

## Mr Nian 581

### [Chapter 581](#)

581 Let's get married (1:

Ning Qing's face was pressed against his broad back. I saw that you didn't look too good after Lu Zhui finished talking to you.

She let go of him slowly, and he turned around to face her.

"Did he tell you about the old mansion?" ning Qing probed carefully.

Nian lie didn't say a word, his eyes as dark as ink.

She couldn't figure it out and her eyelashes trembled. I'm sorry.

She was a little soft, but also a little aggrieved and unwilling.

Nian lie, amnesia is a very scary thing. I don't know what I was thinking back then, but if I knew that I would become so sensitive and afraid after forgetting everything, I would definitely not choose to forget again.

Nian lie's heart suddenly sank, as if it had fallen into the deep sea.

It was so suffocating that she could barely breathe.

it's because there's a period of time where my memory is completely blank," she said. I can't remember anything, so I feel like I've never experienced those things.

She smiled bitterly and looked up at him.

to be honest, I didn't expect myself to be so weak. It was just an accident, but I was in so much pain that I had to escape by forgetting.

"....."

"Don't you think I'm a very useless person?"

"No," Nian lie said in a hoarse voice as he gazed at her petite face. After a long while, he removed the cigarette from his mouth.

Ning Qing lowered her eyes. but I think I am.

Nian lie held his breath and lifted her chin, forcing her to face him.

"You're not, ning Qing. You've always been brave," he said with certainty and sincerity:

He had felt this way since the first day he met her.

Everything that happened after that, including her suicide by jumping off the bridge.

She had always been cruel to herself.

He spared no effort in treating him.

Ning Qing's eyes were glistening with tears. did I cause you trouble again? "

He used his thumb to gently wipe the corner of her eyes to stop her tears from gathering.

"No, I didn't,"

"....."

"You will never be a problem to me."

Ning Qing staggered. He remembered her foot injury and frowned as he held her waist.

"If you're injured, don't run around."

She didn't hear his reproachful tone and hugged him even tighter.

I don't want to be a burden to you, just like three years ago. Nian lie, I've worked so hard for so long so that I can be independent and not rely on anyone.

Nian lie's large palm was pressed against the back of her waist. When he heard her words, his jaw tightened.

Ning Qing reached out her hands and wrapped them around his neck.

Her eyes were hazy with tears.

He laughed with tears in his eyes.

"I thought I did a good job, but I still brought disaster to the people around me. My parents, brother Sichen, and you."

Her low emotions were overflowing, and it touched the man's hard heart.

Nian lie steadied her. He said tenderly, " don't say that about yourself. In my eyes, you're not a disaster. You can't be.

Ning Qing looked at him, helpless and confused.

"Yingluo, really?"

He lowered his head and pressed it against her forehead.

So many heartfelt words were entrenched in his chest, turning into love and heartache for her.

"No matter what happens, as long as you're willing to trust me, I'll always be by your side."

"....."

Her tears fell, burning his fingers.

"Will you leave me?" he asked.

The woman bit her lip, and Nian lie's heart started to panic.

Just as he was about to ask again, ning Qing pressed her hands down, stood on her tiptoes, and looked up.

She kissed his lips.

It also happened to stop him from continuing.

His eyes suddenly darkened, and his large palm pressed against the back of her waist as he turned around and pressed her against the window.

The guest turned the host.

He kissed her and carried her to the big bed.

As she was lost in her thoughts, a white light flashed through ning Qing's mind.

Then, she heard the man's hoarse and affectionate words.

"Ning, let's get married."

### [Chapter 582](#)

582 Are you going to kill your parents for her?

"....."

Ning Qing's eyes brightened for a moment before they became hazy again.

She didn't answer. She only propped herself up and hugged him tightly.

After the passion, ning Qing fell asleep due to exhaustion.

Nian lie was only wearing a bathrobe. The shirt around his chest was half-open, revealing the scratch marks.

He came out of the bathroom, walked straight out of the door, and entered the study at the end of the room.

Soon, a video call popped up on the computer.

Nian Xi clicked on it, and an image popped up on the screen.

Nian lie, aren't you going too far with your father and me? "

The woman's angry voice was heard. Nian Yu half-closed his eyes and looked at the two people who no longer had their faces. His expression did not change at all. Which part is too much?"

In just half a day's time, Song Wan's dressing had changed drastically. Her hair was messy and scattered, and she had removed all the jewelry on her hands and neck. She had been reduced from a rich lady to a lowly disciple.

She could not understand why her son did this!

your father and I raised you up and nurtured you with all our heart. Yet, you want to cut off our path of survival for a woman? "

Nian lie didn't seem to be moved by her angry accusations.

"Mother, you're being too serious," he said calmly.

then if you stop your father's medicine, aren't you going to kill him?!

"....."

Ever since Nian Junting had been locked up in the old residence, his health had been deteriorating. He no longer had the vigor he had a few years ago. Since the beginning of this year, he had been so sick that he could not even get out of bed.

As his son, Nian lie was supposed to send him to the doctor. In the end, he found a Chinese medicine practitioner from God knows where and said that it was for nursing his body. Now, even a Chinese medicine practitioner was not allowed to treat him!

Song Wan was so angry that she lost all her gentleness.

"Nian lie, your father said that you've committed treason and that you've been held up by a woman. But I've never thought that you were such a child. What are you doing now? Just because I brought her here, you want to kill me and your father?"

Nian lie was unmoved, and Song Wan was even angrier.

She thought of what he had done to the two of them, and the anger of being disrespected overcame her heartache!

"How did you become like this? Your Uncle Lu watched you grow up, and you're so cruel to him!"

Nian lie's face was cold, and traces of coldness seeped out.

"Wasn't that your doing?"

"....."

"Mother, I think my attitude was not clear enough."

He restrained himself, his eyes gloomy and full of hostility.

three years ago, you could threaten me with her and her past, but she died again. What do you think I have to be afraid of than letting her die? "

Song Wan's face was stiff, and her lips trembled. She pointed at him through the screen. you're crazy! Do you think she'll forgive you after she remembers?"

"Ding!"

Nian lie lit up a cigarette, his gaze becoming more and more unreal.

"We're getting ready to get married," he said.

Song Wan was shocked at first. Then, the screen shook violently, and she gradually lost control of her emotions.

“Are you joking with me?”

the date is on the 5th of next month. I’ve already sent out the message.

Song Wan stood up suddenly, her face twisted.

“You’re really crazy! Her whole family is blaming you for killing her sister, and you’ve harmed her to such a state. How could she be with you? Nian lie, wake up! You’ll only be ruined by her.”

The man’s expression was silent. His thin lips opened and closed slightly. mother, you’re wrong.

### [Chapter 583](#)

583 The one who ruined me wasn’t her, it was you guys \_1

“.....”

“I was destroyed, but not now. It was six years ago.”

“.....”

The woman suddenly lost her voice.

Nian Xun’s mouth was filled with bitterness, mixed with the taste of tobacco. It brought his memories back to six years ago.

“Also, you’re wrong. She’s not the one who destroyed me.”

A chill ran down Song Wan’s spine. Even through the screen, she could feel the heaviness of her son.

She subconsciously wanted to stop him, but it was too late.

“It’s you guys.”

Song Wan’s face was pale and she looked defeated.

Nian Xi looked away. you and him can be witnesses, but don’t try to play any tricks. If you don’t come, I don’t care. It’s up to you.

“Luan ‘er, Luan Luan”

He pressed one hand on the table and leaned forward, letting the person opposite him see his fierceness and coldness clearly.

mom, I can tolerate you once or twice, but I’ll lose my patience if you do it too many times.

“.....”

“This is the last time. Don’t challenge my bottom line again.”

Song Wan did not give up. your father and I are doing this for your own good. Why don’t you believe us?  
” She’s been trying to find out the truth about what happened back then. One day, she’ll find out everything. Knowing her, Nian lie, do you really think she’ll forgive you for everything you’ve done to her?”

The man didn't respond, and the look in his eyes gradually darkened.

Song Wan threw down the last dose of medicine, determined to let him see the reality.

she now thinks that all those things happened to her sister. Her hatred for the Nian family has already reached this stage. Do you think she will really want to be with you? "

"Enough!"

stop talking! Nian lie suddenly shouted. He exerted more force on the hand that was resting on the table, and the blood vessels on the back of his hand bulged. He was extremely violent.

Song Wan knew that she had touched his sore spot. even if you want to marry her again for the sake of the Nian family, " she said with a straight face, " your father and I will never agree to it!

Nian lie laughed sinisterly, and it was impossible to tell whether he was happy or angry!

"It doesn't matter whether you agree or not. I'm just informing you!"

Song Wan was furious. Don't be too reckless!"

Nian lie didn't listen to her. His heart was on fire, and he didn't know why he was so angry.

"Since I can't get your and father's blessings, I won't force it. I'm sure she won't mind."

you and father will stay in the old mansion. In the future, don't even think about interfering in anything related to her!

Without waiting for the woman to answer, he hung up the video call.

A strange anger and hatred rolled in his chest. It was strange yet familiar.

The cigarette in Nian Xun's hand had burned out long ago, and his fingertips had burned a wound.

He didn't seem to feel any pain. He leaned back in his chair and covered his temple with one hand.

What a headache.

Ever since ning Qing had said that she wanted to marry Yan Sichen, he had often been inexplicably angry and couldn't control himself.

It was accompanied by a headache.

The more times it happened, the more intense the headache became.

"....."

The study room was silent.

It was as if a hole had been pierced through his heart.

It was cold, desolate, and barren.

Song Wan's words rang in his ears from time to time, urging the beast imprisoned in his body to destroy everything he saw!

Nian lie took countless deep breaths. His entire body was shaking like a drug addict. He was extremely abnormal.

He thought of the woman in the bedroom and immediately got up. He stumbled back and hugged her on the bed.

The woman moaned in discomfort. She struggled to open her eyes and muttered, "I don't like the smell of smoke.

I'll smoke again, okay?" Nian Ying's eyes were filled with madness. His voice was hoarse.

Upon listening carefully, she trembled in fear.

Ning Qing smiled and reached out to wrap her arms around his neck, rubbing herself in his arms.

"Alright," he said.

The desire to destroy everything in his heart, under her closeness, strangely faded away extremely quickly.

"Don't leave me."

The woman fell silent and fell asleep again.

Nian lie looked at her in a near-sickly daze. After a long while, he hugged her and closed his eyes.

#### [Chapter 584](#)

584 You can only care about me (1:

Nian lie didn't go to the office anymore because he was in a hurry to hold the wedding.

The rumors about him and ning Qing remarrying were getting bigger and bigger. After he made a statement, the rumors slowly stopped.

Ning Qingqing looked at the comments online. Some of the insulting words were really uncomfortable, and there were very few words of blessing.

Nian lie walked down from the study and stood behind her. He leaned over and pressed his face against hers. What are you looking at? "

Ning Qing stiffened. nothing.

Her hand blocked the screen of the tablet.

Nian lie still saw it at first glance, and his expression turned sour.

you don't have to look at these words. If you have nothing to do, you can think of the list of people you want to invite, okay? "

Ning Qing blinked. I don't have many friends.

Nian lie's heart ached as he wrapped his arms around her shoulders. it's okay. We'll invite whoever you think of.

Ning Qing took a few deep breaths and said to him, " Nian lie, there's no need to rush if it's a friend. There's still some time. But what about my parents? "

If she wanted to get married, she could not skip her parents.

Nian lie had obviously thought of what she had said. He fell silent for a moment.

Ning Qing was a little disappointed. She forced a smile and said, " it's okay. Maybe it's best not to contact them. Don't be troubled.

" ....."

Nian lie gazed at her face in front of him. She couldn't hide her gloominess no matter how much she laughed.

He sighed and hugged her tightly.

"Don't be sad, ning Qing."

" ....."

He thought about his schedule and said, " it'll be great if we can get our parents' blessings. I'll arrange the time and we'll go back to see them together.

"Really?" ning Qing's eyes lit up and she said happily.

"Yes."

She was touched and turned back to look at him. thank you, I'm Yingluo.

"You're my wife. This is what you should do," he said in a low voice as he pressed his fingers against her lips.

Including a grand wedding.

Ning Qing's smile reached the corners of her eyes, and her whole face became lively.

"Alright," he said.

The two of them enjoyed their time in silence for a while. Then, ning Qing thought of something and asked him, " how's your company doing? if you're too busy, you can let me take care of the wedding. You don't have to worry too much.

Nian lie chuckled, his sharp edges softening.

"There's nothing urgent at the company recently."

the collaboration between the Nian Corporation and the Lou family, Huahua ...

"The preparations are almost complete."

"Did it go smoothly?"

" ....."

He didn't answer. Ning Qing was puzzled. When she met his deep eyes, her heart suddenly fell.

"You seem to be very concerned about this," Nian lie said.

Ning Qing struggled a few times, but her face did not change and she pretended to be angry.

"I'm just afraid that you'll be too tired. If you don't like me asking about these things, I won't ask you anymore."

She pushed his hand away and got up to leave.

Nian Xi grabbed her wrist and pulled her back, causing her to fall into his arms.

"You let me go! I'm not married to you yet, so I have nothing to do with you. I don't have the right to meddle in the Nian family's Affairs. I already know everything!"

As ning Qing struggled, he held her down with all his might. Because her foot had not fully recovered, he was careful not to hurt her.

ning Qing, " he said helplessly.

"You let go!"

don't move! Nian Yu saw that she was agitated. He narrowed his eyes and said threateningly.

The woman stopped moving, but her eyes were misty.

His heart softened. He hugged her waist tightly and explained in a gentle voice, " it's not that I don't want you to ask. I just don't like you to care about these things.

Ning Qing blinked. He smiled and moved closer to her, his voice magnetic and deep.

"You can only care about me."

would think that he loved the woman in his arms to the point that he couldn't have anyone else but her.

so, don't tell me to go and work. I want to stay by your side, ning Qing.

She was stunned and her expression became awkward.

"I'm not asking you to leave me alone, but there are so many people in the company watching you. If you don't go to the company because of me, I'm afraid of Hanhan."

"Don't be afraid."

Nian lie wasn't worried at all. He only had eyes and heart for her.

the president should have a holiday too. I can apply for marriage leave.

"....."

Ning Qing bit her lip and suddenly laughed.

He held her neck and felt her pulse. He could feel that she was so alive in front of him.

I love you. Nian Ying's eyes glowed like the stars. I love you.

"Really?" ning Qing asked, smiling.

"What do you think?"

She wrapped her arms around his neck and laughed.

"Me too,"

"....."

then, can we go home to see mom and dad tomorrow? we need to discuss the wedding with them.

"You have to come with me,:" she added seriously.

Nian lie maintained his smile and caressed her head affectionately. okay.

Ning Qing lay back in his arms, and her shy smile slowly sank, without a trace of her true feelings.

The man who was holding her could not maintain his smile.

"I love you."

"Me too,"

\*\*\*\*

When ning Qing's foot was almost fully recovered, Nian lie took her back to the ning family.

At the door of the house, ning Qing was a little nervous.

don't be so nervous. I'm here, " Nian Xi comforted her in a low voice.

Ning Qing suppressed her excitement and nodded.

"I'll take care of everything. Don't worry, okay?"

"Let me tell them," ning Qing said hesitantly.

Nian lie looked up at her.

She said, " I'm their daughter, after all. Even if they're angry, they won't do anything to me. Besides, you've been working hard all this time. Nian lie, I want to do something for us too.

The man's gaze changed several times before it softened.

"Alright," he said.

He agreed.

Ning Qing smiled happily. She turned to the familiar door and knocked on it.

"Shua shua-"

"They're here."

A female voice came from inside. It was Mother ning.

"It's me, mother,; ning Qing said to the door: trying to control her emotions:

The door was pulled open with a bang.

Ning Qing's mother was overjoyed and excited, and she hugged ning Qing.

"Qing Qing, you're finally back! I knew you wouldn't leave us behind!"

Tears welled up in ning Qing's eyes. I'm sorry, mother.

Tears welled up in mother ning's eyes. She was about to say something when she suddenly noticed Nian lie behind her.

She suddenly straightened her face. what are you doing here? "

Nian Xi pursed his lips. Ning Qing's body trembled, and she slowly moved away from her mother's arms.

She looked at her mother's hostile expression. Xuxu's mother, " she said in an obscure voice, " I have something to say to you and dad.

#### [Chapter 586](#)

586 His flowery words (1:

In the small living room.

Ning Qing and Nian lie were sitting on the sofa, with mother ning opposite them.

Father ning came out of the kitchen with two glasses of water. He handed one to ning Qing and placed the other on the coffee table in front of Nian lie.

Ning Qing felt a lump in her throat. Mother ning didn't want to beat around the bush with them, because she really couldn't put on a good face to face that man.

She was expressionless. tell me, what's the matter? "

"Father, mother, we've decided to remarry," ning Qing said softly after hesitating for a while.

Mother ning and father ning looked over in shock.

She could clearly feel her parents 'doubts, but she continued under their gazes. I've been thinking a lot during this time. Some things are in the past. I shouldn't be stagnant and wallow in the past. It will only make everyone suffer.

"....."

some things have already happened and can't be changed, but I can still control my future. I don't want to be tortured by the past for the rest of my life. Maybe I should be braver and move forward. If that's the case, Qianqian "

Mother ning slammed her hand on the table. She couldn't believe it, but at the same time, she was furious.

“Ning Qing, do you know what you’re saying?”

Seeing that she was angry, Ning Qing pursed her lips. Mom, I know.

“If you know, why are you still talking nonsense?”

Mother Ning’s eyes widened in anger. She looked at her, then at the unmoving Nian Lie.

She pointed at him. Why would you suddenly say something like that? “Did he force you to do it? Tell Mom about Yingluo!”

Calm down. Listen to your child,” Mr. Ning said as he stopped her from moving.

Even so, Father Ning’s face did not look good.

Ning Qing found it extremely difficult. This has nothing to do with anyone else. I’m the one who has thought it through.

“What do you understand? Have you forgotten all the suffering you’ve suffered before? Our family has lost you and your sister time and time again because of him. You’ve suffered so much for him, and you’ve forgotten how much pain he’s brought you when he forced you to divorce him for another woman!”

Mother Ning’s accusations were mournful and heartbroken.

“.....”

Ning Qing’s face turned pale.

Nian Xi looked at her and held her hand tightly.

She looked back at his face, his expression dark and sad.

Mother Ning’s anger rose as she watched the interaction between the two.

You’ve believed his flowery words over and over again. Ning Qing, you’ve really forgotten how many times you’ve been abandoned. That’s why you can say that you forgive him so easily!

Nian Ying’s heart trembled, and he quickly fixed his gaze on Ning Qing’s face.

As expected, she looked a little puzzled.

Mother Ning continued.

The Nian family looked down on our family and never treated you well. Even he didn’t help you. You’ve made a fool of yourself in the whole of Ying City!

She stood up and pointed at Nian Lie angrily, her hand trembling.

This is the man who knelt in front of your father and me and said that he would take care of you for the rest of your life. Your father and I thought that he was sincere and believed his words. But what did we get in return three years ago?”

“.....”

it's the news that you were forced to get a divorce and jump off a bridge to commit suicide while pregnant!

The woman's voice was teary and her eyes were red.

Those heartbroken words brought everyone back to three years ago.

Ning Qing was shocked and sad. At the same time, countless doubts emerged in her mind.

"Mom, what are you talking about?"

At this moment, mother ning couldn't care about anything else. All she wanted was for ning Qing to stay away from the man who had almost destroyed her family!

### [Chapter 587](#)

587 Let me be with him (1:

She lowered her hands slowly and glared at Nian lie with hatred. After she sensed his anxiety, all her grief and anger turned into hatred.

ning Qing, what happened six years ago was not that simple. Your sister's death was not your fault.

Nian Jin panicked. Auntie, don't whine.

"It's him!"

Mother ning's voice became shrill.

it was Hanyu who drove you to see him for you. That's why the car accident happened. You were still pregnant with his Hanhan at that time.

"Auntie!"

"Shut up!"

Father ning and Nian lie spoke at the same time, stopping mother ning from continuing.

Father ning grabbed her arm. the child is here. Don't say anything more!

Mother ning's entire body trembled, and the woman who had always been easy-going became aggressive.

"Why can't I say it? Those are the crimes he has committed against our ning family. Even after another ten or twenty years, those crimes can't be washed away. She'll find out sooner or later! Since that's the case, why can't I say it?"

this is her decision, " father ning said through gritted teeth. you have to respect her decision!

Ning Qing's mother sneered and pushed his hand away.

"My daughter has stepped into his trap again. Do I not have the right to stop him?"

"....."

even if she forgot, she's the party involved. She has the right to know everything!

"Aunty, aunty!"

Nian Ying let go of ning Qing's hand. His dark eyes were filled with anxiety and fear, but he tried his best to suppress it.

He stood up, his body tense.

Then, he suddenly knelt down.

I know. I didn't do a good job. Whatever happened in the past, no matter how many reasons I had, it was all my fault for not taking good care of Qingqing.

This change came too quickly, and ning Qing's thoughts were completely chaotic.

Father ning and mother ning fell silent as well.

The man lowered his head slightly. His eyes were red and his hands were clenched tightly.

I know that you hate me and don't want her to be with me because you're afraid that I'll hurt her. But I, Nian lie, am willing to swear to you that I'll do my best to protect her for the rest of my life and not let her be hurt in the slightest.

His eyes were full of emotion, mixed with an unknown sorrow, and he looked extremely embarrassed.

"Otherwise, even if you want my life, I will have no complaints!"

"....."

As the curse-like vow was made, the living room fell silent for a few seconds.

Ning Qing was the first to react. She stood up and tried to pull him up. Nian lie, don't stand up like this.

However, he was especially stubborn. He didn't give her a chance to say anything and just pinched her hand.

uncle, Auntie, this is the last time, " he pleaded. please believe me. I, Yingluo, will take good care of her.

Tears welled up in ning Qing's eyes. Nian lie, stand up!

She had never seen him bow his head to anyone, let alone kneel down.

The man was unmoved.

The fire in her heart burned, and the look in her eyes as she looked at her parents changed.

"Mom, dad, must you do this?"

The two of them did not speak.

Tears streamed down ning Qing's face. it was my decision to be with him. He didn't force me. It has nothing to do with Zhenzhen's parents. I love him only because I love him!

"Qingqing, Zhenzhen!" Father ning was shocked and called out to her with mixed feelings.

Ning Qing suddenly knelt down and kowtowed, her tears flowing freely.

"Dad, mom, this is all my fault! If you want to blame someone, then blame me. Don't torture everyone with the past."

"....."

please, I beg you. I really can't live without him. Let me be with him!

#### [Chapter 588](#)

588 Let's do it this way then (1:

The woman kept kowtowing. Her forehead hit the ground, making a dull sound.

Nian lie's heart ached. He grabbed her hand. ning Qing, ning Qing!

It was as if she had lost her soul. She kept kowtowing and mumbling, " please, I beg you. " dad, mom, I beg you.

Father ning couldn't bear to look at her anymore and turned his face away.

Mother ning's face was covered in tears, and the despair in her heart grew deeper and deeper with ning Qing's actions.

She gritted her teeth and shouted with a bitter heart, "why don't you understand even now?" The Nian family was a cannibal. How could he, Nian lie, be any good? He has broken his promise to me and your dad time and time again. How do you think we can trust him?"

"....."

"Qing Qing, he can't give you a stable life!"

Ning Qing stopped what she was doing. When she looked up, there was no light in her eyes.

Her forehead was already bruised, and her expression was dull, like a fragile glass doll, which made people's hearts ache.

She didn't know if it was because she was too emotional, but her body swayed, and mother ning subconsciously reached out her hand.

Nian lie's eyes flashed with pain. He turned sideways and held her falling body. ning Qing!

Ning Qing looked up with her blurry eyes. Her lips were pale, but she still said stubbornly, " mother, I've thought it through. I can't predict the future. I can only grasp what's in front of me.

She held Nian lie's hand and could feel his entire body trembling.

The man was extremely afraid.

She lowered her eyes and her tone was very weak.

"I beg you, please grant me my wish."

In that instant, mother ning's tears had all dried up.

Her vision became clear for a moment, then blurry for a moment, and finally fell on ning SU's photo not far away.

The woman's smile was warm and beautiful, and her face overlapped with the person in front of her.

Her heart ached to the extreme, and her whole body seemed to have been hollowed out as she suddenly fell back ...

"Mom!"

Ning Qing reached out but did not stop her.

Fortunately, her father was quick to react and caught her falling back, placing her on the sofa.

Seeing her pale face, unfocused eyes, and short of breath, father ning immediately said to ning Qing, "your mother's high blood pressure is acting up. Go get some medicine!

Ning Qing was stunned, as if she had not heard him clearly.

"Where's the medicine?" Nian lie asked.

it's in the second drawer of the bedside table on the left side of our room, " Mr. Ning said.

"Alright," he said.

Nian lie patted ning Qing's face. After making sure that she was fine, he got up and left.

Soon, the medicine was brought over. After taking it, mother ning's condition stabilized within a few minutes.

She leaned back on the sofa while father ning calmed her down.

Ning Qing stared at her pained expression and murmured, "when did mom die?"

Father ning looked at her with a serious expression.

"Since you left three years ago."

It turned out that her mother had fallen sick because of her a long time ago.

Not only did she not know, but she was also angering her at this time!

Self-blame and guilt drowned her. Ning Qing burst into tears and ran to her mother's feet. I'm sorry, mother. I'm sorry!

She did not know what else she could do other than apologize.

Mother ning was moved, but she didn't help her up.

She took a few deep breaths and lost her previous imposing manner. She asked ning Qing, " have you thought it through? do you still want to be with him? "

Ning Qing choked, tears streaming down her face.

"I'm sorry, Mom."

Mother ning was extremely disappointed and closed her eyes.

After a long while, she said, " forget it. Since you insist on this, I can't change your mind. Let's just leave it at that.

Ning Qing and Nian lie reacted, but before they could rejoice, mother ning opened her eyes and dropped the last bomb.

#### [Chapter 589](#)

589 If you get married to him, we'll sever our mother-daughter relationship (1:

your father and I have raised you up to this age. You have your own thoughts and life, and we can't stop you. You're unwilling to listen to us, so we can't come to an agreement. No matter what, you're playing the zither to a cow.

Nian lie's eyes darkened. what do you mean? "

Mother ning's face was ashen, and she looked over without any expression.

"What I mean is to avoid increasing the unhappiness between you and me and affecting each other."

Her cold eyes returned to ning Qing, and every word was clear.

"Sever all ties."

Ding—

When ning Qing heard this, a string in her mind snapped, and her ears were filled with ear-piercing sounds.

A dark storm brewed in Nian lie's eyes. His first reaction was to look at ning Qing.

Her eyes were still red, her expression dazed, and her lips moved, but she didn't say a word.

He clenched his fists again.

Ning Qing was slow to react and suddenly laughed. mother, what are you talking about? I don't understand.

Mrs ning did not give her the chance to lie to herself. She dodged her hand and said, " I said, if you marry him, I'll cut off our mother-daughter relationship.

"....."

"You can choose, there's still time."

Nian lie clenched his jaw tightly. As he looked at ning Qing, who was sitting on the ground, he could no longer suppress his emotions.

He looked at mother ning. do you really have to do this? "

you forced me to do it first, " Mrs ning said coldly.

Nian lie's hands trembled as he clenched them tightly. Then, he let go, dejected and confused.

"I can't live without her!"

"My daughter can't live without her parents."

"....."

Then, mother ning looked at the dazed ning Qing and said in a flat tone, " I forgot. She already has you. You can take care of her for the rest of her life. We can't as her parents.

There was a hint of enigma.

Nian lie took a deep breath. He was so conflicted that his heart ached.

There were two voices arguing in his head:

that's it. If she breaks up with her parents, no one will be able to separate you two from now on.

"No! She cares so much about her family and is even willing to kowtow and beg them for your sake. If you continue to force her, she will definitely go crazy!"

"Nian lie, don't you just want to be with her forever? You don't need to care about the life and death of others, as long as she is by your side."

The extremely bewitching words provoked the nerves in his brain.

Another voice jumped out.

Nian lie, you can't be so selfish. You've already caused her to lose so much. You can't let her lose her parents as well!

The veins on the man's forehead were bulging, his temples were throbbing, and sweat was sliding down his face. The sudden headache tortured his face, making it ferocious.

There was a taste of blood in his mouth, and the expression in his eyes changed again and again. When he couldn't hold it in, he let out a cry of pain.

"Alright," he said.

A white light flashed across Nian lie's mind. He instantly forgot about his headache and looked at the woman who had said the word in shock.

Ning Qing's face was dark. She looked at her parents with unfocused eyes and repeated, " okay, let's break off our relationship.

"....."

Nian lie didn't feel any joy at all. Instead, he was filled with shock!

Why would she choose this?

Before he could think further, ning Qing had already gotten up from the ground. Her face was Haggard and lifeless, like a Living Dead.

She said,"all these years, I've been causing trouble, causing trouble, and bringing you pain. I'm sorry."

Mother Ning had only wanted to threaten her. How could she have expected her to agree?

Ning Qing took a step back and bowed with great difficulty.

Both father and mother Ning were speechless.

She straightened her body and tried to smile, but her smile was pale. It's me. I'm not worthy of being your daughter.

590 Ning Qing's abnormality (1:

"....."

in the future, I won't be around. Father, mother, please take good care of yourself. When the weather is cold, you should put on more clothes. Father, don't just focus on work. You should care more about mother and take care of your health.

After she finished speaking, her numb eyes started to sting again.

Just as she was about to cry, she pulled Nian Lie's hand and ran toward the door.

"Qing Qing!"

Behind her, father Ning's urging for her to stay made her cry.

Ten minutes later.

In the carriage.

After the woman left the Ning family, she cried and leaned against the car window without saying a word.

It was as if she had become one with the door, making it impossible to see any signs of life.

Nian Lie's mind was in a whirl, but for the first time, he didn't disturb her.

They returned to Yun Huang No. 1 in silence. Ning Qing only said, "I'm tired." Then, she slowly walked up the stairs.

It was as if he had lost his soul.

Nian Lie could only agree.

After she disappeared at the top of the stairs, he ordered the servants to guard her and called Lu Zhui over.

Lu Zhui arrived, panting heavily. He met Nian Lie in the study room.

The study room was filled with the strong smell of cigarettes. The ashtray was so full that the cigarette butts spilled out, and there were two left on the table.

"Young master, what's wrong with Yueyue?" he asked in fear.

At this moment, the man had a cigarette between his fingers, and his face was dark.

Lu Zhui could tell that he was in a bad mood.

Nian lie didn't say a word. He just stood there. When his hands and feet went numb, the man finally spoke.

"Have people keep a close eye on the ning family."

Lu Zhui was stunned. He knew that the two of them had just returned from the ning family. Why did they suddenly want to do this?

"Is there something that hasn't been settled yet?" he asked fearlessly.

Nian lie was holding a lighter in his other hand. When he heard his question, he gave him a thumbs-up.

Ding—

The lighter's cover popped open, and the blue flames burned, looking a little mysterious and strange.

Lu Zhui's heart skipped a beat.

"Yes, I'll arrange for people to keep watch."

Nian Xi closed his eyes and stared at the flame.

what has Nian che been up to recently?"

Lu Zhui didn't know why he was asking about the second young master. He answered honestly, "the second young master has been busy with an inter-city project. He's still in Haicheng.

"Tell him to come back."

Lu Zhui was puzzled. but the project is at a critical juncture. If second young master returns now, I'm afraid the partners will have complaints.

His cold eyes shot over, and the chill went up from the soles of his feet.

It had been a long time since he had seen such a terrifying look in Nian lie's eyes.

The last time was when he had found out that ning Qing had jumped off the bridge and died.

He didn't dare to say much. yes, I'll contact the second young master now.

"....."

Nian lie didn't ask him to leave, so he didn't dare to.

The man was silent for a while before he snuffed out the cigarette on the sofa armrest.

A burnt smell came. It wasn't unpleasant, but it wasn't pleasant either.

"He knows the news?"

Nian lie's sudden question made Lu Zhui take a while to react. yes, I found out three days ago.

“Yes.”

Nian lie threw the lighter on the table, his expression darkening. you may leave.

Lu Zhui nodded and walked out of the study room. Only then did he realize that he had broken out in a cold sweat.

He didn't know what had happened to the ning family.

However, judging from Nian lie's current behavior, ning Qing had probably done something to make him very unhappy.

He thought about it carefully and had a feeling that the world was about to change.

After a cold shiver, he shook his head and hurriedly left cloud flame No. 1.

In the study, the man's figure did not move.

The woman's sad and desperate face flashed from time to time, as well as the ning parents "disappointed expressions.

Nian lie's gaze was in a mess, and his head started to hurt again.

It took a long time for it to calm down.
