

## Mr Nian 501

### [Chapter 501](#)

501 Snatching away someone's beloved (1:

The host's words were cut off and everyone looked at the person.

That included Yan Sichen and ning Qing on the observation deck.

At the dark entrance, the man stood tall and straight.

As he walked, his appearance gradually became clear.

His facial features were well-defined, and his black eyes exuded a cold and determined light, which made people look at him in fear.

Nian lie stared at the host on the stage and said in a deep and magnetic voice, " a hundred million!

"....."

Upstairs, ning Qing's hand slowly loosened.

When he took off his gloves, his palm was already wet.

Yan Sichen pursed his lips and remained silent.

Someone immediately recognized the person.

"Isn't this Mr. Nian?"

Through the glass window, Nian lie stared at the ring, his large hands in his pockets clenched tightly.

When he turned around, the look in his eyes had changed.

"I'm sorry, everyone. I was delayed by something, so I'm late."

He glanced around the room and finally fixed his eyes on Yan Sichen.

"Welcome, Mr. Nian," the man stood up and said politely.

"Congratulations, young master Yan."

After a simple conversation, both of them had their own thoughts.

"Mr. Nian, please take a seat."

Yan Sichen had arranged a seat for Nian lie. He sat right beside him, with an empty seat between them.

The emcee warmed up the place at the right time.

As Nian lie sat down, his subordinate brought over a number plate.

The emcee said, " let's start the bidding again. Just now, young master Yan called for 20 million. Our Mr. Nian called for 100 million.

When he said this, his voice was trembling.

“Mr. Nian, are you serious?”

The man threw a cold and stern look at her. His entire body was cold.

Nian lie’s thin lips moved slightly. what do you think? ”

Just three words were enough to intimidate them.

He nodded his head in a panic and said, ” alright, Mr. Nian’s one hundred million. Is there anyone else who wants to raise the price? ”

Yan Sichen raised his board unhurriedly. 150 million.

The surroundings were so quiet that even the sound of a needle falling could be heard.

Yan Sichen turned to look at Nian lie. The other party’s eyes were dark and gloomy, but he still raised his sign.

“200 million.”

“It’s 200 million!”

This was a miracle in the auction world!

The emcee was so excited that his face and ears were red. He stared at the two of them and asked, ” master Yan, do you still want to raise the price? ”

Yan Sichen’s lips still had a gentle smile. it seems like Mr. Nian really likes this item.

Nian lie’s face remained calm. of course I like it, and I’m determined to get it.

He looked at Yan Sichen, who did not look too good. master Yan, do you really like it? ”

Yan Sichen endured it and didn’t move.

“Of course.”

“Since that’s the case, let’s fight based on our own abilities.”

This time, Yan Sichen didn’t even raise his sign. 250 million.

The host was extremely exaggerated. Oh my God! A ring has already been auctioned for 250 million!”

Nian lie looked at the silver ring under the light and gritted his teeth. Anger rose in his heart.

He had not expected that she would put it up for auction!

Even if she couldn’t remember everything, she shouldn’t have done this!

Ning Qing, are you really going to destroy everything in the past?

Nian lie couldn’t figure out why she would do this, but he knew that he couldn’t let the ring fall into the hands of others.

He fought with all his might to suppress the rolling emotions in his chest.

His eyes were as cold as the ice of deep winter.

Seeing that Nian Junting was ignoring the host, the banquet master thought that Nian Junting was about to give up. Mr. Nian, " he said calmly, " you're considering it. Don't blame me for stealing someone else's love.

Nian Yu turned his head, his eyes filled with shock and fear.

An invisible and ferocious aura spread out.

He suddenly moved his thin lips, his smile carrying a wild arrogance and mockery.

"If you want to take away someone's love, you have to see if you have the ability!"

His attitude was especially arrogant, as if he had forgotten where he was now, and there was only one goal in his eyes and heart-

"One billion!"

## [Chapter 502](#)

502 Why are you here?

A billion?

The hammer in the host's hand fell.

Yan Sichen's face changed."You're so silly!"

No one knew the reason why he had spent one billion Yuan.

Everyone only had one thought-Nian Xi had gone crazy!

Nian lie's smile remained unchanged. master Yan, do you want to add more? "

"....."

This time, Yan Sichen was silent.

It wasn't that he didn't have that much money, but he was weighing whether he should give up that much to compete with him.

From the corner of his eye, Yan Sichen caught a glimpse of Nian lie's determined look. Even he, who rarely had a desire to win, could not resist this provocation.

"If one billion is not enough, how about two billion?" Nian lie interrupted him just as he was about to speak.

"....."

He stood up and looked down at Yan Sichen, pointing to the front of the stage.

today, no matter how much the people here add, I must have it!

Ning Qing's face was cold. if Mr. Nian can come, why can't I? "

Nian Xi grabbed her wrist, dazzled by her outfit. However, when he thought about how she had come for Yan Sichen, his heart ached so much that he couldn't breathe!

ning Qing, don't forget that I didn't allow you to leave your post. You're still my subordinate. I won't allow you to attend a banquet like this!

In a fit of anger, he said that the Nian family's people were my people.

"Who said I'm Yours?" ning Qing asked.

"I might let you leave me!"

As long as he didn't allow her to do so, she would still be the Nian corporation's jewelry designer!

Ning Qing snorted coldly, raised her eyes, and looked at him through the White gauze.

"You've already given your permission."

Nian Xi was so upset that she didn't seem to have heard her clearly. what did you say? "

When did he allow it?

Why didn't he know about it?

"Just now," ning Qing said.

Nian lie still didn't understand.

She flung his hand away, took out a piece of paper from her handbag, and stuck it in front of his eyes.

look carefully, Nian lie. This is your signature.

Nian lie's vision darkened. He tore off the piece of paper and immediately felt the world spin around him.

What was written on it was nothing more than permission for her to leave the Nian family and have nothing to do with each other in the future.

But he remembered when he had signed such an agreement.

In that split second, he suddenly thought of something.

Ning Qing's lips curved into a beautiful fake smile as she said the words that confirmed his guess.

that's right. You signed this when you signed the donation contract.

### [Chapter 503](#)

503 Am I such a casual woman in your eyes?

Nian lie's hand trembled as he held the paper.

"So, you put the ring up for auction to get me to sign this agreement?"

"Yes," ning Qing replied.

Nian lie instantly felt as if he had been plunged into an ice cellar.

The woman in front of him felt unfamiliar.

He was extremely sorrowful, and his eyes were red. ning Qing, how can you be so stubborn? ”

Was he too good to her?

She had abandoned his love and sincerity, disdained everything about him, and avoided his touch like a snake or Scorpion.

Looking at the man who was unable to speak, ning Qing’s eyes wavered. She said subconsciously, ” you should have let me go earlier. If you hadn’t held me captive, I wouldn’t have done this. Besides, it’s just a ring. What do you have to worry about? ”

Ning Qing’s body was suddenly pushed against the wall, and the back of her waist hurt.

Before she could react, a black shadow rushed toward her face.

Ning Qing closed her eyes out of reflex.

“Bang!”

The sound of flesh hitting hard objects exploded in her ears.

The man panted heavily, his voice mixed with a sobbing tone.

“You can’t do this to me.”

Ning Qing’s heart suddenly ached.

She slowly opened her eyes. Nian lie’s twisted face made her speechless.

“Ning, you can’t do this to me!”

He couldn’t care less about the blood on his hand and held her in his arms.

Ning Qing suddenly felt breathless. Nian lie, let go of ran ran.

it’s not a ring, ” the man mumbled in her ear. it means you love me. Ning, you said it before.

Ning Tingyi did not understand his incoherent words, so she pushed him hard.

Nian lie, you’re hurting me. I told you to let go!

Suddenly, a voice came from outside.

Ning Qing awkwardly covered the man’s mouth. don’t say anything. There’s someone here!

He mumbled something as if he was crying.

The sound was getting closer, and someone was passing by.

Ning Qing couldn’t care less and bit the man’s shoulder.

He stopped moving.

Her body tensed up and she pressed down on him tightly, paying attention to the movements outside.

The man left after washing his hands.

Ning Qing had just heaved a sigh of relief when the man suddenly pressed her down with great force, his cold lips pressing against hers.

She couldn't keep calm. Nian lie, you're Hanhan.

The man used all his strength to suppress her and ravage her as if he was venting his anger.

Ning Qing felt a pain in her mouth, and the smell of blood became stronger.

She lifted her leg to touch a certain part of his body, but he knew in advance and his big hand grabbed her thigh.

Slowly, the hot palm began to move upwards.

Ning Qing sensed his intentions and bit the tip of his tongue hard.

He only trembled and then suppressed her even more forcefully.

"....."

After a while, Nian Ying released her lips. will you not leave me if I tie you to my side? " he said in a hoarse voice by her ear. &Nbsp;

A huge panic rushed to the top of his head and occupied his mind.

Before ning Qing could react, the man's lips were already on her neck, and they were gradually moving down.

Ning Qing knew that she could not defeat him, and the sadness and despair in her eyes spread.

Her entire body was trembling, and her pale smile made one's heart ache.

"Do you have to humiliate me like this?" she asked.

The person in front of his chest stopped.

it took me three whole years to regain my dignity as a human. Are you going to trample on my dignity again today? "

Crystal tears fell from the corners of her eyes.

Nian lie raised his head and saw her in a sorry state.

"Am I such: casual woman in your eyes?: ning Qing asked in: soul-like voice.

"....."

"I don't even deserve to have a bed, only the bathroom?"

She laughed, but her tears could not stop flowing.

Nian lie suddenly realized what he had just done. He felt so guilty that he almost lost his life.

"I'm sorry, Qing Qing!" He helplessly pulled up her skirt and tidied up her messy long hair.

Ning Qing had no strength in her body, and her eyes were empty.

"I forgot that you like this. You can't wait for the whole world to watch you do this kind of thing."

Nian lie's bleeding hand stiffened.

He knew that she was being sarcastic about what had happened three years ago.

He had "done" it with the woman she had found, and she was listening in the living room.

However, she didn't know that he had been drugged by someone. He had rushed back to find her, but she had found another woman for him instead, Huahua.

#### [Chapter 504](#)

504 Towards him, love and hate are both so powerless (1:

At that time, facing her who couldn't remember anything, he almost couldn't control himself. However, when he thought of the past, he couldn't do anything with other women.

He was unwilling, pained, and bitter.

He let the woman scream for a long time and soaked himself in cold water to cool down, but what he got was that she wanted a divorce.

In his confusion, he could only leave some harsh words and escape.

He didn't know that that was the beginning of an unbridgeable relationship between them!

Nian lie's heart shattered completely. He pulled her into his arms again. I'm sorry, I'm sorry.

Ning Qing was exhausted. every time you hurt me, you say sorry. But Nian lie, is it really useful to say sorry? "

"....."

The man hugged her even tighter.

Ning Qing was helpless.

She was too tired.

Up until now, she couldn't even decide whether to love or hate.

Love was obliterated by hate.

She hated him, but she didn't have any means to make him submit.

What should she do?

After a long time, so long that ning Qing's entire body was numb, the man let go of her.

"I can't let you go: : he said painfully as he held her bare shoulders and felt her trembling:

Ning Qing could not laugh.

He took a step back and picked up the paper on the ground.

"Wait a moment, I'll get someone to come in and help you."

Then, he opened the door and walked out.

Ning Qing's legs gave way, and she slid to the ground.

The cold ground was against his skin, and the chill was piercing into his heart.

Her dress was stained with the blood from his hand, and the red plum blossoms bloomed, beautiful and sad.

"Miss, quickly get up!" A woman in a waiter's uniform came in and helped ning Qing up, then opened the cubicle for the disabled.

"In order to avoid being seen by others, it's better for us to switch to this side."

Ning Qing could not say a word and let her do as she pleased.

The woman didn't say much. She took out her makeup items from her bag and finished her makeup in a few moments.

She took off the White veil on her head, straightened her long hair, and then clipped it with a Pearl bow.

The skirt was a little difficult to deal with, but it wasn't difficult for the woman.

She half-squatted and used the same eye shadow to draw along the blood.

A few minutes later, the red butterfly bloomed on the White silk.

Absolutely beautiful and stunning.

Ning Qing regained her senses. you know a lot.

The woman smiled. of course, I exist to solve the special incident at the gala.

Ning Qing remembered that she was Nian lie's woman and did not say anything more.

"Thank you," he said.

She got up and went out, not paying attention to the woman.

The woman looked at her straight back and sighed. After cleaning up, she disappeared without a trace.

Ning Qing's eyes hurt, and she walked to the venue absent-mindedly.

Yan Sichen anxiously searched for her for a long time and finally found her.

He quickly walked toward her and held her hand. Qingqing, where have you been? "

Ning Qing shuddered. I went to the bathroom.

Yan Sichen heaved a sigh of relief. I thought you had left.

Ning Qing forced a smile. She was about to say something when she saw her parents and the Yan family's parents dealing with other people.

She was stunned. my parents ran ran.

Yan Sichen held her hand. don't worry. I asked them to come out.

Ning Qing didn't understand. Didn't he say that her parents were only here to catch up with his parents?

Besides, her parents didn't like this kind of occasion.

Ning Qing wanted to help them out but was held back by Yan Sichen.

"Brother Sichen?" she looked at him in confusion.

Yan Sichen lowered his eyes, his gaze gentle and full of love.

Ning Qing's heart skipped a beat. She had a bad feeling ...

Yan Sichen held her hand firmly, his lips filled with gentleness and love.

"Qing Qing, I have something to tell you."

#### [Chapter 505](#)

505 Please give me a chance and marry me (1:

Without another word, he took a step back and knelt down on one knee.

Ning Qing's eyes widened. brother Si Chen, what are you doing, ran ran? "

When the surrounding people saw this, they all gathered around.

Ning Qing's words were cut off.

Yan Sichen kneeled on the ground with a gentle expression. Qingqing, listen to me first.

"....."

this is a little rushed, but I've thought about it for a long time and decided to do it. My parents are very supportive of me.

Ning Qing looked around and saw that her parents were looking at her lovingly. Her parents were also standing beside her, obviously prepared.

I've also told uncle ning and aunt ning in advance. They all said that as long as you're happy, everything is fine.

A bouquet of flowers was handed over from behind Yan Sichen. He took it and handed it to her.

Qing Qing, I've always wanted to tell you that no matter what you've been through, no matter how much time has passed, you'll always be the one and only girl in my heart.

“.....”

I’m very sorry. I didn’t have enough courage to confess to you in the past and watched you walk towards someone else. But now, I don’t want to miss out on the woman I love deeply again.

Ning Qing couldn’t tell what she was feeling. All sorts of feelings welled up in her heart, and she was so flustered that she didn’t know where to look.

“So, on this very important day for me and my family, I want to tell you bravely that I love you very much, Qingqing! I’ll try my best to give you happiness, and I hope you can give me this chance.”

Yan Sichen took out a ring box from the pocket of his suit.

Ning Qing was shocked. brother Si Chen, you ran ran.

“Qing Qing.”

His tone was as gentle as before, and his eyes were smiling. He was like an elegant young master, as gentle as Jade.

His eyes were shining, sparkling like stars.

“Please give me a chance and marry me.”

The last four words exploded in the crowd.

Ning Qing was completely confused.

The people around them began to cheer and shout, “agree to him!” Agree to it!”

“.....”

The diamond ring the size of a pigeon’s egg was embedded in the ring box, and it was so dazzling that it hurt people’s eyes.

Ning Qing’s body was cold, and her fingertips were numb.

Her vision wasn’t very clear. Her eyes flashed past everyone, the guests, her parents, the service staff, and the man with a shocked expression outside the crowd.

Nian lie had never expected that Yan Sichen would do such a thing!

Under the observation of his parents and everyone else, this was simply forcing ning Qing!

No!

She would not agree to it!

He didn’t allow her to agree!

At this moment, his entire body exuded a violent aura, which was no less than any other moment in the past.

Lu Zhui’s heart skipped a beat. young master, young master, please don’t be rash. Young Madam will never agree to it. She doesn’t have that kind of feelings for master Yan!

He was really afraid that this man would lose his mind in front of so many people. How was he going to do public relations?

Nian lie's expression could no longer be described as terrifying. The veins on his forehead were bulging, and his eyes were bloodshot. He flung Lu Zhui's hand away and tried to make his way through the crowd.

However, before he could enter the crowd, the woman who had made eye contact with him earlier lowered her gaze and said, "I'm willing." &Nbsp;

Boom—

Nian lie's feet were frozen.

Yan Sichen was nervous at first, but when he heard this, he was so happy that he jumped up. Qingqing, Zhenzhen, you agree?!

Ning Qing nodded.

She really agreed!

Yan Sichen felt like he was dreaming!

What he had been dreaming of for so many years had finally come true today!

#### [Chapter 506](#)

506 My fiancée (1:

my good son: " the banquet mother quickly reminded him: quickly put the ring on our future daughter-in-law.

Yan Sichen's hands trembled as he held ning Qing's soft little hand. He tried a few times before he could put it on her ring finger.

"Kiss! Kiss!" The crowd cheered.

Yan Sichen's eyes softened as he gazed at the woman in front of him affectionately. Qingqing, can you?"

Ning Qing's eyes flickered, and he immediately understood. He turned around and smiled. I'm sorry, everyone. My fiancée is too shy.

"Oh, you're starting to be reluctant."

Yan Sichen laughed but didn't say anything.

He gave ning Qing a hug under everyone's gaze.

She was caught off guard, but she did not push him away.

Yan Sichen's smile deepened.

"Qingqing, I'm so happy," he said.

He was originally nervous.

He thought that she would most likely not agree.

He didn't expect things to go so smoothly.

Ning Qing's eyes were half-closed as she watched her mother lean into her father's arms, touched. She looked as if she had gotten what she wanted, and her struggling heart gave up.

"As long as you're happy," she said.

After saying that, her gaze turned to a certain place outside the crowd.

It was completely empty, there was no one there.

Ning Qing was stunned. Yan Sichen let go of her reluctantly. you go back with dad and mom to rest for a while. I'll come to you after I'm done with my business.

"Alright," he said.

Yan Sichen pulled her over to his parents. dad, mom, please take good care of her.

"How can you say that?" mother Yan rebuked. Qingqing is our family's treasure. Are you afraid that we'll mistreat her?"

Knowing that his mother was teasing him, Yan Sichen was a little embarrassed.

"Si Chen, you can go now," father ning said:

Yan Sichen nodded and looked at ning Qing reluctantly before he walked towards the crowd.

"Aiyo, we've just gotten together, why are you so clingy?"

The banquet mother smiled and took ning Qing's hand, looking at her gently. it's been a long time since we last met. Our Qingqing has grown up into a big girl. You're so beautiful.

Ning Qing smiled and greeted her and the elegant man beside her. Hello, aunt Yan and uncle Yan.

The banquet mother smiled from ear to ear and then called the ning family's parents to go to the backyard together.

Ning Qing circled the hall worriedly, making sure that there was no trace of a certain person. She did not relax, but instead felt uneasy.

However, she didn't have time to think about it.

When they arrived at the back of the courtyard, ning Qing realized that there was an outdoor private room at the back. She could see the auction scene at a glance and enjoy the scenery in the courtyard.

After they sat down and served tea, the banquet mother sighed. after so many years, our two families have finally gathered together.

that's right. We haven't seen each other for so many years. Mother ning replied with a smile.

The banquet mother looked at ning Qing, and the more she looked at her, the more she liked her.

my son's wish has finally come true. I didn't expect Qingqing to really become my daughter-in-law.

Ning Qing was slightly lost in thought. She did not know what to say when she heard this.

what do you mean? " Mr. Ning asked.

The banquet's father, who was not good with words, said, " when my son was very young, he said that he would marry Qingqing when he grew up. At that time, I thought it was just a child's joke and didn't take it seriously. Who knew that after so many years of living abroad, he would reject any girl who introduced him to.

"After that, he insisted on returning to China and we couldn't stop him no matter what," mother Yan continued.

She looked at ning Qing with a smile. didn't I find out later? I insisted on coming back because of Qingqing.

### [Chapter 507](#)

507 Brother Sichen and I don't have any problems yet (1:

This time, not only ning Qing, but even the ning family's parents were surprised.

it's good that he has achieved his wish. Otherwise, it would be embarrassing if he still can't get Qingqing after coming back for so long.

"....."

Mother ning and father ning looked at each other. Mother ning laughed. what are you saying? what's so embarrassing about chasing a girl? "

Oh, we're just afraid that he won't be able to get her after chasing her for so long. Qingqing is such a good girl. It's too good for him to marry her!

With that said, the banquet mother gestured to the banquet father, and the banquet father called the waiter to serve the dishes.

Very quickly, the dishes were served.

The banquet mother took the initiative to put some food into ning Qing's bowl. baby, eat more. You're so thin. If your health isn't good in the future, it'll be hard for you to bear a baby.

Mother ning and father ning's faces changed slightly.

Under the table, she quietly reached out to father ning. Father ning paused and was about to speak, but ning Qing spoke first.

"Auntie Yan."

"What's wrong, baby?"

Ning Qing couldn't say anything when she saw her worried face.

"Does it not suit your taste? I'll get someone to make it again."

"No," ning Qing stopped her.

Yan's mother and father were puzzled.

Ning Qing thought for a moment and mustered up her courage. I only found out about brother Sichen's thoughts today. I actually know his personal situation very well, but being together isn't a matter between the two of us. It's a matter between two families.

"....."

Her face was a little pale, and she found it difficult to speak.

However, she raised her head and faced the two elders. She said honestly, " I don't know if brother Sichen has told you about me. I'm Xuxu. I'm married.

Yan's mother and father were obviously stunned.

Ning Qing clenched her hands. besides, I had a child before, but he didn't survive. My body was also damaged because of this. It might be difficult for Qianqian to have other children in the future.

His words were already too clear.

Even though the two of them were used to seeing storms, they couldn't say anything else at this moment.

Ning Qing thought to herself, 'either I say it all in one go.'

She held her breath and her eyes were clear. actually, brother Sichen and I haven't had a relationship yet.

"Qing Qing!"

A sudden male voice interrupted ning Qing's words.

Yan Sichen rushed forward, his panic visible to the naked eye. what are you guys talking about? why aren't you eating? were you waiting for me? "

Mother Yan couldn't tell what kind of expression she had on her face. She just smiled and said, " little brat, don't think too highly of yourself.

Yan Sichen took off his suit jacket, rolled up his sleeves, and sat down next to ning Qing.

Alright, alright. Don't stand on ceremony. Uncle ning, aunt ning, you must be starving after waiting for so long. Eat more.

He greeted everyone enthusiastically, as if the previous stagnation did not exist.

Ning Qing didn't say anything. Yan Sichen peeled a shrimp and placed it in her bowl. Seeing that she didn't look right, he asked with concern, " what's wrong? do you feel uncomfortable? "

With this question, everyone at the table looked over.

The banquet mother seemed to have forgotten what had happened just now. She grabbed Ning Qing and asked, "you're not feeling well? where are you feeling unwell? I'll ask the accompanying doctor to come and take a look."

Ning Qing stopped her. it's alright, aunt Yan. I'm fine.

"Qingqing, if you're really not feeling well, don't hold back. It's better to let the doctor take a look," said the banquet's father worriedly.

Ning Qing felt uncomfortable all over. She tried her best to explain, which finally appeased their worries.

After dinner, the two families watched the fireworks show together.

Ning Qing looked at the fireworks in the sky, her heart trembling.

Yan Sichen could feel her uneasiness and approached her from behind, his big hands about to hold her waist.

"Qingqing, what's wrong? are you unhappy?"

Ning Qing sensed his intentions and subconsciously moved to the side.

His hand missed.

#### [Chapter 508](#)

508 Are you afraid that Nian lie will find out that you want to marry me?

Yan Sichen froze for a moment. When he looked up, the woman's face looked especially serious under the flickering light above her head.

Although Ning Qing couldn't bear it, she couldn't go on like this as more and more people took it seriously.

"I'm sorry, brother Si Chen," she said.

Yan Sichen hesitated. why did ran ran apologize? "

Ning Qing pursed her lips. what happened today was very sudden. I, Yingluo, wasn't prepared for it. And in front of so many people, I, Yingluo ...

She didn't know how to refuse.

The Yan family was a big family in Ying city. Ning Qing's reputation was a small matter, but their parents were there, and there were so many outsiders.

At that time, she didn't have any other thoughts at all. She only thought about how embarrassing it would be if she refused and how much gossip and criticism it would cause the Yan family. She didn't think much about what would happen later.

In fact, she didn't have time to think.

Perhaps, it was also because Nian lie was looking at Yingluo.

For various reasons, she couldn't refuse.

Ning Qing lowered her eyes. I can tell you many reasons, but I'm sorry for your efforts.

"You're going back on your word?" Yan Sichen was shocked and asked with a pained heart.

When he said this, his voice was trembling.

Ning Qing knew that she could not let him misunderstand her any further.

it's not easy for two people to be together, " she said. it's a matter of two families, not to mention marriage.

"....."

I'm sorry, brother Sichen. ning Qing took a deep breath as the explosion slowly died down. I'm really not ready.

The fear of losing her instantly swept through the man's mind.

He held ning Qing's arms tightly. but Qingqing, you've already agreed to it. There are so many people watching!

He held her hand and was in a hurry to prove something. look, you're already wearing the proposal ring I gave you. Qingqing Qianqian.

Ning Qing knew that he could not calm down. She only said, " I told aunt Yan and uncle about me just now. I can see that they don't know anything.

Yan Sichen stopped moving.

Ning Qing was very calm. you didn't tell them everything about me, and they're not ready to accept my past. Do you think we can still have a future like this? "

Her question was like a needle.

It wasn't sharp, but it hit a vital point.

Ning Qing did not want to force him, so she broke free of his hand.

brother Sichen, many things aren't that simple. This isn't just a matter of whether I'm willing or not. It's a matter that concerns the future of both families.

Yan Sichen was extremely flustered. I was wrong in this matter. I should have told my parents in advance. I'm sorry, Qingqing. What did they say to hurt you? I apologize to you, uncle, and Auntie!

Ning Qing shook her head and took two steps back to put some distance between them.

as the parents who gave birth to you and raised you, they have the right to make judgments and choices about their future daughter-in-law. They also have the right to know.

"....."

Ning Qing looked at him and sighed. brother Sichen, forget it. There's still time. You can take care of yourself.

"You can't!" Yan Sichen suddenly growled.

After he was done, he was afraid of scaring ning Qing, so he softened his voice.

"Qing Qing, don't say that you regret it, okay? Just give me a chance, just this once. I promise you, I'll take care of my parents 'matters."

Ning Qing had never seen him act so humble.

"Is it because of him?" just as she was about to say something, Yan Sichen interrupted her.

Ning Qing frowned.

Yan Sichen lowered his voice and asked, " is it because of Nian lie? are you afraid that he'll find out that you're going to marry me? "

### [Chapter 509](#)

509 Thank you, Qingqing (1:

"This has nothing to do with him," ning Qing said.

"Then why won't you give me a chance?"

"....."

Yan Sichen's eyes were filled with heartache as he smiled helplessly and bitterly. Qingqing, I know Zhenzhen. I know that I'm forcing you by making our relationship public. I also know that with your personality, you definitely won't let me lose face in front of so many people, Zhenzhen.

He knew everything.

Yet, he still used such a despicable method to morally kidnap her.

He could not find any other way to get closer to her.

Whether it was Nian lie or Gu nanzhi, who had appeared and left after that, he felt that he was useless!

Qianqian, I did use the wrong method. But, Qingqing, I want to give you a chance to fight for you. I also want to give you a chance to let go of yourself.

He looked at her with teary eyes, his eyes full of her appearance.

I watched you return, entangled with him, and in pain again. Do you know how much my heart ached? "

"....."

"Can you stop dwelling in the past and look forward? you have to move forward to find better people and things."

Yan Sichen carefully walked in front of her. Her soft hair fell on her shoulders and back. She was clearly so close, but it made him feel extremely distant.

“Qingqing, don’t you want to get rid of the shadow he has cast on you?” he murmured with deep affection.

“Of course I do!” Ning Qing blurted out without thinking.

if you want to, then be with me. After you marry me, he can’t pursue a married woman anymore, right?”

“.....”

In the dark, ning Qing looked at his unclear facial outline, and her heart felt empty.

His bewitching words had touched a certain chord in her heart.

“Can you really forget?” ning Qing asked.

In an instant, Yan Sichen’s eyes lit up.

“Of course, as long as you’re willing, you can!”

Ning Qing was silent.

“Can we maintain our current relationship for now, ran ran?” Yan Sichen lowered his head and asked while suppressing his eagerness.

Ning Qing raised her head and explained nervously, “let’s try. Just try for a month. If you still don’t have any feelings for me, we’ll separate, okay?”

How could ning Qing say no to him when he was like this?

Yan Sichen was as happy as a child, as if he had just gotten oxygen again.

“Thank you, Qingqing,” he said emotionally, trying his best to suppress his desire to hug her.

He was grateful that she was willing to give him this opportunity.

He would try his best to solve everything and be with her properly.

“.....”

Ning Qing struggled to lift the corners of her mouth, but when she found that she couldn’t smile, she gave up.

The banquet ended without any mishaps.

Yan Sichen personally sent the ning family home.

Ning Qing was so tired that she rushed into her room and lay in bed.

Mother ning wanted to say something to her, but father ning stopped her.

she’s tired after a long night. Don’t disturb her.

Only then did mother ning give up.

Thinking about her parents' reaction at the banquet, Mother Ning felt a little uncomfortable.

: don't know what happened today: " she said worriedly: I don't know what the Yan family did to embarrass us: : 'I'll be so sad if Qingqing mentions it.

However, the attitude of the other party's parents was strange, and it didn't look like they didn't mind.

Mother Ning was annoyed at the thought of it. and you said that we've been neighbors for decades and that's it? "

Father Ning glanced at her and snorted.

"I saw that you were extremely happy, so I thought that you were very satisfied."

Mrs Ning was not willing to accept it. I like Si Chen because I want Qingqing to live a peaceful life. But if they don't accept my daughter's past, I, as her mother, will not let Qingqing marry him!

She then glared at Father Ning. I can't be bothered to talk to you.

She turned around and entered the bathroom.

Father Ning ignored her. He looked at Ning Qing's room, sighed, and walked into the other room.

## [Chapter 510](#)

510 Going out on: date (1:

Ning Qing thought that she would receive a lot of news about her and Yan Sichen being together the next day, but in fact, not many people paid attention to it.

Rather than saying that no one paid attention to it, it would be better to say that there were no newspapers reporting it.

When she got to Ning City's entertainment Morning Post, there was only one article in a small corner on the bottom left.

Ning appears at Dongchen international charity party, suspected to be in love with President Dongchen.

The word 'suspected' was worth investigating.

However, Ning Qing didn't have the time to think about it. She had left the Nian family and was now with the Yan family, so it was not convenient for her to do anything.

The days passed by peacefully for half a month. Other than Yan Sichen coming to visit her often and taking her out for meals, no other trouble came to her.

Nian Lie seemed to have disappeared from her sight that night.

Ning Qing heaved a sigh of relief.

On this day, she packed up and went out. Ning Xi's mother knew what she was going to do just by looking at her.

"Going on a date again?"

Ning Qing still did not quite accept this word, and she mumbled a vague "hmm."

Mother Ning pulled her back. "Are you really going to continue your relationship with Si Chen?"

Ning Qing felt strange. "Mother, didn't you think so from the beginning?"

Before Mother Ning could say anything, Father Ning continued, "Your mother just wants you to settle down as soon as possible. She doesn't want you to worry. She's not trying to rush you. Qingqing, don't be anxious."

Mrs. Ning nodded heavily. "I do want you to find someone who's good to you, but the Yan family's attitude is still unclear. You'd better not get too close to Si Chen."

She touched her daughter's head and said, "Our Qing Qing is perfect in every way. If you can't find someone and a family who is 100% on your side, we'd rather not acknowledge this marriage."

Ning Qing was a little touched, and she didn't know whether to laugh or cry. "Father, mother, it's not as serious as you make it out to be."

She was relieved and said seriously, "I've thought about it these days. If I don't take a new step, I can't start over. I want to be with you. Let the past be in the past."

"....."

"Don't worry. Brother Sichen and I are just trying to get used to our new identities. If it's really like what you said and Uncle Yan and Auntie Yan want to stop us, it's not impossible to stop the damage in time."

She patted Mother Ning's hand, a smile in her eyes.

"At least I'm trying, right?"

Mother Ning remained silent while Father Ning sighed. "As long as you think it through, your mother and I have no objections."

Ning Qing smiled and nodded. "Don't worry."

She picked up the keys on the table and put them in her bag. "I won't be back for dinner tonight. You don't have to wait for me."

Mother Ning looked at her daughter who was about to step out of the house and shouted, "Remember to come home! I have to be back before 10!"

"I know."

Ning Qing closed the door and went downstairs. She saw the car at the entrance.

She tidied her hair and walked over with a smile.

The person in the car noticed her and lowered the window. "Hey."

Ning Qing smiled, opened the car door, and got in.

"Where are you taking me today?" she asked Yan Sichen after she fastened her seat belt.

Yan Sichen started the car. His side profile was gentle with a relaxed smile.

“Let’s go eat first, then we’ll go watch a movie later.”

“Alright,” he said.

Yan Sichen tilted his head to look at her. Today, she was wearing a light yellow sweater with jeans, and her long hair was held up by a shark. She looked casual yet gentle.

He was entranced, and his smile became warmer.

“I’ve been a little busy these two days and neglected you. You’re not angry, are you?”

Ning Qing tucked her hair behind her ear. of course not. The company’s matters are more important. You don’t have to care too much about me.
