

Mr Nian 491

[Chapter 491](#)

491 Help me take care of Nian lie (1:

“What are you doing?”

Nian Yun opened his eyes.

Ning Qing walked to the window and closed it.

“If you’re not sick, do you not want to get better?”

Her reproachful words were so gentle that Nian lie’s mind went blank for a moment, and his eyes clearly revealed gentleness.

it’s not comfortable to lie on the bed, ” he said in a hoarse voice. my whole body hurts, so I want to move to another place.

Ning Qing glanced at him coldly.

there are two people out there who are so worried about you that they can’t even sleep well. You can’t even be a patient. Don’t you feel guilty? ”

Nian Yu was stunned for a while. Ning Qing walked up to him.

“Go back to your bed.”

“.....”

He was in a daze and didn’t resist at all as he returned to bed.

Ning Qing saw the pills on the bed and poured him a glass of warm water.

take your medicine, ” she said with a straight face.

Nian lie’s Black eyes moved slightly. my head hurts.

Ning Qing held the medicine in her hand. that’s why you need to take it.

Nian lie was very obedient. He took the water and medicine, raised his head, and drank it all.

After a while, his body started to heat up.

: Aren’t you leaving: : he asked the silent ning Qing: moving his neck uncomfortably.

Ning Qing paused. it’s none of your business.

Nian Ying smiled. did Nian che beg you to come and see me? ”

“.....”

“He’s doing this for my own good, don’t be angry with him. I’ve said it before, if you want to leave, you can leave anytime.”

Ning Qing hated his endless chatter. can you shut up? ”

Which patient was as talkative as him?

Nian lie looked at her angry face and muttered while nodding.

Not long after, the person on the bed fell asleep.

Ning Qing observed the man’s face and fell into a brief moment of contemplation.

It had been three years.

It was as if time had not left any traces on his body.

Other than the steadiness and maturity in his eyes, he had not changed at all.

No.

How could you say that there was no change?

At least for now, he would choose her first.

Unfortunately, she didn’t need it.

Ning Qing thought to herself mockingly. From the corner of her eye, she noticed that there was something wrong with the man.

His eyes were tightly shut, and sweat was oozing out of his forehead. His pale lips were trembling, and even his body was twitching.

Ning Qing leaned over. Nian lie? ”

He was still trembling and saying something.

Ning Qing moved closer to him and felt the temperature on his forehead. It was frighteningly hot.

She turned around and was about to go out to call for help when the man pulled her back.

Qingqing, Qianqian, don’t leave. It’s my fault. Don’t leave me.

Ning Qing’s body suddenly froze.

“I’m sorry, Qingqing. I’m sorry.”

He repeatedly apologized, his face red as if he was in great pain.

Ning Qing closed her eyes and broke free from his grasp.

She turned around and faced him.

The powerlessness was like vines, wrapping around her heels and making it hard for her to breathe.

She quietly walked closer, her eyes dark.

“You can’t apologize for everything,”

No matter how much he regretted it, she had already died with that child three years ago.

If only he could bring the child back to life ...

Ning Qing sneered, her eyes numb and cold.

She put her hands on the man's neck-

"Sister-in-law, what happened?" Nian che heard the noise and immediately pushed the door open.

Ning Qing wiped the sweat from his neck, her eyes still unfocused.

"He seems to have a fever."

Nian Xi hurriedly went up to take a look and was shocked. I'll call the doctor right now!

Soon, the doctor came. He did a check and said that it was a normal fever after taking the medicine and that it would be better after a good sleep. Only then did the few of them relax.

After the doctor left, the sky turned dark.

Nian che answered a call and returned to cover Nian lie with the blanket. He then walked toward the woman standing by the window.

sister-in-law, something came up at the company. Lu Zhui and I have to make a trip there. I might need you to take care of my brother.

[Chapter 492](#)

492 Not all the past is worth reminiscing _1

The woman did not answer immediately.

Nian Ying was afraid that she wouldn't agree, so she hurriedly said, " my brother doesn't like people getting close to him. You know that Qianqian has something urgent to deal with. I'll try to come back as soon as possible.

"You can go."

As ning Qing said this, Nian Yu was overjoyed. thank you, sister-in-law. The food is here. I'll ask Lu Zhui to bring it over first.

He left in a hurry, and not long after, Lu Zhui came in with the dishes.

"Young Madam, please take care of young master when he wakes up."

Ning Qing was still standing by the window. The cold wind blew her voice over, and it was faintly discernible.

"I know."

Lu Zhui closed the door and left.

Downstairs, the sound of a car starting up could be heard.

In the darkness, the car's lights flickered as it drove along the road to the gate, then further away until it disappeared.

"Something happened at the company?"

Nian Xi had woken up.

Ning Qing hummed in acknowledgment, closed the window, and returned to the bed.

Her expression was very calm as she picked up the bowl of porridge. eat something.

Nian lie's entire body was weak. He propped his upper body up with great difficulty and leaned against the headboard. He smiled gently and said, "okay."

She brought the spoon to his mouth, and he opened his mouth to take it. He smiled deeply. it's delicious.

Ning Qing looked at the porridge in the bowl and repeated her actions.

Nian lie cherished such a heartwarming moment. His dark eyes lit up. Qingqing, you haven't cooked for me in a long time.

Ning Qing knew that he had misunderstood her, but she did not explain.

After serving him his meal, she ate a little and lost her appetite.

Nian lie leaned against the head of the bed. He waited for her to bring the bowls and chopsticks downstairs. When she returned, he said, "ning Qing, do you know? it's only with you around that this place is warm."

"Really: : ning Qing replied vaguely.

He laughed. you must not know, but I used to like the light you left on for me at night.

"....."

"That always reminds me that there's someone here waiting for me to come back."

Looking at the orange light on the bedside, ning Qing was expressionless. have you forgotten that I used it to hurt you? "

Nian lie's smile froze at the corner of his lips.

"Not all the past is worth reminiscing about."

Ning Qing stared straight at the man, her tone frosty.

"At the very least, we're not,"

She got up and prepared to leave.

:: 'm sorry: Qingqing: : Nian Yu apologized in: panic. I shouldn't have mentioned those bad things!"

Don't go!

"If the two of us have to talk about the past when we're sitting together, Nian lie, you and I should have nothing to say," ning Qing said.

Nian lie lifted the blanket in a panic and wanted to get out of bed, but ning Qing stopped him.

I don't want anything to happen to you while you're by my side. I'm afraid I'll let Nian che down.

Nian lie's heart ached.

He stared at her back as she walked away, but he couldn't stop her. He could only watch as she got further and further away from him!

"Can we start all over again?" he blurted out in a hurry.

The woman stopped in her tracks.

A glimmer of hope rose in Nian lie's heart. His bright black eyes shone with a radiant light. He said, panting, " let's not talk about the past. Let's just talk about the future. Let me get to know you again and start everything from the beginning, okay? "

The last three words had completely changed their pronunciation.

The woman did not respond for a long time.

Nian lie's fingers were cold. He thought that he would not get a reply from her, so he forced a smile and said,"it's okay. You can consider Yingluo."

"How do I start over?"

The sudden female voice made his brain stop working.

It was as if he didn't hear what she said clearly, but he also seemed to have understood her. His eyes were burning with fire.

"Qingqing, Zhenzhen, you've agreed?"

"No one wants to live in the past," the woman said without turning back.

After saying that, she opened the door and walked out, leaving the extremely excited man behind.

493 The flowers sent by her suitor (1:

Ning Qing stayed on Yunyan No. 1 for two days. During that time, Nian lie had recovered very quickly.

On the third day, they finally couldn't find any reason to keep her.

So, ning Qing went home and explained to her parents in a few words. Then, she received a call from Gu nanzhi.

He reported to her that he was safe. Although it was a little late, he had not been able to contact her for the past two days.

After that, ning Qing's life returned to peace.

—

Autumn had arrived, and the cool wind was blowing.

Ning Qing went back to the company and came out of a meeting. Her assistant came to her with flowers.

“Miss ning, these flowers are for you.”

The crowd was in an uproar.

“Ah, who’s so brazen as to send flowers to someone?”

don’t say anymore. It’s definitely a suitor!

“It’s still red roses. They’re so beautiful!”

After the jewelry release, everyone realized that ning Qing was an easy person to talk to, and they were not so afraid of her.

Ning Qing was afraid of attracting attention, so she took the bouquet and walked to the office.

“Who sent it?” she turned around and asked her assistant.

The assistant smiled. a direct delivery from the florist. I really don’t know who it is.

Ning Qing was puzzled.

isn’t there a card on it? ” the assistant said. you’ll know once you take a look.

Ning Qing nodded and thanked her, and the assistant tactfully left.

She took off the card and opened it. On it was written-

Qing Qing, all beginnings are just as wonderful. I hope you’ll be happy all the time.

There was no name, but ning Qing could guess who it was from the message.

She looked at the beautiful rose, pursed her red lips, and carried it out.

Her phone rang and she picked it up with some difficulty. Hello ...

“Qing Qing, it’s me.”

It was Yan Sichen.

Ning Qing held her phone between her face and shoulder. brother Sichen, what’s the matter? ”

Yan Sichen laughed heartily. you’re busy? ”

Ning Qing looked at the flowers in her arms. no, I don’t.

“I’m going to talk about work in your neighborhood later, do you want to have lunch together?”

Ning Qing considered it for a moment. sure.

It just so happened that she also had something to say to him.

“Then it’s decided. I’ll make the reservation.”

“Alright,” he said.

“Do you like the flowers?” Yan Sichen suddenly thought of something and asked.

Ning Qing stopped just as she was about to throw the bouquet into the trash can.

Her brain stopped working. what? ”

“I just passed by a florist and picked out a bouquet of roses for you.” Yan Sichen didn’t notice her awkwardness. do you like it? ”

Ning Qing looked at the flower in her arms again and hugged it tightly. I like it, ” she said politely.

“.....”

but, brother Sichen, I’m not really interested in these things. You don’t have to give them to me anymore in the future.

Yan Sichen’s face darkened and he was a little disappointed. okay.

The two of them exchanged a few words before hanging up.

Ning Qing returned to the office with the flowers in her arms. She put them aside and began to deal with the things at hand.

On the other side, Nian lie, who had just stepped out of the meeting room, stood tall and straight. He listened to the report by his ear, his face unmoving.

When they were waiting for the elevator, Lu Zhui caught up with him. He said to him with some difficulty, ” young master, I’ve asked clearly. Someone sent flowers to young Madam.

Flowers?

Nian lie’s straight brows furrowed. who gave it to you? ”

the assistant said he didn’t see her, but the young Madam came out with the flowers and then went back.

Nian Ying didn’t look depressed. Apart from men, people of the same sex probably wouldn’t give each other flowers.

“Why don’t I order a bouquet for you for young Madam? we can compete with him!” Lu Zhui could tell that he was unhappy.

Nian Xi gave him a cold look.

: What’s there to compare about this kind of thing: : he said stubbornly: suppressing the sourness that rose in his heart.

[Chapter 494](#)

494 A symbol of only loving one person in a lifetime (1)

If they wanted to compete, it should be at the negotiation table.

Lu Zhui didn't expect his young master to be so straight. He blurted out, " of course! Isn't this how you chase girls? " Which man can win someone's heart without doing anything?"

The elevator arrived and they walked in.

Nian lie felt that he had been teased by him, and his mood became even worse.

"What did you just say?"

Lu Zhui's entire body quivered. He said weakly, " isn't that how it's shown on TV? when you chase a girl, you have to give her flowers and gifts. There's also going on dates, meals, and shopping.

He had never been in a relationship before, so he wasn't very clear about it.

But even if he had never eaten pork, how could he not have seen a pig run?

Obviously, Nian lie had never seen a pig run before.

He revealed a wooden expression. what should I do? "

The bodyguards around them seemed to be looking at him.

"Shouldn't we be buying flowers now?" Nian lie asked, bracing himself.

Lu Zhui didn't dare to say no, and he nodded his head like pounding garlic.

Nian lie blushed slightly. aren't you going to prepare? "

Lu Zhui rolled his eyes. how can that be? I'll go and prepare. How is this any different from the man who gave me the flowers just now? "

Nian Xi glared at him, making him tremble.

"Then what should I do to show my sincerity?" he asked.

"If you want to show your sincerity, you should go to the flower shop in person," Lu Zhui said with a serious expression.

As a result, Nian lie, who was supposed to go discuss a project, turned down the appointment with the boss and went to the largest flower shop in Ji city.

That scene scared the lady boss out of her wits, but when she heard that they were only here to pick flowers, she was relieved.

"What kind of flower would this gentleman like to choose?"

Nian lie was a little confused. it's for girls.

The lady boss did not even raise her head. girlfriend? "

Nian lie's expression flickered between dark and bright. it's my wife.

Oh, so it's for your wife. It's quite troublesome for young people to be romantic. Your wife will be happy if she knows!

A rare smile appeared on Nian lie's face. take a look and see what kind of flowers are suitable for her.

The Yellow Rose is not bad. It means that you will only love one person in your life. If you want to be special, you can choose tulips or white Chinese bellflowers.

Nian lie looked at the bouquet of white flowers. They were pure, clean, cold, and proud, just like the her in his memory.

He pointed at the White Chinese bellflower. I'll take this. Please wrap it up.

"Alright," he said.

When he was done and returned to the Nian Corporation, he met many employees on the way, who cast him strange and surprised looks.

Nian lie wasn't nervous at first, but slowly, he started to feel a little scared.

"Do you think she'll like it?" he tugged at his tie and asked Lu Zhui, who was beside him.

don't worry, master. If the young Madam knew that you personally picked it, she would definitely be touched!

Nian lie's heart slowly calmed down.

The elevator stopped at the jewelry design department, and he walked to her office with the flowers.

"President, why are you here?" the assistant was shocked to see Nian lie return.

Nian lie glanced at her. where's ning Qing? "

"Miss ning said that she had an appointment this afternoon and left ten minutes ago," the assistant said.

"....."

Nian lie tightened his grip on the flowers, and the warmth in his heart froze instantly.

The assistant looked at Lu Zhui worriedly. Lu Zhui immediately asked her, " young Madam, who are you having dinner with? "

maybe it's the banquet master of Dong Chen international, " the assistant said timidly. I think the flowers were also sent by him.

Nian lie's dark eyes were so deep that Lu Zhui's heart trembled. young master, Qianqian.

He took: deep breath and suppressed his chaotic state of mind:

"Yes!"

The person who came in a hurry left in a hurry.

Only the bouquet of balloon flowers was left standing alone at the front desk. The assistant didn't know if he should move it or not.

[Chapter 495](#)

495 So you won't stay in the country:

In a high-class Western restaurant.

The environment was quiet and there were people walking by from time to time.

brother Sichen, you must be very busy these days. I heard that Dongchen has taken on a big project. Ning Qing asked in a casual tone.

"It's not as exaggerated as you say. I still have time to eat."

Of course, Yan Sichen wouldn't tell her that he had come to look for her this afternoon.

Ning Qing lowered her head, cut the steak in her hand, and put it in her mouth.

Yan Sichen looked at her. I came to look for you because I have something to trouble you with.

"What is it?"

There weren't many things that could make Yan Sichen take the initiative to ask her for help.

He smiled and said in a gentle tone, "it's the 40th anniversary of Dongchen's founding in a few days. I've decided to hold a charity auction. Yingluo, I want you to be my date.

Ning Qing stopped cutting the steak.

Yan Sichen pretended not to see it. if I remember correctly, your three-month contract with the Nian Corporation is about to expire. So many things have happened recently, you can take a good rest for a few days and bring uncle ning and aunt ning over to play at the party. My parents miss them too.

Ning Qing could not refuse such an excuse.

She thought that he had helped her countless times, so she should repay him.

As for some things, they had to be made clear.

Ning Qing smiled. I told my parents that I'd take them on a trip abroad. It's good that things are like this now.

"Then I'll thank master Yan for his invitation on behalf of my parents," she said teasingly as she raised her glass of red wine.

Yan Sichen was pleasantly surprised and his brown eyes shone with warmth.

He raised his glass and clinked it with hers.

After that, the two of them continued to chat.

"How's your rest?"

"It's pretty good."

what do you plan to do after your contract with the Nian Corporation ends? "

Ning Qing was a little surprised. She had not even started to think about this.

It was probably because too many things had happened recently that she didn't realize that time had passed so quickly.

Three months.

She didn't seem to have done anything.

Seeing that she was obviously in a daze, Yan Sichen asked, "Qingqing? What's wrong? not to your liking?"

Ning Qing shook her head and chuckled.

I just feel that the past three months have passed very quickly. It's like it's gone in the blink of an eye.

It was as if she had just returned to the country yesterday.

Yan Sichen laughed. it seems that our Qingqing has really grown up and understands the value of time.

I see. ning Qing laughed along. are you planning to return to HE after this? " he asked.

Her smile faded. of course.

Yan Sichen's hands tightened. are you really planning to go back to America? "

"Yes."

Yan Sichen was getting a little anxious. night sky has already made you famous in the country. With your current status, you can even start your own studio.

Why did he have to go back to America?

Ning Qing smiled and shook her head. She said seriously, " brother Sichen, HE accepted me during my most difficult times. He also gave me the chance to become famous. I can't forget my roots once I become famous.

Moreover, her contract with HE was for ten years.

It was only the fourth year.

Under the shadow of the light, Yan Sichen was slightly lost in thought and his thin lips moved-

"So you won't be staying in the country?"

A male voice suddenly interrupted, causing the two to look over.

Nian lie strode over to their table, the pain and shock in his eyes clear.

"Ning Qing, you said that you'll go back when the contract expires?"

Go back to that damn country and find that Gu kid?

Ning Qing was shocked by his sudden appearance. She calmed down and looked at him. why are you here? "

That tone was as if he was a passerby!

Nian lie tried his best to suppress his anger. Half an hour ago, he was still carefully picking flowers for her, but now she said that she would never stay in the country again!

[Chapter 496](#)

496 Mr. Nian, you're disturbing me (1:

The man's face turned green and white. After trying to restrain himself several times, he still couldn't help but say in a heavy voice, " if I didn't come, would you have just returned to America without a word? you wouldn't have informed me at all!?"

Ning Qing did not know what he was angry about.

She grabbed a tissue and wiped her mouth. She raised her eyes and looked at him. where I go is my business. It has nothing to do with anyone. Nian lie, no one has the obligation to bear your anger.

"But I have the right to know your future plans!"

Ning Qing's eyes were cold. why should I tell you who you are to me? "

The man's mouth was blocked by a question.

Yan Sichen knew that he couldn't interfere between the two of them. He had learned to be smart. At this moment, he didn't say a word and just looked at them quietly.

Ning Qing looked at Nian lie helplessly. you see, you can't answer me either. Why force yourself? "

After that, ning Qing looked at Yan Sichen. brother Sichen, I'm done eating. Let's go.

She picked up her bag and stood up.

Nian lie leaned forward and blocked her way.

"Is this all you've promised me to start over?" he asked in a low voice.

Ning Qing's face finally turned cold.

She took a step forward and got close to his face.

In his daze, he said such heart-wrenching words.

no matter what I promised you, my social life and life arrangements are my own choices. No one can control me.

Nian lie's eyes were bloodshot from anxiety. I didn't disturb your normal life!

"You've already disturbed me."

Ning Qing's eyes were covered with frost, and her charming face was extremely cold.

She was just having a meal with someone and he had to chase after her. How could she talk about a normal life?

I don't know what misunderstanding you have of me, but I've never promised you anything.

This time, she pushed him away.

And he seemed to have lost his strength, as he took a few steps back.

Yan Sichen looked at the man who had lost his soul and wanted to catch up with him.

"What do you want to do?" Nian lie suddenly asked.

Yan Sichen stopped in his tracks and looked over.

What are you talking about, Mr. Nian? I don't understand.

Nian Yu rushed up to him and grabbed his collar. He was furious.

"Yan Sichen, don't think that I don't know what you're up to! I won't let her attend the annual banquet!"

Many people in the surroundings looked over. Even Lu Zhui, who was outside, had rushed in. He was frightened by the situation.

However, even though Yan Sichen was being pulled by him, there was no sign of embarrassment or fear on his face.

no matter what I want to do, I won't be a threat to Qingqing," he said. how about you, Mr. Nian? when did you become so rough and reckless? "

When Lu Zhui heard this, he felt uncomfortable everywhere.

The people in the dining room had not cleared out yet. He begged the irrational Man. young master, don't be rash. Let go of young master Yan first!

At this moment, Nian lie's heart was filled with anger. How could he still listen to the words of others?

However, Yan Sichen seemed to be deliberately adding oil to the fire. what's the use of being so impatient? Qingqing won't turn back.

"....."

Nian lie's hands were clenched so tightly that creaking sounds could be heard. He was extremely furious.

Yan Sichen's eyes were half-closed and he looked very provocative.

"You'll know what I want to do on that day."

Before Nian lie's fist could land on him, he twisted his hand and pushed him away.

Nian lie's entire body trembled as a terrifying aura emanated from him.

"Yan Sichen, don't you dare!" He gritted his teeth and growled.

The other party's gentle expression did not change at all.

"Let's see if I dare to do it."

Yan Sichen adjusted his shirt, picked up his coat that was hanging on the seat, and finally left.

As soon as he left, Lu Zhui carefully stepped forward. young master, are you alright? ”

Unable to contain the anger and jealousy in her heart, Nian Yu flipped the utensils on the table to the ground.

[Chapter 497](#)

497 Blocked from leaving the Nian Corporation (1)

When Yan Sichen came out, ning Qing was still waiting for him.

“Brother Sichen, are you alright?”

Ning Qing stood outside and saw that everyone had been forcibly taken out. She knew that something bad was going to happen inside.

Yan Sichen gave her a reassuring smile. I’m fine. He won’t do anything to me.

Ning Qing observed that he had not changed at all and nodded in relief.

The two of them went down to the underground parking lot and sent her back to the company.

Before she got out of the car, ning Qing had completely forgotten what had just happened.

“Thank you for lunch today.”

Yan Sichen smiled indulgently. you’re welcome.

Ning Qing unbuckled her seat belt and was about to push the door open to get down when Yan Sichen quickly stopped her.

“What’s the matter?” she asked.

“Qingqing, you’ll be there on the day of the party, right?” Yan Sichen struggled for a while and asked uncertainly.

Ning Qing was a little surprised by his stubbornness, but she did not think much about it.

I will. After all, I’ll be free in the future. It’s good to come and play.

Seeing that he still did not believe her, ning Qing patted his shoulder. don’t worry. If I tell dad and mom, they will definitely come.

Yan Sichen was relieved. that’s good.

“Alright, I’m leaving. Bye.”

Yan Sichen waved at her and watched as she walked through the Nian corporation’s main entrance and drove away.

Ning Qing returned to the design department. The assistant greeted her warmly as soon as she saw her. miss ning, you’re back!

Ning Qing nodded at her.

The assistant said, " please wait for me. then, he went to the front desk and brought back a bouquet of flowers.

"This is for you,"

Ning Qing was puzzled. this is Zhenzhen.

"Mr. Nian gave it to you."

Ning Qing's action of taking the flower froze.

The assistant laughed and said, " I heard that Mr. Nian heard that someone sent you flowers. He specially went to the flower shop to pick them out. He even specially brought them back for you. However, you weren't in Huahua at the time.

The assistant felt a little guilty.

Mr. Nian looked upset when he left.

She couldn't tell Mr. Nian that she had leaked ning Qing's schedule and that she had made him so angry.

Ning Qing did not say anything, and her expression was strange. The assistant did not dare to say anything more.

The two of them looked at each other. She noticed that ning Qing was in a daze and suggested with a fake smile. why don't I put these flowers in a vase in your office? they're so beautiful. Don't waste them.

Ning Qing glanced at her. up to you.

She didn't take it, but pushed the door open and entered the office.

After a while, the assistant really brought in the bunch of balloon flowers in a vase.

Ning Qing looked at the red roses on the coffee table, then at the pale Chinese bellflowers, and felt inexplicably irritated.

She did like flowers.

Almost no one disliked it.

It just depended on who gave it to him.

Finally, she couldn't stand the sight of the flower, so she placed it together with the vase where she couldn't see it. Only then did she feel a little more comfortable.

Ning Qing thought that Nian lie had given up on her because he had not come to look for her.

However, when she was about to leave, she realized that she had been overthinking.

"Why can't I leave? The contract has already expired." Ning Qing was confused.

It was hard for the assistant to see her like this.

um, before you joined the company, the president's office told us that you must get Mr. Nian's approval if you want to leave. The rest of us can't do anything to you.

Ning Qing had never expected him to be waiting for her here!

She suppressed her anger and asked, "was it Nian Xi's order? where is he now? I'll go and find him.

The assistant's face fell. I'm sorry, miss ning. I've asked assistant Lu. Two days ago, Mr. Nian went to the capital on a business trip for a project.

Ning Qing's teeth were chattering. when is he coming back? "

"It might take four or five days."

[Chapter 498](#)

498 Donation (1:

Four to five days?

Ning Qing was sure now that the man had done it on purpose!

He knew that she was going to Dongchen's charity dinner. If she didn't leave the Nian Corporation by then, she would still be a designer hired by the company and wouldn't be able to attend the charity dinner!

Nian lie, ah, Nian lie, you really know how to scheme!

Ning Qing knew that it was useless to argue with her assistant, so she turned around and went back to the ning family.

In the president's office, in front of the large desk, the man's eyes were slightly tired, and his handsome face looked a little worn out.

"What was her reaction?" Nian Xi asked.

The assistant trembled with fear. miss ning was angry, but she left without saying anything.

Nian Yu pinched the bridge of his nose, frustration rising in him.

Lu Zhui gestured for his assistant to leave. Then, he walked closer. young master, I'm afraid young Madam is anxious. It's not a long-term solution for you to do this.

After all, the contract's time limit was up, so it was just a verbal agreement.

Nian lie was even more vexed when he heard what he said.

What could he do?

Was he really going to let her do as she pleased?

Yan Sichen was obviously up to no good and she was still angry with him. No matter what he said, she would not listen.

"You know young Madam's temper. The more you force her, the more she won't do what you want."

A dagger flew over.

Lu Zhui shivered and quickly lowered his head.

Nian lie was flustered, but there was nothing he could do.

After looking at the phone that didn't respond, he threw a "get out" to Lu Zhui, and the other party ran away as if he was running for his life.

As for Ning Qing, she would never sit still and wait for death.

Seeing that the charity party was two days away, Ning Qing did not go to the company the day before and took her parents out to play.

Her relaxed posture and lack of tension stunned the people who were following her secretly.

"She still has no reaction?" As Nian lie asked this, he was already filled with deep doubts.

Yes, young Madam even brought father and mother out to play. Master Yan has also been busy preparing for the party these past two days, so the two of them haven't seen each other.

The man reported the truth, and Nian lie remained silent.

Was she going to give up just like that?

Nian lie didn't understand, but he couldn't find any loopholes.

Until three hours before the banquet.

Ning Qing had asked the servants to dress up her parents. The scene looked quite big, and mother Ning was a little worried. Qingqing, aren't we attending a family banquet? Why are there so many people?"

It was indeed a little too eye-catching for Yan Sichen to specially arrange for a convoy to come.

Ning Qing was also a little surprised, but she still comforted her mother. Don't worry. Uncle Yan and Aunt Yan are waiting for you and father. Just take it as you're going to catch up. Don't worry.

You're not going?" Mr. Ning frowned.

"I have something to do, so I'll be late."

Father Ning and mother Ning couldn't tell what their daughter was trying to do and got into the Yan family's car under her coaxing.

Ning Qing called out to the Butler who had come to pick her up. Hello.

The Butler nodded respectfully. What can I do for you, Miss Ning?"

Although Brother Si Chen invited us to the party, it's still a charity event. Ning Qing would like to contribute a little.

She took out a small black velvet gift box.

"This is a small gift from my donation this time. Please help me pass it to the person in charge of the banquet."

The Butler was a little surprised. Ning Qing continued, " you know, I don't have a very good reputation in the past. So, please help me donate it anonymously this time. Thank you.

The Butler looked at the woman in front of him in a new light. He said seriously, " you're welcome, miss ning. I'll definitely get this done.

"I'll have to trouble you."

The lights of the cars lit up and they left one by one.

Ning Qing stood at the entrance of the community, her expression unclear in the cool breeze.

When he looked at her again, the silver bracelet on her wrist glowed brightly, and her exposed fingers were slender and clean.

There was nothing left.

499 The mysterious auction item (1)

The large banquet hall was resplendent and filled with people.

Yan Sichen was talking and laughing with the crowd, and there were two well-dressed people standing beside him.

One of them walked up to him and whispered something in his ear. He nodded and quickly dealt with the person in front of him. Then, he told his parents, " dad, mom, uncle ning and aunt ning are here.

The woman was graceful and luxurious, while the man was elegant and steady. Both of them were a little excited as they followed the banquet master to the backyard.

Not long after, he returned alone.

The lights dimmed and the emcee walked onto the stage.

"Dear guests, good evening! Thank you, everyone, for taking the time out of your busy schedules to attend our Dong Chen International's 30th anniversary party. On behalf of the organizer, I thank you for coming!"

There was a warm round of applause.

as you all know, Dong Chen international was founded by master Yan, and now our master Yan has taken over. It's all thanks to your help that we've been able to get to where we are today. So, tonight is destined to be an extraordinary night!

The emcee's voice was loud and clear. our current president, Mr. Yan Sichen, holds the sentiment of 'standing upright and doing good to the world'. The purpose of holding this charity auction is to pass on our love to everyone!

There was another round of applause.

"Mr. Yan Sichen, please come on stage to give a speech!"

Yan Sichen went on stage with a smile, raised his hand slightly, and insisted on everyone.

The audience quietened down.

“Hello, everyone. I’m Yan Sichen.”

His wise eyes swept over everyone, and his smiling voice was gentle and pleasant.

thank you, everyone, for attending this charity party. Si Chen thanks you again.

“.....”

today, I’m very honored to be able to invite every kind-hearted person to gather here. Tonight will be a warm night. All the items to be auctioned will be donated by the kind-hearted people present. We will donate all the charity funds obtained from the auction to the poor children in the mountainous areas in our own names. Si Chen also hopes that everyone will have a happy night. Thank you.

Thunderous applause rang out.

The host continued to warm up the atmosphere with passion, and the audience also took their seats.

“Has Qingqing arrived yet?” Yan Sichen asked the Butler.

“He’s already on the way.”

“Yes.”

Yan Sichen was relieved and returned to his seat in the first row.

the first item is a blue-and-white porcelain vase from mingguan kiln, donated by Mr. Zhang of meteorite international. The starting price is one million Yuan.

Yan Sichen turned around and made eye contact with the chubby man in the second row.

The bidding began.

“One million and five hundred thousand.”

“Two million!”

“Two million and five hundred thousand.”

Yan Sichen raised his board. four million.

Everyone was in an uproar.

The emcee was excited. alright, young master Yan has raised the bid to four million. Is there anyone else who wants to fight for it? ”

“.....”

“Four million, going once.”

“Four million, going twice!”

four million, going three times. Sold!

The blue and white porcelain bottle fell into Yan Sichen's hands.

"Young master Yan is really generous!"

Yan Sichen smiled kindly. since it's a charity, it doesn't matter how big the amount is. What's important is that it can help the poor children in the mountainous area.

The crowd began to praise his kindness.

With Yan Sichen's move, the atmosphere of the auction became more lively.

The second item was the white jade bracelet, which was sold for 3.2 million Yuan. The third item was Master Song's landscape painting, which was sold for 4.8 million Yuan. The fourth and fifth items were the Kasaya.

When it came to the eighth piece, the host started to keep them in suspense.

our eighth auction item is very mysterious. Firstly, our donor is anonymous. Secondly, this auction item is very unique and there is no starting price. Everyone can name their own price and increase the price.

500 A ring worth 20 million Yuan (1:

Hearing the host's words, everyone was curious about what the auction item was.

The host removed the black flannelette, and a ray of cold light shone on the display stage. A silver luster flashed across the ring's surface.

The unique characters and characters added a touch of mystery to it, and the ring itself seemed to contain some kind of power, so dazzling that people could not open their eyes!

For a moment, the entire place fell silent.

No one noticed that someone had come to the observation deck on the second floor.

Ning Qing was wearing a pure white silk dress. The tube top made her look sexy, and half of her sleeves were designed. The slanted train of the dress made her look even more flirtatious.

She was wearing gloves of the same quality, her long hair was tied up neatly, and a white silk net slanted in front of her forehead. She wanted to say something, but she didn't. Her dark red lips, dark eye shadow, and bold eyeliner made people unable to stop looking.

She looked at the crowd from the corner of her eyes. is he here? "

"We're already here."

"That's good."

There was no emotion in the woman's eyes. She put her handbag down and sat on a bench at the side. She looked down with half-opened eyes, waiting for a good show.

“.....”

After the silence, some people began to whisper.

Yan Sichen stopped talking and glanced at the observation deck before looking away.

He raised his board. His voice was not loud, but it had the power to deter people.

“Five million.”

As soon as these words came out, the entire scene changed.

Five million?

The most expensive exhibit was only sold for 4.5 million just now, and this ring of unknown material was worth 5 million?

“Five million five hundred thousand!”

A slightly trembling voice sounded, and everyone’s eyes looked over.

Is Yingluo crazy?

The expression of the man who had raised the bid did not change and he even smiled at Yan Sichen.

He was not crazy.

It was just that he thought that something that could make Yan Sichen say five million Yuan would definitely not be ordinary!

Taking a step back, if it was really just an ordinary toy, and if Yan Sichen liked it, he could bid for it and give it to him. Wouldn’t that be great?

As long as he could hook up with the Yan family, he would not have to worry about not having a way to expand his market overseas in the future!

The man’s thoughts were ahead of time, but someone immediately called out a bid of six million. His expression changed and he looked over. He saw that the other party had the same thoughts as him.

Then, things got out of hand-

“Seven million!”

“Eight hundred!”

“I’ll give you 9.5 million!”

“I’ll give you ten million!”

The people who couldn’t see through it were so scared that they didn’t dare to breathe. They all looked at the ring, and the more they looked at it, the more ordinary it seemed!

Was this a prank?

What kind of ring could be worth 10 million!

Yan Sichen's expression was still indifferent, and his warm face was a little cold.

He said something shocking again. twenty million.

"Whoosh-"

The people in the back row had already started to say that he was crazy.

Yan Sichen didn't mind at all. He picked up the microphone and said, "donating to charity is to give back to society. Sichen just wants to do his best. There's no need for everyone to speculate.

The voice slowly weakened.

Yan Sichen gave the emcee a look, and the latter immediately came back to his senses to resolve the awkwardness. master Yan, you're really very kind!

20 million. Is there anyone else who wants to raise the bid? "

"....."

"20 million, going once!"

"Twenty million, going twice!"

Upstairs, ning Qing's hands clenched tightly.

The host looked around. 20 million Yuan!

He raised the hammer in his hand high.

"Twenty million, three ..."

"100 million!"

At the door, a man's voice suddenly interrupted.
