[Chapter 451](#)

451 He owed ning Qing more than just one life (1:

“Qing Qing, wake up.”

Ning Qing opened her eyes with great difficulty.

She looked at Yan Sichen in a daze and then looked around in a daze. It was a strange and comfortable room.

When she moved, she realized that her whole body was aching.

Yan Sichen held her down. don't move.

“What's wrong with me?” ning Qing asked weakly.

you were drowning and suffocated for a long time.

Yan Sichen's heart tightened when he said this.

He couldn't forget the moment when he had first found her.

The woman lay lifelessly on the withered tree trunk, as if she would be swept away by the river at any moment.

When he saved her and heard that she was no longer breathing, he felt as if his world had collapsed.

Good, good.

The doctor still managed to save her.

Yan Sichen's eyes were a little wet. do you know how worried I am about you? ”

Ning Qing closed her eyes to rest. The scene of her falling into the water and the time she floated in the water became her nightmare again.

Her memory wasn't very clear, so she didn't dare to think about it. She muttered, ” brother Sichen, my head hurts.

“You're still running a fever. You'll be fine after a good sleep,” Yan Sichen said with concern.

“Where am I now?”

Yan Sichen paused for a moment. she's still on the cruise.

“Where are the others?”

“They're quarreling.” Yan Sichen hesitated.

He wanted to say something, but he realized that ning Qing had stopped asking.

He tucked her in and walked out quietly.

At the door, Gu nanzhi had just returned. Her beautiful face was full of fatigue.

"Is she awake?: he looked at Yan Sichen and asked anxiously.

Yan Sichen nodded and Gu nanzhi's eyes lit up. She pushed the door open and wanted to go in. let me see her!

Yan Sichen turned sideways and stopped him. Mr. Gu.

Gu nanzhi did not understand what he meant and looked at him in confusion.

Yan Sichen didn't have any ill intentions towards him, but neither did he have any good intentions.

"Qingqing is very tired. She needs: good rest," he said without much expression:

Gu nanzhi did not believe that she would fall asleep. stop joking. How can she fall asleep in this situation? "

"....."

Yan Sichen was silent.

Gu nanzhi stared at him. you didn't tell her the news? "

Yan Sichen's jaw slightly lowered, which in his eyes was a tacit agreement.

Gu nanzhi was furious. how could you not tell her about such a life-and-death matter? And that person only did that to save her!"

"Mr. Gu."

Yan Sichen suddenly interrupted him.

Gu Nanxi was stunned.

Yan Sichen pursed his lips, his expression solemn and his brown eyes emotionless.

as far as I know, you're Qingqing's superior in the United States, " he said. so, I want to ask you, how much do you know about her past? "

Gu nanzhi was stumped by his question. She asked in confusion, " I don't understand why you're asking me this question at a time like this. Shouldn't we hurry and save her? "

However, Yan Sichen refused to let go. please answer my question.

Gu nanzhi's Blue eyes flashed. I don't know much, " she said casually. but I know that the man is her ex-husband.

"Since you know that he's her ex-husband, you should be able to guess that the relationship between him and Qingqing is not as simple as you think," Yan Sichen replied.

what's so complicated about it? it's a human life! Gu nanzhi felt that he could no longer communicate with the man in front of her. She rubbed her short hair and felt a little crazy.

"He owes Qingqing more than just one life."

Gu nanzhi's eyes widened in shock.

Yan Sichen was as calm as ever. he was swept away by the river to save Qingqing, and we don't know where he went. But Mr. Gu, there are some things that you don't have the right to speak about, including me.

[Chapter 452](#)

452 What are you guys hiding from me?(1:

“.....”

for example, which of us can represent her will and decide whether she, who is so fragile now, should know this news.

Gu nanzhi was completely speechless.

“Based on my understanding of ning Qing, it's better if she doesn't know,” Yan Sichen added.

After saying that, he wanted to walk past Gu nanzhi.

Gu nanzhi grabbed his arm, her expression urgent. what exactly did she go through in the past? ”

Yan Sichen looked at him indifferently. that's a pain that you and I will never understand. You just have to know that she barely managed to survive until today. Nothing in front of her should stop her from moving forward.

Even if that person was really dead.

Gu nanzhi tightened her grip on him. He looked Haggard and tired after staying up all night and being drenched in the rain. but if she finds out that her life was exchanged for another person's life one day, what would she think? ”

Yan Sichen's eyebrows did not even move, and his tone was as cold as the ice and snow in December.

“Then, don't let her know.”

Gu nanzhi let go of her hand and looked at the man in disbelief. how can you be so cold-blooded? He's a living person, Yingluo, and this kind of thing can't be kept a secret. She'll find out sooner or later!”

“Yes, we'll know sooner or later.” Yan Sichen continued, ” but the earlier she finds out, the more pain she will be in.

Yan Sichen looked at Gu nanzhi, who was speechless, and asked sharply, ”

“Mr. Gu, do you want her to live in pain for the rest of her life?”

“.....”

Gu nanzhi's persistence finally broke.

“The first half of her life was already too hard, don't let her continue to be in pain.”

After saying this, Yan Sichen walked away.

Gu nanzhi stood by the door alone, separated from the woman inside by a wall.

However, he gritted his teeth so hard that his eyes turned red.

In the end, he didn't open the door.

.....

Ning Qing woke up in the afternoon.

Her fever had subsided, and she ate something under the coaxing of Yan Sichen, and her face gradually showed signs of redness.

She had just said that she was full when Gu nanzhi came.

"Hey, baby, you've finally woken up after sleeping for so long."

Ning Qing saw him and smiled.

young master Gu, where have you been? " she asked jokingly when she saw his crumpled clothes. you're only here to see me now.

Gu nanzhi's expression froze.

He had just gone to look for her with Nian che and the others. When he heard that she had woken up halfway, he rushed back without even changing his clothes.

Gu nanzhi's long silence made ning Qing confused.

Yan Sichen took the opportunity to help. I heard that Mr. Gu went out to sea this afternoon. It seems like he's having a great time.

Gu nanzhi gave a fake smile. I went out on a yacht with them. It was especially eye-catching."

He winked at ning Qing. when you're better, I'll Take You There too. How about that? "

Ning Qing smiled. you don't have to. I'm not as free as you.

"Tsk, boring."

Looking at Gu nanzhi's nonchalant expression, the doubt in ning Qing's heart disappeared.

"How's Qianqian and nianlie?" she asked after two seconds of consideration.

The sudden question stumped the two men.

There was something wrong with their expressions. Ning Qing looked around. brother Si Chen? "

Yan Sichen pursed his lips and remained silent.

Ning Qing's heart was in her mouth. Gu nanzhi, tell me.

The other party also fell silent.

Her expression turned serious and she stared at Gu nanzhi. tell me the truth, how is he? "

Gu nanzhi's scalp tingled. Yan Sichen was afraid that he would let it slip. Qingqing Qianqian.

"I'm not talking to you."

She interrupted him and stared at Gu nanzhi with a serious expression. you tell me.

[Chapter 453](#)

453 Found it _1

The corners of Gu nanzhi's eyes twitched. For a moment, she wanted to blurt out, but when she thought of what Yan Sichen had said, the solemnity in her eyes disappeared.

He pretended to be dissatisfied and mumbled, " what do you mean? you're so fierce. He's just more seriously injured than you. He broke one of his legs, so he didn't come to see you. Why are you taking it out on me? "

Ning Qing didn't quite believe it. really? "

Gu nanzhi said angrily, 'what else? I can make it sound even more serious. He's dying, okay? the kind where he'll die without a burial place. Are you satisfied?"

"....."

seriously, I've never seen a woman like you. You force people to say it when you don't want to say it, but you don't believe it after you say it. Gu nanzhi complained, her unhappy expressions appearing one after another.

Ning Qing was still in doubt. She turned to look at Yan Sichen. After getting his confirmation, she said, " alright, I've misunderstood you.

Gu nanzhi rolled her eyes.

Ning Qing thought about it and didn't think it was a big deal.

Perhaps his injuries were really serious, so Nian che didn't come to see her.

Ning Qing let go of her thoughts and stopped thinking about it.

.....

In the early hours of the morning, ning Qing was woken up by the movement outside.

The commotion was really big. There were many people's footsteps and voices, and she couldn't sleep.

Thus, she got out of bed, trembling, and opened the door.

Gu nanzhi happened to walk past her and she grabbed her. what happened? "

After saying that, she stretched out her head to see what was going on.

Gu nanzhi glanced at the people who were being carried into the room. She was so anxious that she hit ning Qing's head.

Ning Qing hissed in pain and glared at him. what are you doing?!

Gu nanzhi's hands were shaking. She raised her voice and scolded her. you're a patient. Why didn't you sleep well? why did you come out in the middle of the night to join in the fun? "

Ning Qing felt that he was being ridiculous. I was woken up by something!

"Yingluo, you can't come out even if you wake up!"

Ning Qing touched her forehead, not understanding his irrelevant words.

Gu nanzhi pushed her inside. that's enough. Women will only become uglier if they don't get beauty sleep. By then, I won't love you anymore. Go, go, go. Go to sleep.

Ning Qing was unwilling and even stuck her head out. what happened? tell me and I'll go to bed.

Gu nanzhi stopped pushing her and suddenly became serious. he's drowning too. There was an emergency just now.

Ning Qing was stunned.

He stared at her face, his feelings tangled and complicated.

"Do you want to go see him: : he blurted out as if he had lost his mind:

Ning Qing's expression changed slightly, and he clenched his fists.

"No," she said.

Then, before he could react, she took two steps back and put her hand on the door.

"Ning....."

"I'm going to sleep first, you can go."

The door closed in front of Gu nanzhi's eyes. The urgency and frustration caused his mind to be muddled.

He cursed in a low voice, turned around, and quickly walked into another room.

The small space was filled with people. The doctor quickly examined his condition and ordered people to prepare the equipment.

Ten minutes later, the doctor picked up the defibrillator.

"150 Joules, get ready!"

"180 Joules, get ready!"

"200 Joules, get ready!"

The sound of electric shock came one after another, and everyone was waiting for a miracle.

Finally, the electrocardiograph showed a curve!

doctor, the patient's vital signs have been restored!

Nian che and Lu Zhui's eyes reddened at the announcement.

Gu nanzhi stood at the door and let go of her trembling hands.

A few minutes later, everyone was driven out.

Gu nanzhi looked at the haggard crowd and gritted her teeth.

Fortunately, he was still alive.

She didn't have to bear the burden of human lives anymore.

Joy, relief, and other mixed emotions surged into his mind.

In a daze, his eyes met Nian Che's.

Nian che pursed his lips and lowered his head.

He returned a smile, turned around, and walked away with a relaxed expression.

[Chapter 454](#)

454 I'm here today to apologize to you

The next day, morning.

Gu nanzhi had come to find ning Qing early in the morning. Her cheerfulness did not seem to be the same as the last two times they had met.

Ning Qing laughed at him. you still look a little angry. When I saw you yesterday, those who don't know better would have thought that you were seriously ill.

Gu nanzhi was thick-skinned. stop talking nonsense. I'm full of energy!

After chatting for a while, there was a knock on the door.

Yan Sichen pushed the door open. Qingqing, someone's here to see you.

"Who is it?" ning Qing asked.

The news about her and Nian lie had been sealed off, so there shouldn't be many people who knew about her accident.

"Li Miao, Miss Li."

Ning Qing's expression suddenly became indescribable.

The atmosphere was a little strange.

She looked at Gu nanzhi. She put down the grapes in her hand and said embarrassedly, " she knew that I didn't go back for the past two days. She guessed that something had happened to you. Also, on the night you fell into the river, her personal servant was also in the corner.

Ning Qing narrowed her eyes and looked at Yan Sichen.

"Did she come alone?"

"There's another one," Yan Sichen said gently.

"In that case, let her in."

Some things had to be asked to know.

Gu nanzhi looked at ning Qing's cold expression and felt a chill run down her spine.

I haven't asked you what happened in the past two days: " he asked in: low voice: what happened between you two that night? "

Ning Qing shifted her gaze. what do you think happened between us? "

Gu nanzhi choked. She pouted. if I knew, why would I ask you? "

"I didn't jump down myself."

Gu Nanxi's mouth was wide open in shock.

Ning Qing pursed her lips. I want to take revenge on him, but I won't risk my life.

He knew that she couldn't swim, so there was no way she would jump down.

Gu nanzhi realized this after a while and put away her joking expression.

Some truth seemed to be floating in his mind.

"So it was Qiao 'er who did it to Qianqian?" he asked with difficulty, his face slightly tensed.

"What would you do if this had something to do with your little fiancée?" ning Qing asked instead of answering his question.

The man didn't explode in anger, which was rare. Instead, he frowned.

if it's really her, " he said seriously after thinking for a moment, " I won't indulge her or favor her. You can do whatever you want to her.

Ning Qing was a little surprised.

From her point of view, she never thought that he hated Li Miao as much as he had shown.

After all, the two of them were childhood sweethearts. He hated marriage but that didn't mean that he really hated Li Miao.

Ning Qing's lips twitched. you won't? "

Gu nanzhi rolled her eyes. please, this is a malicious injury. It's illegal!

"But she's still young."

"So what if he's young? You have to be punished for your mistakes."

Gu nanzhi was angry and depressed. She didn't understand why Li Miao made Qiao 'er do such a thing.

"If Qiao 'er was really incited by her, then no matter what kind of punishment she receives, it's all what she deserves."

Ning Qing stopped talking.

Soon, there was another knock on the door.

The person who pushed the door and entered was Li Miao.

"Miss ning,"

She saw Gu nanzhi lying on the bed and felt a little uneasy. She didn't know where to stand.

Gu nanzhi looked at her coldly.

On the contrary, ning Qing's attitude was more gentle.

"I'm sorry, I'm not feeling well. Please sit down and talk."

She motioned for Gu nanzhi to give up her seat to Li Miao, but the other party turned her head and pretended not to hear her.

Li Miao didn't dare to sit and hurriedly waved her hand, "no, no, no need!"

Her expression was very panicked, and her delicate face was slightly red. It took her a lot of effort to bend down and force out the words.

"Miss ning, I'm actually here today to apologize to you!"

"I'm sorry!"

[Chapter 455](#)

455 You've really disappointed me (1:

Ning Qing and Gu nanzhi looked at each other.

Gu nanzhi patted the bed and was so anxious that she wanted to do it. what are you sorry for? What are you talking about? make yourself clear!"

Li Miao raised her head and her eyes were red like a rabbit's.

She bit her red lips and held back her tears. I'm sorry for Qiao 'er pushing you into the water, Zhenzhen.

Gu nanzhi stood up abruptly. did you really make her do it?!

Li Miao shrank back and lowered her big eyes, but she didn't refute.

"I'm sorry, Yingluo."

Gu nanzhi was so shocked that she couldn't speak. By the time she reacted, he had already walked in front of Li Miao, grabbed her hand and scolded, "

"You really did it! Li Miao, do you know that you almost killed her and Nian Xi?"

"I've always thought that you were just a little unruly and willful, a child who can't grow up. I was wrong! Which child is as vicious as you, taking someone's life with a single move!"

"Li Miao, you've really disappointed me!"

Li Miao clutched the corner of her dress tightly as crystal tears flowed down her cheeks, "I'm sorry, brother Rong.

"I'm not the one you should be sorry to! It's the people you've harmed, and you yourself!"

After shouting this, Gu nanzhi felt like her chest was on fire.

He stared at her innocent face. He could never have imagined that she would become like this!

Li Miao endured it and couldn't say a word of explanation. She could only repeat the three words "I'm sorry."

cry, cry, cry. You only know how to cry. The people who almost died because of you didn't cry, so what are you crying for?!

Gu nanzhi looked at the person on the bed. She was looking at the two of them eagerly, as if she was watching a show.

The fire in his heart was stuck, unable to go up or down.

"Forget it. I don't care if you're Dead or Alive. I don't want to see you again!"

With that, the man rushed out in anger.

Li Miao knew that he was really angry and didn't dare to keep her.

She looked at the woman on the bed with teary eyes. She held it in for a few seconds, but she couldn't.

He burst into tears.

"Brother Rong really hates me now!"

"It's all my fault. I'm sorry, Wuwu."

Ning Qing looked at the woman who had slipped and sat on the ground without caring about her image and sighed.

She lifted the blanket and got out of bed. don't cry.

Li Miao did not listen and continued to cry.

Ning Qing's head hurt. no matter how much you cry, he won't know that you're lying.

She stopped rubbing her eyes and looked at ning Qing with her red eyes.

Ning Qing pulled her up, settled her down in a chair, and poured her a glass of water.

"How did you know?" Li Miao held the cup and asked in a low voice.

Ning Qing lowered her eyes at her. before she fell into the water, she said something to me.

It sounded like her maidservant had acted on her own accord to get rid of her, this "big worry".

Li Miao looked at Ning Qing in confusion and laughed. I'm afraid a girl like you won't be in the mood to do that kind of thing.

In other words, her thoughts were too transparent, and all her emotions were written on her face. If he had really harmed her, how could he have just felt wronged?

What's more, for a person like Li Miao, even if she was jealous of someone, it was impossible for her to use such a vicious method to harm others.

Li Miao seemed to understand and glanced at her unnaturally.

"No matter what, Qiao'er is mine. It doesn't matter if she's in the wrong or if I'm in the wrong."

She didn't know what Ning Qing was thinking, but she said all the lines she had prepared.

"I'll take responsibility for her mistakes. You can kill her or cut her up. I won't resist."

[Chapter 456](#)

456 Either send her to jail or fire her (1:

"Aren't you afraid that your brother Rong will hate you?: Ning Qing asked: interested in the little girl.

Li Miao's eyes flickered but she quickly became firm. I'm not afraid.

"Aren't you afraid of the consequences?"

"I'm not afraid!"

"What if I go to jail?"

Li Miao's little face turned white and her red lips moved a few times, "no, I'm not afraid!

Ning Qing's face turned cold. you're not even afraid of going to jail? why? is she that important to you? "

Li Miao straightened her upper body, placed her hands on her thighs and lowered her head.

"Qiao'er grew up with me. I didn't have many friends since I was young, and although my family loved me, they were different from friends. It was Qiao'er who was always by my side and did many things for me.

In my heart, she's not a servant, she's my best friend!"

"But even if she's a friend, it's a fact that she's a murderer,"

Ning Qing's tone was light, but there was an overbearing meaning to it.

"She's not pure, and you're going to indulge her?"

For a moment, Li Miao was unable to speak.

Ning Qing sat by the bed, her slightly pale face expressionless.

"I don't care what her purpose is for the time being, but you have already seen the result. Li Miao, I almost died and the other person who saved me is still lying in the hospital bed. Do you think this is a small matter?"

Li Miao pouted and was about to cry again, "Qiao 'er isn't a bad person, she's doing this for me.'"

Ning Qing took a deep breath and knew that she could not talk to her.

"How about this, I'll give you two choices," he said.

"....."

"First, follow the legal procedure and send her to jail, Hanhan!"

Before he could finish, Li Miao said with a pale face, "no!"

second, " ning Qing continued, " fire her. Don't let her stay by your side anymore.

Li Miao's reaction was even more intense. no!

She had grown up with Qiao 'er, so she could not live without her!

Moreover, once she fired Qiao 'er, the news would spread in the American circle. Who else would dare to hire someone who had been fired by the Li family?

This was basically cutting off Qiao 'er's path of survival!

Ning Qing was very determined. don't say no. Li Miao, choose one of the two. The choice is in your hands.

"....."

"Either you send her to jail, or you fire her and never hire her again."

After a long time, Li Miao raised her teary eyes, " I choose the second.

There was still a chance of survival if she was fired, but if she went to jail, Qiao 'er's life would be ruined.

Ning Qing was certain of her choice. sure, but don't go back on your word.

The little girl's eyes and nose were red, and she looked very pitiful.

For a moment, ning Qing felt that she had become a bad person.

alright, there's nothing else. I'll explain to Gu nanzhi on your behalf. You can go back now.

Li Miao slowly stood up and her mood was very low.

"Li Miao,"

The little girl turned around and looked at ning Qing, who had remained calm.

"Don't forget our agreement."

Li Miao pouted her lips and replied with a very disappointed “I know” before she opened the door and left.

After a while, Yan Sichen came in with a glass of milk. how’s the discussion? ”

Ning Qing shook her head and did not say much.

He passed her the milk. She took a sip and said, ” brother Sichen, I want to go home.

Yan Sichen was stunned for a moment before he immediately reacted. okay.

Ning Qing’s face finally showed the most genuine smile she had had in the past few days.

In the afternoon, Yan Sichen sent some people to take ning Qing away from the cruise ship.

When Nian che heard the news, he was still by the bed.

young Madam said she missed dad and mom. She left ten minutes ago. Lu Zhui reported.

Nian che turned around and glanced at the unconscious man, his eyes dark.

“Let her be,”

[Chapter 457](#)

457 My brother can’t hold on anymore (1:

Ning Qing and Yan Sichen returned to the ning family.

As soon as she saw mother ning, she went up to her and gave her a big hug.

Mother ning and the others still didn’t know that she had fallen into the water. They just assumed that she had missed them since she hadn’t returned for the past two days.

Mr. Ning looked at the mother and daughter hugging each other and felt a little jealous. you’re already so old. Why are you still acting like a spoiled child? ”

Mother ning patted ning Qing’s shoulder. what’s wrong with my own daughter being coy? I think you’re just jealous!

Father ning couldn’t hold it in any longer. He snorted and went into the kitchen.

Ning Qing let go of her mother, who looked at her from head to toe. why do I feel like I’ve lost so much weight after being away for two days? ”

She touched ning Qing’s arm and looked at her slimmer face, her heart aching.

you must eat more later. Your dad knew that you were coming back today, so he went to buy a chicken early in the morning to stew it.

Ning Qing felt warm in her heart. thank you, Father and mother.

Mrs. Ning held her hand as she beckoned to Yan Sichen. come, don’t just stand there. Come and sit down, Sichen.

Yan Sichen smiled warmly. no, aunt ning. I'll go to the kitchen to see uncle and see if he needs any help.

Seeing how considerate and sensible he was, mother ning's heart was in turmoil.

She pulled ning Qing to sit down and said, " oh my, Si Chen is so considerate and gentle. A man like him. I don't know which family's daughter will benefit from him in the future!

Ning Qing lay on her mother's lap and hummed in agreement.

He looked like he was seriously enjoying this peaceful time.

Mother ning lowered her head and looked at her daughter's side profile. Qingqing, I can see that Si Chen is quite concerned about you.

Ning Qing finally understood her intention and opened her eyes.

Mrs. Ning glanced at the kitchen and lowered her head even more. you two have known each other since you were young. Your father and I trust his character. One look and we can tell that he's someone who will treat his wife and children well.

"Oh," ning Qing replied.

"Oh what? Tell mom, what do you think?"

"I didn't think much of Yingluo."

Mother ning was not very happy. you child, why don't you get it? " Mom is asking if you have any other thoughts about Si Chen, such as taking him one step further."

"Mom ..."

Ning Qing propped her upper body up, feeling helpless.

with brother Sichen's current conditions, he can find a better woman. With my status, Wanwan is not suitable anywhere.

what's inappropriate about him? he seems to be treating you quite well, " Mrs. Ning asked in surprise.

Ning Qing did not want to discuss this topic with her. She found an excuse and said, " mother, I'm so tired. I'm going to sleep for a while. You can wake me up later.

"Tsk, Qing Qing!"

Ning Qing ran into the room and heaved a sigh of relief when she saw that her mother had not caught up to her.

As her parents, it was understandable that her parents wanted her to have a good family.

However, her relationship with Yan Sichen could not reach that stage.

She had no feelings for him other than family, and she was not in the mood and confident to give him anything in return.

If they were forced to be together, the other party would be the one at a disadvantage.

She couldn't be so selfish.

And,

Ning Qing's thoughts suddenly flew back to many years ago.

At that time, in the same house, the young girl who had the same voice and smile as her would always stand at the side with a smile and watch her and Yan Sichen laugh and play.

She thought that her sister did not like that kind of liveliness.

It was only later that he found out that the young girl's envious and shy eyes were actually a hidden longing for love.

From the beginning to the end, she had been looking at the gentle young man.

After dinner, Yan Sichen left early on the grounds that he wanted to go home to accompany his parents.

Mother Ning complained and started to talk about Ning Qing.

She pretended not to hear him.

After staying at home for a few days, Ning Qing was ready to return to the Nian family.

That morning, she went downstairs to buy some spices for Mother Ning, but as soon as she stepped out of the gate of the community, she saw the man who had been waiting for her for a long time.

Ning Qing was surprised. Nian Che, what brings you here? "

He had always been unable to hide things, but this time, his expression was difficult to read. Ning Qing suddenly felt that something was wrong.

A look of struggle flashed across Nian Che's exhausted face. However, when he thought of the man lying on the bed, his fate unknown, he made up his mind and said, "

sister-in-law, I know this request is difficult for you, but please come with me to the hospital. My brother's Hanhan is dying.

[Chapter 458](#)

458 He dies, she lives (1:

At Jia Hua hospital.

The room was pure white, and the smell of disinfectant was exaggerated.

It was as if he was trying to cover up some kind of mournful aura.

The doctor said that my brother had been in the water for too long and he was in a very serious state of drowning. He was no longer breathing when we rescued him.

It wasn't easy to save his life, but he's been suffocating for too long and his body has long been overloaded. The doctor has declared him brain dead. If he doesn't wake up during this time, he can only lie in bed and wait for death for the rest of his life.

Nian Che's voice was very low, so low that it was almost hoarse.

Ning Qing sat by the bed and looked at the man who had a lot of medical equipment hanging on him without any expression in her eyes.

Her entire being was empty, as if her soul had left her body.

"When was Yingluo rescued?"

Nian che buried his sorrowful gaze and said, " it was the morning after you were rescued.

Ning Qing opened her eyes, and something quickly gathered in her eyes.

She heard her own trembling voice.

"Early morning the next day?"

So, the sound she heard that night was the sound of him being rescued and being rescued?

Suddenly, Gu nanzhi's reaction appeared in her mind.

That's right.

Why would a man who was usually so cheerful and unruly suddenly show such a serious expression and ask her, " do you want to go and see him? "

It turned out that they had been hiding it from her.

Standing beside her, Nian che felt an inexplicable aura.

It was sad and absurd.

He could roughly guess what ning Qing was thinking. I didn't tell you this news because I was afraid it would affect your recovery.

Those who were familiar with her knew that the relationship between Nian lie and her was too complicated. No one wanted to interfere in their Affairs.

Ning Qing's limbs were cold, and her lips were pale.

"Why did you guys find me first? he's Yingluo!"

Nian che watched her tense back and told her what had happened that day.

after the two of you fell into the water, it started raining heavily. We couldn't see you clearly on the river. We found you on a tree that blocked the riverbank the next morning.

Ning Qing blinked her numb eyes. In a daze, the man's resolute face appeared in front of her ...

His entire body was soaked in water, and his face was stained with dirt. He tried his best to throw her onto the tree trunk, and his black eyes were bright.

He was as determined as if he was making a vow, and his eyes were more turbulent than the river.

ning Qing, you'll live on, and you'll have a happy life for the rest of your life. There will be many people who will love you and dote on you, not just me!

A violent wave came over and covered his head.

A few seconds later, Nian lie resurfaced. He gripped the tree trunk so tightly that his hands had turned white.

"Ning Qing, live well! If you want to get rid of me, you have to live well!"

With a snap, the branch broke.

The man let go of her hand.

Finally, he disappeared into the rolling river.

A tear fell from the corner of her eye.

we speculated that he used all his strength to throw you onto that easily discovered tree trunk, and that he was washed away because he was physically weak.

"....."

The overwhelming mockery, mixed with an unclear pain, attacked ning Qing's eyes.

So, this was what he meant by getting rid of her.

He died, she lived.

He couldn't pester her anymore, neither could she love or hate him!

So it was like this!

Nian Che's voice continued.

"Two days later, at night, we found my brother on an uninhabited riverbank. At that time, he was already dying. He was covered in wounds and his hands were covered in blood.

No one knows what he did, but the doctor said that it was his extremely strong will that allowed him to live."

459 She used to love him so much (1:

Nian che looked at ning Qing and sighed. sister-in-law, I know that my brother has done a lot of wrong things. He doesn't deserve your forgiveness. But he's not in the wrong this time.

Choosing to save her was Nian lie's wish.

Even if he had to pay with his life.

I don't want you to give up on your hatred, but I hope that when you see him like this, you can see if this is the result you really want.

“.....”

sister-in-law, please take pity on my brother and help me.

As Nian che spoke, the corners of his eyes started to tear up.

the Nian family can't do without him, and neither can the Nian family.

“I understand.” Ning Qing sat upright like a statue, and it was extremely difficult for her to say this.

“.....”

“You can leave first.”

Nian che wanted to say something, but he swallowed his words.

then I'll have to trouble you for the next few days. Sister-in-law, you should talk to him more. It doesn't matter if it's good or bad. You're the only one who can wake him up.

Ning Qing did not say a word. Her calm and numb expression made people panic.

Nian che left.

She looked up at the man in the breathing mask, her face as pale as a dead man's.

If it wasn't for the White mist on his mask, ning Qing would have really thought that he was dead.

“.....”

The room was as quiet as ever.

Her flickering gaze moved down and landed on his hands on both sides of the blanket.

His perfectly fine hands were now wrapped in bandages, swollen and unsightly.

However, it made ning Qing's eyes tear up even more.

Her eyes blinked, and tears rolled down her face.

“Is there any meaning in saving me again and again?”

Her eyes were filled with anger and resentment.

“If you have feelings for me, why didn't you save me three years ago?”

why did you let other women climb over my head and let me be bullied and trampled on?!

what did I have? my confidence back then had always been because of your love and favoritism for me. I trusted you again and again, but every time you told me that everything was an illusion!

She used to love him so much!

Love to the point of numbing oneself and forgetting the hatred of his sister;

She loved him so much that she knew about his entanglement with ning su, but still stayed with him without caring about human relations.

He loved her so much that he threw his self-respect to the back of his mind and even gave up his life!

But in the end, she was the only one who was touched.

"Three years ago, I deserved it. What about now?"

Ning Qing screamed and questioned him, but the man could not give her a response.

Did she deserve it, seeing him die for her?

The woman laughed.

In his bright eyes, the light and shadow shattered.

Sorrow and despair ate away at her heart, and the piercing pain came back again.

She cried until her hands and feet were weak, and her whole body trembled.

But he asked in an extremely cold voice, "

"Nian lie, your favorite trick is to lie."

"....."

"I won't believe you."

Ning Qing quickly got up and wiped the tears from her face.

When he lowered his eyes, his cold gaze was bone-chilling.

He didn't look like he was looking at someone who was seriously ill.

"You can continue to pretend. I will never come to see you again."

With that, she opened the door with flustered steps and rushed out.

Nian che jumped in shock. sister-in-law, what are you doing? "

Suddenly, a beeping sound came from the ward.

His face sank and he ordered his men, " call the doctor!

Not caring about ning Qing's whereabouts, he rushed into the room and looked at Nian lie in a panic.

"Brother! Brother, what's wrong?"

On the electrocardiogram, the man's heartbeat was extremely strange.

He didn't know what to do, but he didn't dare to touch Nian lie.

Nian Che's eyes widened as he caught a glimpse of her ...

460 He is the one who harmed our Qingqing (1:

After ning Qing had returned to the ning family from the hospital, she suddenly had a high fever.

"He's fine. How did he get a fever after going out for a while?" Mother ning was extremely worried.

Father ning looked at the ice pack on his daughter's forehead. She had been out for so long this morning, and he knew that things were not as simple as they seemed.

He didn't say much. I'm going out to buy her some medicine. You look after her.

yes, " mother ning replied. She looked at her daughter, who wasn't very clear-headed, and wiped the tears from the corners of her eyes.

"What kind of sin has he committed?"

Father ning changed his shoes and went out. When he went downstairs, he gave Yan Sichen a call after much thought.

"Hey--"

"What's wrong, uncle ning?" His gentle voice was as usual.

"Did anything happen to ning Qing at work the past few days?" father ning asked as he stood at the door, staring at the road not far away.

Yan Sichen was stunned and did not reply immediately.

Mr. Ning was sharp enough to notice that something was wrong. Si Chen, Qingqing went out this morning and came back with a high fever. I've been watching her. I guess she's been hiding something in her heart these days and is afraid that her mother and I will find out.

Yan Sichen's heart tightened. Qingqing is having a fever? "

yes, her mother is taking care of her at home now. If anything happened before, you can tell uncle. As her father, I can't let her take all the blame.

Yan Sichen was silent for a while. Under father ning's urging, he finally told him everything.

Mr. Ning had never expected that his daughter would go through another life-and-death crisis without them knowing.

Yan Sichen couldn't hear his voice and got anxious. uncle ning, don't think too much. Qingqing is fine now. She's done all the tests and there's nothing wrong with her!

Father ning pursed his lips and finally agreed after a long time.

Yan Sichen was at a loss. He immediately dismissed the meeting and rushed downstairs.

"Uncle ning, don't worry about Yingluo."

Father ning wanted to ask about Nian lie's condition, but he didn't know where to start.

After a few words, he hung up the phone, and his face, which had been through a lot, showed worry.

Everything was a sin.

A life was not worth a life.

He couldn't repay the so-called deep love.

He turned around and looked in the direction of his house, shaking his head.

When Yan Sichen arrived, ning Qing had just taken her medicine and fallen asleep.

He didn't even get to see her face, but he had given mother ning a fright.

Si Chen, why didn't you tell me you were coming? "

Yan Sichen glanced at father ning, who was sitting on the sofa. He adjusted his expression and said with a smile, " I heard from uncle ning that Qingqing is sick. I'm here to see her.

Mother ning looked at him in his formal suit. He must have come here for work. She suddenly felt half happy and half sad.

She said, " she cried for a long time in a half-asleep state. Her father bought medicine. She took it and fell asleep. Sigh.

Mrs. Ning sat on the sofa, feeling a little confused. I asked her to go downstairs to buy something. I don't know if she ran into someone, but she's not in a good mood when she comes back.

Yan Sichen thought of a lot of things and his expression darkened.

sigh, I thought that with her back, our family would be able to live a good life. Who knew that so many strange things would happen one after another, like the lingering spirits of the Nian family's Xuanji? "

Mr. Ning couldn't stand her nagging. can you stop? you're giving me a headache.

Ning Qing's mother was upset. what's wrong with me saying something? Nian Jin is the one who harmed our Qingqing!

For father ning, who had just learned that he had risked his life to save ning Qing half an hour ago, he could not harden his heart no matter what.

He couldn't be bothered to listen to mother ning's nagging: Sichen: " he said to Yan Sichen: who had: similarly unnatural expression on his face: " if you're busy at the company, you should hurry back. Don't let us cause you any trouble.

Yan Sichen replied,"why would I? I'm Yingluo."

He understood what father ning meant with one look.

Yan Sichen stood up and said, " alright, please take care of your health. I'll go back first.

Mother ning stood up to send him off, but he politely declined.

After leaving the ning family's door, Yan Sichen was still in a daze.

He stood there for a long time before he left.
