

Mr Nian 401

[Chapter 401](#)

401 Who gave you this photo?

The bodyguard grabbed the man by his collar and dragged him to Nian lie.

The man's eyes were so swollen that they couldn't be seen clearly. He leaned weakly against the surface of the cold leather shoes and said weakly, " someone gave me a photo of you and your ex-wife in Haicheng.

"Where are the photos?" Lu Zhui lowered his head and pressed.

The man pointed at the phone on the table. Lu Zhui took the phone and squatted down. He grabbed the man's blood-stained hand and roughly wiped the blood off before unlocking the screen.

"....."

The private room fell silent.

She could only hear the man's weak breathing on the ground.

Nian lie waited quietly. His Phoenix eyes were misty, and his thoughts were flying around uncontrollably.

What did she do with that man?

Would she smile at him sincerely?

Would she accept his embrace and intimacy?

Mixed with panic and frustration, it rushed into his mind, disturbing him and making him reveal a trace of helplessness and confusion.

He touched his pocket and remembered that he hadn't smoked a cigarette since she came back.

Feeling a deep sense of powerlessness, Nian Yun clenched his fists tightly, so hard that they started to tremble.

"Young master, I found it."

Lu Zhui's voice pulled him back to reality.

Then, the phone was handed to him. The slightly glaring light made Nian lie squint his eyes.

On the screen, the setting sun, the streams, and the distant mountains, the side profile of a man and a woman was especially vivid.

Nian Xi's eyes darkened. It was really a photo of him and ning Qing on Sunset Peak!

His sharp gaze shot towards the person on the ground. He suddenly leaned forward and grabbed his collar, forcing him to look at him.

Nian lie's face was filled with viciousness as he squeezed out the words through gritted teeth, "

“Who gave you this photo?”

The man was so scared that he tried to lean back, but he couldn't move. He said in horror, “ a strange man. He called me only once and told me to spread the news and ruin your ex-wife's reputation.

All of a sudden, Nian lie grabbed the man's neck, his murderous intent spreading without restraint.

As expected!

The group of assassins was after her!

Who was it that dared to touch her under his eyes?

The man sensed Nian lie's cold killing intent. He wanted to struggle, but he couldn't. His wide eyes were filled with extreme fear and fear.

Nian lie's eyes were bloodshot. He clenched his fists tightly. speak! Who is it? ”

“I don't know”

The man's face turned red and purple, and he couldn't speak.

Seeing this, Lu Zhui knew that something was wrong. He immediately pulled Nian lie's hand. young master!

At this moment, Nian lie's mind was filled with the fight at Dawnfall peak, and the expressions of those cold-hearted assassins who wanted to kill ning Qing.

He uncontrollably increased his strength, but was stopped by Lu zhuitan.

“You can't, young master!”

Nian lie raised his head. The terrifying killing intent and desire to destroy surged in his black eyes. It was so strong that one could not look straight at him!

Lu Zhui gritted his teeth and tried to pull himself back to his senses.

“If we can confirm that he knew about you and young Madam from the person who attacked you, it means that someone really wanted to harm young Madam!”

Nian Yun's expression froze.

Lu Zhui felt that it was useful. He continued, “ if you kill him, you will definitely alert the person controlling him from behind the scenes. Young Madam will be in an even more dangerous situation, young master!

That's right.

Nian lie's hand suddenly loosened.

Lu Zhui gestured for the bodyguards to drag the half-dead Man Down for emergency treatment. He squatted down and looked at Nian lie.

The man's blood remained on his trembling palm. It was warm and cruel.

Lu Zhui couldn't bear it. young master, you have to think about young Madam and your future. You must calm down now.

"....."

Nian lie didn't respond for a long time.

Lu Zhui squatted until his legs were numb. He didn't dare to get up.

Nian Xi slowly raised his head. His loss of control seemed to have been an illusion.

"Where is she?" he asked, not without emotion.

[Chapter 402](#)

402 Do you want to consider being Mrs. Gu (1:

"Young Madam is having her meal outside," Lu Zhui replied:

Nian lie got up and walked out.

On the other side, at Jingyue.

In an antique-looking room, two people sat at a round, red wooden table with exquisite dishes on it.

Gu nanzhi's eyes lit up as she looked at the special dishes. you know how to care for me. It's worth it for me to come all the way here.

As he said that, he picked up the spoon and started to eat.

Ning Qing did not say anything. She lowered her eyes and slowly picked up her chopsticks.

During the meal, the two didn't talk much.

Ning Qing looked at Gu nanzhi gobbling down the food as if she hadn't eaten for hundreds of years. Her beautiful eyebrows furrowed slightly.

"You can't eat in America, so you're here to escape?" she asked.

"Yeah," Gu nanzhi's mouth was stuffed with food, so her voice was not very clear.

Ning Qing naturally did not believe him.

With his status, how could such a thing happen? unless the Gu family went bankrupt.

Thinking of this, ning Qing looked at him again. has anything happened to your family recently? " she asked indifferently:

She had not seen any news about this.

"I didn't." The man took a sip of tea and gave her a strange look. why do you ask? "

"I thought your family went bankrupt," ning Qing said lightly.

"Pfft-"

Gu nanzhi coughed a few times, her fair face turning red.

Ning Qing ignored him. He wiped his mouth and said aggrievedly, "you're good! I was afraid that you'd feel lonely without me, so I flew here to see you. Now you curse my family to go bankrupt?"

"I just think you're too free."

"So what if I'm free? it's better than a woman like you who's busy all day. Can't you see how bad your skin is? who wants you in the future, Qingqing?"

Gu nanzhi mumbled, but her next sentence changed the direction of her speech. She grinned and leaned in front of ning Qing.

"Only I don't mind you."

"....."

so, do you want to consider being Mrs. Gu and experience my current life? "

Ning Qing stared at his face, which was trying to seduce her, and pushed him away without any hesitation.

"I'm not interested."

Gu nanzhi touched her tall nose and shouted angrily, "if you're not interested, then you're not. What's the matter with you hitting me? " You've damaged this young master's face, can you afford to compensate!"

Ning Qing did not even look at him. She put down her chopsticks, wiped her lower lip with a tissue, and then looked straight at him.

This gaze immediately made Gu Nanyan's anger subside.

He avoided her gaze unnaturally. why are you looking at me like that? "

"Have you finished your meal?"

"Yingluo, yes."

"You've also seen me."

"Ah," he said.

"I'll book a plane ticket for you."

"Ah Yingluo?" what did you say? " the man's light blue eyes were filled with surprise. He almost couldn't keep up with her. what did you say? "

"I said, I'll book a plane ticket for you."

Ning Qing repeated, her tone indifferent and flat.

"Tiny, you should go back to America."

Gu nanzhi looked at her face. After receiving her seriousness, she stood up abruptly and asked agitatedly, " I just arrived and you're already chasing me away. Do you have a conscience?!"

Ning Qing pursed her red lips. this place doesn't suit you.

Gu nanzhi was so angry that she almost vomited blood.

"What do you mean by not suitable for me? I'm not a chicken, not a duck, how could I not be acclimatized?"

"Not only are you not acclimatized, but the people here are not suitable for you either," ning Qing said seriously:

Suddenly, Gu nanzhi seemed to have understood something, but she didn't seem to understand. are you talking about yourself? "

[Chapter 403](#)

403 You're not my wife, who asked you to control me (1:

Ning Qing silently picked up the teacup and took a sip of tea. It was not as good as the tea made by the old man in luoxia Valley.

She put it down without much thought, and the bottom of the cup hit the table, making a slight sound.

"You know what I mean," she said.

Gu nanzhi saw that she was so cold, like a stone that could never be heated.

His eyes were red and he looked even more pitiful as he shouted,"I don't know anything!" I only know that you're a cold and heartless woman who wants to chase away the people who came to see you as soon as they got off the plane!"

"....."

"Ning, aren't you afraid of hurting my heart?"

"Yes, I'm not afraid," ning Qing said calmly.

Gu nanzhi was extremely angry. Her body tensed up and she stammered for a long time, but she could not say a word.

Ning Qing did not seem to be affected by him at all. There was only coldness and distance between her beautiful eyes.

Gu nanzhi, you know that I'm such a heartless woman. I've been like this since three years ago, so you don't have to put in any effort for this and don't waste your time on me. It's not worth it.

"I'm free to do whatever I want. What does it have to do with you?"

The man's skin was too fair, so a little red was particularly eye-catching.

Ning Qing's gaze swept past his eyes and fell elsewhere.

“I’m just reminding you, Yingluo.”

Gu nanzhi glared at her. you’re not my wife. Who needs you to care about me!

“.....”

Ning Qing was completely helpless.

Because of his inexplicable stubbornness, she couldn’t explain it to him clearly every time.

Gu nanzhi was even angrier when she did not say anything.

He had come to her excitedly, but she had rejected him so openly and secretly. It was fine if she didn’t accept him, but she even wanted to chase him away?

The man looked around, and when he saw the uniquely patterned spoon, he threw it away unhappily.

The short porcelain spoon shattered on the ground.

Ning Qing looked over.

what kind of lousy thing is this? how dare you give it to me with such quality? it’s really infuriating to see everything come out from anywhere!

He knew that she was looking at him, and his temper was rising.

“What dish is this? it’s so bad.”

and this tea, what kind of tea is it? is it for me to drink? ”

“And this table, it’s so red my eyes hurt!”

He was venting like a child, and ning Qing was dumbfounded.

She sighed and decided not to talk to him anymore. She got up and prepared to leave the table.

Gu nanzhi grabbed her hand, flames dancing in her blue eyes. where are you going? ”

“It’s none of your business,” ning Qing said.

He was about to say something when someone knocked on the door.

The two of them did not speak. Ning Qing broke free of his hand and said, ” enter.

A waitress in a cheongsam bowed to them and said, ” my two distinguished guests, today is a special day for Jingyue, Hanhan.

A voice suddenly came from the gap between the man’s words.

“Hey, isn’t that the young Madam?”

Ning Qing was very sensitive to this form of address. She turned around and saw Lu Zhui and a man in a suit standing behind the waiter.

: What: coincidence that you’re here: too: “Lu Zhui walked over and said enthusiastically:

Ning Qing and Gu nanzhi looked at each other. Before they could say anything, Lu Zhui looked at the table and said happily, " young master has just finished his business. He hasn't eaten yet. Young Madam, do you want to join us? "

Ning Qing was a little conflicted and prepared to refuse. no, I don't.

But the man beside her was faster. sure, " he said. we haven't eaten yet. Ask him to come in and join us.

Ning Qing looked at Gu nanzhi disapprovingly, but he pulled her directly to her seat and pressed her shoulder to sit down again.

it's only right to treat your boss to: meal: " he whispered in her ear: don't be so stingy, baby.

[Chapter 404](#)

404 The pretentious little young master (1)

"Please remove all these and serve the dishes again," he said to the stunned waiter at the door.

The waiter answered "yes" repeatedly and immediately ran to find the manager.

Such a friendly attitude made Lu Zhui confused about his intentions.

At a loss, he looked at Nian lie, who was standing at the door. The other party's expression was grave, and he stepped into the private room.

As a result, the two-person table became a three-person table with a large line of bodyguards outside the door.

Gu nanzhi smiled and picked up a cup of tea, Breaking the Silence. what's your name, Sir? "

Nian lie's gaze swept across the cup of tea in his hands. Nian.

Mr. Nian, I'm very happy to see you on the first day. My baby doesn't like to drink, so let's use tea as a substitute to thank you for your appreciation.

"....."

Ning Qing looked at the innocent smile on Gu nanzhi's face and didn't understand what he was trying to do.

Suddenly, she felt a bump on her elbow.

The man's expression was as warm as water, but there was a little threat in his eyes.

She was silent for two seconds, then reached out her hands in a compromising manner and picked up the teacup in a slightly formal manner.

She was with him, standing in Nian lie's direction.

"Mr. Nian, a toast to you," Gu nanzhi said.

"....."

The eye contact between the two and Ning Qing's cooperation all showed that the two of them had an extraordinary tacit understanding.

Lu Zhui looked at Nian lie worriedly. He raised his left hand and picked up a small teacup with his index finger and thumb. He clinked the teacup with the two of them in the air and then downed the cup in one gulp.

That posture, for no reason, seemed difficult and lonely.

Gu nanzhi put down her teacup, her smile still bright.

I heard that you specially contacted HE to poach Ning to your company and signed a three-month contract. I'm very curious," he continued, " what made you go through so much trouble to poach her? "

Nian lie stared at Gu nanzhi's innocent face. young master Gu," he said, " you speak Chinese very well.

His words indicated that he had already investigated him thoroughly.

However, Gu nanzhi did not even raise her eyebrows. She laughed happily. yes, my ancestors were Chinese. My family learned Chinese since we were young.

The last dish was served.

Gu nanzhi said as she leaned over. She picked up a prawn with the serving chopsticks and slowly peeled the shell.

"But it's a good thing I know Chinese. Otherwise, we wouldn't be able to speak the same language when we meet."

He looked at Ning Qing and winked. don't you think so, baby? "

Ning Qing's eyes flashed.

Gu nanzhi peeled the prawn shell very carefully. The seriousness that she revealed was always gentle and charming.

"When we first met, you could only speak Chinese."

Ning Qing didn't want him to mention what had happened three years ago. Gu nanzhi.

"Alright, I won't replace the past."

His cherry blossom-like lips curved into a gentle arc, and his words were 30% indulgent and 40% coaxing.

"Don't be angry. I'll peel the crayfish for you as an apology."

"....."

Then, the beautifully peeled shrimp fell into his porcelain bowl.

Ning Qing looked at this "pretentious" man and could not help but laugh.

The man who had been complaining to her a few minutes ago was now frighteningly gentle and considerate.

She didn't know if she should laugh or be speechless.

Seeing that she didn't refuse, the other party pushed her nose and said, "if you're not eating, are you still angry with me?" Then I'll feed you. Come, open your mouth and kiss."

Ning Qing finally could not help but turn her face away. no need, I'll do it myself.

She picked up her chopsticks and put the shrimp in her mouth. She swallowed it without even chewing.

In the end-

"Cough, cough, cough, cough!"

[Chapter 405](#)

405 No wonder so many people are dead set on following you (1:

"What's the matter? what's the hurry?" Gu nanzhi quickly patted ning Qing's back.

Ning Qing waved at him, but her tears were already flowing.

"....."

As Nian lie watched this, his straightened back slowly fell back down. warm water, " he whispered to Lu Zhui.

Lu Zhui immediately went out and came back in less than two minutes. He understood and put it by ning Qing's hand.

She had just suppressed the discomfort in her nose when she saw the water that was handed to her.

He calmed his mind and opened his eyes.

"Thank you," he said.

Even though she said thank you, she pushed the glass of water away with her hand without a sound.

Nian lie saw this and a trace of gloominess crept into his heart.

He endured the pain and said to the nervous Gu nanzhi, "as far as I know, she doesn't like to eat prawns." &Nbsp;

Gu nanzhi turned around. Oh? Mr. Nian, do you know your employees that well?"

Nian lie did not answer. His gaze was fixed on ning Qing's face.

"She likes to eat fish," he said.

Gu nanzhi was confused.

All the dishes on the table had been ordered by ning Qing, but not a single one was about fish.

"Mr. Nian, do you really think so?" he laughed. But my baby never ate fish when he was with me. "

The seemingly casual words, coupled with the man's innocent and smiling eyes, did not seem to be deliberate at all.

Nian lie met Gu nanzhi's smiling eyes. she's Yingluo.

"I really don't like to eat fish."

Ning Qing spoke, suddenly cutting into their conversation.

At that moment, Nian lie's nerves finally tensed up.

He stared at her delicate face, and his words became difficult to say. when did Yueyue start to dislike me? "

Ning Qing looked back at him without a trace of guilt. She was calm.

"I've never liked it,"

The undercurrent in Nian Xi's eyes surged and rolled up to his chest, causing his entire body to feel numb.

The snake's venom could no longer be suppressed.

He endured it, and a thin layer of sweat appeared on his back. His dark eyes stared at her.

It was as if he was trying to find a trace of lying on her face.

However, it was not the case.

Gu nanzhi laughed. I told you I remember it very clearly. Not only does she not like fish, but she also hates it. In the past, when I took her out for a meal, she would definitely turn around and leave if I made a fish-related dish."

Ning Qing lowered her eyes, her emotions unclear.

The atmosphere became strange.

Only Gu nanzhi did not feel it and was still talking big.

Nian lie raised his eyes. He suppressed the burning pain from his wound and said something that made no sense, "

"It's fine if you don't like it, as long as I like it."

Ning Qing's expression froze for a moment, but she recovered in the next second.

With great difficulty, Nian lie leaned over and put on a pair of disposable gloves. He picked up a prawn from the plate and began to peel it carefully.

Gu nanzhi didn't understand what he meant and started peeling the prawns in her bowl.

Mr. Nian, you're an interesting man, but I admire your attitude. As long as I like you, why do you care about what other people do? "

These words seemed to be implying something, and ning Qing felt uncomfortable.

The moment she raised her head and was about to speak, a peeled shrimp appeared in front of her eyes.

In just a second, a hand reached out from the left, and another peeled shrimp came into view.

The scene suddenly froze.

Ning Qing sat in the middle, with Nian lie on her right and Gu nanzhi on her left.

The prawns that the two of them had peeled at the same time were handed to her.

When Gu nanzhi realized that she had done the same thing as Nian lie, she smiled and was not angry.

Mr. Nian, you're so considerate to your employees. No wonder so many of them are loyal to you.

[Chapter 406](#)

406 She's not just: subordinate

young master Gu, you're too much. You came back to visit your subordinates. It seems like you're worried about the Nian family.

haha, she's not just my subordinate. I'm not worried about the others, except her.

Gu nanzhi leaned her elbow on ning Qing's chair and approached her with a smile.

"I'm worried."

"....."

Nian lie looked at Gu nanzhi with a deep gaze. He shifted his gaze and said in a joking tone, "there are so many handsome men in the country. She even has a superior like you. I'm afraid that she might be taken away by a bad man if she's not careful. How would I regret it then?"

Ning Qing quietly reached under the table and pinched a certain someone's thigh.

"Aiyo, what are you doing!" Gu nanzhi cried out in shock, and the prawn in her hand fell as well.

Ning Qing blinked and put on a fake smile. what do you mean?"

How could Gu nanzhi not understand his 'gentle' gaze?

She was telling him to stop.

The man chuckled. I'm fine, I'm fine.

He secretly rubbed his injured thigh with his hand.

Nian lie stared at the interaction between the two, his eyes dark and gloomy.

He placed the prawn in his hand into ning Qing's bowl.

Ning Qing glanced at him but pretended not to see him. I'm done.

She put down her chopsticks and saw Gu nanzhi eagerly hand her a tissue. She didn't want to embarrass him in front of Nian lie, so she went along with his wishes.

The man's face bloomed with a bright smile.

"....."

His pale lips moved slightly. He took off his disposable gloves and put his slightly trembling hands under the table.

After that, at the table, Gu nanzhi was still talkative. Ning Qing would occasionally reply, as if Nian lie didn't exist.

After the meal, the three of them walked out of the private room one after another.

Gu nanzhi followed ning Qing and said unwillingly, "go and pay."

Ning Qing didn't give him any face. why? "

She remembered that he was the one who had said that he wanted to treat Nian lie to a meal.

Gu nanzhi looked at the back of the man in front of her. She had a huge reaction when she heard ning Qing's words.

"So what if I let you pay? it's just a meal, Yingluo. When did you become so stingy?"

Nian lie and Lu Zhui stopped in their tracks and turned around.

Gu nanzhi smiled awkwardly and grabbed ning Qing's arm. hey, can you not embarrass me at a time like this? "

Ning Qing found it funny and deliberately said, " the Gu family is a big family. The young master is right in front of me. Do you think a poor man like me has the right to pay? "

"You!"

Gu nanzhi was embarrassed. Her face was red. She was afraid that the people in front of her would hear her. She lowered her voice and said, " I have no money!

Ning Qing tilted her head and looked at him in the eye, thinking that she had heard him wrong.

Facing her confused look, Gu nanzhi's Blue eyes narrowed slightly. She then explained, " I don't have any cash on me. Yingluo.

"You can pay by card," ning Qing said.

The man who had been talking non-stop today suddenly lost his voice.

Ning Qing frowned. did you really come back to China because you wanted to see me? "

Gu nanzhi glared at her. what else did you think? Do you think that everyone is as heartless as you? it's fine if you chase me away, but you won't even pay for a meal!"

After saying that, he shook off her hand and walked away angrily.

Ning Qing stared at his back, and a doubt flashed through her heart.

The man who had walked to the corner suddenly turned back and shouted, "What are you looking at?!"
You heartless woman, hurry up and follow this young master!"

"....."

Looking at how lively he was, ning Qing's suspicions disappeared and she followed him.

People were coming and going in the main hall of Jingyue.

Ning Qing took the initiative to walk to the front desk. Hello, can I get the bill for private room 302? "

The lady at the front desk smiled and stood up. She pointed at Nian lie and said, " I'm sorry, miss ning. Mr. Nian has already paid for it.

[Chapter 407](#)

407 Bring me home to meet your parents (1:

Ning Qing looked at him in a daze.

Nian lie seemed to be pleased by her gaze, as the corners of his lips curled up into a faint smile.

"Let's go," he said.

Gu nanzhi jumped out and put her arm around ning Qing's shoulders. you're the best, Mr. Nian. I want to have a boss like you too.

Ning Qing smiled and did not say anything.

thank you, Mr. Nian, " Gu Nanxi said. you've saved us the money for a meal.

Ning Qing,"Zhenzhen."

He carried her and walked out of the door.

Lu Zhui looked at Nian lie. For the first time, he complained with emotion, " young master, this young master of the Gu family is really thick-skinned.

He had said that he would treat, but his young master had given it to him, and that was it?

Nian lie didn't say anything. His dark eyes gazed deeply at the two of them as he walked over.

At the door, Nian lie looked at ning Qing. I'll send you back.

Gu nanzhi put her arms around ning Qing's neck. Before she could say anything, she agreed. sure. Thank you, Mr. Nian!

Once again, ning Qing was pulled into Nian lie's car.

Fortunately, Gu nanzhi had probably eaten her fill and fell asleep within a few minutes of getting into the car.

He looked really tired.

As ning Qing thought about it, the man leaned on her shoulder. His golden hair was messily placed in front of his forehead. From her direction, she could easily see his straight nose and exaggeratedly long eyelashes. His cherry pink lips were even more beautiful than a woman's.

However, after she fell asleep, Gu nanzhi was no longer arrogant and domineering. Instead, she was as quiet as a child, and there seemed to be some worry between her brows.

Nian lie turned his head and saw that she was entranced. He tried to suppress his jealousy, but he couldn't.

"After being abroad for a few years, your aesthetic taste has deteriorated."

Ning Qing paused for a moment before she was sure that he was talking to her.

However, she did not understand what he meant. what? "

"He's not suitable for you." Nian Xi glanced at the man who was fast asleep and said directly.

"If he's not suitable, do you think you are?" ning Qing's eyes quickly turned cold and she retorted sarcastically.

What right did he have to say who was suitable for her?

Nian Jin's heart ached as he looked at her.

However, ning Qing looked out of the window, leaving him with a cold side profile.

The car fell silent.

Not long after, a fleet of cars stopped outside the Imperial International Hotel.

"Why did you bring us here?" ning Qing asked after she had a clear look.

Nian Xu's throat moved, and his face turned slightly pale. you're not planning to bring him back to your house, are you? "

"....."

"Ning Qing, he's a man."

Ning Qing was speechless.

At that moment, Gu nanzhi opened her sleepy eyes. has ran ran arrived? "

He propped up his upper body, rubbed his eyes, and looked out the window.

"Eh? Where is this place?"

Ning Qing wanted to say something but stopped herself. Gu nanzhi understood immediately and rejected her. I'm not staying at a hotel. I want to go to your house!

"You can't go to her house," Nian lie replied before ning Qing could say anything.

"Why?"

Nian Xi sat up straight, her expression cold and unfriendly. there's no reason.

Gu nanzhi didn't listen to him. She tugged at ning Qing's sleeve. baby, didn't you say you'd take me to see your parents? why did you suddenly go back on your word? I don't care, I'm not staying in a hotel, take me home!"

His actions once again stimulated Nian lie's senses.

Nian lie resisted the urge to remove Gu Yusheng's hand by force. With a cold expression, he said, " Mr. Gu, you're only her superior now. She doesn't need to bring you to meet her parents. Besides, she's not willing to.

Gu nanzhi's heart skipped a beat. She looked at Nian lie with urgency and panic in her eyes. who said she's unwilling? "

"It's me," he said.

[Chapter 408](#)

408 Back in Ying city, am I Mr. Nian in your mouth again?

Nian lie answered, cutting off Gu Nanyan's words.

"Don't make things difficult for her."

Nian lie's words of warning carried a sharp edge.

"It doesn't matter if you're her boss, friend, or suitor."

Gu nanzhi completely lost her right to speak.

Ning Qing naturally wanted to settle him down outside. After all, she was single now. If she brought a man back, it would be easy for people to misunderstand.

She thought for a long time, then said to the angry man,"since it's Mr. Nian's idea, you can stay."

Gu nanzhi looked at her in disbelief.

Ning Qing turned her face slightly and said in a voice that was neither loud nor soft, " let's not waste Mr. Nian's good intentions, don't you think? "

Gu nanzhi looked at her expression, then at Nian lie's, and a bright smile appeared on her face again.

"You're right, baby. I'll do as you say."

The grievances in his heart were swept away. He pushed the door open and got out of the car. Ning Qing rolled down the window and said, " rest well today. I'll come to see you tomorrow.

Gu nanzhi bent down and looked into her eyes. There was a smile in her eyes. okay, I'll wait for you.

After he finished speaking, he even sent her a flying kiss.

A cold male voice came from the side.

“Lu Zhui, take good care of young master Gu.”

Lu Zhui, who was beside Gu nanzhi, nodded. yes.

The car slowly drove away and disappeared at the end of the road.

Lu Zhui made a gesture of leading the way. young master Gu, please.

The smile on Gu nanzhi’s face disappeared. She snorted unhappily and walked into the grand entrance of the Imperial Group without saying a word.

.....

It didn’t take long for them to reach the ning family’s neighborhood.

Without another word, ning Qing pulled the door open to get out of the car.

However, the door was locked from the inside.

“Get out of the car,” Nian lie said coldly to the driver.

The driver immediately did as he was told.

Ning Qing could guess what he wanted to do from his attitude. She sat back in her seat and said, “ Mr. Nian, please tell me what you want to say.

Her wrist was suddenly grabbed and her back was pressed against the car door.

“Mr. Nian, Mr. Nian,”

The man’s voice above her head was suppressed and dull, as if it was forced out from his chest.

“Did I become Mr. Nian in your mouth again when we got back to Ying city?”

Ning Qing did not even bat an eyelid at his gritted teeth.

“You’re wrong,” she said emotionlessly as she fluttered her long, butterfly-wing like eyelashes.

“.....”

“No matter where I am, you are my superior.”

what about in luoxia ravine? who was I? ” Nian Xi asked: unwilling to give up:

“.....”

A deathly silence spread.

He looked at her quivering eyelashes, and a tiny bit of hope rose in his heart.

“Tools,” she said.

Nian lie’s brain immediately shut down, and his eyes turned white.

“A Pixiu tool?”

“That’s right.”

“.....”

“I need you to bring me out of there safely, so Yingluo”

that’s why your attitude towards me softened, why you accepted my kindness, why you cared about me, Yingluo, because I was just a tool in your eyes, right? ”

As Nian lie continued her sentence, he felt as if his heart was being cut by a knife, and his vision was blurred by the pain.

“Yes: : ning Qing answered simply:

At that moment, he lost his balance and almost fell in front of her.

Ning Qing’s eyes were cold as she added another stab.

“At that time, you told me to focus on the present and let go of the past.” “I don’t think I’m in the wrong,” she said with a straight face.

A sense of desolation, accompanied by numbness, passed through his limbs.

The light in Nian Jue’s eyes faded, and his unfocused gaze slowly fell on her wrist.

Ning Qing knew what he was looking at, so she took the initiative and said, “ I’ve made it clear. I don’t have any ulterior motives. Please give me the key to the bracelet. After all, this gift is worth cherishing.

[Chapter 409](#)

409 The best outcome between us is this (1:

Nian lie tightened his grip on her, and his handsome face turned unnoticeably pale.

“Gifts are worth cherishing, but what about me?”

“.....”

His eyes turned red. ning Qing, isn’t the time we spent in the mountains worth cherishing? ”

She had even kept her feelings for the inanimate object that the old man had prepared for her, so why was she so cruel to him?

He didn’t know what had touched the woman’s sore spot, but her emotions also followed.

Ning Qing looked up, her eyes full of emotions, which turned into crystal tears and swayed in her eyes.

“Did I not cherish it?”

Nian Xi was stunned.

Ning Qing’s eyes were red, and tears welled up stubbornly in her eyes. that day, I thought you were going to die, but when I thought about how you were going to die in the forest where no one would ever find you, I didn’t dare to think further!

Nian lie's entire body trembled as he stared at her.

I could have left you behind and left Yingluo on my own, but I couldn't do it!

"....."

Ning Qing's tears fell, sad and desperate.

"Nian lie, I don't love you. I've known for a long time that I don't love you, but I still can't just watch you die! How far did I drag you along? I don't know when Xuanji and Nian che found me, the first thought I had was that you're finally saved."

She laughed sorrowfully as tears fell from her eyes. It was as if she could do nothing about her past self.

"How laughable. In the face of life and death, I actually hope that you can be saved more than I hope for myself."

Nian Jin's heart trembled. When he recalled the meaning of her words, overwhelming joy rushed to his head. Qing Qing Qian Qian.

The woman's face was covered in tears, and her expression suddenly changed from sadness to bitterness.

She closed her eyes, and her pale lips curled into a weak smile.

Nian lie, after I was saved, I thought that you would come looking for me. I don't know why I was so hopeful, but I always thought that you would come. But what did you give me? "

Nian lie suddenly thought of something and panicked. my Yingluo!

"What I've been waiting for is the news that you've severed all ties with me."

Nian lie's body stiffened.

Ning Qing opened her eyes, and the numbness and sourness in her eyes spread.

I thought I did something wrong, so I didn't even have the courage to call you. I could only call Nian che, but ...

Ning Qing did not continue.

Nian lie was in a state of extreme panic, but he didn't know where to start. there's a reason why I didn't pick up your calls, and it's also to clarify the news!

He had never been so eager to tell her the truth, but he was hesitant in front of the truth!

Ning Qing smiled bitterly and shook her head. it's not important anymore.

Nian lie's pupils suddenly contracted. He heard her continue, " after what happened three years ago, I've already used up all the courage I have for you. This time, Nian lie, you've once again told me clearly that it's impossible between us.

I should thank you, " she said softly as she fluttered her wet eyelashes. you helped me stop my damage in time.

As soon as she finished speaking, the man fell from her body.

Ning Qing's body was cold, and she did not look at him.

"Nian lie, the best outcome between us would be this."

She leaned over and unlocked the door.

"Other than work, don't disturb me again. Don't give me any more illusions."

Ning Qing pushed the door open and got out of the car. The man's well-defined hand held hers.

She turned around and met the man's pleading eyes.

It was as if he was saying, "please, don't go."

Ning Qing looked up and forced her tears back.

Then, she shook off his hand and left heartlessly.

In the carriage, Nian lie's entire body was numb and unable to move. He was in so much pain that he couldn't even make a sound.

In the end, it was the driver who noticed that something was wrong and sent him directly to the hospital.

"....."

At the intersection, ning Qing wiped away the tears on her face as she watched the convoy leave.

His calm expression did not seem to have changed at all from the beginning to the end.

[Chapter 410](#)

410 Everything will be decided by the second young master (1:

Ning Qing took a car home. During dinner, she told her parents that she wanted to go back to work at Nian Corporation.

As soon as he said it, his parents objected.

"Why did you have to work at the Nian family's house? You've already suffered enough, so don't get involved with their family anymore."

Ning Qing understood their concerns. She explained, " my contract with the Nian Corporation is only for three months. There's only a month left. Time will pass by in a flash.

Mr. And Mrs. Ning still didn't agree with her, but they finally relented after she promised them several times.

Her parents no longer stopped her, and ning Qing went back to work the next day.

didn't you say that you'd come to find me today? I've been waiting for you since I opened my eyes this morning. Where are you now? " The person on the other end of the phone was flustered and exasperated.

Ning Qing flipped through the manuscript in front of her, and the assistant was waiting for her.

I'm working," she said. I'm very busy right now. I'll contact you later.

She hung up the phone and looked up at the assistant.

Miss Ning, there's a meeting in five minutes. The company's top management will be attending. We need to confirm the launch date and time of the new product. Please get ready.

"Alright," he said.

Ning Qing quickly put away the manuscripts and documents in front of her, tidied up her appearance, and got up to leave the office.

In the spacious and bright conference room, the huge conference table was full of people.

Ning Qing nodded at them and sat in the first seat in the first row according to the assistant's instructions.

At the conference table, some people's eyes fell on her from time to time. Ning Qing, on the other hand, looked at the empty seat in front of her and thought of the unhappy parting between her and Nian lie yesterday.

Mr. Nian," the Secretary said as she walked into the meeting room. Second young master and special Assistant Lu will be in charge of today's meeting. Mr. Nian has other important matters to attend to.

Ning Qing looked up and saw Nian Che, who was dressed in a formal suit and had a serious expression on his face. Lu Zhui was beside him as he walked to his seat and sat down.

That position was opposite of Ning Qing.

She couldn't hide her surprise, but the other party didn't look at her. He said to everyone at the conference table," everyone has heard just now. My brother has more important things to talk about, so I'll be attending this meeting on his behalf. I'll also make the decisions on all important matters.

As soon as these words fell, the sound of discussion rose one after another.

Everyone knew that three years ago, the eldest son of the Nian family had single-handedly usurped his father's position as the head of the family. After that, he had swiftly taken over his father's shares with thunderous means.

The second young master was also sent abroad at that time. The outside world thought that the eldest young master sent him away in case he tried to seize power.

The Nian family didn't release any news about his sudden return, and he suddenly said that he wanted to take over the company.

His attitude was as if he wanted to fight for power with his big brother.

While everyone was guessing, Nian Yu pursed his lips and didn't say anything.

Lu Chao took a step forward and dispelled everyone's doubts.

young master has given all the decision-making power of this meeting to second young master. Please do not have any objections.

Only then did everyone shut their mouths.

Nian Che's expression was cold. alright, let's start.

Lu Zhui nodded, " yes.

this meeting is about the newly expanded jewelry industry of the Nian Corporation. Our designers have submitted their design drafts this month, and the jewelry samples have been completed. You can all take a look at the design drawings at hand.

Ning Qing stared at Nian che, her thoughts in a mess.

It had been three years since she had last seen him.

Three years had not left any marks on his face. His eyebrows were still like stars, and his facial features were clear and bright. The tenderness between his brows was no longer there, and there was a bit of calmness and fierceness. Wearing such a formal suit, he looked a lot more mature and reserved than before.
