to be real.

Nian lie stared at her face, trying to figure out something.

Ning Qing lifted the blanket and was about to step on it with her bare feet when she realized that she was wearing a nightdress.

Her memory was in a mess.

He had a headache.

She closed her eyes sadly and pressed on her temple.

Nian Xi quickly caught her. headache? " I'll get someone to bring The Hangover soup."

Hangover soup?

In an instant, all the memories of last night came back to her.

She could no longer control her depressed mood. She went to the bar and asked Yu Shu to pick her up.

After that, he couldn't remember it clearly.

In short, she was brought back by him.

Cloud flame No. 1.

Ha. &Nbsp;

Ning Qing suddenly pushed his hand away as if she had touched something dirty. don't touch me!

Nian lie's hand froze in mid-air.

In his confusion, the woman's cold face entered his line of sight.

Ning Qing stared at him expressionlessly, her eyes full of sarcasm.

"I didn't expect Mr. Nian to be so hungry after three years."

Nian Jing frowned. what did you say? "

"We only have a superior-subordinate relationship. You took advantage of my drunkenness to bring me here, aren't you taking advantage of my difficulties?"

"....."

She sneered, " with Mr. Nian's current status, there should be a lot of women trying to get close to you. Why do you have to come to me? did you not sleep with me enough? "

That's right.

They had only been together that night.

"Ning Qing, I didn't!" Nian lie knew that she had misunderstood:

Ning Qing crossed her arms and kept her distance from him. Her expression was cold, and there was an undetectable anger in her voice. didn't you bring me here? "

Nian lie gritted his teeth. As he had not slept the entire night, his eyes gradually turned red.

He didn't answer. what are you doing at a bar? " he asked. is that a place a woman like you can go to? "

If he hadn't noticed where she went last night, he didn't know what would have happened to her when she was drunk!

Seeing that he was angry, ning Qing was not afraid and did not back down.

I have my own freedom. Where I go is my own business. What does this have to do with you, Mr. Nian?
”

“I won't allow it!”

Ning Qing smiled again, her meaning unclear.

“In what capacity do you forbid me?”

Chapter 337: Thank you for Mr. Nian's kindness (1:

The excited man was suddenly at a loss for words.

Ning Qing raised her chin. She could feel her body's condition and knew that nothing had happened last night. She just didn't want him to have a good time.

Looking at his angry face and the inexplicable emotions in his dark eyes, ning Qing's heart was calm, and she even wanted to laugh.

“If you can't answer, you don't have to force yourself. I'm not interested.”

After saying this, ning Qing walked in the direction of the bathroom.

It was as if he had done it tens of thousands of times.

Nian Xi locked her back. She stopped when she passed by the closet, opened it, took out a long black dress, and walked into the bathroom.

Not long after, the sound of water came from the bathroom.

His eyes changed unpredictably, and finally turned into a deep sigh.

When ning Qing came out of the shower, Nian lie looked at her bare face and said in a low voice, “
“Drink it.”

Ning Qing passed by him, turning a deaf ear.

Nian lie took a deep breath and blocked her way. He explained, “ “I only brought you back last night. Nothing else happened.”

Oh, ” ning Qing replied coldly. She did not seem happy with his answer.

It was as if his heart was stuffed with a ball of cotton, and he felt extremely uncomfortable.

He pulled her over and held her thin shoulders.

“What do you want me to do?”

He didn't do it, and he didn't do it either!

Ning Qing looked at his angry face, and her expression was calm and emotionless. I don't want you to do anything. But you.

"....."

"You took the liberty to bring me here, did you ask me?"

The man's eyes were red and he looked a little scary.

Ning Qing flicked her long, wet hair lazily. Nian lie, you're not asking me to thank you for what happened last night.

He was silent, only staring at her with those deep eyes.

Soon, the shackles on his shoulders disappeared.

Ning Qing didn't care about him. She looked around in the mirror for a while to make sure that there was nothing wrong and then left.

Nian lie remained silent.

He seemed to have no reason to keep her, and could only watch her leave.

The indescribable pain poured into his heart, causing his face to lose its color.

However, ning Qing came back at this time.

A ray of hope lit up in his eyes.

The woman bent down and picked up the bowl on the table.

The brown liquid was turbid and did not smell good.

Ning Qing only frowned and drank the whole glass in one gulp.

"It's awful."

She couldn't help but grumble. She raised her head and met Nian lie's complicated gaze.

So, she changed her words. it's awful, but thank you for your kindness, Mr. Nian.

She had some impression of what happened last night.

He had made her drink something, and when she woke up this morning, she did not have a headache.

In the past, she would always have a headache when she drank too much.

"....."

Nian Xi moved his pale lips, but didn't say anything.

"It's getting late, I'll be leaving first."

Ning Qing noticed the man's eyes suddenly darken and smiled sarcastically.

This time, he left without hesitation.

He opened the door and went downstairs.

Under the surprised gazes of the servants, she adjusted her collar and walked to the entrance.

Just as he opened the door, he saw Lu Zhui.

Lu Zhui didn't expect to see ning Qing at Yunyan No. 1 and was dumbfounded on the spot.

Ning Qing smiled calmly. assistant Lu, what's wrong with this cousin? "

Before she could finish, her gaze shifted behind him.

A timid face came into view.

Chapter 338: I wouldn't be surprised even if a man came to my door (1:

The smile on ning Qing's lips fell a little.

The woman's eyes were only the size of a palm, and her skin was abnormally white, so her eyes were black and bright, and the fear in them could be seen at a glance.

Although he was petite, his face was very familiar.

It turned out that he had not forgotten ning su.

He was even looking for her substitute outside.

"Who is this?" ning Qing asked, the emotion in her eyes fleeting.

The woman trembled and subconsciously hid behind Lu Zhui.

Lu Zhui shuddered. young Madam, don't misunderstand! She's only Yingluo, she's only Yingluo."

What was it?

Perhaps he was in a hurry and didn't know what to say for a while!

Ning Qing tilted her head and slowly retracted her gaze, landing it on Lu Zhui's face.

Before he could say anything, he heard footsteps behind him.

In the end, Nian lie couldn't hold it in and wanted to rush down to make her stay. However, he saw the scene at the entrance the moment he went downstairs.

He caught a glimpse of the woman behind Lu Zhui and panicked. He quickly walked over and grabbed ning Qing's hand. ning Qing!

Ning Qing turned her body to the side. Her emotionless expression was like a needle that pierced Nian lie's heart.

Seeing this, Lu Zhui quickly explained. young master, she said that she has something to tell you. I told you last night.

He did not expect to run into ning Qing as soon as he arrived with his men.

He hadn't been with Nian lie the night before, and only those who had gone to the bar with him knew that he had brought ning Qing back. Lu Zhui naturally didn't know.

Lu Zhui didn't think that he was wrong, but his words had a different meaning to others.

Ning Qing raised her eyes. ah, Mr. Nian, you're in such a good mood.

Nian lie's face turned pale. I didn't ask her to come!

"Yes."

Ning Qing nodded slightly. It was hard to tell if she believed him or not.

Mr. Nian, you don't have to hide it. With your current wealth, I wouldn't be surprised even if a man came to you on his own initiative, let alone a woman.

"Ning Qing!"

How could she understand his meaning like that?

Unfortunately, the woman did not seem to notice his anxiety. She covered her mouth and yawned. since you have guests, I won't block you two.

She waved her hand, but Nian lie didn't let go.

"Let go."

"....."

It was a little strange that they were blocking the door.

After a long time, ning Qing couldn't stand this kind of confrontation and was about to launch an attack when the woman's delicate and fragile voice rang out.

"I'm sorry," she said.

The woman behind Lu Zhui shifted two steps to the side. She seemed to be afraid and nervous. I'm here to thank Mr. Nian for saving my child and my life. Miss, please don't misunderstand.

As soon as he said this, ning Qing's struggling stopped.

After a while, she looked at the woman, who gave her a look of certainty.

Ning Qing pursed her lips. I don't care what happens between you two.

She turned around and raised her chin to look at Nian lie, who refused to let her go.

Mr. Nian, since you have something to discuss, let's not waste everyone's time. I still have to go back and draw up the design plan.

“.....”

Looking at her calm and cold face, Nian Jin couldn't tell if she was telling the truth or not, but the disgust in her eyes was the clearest.

His hand inexplicably lost its strength, and Ning Qing took the opportunity to break free. She left without even saying goodbye.

Defeat, regret, annoyance

All kinds of emotions rushed up, and finally turned into a deep sense of powerlessness.

Lu Zhui could feel Nian lie's emotional fluctuations and didn't dare to speak.

After standing there quietly for a while, Nian lie said indifferently, "

"Get lost," he said.

He walked dejectedly towards the living room. Lu Zhui didn't know whether to follow or not.

Mr. Nian! the woman behind him stuck her head out and mustered her courage to call out, " Mr. Nian, can you wait? "

The man stopped in his tracks.

The woman smiled. I'm here to thank you. Thank you for saving me and my daughter! Although I know I'm not of much use to you, I still want to thank you. If you need me in the future, I'll definitely ask for help."

"I don't need to."

A cold voice interrupted the woman's emotional speech.

Nian lie's cold eyes shot over, and his words could freeze people to death.

"I saved you because your face looks like someone important, not because of you."

The man turned around and left, completely ignoring the pale woman.

Chapter 339: Even if she had to bet on herself again, she would never let Nian lie off the hook (1:

Ning Qing said that she was going back to the company, but she turned around and went back to the Ning family.

When she entered the house, her parents were both there, including Yan Sichen, who had just arrived.

Ning Qing changed her shoes. father, mother, I'm home.

Father Ning nodded and Yan Sichen smiled at her gently. Qingqing.

brother Sichen, what are you doing here? " Ning Qing picked up the glass of water on the table and took a sip.

Yan Sichen glanced at father ning with a warm look in his eyes. my father got two pots of good tea a few days ago. He knew that uncle ning liked it, so he asked me to bring it over today.

Ning Qing glanced at the red gift box on the coffee table, then at father ning, who had a long face, and nodded thoughtfully.

"I heard from uncle ning that you spent the whole night working on the drawings in the office," Yan Sichen said casually with a faint smile in his eyes.

Ning Qing's grip on the cup tightened.

Before she went to the bar last night, she was afraid that they would be worried about her, so she lied.

Unexpectedly, she really didn't come back the whole night.

Ning Qing took another sip of water and mumbled an " mm " .

work is work. Your health is more important. Qingqing, don't work too hard.

"I know,"

"What do you know?" Mr. Ning suddenly interjected in a resentful and serious tone, " what kind of job do you have now that you have to work all night long? Your body is already weak, but you have to go through all this. Do you think that your father can't support you when he's old?"

Ning Qing was a little confused by his sudden anger. father, I didn't mean it that way.

"Then quit your current job and go home to recuperate!"

It was clearly words of concern, but her tone was so aggressive that it didn't feel good.

In the kitchen, mother ning heard him and shouted, " ning chengfeng, what are you angry about again? "

Seeing father ning's expression change again and again, Yan Sichen tried to calm him down. uncle ning, don't be angry. Qingqing knows what to do about this kind of thing.

Father ning clenched his fist and pressed it against his thigh. His back was straight and he pursed his lips without saying a word. However, ning Qing could still see his hesitant look.

She didn't feel good.

Her long eyelashes drooped, covering the surging emotions in her eyes.

"This is what I want to do, dad."

"You can choose not to like it, and I do not ask for your support, but I just want to do this. Please do not stop me."

Yan Sichen's hand that was consoling father ning froze, and his brown eyes darkened.

Father ning's eyes widened in anger. you're always so stubborn and disobedient! If we encounter those things again in the future, ran ran "

"I will bear the consequences myself."

Her simple words made father ning shut up.

Silence spread.

The sound of cooking could be heard clearly in the kitchen.

After a while, ning Qing restrained her stubbornness and determination. I'm a little tired. I'll go upstairs and rest first. You don't have to wait for me to eat.

She put down the cup, turned around, and went upstairs.

After she returned to her bedroom, ning Qing locked the door before she laid down on her bed with her face facing the duvet.

Everyone must have known about the news yesterday. That was why her father was telling her these hidden words.

But she had to do this.

The hatred that could not be released had tortured her day and night and supported her to this day.

Even if she had to bet on herself again, she would never let Nian lie and those people off!

But [dad, mom]

Her father's envious but helpless look reappeared in her mind.

His heart was twisted into a ball.

"Swish-"

There was a knock on the door.

Ning Qing took a deep breath, wiped the tears from the corners of her eyes, and propped herself up to open the door.

"I said I'm tired ..."

"Qing Qing, it's me."

The man's calm and gentle voice was as melodious as a violin.

Chapter 340: I've always loved you, Qingqing (1:

Ning Qing looked behind him. Her parents were not there, and she heaved a sigh of relief.

Yan Sichen did not know whether to laugh or cry. uncle went to the kitchen to help Auntie. You don't have to be so wary of me.

Only then did ning Qing open the door to let him in.

After looking around the bedroom, Yan Sichen pulled the chair in front of the dressing table and sat down.

"Did you talk to my parents about yesterday's incident?" Ning Qing asked directly as she sat on the edge of the bed.

Yan Sichen paused and smiled. Uncle and Auntie saw the news yesterday. They were afraid that you wouldn't tell them even if they asked you. That's why they asked me to come.

Ning Qing frowned. What did you tell them? "

The woman's eyebrows were delicate, and she was still beautiful even without makeup.

However, the suspicion and coldness on her face stung Yan Sichen's eyes.

His words suddenly became obscure.

"Qingqing, what do you think I'll tell Uncle Ning and Aunt Ning?"

Ning Qing did not answer.

She pursed her red lips and didn't notice the man's dejection. She said slowly, "Brother Sichen, I know that you care about me as much as my parents do. You care about my safety. But there are some things I have to do.

"....."

Her heart was entangled by an obsession.

His eyes were clear and determined.

Only by completing these things can I truly live.

Yan Sichen's pupils contracted fiercely because of her words, and his heart ached.

Of course, he knew that she couldn't let go of her painful past, but he didn't expect that his hatred was so deep that it was on par with her life!

Yan Sichen's lips trembled and his expression was dark.

"Qingqing, you can't think of Zhenzhen that way."

Ning Qing's eyes flickered, and pain and despair rushed to him at that moment.

His heart suddenly ached, and he had a bad feeling. He stood up anxiously and rushed to her.

"You can't do this! Have you forgotten how long Uncle and Auntie were sad? You can't leave them again, and you can't leave Yingying."

"I won't."

Ning Qing's voice was not loud, but his next words were stuck in his throat.

She raised her neck, and her slightly messy hair stuck to the side of her face, making her face look even smaller and paler.

She slowly stood up. Although her eyes were light, there was no longer a trace of sadness.

brother Sichen, I was deceived and humiliated three years ago. I was fooled by them like a fool. I was stupid back then, so I didn't deserve to be loved. But now, I'm no longer the same person as I was three years ago.

She finally understood that if she were to blindly give in, she would only be deceived by others again and again!

However, if she became the person who "lied" to others, she would never be hurt by anyone again.

A great panic attacked his heart.

Yan Sichen looked at the woman in front of him and shook his head unconsciously.

The next second, he suddenly held Ning Qing's hand, his eyes filled with deep affection and heartache.

Qingqing, you're never the one in the wrong. It's them, Zhenzhen. Don't blame yourself and don't torture yourself. It's not worth it for him!

The temperature on his hand was scorching.

In front of her, even though the man's eyes were red from heartache, he still looked at her gently.

Ning Qing's heart skipped a beat.

"It's not that you don't deserve to be loved. Someone has always loved you. It's me, Qingqing," the man blurted out.

It's the same me who was moved by you the first time I saw you.

It's the me who has been thinking about you for the past ten years.

It's me who watched you fall in love with someone else and get hurt by someone else, but I'm helpless!

The man's feelings that he had been holding back for many years had finally exploded.

He was so hot-headed that he couldn't see her face clearly, so he pulled her into his arms.

His voice trembled involuntarily, and his body revealed endless panic and anticipation.

While rejoicing, he humbly said, "

"Qing Qing, can you stop doing those things? Leave him and come to me. I've been waiting for you, do you know that?"
