

Mr Nian 541

[Chapter 541](#)

541 Bored out of my mind _1

Three days passed, and ning Qing did not see Nian lie.

The two of them were clearly living under the same roof, but they rarely met.

Ning Qing was bored out of her mind.

She had tried to contact her parents, but she had given up when she realized that there was no internet connection in the entire house, except for the one in Nian lie's study.

The scar on her stomach faded and turned into a faint pink color, almost invisible.

Ning Qing was sitting on a recliner by the door. The aunty was dressed and was about to go out with a basket. When she saw her, she took the initiative to greet her.

"Madam."

Ning Qing grunted in response.

"You want to go out?"

Aunt Lin nodded with a smile. Sir said that the dishes should be different every day so that you won't get tired of them. I'll go buy some fresh vegetables now.

Her unintentional disclosure caused the woman on the recliner to open her eyes.

"Is there a market here?"

yes, go that way. It's a ten-minute walk. The woman pointed in a certain direction.

Ning Qing looked into the distance, her heart beating fast.

"Can I go with you?" she asked.

Aunt Lin rejected him subconsciously. I don't think that's a good idea. You haven't recovered yet. The weather is so cold.

"It's fine."

Ning Qing pretended not to hear her rejection and straightened up from the recliner.

Her eyebrows were light, and in this cold early winter, she looked particularly cold.

"I'm going to change my clothes. Wait for me."

The woman didn't dare to stop her.

In fact, she was panicking.

She had clearly seen how much Nian lie valued ning Qing these days.

Without his permission, she would never have dared to take her out.

Aunt Lin was very flustered, but she didn't know when Nian lie was standing beside her. She was shocked.

"Mr. Wanwan, when did you arrive?"

Nian lie was dressed in a black sweater, which made him look cold and proud.

He was holding a cup of warm coffee in his hand and glanced upstairs emotionlessly. what did she say? "

"Madam said she wants to go out with me."

He took a sip of the wine, the taste was bitter.

Aunt Lin couldn't figure out what he was thinking. I see that Madam has been in the room for a long time, " she said tentatively. maybe she's too bored.

Nian Xi's face was expressionless and cold.

"If you don't agree, I'll leave first, Yingluo."

"Go."

His brows were deep, and as the cold wind blew, he gave off a sense of desolation and sharpness.

"Bring her a thick coat and scarf."

Aunt Lin was stunned. okay.

"Be careful, don't let her run around."

"Yes."

The sound of footsteps came from the stairs, and the man walked away.

The slender woman was wearing a knitted sweater, a camel-colored coat, and short boots. She was quite attractive.

Aunt Lin's eyes lit up. Madam, you look really good dressed like this.

Ning Qing walked up to her. let's go.

Aunt Lin stopped her. wait.

He took a scarf from the shelf next to her and put it on her.

"It's getting cold, you have to be careful. Keeping warm is the most important thing."

Ning Qing was a lot taller than her. She stood on her tiptoes and barely made a circle. She smiled and praised, " this person is so beautiful. She's different. She's beautiful in every way.

Ning Qing's lips twitched as a response.

She lowered her head, half of her face in the scarf, and her hands in her coat pockets. let's go, it's late.

"Alright," he said.

The two of them stepped out of the courtyard, one on the left and one on the right.

This was the first time ning Qing had stepped out of this door. Perhaps it was because she had been locked up by Nian lie for a long time, but her emotions were surging and intense.

Aunt Lin saw her slightly excited look and felt a little sad. you've been bored for a long time. You're so happy to come out once.

[Chapter 542](#)

542 Call for help (1:

Ning Qing looked at the uneven trees on both sides and the large field behind her, and she was not so guarded.

"I've been locked up for too long, I've almost forgotten what it's like outside."

Aunt Lin looked at her carefully. What a pity to see such a well-behaved face.

She thought that she was Nian Xi's mistress, so she was probably brought to this place because she had a wife at home.

The more he thought about it, the more he felt sorry for ning Qing.

sigh, it's not easy to understand a man's heart. He might like you a second ago, but he might change his mind the next second.

"....."

Sir is good to you, but you're still young. You have many choices in the future. Don't ruin yourself for a temporary love.

Ning Qing was confused for half a second before she suddenly understood what she meant.

Aunt Lin was still nagging, " don't be with Sir just because you love him or not. After all, he has a family. You should get out of this as soon as possible and find a serious person to be with in the future.

"Aunt Lin, you've misunderstood," ning Qing said in a muffled voice, rubbing the edge of her scarf.

"....."

"I didn't follow him of my own will."

"Then you don't love Sir?" aunt Lin blurted out in surprise.

The cold wind was blowing, and it was bone-chilling.

Following the wind were ning Qing's emotionless words, "

"I would be crazy to love him again."

The long-winded woman shut up.

The rest of the time passed in dead silence.

Ning Qing was panting slightly. Because she had not exercised for a long time, her back was sweating after walking for a while.

She took off her scarf and put it on her arm.

After walking for a short while, rows of low houses came into view.

Aunt Lin took ning Qing's hand, saying that she was afraid that she would get lost.

Ning Qing didn't refute her and followed her step by step. Seeing her pick out all kinds of fresh vegetables, she had the illusion that she had followed her mother out on the streets a few days ago.

In front of the fruit stall, aunt Lin was picking large fruits.

Ning Qing was more concerned about her surroundings. It looked like a village, and everyone's expression was languid, unlike the fast-paced life in the big city, where they were so busy that they could not stop.

Oh, aunt Lin, where did this relative come from? he's so pretty! The lady boss who bought the fruits was familiar with aunt Lin. She looked at ning Qing and felt that she was unfamiliar, so she asked.

Aunt Lin glanced at ning Qing and chuckled. don't talk nonsense. This belongs to my boss.

"Aiyo, what a rich family!"

Ning Qing ignored her teasing and only nodded in response.

Aunt Lin picked another bunch of grapes and insisted on ning Qing trying them.

She took one and stuffed it into her mouth. It was sweet and sour.

She nodded, and aunt Lin had it wrapped up.

After following the woman for a while, ning Qing saw a small supermarket.

She looked around and then said to aunt Lin, "I want to go to the toilet." &Nbsp;

Aunt Lin thought for a moment. there's no toilet nearby. If you can't bear it, we'll talk about it when we get back.

Ning Qing shook her head. my stomach hurts.

Aunt Lin looked at her pale face. Someone bumped into her. She said, " there should be a toilet behind the supermarket. I'll take you to the toilet.

"No need," Ning Qing rejected him quickly. I'll go by myself. You do what you need to do. I'll be back soon.

Aunt Lin recalled Nian lie's words and felt a little scared. it's okay. I'll Take You There.

Ning Qing's plan failed.

She led her to the supermarket and found the toilet at the back.

Looking at the dirty public toilet, ning Qing didn't say anything. She took the tissue from aunt Lin and turned to go in.

The woman was waiting outside. The toilet smelled really bad.

Ning Qing endured it, and a little girl of about 17 or 18 years old came out of a simple cubicle next door. She lowered her head and fiddled with her phone.

An idea flashed through her mind, and she stepped forward to block her way.

[Chapter 543](#)

543 Ning Qing was blackmailed (1:

The girl looked at her. what? "

"Hello, I forgot to bring my phone with me. I'd like to borrow your phone to call my parents," ning Qing said.

The girl hesitated. Ning Qing added, " I'll do it in front of you. I won't do anything. Don't worry.

"Yingluo will do then."

Ning Qing handed the phone over and took it. thank you, " she said sincerely, and immediately called her father.

"Du du ..."

Ning Qing's heart was beating wildly.

"Hello, who's there?"

A familiar voice sounded, and tears welled up in ning Qing's eyes. father, it's me.

"Qing Qing? Where are you now?"

There was no anger in her father's worried voice at her sudden disappearance.

Ning Qing was a little excited. She glanced at the girl in front of her, who didn't seem to care about what she said, and moved two steps to the side.

"Dad, listen to me first." She smiled and forced herself to act normal. I'm outside now with aunt Lin by my side. By the way, I've been with Nian lie all this time. You and mom don't have to worry.

Mr. Ning's heart tightened.'Nian lie? Qing Qing, how did you get Hanhan?"

dad, I've been here for a long time. I haven't contacted you and mom for a long time. I've missed you.

"Where are you?"

Ning Qing curled her lips. I don't know either.

"....."

"I miss you and mom, but I have something to do here, so I can't leave for now."

Mr. Ning seemed to have realized something. Nian lie didn't let you go? " Was he the one who caught you?"

"Yes,"

Father ning stood up agitatedly. He knew that ning Qing would never do such an irresponsible thing!

His heart ached at the thought of his daughter spending time with Nian lie.

Qingqing, don't be afraid. I'll call the police immediately!

"No!" Ning Qing refused.

The girl was getting impatient. are you done yet? "

Aunt Lin, who was waiting outside, was probably getting impatient, so ning Qing cut to the chase.

"I borrowed someone else's phone. They're still waiting for me, so I can't talk to you anymore."

"Qingqing, explain it to dad, Zhenzhen."

Du—

The call ended.

Father ning's heart was surging with emotions. He had finally figured out ning Qing's whereabouts!

He thought of her every word and sentence, as if she was avoiding someone.

I don't know where he is, there are people following him, no communication tools.

Father ning wanted to call the police, but he remembered ning Qing's words. So, he could only call one person.

The call went through.

"Si Chen, I have news about Qing Qing!" Father ning said excitedly.

On the other end, the girl snatched ning Qing's phone from her and looked at it for a while. you've been calling for so long. Don't you know how to save on the phone bill? "

Ning Qing looked at the phone that had been hung up. It was useless to be anxious.

"I'm sorry," she apologized.

"You don't look like you don't have any money. Pay for the phone," the girl said.

Ning Qing was stunned. Who had she met?

"It can't be that you can't even take out ten or twenty pieces, right?" The girl didn't believe it. She was dressed so well that she didn't look like someone who didn't have money.

Ning Qing was embarrassed. I'm sorry, I don't have any money with me.

"You didn't bring any money and you still dared to use it for so long!"

The girl was about to get angry when aunt Lin walked in. what's wrong? "

Ning Qing looked at the girl nervously. The girl crossed her arms and said, " nothing much. She just owes me some money. Are you paying for her? "

Aunt Lin could tell that this girl was a bad student. She didn't want to talk to her anymore, so she pulled ning Qing away.

"Hey, old hag, I'm talking to you!"

The girl blocked the two of them with an arrogant posture.

Aunt Lin's face darkened. She didn't know how ning Qing had provoked such a person.

do you have any money? give it to her, " ning Qing said to aunt Lin, afraid that the girl would spill the beans.

[Chapter 544](#)

544 If it's not fun, why did you come out?(1:

Aunt Lin was reluctant, but since she had spoken, she took out a 100 yuan note from her bag and gave it to the girl.

The girl raised her eyebrows and didn't ask for much. sure.

He turned around and left.

As soon as she went out, she received a call. She answered it without even looking at it. The other side asked her, " where is the person who used your phone just now? "

"In the toilet."

"Could you please pass the phone to her?"

The girl snorted. please be clear that this is my phone. I can give it to whoever I want.

Then, she hung up the phone, not caring how anxious the other party was.

When she turned sideways, a man passed by her.

She accidentally glanced at it and was shocked.

F * ck!

So handsome!

Nian lie's eyes met hers for a moment before he walked past her indifferently.

The girl was overjoyed. She stood there and looked at his back as he walked away. Then, she made a phone call.

"Sister, I'm dead! I just met a handsome guy, f * ck! He's really handsome!"

"....."

Nian lie could faintly hear the girl's excited voice, but he ignored her.

Outside the toilet, ning Qing lowered her head and washed her hands as aunt Lin muttered, "this girl is really unreasonable. She's even blackmailing me!" If I didn't come in time, you wouldn't even be able to leave today."

Ning Qing made up a random excuse. I'm sorry. I accidentally bumped into her. I didn't expect this to happen.

Aunt Lin didn't dare to reprimand him.

"It's fine. Be careful next time. Don't bother with this kind of person."

"Yes."

Ning Qing wiped her hands clean with a tissue and looked up to see a man in a black coat striding over with his long legs.

Aunt Lin was even more surprised than her. Sir, why are you here? "

Nian lie had a coat on his arm. He went to ning Qing, picked up the coat, spread his arms, and draped it over her shoulders.

He didn't reply to aunt Lin and just stared at the woman in front of him as if she was the only one in the world.

"It's too cold, I'm here to pick you up."

"....."

Ning Qing was speechless.

Aunt Lin only felt that she was too redundant. She trembled and said something, then retreated far away.

Nian lie wrapped his arm around ning Qing's waist. His tone was so gentle that it made one forget about his madness from the past few days.

"Is it fun?"

"What's so fun about a place like this?" ning Qing said.

Nian Yun's eyes flickered, as if he had asked this question unintentionally.

"If it's not fun, then why did you come out?"

Ning Qing's heart clenched, and she could not help but straighten her back.

Nian lie didn't seem to notice her nervousness. He said gently, " if it's too boring at home, you can tell me. When the weather is better, I'll go with you wherever you want to go.

Ning Qing was not used to his sweet talk. How could he be willing to give her freedom?

She thought that he was just lying to her, and there was not much expression on her face.

“No, I’m afraid of the cold and don’t have anywhere I want to go.”

Nian lie tightened his grip on her, his dark eyes darkening. really? ”

“Yes.”

The ice on his face melted, and a touching smile appeared at the corner of his eyes.

“You’ve become more obedient. I’m very surprised.”

Ning Qing’s hands in her pockets were sweating from the heat, and her eyes were indifferent.

Just as he was about to speak, he was suddenly interrupted by a sound in the alley.

“What was that sound?” she asked.

As she spoke, she was about to turn her head to take a look. Nian Yu turned his body slightly. Ning Qing frowned, but his smile remained unchanged.

“You still can’t change your habit of watching the fun.”

Ning Qing was stunned.

Nian lie lifted her hair naturally and caressed the top of her head affectionately. there are many fights in this small place. If you encounter such things in the future, don’t interfere, especially when I’m not around. Understand? ”

[Chapter 545](#)

545 She won’t call the police (1:

If you don’t want me to care about it, then don’t care about it. Why do you have to say it so arrogantly?

Ning Qing’s face was indifferent. I know.

“Let’s go back.” Nian lie pulled her into his arms again and led her forward.

Ning Qing glanced at the alley from the corner of her eye. The dim light prevented her from seeing the person clearly, but she could vaguely see a familiar face.

It was that girl.

Was she in trouble?

Ning Qing wanted to take another look, but the man did not allow it. She did not want to ask him for help, so she could only pretend not to see it.

In the dark alley, the girl’s shoulders were pressed down by two men, not giving her a chance to struggle.

“Who the fuck are you guys? I didn’t do anything wrong these days, why did you arrest me!”

The man in the lead had a cold expression on his face. young lady, I don’t have any other reason to look for you. I just want to ask you, what did the person you met in the toilet ask you to do for her? ”

An unnatural expression flashed across the girl's face. Could this be her helper?

Was it worth it just for a hundred Yuan?

The man saw her hesitating and asked the people beside her to exert more strength. The girl had never seen such a scene before and immediately cried out in pain.

"Alright, alright, alright, I'll tell you, I'll tell you!"

"....."

The two men let go of her. She rubbed her painful shoulder and looked left and right. she only borrowed my phone to make a call. I didn't do anything else!

The man's eyes turned cold. give me your phone.

The girl never thought that she would be robbed in broad daylight. This situation was much more serious than her!

She took a step back and pressed her back against the wall. big brother, don't, ran ran. I only said a few harsh words to her and took a hundred Yuan from her. You guys didn't have to snatch my phone, did you? "

She had suffered a huge loss.

The man was too lazy to waste his breath on her. With a gesture, she was held back again, and her phone was gently taken away.

Very quickly, he found the phone number.

The girl's face was sullen and tears were coming out. She was so scared that her legs were weak.

"I'm sorry, big brother. I won't do it again. I'll return the money to you. Please return my phone to me. It's a few thousand Yuan!"

The man jotted down the phone number, deleted the call history, and threw the phone back to the girl.

She couldn't believe it, and there were still tears on her face.

Before the man left, he said, " you're still young. Don't be a bad student. Do something serious. Don't be a hooligan like others.

The girl stammered as she watched them leave. Her mouth moved a few times before she said,"he's so handsome, Yingluo."

On the other hand, Nian lie and ning Qing had returned to their residence.

After aunt Lin washed the fruits, Nian Jin took off his coat and was about to sit beside ning Qing when his phone rang.

"I need to take this call," he said.

He turned around and walked to the window.

“Speak,” he said.

young master, that girl said that Madam had borrowed her phone and talked to someone for a long time. I’ve checked the phone number, it’s Madam’s father’s.

“.....”

Nian lie gazed out the window. The red soil in the courtyard was obvious, and beneath it was his true feelings for her.

He didn’t know when it would break out of the ground.

However, it was obvious that she did not want his sincerity.

Even if she was so obedient.

On the other end of the phone, his subordinate didn’t get a reply from Nian lie and reminded him softly, “young master?” Are you still listening?”

Nian lie returned to his senses. yeah.

The subordinate continued, “should we contact Special Assistant Lu to handle the ning family’s side? master Yan should probably know about it by now, Yingluo.”

“No need,”

The subordinate was stunned.

Nian Ying looked into the distance. The Misty Mountains were not very clear, but they were almost the same as the scenery of luoxia Valley.

“Do you want to make arrangements with the police station?”

“She won’t call the police,” he said, his thin lips moving.

[Chapter 546](#)

546 Does Qingqing miss home?

She definitely wouldn’t let the ning family’s parents call the police.

Ning Qing was a smart person. She knew what he was capable of. Calling the police would only anger him.

She had contacted father ning to get Yan Sichen to help her.

Since she wanted to do this, he would let her have her wish.

“Just keep a close eye on the ning family and Yan Sichen,” Nian lie ordered without a change in his expression.

The subordinate didn’t understand what he was thinking, but he didn’t dare to make any wild guesses. young master, ” he said, ” with the Yan family’s means, they might come within three days.

okay, ” Nian lie replied in a neutral tone. He didn’t say anything else and hung up.

“.....”

The temperature in the room was just right, so comfortable that it was easy to forget the cold and danger outside.

Nian lie turned around and looked at the woman on the sofa. The look in his eyes changed again and again.

In the end, it settled into gentleness.

He walked towards her and habitually pulled her into his arms.

Ning Qing wasn't used to it, but she still pretended to lean on his shoulder.

The TV was playing the most popular movie at the moment, but she was not in the mood to watch it. She changed the channel one after another.

“Are you bored?” Nian lie asked.

“A little,” ning Qing said.

It was more than a little. She had long been unable to stand this kind of life.

Nian lie smiled apologetically as he stroked her long hair with one hand. Her hair was soft and smooth, and he couldn't bear to let go.

“I've let you stay here with me for so long, I'm sorry.”

Ning Qing thought he was a little strange and did not dare to answer.

Nian Xun sniffed her hair and kissed the top of her head.

“Qingqing, do you miss home?”

Ning Qing's pupils suddenly shrank, and her heart beat faster.

Why did he suddenly ask this?

He knew?

Ning Qing's heart was in turmoil, but she didn't dare to show any trace of it on her face, afraid that he would notice something.

“What do you think?” she asked.

Nian lie's dark eyes were filled with a smile that did not reach his eyes.

“I'm guessing you really want to.”

“.....”

“I want to return to their side.”

Ning Qing's heart was beating like thunder, and her palms were sweating.

She pushed him away and looked at him. what's the use of me thinking about it? you won't let me go back, will you? "

Nian lie's gaze turned cold, but it quickly warmed up again.

Ning Qing thought she was seeing things, but he took her hand and held it in his palm.

"If you want to, I'm willing to."

Ning Qing froze and could not say a word for a long time.

Nian lie played with her hands. They were clean and slender, with round nails and crescents.

"Why are your palms so sweaty? are you nervous?" he laughed and said.

Ning Qing did not dare to move.

"Did you do something wrong?"

Ning Qing's mind went blank, and her lips trembled. I've done a lot of bad things. I have to pretend to be nice to you. Just consider it one thing.

Nian lie's lips curled into a cold smile, a smile that she had not seen for a long time.

Ning Qing shuddered.

"You're very smart," he suddenly said.

She knew how to use the truth to shut him up.

I'm too stupid, " ning Qing said sarcastically. do you still have the desire to conquer me? "

Nian lie laughed out loud and then calmed down.

"You're right, but you're also wrong."

"....."

as long as it's you, I care about whatever you are.

No matter if it was many years ago or now.

Ning Qing's heart did not waver at all in the face of these words of love.

"....."

Nian lie lowered his head and caressed each of her fingers.

He didn't like the way she forced herself.

He had always wanted her to be willing.

Ning Qing was agitated by his appearance, and she felt uneasy.

She broke free from his grip and got up.

“I’m tired, I’m going to rest.”

Nian lie maintained his position of holding her hand. His eyes were as dark as ink, and it was hard to see through them.

[Chapter 547](#)

547 The arrival of reinforcements (1:

Two days later.

On this day, the winter sun rose.

The temperature had risen quite a bit.

Ning Qing was lying on a recliner in the yard, while Nian lie was on the phone upstairs. She could vaguely hear some sounds, but she couldn’t hear the specific content of the conversation.

She was a little dazed.

Nian lie had been acting very strange these two days. He had been following her around all day long and didn’t even hide anything from her when he was working.

At night, he would not force her to do that kind of thing again.

This kind of silence made her panic.

It was like a sign before a storm.

“What are you thinking about?”

Before she knew it, the man had come downstairs and was standing behind her.

Ning Qing was so uneasy that she did not realize it!

She forced a smile. it’s nothing.

Nian lie stood beside her with his hands behind his back. He looked at the scenery in the distance and took a deep breath. the air here is very good.

: It’s very good,: ning Qing agreed.

the countryside is not like the city. It’s always quiet and peaceful, and the pace of life is slow. This is the life I want.

Ning Qing could not read his mind and did not know why he was saying this.

Nian Xi lowered his head and looked at her. too bad you don’t like it.

Ning Qing felt an inexplicable panic.

“I don’t dislike it.”

Nian lie’s eyes remained unchanged. is that so? ”

“.....”

For some reason, ning Qing did not dare to look into his eyes. She always felt that he could see through her thoughts through her appearance.

“Qing Qing.”

“Yingluo, yes.”

Nian lie’s lips curled into a faint smile. we’ll go back in two days.

Ning Qing clenched her fists. She knew what he was talking about, but she still could not believe it. where are we going? ” she asked.

“Of course it’s Ying city,”

“.....”

“Where else do you think we’re going?”

Ning Qing started to feel nervous again, but this time, Nian lie didn’t press her for an answer.

“It’s getting cold, let’s go inside.”

She stood up and he led her into the living room.

Aunt Lin made two cups of ginseng tea. As soon as she sat down on the sofa, she brought them over.

“It’s to warm your hands. Try it first.”

Ning Qing nodded and held the cup tightly.

It was as hot as fire, scalding her palm.

Nian lie picked up another call and leaned close to ning Qing. He hummed a few times before hanging up.

“If you’re busy, go ahead. You don’t have to accompany me,” ning Qing said.

Nian lie’s Black eyes wavered. there are guests coming. There’s no rush.

Ning Qing was puzzled. When she met his eyes, her heart suddenly skipped a beat.

“You’re so silly!”

She was about to open her mouth when the sound of a door being broken came from outside the courtyard.

Ning Qing’s hand that was holding the cup tightened as she stared at the door. A group of mermen jumped in and filled the living room in an instant.

Behind Yan Sichen were the ning family’s parents. When they walked in one after the other, he immediately saw the two people on the sofa.

“Qing Qing!”

When mother ning called out, ning Qing could no longer sit still. The cup in her hand tipped over, and the hot tea drenched the man's trousers.

Nian lie's expression didn't change at all. He watched as the woman broke free from his arms and rushed toward the person.

"Dad, mom!"

Ning Qing rushed into their arms, and the three of them hugged each other and cried.

Mother ning was bawling her eyes out. I knew it, Zhenzhen. I knew you wouldn't bear to leave us. Qingqing, you've suffered!

Ning Qing shook her head, tears streaming down her face. I'm sorry, mother. I've made you worry. as long as you're safe. Mr. Ning patted her back.

Yan Sichen clenched his fists as he watched from the side.

He really wanted to rush up to her, hug her tightly, and tell her how he had been feeling these days. From his heart that was like dead ashes to hope reignited, he had experienced the taste of hell to heaven.

It was a good thing she was safe.

Ning Qing let go of her parents and looked at the red-eyed Yan Sichen. brother Sichen.

Yan Sichen forced a smile. it's good that you're fine.

The moment aunt Lin came out of the kitchen, the warm atmosphere was broken.

what's going on? Who are you? how dare you break into my house? "

As soon as she finished speaking, the two men had her under control.

"Why are you grabbing me? What you're doing is illegal!"

Yan Sichen looked at the woman coldly. look carefully. The one who broke the law is not us. It's him! he said coldly.

[Chapter 548](#)

548 Nian lie, do you really think I won't dare to touch you?

He pointed at the man on the sofa.

It couldn't be anyone else but Nian lie.

Aunt Lin couldn't think that deeply and shouted at the top of her voice,"my Sir is really good to Madam. How can he break the law?" Don't spout nonsense!"

Yan Sichen's brown eyes narrowed slightly and a dangerous glint flashed in his eyes.

she kidnapped, imprisoned, and deceived her family and friends. She even lied to me, her fiancé, and made her miss our wedding, Yingluo.

Every word he said stabbed the woman's heart, making her at a loss.

"Is this what you mean by treating her well?"

Aunt Lin had always thought that Ning Qing and Nian lie's relationship was ambiguous. Now that she knew that Yan Sichen was Ning Qing's fiancé, her face turned pale.

He was Ning Qing's fiancé.

Aunt Lin couldn't figure it out.

"This is our family's business. It has nothing to do with you, an outsider," Yan Sichen said.

He gestured to his men, and the two of them took Aunt Lin out.

Aunt Lin wailed like a ghost and howled like a Wolf. She looked extremely embarrassed when she passed by Ning Qing.

Madam, I'm sorry, miss Ning. I've never harmed you. I'm only here to take care of you because of the money. Please let me go!

Ning Qing didn't say anything, and she was dragged away.

Mother Ning was looking at her with concern to see if she was injured. Ning Qing held her flustered hand and said, "Mother, I'm fine.

"He took you away for so long, how can you be fine?" Mother Ning's heart ached. She wiped away her tears and said, "Let me take a good look at you. Don't force yourself.

Mother, I'm really fine: Ning Qing held her mother's hand and comforted her.

"....."

Yan Sichen felt sad when he heard their conversation.

He looked straight at the person on the sofa, his eyes burning with fire.

"Nian lie, what else do you have to say?"

Nian lie looked at the teacup on the floor. He bent down to pick it up and placed it back on the table.

He frowned as he felt something wet between his legs.

Upon hearing Yan Sichen's question, he glanced sideways. You broke into my residence without permission, and you're asking me what I have to say.

"....."

Nian Xi's face was cold. I should be the one asking you what you want to do.

Yan Sichen couldn't bear to see him like this, where no one could move him at all. He took two steps forward in anger.

you've separated Qingqing from her parents for so long, forced her to stay here, and lied to everyone. Why are you asking me this now? "

His face was red and his body was tense. There was no trace of his usual gentleness on his face, only monstrous anger and resentment.

"What do you think I can do?"

Of course, he was going to bring her back!

Nian Xi frowned and crossed her long legs. Her posture was calm, and no one could tell whether she was happy or angry.

"Since you're here, let's sit down and have a good chat," he said.

Yan Sichen was stunned by his shameless attitude.

He was even angrier now. you used such a despicable method to make us look for Qingqing for so long. Now, you're still so shameless. Nian lie, do you really think I don't dare to touch you? "

"....."

Ning Qing tugged at Yan Sichen's sleeve and shook her head at him.

Si Chen, " father ning reminded him from behind, " since you've found Qing Qing, let's go back and talk about it later.

Mother ning agreed. let's leave this place first. We'll bring Qingqing home.

"....."

Yan Sichen was so angry that the blood vessels on his neck were bulging and his eyes were red. He held back his anger.

"Alright," he said.

Mother ning held ning Qing's hand. it's good that I've found you. Mother missed you so much.

Ning Qing was touched and guilty at the same time. Her emotions were complicated.

"Let's go home, right now!" He said.

Mother ning took ning Qing's hand and led her out, and ning Qing followed her.

Suddenly, the man spoke in a deep voice.

"Hold on,"

549 I don't want to argue about who the person in your heart is anymore (1:

Ning Qing's body froze on reflex, and her feet became heavier.

She had been too excited just now and had almost forgotten about his existence.

“What else do you want to do?!” Yan Sichen turned his head and shouted when he saw that she had really stopped.

Nian Xi’s eyes slowly opened. He glanced at the group of people at the door and found ning Qing among them.

His voice was low and he spoke at a steady pace.

“Shouldn’t you ask for my opinion before taking my woman away?”

The few of them stopped.

Yan Sichen clenched his fists. what nonsense are you talking about? Qingqing is not yours. Even if she is, she is still my fiancée!”

“Fiancée?”

Nian lie suddenly laughed, his dark eyes extremely cold.

why do you say that she’s your fiancée? where’s the evidence? ”

At this moment, Yan Sichen had lost all his rationality.

His words were frivolous and sarcastic, and the anger in his heart increased countless times.

Ignoring everything else, he pulled ning Qing over and showed her hand. Nian lie, look carefully. The thing in her hand is the evidence. She’s in a daze.

The smile on Nian lie’s lips gradually became strange.

Yan Sichen stared at the ring on ning Qing’s finger and then at her face.

It was he who had forgotten Yingluo.

She had already returned her ring to him and it was lying in the drawer in his room.

And he couldn’t be more familiar with this ring.

From six years ago to now, after so many years, she was still wearing it!

Nian lie still felt that the blow wasn’t deep enough. He said in a scattered tone, ” young master Yan is right. You should take a good look at whose ring she’s wearing.

Yan Sichen’s heart was hit hard.

“It’s time to wake up and recognize who she belongs to.”

“.....”

Ning Qing’s wrist hurt and she used all her strength to break free from Yan Sichen’s hand.

She was a little flustered as she tried to explain,”brother Sichen, I ran ran.”

Father ning and mother ning also saw the object in her hand with their sharp eyes. The two of them froze in place as if they had been struck by lightning.

“Qing Qing, Qing Qing, why are you wearing it?”

Ning Qing’s mother trembled as she pointed at ning Qing’s hand. Ning Qing’s explanation was at the tip of her tongue, but she was confused by everyone’s reaction.

Some images flashed through her mind, but she couldn’t see them clearly.

His head hurt for some reason.

Ning Qing shook her head and looked down at the ring on her ring finger. I know, ” she said bitterly, ” this ring doesn’t belong to me.

The expressions of the three of them changed, including Nian lie.

Nian lie gritted his teeth. who said that it doesn’t belong to you? ”

Ning Qing smiled, but her smile was bitter beyond her imagination.

She looked at Nian lie and said, ” the first time I saw this ring was in your office. It was hidden behind one of your treasured photos. I accidentally broke the photo frame and obtained it by accident.

“.....”

Even though ning Qing was smiling, her eyes were full of mockery.

“That photo is of my sister,” she said.

“.....”

The entire place fell silent.

Nian lie’s face was tensed up, like a string that could snap at any moment.

His dark eyes kept moving, as if he had countless words to say, but also as if the memories were too intense. He was trapped inside, struggling and unable to get out.

who said that it’s your sister’s? ” Mrs ning retorted.

As soon as she spoke, she realized that she had spoken too much.

Fortunately, ning Qing did not mind.

“Nian lie, she said: ” I don’t want to argue about who the person in your heart is anymore.”

“.....”

She smiled gently, but there was not much of a smile.

“Please let me go.”

Nian Yu’s heart ached, and his eyes turned red. What if I don’t agree? ”

Ning Qing stood there and looked at him without saying a word.

Ning Qing's mother could not wait any longer. She pulled her over and said, "Qingqing, let's not talk to him anymore. Let's go."

Ning Qing turned around and walked out. Nian lie suppressed his chaotic emotions and clenched his fists on the armrest, his voice completely cold.

"Ning Qing!"

550 Ning Qing, think about it carefully _1

The desire to kill and destroy surged in his heart, causing his handsome face to twist slightly.

The surrounding temperature dropped by several degrees.

It was depressing and suffocating.

think carefully," he said in a heavy tone. after you walk out of this door today, you won't have any room for regret no matter what happens after that.

The panic came so quickly that ning Qing could not move at all without thinking.

Yan Sichen was extremely disgusted by his continuous obstruction. He glared at him and said, "don't threaten Qing Qing anymore. None of us will believe you."

Nian Yu slowly leaned over, took another cup of ginseng tea from the table, and took a sip.

Yan Sichen turned to smile at ning Qing. Qingqing, don't believe him. He can't do anything with me around.

He put an arm around her shoulder and smiled. uncle ning, aunt ning, let's go.

The two of them nodded.

Yan Sichen pushed ning Qing with all his might, but she did not move.

Yan Sichen's eyes twitched. Qingqing? "

Ning Qing's eyes were listless as she stared at the empty space outside the courtyard.

The red soil was covered in a layer of white frost. A few inconspicuous green seedlings had emerged from the soil in the cold weather!

Ning Qing retracted her gaze and looked at her feet.

The difference between the inside and the outside was only one threshold.

She told herself,"be brave, as long as you leave, you can escape from him."

However, she couldn't control her mind and a terrifying image appeared.

Explosion, collapse, Death Mist

Her chest was in pain as if she was about to suffocate.

Mr. Ning also felt that something was wrong with her. Qingqing, what's wrong? "

"Do you feel uncomfortable anywhere?" mother ning asked worriedly.

Ning Qing's thoughts were brought back to her mind by their voices, and her eyes were covered with a thin layer of mist.

I'm fine, " she said with a pale smile.

They heaved a sigh of relief.

if there's nothing else, then leave. Don't believe his words. He can't hide the truth from everyone.

Ning Qing's body turned cold, and she slowly closed her eyes.

Of course, she knew that he couldn't hide the truth from everyone.

But she knew what he meant.

The scene that day was a warning to her.

Of course, he wasn't a God, but he would do everything he could, even if it meant his life, to not let her leave him.

A great sorrow swept over ning Qing. She knew that she could not leave, and tears filled her eyes.

"Dad, mom, brother Sichen, you guys can leave," she said.

Yan Sichen's face froze. Qingqing, you're teasing me.

Ning Qing shook her head, tears flowing. I'm sorry.

Mother ning held ning Qing's hand tightly, not understanding why she had suddenly changed her mind.

Qingqing, what's wrong? why aren't you leaving? "

He couldn't leave.

Ning Qing's heart was dead.

"I'm sorry, Mom."

Both mother ning and Yan Sichen panicked.

He held ning Qing's arms and forced her to look at him.

are you kidding me? you know that uncle ning, aunt ning, and I went to great lengths to find you. You want to go with us too, don't you? "

Ning Qing bit her lip hard to stop herself from crying.

Yan Sichen didn't know what to do. didn't you take the initiative to call uncle ning because you wanted us to come and save you? Qingqing, it's alright now. He won't dare to do anything to you. Don't be afraid, okay?"

In the end, the man's voice trembled and changed tone.

Ning Qing shook her head. he won't let me go. He won't.

"Don't believe him. He's just trying to scare you!" Yan Sichen comforted her.

Ning Qing still shook her head. The fear in her heart surpassed everything.

"I'm sorry, brother Si Chen. I can't go with you."

Yan Sichen let go of her hand, and ning Qing pushed her mother's hand away. I'm sorry, I'm sorry.

Yan Sichen could not believe what he had just heard. His pale lips trembled a few times before he asked,
" you're not coming with me. Are you planning to give up on our relationship? "
