

Mr Nian 431

[Chapter 431](#)

431 He and LAN Mei: er left first (1:

“Ning Qing!”

A sudden voice stopped her from continuing.

Nian lie’s jaw clenched tightly, and some emotions in his eyes broke apart like a Black Vortex that could swallow people at any time.

Ning Qing’s clear eyes met his.

One second, two seconds, three seconds.

There was still not a trace of weakness in his expression, not to mention jealousy.

Nian lie held it in. He clenched his fists tightly, his eyes sharp.

since all the employees have objections to Ms. Lan’s working attitude, we should investigate the situation.

“.....”

Naturally, he let go of the woman. With a solemn expression, he walked towards the lounge.

LAN Mei ‘er was dumbfounded and didn’t understand the situation at all.

Lu Chaoshan went up to her. our President would like to ask you some details personally. Please, miss LAN.

The woman’s pretty face was about to crack, but she managed to control herself in time. She glared at ning Qing and Yu Shu fiercely before she picked up her dress and left.

Ning Qing was speechless and met Lu Zhui’s eyes.

The other party nodded respectfully and followed him.

“.....”

“Sister Qingqing, Yingluo should be fine, right?” Yu Shu’s heart palpitated a little.

She had a terrible impression of Nian lie, and because of the things she had done for ning Qing, she felt guilty and nervous, which made her very afraid of the man of few words.

“It’s alright, don’t worry,” ning Qing comforted her.

Yu Shu hummed and drank a few mouthfuls of water before her heart calmed down a little.

Ning Qing looked at the tightly shut lounge and did not say anything more.

Not long after, the door opened.

Lu Zhui walked over and said to the film crew in a loud voice, " the president said that everyone has worked hard today. It's getting late. Today's filming will end here. Everyone, go back and rest early.

As soon as he finished speaking, there was a lot of discussion.

They knew that they could finish all the work by today, but they had to drag it out until tomorrow. No one was willing, but the order had been given, and no one dared to say no.

Thus, everyone began to clean up the scene in the midst of the low-pitched wailing.

Ning Qing didn't say anything. She lowered her head and quietly packed her things. Yu Shu leaned over and asked, " what does Mr. Nian mean? why do you want to stop filming? "

"Maybe he's being considerate of his employees," ning Qing answered casually.

Empathize, my ass!

Yu Shu spat. I don't believe you. That flirtatious b * tch just said she didn't want to shoot anymore, and now he's not letting her. What does he mean? is he trying to please that woman? "

Ning Qing put the " night sky " into a black velvet box one by one. it has nothing to do with us.

Yu Shu saw her indifference and secretly stuck out her tongue. She lowered her head and helped to pack up.

When she was almost done, ning Qing stood up and wiped the sweat off her forehead. She saw the door of the lounge open from the corner of her eye.

She paused and watched as Nian Jue held LAN Mei 'er's slender waist. The woman had already changed into a rose-red short skirt and was leaning into his arms with a sweet smile, looking very shy.

Yu Shu saw that she didn't move for a long time. sister Qingqing, why are you in a daze? "

She followed ning Qing's line of sight and saw the same scene.

"F * ck! President? what kind of taste is that? even an old witch would like him!"

Ning Qing grabbed her arm in time and used her eyes to signal her to keep her voice down.

Yu Shu felt terrible in her heart. She muttered in a low voice, " he's indeed a scumbag. He loves whoever he sees.

Ning ting listened to them but didn't say anything. He watched the two of them leave his sight before he lowered his head and continued to pack his things.

Yu Shu looked at her worriedly. sister Qingqing, don't be sad. He's not worth my time.

"Why should I be sad?"

Ning Qing didn't even look up, and her side profile was covered with a layer of cold Velvet Light.

[Chapter 432](#)

432 Come back to pick her up (1:

Yu Shu looked at her. She raised her head, and a strand of hair fell from her forehead.

His gaze was calm.

There was no ripple at all.

“Yingluo, I know better than anyone what kind of person he is.”

Ning Qing spoke indifferently as if she was talking about an insignificant person.

it’s precisely because I’m clear that no matter what he does, it won’t affect me at all.

Even if there was, it was just an act.

However, from the looks of it, she didn’t even have the chance to put on an act.

Yu Shu nodded, not fully understanding. you’re right. That kind of stinky man doesn’t deserve you at all. Just let him be with that kind of woman. One day, he’ll be gnawed until nothing is left.

After she finished speaking, she laughed out loud.

Ning Qing also smiled in agreement, and the two of them sped up their packing.

Ten minutes later, almost everyone on the set had left.

Ning Qing explained the things to take note of to the others and walked out with Yu Shu.

It was getting dark outside, and it was drizzling. The ground was wet, and the air was cold.

The two of them had just stood on the side of the road when a car stopped.

The car window rolled down. It was the photographer.

“Miss ning, where are you planning to go? I’ll give you a ride.”

Ning Qing saw him and smiled. there’s no need. It’s not on the way.

don’t mention it. Thank you for speaking up for us in front of Mr. Nian today. Otherwise, that superstar wouldn’t have been able to get over this.

Ning Qing smiled lightly. we’re all doing this for the sake of our work. There’s no such thing as ‘thank you’.

The two of them exchanged a few more words, but the photographer had to leave after ning Qing’s firm refusal.

Yu Shu covered her head with one hand and held her phone in the other. sis, the car has arrived.

The two of them walked down the steps and another car stopped in front of them.

The dark car window rolled down, and the man’s sharp face came into view.

Yu Shu immediately retracted her hand from the car door. Mr. Nian,” she said with a fake smile,” hehe, what a coincidence.

Ning Qing looked over, and the smile on her lips slowly faded.

She held Yu Shu and took a step back. I'm sorry.

It was as if he was hiding from a virus.

A ball of fire shot up to Nian lie's chest!

He looked at her from the corner of his eyes. Her whole body was wet from the rain, and even the ends of her hair were wet.

"Get in the car," Nian lie said in a deep voice.

Yu Shu was stunned. Ning Qing was still holding her in her arms and her words were light.

"Thank you for your kindness, Mr. Nian, but there's no need for that. Our car is already here."

In an instant, a pair of cold eyes filled with anger flew over.

Yu Shu's back stiffened, and she didn't dare to look at him.

Only ning Qing was as calm as ever.

"Get in the car!" Nian lie repeated.

Ning Qing lowered her eyes at him. are you looking for me to settle the score? "

The man's handsome eyebrows were locked together as he looked at her in confusion.

if it's not to apologize to Ms. LAN, Mr. Nian, you don't have to say anything more, " ning Qing said. it's time to get off work now.

In other words, you can't control me now.

Nian lie's blood was boiling at her words. ning Qing, do you have to talk to me like this?!

Ning Qing's face was cold. if I'm not mistaken, Mr. Nian approached me himself.

"....."

Yu Shu's heart trembled when she heard this, and she panicked.

Seeing that she didn't react, Nian Jin's cold eyes fell on Yu Chen.

She shivered and said, " sister Xuxu, why don't you take Mr. Nian's car? I can go back by myself. You don't have to send me. Don't worry.

She pushed ning Qing's hand away and nodded with a smile. She ran to the car behind, opened the door, and got in.

She looked as if a ferocious beast was chasing her.

Ning Qing looked at her empty hands, feeling a little helpless.

your followers have left, " Nian lie said. no one will care about you.

[Chapter 433](#)

433 You can't hold an umbrella for two people at the same time (1:

"She's not my follower," ning Qing said.

Nian lie didn't want to argue with her over this issue. After all, his heart ached for her when he saw her drenched in the rain.

He pursed his lips and said in a gentler tone, " the rain is getting heavy. You'll get sick if you get wet later. Don't be stubborn with me. Get in the car first, okay? "

Ning Qing could tell that he was showing weakness, but she remained unmoved.

Nian lie's expression darkened.

"I don't want to do anything that will make you unhappy, so ning Qing, be obedient."

A hint of mockery flashed across ning Qing's face. alright.

Lu Zhui quickly got out of the car and opened the back door for her.

Ning Qing lowered her head and sat down.

The car window closed and the car moved forward steadily.

Nian lie handed her his suit jacket. put it on.

Lu Zhui understood and raised the temperature of the air conditioner. The entire car became warm, and it was as if it was a different world from the dark outside.

However, ning Qing looked at the suit in her hand and didn't move.

"What's the matter?" Nian lie asked.

Ning Qing opened her eyes and saw the worry in his voice. She couldn't help but smile sarcastically. you just sent LAN Mei 'er away, and now you're back to pick me up. You're so good at timing. You're Mr. Nian, indeed.

Qingqing, " Nian Jin explained, " I'm only sending her there for work!

After all, the contract had already been signed. LAN Mei 'er had some connections in the entertainment industry. He was afraid that if she offended her, something unexpected might happen. Besides, he could not let the project that she had been concerned about for so long go wrong!

Ning Qing picked up her suit and flipped out her collar.

There were no other marks on the dark fabric, but upon closer inspection, one could see a touch of faint red on the collar.

Nian lie's face paled.

"For the sake of work, you let her kiss you here?"

Nian lie was rendered speechless by her question.

Just now, LAN Mei 'er did try to get close to him, but he did not expect things to turn out this way.

He reached out to hold ning Qing's hand. don't misunderstand. There's really nothing going on between us!

While he was panicking, a light flashed through his mind.

Ning Qing dodged in advance. Her eyes were neither cold nor indifferent, but they contained a chilling light.

The corners of his lips were slightly curved, without the slightest hint of a real smile.

"I'm listening, you explain."

"Are you jealous?" he asked carefully.

When he asked this, his heart suddenly trembled.

The smile on ning Qing's lips fell, and her expression gradually turned cold.

Nian lie was certain that she was jealous. He pulled her into his arms and was ecstatic. I knew it! I knew you still have me in your heart!

The strong smell of perfume made ning Qing resist.

She knew that it was left behind by LAN Mei 'er.

She held back her disgust and felt the man's excitement. Her gaze fell on the window behind him.

It reflected the bone-chilling hatred in her eyes, as well as the earth-shattering ridicule.

Nian lie had no idea. He was as excited and flustered as a child.

"It's my fault. I used her to anger you on purpose. I'm sorry."

Qingqing, the shoot has already ended. It's too late to change the actress. I don't want her to bully you when I'm not around. That's why I'm sending her back in exchange for her not to cause trouble in the future.

you know, I'm more worried about your safety than anyone else. I won't allow anyone to touch you!

Ning Qing's heart was unmoved.

She opened her red lips and slowly interrupted him, "

"Nian lie, have you ever heard of this saying?"

The man's body froze, and he slowly let go of her.

Ning Qing looked straight at the other party, her eyes calm.

But it made people feel that she was very far away.

She said, "a person can't hold an umbrella for two people at the same time. In other words, you can't stand up for two women."

If you choose to indulge her willfulness, then don't bother about what I think. You can't have both sides, do you understand?"

[Chapter 434](#)

434 She's a bad woman who's two-timing (1:

"....."

The carriage suddenly became eerily quiet.

The sound of the raindrops hitting the car window became clearer.

Ning Qing pushed his coat aside. don't waste your energy. Send me home.

After she finished speaking, she no longer looked at him.

Lu Zhui's eyes flickered as he looked at the pale-faced Nian lie.

He stared at a certain spot in a daze, the suit fabric in his hand crumpled into a ball.

After a long time, he seemed to have returned to his body as he looked at Lu Zhui with a cold expression.

Lu Zhui felt a chill down his spine and lowered his head.

Half an hour later, ning Qing was still forced to sit at the same table as Nian lie.

"I heard earlier that the food here is good and I wanted to bring you here to try it."

Nian Xi smiled, his expression gentle, as if what had happened just now had no effect on him.

their signature dish is fish. It's a pity that you're already tired. he paused for a moment, and a hint of gloominess crossed his eyebrows, then faded away.

"You don't like fish anymore, but it's okay. You'll like the other dishes too."

"....."

He dismissed the service staff and Lu Zhui, and as he spoke, he personally served ning Qing some food.

She was expressionless from the beginning to the end. As long as he put it in her bowl, she would eat it.

It was also ning Qing's first time learning what it meant to taste like wax.

It was also the first time she realized that the man who was once so cold and heartless could actually force himself to talk to her so warmly.

"....."

"I'm done," she finally said, feeling nauseated.

Nian lie was stunned. He looked at the remaining food in her bowl. but you haven't finished eating.

Ning Qing raised her eyes. I'm full.

He no longer had any reason to keep her.

Nian lie's stomach ached slightly. In fact, he had been talking to her the entire time and had not eaten a single thing.

But he didn't say much and only smiled.

As if she had been granted Amnesty, ning Qing stood up and was about to leave.

Nian Yu pulled her back in a hurry, his face visibly flustered.

Ning Qing turned around. is there anything else? "

Nian Yu's Green lips quivered as he begged her with much difficulty,"can you eat some more Kasaya with me?"

"You can't."

Ning Qing was resolute and cold.

There was a trace of sadness in his lowered black eyes, and his wrist gradually loosened. Suddenly-

"It's you, you two-timing bad woman!"

A sharp female voice was heard.

Ning Qing watched as a figure rushed forward, then raised her hand.

be careful! before she could take a closer look, she heard a voice in her ear. Then, her vision wavered and she fell into Nian lie's arms.

"Drip-drip-"

Some water flowed down from the back of the man's head and fell on the woman's trembling eyelashes.

Ning Qing slowly raised her head, and the man's tall figure blocked her way.

"Are you alright?" Nian lie asked.

Ning Qing's eyelashes fluttered again, and she shook her head.

Nian lie turned around and glared at the woman who was holding the glass. what are you trying to do? "

Li Miao's small face was red like a ripe red apple.

She pointed at ning Qing in his arms and said rudely,"Sir, don't be fooled by her. This woman is not a good person!" &Nbsp;

Nian Jin frowned. Ning Qing pushed him away and looked at the strange woman. miss, compared to me, you don't look like a good person now.

Li Miao's grape-like eyes widened, " you're a bad woman. You're two-timing and playing with two men. Don't think I don't know!

Ning Qing wiped away the moisture on her shoulder and found her words funny. are you sure you didn't get the wrong person? "

"You're the one I'm looking for, ning Qing!" Li Miao slammed the cup on the table and said with her hands on her waist.

Ning Qing was even more surprised.

She looked at her from head to toe a few times, but she had no impression of her at all.

The bodyguards arrived just in time. I'm sorry, young master, young Madam. It's our negligence. I'll take her away now.

After saying that, he beckoned to Li Miao.

The little girl was so surprised by the way he addressed her that she even forgot to struggle. young Madam? "

Before ning Qing could answer, another person ran over from afar.

"Ning Qing, don't touch her!"

[Chapter 435](#)

435 This is my ex-husband (1:

In the VIP lounge.

The man with blonde hair and blue eyes seemed to be distressed and driven mad. He was trying to explain something urgently.

Li Miao was sitting next to him with her hands crossed on her thighs. Her well-behaved appearance did not look like the woman who had splashed water on ning Qing.

"....."

After listening to Gu nanzhi's explanation, ning Qing thought for a long time. She looked at the two people opposite her and said, " so, she's your fiancée. Because you ran away from the marriage, she chased you back to the country? "

Gu nanzhi's good-looking face was filled with awkwardness. She replied unwillingly, " Yingluo can be considered one. But the engagement was arranged by my old man. I'm not willing!

"Is it still important to say whether I'm willing or not?" Said Nian lie, who had already changed into a white shirt.

Gu nanzhi was very unhappy to see him acting as if he had the right to speak. He gritted his teeth and said, " of course it's important. I can't let you guys misunderstand Yingluo.

"No one here will misunderstand you," Nian lie replied nonchalantly, resting one hand on the sofa's armrest.

Gu nanzhi's Blue eyes flickered, but she did not say anything.

Ning Qing did not care about the two of them secretly competing with each other. Her eyes darted back and forth between Li Miao and Gu nanzhi, and finally stopped on Li Miao, who had her head buried in her work.

"Right, Miss Li?" she asked.

: It's me.: Li Miao suddenly looked up and timidly smiled:

Ning Qing stared at her. I'm very curious. How did you know about me? "

Li Miao's hands clenched tightly on the corner of her clothes, her expression unnatural. ran ran, I went to brother ran's company before and heard them talk about you. I thought you were single.

I'm sorry. I didn't expect you to be married, " she apologized to ning Qing, looking at Nian lie with a little fear.

Gu nanzhi's face turned pale. She turned and shouted at the young lady, " who said she's married?! If you don't know how to talk, then don't!"

With this roar, Li Miao's eyes turned red.

She bit her lip and apologized. I'm sorry. I said the wrong thing. Brother Rong, please don't be angry.

She carefully reached out to pull on Gu nanzhi's sleeve. The man raised his hand and flicked it away. The little girl was about to cry.

"Gu nanzhi, don't bully girls," ning Qing said.

She looked at Li Miao again. Her appearance was as delicate as a Barbie doll. Her nose and eyes were red like a little rabbit, making people not bear to blame her.

Gu nanzhi was furious. what girl? she's a devil incarnate!

"I'm sorry, Yingluo."

The tears in Li Miao's eyes swayed and were about to fall.

"Heavens, you've caused trouble and you want me to clean it up, yet you're still crying! What right do you have to cry?" Gu nanzhi was so anxious that she wanted to pinch her ear but was stopped by ning Qing's look.

She sorted out her thoughts and said to Li Miao who was about to cry, "I was married." &Nbsp;

Married?

Li Miao blinked her two rows of fan-like eyelashes, somewhat confused.

Ning Qing introduced the man beside her to her.

"As you can see, this is my ex-husband."

Li Miao immediately understood, "ex-husband?" You're divorced?"

"Yes."

Nian Yu pursed his thin lips and turned in another direction.

To be honest, no matter how many times he tried, he never wanted to hear that word.

Gu nanzhi took over the conversation. She raised her head and said, " did you hear that? she's alone now!

Li Miao's heart that had just calmed down was once again in turmoil.

She looked at the proud Gu nanzhi and then at the calm ning Qing. Her face was red from holding back her emotions. Yingluo, you actually like a divorced woman! she said. How can you mess with Gu nanzhi? I won't allow it!"

[Chapter 436](#)

436 Divorce is not an original sin (1:

Nian lie's dark eyes turned cold. He glared at the woman who was speaking without thinking. say that again!

The little one trembled and didn't dare to look at him. He only glared at Gu nanzhi. you know that Grandpa Gu will never accept a divorced woman, yet you still ran away from the marriage for her. If Grandpa finds out about this, Zhenzhen ...

shut up! Gu nanzhi shouted angrily. shut up!

"Bang!"

It wasn't loud, but it had a deterrent force that couldn't be ignored.

Nian lie smacked the table with one hand. His dark eyes were cold, exuding a penetrating chill.

Mr. Gu, I don't care how you deal with your personal affairs, but in front of me, no one is allowed to belittle or slander her!

Li Miao must have hidden behind Gu nanzhi because Nian lie's appearance was too scary.

He was also a little afraid and apologized to ning Qing, who still remained calm. Ning, I'm sorry. Li Miao is still young, but she has no ill intentions. Please don't be angry with her.

Ning Qing did not say anything and stood up.

She slowly pulled out the pen in her hair, and her hair poured down like a waterfall. With her emotionless expression, she instantly distanced herself from the others.

Gu nanzhi started to feel nervous. She heard her say, " I'm indeed a married woman. In your eyes, I'm not worthy of young master Gu, who has a clean family background.

Gu nanzhi's face froze.

Ning Qing flicked her messy long hair and said lazily, " I didn't think I was worthy of her.

Gu nanzhi's eyes were empty, and her emotions could not be seen clearly.

Her eyes were half-closed, and a cold glint flickered in them. but, Miss Li.

Li Miao was called out. Her body trembled and she poked her head out from behind Gu nanzhi.

"Although I've been married, married women have the right to choose their love again," ning Qing said with a faint smile.

Li Miao's expression was embarrassed,"I'm sorry, I didn't mean it that way. I'm sorry."

"Divorce is not an original sin."

Ning Qing became serious and distant.

"Not all divorced women deserve to be alone for the rest of their lives."

in other words, if I like her, I won't mind even if she's been divorced hundreds of times.

The blood on Li Miao's small face suddenly faded. Her cherry-like small mouth moved but she couldn't speak.

Ning Qing smoothed her messy hair. alright, I've said what I needed to say. I hope there won't be any more misunderstandings between us. You two can solve the rest on your own.

With that, she turned around and left.

"Ning, don't go!" Gu nanzhi was extremely nervous. She wanted to follow him but was blocked by Nian lie.

"Move!" He roared.

Nian lie looked at him disdainfully, his tone cold. do you think it's time for you to leave? "

Gu nanzhi stopped pushing him.

Nian lie glanced at Li Miao, who was standing all alone. you can't even handle your own personal affairs, " he said pointedly. what's the point of me asking you to go after her? "

Gu nanzhi wanted to retort, but she could not say a word.

His handsome face turned red as he stared at the man in front of him. In the end, he swallowed some words back.

Seeing that he had retracted his aura, Nian Yu's eyes turned cold.

"Be a man and settle down your little fiancée first."

After saying this, Nian lie also strode away.

The large lounge suddenly turned cold.

Li Miao looked at Gu nanzhi's back and walked forward timidly. brother Yi, you should go back with me.

She tried to pull on the corner of his shirt, but he shook her off.

Gu nanzhi's eyes were red as she shouted at her, "I said that I won't marry you. Do you think that I'll acknowledge you just because you've come to her?" Li Miao, stop dreaming!"

[Chapter 437](#)

437 He doesn't like me (1:

"But brother Rong, you've done so much for her. She doesn't like you at all. Can't you tell?"

"What does it have to do with you whether she loves me or not?!" Gu nanzhi shouted.

Li Miao's eyes were red like a rabbit,"but I love Yingluo very much."

"Li Miao, you don't understand at all!"

Gu nanzhi grabbed her arms. She was in so much pain that she wanted to cry out, but when she met the man's eyes, she swallowed her words in time.

I love her. I'll love her even if she's married. I'll love her even if she doesn't love me. As for you, I don't love you. I won't like you no matter what you do for me. Do you understand? "

"....."

Li Miao's Red lips pouted, her heart was in pain and tears fell from her eyes.

Gu nanzhi's anger subsided and she said, "

"I won't go back with you. If you can't stand it, you can go back by yourself."

Gu nanzhi also left.

Only Li Miao was left.

When Qiao 'er arrived, she was already in tears, and she was so scared that she didn't know what to do.

"Miss, what's wrong? don't cry!"

Li Miao's nose was red and she was out of breath from crying. brother Rong said that ran ran doesn't like me, not at all.

Qiao 'er quickly took out a tissue to wipe her face, but she dodged it. why do you think he doesn't like me when I've been by his side since I was young? why does he like a divorced woman? "

She really did not understand.

Qiao 'er was surprised. divorced? "

Li Miao nodded with tears in her eyes, " not only was she divorced, but she also seemed to be entangled with her ex-husband, but brother Rong still said that he liked her aowuwu.

Qiao 'er's head was also starting to hurt but she couldn't bear to see the usually pampered Li Miao crying so badly, " Alright, alright, don't cry first, we'll think of a way.

Li Miao's eyes widened. think of what? " He already said that he doesn't like me Yingluo, but I've never seen him so angry before. He even yelled at me Yingluo because of that woman!"

"Miss, you don't have to care so much: : Qiao'er quickly comforted her.

Li Miao was still crying.

think about it. What's the use of young master Gu liking her? she's divorced. The Gu family will never allow her to enter the family.

Li Miao stopped crying.

Qiao'er continued, " young master Gu has always been a soft-hearted person. He may say that it doesn't matter if he breaks up with the Gu family, but he knows that the Gu family can't bear to leave him. How could he give up everything of the Gu family? "

"

and you should be more confident. You're the granddaughter-in-law handpicked by Grandpa Gu. No one can change that.

Hearing this, Li Miao's watery eyes were filled with life. really? "

Qiao'er patted the back of her hand. of course, no matter how much young master Gu likes someone else, he can only marry you. As long as he marries you, it doesn't matter if he's willing or not. Feelings can be cultivated slowly.

Li Miao was enlightened, " ran ran is right!

As long as she married her brother Rong, she could spend the rest of her life cultivating their relationship.

She didn't believe that he could take it and never fall in love with her.

Looking at Li Miao's smile, Qiao'er let out a sigh of relief.

Her young miss was too simple-minded and too naive. She often made people think that she was easy to bully.

That was why the young master of the Gu family had run away from the wedding.

She even let a divorced woman climb over her head. No matter what, she shouldn't have!

She should think of a way to let her young miss achieve her wish.

"

"Qiao'er, it's a good thing you're here. Otherwise, I'd be heartbroken to death again today."

Qiao'er stared at the woman who was hugging her arm and acting coquettishly. A trace of coldness flashed across her face, but it quickly disappeared.

[Chapter 438](#)

438 What did she mean to that boy from the Gu family (1:

On the way home, ning Qing was unusually quiet, and Nian lie didn't say anything.

The car had a smooth journey and stopped at the ning family's residence.

Out of courtesy, ning Qing said, " thank you. Nian Jin quickly put a suit jacket on her.

"This one is very clean."

It stopped her from rejecting him.

""

Ning Qing lowered her head, and her long hair slipped through his hands.

It was soft and fragrant.

She opened the door and got out of the car, then closed it without a word.

The bodyguard held an umbrella and escorted her in.

Nian lie gazed deeply at her back until she disappeared.

A thin mist was floating and a light rain was drizzling.

Only after he got out of the car did he feel the chill of autumn seeping into his limbs, making his heart tremble.

Then, he lit a cigarette in the rain and looked deeply at a certain residence with an unclear expression.

Lu Zhui appeared out of nowhere and walked over. young master.

Nian lie grunted in agreement but did not say anything else.

Lu Zhui looked at the cigarette in his hand and hesitated.

"What's going on today?" the man with the cold side profile suddenly asked.

Lu Zhui lowered his head. I'm sorry. It was my oversight. I didn't expect her to be so impulsive.

""

Lu Zhui braced himself. young master, are you, young Madam, and Qianqian affected? "

Nian lie retracted his distant gaze and looked at him.

""

She waited for a long time, but he didn't say anything.

"Young master?" Lu Zhui probed.

"You don't have to be so nervous."

Lu Zhui's back tensed up in fear when he heard these gentle words.

A low sigh came from in front of him.

"Tell me, what do you think she means to that boy from the Gu family?" Nian lie asked:

Lu Zhui's head buzzed. What did his young master Qianqian ask him just now?

The man didn't care what he was thinking. He continued, "there were three years between them that I wasn't involved in. Three years. A lot of things will happen.

Three years was too long.

It was so long that he couldn't understand the meaning of her words.

It was so long that he could no longer see through her thoughts.

Nian lie's heart was so cold that he couldn't feel it. He asked in a low voice, "Lu Zhui, if she really falls in love with another man, what do you think I should do?"

His words were clearly desolate, but they sounded cold and unfeeling.

Lu Zhui thought, 'he's not asking what to do, he's asking how to separate young Madam from the man she's related to so that young Madam won't feel repulsed and resist.'

He would never dare to say this.

Lu Zhui slowly raised his head. young master, you still have a long time with young Madam. You have endless possibilities in the future. You should relax. It's more important to take care of your health.

The corners of his lips twitched, but he didn't smile.

Relax?

How could he be at ease?

As soon as he saw another man by her side, he wanted to tell them to get lost, but he was afraid that Hanhan would be angry.

Therefore, he had even used Lu Zhui to do something that could not be shown in public.

He just wanted her to see Gu nanzhi's current situation. He wanted her to know that he had a fiancée recognized by his family. He wanted her to know that if Yingluo had even the slightest intention of choosing Gu nanzhi, what happened today was enough to make her give up on that idea.

He understood her now.

She would never give up her dignity again to follow Gu nanzhi, who she couldn't even handle herself.

However, Yingluo

However, Yingluo

Her ambiguous words today had made him panic.

"....."

Nian lie was facing a certain room that was lit up, white smoke rising from his moist cigarette butt.

He threw it down and put it out with his leg.

“Let’s go back,”

The sky was dark, and a woman was watching the car drive away from a dimly lit window. Her expression was even colder than that night.

439 Is it really okay to be late together (1:

The Chinese Valentine’s Day came faster than expected.

The launch conference was set at two O’clock in the afternoon, and many people came to the conference.

“The reporters have already communicated with you. You only need to go on stage to present your face, explain the design concept of the night sky, and answer a few simple questions.” The host said.

Ning Qing nodded.

Nian lie, who was dressed in a formal suit, stood beside her. He looked noble and abstinent. are you nervous? ”

She glanced at him indifferently. there’s nothing to be nervous about.

Nian Xi smiled. that’s good.

She was already so mature, so he naturally didn’t have to worry about anything.

However, ning Qing still felt a little uneasy, and she could not explain why.

It was not until the press conference ended smoothly that she slowly felt relieved.

In a certain high-end style design studio, both the upper and lower floors were cleared.

Ning Qing was a little absent-minded as she picked out the dress.

She swayed around for a long time, so long that Nian che started calling him to hurry him up. Only then did he get up from the rest area and walk towards her.

Ning Qing heard his footsteps, and then the man asked, ” “Is it the clothes that you don’t like?”

“Yingluo didn’t.”

Nian lie raised his eyebrows. you want me to help you choose? ”

His long fingers reached for the luxurious dress. Ning Qing quickly took one from the shelf and said, ” no need. then she passed him.

It was an obvious alienation, with a disgust that could not be ignored.

Nian lie’s hand froze in mid-air, and he only put it down after a long while.

Ning Qing rushed into the changing room and closed the door. Her back was against the door, and her thoughts were in a mess.

She really didn't want to go to the cruise party with him at night. However, as the president of the Nian Corporation and her superior, she couldn't refuse his work-related request.

Forget it.

He was just putting on an act.

Ning Qing, you can't be affected by him!

Ning Qing, who had prepared herself mentally, was no longer anxious and began to change into her formal dress.

Outside the door, Nian lie had already changed into a pure white suit, which made him look elegant and calm.

Just as she was lost in her thoughts, the door of the women's changing room opened slightly.

Ning Qing's embarrassed voice was heard. "Is anyone there?"

Nian lie thought that something had happened to her. He stepped forward and asked with concern, "What is it?"

Ning Qing's eyes wavered when she saw his white clothes.

Nian lie saw her hesitation and said, "There's no one else here, only me."

Ning Qing glanced outside and resigned herself to her fate. I can't zip up my back. Get someone to help me.

Nian Ying was stunned for a moment, then said, "I'll help you."

Ning Qing did not notice that the man had pushed open the door she had blocked and entered the changing room.

The originally large space had become narrow because of the man's intervention.

Ning Qing felt uncomfortable. I don't need you. Get out!

"Turn around," Nian lie ordered.

"....."

The two of them stared at each other for a long time.

Nian lie frowned slightly. there's still half an hour left. Ning Qing, as the organizer, do you think it's okay for you to be late with me? "

Ning Qing's expression changed slightly, and she turned her back to him in compromise.

Thus, her fair and smooth skin fell into the man's eyes.

"....."

Nian lie's eyes darkened. He raised his hand, grabbed the invisible zipper, and skillfully pulled it up.

It was only a short two seconds, but the warmth that his hand accidentally touched was like a flame, burning his heart.

Ning Qing was also very uncomfortable.

She resisted being so close to him.

“Are you done?”

After asking the question, Ning Qing flicked the long hair that was in front of her chest.

Her incomparably exquisite back was completely blocked.

She had also pulled away from him.

“I’m fine, you can leave first.” Ning Qing tried to control the trembling in her voice.

440 Tattooed a thorned flower on the C-section incision (1:

Nian lie didn’t do as she said.

He stood behind her and looked at her reflection in the mirror with keen eyes.

She was dressed in a black dress, swaying in the wind. Her lips were red, her teeth were white, and her long hair was gentle.

He couldn’t help but step forward and hold her exposed thin waist with his big hands.

He lowered his head and sniffed the fragrance of her hair.”You’re very beautiful.”

Ning Qing’s heart skipped a beat. The man’s hand on his waist suddenly exerted strength and pulled her into his arms.

“.....”

Ning Qing froze.

His strong but restrained body was tightly pressed against her back.

There wasn’t a single crack.

The ambiguity between them spread silently.

Ning Qing lowered her eyes, but her eyelashes were still trembling.

His fingertips seemed to be on fire as he gently rubbed her abdomen.

He was on the edge of danger and was eager to try.

Ning Qing felt a sharp pain. She was about to push him away when Nian lie’s hand suddenly stopped moving.

“What’s this?” he looked up at her, slightly puzzled.

“What do you think it is?: ning Qing’s eyes turned red as she gritted her teeth:

“.....”

Nian lie was shocked by her sudden change. His gaze froze in front of the mirror.

On the woman’s slender waist, right in front of her lower abdomen, there was an extremely conspicuous black pattern.

It was strange and flirtatious.

Nian lie furrowed his brows and studied it carefully. He realized that it looked like a type of flower.

His hand still did not move away, instead, it touched gently.

Suddenly, an idea popped into his mind.

Ning Qing looked at his expression, which was as if he had been struck by lightning. She sneered in her heart. this is a scar left behind when I gave birth to a child by a C-section, ” she said lightly.

In an instant, the man’s body was as stiff as wood.

The charming atmosphere was completely lost.

However, ning Qing still felt that it was not enough. She chuckled and said, ” because I was not in a good condition when I was cut open. I could die at any time. The doctor had no choice but to cut me vertically at the last minute to ensure my safety. That’s how the wound became like this.

She lowered her head slightly and held his cold hand.

She slid him across the scar.

women love beauty after all. I also think that a vertical cut doesn’t look good, so I got a tattoo on the scar.

“Does it hurt?” Nian lie saw his pale face and the smile on her lips from the mirror.

Ning Qing raised her eyes and met his gaze.

“It hurts.”

Nian lie suddenly felt that the wound wasn’t on her body, but on his heart.

Otherwise, why would he be in so much pain that he couldn’t speak?

“But it doesn’t hurt anymore.”

Ning Qing pushed his hand away and walked closer to the mirror, combing her long hair.

Nian lie’s feet seemed to have taken root, and he could no longer get close to her.

He couldn’t imagine how she had to go through the pain of a C-section after facing her dead child alone.

Nian lie could not help but Mutter,”ning Qing Qianqian.”

“Do you know what my tattoo is?”

Ning Qing turned to ask him.

His throat was dry, and his eyes were filled with pain.

Ning Qing’s smile became even more moving. it’s thorns.

“.....”

“This is a thorned flower,”

“.....”

Her lips were full of smiles, while his face was as pale as paper.

At this point, ning Qing had no interest in continuing to argue.

“It’s late, Mr. Nian, let’s go.”

She pushed him, and he took a few steps back and hit the wall.

The woman did not even look at him. She twisted the door lock and walked out.

Who would’ve thought that the moment she stepped out, she would see Nian che looking for her in a hurry?

Ning Qing paused for a moment. Nian Jin walked over in a panic and looked her up and down. sister-in-law, aren’t you done packing? what’s wrong? where’s my brother? you’re going to be late!

Ning Qing did not answer, and the door behind her opened again.

Nian lie walked out without a word.

Nian Che’s eyes widened, and he ignored the pain in Nian lie’s eyes. He looked at him, then at ning Qing. you, you, you, you, you, you, you, you, you, you, you ...
