

## Mr Nian 591

### [Chapter 591](#)

591 Someone is looking for you at the door (1:

The next day, Nian che returned to the house when Nian lie left early in the morning.

The servant went upstairs to inform her, and ning Qing went downstairs.

While he was anxious and nervous, the woman came.

“Sister-in-law!”

He was so anxious that he wanted to say something, but after seeing her Haggard face, he could not say anything else.

Ning Qing smiled a little reluctantly. why did you come so early? ”

Nian che opened his mouth. A bunch of words were stuck in his throat. The only thing he said was, ” brother went out to handle the wedding. He was worried that you’d be bored, so he asked me to come and visit you.

“Yes.”

Ning Qing’s expression was neutral as she walked to the sofa.

“Take a seat first.”

The two of them sat opposite each other, and the servants brought them fruits and snacks.

Ning Qing didn’t have much of an appetite. She raised her head and asked Nian che, ” how have you been? have you cleared up the company’s matters? ”

Nian Che’s expression did not change much. it’s alright. There’s not much of a problem.

“That’s good.”

“.....”

The silence slowly spread, burning the hearts of the people.

Looking at the woman’s pale and lifeless face, Nian che did not feel good.

He hadn’t seen her for a long time, but she seemed to have lost a lot of weight, and there was no such unbridled and warm smile on her face.

“Don’t be like this,” he said.

Ning Qing recovered from her daze and did not hear him clearly. what? ”

Nian che pursed his lips, his handsome features filled with worry and concern.

“Don’t laugh.”

“Yingluo, why?”

“If you’re sad, don’t force yourself to show happiness.” Nian Che’s expression was solemn and his tone was slightly stern, “ you weren’t like this in the past, so don’t make things difficult for yourself.

“.....”

The corners of ning Qing’s lips froze, and the deliberate calmness in her eyes faded.

Seeing her like this, Nian Xi relaxed a little, but clenched his fists again.

He shouldn’t have thought about things he shouldn’t have.

For example, was she really willing to marry his brother again?

After all, he knew better than anyone how much his brother loved her. He loved her so much that he was about to give up on himself.

Without her approval, how could his brother hold a wedding?

Nian che smiled, trying to liven up the atmosphere.

“You’re a bride-to-be who’s about to get married. Look at who’s frowning like you. You’ll scare away all the happiness.”

Ning Qing was shocked by his sudden change. She hesitated for a moment and did not reply.

alright, don’t worry about other things. Isn’t it worth being happy that you’re about to marry the person you love? ”

Ning Qing smiled in agreement. you’re right.

She should be happy.

Nian che acted out of character. He pulled out a picture book from nowhere and said, “ look at this.

Ning Qing took a glance and saw that it was a booklet on the wedding dress.

Nian che flipped through the pages. The dazzling clothes made all the women scream in envy.

my brother gave me a task today. He wants you to choose something that you like.

He pushed the booklet in front of her and said with a warm smile, “take a look.” &Nbsp;

Ning Qing wasn’t in the mood for it. She wasn’t interested in the useless wedding dress, but she couldn’t refuse it when she saw Nian Che’s eager eyes.

She flipped through two pages. Nian Xi leaned over and said, “ my brother said that these are all samples for you to take a look at. He’ll hire a top designer to come up with a design for you. It might take a long time. Your wedding is near, so you have to hurry.

Ning Qing nodded. I know.

“Then take a good look.” He watched as she flipped through the pages, and his eyes softened. He pointed at one of them. this one is not bad.

“Yes.”

“This trailing train design is pretty good too.”

“Yes.”

“Look at this veil.”

“Alright,” he said.

The atmosphere between the two of them was quite harmonious, but it didn’t take long for this peace to be broken.

A bodyguard rushed in from the door. Seeing the two of them, he greeted Nian che first. Then, he reported, “ young Madam, someone is looking for you at the door.

Ning Qing’s eyes were filled with confusion. who is it? ”

“The banquet master of Dongchen international.”

### [Chapter 592](#)

#### 592 A confrontation with Yan Sichen (1)

The bodyguards stood in a line outside the complex carved door, blocking the way.

“Master Yan, the person has already gone in to report. Please wait a moment.”

She looked back at the man. His clothes were wrinkled, his face was Haggard, and stubble had grown on his chin. He looked Haggard and disheveled as if he had been locked up at home for a long time.

Not far away, two figures gradually became clear.

Yan Sichen couldn’t care less about his image as he rushed up and shouted, “Qingqing!” Ning Qing, it’s me!”

If the bodyguard hadn’t stopped him, he would have probably rushed up.

Nian che glanced at the agitated man, then at the woman beside him.

She didn’t show much emotion, as if she was indifferent to such a scene.

She stopped three or four steps behind the bodyguard.

Yan Sichen had gone through a lot and no longer had the gentle appearance of a gentleman.

The moment he saw her, he actually smiled.

It was as if he had seen the only light in his life.

“I knew you would come to see me.”

“How did you end up like this: : ning Qing asked, frowning as she sized him up.

“.....”

Yan Sichen looked at her with deep affection in his eyes.

Since he did not respond, Ning Qing did not ask further. Is there anything I can help you with? "

Yan Sichen was stunned by her cold tone.

"Qingqing, did you have a fight with your parents?" he asked hurriedly.

Ning Qing did not answer directly. This is my family matter, brother Sichen. You shouldn't meddle so much.

Nian Che, who was standing beside her, was surprised by her distant behavior.

However, Yan Sichen was too impulsive and didn't notice her strange behavior.

His hands were still on the bodyguards' shoulders. He wanted to walk past them, but he couldn't. His heart was burning with urgency.

"Uncle Ning and Aunt Ning have been very sad these past two days. Aunt Ning has fallen ill again and said it's Yingluo."

He couldn't say those words, and Ning Qing took the opportunity to say them.

"I've cut off all ties with them."

"....."

"So, what they are doing now has nothing to do with me."

Both Yan Sichen and Nian Che were shocked.

This was something they had not expected.

Yan Sichen's heart was in a mess. Qingqing, how can you say that? No, that's impossible. You're not that kind of person."

He seemed to be talking nonsense. When he looked up, his eyes were fierce and full of anger.

"Nian Lie forced you to do this, didn't he? He threatened you with your parents' safety? That must be it. Don't believe him. Even if you're with him, he won't let the Ning family go!"

The man was so excited, but the woman stood there without any movement.

There was no change in her expression, and she only asked, "

"What about you?"

Yan Sichen suddenly stopped shoving her and his mind slowed down. What's the matter? "

"Why are you so concerned about the Ning family and me?"

"Uncle Ning and Aunt Ning are my elders, so of course I should be concerned about them. As for you, how could you not know why I'm concerned about you?" Yan Sichen asked with some difficulty. Because I love Yingluo."

"Yan Sichen."

Suddenly, she called out his full name.

The man's eyes flickered. This was the first time she had called his name in such a tone.

He didn't feel happy at all. Instead, he felt an indescribable panic.

Ning Qing was such a woman.

When she smiled, it was like a spring breeze.

Once he stopped smiling, that pair of bright black eyes looked at you, making you feel cold and piercing.

She said, " your family and my family only had a small friendship from 20 years ago. This friendship has long been exhausted after the wedding failure. You should Listen to Your Mother and stay away from the ning family and me.

### [Chapter 593](#)

#### 593 A confrontation with Yan Sichen (1)

Yan Sichen's chest was swollen and painful. He couldn't believe it.

He pursed his lips and his brown eyes were unfocused. Qingqing, you're Hanhan.

we didn't have much interaction in the first place. The first time you saw me after you returned to the country was when I had a conflict with Nian lie. You picked me up by the road and brought me back to your place.

"....."

at that time, I was just grateful to you. Thank you for appearing at my most helpless time. But I forgot that it was not long after I woke up.

Ning Qing stared straight at him, exuding a sharp aura.

"You said that you bumped into me by accident, but how can there be so many coincidences in this world?"

Yan Sichen's face gradually turned pale.

Ning Qing understood everything, and her face grew colder.

I used to treat you as a friend and family, but now I realize that I was too stupid.

She laughed bitterly. it turns out that there's no coincidence between you and me. There's only your deliberate planning.

"I didn't!" Yan Sichen's heart ached at her accusation.

Qingqing, I did use some methods to find out that you came back after you woke up, but Qianqian did that because I wanted to be by your side and take care of you!

He was so excited that his face was red, and his howls were mixed with a low plea.

"I want to take care of you forever!"

you said you wanted to take care of me for the rest of my life. Why didn't you come back immediately after I fell unconscious?" ning Qing asked, unmoved.

Yan Sichen stiffened, and the veins on his forehead popped out. His face turned red and his expression became strange.

Ning Qing did not stop there. She took a step forward and got closer to him.

according to what you said, you knew that something had happened to me and that I was unconscious, but you didn't come back to stay by my side immediately. Instead, you only returned to the country three years later when I woke up.

Ning Qing could not help but sneer, her eyes sharp and keen.

At that moment, the people around her saw Nian lie's shadow in her.

"Don't you think your words are contradictory?" she asked.

Yan Sichen lost his voice.

After a long time, he looked away, a little flustered and helpless. I'm just a coward.

"I'll help you say it."

Ning Qing was not willing to listen to his excuses.

"The reason why you know so much about my movements, know that I'm in a coma, but don't dare to stay by my side, is all because of Qianqian."

"....."

Her eyes were half-closed, and her expression could be said to be cold and ruthless.

"You're guilty."

Yan Sichen's pupils suddenly shrank. He was so shocked that he forgot everything around him. The only thing he could hear was the woman's words.

Because he felt guilty.

Because he came back too late, he didn't stop the tragedy that happened between her and ning su.

Because he didn't stop her and let her try the new medicine.

Because of the medicine, she was unconscious. He didn't dare to face her lifeless self, so he ran away.

He was the only deserter in his life!

It had also caused him to miss out on her life!

Ning Qing's heart turned cold as she looked at his sad face.

"I thought they were lying to me."

Yan Sichen's eyes gradually focused on her face.

She couldn't smile anymore. Her lips were stiff as she spat out those words.

"But your expression tells me that everything is real."

Yan Sichen lost all his strength and his heart ached so much that he couldn't breathe.

"I'm sorry, Qingqing."

His voice trembled badly, and it was obvious that he was in extreme panic.

However, this apology became the final confirmation in her ears.

The corners of her mouth twitched, and her eyes drooped.

Her long eyelashes covered everything.

#### [Chapter 594](#)

594 I've only made a mistake once, and it's not worth forgiving?

The dark clouds descended, and the fog was very terrifying.

A biting cold wind blew.

Nian Xi moved, only to realize that his exposed fingers were frozen.

He turned to look at the woman, not knowing what kind of pain she was hiding under her calm face.

He was about to speak when the rain fell.

"Sister-in-law!"

Ning Qing didn't look at him. Her quiet look was even colder than the rainy weather.

"It's too late to say sorry now," she said.

The man felt a sharp pain in his heart, and his hand that was holding the bodyguard dropped unconsciously.

"Yan Sichen, our fate has been a mistake from the beginning to the end." She continued without giving him any face.

If he had not approached her on purpose, she might not have become like this even after struggling for a few years.

It was said that people in the dark could not see the light, because once they saw the light, they would know how terrifying the darkness was.

To her, Yan Sichen might not be her light.

But he had given her courage again and again.

Whether she left Nian lie or married him, she didn't mind.

She had been impulsive before, but she was sincere.

He made her think that she could get rid of the pain.

In the end, all of them failed.

“.....”

The rain continued to fall.

The woman stood there with Nian che holding an umbrella for her, so she didn't get caught in the rain.

His body was cold and drenched.

At that moment, Yan Sichen felt that they had become too far apart.

He was going to lose her completely.

“Mistakes must be corrected in time. Don't keep making mistakes.”

Ning Qing looked at the disheveled man indifferently, already feeling tired.

“You can go back now. Don't come looking for me in the future.”

With that, she turned around to leave.

Nian che glanced at Yan Sichen, then turned around carefully and leaned the umbrella towards her to prevent her from getting wet.

“.....”

Looking at the two people walking away slowly, all of a sudden, a lot of emotions rushed to his head, forcing Yan Sichen to be nervous.

He was unwilling and resentful.

“If I call you” wrong,”you won't call him” wrong “?”

Ning Qing stopped in her tracks.

He clenched his fists, and the blood in his body surged. It was as if his body was burning, and his skin was overflowing with coldness.

The feeling of Ice and Fire made him lose his last bit of rationality.

he hurt you so much in the past, and you're willing to give him a chance again and again. I only missed it once, and it's not worth forgiving Qianqian and ning Qing. This is unfair!

Ning Qing pursed her lips tightly. Nian che could not stand it anymore. He turned around with a serious expression.

“Master Yan, there's no such thing as fairness in the world of love.”

There was only love, or not love.

Yan Sichen understood what he was trying to say and his anger rose layer by layer. His heart ached so much that he couldn't stand still.

The sound of the rain gradually grew louder.

why does he have so many chances? ” he roared through the rain. Zhenzhen, why do you have to forgive him time and time again? Zhenzhen, you even broke off your relationship with your parents for him. But for our wedding, you're not willing to give in even the smallest detail!

Perhaps it was because he had accumulated too much resentment, or perhaps it was because he had not received a response for too long.

In short, he was driven crazy by her indifference!

He was completely crazy!

ning Qing, do you know that ever since you quarreled with my mother last time, Zhenzhen has forbidden me from coming to see you again? I've been protesting with her and my father for a long time. Zhenzhen, in order to be with you, I've used methods that I can't even think of to make things difficult for the two elderly!

He had refused to eat for three days!

Using the life his parents had given him to shamelessly threaten his own parents!

Just to run towards her!

But Yingluo, Yingluo,

## [Chapter 595](#)

595 What did you do to him:

The rain fell with tears, and Yan Sichen's eyes were so red that they looked like they were crying blood.

He couldn't see the woman's figure clearly. In the cold wind, she seemed to shiver, but also seemed not to.

Nian che couldn't stand it any longer. what you've done for her is your choice, ” he said coldly. it doesn't mean she has to accept it.

Yan Sichen's expression started to become dazed.

“She has no reason to accept your kindness.”

As soon as he finished speaking, the woman beside him walked away.

Nian Jue was stunned for a moment, then quickly stepped forward to shield her with an umbrella.

Behind him, the screams did not stop.

“Ning Qing, don't go!”

“Look at me, come back with me. You won't have a good ending if you follow him!”

Qingqing, it's brother Si Chen's fault. Don't continue to make mistakes!

"....."

In the end, the woman did not turn back and disappeared into the building.

The man went crazy and tried to get past the bodyguard. One of his hands stretched out in her direction.

The bodyguard didn't move away no matter what. After reminding him again, "master Yan, please behave yourself," he didn't listen and punched him in the face.

He lost his balance and fell to the ground.

His high and surging emotions were burning like fire.

In contrast, the cold rain hitting the body was unbearable.

"After going around in circles for so many years, why did you still choose to return to him?" he muttered.

Ning Qing, do you really not want anyone else?

The only reply he got was the pitter-patter of the rain.

In the room, Nian che followed behind ning Qing, not daring to get too close.

He looked at the wet spot on her shoulder and fell into a trance.

Ning Qing turned around and looked at him. Nian che.

He looked up and met her eyes.

A silent flow of silence.

you're all wet," ning Qing said. go take a shower and change into dry clothes.

He was confused for a second before he nodded and agreed.

"Are you okay?: he asked worriedly as he passed by her.

Ning Qing smiled back at him. it's okay.

"....."

He was not happy to receive a response, but he could not do anything else. He let the servant take him to wash up.

As soon as he left, the bodyguards outside came in again.

young Madam, master Yan is standing at the door. It seems like he doesn't want to leave.

Ning Qing's smile fell.

His voice was even softer than the wind.

"Let him be,"

“Yes.”

The rain outside was getting heavier. Standing in the large living room, ning Qing could only feel the cold wind and rain pouring in. She was cold from head to toe.

On the other side of the car, Lu Zhui was reporting to Nian lie.

master Yan is standing at the door now. Madam didn't ask anyone to chase him away, so he hasn't left. He said that he won't leave until Qianqian sees you.

After saying that, he sneaked a glance at Nian lie's reaction.

The man was sitting upright, his short hair combed back. His face looked as if it had been carved by a knife, and his facial features were deep and charming. However, his expression looked dangerous no matter how you looked at it.

“Where's Nian che?” he asked in a low voice.

second young master is accompanying young Madam. She should be fine.

Nian lie didn't answer. His dark eyes were looking straight ahead, and no one knew what he was looking at.

“Go back: : he ordered after: while:

Lu Zhui nodded.

Five minutes later, a car with a rare license plate arrived at yunhuang No. 1.

The rain was ridiculously heavy. It was the heaviest rain in the winter of bamboo city in the past ten years.

The man stood there in his thin clothes, and a row of bodyguards blocked the door like a row of sculptures.

Yan Sichen was so cold that he lost consciousness. He stared at the building stubbornly until a car stopped in front of him.

The car window rolled down, and the cold rain fell on the man's face, making him look even more indifferent.

When Yan Sichen saw that it was him, his expression instantly turned ferocious.

“What did you do to her?”

## [Chapter 596](#)

596 She's my wife, and she'll always be \_1

He still did not believe that ning Qing had become like this on her own!

It was definitely Nian lie!

He was the one who threatened and forced her to draw the line between them!

Yan Sichen's entire body relaxed. Through the car window, he reached in and grabbed Nian lie's collar.

"Nian lie, you're too despicable! Do you know how much pain she'll be in if you want her to cut off all ties with her parents? Next, are you going to make her lose all contact with the world?"

Lu Zhui and the people outside wanted to stop him, but Nian lie stopped them with a hand gesture.

He squinted at him. Even in such an uncomfortable position, he did not show any timidity.

"To attack me in front of my house, young master Yan has grown some skills."

Her cold words infuriated the man even more.

Yan Sichen's grip on Nian lie's hand tightened as he gritted his teeth. don't talk to me in such a high and mighty tone. Nian lie, I'm warning you. You'd better return her to me. Otherwise, Wanwan ...

The raindrops rolled down his sleeves and dripped onto Nian lie's body.

The White cloth was wet, revealing the muscles under it, which were barely visible.

He frowned. otherwise what? "

"Or I won't let you off!" Yan Sichen roared. Even if I have to become enemies with the Nian family, I won't let Qingqing stay by your side all the time!"

Nian lie curled his lips coldly and shot him a look. you really have a special love for my wife.

"....."

The coldness in his black eyes ran freely. Other than the sound of the rain, no one dared to breathe.

Nian lie raised his head slightly. His forehead was a little wet, but it didn't affect his cold and proud demeanor at all.

He moved his thin lips. you didn't run away back then. Perhaps you're still qualified today. But, Yan Sichen.

His eyes were filled with danger and viciousness, and Yan Sichen suddenly relaxed his strength.

"You've made such a mistake. You don't have the right to fight with me," Nian lie said coldly.

After saying that, he raised his hand.

Before Yan Sichen could think about it, he felt a pain in his hand and lost all his strength.

He held his stinging wrist and glared at the man in the car, who was still acting like a man. The dissatisfaction and anger in his heart reached their peak.

"If I'm not qualified, then are you worthy of her?" he said.

"....."

"You and I both know how long you've been lying to her!"

Just as the car window was about to roll up, it stopped again.

From that crack, an extremely sinister and terrifying gaze shot out.

“The process is not important.”

Nian lie’s voice was like the sound of the rain, deep and moving.

At times, it could take a person’s life.

“Since she has become my wife, she will be my wife for the rest of her life,”

From the heavens to the earth, mountains of daggers and seas of fire.

Heaven or hell.

She, ning Qing, would always be his.

“Nian lie!”

The scream that came from the bottom of his heart was enough to make people look sideways.

However, the window was completely closed, and the figure inside could no longer be seen clearly.

The rain hit the roof of the car again and again.

His self-esteem seemed to have fallen under the wheels of a car and was ruthlessly crushed.

Yan Sichen’s body tensed up and his eyes were red as he watched the car drive into the gate and the door slowly close.

Yan Sichen’s face turned pale and he tried to stop them in a panic. what are you doing?!

young master said not to let any unclean people enter young Madam’s eyes.

“No, no way! I’m going to wait for her to come out!”

However, those people only treated him as a madman and ignored him.

He couldn’t stop it. The heavy door finally closed.

The cold and bone-chilling rain fell down from above.

Yan Sichen was in a sorry state and stood by the roadside like a clown, as if he had been abandoned.

He had lost all feeling in his body, including his heart.

After an absurd laugh, he collapsed.

He was the only one left in the world.

## [Chapter 597](#)

597 I just wanted to see how important I am to Mrs. Nian (1:

Nian lie walked in, but the woman was nowhere to be seen in the living room.

He rolled up his sleeves and unbuttoned the top two buttons of his collar. He casually asked, "where's Madam?" the servant replied respectfully, "Madam has gone upstairs."

He didn't even have time to change out of his shoes as he quickly went up to the second floor.

He pushed the door open and entered the bedroom. The woman was sitting in front of the dressing table, smiling faintly. why are you back at this time? "

Nian Xi paused.

He felt that the scene in front of him was somewhat unreal.

The woman was sitting in front of the dressing table, holding a comb in her hand. Her long curly hair hung behind her back, and her eyes were gentle. The retro mirror reflected her figure, the dark sky outside the window, and the misty scenery in the garden.

It was stable and quiet.

His body trembled. He did not know when the woman had appeared in front of him and hugged his waist.

She was extremely reliant on him and rubbed against his chest. you've worked hard.

These words were a warm greeting from a wife.

Nian Xi hugged her waist tightly. you seem to be in a good mood.

"From what you've said, do you mean that I should be unhappy?" ning Qing asked.

"....."

She raised her head from his arms. if I'm unhappy, you'll say that I don't want to marry you again.

Nian lie coughed lightly. you're sharp-tongued.

"I just don't want you to overthink it."

The woman's eyes were like stars, and when she smiled, it was as if the whole world was lit up by her.

The suffocation in Nian lie's heart lessened a little, but he still couldn't help but mention the person he had just seen.

"Someone is looking for you at the door."

Ning Qing blinked and said, "I know."

He carefully scanned every inch of her face, the light in his eyes bright and dark. you don't want to see him? "

"I've already met him," ning Qing said.

"He didn't leave."

"I told him to leave, he was the one who wanted to stay."

“You don’t want him to stay?”

The man’s question made Ning Qing feel quite uncomfortable.

She let go of his waist and stopped smiling. Nian lie, you don’t believe me.

Nian Yu was stunned. No.

The woman didn’t want to hear it anymore. She was a little coy.

I didn’t say anything to him. You can ask Nian che and the bodyguards. If you still don’t believe me, then forget it.

She wanted to leave, but Nian Xi quickly pulled her back. I didn’t mean that, Zhenzhen.

Ning Qing was not happy. She did not look at him and turned her head to look elsewhere.

is that what you mean? it’s just a meeting. For the sake of our past, I told him not to wait, but he insisted on waiting. What can I do? ”

Nian lie looked at her sulking face and found it a little cute.

He had the intention to tease her, and his face darkened.

if you don’t want him to wait, then tell him clearly. You’re about to get married. If others find out that he’s waiting at the door, will it ruin my reputation or your own? ”

Ning Qing was so angry that her neck was red. fine! I’m in the wrong for ruining your reputation. I apologize!”

The man remained silent.

Ning Qing’s fingers clenched tightly. I’ll get someone to chase him away now!

After she finished speaking, she was about to rush out angrily.

Nian lie held her arm tightly once again and held her down.

She struggled, ” what are you doing?!

Nian lie suddenly laughed. His laughter was bright and clear, and his chest shook. His handsome face was enough to turn all living beings upside down.

Ning Qing looked puzzled. what are you laughing at? ”

Nian Yu hugged her tightly, his smile never fading. I’m laughing at how cute you are.

Ning Qing froze, her face turning red at a speed visible to the naked eye.

Nian lie thought of a phrase, ”face as beautiful as a peach blossom.”

She punched him on the chest. you’re trying to make me angry!

Even though he said that, his tone had obviously changed for the better.

No matter how Nian lie looked at her, he liked her. The corners of his lips curved into a happy arc. I just wanted to see how important I am to Mrs. Nian.

#### [Chapter 598](#)

598 Master Yan has fainted (1:

Ning Qing's eyes twitched. Mr. Nian, are you satisfied with this answer? "

Nian lie raised his eyebrows. not bad.

He already felt very lucky to hear such words from her mouth.

Ning Qing stood on her tiptoes and moved closer to his face. He didn't know what she wanted to do, but he obediently put his arms around her waist and helped her up.

"Now that you're happy, shouldn't you let me vent my anger too?"

With a bit of gritting teeth, she bit his chin without waiting for the man to react.

Nian lie's back stiffened, then he relaxed and indulged in her willful behavior.

The smile on his face seemed to be a little happy.

After maintaining that posture for a while, ning Qing felt her teeth ache and her body was exhausted.

He noticed it. He did not let go of her waist. Instead, he lifted his hand a little and even teased her. you can't hold on anymore? "

Ning Qing looked at his smug face and wanted to use more force, but her teeth ached so badly that she could only give up. you only know how to bully me. I think I have to consider whether I should marry you, Huahua!

Before her heels touched the ground, the man's large hand caught her, and her legs were forced to wrap around his waist.

That position was rather ambiguous.

He hugged her legs, his large palm burning her skin through the fabric.

"You want to go back on your word?"

Ning Qing looked at his eyes and her heart thumped, but she maintained her calm. yes! I'm going back on my word!"

Nian lie laughed with a devilish charm.

"It's too late,"

He looked down at her and kissed her lips.

She would become the king who ruled over her.

After a deep kiss, Nian lie pulled the weak woman into his arms and caressed her hair affectionately.

The entire room was silent.

It was so quiet that Ning Qing could only hear his heartbeat and breathing, making her want to stab a knife into his chest.

It was so harmonious that it was strange.

Nian lie's phone vibrated. He picked it up and saw that it was a message.

"Young master, master Yan has fainted."

His eyes darkened, and after thinking for a while, his voice was a little hoarse.

"Something has happened."

Ning Qing was still immersed in her thoughts and did not respond.

"He fainted," he said again.

Ning Qing came back to her senses and did not continue.

Nian lie didn't feel happy about this. Instead, he felt uneasy.

He couldn't tell why.

It was as if he was urging her to be quiet just to accommodate his needs.

Feeling suffocated, Nian Xi moved his body, and she followed suit.

"Are you wondering why I don't care about him anymore?" the woman asked softly after a while.

Nian lie didn't show any signs of embarrassment, nor did he answer.

Ning Qing propped herself up a little and put her arms around his neck. Her collarbones on one shoulder were exquisite, her neck was slender, and her skin was as white as snow.

She said, "I just woke up three years ago. It was very scary to lose a part of my memory. I always felt that I was missing a part of my life. At that time, our relationship was awkward.

She glanced at Nian lie. The man looked at her and said, "continue.

Indeed.

At that time, the two of them were like fire and water, and she would never tell him what she was thinking.

Ning Qing cleared her throat. I don't have a good relationship with my parents either. He's the only one who cares about me and takes care of me. I really treat him as family. I came back this time because of Hanhan, but when the incident six years ago was revealed, I realized that the people around me are all plotting something.

"....."

She laughed bitterly and said in a self-deprecating manner, "that's right, if you're not related by blood, why would I be good to you without asking for anything in return?" He only helped me out of guilt."

Nian lie didn't comment on her words. He only hugged her waist tightly, deep in thought.

Ning Qing's tone was still worried. I can't say that I'll forgive you. I don't know what else I can do except to draw a clear line.

Nian Xi caressed her hair. it's okay. You have me.

Ning Qing looked at him with her watery eyes, serious and solemn.

"Nian lie, from now on, I really only have you."

### [Chapter 599](#)

599 Nian lie, from now on, you're the only one I have (1:

"Nian lie, I only have you in the future."

She had already lost her parents and had gotten into such a mess with Yan Sichen. There was no turning back.

Nian Xi knew this, and her heart softened and ached.

"Ning Qing, you have to believe that I will treat you well for the rest of your life."

Her smile was sweet, but her eyes were filled with tears.

"Yes."

Outside the window, the rain didn't seem to be stopping. Instead, it was getting heavier. It was foggy, and nothing could be seen clearly.

.....

Half an hour ago.

The rain was so heavy that he couldn't see anything in front of him. Other than his almost crazy will supporting him, he had no strength to support himself.

The rain poured down from above, as if it was carrying ice.

Yan Sichen's entire body was shaking like a sieve. His face no longer looked like a living person and he could fall down at any time.

A bodyguard walked over and blocked his view.

At the same time, the rain above their heads was also isolated.

He could not focus his eyes and could only hear the man say, " young master Yan, the rain is getting heavier. This umbrella is for you. You can go back now. Don't wait any longer.

"....."

The man's lips trembled, unable to form a complete sentence. I teased her.

The man in front of her was called and he handed the umbrella to Yan Sichen. take it and leave. She won't come out.

The rain washed over her eyes, and the coldness seeped from her skin to her bones, making her feel freezing.

The scene appeared in front of his eyes. The woman's hysterical screams and cries, and his heart was numb from the pain.

"Qing Qing Qian Qian"

After he said these two words, his body swayed and he fell to the ground.

"Master Yan!"

This person wanted to help him up but was stopped.

"Don't touch him. I'll go in and report."

The man braved the rain and walked through the gate, heading towards the lit building.

.....

Nian che came out of the bathroom and changed into the servant's clothes.

When she walked into the living room, she did not see ning Qing. She only found out that Nian lie had returned after asking the servants.

He hurried upstairs and overheard the conversation between the two as he passed by the master bedroom.

I just want to see how important I am to Mrs. Nian.

Mr. Nian, are you satisfied with this answer? "

"Not bad."

"....."

Such a question and answer seemed to have exceeded the definition of the two in his heart.

He thought that she was being forced.

It wasn't their own wishful thinking.

But it turned out that he was wrong.

The man's lips curved up, and there was a hint of a smile, but there was more sourness and bitterness that he himself did not understand.

He quickly shook off this thought and went downstairs with a laugh.

A wet bodyguard was standing in the living room. When he saw him coming down, he lowered his head to signal him.

"What happened?" he asked, suddenly remembering the man.

: Master Yan has fainted,: the bodyguard answered honestly after hesitating for a moment.

Nian che wanted to call for them to send him to the hospital, but when he thought of the two people upstairs, he hesitated and did not say anything.

"The Yan family didn't look for him?" he asked.

The bodyguard shook his head. The people below said that Master Yan and his parents had a conflict because of young Madam. He didn't go to the company for a week and has been staying at the Yan family's residence. It seems that Zhenzhen has been locked up by Master Yan.

Nian Che's feelings grew more and more complicated. Yan Sichen was his own flesh and blood, but he didn't even care about him at this point. Yan Sichen was too pitiful.

As he thought about this, Nian che thought of Nian lie and himself.

Their childhood seemed to be even worse than Yan Sichen's.

What right did he have to pity others?

"Get someone to hold an umbrella for him."

He couldn't bear to ignore the other party, but this was all he could do.

Nian che glanced upstairs. His eyes were so lonely that everyone could see it clearly.

He turned his face away and said to the servant, "When my sister-in-law and brother come down, tell them that I'm going back to see my parents. Then, he left in a hurry.

## [Chapter 600](#)

600 Let our son realize your unrealized dream (1:

In the hospital, the man lying on the bed looked haggard and his brows were tightly knitted.

His pale lips trembled, as if he was struggling to say something.

Beside the bed, the woman's pretty face was filled with anger after hearing the doctor's words.

After the doctor left, she sat by the bed and looked at her son with heartache. No matter how much she thought about it, she couldn't think of anything.

"This woman is really cruel. Why didn't I see it before? My son is her ex-fiancé, and she actually allowed him to be drenched in the winter rain on such a cold day!"

The banquet mother's face turned red with anger. No one paid her any attention and she glared at the man who was sitting on the sofa without saying a word.

"Why don't you take a good look at your good son! If I had known that he liked such an ungrateful woman, I wouldn't have been soft-hearted and let him return to China!"

The banquet father was also angry at first, but after being scolded like this, his face completely darkened.

I won't let him go back. What's the use if he doesn't listen? "

"Don't you know how to think of a way? It's good to lock him up. I let him return to China a few times, but he ended up like this!"

Mother Yan's eyes were a little sore.

His son had never been seriously ill since he was young. He had always been sensible and obedient.

But he had disobeyed them twice, and both times, it was for this woman called Ning Qing!

This time, he even sent himself to the hospital!

If it wasn't for the fact that she couldn't bear it and called someone to check on him, he would have died in front of that woman's door!

The Father of the banquet didn't expect this day to come, and he lost his previous elegance and gracefulness.

The mother of the banquet held Yan Sichen's hand with tears in her eyes. My son is such a filial person, but he almost lost his life for a woman!

"....."

There's no good person in the Ning family. They only do disgusting things!

When Father Yan heard this, he didn't look good.

Ning Qing is Ning Qing. What does that have to do with the rest of the family? "

Mother Yan's eyes widened. There's something wrong with her parents. That's why they can raise a daughter like her!

"....."

"What? don't tell me you're speaking up for someone!"

The banquet father's face froze. What nonsense are you talking about? Why should we involve others in our child's mistakes? "

Mother Yan smiled coldly. Yan Jin, I think you don't care about your child at all. Instead, you're worried about someone else.

Her expression suddenly changed, and her voice became sharp.

"After so many years, you still haven't forgotten her?"

The banquet father turned his head abruptly. I think you're crazy. What nonsense are you talking about?  
"

The banquet mother didn't let him go, because most women were sensitive, and the child's matter made her worried, so she didn't want to let go.

"You still can't let go of the feelings you had with her mother when you were young!"

"....."

"It's a pity that you've never been in his eyes or heart!"

"Enough, you shut up!" The banquet father stood up and ordered her to stop talking.

However, mother Yan was unwilling. you're so agitated. Did I poke your sore spot? "

"Can you not be so unreasonable?" Yan's father was forced to lose his usual demeanor. that was so many years ago. Besides, after Si Chen grew up, didn't I listen to your advice and move our family abroad? At this point, what else do you want?"

Mother Yan's eyes were full of tears as she said angrily and aggrievedly, "yes, you've suffered all these years!" Marrying me for our child has cut off your relationship with her, so you want our son to marry her daughter and realize your unfulfilled dream. Do you really think I don't know?"
