

## Mr Nian 381

### [Chapter 381](#)

381 I tried my best not to hate you, but I was just trying my best (1:

“Nian lie!”

Ning Qing pounced on him in a panic and tried to touch his face, but she was stopped by a big palm.

Nian lie lay on the ground and coughed. I’m fine.

Ning Qing’s lips trembled. can you move? ”

He paused for two seconds and let out a “hmm” from his nose.

Ning Qing bent down to help him up and leaned against a big tree. wait a minute, I’ll go and see if there’s any medicine.

Nian lie grabbed her hand and stopped her.

He had difficulty breathing and tried to pull her away, but she didn’t budge.

“There’s no more medicine. Sit down,” he said.

Ning Qing pursed her lips tightly. I don’t believe you. I’ll go and look for it.

“I packed my bag. You don’t believe me.”

She was about to leave when she froze on the spot.

Nian lie’s strength quickly faded. He wanted to pull ning Qing, but he could not muster any strength.

He tugged at the corner of his lips. ning Qing, I’m a little cold. Come sit here.

The woman stood there without moving.

Nian Xi raised his head, his eyes half closed, and a thin layer of sweat seeped out of his forehead.

He coughed again. ning Qing, can you sit down? ”

Ning Qing snapped out of her daze and looked down at him. His tone was very light, with a hint of weakness and humbleness.

“.....”

She just looked at him and broke free from his hand, watching the dark light in his eyes fall.

She turned around, picked up the thin blanket on the ground, and covered him with it.

Nian lie suddenly laughed. She lowered her body and sat beside him.

He lowered his head and rested it on her thin shoulder.

“Nian lie!” Ning Qing frowned.

“Let me lean on you for a while.”

Ning Qing did not push him away. you were bitten by a venomous snake. You just need to suck out the venomous blood? ” she asked.

Nian lie leaned on her shoulder. There was an inexplicable relaxed smile on his lips, as if he was very happy at that moment.

“Yes.”

Ning Qing did not speak for a long time.

A cool breeze blew through the mountains, the shadows of the trees rustled, and the chirping of insects continued.

Nian lie raised his hand with great difficulty and put the blanket on his body around ning Qing’s shoulder.

“What are you doing?”

He smiled gently. it’s very cold. You can’t catch a cold.

His words were also filled with rare warmth.

However, upon closer inspection, his skin was pale white and blue.

She had saved her just now. Otherwise, she would have been the one bitten.

Ning Qing tried her best to control the fluctuations in her heart. She did not push him away, nor did she think too much about it. I’m fine. You can sleep.

“Ning Qing,”

“Yes.”

“Qing Qing.”

“Yingluo, yes.”

Nian Yun laughed in a daze. The burning pain from the bite wound followed the blood flow and numbed his entire right arm.

His eyes passed through the forest and saw the light on the horizon, as well as the girl in the white dress with-gentle and moving smile buried in the depths of his memory.

“Ah ning,” he muttered.

Ning Tingting understood. A trace of emotion flashed through his eyes, but it quickly returned to calmness.

“Qingqing, have you made up your mind?” he asked.

He had just asked this question before he went to sleep.

Ning Qing did not answer. He changed the question. after these days of getting along, ning Qing, can you tell me the truth? do you still hate me as much as you did before? ”

“.....”

so many days have passed. You’ve finally shown some real emotions when you face me.

He looked up and found that his vision was blurry and he could not see her expression clearly.

His mind was empty, as if nothing was important anymore.

“Do you still hate me?” he asked stubbornly.

“I’m trying my best.”

Nian lie’s eyes flickered, and his pale lips moved. what did Hanhan say? ”

“I’ll try my best not to hate.”

He was just trying his best.

382 Locking her up for the rest of her life (1:

In the dark, ning Qing’s side profile was cold and charming. The expression on her face was very deep and could not be seen clearly.

Nian Xi closed his eyes. He didn’t know if he should be glad that she was being honest or feel bad that she still hadn’t forgiven him.

He didn’t have the energy to think deeply about it. He moved his stiff body. that’s enough.

Ning Qing felt that something was wrong with him. She looked down at him. are you sure ran ran is fine?  
”

The corners of Nian lie’s lips twitched. His smile was rather ostentatious. Instead of answering, he asked,  
” if something happened to me, would you feel bad? ”

In what way did he look uncomfortable?

Ning Qing looked away and suppressed the worry in her heart.

Nian lie didn’t know what she was thinking. He turned his body to the side and realized that he could barely move. He took two deep breaths in frustration and said to ning Qing, ” Oh, right. There’s something in my pocket. Help me take it out.

Hearing the word ” pocket “, ning Qing subconsciously rejected the intimacy. you don’t have hands? ”  
Don’t you know how to get it yourself?”

It was just a matter of stretching out one hand.

Nian lie's eyes darkened. At this moment, he couldn't care less about his usual aloofness and aloofness. He said gently, "at least I helped you get bitten once. I asked you to help me carry my things. Did I wrong you?"

"....."

"Forget it, I'll do it myself."

He tried to get up, but ning Qing grabbed his shoulder.

Then, her hand went into his pocket and touched the velvet box.

"Take it out," Nian lie ordered.

Ning Qing pulled her hand out. The red velvet was like a ray of light in the dark forest.

Nian lie narrowed his eyes, cold sweat breaking out on his forehead.

"Grandpa gave it to me. Open it and take: look.: He tried to steady his breathing.

Ning Qing obediently opened the lid, and the silver light reflected in their eyes.

It was a bracelet, silver in color, as wide as a little finger, with a heart shape in the middle. There were diamonds around it, and in the middle of the heart was a lock.

Ning Qing and Nian lie's eyes lit up.

Ning Qing had not expected it to be a bracelet. As a jewelry designer, she reached out and took out such a novel and eye-catching design.

Something fell on the blanket by her feet as she moved.

Ning Qing picked it up and saw that it was a silver key in the shape of a heart, decorated with broken diamonds.

The texture was warm, cool, smooth, and felt expensive.

She paused, took the key, tried to insert it into the lock of the bracelet, and twisted it.

The lock opened.

Ning Qing smiled in surprise.

She had never seen such a design before. Also, the bracelet was more like a bracelet than a bracelet. The design of the lock seemed to be based on one thing-handcuffs.

Did this mean that she had to lock the person firmly by her side? without the permission of the person holding the key, the person wearing this bracelet couldn't open the shackles of love? Was this what he meant?

In her daze, the slight sound of a lock falling woke ning Qing up.

When she looked at it, the bracelet and key were no longer there.

Ning Qing panicked. where's the thing? "

As soon as she finished speaking, she felt a heavy feeling on her wrist.

The bracelet was firmly fastened on her left wrist.

Ning Qing squinted and met the man's smiling eyes.

"Give me the key," she said coldly.

Nian lie's eyes were filled with liveliness from his smile, and he didn't seem to fit in with the night.

"No," he said directly.

Ning Qing stood up abruptly, her face cold. don't think that I've accepted you just because I'm nice to you, Nian lie. Let me tell you, even if you had your own reasons for what you've done in the past, it shouldn't be borne by me and our child!

"....."

I won't forgive you so easily, so don't do such a meaningless thing!

### [Chapter 383](#)

383 I won't forgive you even if you die (high abuse)\_1

Without ning Qing's support, Nian Ying's limp body could only lean against the big tree behind him. He wanted to move, but he had no strength.

The her in front of him was suddenly far and then near.

It was as if there was an electric current running through his body, continuously and slowly torturing him. It was so painful that his limbs twitched slightly, but other than his pale face, there was nothing else.

"Have you forgotten what Grandpa told us?"

Nian lie's face turned serious. His words were quiet, but they carried a strong penetrating power.

"Ning Qing, why do you think grandfather gave us this gift?"

Ning Qing gritted her teeth. I don't know, and I don't want to know!

Seeing how stubborn she was and how she refused to listen to him, Nian lie tried his best to breathe. He felt that the oxygen was getting less and less, and his face was gradually turning purple.

I don't care what Grandpa told you. A gift is just a gift. Don't try to use him to pressure me. Give me the key!

Ning Qing said angrily, but the man did not respond.

Only then did she look up. Nian lie's entire body was limp, and his eyes were tightly shut as if he had lost all life.

Ning Qing's eyes widened in surprise. Nian lie!

She rushed forward and looked at the man who seemed to have fallen asleep peacefully. His pale face and the sweat on his forehead could no longer lie to anyone!

He was poisoned!

This knowledge rushed into ning Qing's mind, like a heavy hammer pounding on her heart.

"Nian lie, stop acting. Give me the keys, and I'll let you off today."

The man did not move.

Ning Qing's eyes were wide open, and her anger and hatred were boiling.

"I didn't ask you to save me. You can leave me alone, but why did you bring me along? Who needs you to save me!"

She questioned fiercely, her eyes turning red.

"The first half of my life has been ruined by you. My sister, my child, my ridiculous love, everything has been ruined! You always act as if nothing had happened, as if you're telling me that I'm the only one who will remember those things, that I'm the only one who will remember the pain! Why? why are you living so well?"

"....."

She looked at the bracelet with confusion in her eyes. She felt that it was like a chain, a mark that he stubbornly and fearfully wanted to leave on her for a lifetime!

Ning Qing tugged at the bracelet, her eyes burning with sorrow, pain, and hatred. you want to lock me up for the rest of my life? I'm telling you, Nian lie, don't even think about it!"

Her tears quickly gathered in her eyes.

"Where's the key? Give me the key!"

She pulled the blanket off him in a hurry and grabbed his hand, thinking that the key was in his hand.

In the hazy shimmer of tears, the two bite marks on the back of the man's hand had changed.

The back of his hand was horrifyingly swollen, as if it was filled with air. The blood vessels around the bite marks were purple, and they were bulging on the back of his hand like coral reefs.

Ning Qing's hands froze. how could this be, ran ran? "

She grabbed the man's collar and looked at him like he was already dead. you're lying to me, aren't you? You want to use this opportunity to ask me to forgive you? I'm telling you, it's impossible! Even if you die, I will never forgive you!"

In the quiet forest, the woman's heart-wrenching screams echoed.

Ning Qing's limbs went weak, and she knelt on the ground with a thud.

She covered her face with her hands, and tears of sorrow flowed freely through the gaps of her fingers.

A cold wind blew past, carrying away her cries, which echoed in the sky above the entire Valley.

Grief and despair.

Under the tree, the handsome man closed his eyes tightly. It was even quieter than the night, as if he was really dead.

#### [Chapter 384](#)

384 The lock that fell is destined (1:

—

In the morning, layers of fog filled the air, and a ray of light shot out of the thick clouds, sprinkling a little light on the human world.

The sound of footsteps and voices grew louder and louder in the quiet forest.

Lu Zhui and a group of people were walking at the very front.

Nian che and Yan Sichen were in the middle of the group. After the chase for the second half of the night, they had already discovered ning Qing and Nian lie's tracks and were doing their best to search for them.

Yan Sichen stood behind Nian che, fatigue etched on his face. He no longer had his usual gentleness.

"Are you sure they took this path?" he asked.

Nian che jumped over the puddle of water. The smile on his handsome face was gone, and his stern look was even more similar to his elder brother's.

"What else? Our search team is a professional, there won't be any mistakes."

Yan Sichen's eyebrows furrowed and he did not say anything else.

second young master! Lu Zhui shouted. we found him!

Nian che and Yan Sichen's backs tensed up and they rushed over.

However, as soon as they arrived, they saw a scene that they would never forget for the rest of their lives!

There was only a glimmer of light at the edge of the sky.

The thin woman was covered in mud, and it was difficult for her to walk. Her body was hunched, and her slender waist was folded to a terrifying extent.

And on her back, she was carrying the man whose life and death were unknown!

That person was Nian lie!

The woman did not seem to have any intention of stopping when she heard the sound.

Her steps were very small, and her body was swaying as if she would fall at any moment!

But just when you thought she was going to fall, she steadied herself with extremely terrifying willpower. Her hands held the man's arms tightly in front of her chest, and step by step, she crossed the difficult obstacles.

"....."

Everyone was shocked.

Ning Qing was carrying the man on her back. The man's back feet dangled on the ground, leaving a trail of marks. It was more difficult for her to move forward, but she was unaware of it. She was like a machine, carrying him and walking non-stop.

Until she bumped into someone's chest.

She raised her head mechanically, her eyes listless and her expression dazed.

Nian che couldn't hold his expression any longer. His facial features were tearing and swelling violently, but he couldn't express his thoughts at that moment.

He called out to her in a hoarse voice, afraid to disturb her, "ning Qing, Qianqian."

At that moment, the woman's eyes were filled with color.

The darkness faded, and a deep red color crept up her eyes.

"Is it Xuanji and Nian che?" she asked carefully.

Nian Che's heart felt as if it had been struck by something. It was extremely painful. it's me, Huahua.

Ning Qing looked at him with tears in her eyes. She smiled as if she had been relieved of a burden. you're finally here.

He grabbed her arm and used all his strength to support her. He roared behind him. why aren't you guys coming to help?!

With a single command, everyone rushed over as if their seals had been lifted.

The person on his back was pulled down by Lu Zhui. They were carrying Nian lie on their backs. Lu Zhui was burning with anxiety. what happened to young master? "

he was bitten by a snake. He's been poisoned, " ning Qing said with much difficulty. She borrowed Nian Che's strength.

Nian Che's eyes widened in shock, " snake venom? "

Ning Qing did not say anything.

Lu Zhui was so anxious that he was about to stomp his feet. How long have you been poisoned?"

Ning Qing's eyes narrowed and she shook her head.

Lu Zhui wanted to ask more but was interrupted by Yan Sichen. can't you see that she's very tired? If you want to save someone, then hurry up and save them, don't waste time!"

Only then did Lu Zhui hurriedly order his men to carry Nian lie away.

When he left, something slipped out of the man's pocket and fell into a crack in the stone. No one noticed it.

Nian che steadied ning Qing's body, his eyes red. how are you? "

Ning Qing was stunned, and she did not know where she was looking.

Before Nian che could say anything, she closed her eyes and fell into his arms.

### [Chapter 385](#)

385 Back to Ying city (1:

Ying city.

At Jia Hua hospital.

A woman was lying quietly on the bed in the ward.

The doctor said the diagnosis. When the words " over-fatigue, emotional overreaction, mental breakdown " fell into the man's ears, his expression almost went out of control.

After giving his instructions, the doctor left with the nurse. After a while, the door to the ward opened.

Ning Xi's parents rushed in and saw the unconscious woman on the bed. Ning Xi's mother almost cried out.

"Qing Qing? Qing Qing!" Mother ning rushed to the bed. She was anxious but dared not touch her. Si Chen, what's wrong with Qing Qing? "

Yan Sichen didn't intend to hide it from them. After all, there had been rumors in the outside world that ning Qing and Nian lie had disappeared at the same time. No one knew where they were. Some people even said that they had eloped.

"Aunt ning, uncle ning, Qingqing Qianqian and Nian lie were hunted down and fell off a cliff in Haicheng."

"Falling off the cliff?" Ning Qing's mother looked at him in shock. what cliff? Wasn't she hidden away by Nian lie?"

Yan Sichen's face was solemn. He did not blame Nian lie for this. Instead, he spoke the truth. no, I don't think it has anything to do with him."

He's so injured, and it's unknown if he's still alive.

If he was really the one who had done all of that, with his meticulous and terrifying mind, how could he have allowed such a small mistake to happen?

The most likely possibility was that Nian lie's enemies wanted to kill him, and in the end, they implicated ning Qing, who had been with him at that time.

Mr. Ning glanced at the woman on the bed, his eyes full of worry. how's Qingqing's injury? what did the doctor say? is it serious? "

there are some bruises and abrasions on her body. She's very tired and needs to rest during this period of time. Other than that, there's nothing else.

Mr. Ning frowned and nodded. He touched his body and realized that he was in a Ward, so he gave up.

Mother ning looked at the unconscious ning Qing and was on the verge of tears. why is our Qingqing's life so hard? she's only been back for a short time and she's already met with such a terrible thing!

She suddenly stood up, her eyes filled with anger. this Nian lie really has evil intentions. Does he not want to see her well just because he knows that Qingqing is still alive? is he only willing to see her dead? "

"....."

"I'm going to ask him if he'll only be happy if he forces our daughter to her death!"

After she finished speaking, she rushed out of the room. However, she was pulled back by father ning. we haven't figured out the situation yet. What are you doing? " he scolded.

"What do you mean? Nothing good ever happens to your daughter when she meets him. Have you forgotten who was the one who separated Qingqing from us for three years?"

Mother ning's tearful accusation made father ning instantly stop breathing.

Yan Sichen looked at the two of them in a stalemate and felt a headache coming on. Auntie, uncle ning is right. We haven't gotten to the bottom of the matter yet, so don't be rash.

"This is related to my daughter's life and death, how can I not be anxious?"

Mother ning glared at the two people in front of her, her voice hoarse.

"You should have seen clearly what kind of person he is five years ago! What chase and falling off the cliff, it's most likely just his tricks, and you're still being deceived by him!"

"....."

At the mention of what happened five years ago, both father ning and Yan Sichen's expressions changed.

Father ning pulled a long face and had a strange expression on his face. why are you talking about the past out of the blue? "

Mother ning was angry and resentful. if you hadn't made that decision, would our Qingqing have encountered those things? You!!!"

Just as she was about to say something even more shocking, the woman on the bed frowned and mumbled, " mom.

Their conversation was forced to an end.

Yan Sichen was the first to react and rushed over happily. Qingqing, you're awake. How do you feel? " Do you feel uncomfortable anywhere?"

### [Chapter 386](#)

386 How is Nian lie?(1:

Mother ning wiped the tears off her face and came over. Qingqing, I'm here!

Ning Qing's entire body ached and she had a terrible headache.

Ning Qing's mother held her hand tightly and did not let go. She looked like she was about to cry again.

Seeing that she didn't say anything, father ning said, "I'll call the doctor." Then he rushed out of the ward.

When the doctor came over and finished his examination, he said that there were no major problems and that he would be fine after a good rest.

The doctor left again, leaving the family and Yan Sichen behind.

Ning Qing took the water that Yan Sichen handed to her, thanked him in a low voice, and took a few sips.

Ning Xi's mother sat beside her and patted her on the back. drink slowly. Don't choke.

Ning Qing nodded and returned the cup to Yan Sichen.

Mrs. Ning could not hide her heartache. She looked at her daughter from head to toe and said, " Qingqing, I heard from Si Chen that you and Nian lie had an accident this time. What happened? how did you get into an accident with him? "

At the mention of a certain person, ning Qing's memory went back to the time before she fainted.

She couldn't remember anything else. She only knew that when she carried him, the heavy feeling was so heavy that it could crush someone to death, and the battle in her heart.

After she had vented her emotions, she had jumped between saving him and not saving him.

Now, she was lying on the hospital bed safe and sound.

"Qing Qing? Why are you in a daze? do you feel uncomfortable?" Mother ning's concern pulled ning Qing back from her thoughts.

She shook her head, her expression calm and distant.

dad, mom, I've told you before that I'm going to Haicheng to supervise the production of the sample of my design. He happened to be on a business trip in Haicheng and happened to meet me. I was about to tell him about my current thoughts, but I ended up being hunted down.

These words were half true and half false.

Ning Qing knew, but her parents did not.

Father ning's expression was very serious. you don't know how to resist when you're being hunted down? If he's on a business trip, he won't bring anyone with him?"

Her lie was about to be exposed. Ning Qing took a light breath and moved her sore body. She said calmly, " at that time, I just wanted to find a quiet place to talk. We didn't expect anything to happen.

"....."

When Yan Sichen heard this, he glanced at ning Qing and did not say anything.

Ning Qing's heart was lifted.

Fortunately, father ning did not ask any more questions. Only mother ning did not understand what was going on. She held ning Qing's hand tightly and said, " only his enemies can hunt him down. Our Qingqing has only been back for a short time. I think he must be up to no good!

Mr. Ning didn't like it when she talked about Nian lie like that. what are you saying? "

"The truth! Nothing good ever happens to Qingqing when she meets him!"

"You're so silly!"

Ning Qing held her forehead, feeling a little uncomfortable.

At this time, Yan Sichen stood up and said, " uncle ning, aunt ning, let's not talk about these things. Qingqing needs to rest. Let her sleep for a while.

The two of them stopped quarreling, and the room fell silent.

In the afternoon, mother ning went to order food for ning Qing while father ning went to find the doctor, leaving Yan Sichen to accompany ning Qing.

"If you're tired, you can sleep a little longer." Yan Sichen said gently.

Ning Qing leaned against the headboard and shook her head in refusal.

"....."

The surroundings were silent, and the sound of the news broadcast came from the television.

The atmosphere was a little tense.

Strictly speaking, this was the first time the two of them were officially alone since Yan Sichen confessed to her.

Yan Sichen's heart ached when he saw the woman's pale face.

He really could not forget the scene he saw in the forest!

She was so thin and weak, but she was carrying a man who weighed dozens of kilograms and dragging him forward as if she didn't care about her life!

Yan Sichen panicked at the thought of that scene. Qingqing! he called out to her before he could think.

"How is he?"

Ning Qing's simple words stopped him from continuing.

Yan Sichen's facial features froze. who is Qingqing asking about? ”

“.....”

Ning Qing's eyes moved over and fell on him. She was so calm that there was no fluctuation.

However, such a gaze made Yan Sichen's heart even more confused.

His fingertips trembled. To hide it, he forced a smile. are you asking about Nian lie? ” You're still concerned about him?”

### [Chapter 387](#)

387 He saved me (1:

The meaning of this question was not good.

Ning Qing could not help but frown. I just want to ask about his current situation.

“.....”

She stared at Yan Sichen and asked calmly, ” is he still alive? ”

Even though she was acting so cold, Yan Sichen still felt that he could see concern in her eyes!

He clenched his fists on his thighs and clenched his jaw.

his brother and Lu Zhui took him away yesterday. No one knows about his current situation. If you're concerned, you can call him and ask him yourself.

“.....”

“I think, if he knew that you still care about him, he would tell you everything he knows!”

These words had the meaning of venting his anger.

Ning ting could sense his displeasure. She looked up and saw the man's angry face.

The expression in her eyes settled down and became a touch of emotion so thick that it was unclear.

“I'm not concerned about him,” she explained with a frown:

if you're not concerned, then the first thing you ask me is about him and not yourself? ”

Yan Sichen's voice was raised, and his calm facial features were a little out of control.

“Qing Qing, you can only see him now. What about me? Do you know how worried and scared I was when I found out that you had an accident with him after you disappeared for so many days?”

He was afraid that something would really happen to her when she finally returned to his side!

He was afraid that she would never come back!

He was afraid that she would continue to be entangled with him because of a few words from that man!

Yan Sichen's chest seemed to be on fire and the burning pain was indescribable.

from the first day I found out you were missing, I didn't know what to do and had to hide it from uncle ning and aunt ning. I was afraid they would know that I had been looking for you on that mountain all day. I was afraid that something would happen to you. I ran away.

The man's words were cut off and his eyes turned red.

He told her his feelings so intensely, and she touched his heart, causing him unspeakable pain!

That man had hurt her thousands of times, but she still cared about him!

Yan Sichen suddenly stood up, not knowing what to say.

He knew that he was too emotional, but he could not control himself.

This was the first time he had been so at a loss in front of ning Qing!

"....."

Of course, ning Qing was also shocked.

She didn't expect Yan Sichen to have such a strong reaction to her words and didn't know where to start.

Yan Sichen's back was facing ning Qing as his brown eyes looked out of the window, trying his best to suppress his pain and anger.

After a short ten seconds, he returned to his usual gentleness and his face was calm.

"I'm sorry, I'm in a bad mood."

Ning Qing looked at him with a complicated expression.

"You should rest first, I'll come back later."

He walked towards the door.

He knew that he wouldn't be able to wait for her to ask him to stay and explain, but the disappointment in his heart still surged up like a tide.

"He saved me."

A gentle female voice sounded.

The gloominess in Yan Sichen's eyes hadn't disappeared yet when he heard this and stopped in his tracks.

Ning Qing leaned on the bed, her face pale and bloodless. Her eyes were clear and bright like water, and one could not help but take a second look.

She stared at the man in white and black pants. that snake was going to bite me, " she continued calmly. if it wasn't for him, I might not have had the chance to come back alive.

Yan Sichen's hands were hanging by his side. If one looked closely, they were trembling slightly.

Ning Qing's eyelashes drooped, casting a dark shadow on her eyes.

I do hate him. I really want to take revenge. When I was in the forest, I also thought of leaving him there and letting him die just like that. Brother Sichen, I really did.

She wanted him to die in the forest from the poison.

That way, she wouldn't have to think about revenge anymore.

"....."

Yan Sichen moved his lips, but his throat seemed to be stuck and he couldn't make a sound.

### [Chapter 388](#)

388 I never wanted him to die (1:

Ning Qing lowered her head and glanced at the door, paying attention to the man's every move.

when we were being hunted down, he was the only one dealing with the other party and getting beaten up. After we accidentally fell off the cliff, we were saved by our grandfather and mother-in-law in the mountains. He was covered in wounds, while I was almost unharmed except for some minor abrasions.

Yan Sichen clenched his hands into fists. and then? "

"From the beginning to the end, he was the one who protected me," ning Qing raised her head and said, resigned to fate.

"....."

"I just wanted him to experience the pain I suffered back then. Otherwise, I'll let myself down, and I'll let all of you down even more! But, brother Sichen, Wanwan ..."

Ning Qing's gaze on his back became more and more obscure, with a tangled pain and endless helplessness.

"I didn't want him to die,"

As soon as she said this, she felt as if a heavy burden had been lifted off her shoulders. Her entire body went limp, and she didn't have any extra strength to support herself.

Yan Sichen's eyes were filled with pain. The sharp pain in his left heart had drained all the strength in his body and he almost couldn't stand still!

"Brother Sichen, Wanwan."

"Don't say anymore."

Yan Sichen's tall body stiffened, and his lowered eyes were filled with deep pain that spread through his body.

His face was pale, and his lips trembled.

Ning Qing's eyes were watery. I'm sorry.

“.....”

Yan Sichen used all his strength to restrain the crazy pain. After taking a deep breath, he turned around and looked at the woman on the bed.

“Qingqing, I don’t need you to apologize to me,” he said:

He had never wanted to hear her say that.

However, the woman’s expression became flustered under his gaze, and she didn’t even dare to look him in the eye.

“Brother Sichen, I Can’t Give You Anything other than sorry.”

Another sword ruthlessly pierced his heart.

“Can’t you try to accept me?” Yan Sichen’s face turned pale at a speed that was visible to the naked eye.

“I’m sorry, I can’t lie to you.”

The light in Yan Sichen’s eyes was completely extinguished.

Ning Qing could not bear to look away. She hardened her heart and said, “ brother Sichen, what I said that day was not a perfunctory thing, and I was not joking. I am very serious. I am very grateful for your care and help since I was young, but that has nothing to do with love. I don’t want to lie to you, and I don’t want to lie to myself.

Yan Sichen looked at her face without blinking. She was clearly so beautiful and moving in his memory, but she was saying such heart-wrenching words.

The panic and sorrow in his heart twisted into a ball, and the words that came out of his mouth were lowly, which he had never thought of.

“What if I’d rather you lie to me?” he asked.

Ning Qing clenched her fists. I can’t do it.

“.....”

to me, you’re like a family member. I don’t dare to and can’t put you in the category of my lover. Besides, I’ve long lost all hope for love. Her last words were filled with bitterness and numbness.

For a long time, no one spoke.

When the door was pushed open, mother ning came in with a tray of food. Seeing that something was wrong with the two of them, she asked tentatively, “ what’s wrong? why do you both look so pale? ”

Ning Qing returned to her senses. nothing.

“What is this child doing standing there!”

Mother ning walked past Yan Sichen. He still only had ning Qing in his eyes. it’s alright, Qingqing. I can wait.

Until you're willing to accept me.

Ning Qing froze. When she looked up, the man had already left without a word.

The apologetic feeling in her heart swelled, and her eyes flickered.

I'm sorry, brother Sichen.

If he had not expressed his feelings for her so intensely today, perhaps she would not have realized it.

It was because of his stubbornness and sincerity that she could not turn a blind eye to it.

However, ning Qing did not need any love now.

She wasn't worthy of him and couldn't give him any response. How could she delay the rest of his life?

So, she could only use this method to cruelly cut off his hope. However, he was stunned.

"Qing Qing, what's wrong with you and Si Chen? Quarreling?"

Facing mother ning's confusion, ning Qing did not say anything. She only shook her head and closed her eyes tiredly.

On his wrist, the bracelet was shining with a silver luster.

389 He was busy trying to distance himself from her (1:

my President went abroad for a business trip and just returned yesterday. The news about him falling off the cliff is completely false, not to mention that he disappeared with the company's employees. Please don't make wild guesses and lead the way.

A huge crowd of reporters crowded at the entrance of Nian Corporation. As soon as Lu Zhui finished speaking, the scene started to stir again.

why didn't the international news report about Mr. Nian's accident? "

the stock price of the Nian Corporation has been falling recently. Experts say that it's because of Mr. Nian's personal style. What do you think of this, Mr. Nian? "

someone took photos of Mr. Nian and his ex-wife. Why did you deny it? "

I heard that you've hired your ex-wife to be the leader of the Nian corporation's new expansion. People in the industry say that you're trying to win her back. Is that true? "

"....."

In the crowd, the cold man of few words did not speak. His thin lips were pursed into a straight line.

Lu Zhui wanted to do everything he could to stop the reporters. He turned around and said to Nian lie, " young master, you can leave first. I'll handle the rest!

Nian lie didn't move. Among his many questions, he caught a certain voice.

He turned around, his brows frosty. what did you ask just now? ”

The reporter who was stared at by him looked a little embarrassed, but he still gathered his courage and said, ” someone took a photo of you and your ex-wife before you disappeared. It’s not a groundless rumor that you and your ex-wife disappeared together. How do you explain this? ”

“.....”

Nian lie’s eyes were light and deep, making people unable to see through him.

Lu Zhui interrupted him with a cold expression. our president’s whereabouts have always been a secret. You casually said that you want to defame us just because you have a photo. Which company are you from? ” What intentions?”

The reporter looked at the cold-faced person and his expression began to show uncontrollably fear.

Just as he didn’t know what to say, Nian lie suddenly said, ” not everyone can lead the way. It’s best not to make public reports that don’t match the facts.

After saying that, he strode away with his long legs under the gazes of the reporters.

“.....”

Mother ning had just finished washing the apples when she saw ning Qing staring at the TV screen with an indifferent expression.

Seeing the familiar figure, Mrs ning rushed over. why are you reading all this news? don’t you know how to rest? ”

As soon as he finished, the TV screen flashed and was turned off.

Ning Qing lowered her eyes for a moment, then looked up again. nothing, I’m just looking around.

“I’m just looking around. Why are you looking at him?”

Mother ning couldn’t control her mouth, and she was even more upset by her daughter’s concern for Nian lie.

he doesn’t even have the courage to admit that he was involved in the accident with you. He’s busy trying to cut ties with you, and you’re still letting him suffer? ”

Naturally, she did not know what had happened to ning Qing and Nian lie in the valley, nor did she know what shocking things her daughter had done to keep him alive.

Ning Qing looked at her mother’s unhappy expression. mother, I’m a public figure now. The public is watching my every move. I don’t just represent myself, but also the HE family behind me. I’m just paying attention to him to see if he’ll say anything bad about me.

“Really?” mother ning asked doubtfully, her hands still busy peeling the Apple.

Ning Qing helplessly replied, ” really.

"It's good that it's true," Mother ning finally felt relieved and said seriously, " Qingqing, I'm telling you, you're not allowed to have anything to do with him from now on. You're also not allowed to work in the Nian Corporation anymore. Go home and rest well. Even if you can't do it, you should spend time with your father and me. Don't let us worry about you.

Ning Qing had wanted to say something, but when she saw her mother's serious expression, the words reached her mouth and turned into an " okay.

Mother ning finally felt at ease.

390 The only warmth: have for ning Qing (1:

President's office.

The door was pushed open. Nian lie walked to his desk and sat down, cold and chilly.

"Hurry up and come in. Let's check the president's body," Lu Zhui said to the person behind him nervously.

Nian lie glanced at him coldly from his seat. get out.

Lu Zhui was stunned. The doctor Who was following the nurse didn't dare to enter.

Nian lie's face was pale and sickly. As he coughed, the pain in his chest continued.

He couldn't help but cover his chest. Lu Zhui rushed over. young master!

Nian lie raised his hand to stop him from approaching. His gaze told him once again, tell them to leave.

The intent of expulsion was too strong and cold.

Lu Zhui couldn't stand it anymore. you're severely injured and the snake venom in your body hasn't been cleared yet, but you're still trying to clear your name today. What are you doing? "

Nian Yu grabbed a piece of tissue from the table and wiped the blood off his lips.

The dots of red were really eye-catching.

He said coldly, " don't ask about things you shouldn't ask.

Lu Zhui felt aggrieved, but seeing Nian lie's resistance, he had no choice but to dismiss the doctor Who had been waiting for him.

He closed the door, and a voice came from behind him.

"How is she?"

Lu Zhui's body froze for a moment. Although he was reluctant, he still told the truth. there's not much of a problem with young Madam's health. The ning family's parents are by her side all day and she's recovering very well. Young master Yan has also been accompanying her for a long time.

He sneaked a glance at Nian lie's expression. He didn't show any reaction. He only responded with a "hmm" and pursed his pale lips tightly.

Lu Zhui didn't understand why his young master had been saved by young Madam. It was obvious that young Madam still had feelings for him.

This was clearly the time when he should fight for it. Why did he leave young Madam alone in the hospital and even let master Yan stay by her side?

The more Lu Zhui thought about it, the angrier he got. He couldn't help but complain, "young master, why are you doing this?" Young Madam tried so hard to save you, you should cherish yourself more now. You came to the company with your body in pain, it's not like our company is going to go bankrupt, Yingluo!"

A cold look flew over.

Lu Zhui's entire body trembled. The man's dark and deep eyes were like a deep well, so deep that it was somewhat terrifying.

He had almost forgotten.

His young master had always been a person that everyone feared.

If he had not seen Nian lie's gentleness and restraint towards ning Qing, he would never have been able to guess Nian lie's thoughts.

Nian lie coughed again and covered his mouth with the tissue in his hand. go and check on the reporter downstairs just now.

Lu Zhui raised his head and cleared his throat. how many people know that I'm with ning Qing? " he asked in a hoarse voice.

Lu Zhui didn't think too much about it. not many people know about it. Other than you, young Madam, and me, Wanwan.

At this point, Lu Zhui was terrified by Nian lie's gaze. He widened his eyes and explained, " young master, my loyalty to you can be seen by the sun and the moon. I can't betray you. I didn't reveal your whereabouts to the public!

Nian lie's thin lips pursed tightly once again. There was not much change in his eyes as he replied, " I know.

Lu Zhui's high spirits suddenly stopped.

He looked at Nian lie, who rarely showed his emotions, and thought of how he had clarified things today. He suddenly realized, " So You Think that the people who hurt you and young Madam came prepared. You're afraid that they'll hurt young Madam again, so you're afraid.

That's why he clarified the news to the outside world at this critical juncture!

Nian lie didn't reply.

“So there’s a problem with that reporter!”

Lu Zhui was surprised by his young master’s thoughtfulness, and he felt even more upset.

I’ll get someone to investigate his background immediately. I’ll also get someone to watch over young Madam.

“.....”

Lu Zhui looked at the tired man and advised him. young master, you should receive treatment properly. You can only guarantee that you’ll be able to get young Madam back in the future if you’re well, right?”

“.....”

Nian lie didn’t say anything, but the ice on his face had melted quite a bit. He was obviously convinced.

Lu Zhui was overjoyed. He went out to call the doctor.

The man sitting on the soft chair glanced in a certain direction and thought of Lu Zhui’s words, “young master Yan will accompany you too.” He couldn’t help but clench his fists.

Then, before the doctor entered, he raised his hand and threw the bloody tissue into the trash can.
